FALL SEMESTER OPENS AUGUST 23, 1999

The University of Southern Mississippi offers equal educational and employment opportunities to all persons without regard to age, sex, religion, color, or national origin. These provisions also apply to disabled individuals pursuant to current federal and state regulations subject to reasonable standards of admission and employment. All inquiries concerning discrimination should be directed to the Vice President for Administrative Affairs, 103 Administration Building, The University of Southern Mississippi, Hattiesburg, Mississippi 39406-5177.

Information contained in this publication is subject to change without prior notice. Any changes in this publication are on file in the President’s Office. Information contained herein shall not constitute a binding agreement on the part of The University of Southern Mississippi.

Students at The University of Southern Mississippi are responsible for knowing and complying with all requirements for their respective degrees as stated herein.

The colors of the University are black and gold.

The mascot is the Golden Eagle.

This catalog was produced using EPA recommended standard recycled paper containing 40% waste product and printed with soy bean based ink.

Introduction

The University of Southern Mississippi and its Board of Trustees were established by an act of the Legislature approved on March 30, 1910, by Governor Edmund F. Noel. Its first name was the Mississippi Normal College, and its original purpose was to train teachers for the rural schools of Mississippi. On February 2, 1932, the Legislature established the Board of Trustees of State Institutions of Higher Learning and placed under its jurisdiction the five colleges and one university owned and operated by the state. On November 3, 1942, the people of the state voted to make the Board of Trustees of State Institutions of Higher Learning a constitutional board for all colleges and universities of the state. The University of Southern Mississippi is now operated under the jurisdiction of that constitutional board.

The act of March 30,1910, did not provide any state money for the building of Mississippi Normal College, but did provide that localities in the state might bid for its location by offering land for a site and money for constructing buildings. On September 16, 1910, the Board of Trustees accepted the bid of Hattiesburg and Forrest County to supply $250,000.00 and a free site. That site was west of the city in cut-over timberland with great pine stumps everywhere. Contracts were let to clear the land and to build buildings.

The five permanent buildings (College Hall, Forrest County Hall, Hattiesburg Hall, the Industrial Cottage [now the Honor House], and the President’s Home [now the Alumni House]), a temporary wooden Dining Hall, and other necessary improvements were barely finished when the Mississippi Normal College opened on the rainy morning of September 18, 1912, with a president, a faculty of eighteen, and a student body of 200.

On October 17, 1911, Joseph Anderson Cook, Superintendent of Schools, Columbus, Mississippi, was elected president. The University of Southern Mississippi has had only seven presidents since its founding. The Board of Trustees elected Claude Bennett president effective October 10, 1928. On April 23, 1933, the Board of Trustees elected Dr. Jennings Burton George as the third president, effective July 1, 1933. On June 13, 1945, the Board of Trustees elected Dr. Robert Cecil Cook as the fourth president and he officially assumed office on July 1, 1945. On October 21, 1954, President Cook submitted his resignation. He served until December 31, 1954, and Dr. Richard Aubrey McLemore became acting president on January 1, 1955. The Board of Trustees, on May 19, 1955, elected Dr. William David McCain as the fifth president. He officially assumed office on August 1, 1955, and retired as of June 30, 1975. Dr. Aubrey Keith Lucas became the sixth president of the University on July 1, 1975, and served until December 31, 1996, the longest tenure of any president. Dr. Horace Weldon Fleming, Jr., was appointed as the seventh president, assuming office on January 1, 1997.

As has been stated, The University of Southern Mississippi was founded on March 30, 1910, as the Mississippi Normal College. On March 7, 1924, the Legislature changed the name to State Teachers College. On February 8, 1940, the Legislature changed the name to Mississippi Southern College, and on February 27, 1962, the Legislature changed the name to The University of Southern Mississippi.

The Mississippi Normal College did not grant degrees in its early years, but awarded certificates for the completion of certain specified courses of study. On April 8,1922, the Legislature authorized the awarding of the Bachelor of Science degree. The Bachelor of Music degree was authorized by the Board of Trustees on June 19, 1934. The first Bachelor of Arts degree was awarded on August 20, 1940. On May 26, 1947, the Board of Trustees authorized the initiation of graduate work and the awarding of the Master of Arts degree. In the years since 1947, the University’s graduate programs have developed logically to meet the needs for professional competence beyond the academic measure of the baccalaureate degree. Doctoral programs were first authorized by the Board of Trustees on May 20, 1959. The administrative and academic organization of The University of Southern Mississippi is divided into the following areas: Vice President for Academic Affairs, Vice President for Administrative Affairs, Vice President for Research and Planning, Vice President for Business and Finance, Vice President for Student Affairs, and Director of Intercollegiate Athletics. The academic area of The University of Southern Mississippi is organized into the College of The Arts, the College of Business Administration, the College of Education and Psychology, the College of Health and Human Sciences, the College of Liberal Arts, the College of Nursing, the College of Science and Technology, the Honors College, the Graduate School, and the College of International and Continuing Education. The number of graduates is some measure of the growth of a university. The University of Southern Mississippi has awarded 100,114 degrees since the first one was conferred in 1922.
Purpose Statement

The University of Southern Mississippi recognizes the interdependence of teaching, research, and service. It is therefore dedicated to the pursuit of excellence in each of these areas, as well as in its support operations, with the goal of achieving and maintaining the highest possible quality throughout the university.

The University of Southern Mississippi is committed to quality education. In its undergraduate programs and in its graduate and professional programs that aim for national distinction, it seeks to educate students who will be well trained in their chosen profession, whose critical thinking skills and respect for learning will foster lifelong learning, and who recognize their obligation to contribute to their society—whether local, national, or international.

This education will be provided by a community of scholars who are dedicated to high standards of original inquiry and creative expression and to the principles of intellectual freedom. The university affirms its support for sound research, scholarship, and creative activity that will expand the boundaries of human knowledge, inspire superior teaching, and in their applications improve the quality of life of the citizens of Mississippi and the world.

With the understanding that teaching and research must complement service to society, the University of Southern Mississippi pledges to pursue its goals in an educational atmosphere that affirms a commitment to the preservation of our planet’s environment and a recognition of the increasing importance of international understanding. The University teaches respect for diversity of ideas, beliefs, and cultures, as well as for the cultural heritage of its own constituents. It seeks to attract and nurture a faculty, staff, and student body who reflect this diversity, while working always to enhance life locally and regionally. In short, the University of Southern Mississippi strives for excellence.

The University of Southern Mississippi values quality teaching and intellectual achievement, research and creative expression, personal development, quality programs and services, and the maximum use of resources. These values are supported by the following goals:

- Commitment to quality teaching and intellectual achievement by encouraging learning based on rational inquiry, problem solving, challenge, creativity, and intellectual initiative; developing an appreciation of culture and the liberal arts; attracting and retaining a highly qualified and diverse faculty, staff, and student body; and creating an appreciation for diversity.

- Commitment to research and creative expression by preserving and refining existing bodies of knowledge and expanding and communicating new knowledge.

- Commitment to personal development by creating a supportive environment characterized by opportunities for leadership development; enhancing communication skills; developing cooperative attitudes in problem solving through team-work methods; creating an awareness of the responsibility of a citizen in a democratic society; promoting healthy lifestyles within the University community; encouraging students to become supporting alumni; providing opportunities for developing career goals; demonstrating competence and integrity; developing an understanding of the complexities of differing cultural values in a global environment; and creating an understanding of international problems.

- Commitment to quality programs and services by giving attention to our alumni and other constituents; increasing financial support for the University; maintaining efficient student services; providing a safe, well-maintained environment; maintaining an athletic program that instills pride and generates positive recognition; enhancing University public service to the community; and developing practices that protect and preserve our environment.

- Commitment to maximizing resources through technology utilization by continuing to improve the equipment, physical facilities, and library resources of the University; utilizing appropriate technologies to deliver programs more effectively; and advocating the usage of modern technology.
Accrediting Agencies

The University of Southern Mississippi is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Bachelor’s, Master’s, Specialist’s, and Doctoral degrees.

Specific programs as noted in the bulletin have been accredited by the following accreditation agencies:

ACCREDITING COUNCIL ON EDUCATION IN JOURNALISM AND MASS COMMUNICATION
School of Journalism

6 Introduction
University Library Services

Library services at The University of Southern Mississippi are provided at six locations: the Joseph Anderson Cook Library, the William David McCain Library and Archives, the Media Resources Center, the Richard G. Cox Library, and the Gunn Education Materials Center, and the Music Resources Center.

The Joseph Anderson Cook Library

The Joseph Anderson Cook Library contains the principal collections of books, journals, microforms, and other materials which support the research and instructional programs of the University at all levels. Book stacks and reading areas are intermingled throughout the building, and the open shelf method of access to materials is utilized. Access is provided to a variety of fulltext databases, bibliographic databases, and Internet resources on a wide range of subjects. The collections are arranged according to the Library of Congress Classification System. The Library is currently acquiring approximately 23,000 new volumes annually and maintaining 5,000 current journal subscriptions.

The William David McCain Library and Archives

The William David McCain Library and Archives houses the special collections and archives of The University of Southern Mississippi. Resources are available for use by the public and the University community in the Cleanth Brooks Reading Room. Materials housed in this facility do not circulate outside the building. The online catalog and other descriptive finding aids serve as points of access to the collections. Among the notable holdings of McCain Library and Archives are the Mississippiana and Genealogy Collections; the de Grummond Children’s Literature Collection; the papers of Williams M. Colmer, Theodore G. Bilbo, and Paul B. Johnson; the Wales Collection of Confederate and Civil War History; and the Cleanth Brooks Collection of belles lettres.

The Media Resources Center

Located on the first floor of the McCain Library and Archives, the Media Resources Center provides non-print materials and study carrels for individualized learning with non-print materials. Materials are also available for checkout.

The Richard G. Cox Library

The Richard Cox Library serves as a resource center for the Gulf Coast Regional Campus. It contains collections of print and non-print materials which directly support the instructional program and include 37,000 volumes in the Curriculum Lab. The Library currently subscribes to almost 400 serial titles. Holdings on the Gulf Coast campus are supplemented by the print and electronic resources of the Hattiesburg campus.

The Gunn Education Materials Center

The Gunn Education Materials Center, located in Owings-McQuagge Hall, contains books and other printed materials, audiovisuals, and computer software which directly support the teacher education K-12 program and graduate education programs.

The Music Resource Center

Located in the Performing Arts Center, the Music Resource Center offers an extensive collection of recordings in various formats. Listening equipment and scores are also housed in the Center.

The University of Southern Mississippi Museum of Art

The University of Southern Mississippi Museum of Art was established by the university’s Board of Trustees in July of 1997, after an extensive renovation expanded the exhibition space of the facility. The Museum of Art is composed of three exhibition galleries: the C. W. Woods Art Gallery, the Lok Exhibition Gallery, and Gallery II. The museum is located on the campus of The University of Southern Mississippi near the university’s main entrance.

The USM Museum of Art dedicates itself to presenting many of the finest art exhibitions in the state of Mississippi. Not only do contemporary artists from around the country exhibit in the Museum’s galleries, but the list of historically important artists whose work has been exhibited in the Museum in 1997-1998 is long and varied—Walter Anderson, Thomas Hart Benton, Dusti Bonge, Paul Cadmus, Honore Daumier, Philip Guston, Seymour Haden, Winslow Homer, Walt Kuhn, Andrea Mantegna, Henry Moore, Robert Motherwell, Alice Neel, Fairfield Porter, Rembrandt van Rijn, Henri de Toulouse-Lautrec, James Abbott McNeill Whistler, and Anders Zorn.
The USM Museum of Art’s permanent collection is one of the finest in the state of Mississippi. Many of the best known artists to have worked or lived in Mississippi are in the collection—Richmond Barthe, Walter Anderson, Marie Hull, and Dusti Bonge. Additionally, the USM Museum of Art organizes a variety of tours of major exhibitions and sites throughout the United States and Europe.

For more information about the USM Museum of Art, please call (601)266-5200.

Other General Information and Services

Bulletins

The University of Southern Mississippi has four publications each year; the Undergraduate Bulletin, the Graduate Bulletin, the Independent Study Bulletin, and the Regional Campus Bulletin. To get the complete programs of the University, please check each Bulletin.

Family Educational Rights and Privacy Act of 1974 as amended (FERPA)

The Family Educational Rights and Privacy Act of 1974 as amended deals with one subject only: educational records. The purpose of the law is to define, more precisely than ever has been done, who may or may not see them. On the one hand, the law grants students guaranteed access; on the other hand, it takes from the universities the privilege of indiscriminate disclosure.

The FERPA sets forth these main requirements:

1. it allows a student access to each educational record that a university or college keeps on him or her;
2. it requires the institution to establish a policy on how students can go about seeing specific records;
3. it requires the institution to inform all students as to what rights they have under the Amendment, how they can act on these rights according to school policy, and how they can see a copy of the policy; and
4. it requires the institution to seek student permission, in writing, before disclosing any personally identifiable record to individuals other than professional personnel employed in the university or college (and others who meet certain specified requirements).

The University has developed and put into writing a policy for handling requests from students and for disclosing personally identifiable information about students. Students are notified of their rights under the law by publishing the University policy in the student handbook.

Oak Ridge Associated Universities

Since 1992, students and faculty of University of Southern Mississippi have benefited from its membership in Oak Ridge Associated Universities (ORAU). ORAU is a consortium of colleges and universities and a management and operating contractor for the U.S. Department of Energy (DOE) located in Oak Ridge, Tennessee. ORAU works with its member institutions to help their students and faculty gain access to federal research facilities throughout the country; to keep its members informed about opportunities for fellowship, scholarship, and research appointments; and to organize research alliances among its members.

Through the Oak Ridge Institute for Science and Education, the DOE facility that ORAU manages, undergraduates, graduates, postgraduates, as well as faculty enjoy access to a multitude of opportunities for study and research. Students can participate in programs covering a wide variety of disciplines including business, earth sciences, epidemiology, engineering, physics, pharmacology, ocean sciences, biomedical sciences, nuclear chemistry, and mathematics. Appointment and program length range from one month to four years. Many of these programs are especially designed to increase the numbers of underrepresented minority students pursuing degrees in science- and engineering-related disciplines. A comprehensive listing of these programs and other opportunities, their disciplines, and details on locations and benefits can be found in the Resource Guide, which is available by calling either of the contacts below.

ORAU’s Member Services office seeks opportunities for partnerships and alliances among ORAU’s members, private industry, and major federal facilities. Current alliances include the Southern Association for High Energy Physics, Pan American Association for Physics, Materials Science Forum, and international initiatives in support of the New Independent States and the republics of Central and Eastern Europe. Other activities include faculty development programs, such as the
Junior Faculty Enhancement Awards and the Visiting Industrial Scientist Program, and various services to chief research officers.

For more information about ORAU and its programs, contact Dr. Donald R. Cotten, ORAU Council member, at 601-266-5116; or contact Monnie E. Champion, ORAU Corporate Secretary, at 423-576-3306, website: www.orau.gov

Rehabilitation Act of 1973 and the Americans with Disabilities Act

The University of Southern Mississippi complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disability Act. No otherwise qualified handicapped person, solely on the basis of handicap, will be excluded from participation in, be denied the benefits of, or be subjected to discrimination in the administration of any educational program or activity including admission or access thereto or in treatment or employment therein by the University of Southern Mississippi. All reasonable accommodations must be approved through the Office of Support Services for Students with Disabilities (OSS) or The University 504/ADA Compliance Officer. If you need assistance in reasonably accommodating a disability in the classroom or on campus, please contact the Coordinator of the OSS at 266-5024 or the Compliance Officer at 266-5163.

Retention of Students and Program Completion Information

A University fact book which includes information on retention and graduation is in the University library and is available upon request.

University Press of Mississippi

The University Press of Mississippi was founded in 1970 to encourage the dissemination of the fruits of research and study through the publication of scholarly works. Functioning as the scholarly publishing arm of the state-supported universities in Mississippi, The University Press is governed by a Board of Directors made up of one representative from each of the eight state universities, one representative from the Board of Trustees of State Institutions of Higher Learning, and the director of the Press.

The University Press publishes more than fifty books each year. Primary areas of interest are Mississippi history and literature, but manuscripts in all areas of study are welcomed.

Administrative offices of the University Press are located in the Education and Research Center of Mississippi, 3825 Ridgewood Road, Jackson, Mississippi, 39211.

University of Southern Mississippi Alumni Association

The Alumni Association was established in 1917 as an organization mainly involved in functions relating to placement service. Since its rebirth in 1946, when the Executive Committee recognized the need for a working Alumni Association with organized alumni groups in the various counties of the state, the Association has operated in its present form, serving as a link between the University and its former students.

USM graduates and former students are encouraged to become active in the Alumni Association and its support of the University’s various academic and athletic programs. Of approximately 97,000 graduates since the University’s founding, the Alumni Association has enlisted in excess of 21,000 paid members for the past several years.

The Association provides a number of benefits to its members, including a subscription to the quarterly USM Alumni News magazine, which helps graduates stay informed on campus developments and provides updates on former classmates. Other benefits include a waiver of out-of-state tuition fees for children of members who meet certain requirements, receipt of mailings on area alumni chapter meetings, library privileges, the full four-issue subscription to the Southern News and Views Alumni Newsletter, car decals, eligibility to join the USM Credit Union, and various other special events.

The Association is very active in developing other programs to support all areas of the University. Some of these include organizing joint district Eagle Club meetings in conjunction with the Athletic Department, sponsoring high school student nights across Mississippi and the surrounding states, and organizing both athletic road game trips and educational excursions to such locations as Switzerland and England.

The Alumni Association also sponsored the drive to raise the funds necessary for the construction of the first R. C. Cook University Union Building, helped set up the USM Foundation (the receptacle for all gifts to the University), and organized the Student Alumni Association, an organization com-
prised of hard-working, enthusiastic students involved in a variety of activities each semester to promote the University.

Organized Alumni chapters are urged to hold a meeting each year for the election of officers on or around March 30, the date selected by the Association as USM Day in commemoration of the founding of the University on that date in 1910. All former students of USM are encouraged to get together in honor of the University on this date.
Admission to the University

All communications regarding entrance to the undergraduate colleges and schools of the University should be addressed to the Office of Admissions, The University of Southern Mississippi, Box 5166, Hattiesburg, MS 39406-5166.

Eligibility for admission will be determined when the application, ACT/SAT score, and scholastic records have been submitted. These items should be received before the deadline date of the semester for which the student is applying (see Calendar). The academic record, character, and conditions of application of the applicant must be in accordance with the rules and regulations of the Board of Trustees of State Institutions of Higher Learning and with the laws of the State of Mississippi. The applicant must have excellent moral character and must be willing to conduct his or her affairs so as to be a credit to the University. The University reserves the right to cancel the admission or registration of an individual whose attendance at the University, in the opinion of the appropriate administrative officer and the President, would not be mutually beneficial to himself or herself and to the institution. Any undergraduate applicant who is denied admission to the University may have his or her case reviewed by the Undergraduate Committee for Admissions and Credits. To initiate the review procedure, the student should contact the Office of Admissions. Applicants should note carefully the law governing legal residence and the penalty for falsifying residence information. The law appears in the STUDENT EXPENSES Section of this Bulletin. The University of Southern Mississippi does not discriminate on grounds of age, sex, race, color, religion, or national origin. These provisions also apply to disabled individuals pursuant to current federal and state regulations subject to reasonable standards of admission and employment. All inquiries concerning discrimination should be referred to the Vice President for Administrative Affairs, Room 108, Administration Building, The University of Southern Mississippi, Hattiesburg, Mississippi 39406-5177.

Admission requirements are subject to change as mandated by the Board of Trustees, State Institutions of Higher Learning, without prior notification.

Application Procedures for Freshmen

How to Apply

Each entering freshman applicant is required to:

1. Present an application for admission.

2. Submit an official high school transcript which lists the date of graduation, class rank, and grade point average and which indicates credit in the following College Preparatory Core (CPC) units in grades 9-12:

<table>
<thead>
<tr>
<th>Subject</th>
<th>Units</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>English</td>
<td>4</td>
<td>(All must require substantial communication skills)</td>
</tr>
<tr>
<td>Mathematics</td>
<td>3</td>
<td>(Includes Alg I,Geom,Alg II or a higher math)</td>
</tr>
<tr>
<td>Sciences</td>
<td>3</td>
<td>(Choose from Bio,Chem,Physics, or their advanced</td>
</tr>
<tr>
<td></td>
<td></td>
<td>sequences, or any other course of comparable rigor and</td>
</tr>
<tr>
<td></td>
<td></td>
<td>content. Two must be lab based.)</td>
</tr>
<tr>
<td>Social Studies</td>
<td>3</td>
<td>(Must include 1 unit of American History, 1 unit of</td>
</tr>
<tr>
<td></td>
<td></td>
<td>World History, 1/2 unit of Government, and 1/2 unit of</td>
</tr>
<tr>
<td></td>
<td></td>
<td>either Economics or Geography.)</td>
</tr>
<tr>
<td>Required Electives</td>
<td>2</td>
<td>(1 unit must be either a foreign language or World</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Geography. The second unit can be either a foreign</td>
</tr>
<tr>
<td></td>
<td></td>
<td>language, World Geography or a 4th math or 4th science</td>
</tr>
<tr>
<td></td>
<td></td>
<td>unit.)</td>
</tr>
<tr>
<td>Computer Application</td>
<td>1/2</td>
<td>(Computer competency cited on the transcript will</td>
</tr>
<tr>
<td></td>
<td></td>
<td>meet this requirement.)</td>
</tr>
</tbody>
</table>

   Algebra I or a foreign language taken in the 8th grade will be accepted toward meeting admission requirements.
For an applicant to be fully admitted to USM, one of the following combinations of curriculum, testing scores, and grade point average must be attained:

1. Complete CPC with minimum 3.20 GPA and submit ACT or SAT; or,
2. Complete CPC with minimum 2.50 GPA or in top 50% of class and 16 or higher ACT, or the SAT equivalent; or,
3. Complete CPC with minimum 2.00 GPA and 18 ACT or the SAT equivalent.

If an applicant meets all of the above requirements except for the full CPC, he/she may be admitted with up to two curriculum deficiencies (but no more than one in any allowable area; English and Mathematics areas are not allowed deficiencies.) Students may also be considered as per NCAA IA eligibility criteria.

Freshman applicants who do not meet the above listed standards will be required to participate in a screening process that will include the diagnostic test, ACCUPLACER. Depending on the level of development diagnosed through ACCUPLACER and other factors assessed through screening, applicants may be moved directly into a full admission category. Those students will be encouraged to participate in an Academic Support Program. If the ACCUPLACER and other factors indicate the need for remediation, those students will be fully admitted with deficiencies for the Summer term and will be required to enroll in a Summer Developmental Program designed to strengthen the student’s skills in areas requiring remediation. Students who successfully complete this summer program, by passing all Summer Developmental courses, will be considered to have made satisfactory academic progress and will continue their regular programs of study during the fall term with mandatory participation in the Academic Support Program. Those students will be encouraged to explore other post-secondary opportunities. The Summer Developmental Program will consist of the following individualized courses: English, reading, mathematics and support labs. The individual courses are three (3) credit hours and each lab will be one (1) hour. Students carrying a course load of 12 semester hours will be considered full time.

Realizing that applicants from other states and countries may not have the same curriculum opportunities as our instate applicants, those students will be required to achieve curriculum standards that would be considered equivalent in rigor and content to the College Preparatory Core.

When to Apply

A high school student, especially one who is also applying for financial aid, is urged to apply for admission early in his or her senior year. The applicant should have his or her high school mail to the Office of Admissions a transcript complete for his or her first six semesters. This transcript should have clearly posted the current grade point average, class rank and should list the courses for which the student is currently enrolled. A student who applies during his or her final senior semester should provide a transcript complete for the first seven semesters. The deadline for receipt of applications and all required credentials, including results of the ACT/SAT, is twenty (20) days in advance of the session for which the application is being made. An application is processed as soon as possible after all required items are available. A notification of admission is then issued to the admissible student.

Application Procedures for Transfer Students

How to Apply

Each new student who has attended other colleges or universities and who is seeking admission to an undergraduate college is required to file with the Office of Admissions an application for admission. He or she should also request the authorities at each institution attended to send an official transcript of his or her record to the Office of Admissions. The student who is applying with fewer than the twenty-four (24) semester hours of college credit required for admission as a transfer must also have sent to the Office of Admissions an official high school transcript showing the date of graduation. The applicant must also provide an official report of the ACT/SAT scores directly from the testing service. Applications will be processed and admission status determined when all required items, including the ACT/SAT where applicable, are on file.

Any prospective transfer students who have achieved all of the standards as specified by the Board of Trustees for admission to the universities under the governance of the Board of Trustees but who choose to attend an institution not under the governance of the Board of Trustees may transfer at any time to an institution under the Board of Trustees. This does not alter individual institutional requirements regarding transfer students.
Any student who did not meet freshman requirements at the time of high school graduation must attend an accredited institution of higher learning other than those under the governance of the Board of Trustees and must attain a C average (2.0 GPA on a 4.0 scale) in the following twenty-four (24) semester credit hours:

- 6 semester hours English Composition
- 3 semester hours College Algebra or a higher math course
- 6 semester hours Laboratory Science
- 9 semester hours Transferable Electives

The applicant also must show that he or she has earned an overall GPA of 2.0 on all course work attempted or have an earned associate degree (or its equivalent) from an accredited institution. Developmental courses in English, mathematics, and reading will not be accepted for transfer credit, nor will the grades and hours be used in computation of the individual GPA for admission to the University. Some programs require that students meet more selective standards than those posted above.

Transfer students may be accepted from other institutions of higher learning only when the program of the transferring institution is acceptable to the receiving institution, the program of studies completed by the student meets the requirements established above, and the quality of work performed by the student is acceptable to the Board of Trustees. The authorities at the institutions under the jurisdiction of this Board are authorized to require acceptable scores on recognized tests for such transfer students. No student seeking to transfer during the midst of the session, quarter, semester, or trimester of the institution in which he or she is currently enrolled can be considered.

A student currently enrolled in another institution at the time he or she makes application for admission for the following session to one of the undergraduate colleges of this University should arrange to have forwarded to the Office of Admissions an official transcript which includes a listing of courses in progress as well as all completed work. Transfer credit is accepted only from institutions of higher learning which are accredited by a regional accrediting agency or the Mississippi Commission on College Accreditation.

The student must indicate on the application all previous college attendance. An applicant is not permitted to ignore previous college attendance or enrollment. A student who misrepresents information in filling out the admission application form or a student who finds after admission or enrollment that he or she is ineligible for academic or any other reason to return to his or her last institution and who fails to report this immediately to the Office of Admissions will be subject to disciplinary action, including possible dismissal from the University.

**When to Apply**

The application, required credentials, and the ACT/SAT results (when applicable) must be on file in the Office of Admissions not less than twenty (20) days in advance of the session for which application is being made.

When the application, all required credentials, and the ACT/SAT results (if applicable) have been received, the Office of Admissions will provide the applicant a notice of admission status.

**Transferred credit** will be evaluated after the admission status has been determined. If an evaluation is received prior to registration day, the student should bring it for use during advisement. Otherwise, the student should contact the Office of Admissions upon arrival on campus for the purpose of attaining a transfer credit evaluation.

The University requires a grade average of C in all previous college work. The applications of students whose records do not meet the indicated requirements may be subject to review by the Dean of Admissions or the Admissions and Credits Committee.

A student under academic suspension from another college or university may not enter The University of Southern Mississippi during the term of his or her suspension. Upon termination of the suspension period, there is no bar to admission if he or she is eligible in other ways.

In general, students under disciplinary suspension are not admitted to The University of Southern Mississippi.

Students from fully accredited institutions ordinarily will be given full credit for work transferred into the University, insofar as the courses taken are the same as, or equivalent to, courses offered in the college in which the student enrolls in this institution.
Credits transferred from an accredited community/junior college will be accepted as determined by the college in which the student is enrolled. In accepting community/junior college credits, no courses will be considered as above sophomore level.

Neither vocational nor developmental/remedial courses will be accepted for transfer credit, nor will the grades made on these courses be used in computation of the grade point average for admissions purposes. Institutional credit not based on acceptable nationally standardized tests is not transferrable for admissions nor is it applicable toward a degree.

**Probationary Admission**

Transfer applicants who meet all regular transfer requirements but who do not have a minimum 2.0 grade point average (on a 4.0 scale) may be considered for admission to the University on Admissions Probation if the following requirements are met:

1. Applicant must meet ACT/SAT requirements mandated by the Board of Trustees.
2. Applicant must meet all curriculum requirements mandated by the Board of Trustees (freshmen or transfer, not both).
3. Applicant’s grade point average must meet the Academic Standards level cited on page 24 of this publication.

If the above criteria have been met and an applicant has been admitted on probation, the student must maintain the following prescribed standards to continue enrollment:

1. To “clear” Admissions Probation, the student must pass a minimum of twelve (12) semester hours with a minimum 2.5 grade point average.
2. To continue to enroll on Admissions Probation, a student must maintain a minimum 2.0 grade point average on all USM courses.

If an Admissions Probation student fails to maintain a minimum 2.0 grade point average during any term at USM while on probation, he or she will be administratively dismissed, for which there is no appeal. A student administratively dismissed must attend another accredited institution and must achieve an overall 2.0 grade point average (from all institutions of record) before he or she may be considered for readmission to USM.

A limited number of students may be admitted who have not completed transfer admission course requirements, provided the student has completed English composition and has maintained an overall 2.5 grade point average.

**Transfer Credit Policy**

Credits transferred from accredited institutions are reproduced on the permanent records of the University of Southern Mississippi. This action is evidence that the credits are considered valid. **Validity**, however, is not to be confused with applicability.

**Applicability** of transfer work depends upon the coincidence of transfer credits with the requirements of a particular curriculum. **Applicability** varies from curriculum to curriculum, not only for transfer students from other institutions but for students transferring from one school or curriculum to another within The University of Southern Mississippi. **Applicability** is determined by the department chair and the dean of the college to which one is admitted. Transfer hours passed will be accepted. To meet graduation requirements transfer students must have an overall C average, calculated by the method currently in use at The University of Southern Mississippi, on all hours scheduled and rescheduled at all institutions attended, including The University of Southern Mississippi. Excessive quality points earned at other institutions cannot be used to offset any deficiencies at The University of Southern Mississippi. **Acceptance of community/junior college work is limited to one-half of the total requirements for graduation in a given curriculum.**

A maximum of sixty-four (64) semester hours of credit earned through Credit by Examination, independent study courses, extension courses, and educational experiences in the armed forces combined may be counted toward a degree at The University of Southern Mississippi. No more than thirty (30) semester hours in a degree program may be earned through Credit by Examination.

While enrolled at the University of Southern Mississippi, a student is required to obtain written approval from his or her department to enroll in a course(s) at another institution. Without this approval, the course(s) may not apply toward his or her degree.
Transcript Evaluations

The Office of Admissions is charged with the responsibility of providing transferring students and their advisers with Transcripts Evaluations on a timely basis. An Official Transcript Evaluation will be completed only after all the required official documents necessary to the applicant's admission to the University have been received by the Office of Admissions. For the convenience of both the student and adviser, an Unofficial Transcript Evaluation will be provided to assist in advising and in the procurement of Financial Aid and Veterans Administration benefits, etc. Any student in an "Unclear" admission status cannot be granted an Official Evaluation. However, once the "Unclear" status has been "Cleared" the Official Evaluation will then be completed and posted on the student's academic record.

Non-traditional credits awarded by another institution will be evaluated in terms of current policy at The University of Southern Mississippi. Unless the basis for awarding the credit is readily identifiable, no credit will be allowed until such time as the student, through the awarding institution, can establish the creditability of the curriculum.

Acceptance of Military Credit

1. Credit for military schools and educational experiences in the armed forces is awarded on the basis of recommendations of the American Council on Education.
2. Correspondence and/or extension courses, including USAFI/DANTES college level courses, may be applied toward a degree up to a maximum of thirty-two (32) semester hours. DANTES credit is allowed only for subjects where CLEP credit is accepted, with the addition of the DANTES Public Speaking test. No more than nine (9) semester hours of correspondence (USAIF) work may be earned in any one field.
3. Credit from the Community College of the Air Force is acceptable for purposes of admissions and may be used in a degree program as determined by the academic department.
4. A maximum of sixty-four (64) semester hours of credit earned by independent study, extension, and military experience combined may be applied toward a degree.
5. Evaluation of credit will be completed after actual enrollment, upon request.

Requirements for Military Personnel: The Bootstrap Program

In order to receive an official evaluation of credits to determine eligibility for Bootstrap attendance, the following educational credentials must be forwarded:

1. A properly executed military DD Form 295.
2. Official transcripts bearing the official seal from each institution where credit has been earned.
3. Official transcripts and CLEP scores for courses completed through the United States Armed Forces Institute, Madison, Wisconsin.
4. Official high school transcript.
5. An application for admission submitted with the request for an evaluation.

All documents and correspondence should be directed to the department chair of the student's major.

Requirements for College of Nursing, Baccalaureate

Students desiring admission to the College of Nursing are subject to the admission procedures of the University. A separate application form is required by the College of Nursing. (Please refer to the College of Nursing Admission section.) To be admitted to the baccalaureate nursing major, students must also meet the following minimum requirements:

1. An Enhanced ACT of 21 or above. A corresponding score on the ACT taken prior to October 1989 or the SAT.
2. A grade point average of 2.5 on courses prerequisite to the nursing major.
3. A minimum of a C in each course applicable to the nursing curriculum.

Only one natural science course may be repeated one time.
Requirements for International Students

Regular University Programs

1. International students without previous records at colleges or universities must meet the requirements outlined for admission as a freshman.

2. If English is not the native language of the student, a score of at least 525 (paper-based) or 197 (computer-based) is required on the TOEFL (Test of English as a Foreign Language).

3. Because application processing requires more time for international students, all applicants residing outside the United States must submit all application materials at least two months before the proposed date of entry into the University. International student applicants residing inside the United States must submit all application materials at least one month before the proposed date of entry into the University.

4. International students who have already attended colleges or universities must meet the requirements outlined for admission as transfer students. The TOEFL requirement may be waived if the transfer student has successfully completed all freshman English requirements with an average of 2.0 or better.

5. A twenty-five dollar ($25.00) non-refundable fee must accompany each international student’s application for admission.

6. International students applying for admission to regular university programs should send documents and correspondence to:

   Director
   Office of International Student Affairs
   The University of Southern Mississippi
   Box 5151
   Hattiesburg, MS 39406-5151
   U.S.A.

English Language Institute Programs

1. International students, age 18 or older, are eligible for admission.

2. Applications must include a letter from a bank or supporting agency verifying availability of funds.

3. To help assure acceptance, applicants should apply at least 90 calendar days prior to the beginning date of the course.

4. No application or Immigration Form I-20 can be processed until all required materials and deposits have been received by the University.

5. A Dual I-20 Form can be issued to those students accepted by the English Language Institute and deemed academically admissible by the University. This I-20 Form enables a student to enter the University in a degree-granting program once all admission requirements have been met. The student must make application to the English Language Institute and to the University.

International students interested in attending the English Language Institute for intensive studies in English should direct all correspondence to:

   Director
   English Language Institute
   The University of Southern Mississippi
   Box 5065
   Hattiesburg, MS 39406-5065
   U.S.A.
Other Admission Categories

Special Admissions

The University has several special admissions categories for highly qualified high school students. To be considered for **EARLY ADMISSIONS**, the applicant must meet one of the two following:

1. 3.20 GPA on at least 15 College Preparatory Curriculum (CPC) units and recommendation of high school counselor or principal.
2. 3.50 GPA on completed CPC courses, and an ACT composite of 25 or the SAT equivalent, and recommendation of high school principal.

The University also offers highly qualified high school students the opportunity to earn college credits while they are enrolled in high school. Through our **DUAL ENROLLMENT** program, high school students may take one (1) course per term at the University, provided that the course does not interfere with their high school curriculum. To be Dually Enrolled, the applicant must secure a Letter of Recommendation from his or her high school counselor and must have a minimum composite score of twenty-five (25) on the ACT or the SAT equivalent.

For information concerning **EARLY ADMISSIONS** or **DUAL ENROLLMENT**, make all inquiries to Dean of Admissions, Box 5166, Hattiesburg, MS 39406-5166.

Non-Traditional Students

For the adult who wishes to complete certain specific undergraduate courses in a degree or non-degree status, the applicant may be considered for admission provided the applicant meets these conditions:

1. Has a high school diploma or its equivalent.
2. Is at least 21 years of age.
3. Meets acceptable grade point average requirement on transfer work.

Previous academic records are required of all applicants. Applicants for non-traditional status are required to certify that they are not under suspension from any college or university. A student found guilty of non-disclosure or misrepresentation in filling out the admission application form, or a student who finds after admission or enrollment that he or she is ineligible for academic or any other reason to return to his or her last institution and who fails to report this immediately to the Office of Admissions will be subject to disciplinary action, including possible dismissal from the University.

The student registered in non-traditional status is subject to all University regulations governing registration, attendance, and academic standing. Credit earned in non-traditional status is recorded on the student's permanent record and may be applied in an undergraduate degree program when the student has satisfactorily established degree status by meeting the entrance requirements of the University and of the degree-granting college of his or her choice. A non-traditional student may not register for more than twelve (12) semester hours per semester. Depending on admission evaluation, some students may be limited to six (6) hours per semester. Non-traditional students are ineligible for some forms of financial aid and must consult with the Office of Financial Aid if aid is needed.

A student is permitted to earn a maximum of thirty (30) semester hours of credit in non-traditional status. No undergraduate college of the University will accept in a degree program in excess of thirty (30) semester hours earned while the student has been registered in non-traditional status, nor is a college obligated to accept any hours earned in non-traditional status which do not fulfill college degree requirements. The student who is approaching the thirty (30) hour limitation in non-traditional status, if he or she wishes to continue taking courses for credit, should consult the Office of Admissions concerning procedures required to establish regular degree status.

Non-traditional students applying for regular status are required to follow admission procedures and to provide all items required of transfer students.

Admission by Examination

Students under twenty-one years of age with a General Education Development Certificate of High School Equivalency must present a GED composite score equal to the fiftieth percentile. In such cases, the applicants may be screened and directed according to the results of the ACCUPLACER.

The University does not award credit for the General Educational Development Tests,College Level. For applicants over 21 years of age, see regulations governing Non-Traditional Students.
Home taught students who present an ACT Composite score of 20-24 or the SAT equivalent and a portfolio or transcript showing evidence of completion of the College Preparatory Curriculum may be screened and, if the ACCUPLACER results so direct, may be required to participate in the Summer Developmental Program. Those students who present an ACT Composite of 25 or higher or the SAT equivalent and a portfolio or transcript showing evidence of completion of the College Preparatory Curriculum may be fully admitted without further screening.

**Immunization Requirements**

All students (including transfers) entering the University for the first time and enrolling for academic credit must document proof of immunization for measles and rubella.

1. Proof of immunization may be documented in the following manner:
   a. Obtain a Certificate of Compliance with Immunization (Form No. 121-C) from your local Mississippi State Board of Health Office, if you are a resident of the State of Mississippi. Two doses of measles vaccine are required. All international students must have a chest x-ray to screen for tuberculosis;
   b. Documentation (month and year) of immunization which was received after the first birthday;
   c. Positive measles and rubella serology titer with date;
   d. Physician-documented history of having had measles with date of disease. History of rubella is not acceptable.

2. Temporary exceptions - one semester
   a. Pregnant women
   b. Women suspecting pregnancy
   c. Women anticipating pregnancy within three months.

3. Permanent exceptions:
   a. Medical disease which will cause a permanent contraindication to immunization;
   b. All persons born prior to 1957.

**Admitted Student Information**

**Orientation**

New freshmen and transfer students entering The University of Southern Mississippi are required to participate in the orientation program, USM Preview. USM Preview is designed to acquaint students with University structure, policies, procedures, physical layout, faculty, students, organizations, and academic programs. Activities scheduled during the program include the following: evaluation of credit for transfer students, placement testing, academic advisement, small group sessions, open house for organizations, scheduling of classes, and registration. Parents of entering students are also invited to attend the summer orientation program. Special sessions planned for parents include discussions about University policies, including finances, housing, student activities, educational and recreational opportunities, and academic programs.

For more information contact by mail or phone:

Office of Admissions
The University of Southern Mississippi
Box 5166
Hattiesburg, MS 39406-5166
(601) 266-5000

**Advisement**

All new students are assigned to academic advisers and are given specific times to meet with their advisers for assistance in scheduling classes and planning programs of study to meet their individual needs. Assignment of advisers is based on the student's stated educational or career plans. The General Studies program, administered by the College of Liberal Arts, provides an organized plan of advisement for students undecided in their academic majors. Students who have determined an interest in a field of study outside of the College of Liberal Arts should enroll as undeclared majors within the college of that field. The Career Center provides a program of academic and career counseling for prospective students of the University.
Reapplying to the University

Students who have previously attended the University and have a break in attendance of one or more terms must file an application for readmission. Readmission documents required include an official transcript from each institution attended since leaving USM, and, if a degree has been received from another institution, an official transcript showing that degree.

Students must meet the minimum admission standards of the University and be in good standing at all institutions attended since leaving USM in order to be eligible for readmission.

Questions concerning undergraduate readmission should be directed to the Office of Admissions. Questions concerning graduate readmission should be directed to the Office of Graduate Admissions.

Residency Regulations

**Petitions for Change of Residency:** Petitions for change of residency must be made on or before the last day of late registration. Forms are available in the Office of the University Registrar.

**Legal Residence of Students:** The definitions and conditions stated here are as required by state law in the classification of students as residents or nonresidents for the assessment of fees. Requests for a review of residency classification should be submitted to the University Registrar; forms for this purpose are available from the Office of the University Registrar.

**A Minor:** The residence of a person less than twenty-one years of age is that of the father. If the parents are divorced, the residence of the minor is that of the parent who was granted custody by the court; or, if custody was not granted, the residence continues to be that of the father. If both parents are dead, the residence of the minor is that of the last surviving parent at the time of that parent’s death, unless the minor lives with a legal guardian of his or her person duly appointed by a proper court of Mississippi, in which case his or her residence becomes that of the guardian.

**An Adult:** The residence of an adult is that place where he or she is domiciled, that is, the place where he or she actually physically resides with the intention of remaining there indefinitely or of returning there permanently when temporarily absent. Adult students who are residing outside of the State of Mississippi, but whose parents have moved to this state and have become residents, must establish residence in their own right. In determining residence for tuition purposes of persons who return to Mississippi after temporary departures such as school attendance, work elsewhere, or military service, cognizance is taken for evidence showing continuity of state residence and demonstrated intent to return to the state.

**Removal of Parents from Mississippi:** If the parents of a minor who is enrolled as a student in an institution of higher learning move their legal residence from the State of Mississippi, the minor is immediately classified as a nonresident student.

**Twelve Months of Residence Required:** No student may be admitted to the University as a resident of Mississippi unless his residence, as defined herein above, has been in the State of Mississippi for a continuous period of at least twelve months immediately preceding his or her admission.

A student who has lived within the state for twelve months following his or her twenty-first birthday may establish residence in his or her own right by showing that he or she is living in the state with the intention of abandoning his or her former domicile and remaining in the State of Mississippi permanently or for an indefinite length of time. Intent may be demonstrated or disproved by factors including, but not limited to, filling of Mississippi income tax returns, eligibility to vote in Mississippi, motor vehicle registration in Mississippi, possession of a Mississippi operator’s license, place of employment, and self support.

**Residence Status of a Married Person:** A married person may claim the residence of his or her spouse. (Foreign students refer to Legal Residence of a Foreign Student.)

**Children of Parents Who Are Employed by the University:** Children of parents who are members of the faculty or staff of the University may be classified as residents without regard to the residence requirement of twelve months.

**Military Personnel Assigned on Active Duty Stationed in Mississippi:** Members of the armed forces on extended active duty and stationed within the State of Mississippi may be classified as residents, with-
Admission to the University out regard to the residence requirement of twelve months, for the purpose of attendance at the University. Resident status of such military personnel who are not legal residents of Mississippi, as defined above under LEGAL RESIDENCE OF AN ADULT, shall terminate upon their reassignment for duty in the continental United States outside the State of Mississippi.

Children of Military Personnel: Resident status of children of members of the armed forces on extended active duty shall be that of the military parent for the purpose of attending the University during the time that their military parents are stationed within the State of Mississippi and shall be continued through the time that military parents are stationed in an overseas area with last duty assignment within the State of Mississippi, excepting temporary training assignments en route from Mississippi. Resident status of minor children shall terminate upon reassignment under permanent change of station orders of their military parents for duty in the continental United States outside the State of Mississippi, excepting temporary training assignments en route from Mississippi.

Certification of Residence of Military Personnel: A military person on active duty stationed in Mississippi who wishes to avail himself or herself or his or her dependents of the provisions of the paragraph titled MILITARY PERSONNEL ASSIGNED ON ACTIVE DUTY STATION IN MISSISSIPPI must submit a certificate from his or her military organization showing the name of the military member, the name of the dependent, if for a dependent, the name of the organization of assignment and its address (may be in the letterhead), that the military member will be on active duty stationed in Mississippi on the date of registration at the University; that the military member is not on transfer orders; and the signature of the commanding officer, the adjutant, or the personnel officer of the unit of assignment with signer’s rank and title. A military certificate must be presented to the Registrar of the University each semester at (or within ten days prior to) registration for the provisions of the paragraph MILITARY PERSONNEL ASSIGNED ON ACTIVE DUTY STATION IN MISSISSIPPI, named above, to be effective.

Legal Residence of a Foreign Student: Students with permanent immigrant status or refugee status can establish residence in the state by meeting the provisions of the Mississippi Statute.
Student Expenses and Financial Aid

The University of Southern Mississippi is supported chiefly by legislative appropriations. Increases in student fees are put into effect only when public support funds are inadequate and no other recourse is available. Increases are made only for support of the institution or improvement of the activity program of the students; therefore the University must reserve the right to increase or modify fees and expenses without prior notice but with approval of the Board of Trustees of State Institutions of Higher Learning.

Fees and expenses are in the form of general tuition, room and board, and special fees.

General Tuition

This fee, together with the allocation from the legislative appropriation, is used for general support of the University. Athletic activities and UAC programs are not included for part-time students.

Full-time students for purposes of assessing fees are those who take nine (9) or more semester hours in Graduate School and twelve (12) or more semester hours in all other colleges during fall and spring semesters. During summer terms, seven (7) or more semester hours for Graduate School and nine (9) or more semester hours in all other colleges constitute full-time students for purposes of assessing fees. Undergraduate students enrolled for more than nineteen (19) semester hours during fall and spring semesters and for more than fourteen (14) semester hours during the summer term will be assessed the applicable fee for each additional semester hour. Graduate students enrolled for more than thirteen (13) semester hours during fall and spring semesters and for more than fourteen (14) semester hours during the summer term will be assessed the applicable fee for each additional semester hour.

Clinical and hospital services covered by the health service charge included in the general tuition fee are limited to cases of ordinary illness. Services are provided within the limits of the professional, technical, and physical resources of the Clinic. The University does not assume responsibility in cases of extended illness or for treatment of chronic diseases. Cases requiring surgery must be handled by a physician and hospital of the student’s choice and at the student’s expense.

Board

Board fees are assessed to all students living in the residence halls and fraternity houses. Board is available to all other students on an optional basis. Students may choose from a seven-day or five-day meal plan. Students with a basic meal plan may dine at the Commons, Elam Arms, Hillcrest, and occasionally at Seymour’s. Every meal includes unlimited seconds and unlimited use of the beverage and salad bars. Commuter and Snack meal plans are also available.

Telephone Service

Telephone service in residence halls and family student housing is provided through the Communications Resources Department. The cost of local telephone service is included as a part of housing rent. For long distance service, students may use the University’s system by completing an application at the Campus Telephone Office, Hub Building, Room 104. Long distance telephone authorization and a caller identification number will then be issued. Students must have been issued a university post office box prior to obtaining a caller identification number. Long distance calls are billed to the student at the end of each month, to be paid no later than the 10th of the following month. Students are responsible for payment for any calls charged to their caller identification number, and all charges must be settled prior to leaving the University (including graduation, withdrawal, and semester breaks).

Post Office Box

The post office box rental fee is assessed to all students living in University-controlled housing. Fees are assessed on an academic year basis and are calculated on time remaining in the academic year. The fee covers box rental for the remainder of the academic year provided the student remains enrolled. Those students living off campus may rent a post office box if they so desire.
Student ID Cards

The ID card is a PERMANENT card for each student. The Fall Semester (permanent) ID card will also be used for Spring and Summer Semesters each year by revalidation. The same card must be kept, re-validated and used even when returning from a previous year or semester. Do not destroy, lose, bend or tamper with an ID card. Only one card will be issued at no charge during a five (5) year period. A fee of $10.00 will be charged at the time a replacement card is made.

Other Financial Information

Payment of Fees

One-half of a student’s total fees are due and payable at time of registration. Students with University loans, grants, or scholarships may use those funds as payment for the first half of total fees. Loans, grants, scholarships and checks made payable to the University must be applied to fees in full before a refund or change can be given. Fees deferred past the last day to register each term will be billed monthly. A monthly service charge of 1.5% will be applied to the unpaid balance.

The University accepts payment by check, money order, cash, Visa and Mastercard credit cards. The University reserves the right to refuse payment by check where an individual has previously given a check that has been returned.

The University reserves the right to withhold readmission of a student until all delinquent accounts have been paid. In fact, all past due accounts will be included on registration fee invoices and monthly bills. Transcripts of credits will not be issued for students whose accounts are delinquent. All fees must be paid before a degree will be awarded. Payments by personal check on delinquent accounts will be sent for collection before transcripts or degrees will be released. To avoid any delay in receiving these documents, payments can be made by cash, cashier’s check, or money order.

Fines accumulated as a result of failure to adhere to the established procedures of the University, such as Library and Public Safety regulations, or any other policy establishing regulations for the protection of University property, shall become collectable by the Business Office, and, if not collected, shall constitute a delinquent account.

A fee of $50.00 will be assessed students who register during the late registration period.

Students whose checks for registration fees are returned will be assessed the late registration fee of $50.00 in addition to the $30.00 returned check handling fee. Returned checks not promptly paid may result in dismissal from the University.

The $15.00 activity fee assessed to part-time students consists of a non-refundable $5.00 fee allocated to registration expenses, a $6.00 allocation to the Payne Center, a $2.00 allocation for transcripts, a $1.00 allocation to the University Union, and a $1.00 allocation to the Cook Library.

Courses requiring special fees and music fees are shown in the Special Fee listing and are indicated by a plus sign in the Course Description Section of this Bulletin.

Special fees are not normally refundable. However, requests for refunds of special fees will be based on circumstances existing at the times of requests.

Refund Policy

Students who find it necessary to withdraw from the University must submit written requests to the deans of their colleges who will initiate the Withdrawal and Refund Form.

Refunds are based on the following:

Withdrawal prior to the first day of class of any term: 100% less a $30 withdrawal fee

Fall and Spring Semesters.

The first through the fifth working day: 100% less a $30 withdrawal fee

The sixth through the fifteenth working day: 75%

The sixteenth through the thirtieth working day: 50%

After the thirtieth working day: None

S and SS Fall and Spring Semesters.

Prior to and including the last day to register for or add S and SS courses: 100% less a $30 withdrawal fee

The next five working days: 75%

The next ten working days: 50%

After the 50% period: None

Summer Term

The first through the fifth working day: 100% less a $30 withdrawal fee

The sixth through the tenth working day: 75%

The eleventh through the twentieth working day: 50%

After the twentieth working day: None
S and SS Summer Term
Prior to and including the last day to register
for or add S or SS courses ..........................100% less a $30 withdrawal fee
The next five working days ........................................75%
The next ten working days ........................................50%
After the 50% period ........................................None
These schedule dates are posted in the Business Office.

Refunds are based on the assessment, not upon the amount paid by the student.
Appeals for refunds due to extenuating circumstances may be made in writing to: Business Services,
Box 5133, Hattiesburg, MS 39406-5133. Appeals must be received prior to the end of the academic year.

Students who participate in SFA (Student Financial Assistance) programs have additional calculations. These calculations are made on a withdrawal worksheet. This form utilizes a comparison of USM refund policy to a Federal Refund Policy. The larger refund calculation will be used.

Federal Refund Policy mandates the percentage of institutional charges that must be refunded as follows:
❖ Withdrawal on the first day of class—100% refund of institutional charges (less the permitted administrative fee of the lesser of $100.00 or 5% of institutional charges)
❖ Withdrawal from after the first day of class through the first 10% of the enrollment period—90% refund of institutional charges
❖ Withdrawal from after the first 10% of the enrollment period through the first 25% of the enrollment period—50% refund of institutional charges
❖ Withdrawal from after the first 25% of the enrollment period through the first 50% of the enrollment period—25% refund of institutional charges

Pro Rata Refund is calculated when both of the following conditions apply:
❖ The student is a first-time student
❖ The student withdrew on or before the 60% point in time of the enrollment period for which he or she was charged

There is no comparison to a USM refund calculation or Federal Refund calculation when these conditions exist. This calculation is made on the withdrawal worksheet. Under a pro rata refund, the school must refund an amount proportional to the portion of the enrollment period that was not completed by the student. This “portion that remains” percentage is calculated based on the following formula and may be rounded down to the nearest 10%.

<table>
<thead>
<tr>
<th>Weeks Remaining</th>
<th>Total Weeks in Period</th>
</tr>
</thead>
</table>

Examples of these refunds can be found at the Business Office in the Accounts Receivable Department.

Student Financial Aid

Financial Aid Office
The University of Southern Mississippi
Box 5101
Hattiesburg, MS 39406-5101

Application Deadline
To receive full consideration, all required information and documents must be received by March 15. Late applications will be accepted and considered as funds permit.

Types of Financial Aid Programs Available

The Financial Aid Office has the responsibility of administering major areas of financial assistance. These areas will be listed in three categories—loans, grants and scholarships, and student employment. Further information may be obtained by contacting the Financial Aid Office.
A. Loans

1. Federal Perkins Loan Program
The Federal Perkins Loan Program is for students who are enrolled full-time in a participating post-secondary institution and who need a loan to meet their educational expenses.

Repayment begins nine months after graduation or leaving school for other reasons. Students may be allowed up to ten (10) years to pay back the loan. During the repayment period five (5) percent interest is charged on the unpaid balance of the loan principal.

There are loan cancellation provisions for borrowers who go into certain fields.

2. Chester P. Freeman Loan Fund
Established in 1981, this fund assists needy students to meet their tuition, fees, and book costs to attend USM. The loan is repayable beginning one year after graduation or leaving the University. The interest rate during repayment is three (3) percent simple interest.

3. Federal Stafford Loan
Federal Stafford Loans are low-interest loans made to students attending school at least half-time. Loans are made by a lender such as a bank, credit union, or savings and loan association. These loans are insured by a guaranty agency and reinsured by the federal government. This loan must be repaid.

Students can qualify for a Federal Stafford Loan based on financial need or regardless of need — that is, regardless of their or their family’s income. It is possible for a student to have a Federal Stafford Loan partly based on financial need and partly not based on need.

Undergraduate students can borrow up to $2,625, $3,500, or $5,500 per year depending on their year in college and eligibility. Graduate students can borrow up to $8,500 per year depending on eligibility. Independent students may be eligible to borrow more.

Payments normally begin six (6) months after graduation or when the borrower ceases to be at least a half-time student, and students may be allowed up to ten (10) years to repay the loan. In most cases students must pay at least $600 a year unless circumstances agreed upon with the lending institution warrant a lesser amount. Repayment may be deferred if the student borrower returns to school.

B. Grants

The Federal Pell Grant Program makes funds available to eligible students attending approved colleges, community/junior colleges, vocational schools, technical institutes, hospital schools of nursing, and other post-high school institutions.

Students may apply for a Federal Pell Grant if they are first time undergraduate students.

The amount of the award is based on the determination of eligibility and the cost of attendance at the school. The grants range from $400 to $2,700.

2. Federal Supplemental Educational Opportunity Grants (SEOG)
The Federal Supplemental Educational Opportunity Grant Program is for students of exceptional financial need who, without the grant, would be unable to continue their education.

Students must be enrolled full-time as a first-time undergraduate. Graduate students are not eligible.

3. State Student Incentive Grant (SSIG)
The State of Mississippi through a matching grant program with the Federal Government provides grants to full-time undergraduate students who are residents of the State of Mississippi. Recipients must demonstrate substantial financial need and show academic promise. Grants may range from $200 to $1,500 per academic year. Selection of recipients is made by the Financial Aid Office.

4. University Scholarships (These scholarships are subject to change without notice.) The following awards are available to entering students and continuation is subject to satisfactory progress.

a. Schillig-Baird, Pulley-Pulley Gough, and Presidential Scholarships: Pulley-Pulley Gough, Schillig-Baird and Presidential Scholars are selected by the President of The University of Southern Mississippi. A select number of students will be invited to compete for these awards. (Scholarship recipients must enroll in the Honors College). The value of the award is $20,000 for in-state students. The Pulley-Pulley Gough and Schillig-Baird Scholarships are awarded from special endowments made available for Presidential Scholarships.

b. Olliphant Scholarships: Olliphant Scholarships are designated for Honors College students who demonstrate an outstanding record of leadership, a commitment of service to society, and an exemplary record of academic achievement. Olliphant Scholars will receive a stipend of $3,000, to be awarded over the four years at USM.
c. Honors Scholarships: Awards of Honors College Scholarships are competitive and are based on an excellent record of achievement on the ACT (or SAT) and in high school classes, with attention to Honors, AP, and other rigorous courses completed; high school and community activities; honors and achievements; counselor and teacher recommendations; and an essay. Honors scholarships are in the amount of $100 per semester for up to $800 for students completing both General and Senior Honors. Recipients shall enter the Honors College. Applications may be obtained by writing Honors College, Box 5162, Hattiesburg, MS 39406-5162.

d. Valedictorian/STAR Student Scholarships: Valedictorians or STAR students from a public or private school may be awarded $100. The recipient must be designated as the valedictorian or STAR student of the graduating class and must enroll at USM during the fall semester immediately following his or her high school graduation. The scholarship will be paid fall semester of the freshman year only. Applications may be obtained by writing the Office of Admissions, Box 5166, Hattiesburg, MS 39406-5166.

e. Academic Excellence Awards: Curriculum, rank-in-class, GPA, and test scores are considered in the awarding of these scholarships. Typically, students receiving awards meet the following guidelines. First time entering freshmen who are National Merit/National Achievement Semi-Finalists or who have an ACT composite score of 32 or above and a high school GPA of 90 or above are eligible for an $8,000 award payable at the rate of $2,000 per year. First time entering freshmen who have an ACT composite score of 30-31 and a high school GPA of 90 or above are eligible for a $5,000 award, payable at the rate of $1,250 per year. Students with an ACT composite score of 28-29 and a high school grade point average of 90 or above are eligible for a $3,000 award payable at the rate of $750 per year. A student is eligible to receive these scholarships during only the fall and spring semesters for four consecutive years. Out of state tuition will also be waived. He or she must be in a full-time student (minimum of twelve (12) credit hours) and maintain a GPA of 3.0 to continue receiving the award.

f. USM Sponsored Merit Awards: The University will recommend that National Merit Finalists indicating USM as their college choice be awarded these scholarships. Merit Awards are equivalent to $2,000 over a four-year period.

g. Leadership Scholarships: Recipients are selected based on achievements both in and outside the classroom. A selected number of applicants will be invited to interview for $8,800 awards.

h. Community/Junior College Leadership Awards: Mississippi Community/Junior College students nominated by their respective institutions will be invited to compete for awards, up to $4,800.

i. Community/Junior College Presidential Award: Scholarships of $500 are awarded at the discretion of the Community/Junior College President (within Mississippi).

j. Community/Junior College Transfer Achievement Awards: Community/junior college transfer students who are Phi Theta Kappa members and who have a 3.50 GPA on at least 54 semester hours of community/junior college work are eligible for a $1,400 award, payable at the rate of $700 per year.

Information concerning scholarships and scholarship applications may be obtained from the Office of Admissions, Box 5166, Hattiesburg, MS 39406. Students must be enrolled full-time to receive these awards.

5. Upperclass General Academic Scholarships: Scholarships are available each year to upperclass students based upon general academic achievement, leadership, major field of study, financial need, and other stipulations which may be imposed by the donor. Applications must be made each academic year for these scholarships. The value of these awards ranges from $100 to $1,400 per academic year. Applications may be obtained by writing the Director of Financial Aid, Box 5101, Hattiesburg, MS 39406-5101.

6. Alumni Scholarships: Scholarships representing payment of non-resident fees only may be available to non-residents of the State of Mississippi. Award is contingent on a parent being an active contributing alumni member and the student’s achieving an ACT composite score of at least 21. Continuation is subject to the student maintaining at least a current GPA of 2.5 or better. Apply to: Alumni Association, Box 5013, Hattiesburg, MS 39406-5013.

7. Regional Scholarships: A limited number of awards are available to non-residents of the State of Mississippi. This scholarship represents a waiver of non-resident fees only. These awards are based upon ACT scores. Applications may be obtained by writing: Director of Financial Aid, Box 5101, Hattiesburg, MS 39406-5101. March 15th is the priority date for applications.

8. Service Scholarships: These scholarships are available in art, athletics, dance, music, theatre etc. Service scholarships are based upon skill and performance in such endeavors as music and athletic ability. Applications can be obtained by writing: Dean, College of the Arts, Box 5031, 39406-5031; for Athletic scholarships write Athletic Director, Box 5017, Hattiesburg, MS 39406-5017.
C. Student Employment

1. Federal Work-Study Program

The primary purpose of the Federal Work-Study program is to stimulate and promote part-time employment for students. The program also seeks to encourage students receiving Federal student financial assistance to participate in community service activities that will benefit the community and the nation. The program is designed for those students who are in need of earnings to pursue their course of study at USM. Primary consideration is given to students with the greatest financial need.

2. Student Employment On-Campus

The University also employs students who are not eligible to receive Federal work-study. Jobs are posted as they become available. Contact the Student Employment Office, Kennard-Washington Hall, for additional information.

3. Student Employment Off-Campus

The Student Employment Office makes available many types of off-campus part-time jobs with businesses in the surrounding area. Referrals are made on an individual basis to jobs matching the students’ qualifications and schedule.

D. Other

1. ROTC Scholarship Program

See the Military Science and Aerospace Studies sections of this Bulletin for information on two-year, three-year, and four-year ROTC scholarships.

2. Marine Officer Programs

Qualified students may apply for an officer program leading to a commission as a Second Lieutenant in the United States Marine Corps. Commissions are offered in both ground and aviation components. The Platoon Leaders Course (PLC) is offered to freshmen, sophomores, and juniors who attend precommissioning training during the summer. Financial assistance and Flight Indoctrination Programs are available. Qualified seniors attend twelve weeks of training in the Officer Candidate Course (OCC) after graduation. For details, contact the Placement Officer or the Marine Officer Selection Officer when he is on campus.

Satisfactory Academic Progress Policy

In order to receive and maintain federal financial assistance, students are required to progress satisfactorily toward completion of their course of study. Federal financial assistance includes grants, student loans, and employment. Satisfactory Academic Progress is measured primarily in three ways:

1. students must progress qualitatively by earning the required minimum grade point average,
2. students must progress quantitatively by completing the required minimum number of credits each semester or term, and
3. students must complete their program of study within a reasonable time period.

Qualitative Measure

The Financial Aid Office strictly adheres to the academic standards presently established by The University of Southern Mississippi and printed in the current University Bulletin. Students who have attempted up to a total of 16 semester hours must earn a 1.5 cumulative grade point average. Students who have attempted up to a total of 32 semester hours must earn a 1.75 cumulative grade point average. Students who have attempted 33 or more total hours must earn and maintain a 2.00 cumulative grade point average. Total hours attempted will include credit taken at the University and any credit transferred from another institution. Grade point averages, however, are based solely upon credits earned while enrolled at USM. Minimum acceptable academic standards are represented in the following table:

<table>
<thead>
<tr>
<th>Total Hours attempted (Including Transfer Credit)</th>
<th>Minimum Cumulative GPA Required (USM work only)</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-16</td>
<td>1.50</td>
</tr>
<tr>
<td>17-32</td>
<td>1.75</td>
</tr>
<tr>
<td>33 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

If a student does not attain the minimum grade point average, she or he is placed on financial aid probation at the end of the academic semester or term. A student may be placed on financial aid probation for failure to meet minimum academic progress requirements for up to a total of three semesters.
A student placed on financial aid suspension is ineligible for any federally funded financial aid programs until she or he returns his or her grade point average to the minimum required level.

**Quantitative Measure**

Students receiving financial aid must also complete a minimum number of credits each semester or term. The following minimums have been established.

**Undergraduate:** At the end of each semester during which aid is received, undergraduate students taking six (6) or more hours must pass a minimum of six (6) semester hours. Undergraduate students enrolled during a summer term must pass at least four (4) semester hours.

**Graduate:** Graduate students must pass at least four (4) hours each semester. Graduate students enrolled during a summer term must pass at least three (3) semester hours.

Passing grades include A, B, C, D, E, and P. Students failing to meet this quantitative measure of academic progress will be placed on financial aid probation. A student may be placed on financial aid probation for failure to meet minimum academic progress requirements for up to three semesters or terms. Should the student fail to complete the minimum number of credits for a fourth semester or term, the student will be placed on financial aid suspension and will be ineligible for federal financial assistance.

**Maximum Length of Time to Complete Course of Study**

Students must complete degree requirements within a normal time frame, and the following maximums have been established.

**Undergraduate:** A first time undergraduate student shall be deemed in good standing and eligible to receive federal financial aid until she or he has attempted 133% of the number of hours normally required to complete degree requirements, usually 170 hours. Attempted hours shall include all courses on the academic transcript including grades of A, B, C, D, E, F, P, I, X, W, and N. The Financial Aid Office shall review the Programmed Academic Computer Evaluation (PACE) sheet of those students wishing to receive financial assistance beyond the 170 hour ceiling. Students will be granted additional financial assistance only for courses included on the PACE sheet until the student attempts up to 150% of the number of hours normally required to complete degree requirements, usually 192 hours.

**Graduate:** Graduate students shall be deemed in good standing and eligible to receive federal financial assistance until they have attempted twice the number of hours normally required to complete their program of study leading to a master’s or doctoral degree.

**Second Degree Undergraduate:** Students who have already earned a baccalaureate degree and are now seeking a second undergraduate degree will be eligible to receive federal financial assistance for up to 206 undergraduate hours attempted. Students who have attempted more than 170 hours must present a Programmed Academic Computer Evaluation (PACE) sheet to the Financial Aid Office for review. Students will be granted additional financial assistance only for courses included on the PACE sheet until the student attempts up to 206 hours.

**Second Degree Graduate:** Graduate students pursuing an additional Master’s degree will be limited to a maximum of 120 graduate hours. This total includes all graduate hours accumulated. Once a student earns a specialist degree he/she shall be eligible for additional financial assistance only at the doctoral level; once a student earns a doctoral degree he/she shall be ineligible for additional federal financial assistance.

**Additional Policies**

**Enrollment Status**

Students receiving Federal Perkins Loan, Federal Work-Study, Federal Supplemental Grant, and Federal Pell Grant are expected to maintain the enrollment status on which their financial aid was based. For example, students awarded financial aid as full-time students are expected to complete the semester or term and earn satisfactory grades on a full-time course load. Students failing to maintain the enrollment status their financial aid award was based on shall be granted probation for up to three
semesters or terms. Students failing to remain full-time a fourth semester or term shall be placed on financial aid suspension and shall be ineligible for additional federal financial assistance until they enroll at least half-time at their own expense, complete all courses, and earn the minimum required grade point average.

Transfer Students
Students transferring into the University shall be assumed to be maintaining satisfactory academic progress. Hours transferred from prior schools will be considered when establishing class standing for grade requirements, as well as when determining the maximum number of hours allowed to receive financial aid.

Remedial Courses
The University’s policy on remedial courses is currently being revised. Please contact the Financial Aid Office for current details.

Audit Courses
Courses taken for audit do not count for credit or graduation and, therefore, are not counted in determining eligibility for receiving or maintaining financial aid.

Repeats
A limit of two (2) courses or a total of six (6) semester hours will be permitted as repeats without affecting financial aid eligibility.

Cooperative Education
Students are not considered as enrolled for credit hours during the terms they are employed and therefore are ineligible to receive financial assistance. Co-op students are, however, considered enrolled for purposes of deferring prior loans during periods of co-op.

Simultaneous Measurement
Academic transcripts of financial aid recipients will be reviewed at the end of each semester or term to insure that the student simultaneously meets all the minimum Satisfactory Academic Policy requirements stated above. Students are eligible for a grand total of three probationary periods throughout their enrollment.

Appeals
Students who have their aid suspended because they have exceeded the maximum length of time allowed to meet degree requirements may appeal that suspension ONLY for one of the following reasons:

The student is enrolled in a course of study that normally requires more than 128 semester hours to complete.

The student has military or vocational (not technical) hours on their academic transcript that are not included in their program of study.

The student has attempted less than 192 hours in a course of study that normally requires 128 hours to complete.

The student is seeking a second undergraduate degree and has attempted less than 206 semester hours.

Students who have their aid suspended may appeal that suspension ONLY for one of the following reasons:

Death of an immediate family member. Immediate family member includes parent, spouse, sibling, or dependent child.

The extended illness of the student. Extended illness is defined as a documented chronic or recurring medical or emotional illness that causes the student to be absent from class at least ten class days.

The extended illness of an immediate family member that places a hardship on the student. Immediate family member includes parent, spouse, sibling, or dependent child.
Students should request a Financial Aid Appeal Form from the Financial Aid Office and submit it along with all supporting documentation to:

Financial Aid Office  
The University of Southern Mississippi  
Box 5101  
Hattiesburg, MS 39406

Appeals will be evaluated by the Financial Aid Office, and students will be notified of their eligibility or ineligibility for continued financial assistance.

Students whose appeals are denied by the Financial Aid Office must enroll at USM at least half time until they have removed the deficiency that caused them to be placed on financial aid suspension.

Refunds

Students withdrawing from the University during the refund period who receive federal financial aid must return a portion of any refund to the financial aid programs from which aid was disbursed. The method of returning funds to financial aid programs shall be calculated using the current federal financial aid refund policy in conjunction with the University Refund Policy.

Repayment

When students receive cash above their direct educational expenses (tuition, fees, books, University board and room), they are expected to use those funds to meet non-institutional education costs. Should a student withdraw during the University refund period, the student must return that portion of any cash disbursement that could not have reasonably been used to meet educational expenses. The portion that must be returned is a repayment. The University’s Repayment Policy coincides with the applicable federal and University refund policy.

The University of Southern Mississippi Foundation Scholarships

The University of Southern Mississippi Foundation is a non-profit organization that functions as the depository and fiduciary of private gifts to The University of Southern Mississippi. The University of Southern Mississippi Foundation is charged with the responsibility of raising necessary funds to support the academic programs. Overall guidance and policies for the Foundation are determined by a Board of Directors composed of alumni and friends of the University.

Programs designed to raise funds for the academic programs include:

- Annual Fund
- Eagle Club
- Honor Club
- Planned Giving
- Corporate and Foundation Support

These programs encourage support, in the form of private donations, for academic and athletic scholarships.

The primary role of the Foundation is to support the University in its role of teaching, research and service. The assistance takes many forms including scholarships, library support, professorships, faculty chairs, equipment, etc.

Scholarships receive the largest share of annual expenditures. They are awarded according to the guidelines agreed upon by both the donor and the Foundation. While the Foundation receives and manages the funds, the awarding of scholarships is made by University Scholarship Committees in cooperation with the Financial Aid Office. Please refer to them for availability.

Alumni Association

Annual

*ALUMNI PAST PRESIDENTS: Ten $500 scholarships named by the USM Alumni Office.

*GULF COAST METRO ALUMNI CHAPTER SCHOLARSHIP: To provide scholarships to capable and deserving Gulf Coast students. Available through the local alumni chapter.

EDNA DAVES YARBROUGH: Award on the basis of Christian dedication, belief in God, financial need, and a high respect for the United States Government. Baptist Student Union to make recommendations.

*Recipients to be chosen by a specific organization.
Student Life

Student Activities

The primary source of extra curricular activities at The University of Southern Mississippi is the multitude of student organizations and activities. Some 180 student organizations include all categories of participation: service, social, religious, professional, honorary, and on and on to provide an opportunity for almost any interested student to participate. While these activities are outside of or “extra to” the formal curricula, they are unquestionably a part of the student’s total experience while he or she is enrolled at The University of Southern Mississippi.

In addition to the numerous student organizations, there are groups which, by their representative function, serve the entire student body in their various capacities and areas. These groups are: Student Government Association and University Activities Council.

While these groups are deliberative and propose to represent the views and wishes of the entire student body, other student governing groups may be found in the residence halls, the fraternity and sorority system, and the international student community.

Athletics

The University of Southern Mississippi is a member of Conference USA and the National Collegiate Athletic Association.

Intercollegiate sports are football, basketball, baseball, tennis, golf, indoor and outdoor track, cross-country, and women’s tennis, basketball, golf, cross-country, volleyball and indoor and outdoor track.

Organizations

Business Organizations—American Marketing Association, Beta Alpha Psi, Beta Gamma Sigma, National Association of Business Economists, Phi Beta Lambda, Phi Chi Theta, Sigma Iota Epsilon, Society for Advancement of Management, Student Economic Development Association.

Education and Psychology Organizations—Industrial Organizational Psychology Student Association, Kappa Delta Pi, Psi Chi.

The Arts Organizations—Chi Tau Epsilon, Mu Phi Epsilon, Phi Mu Alpha Sinfonia, Tau Beta Sigma.

Games and Athletic Organizations—Billiards Association, Bridge Club, Chinese Student Association, Diamond Darlings, Divers Association, Gold Tenders, Golden Eagle Ultimate Club, Men’s Soccer Club, Physical Education Majors/Minors Club, Racquetball and Squash Club, Rugby Club, ShaoLin Ngor Chor Association, Shotokan Karate Club, Sport Professionals Student Association, Sports Officials Association, Student Athlete Advisory Committee, Student Digital Arts Association, Women’s Soccer.

Graduate Student Organizations—Counseling Association for Master’s Students, Graduate English Association, Graduate Student Forum in Biological Sciences.

Greek Organizations—Greek Seekers, Interfraternity Council, Junior Greek Council, Panhellenic Council. Sororities—Alpha Delta Pi, Alpha Kappa Alpha, Chi Omega, Delta Delta Delta, Delta Gamma, Delta Sigma Theta, Delta Zeta, Kappa Delta, Phi Mu, Pi Beta Phi, Sigma Gamma Rho, Zeta Phi Beta. Science and Technology Organizations—Alpha Epsilon Delta, American Chemical Society, Beta Beta Beta, Construction Specification Institute, Home Builders Association, Institute of Electrical and Electronics Engineers, Kappa Mu Epsilon, Sigma Lambda Chi, Society of Polymer Scientists, Society of Women Engineers, Southern Geological Society, Student Oceanographic Society, Upsilon Pi Epsilon.

Service Organizations—Eagle Connection, Program of Assistance, Counseling, Education, and Resources for Students (PACERS), Peers Educating Peers (PEP), Student Alumni Association, Students Promoting Educating and Empowering for Diversity (SPEED).

Dramatic, Musical and Other Performing Groups—The University’s preeminence in the fine arts fields of theatre and music is reflected in the prominent role of student performing groups. The Debate Squad and the University’s own radio station also encourage student performance.

The USM Dance Company and the Bodyworks Dance Ensemble are open to all university students by audition and are sponsored by the Department of Theatre and Dance. These two performance groups present reconstructions of masterworks and original choreography in informal and formal concerts, lecture demonstrations, workshops, and tours. Auditions are held at the beginning of each semester. Interested students should contact the Dance Studios.

The University Theatre is the campus dramatic organization sponsored by the Department of Theatre and Dance. Open auditions are held for all productions and any student enrolled at the University is eligible to participate.

The Opera Theatre, open to all students of the University by audition, performs many works of music-dramatic interest during the year.

The Oratorio Chorus, a large symphonic chorus, is open to students and members of the Hattiesburg community. Its two major concerts each year highlight the masterworks of Western art music for chorus; no audition is required.

The University Chorale is a select choir made up of auditioned singers. Their repertoire, performed on campus and on tour, encompasses sacred and secular music from all music eras.

The University Singers is a mixed chorus of about sixty voices. One of the most popular of campus groups, its frequent performances touch a varied repertoire of music for chorus. Audition is required.

Jazz Singers is a small select ensemble made up of excellent student singers who concentrate on performing vocal music in the jazz idiom, especially original music and arrangements made popular since 1960. Membership is by audition only.

Carillon, select ensembles, tour regularly, ringing about forty performances a year. Carillon, a handbell group, concentrate on contemporary sacred music. An audition is required.

The Symphonic Wind Ensemble, the Symphonic Band, and the Concert Band are open to all University students by audition. The University’s bands have an outstanding record of service to the University and the state.
The Marching Band, known as the "The Pride of Mississippi," presents colorful halftime shows at the University football games and appears regularly on national television. It is open to all University students.

The Dixie Darlings, a precision drill group, open by audition to the best girl dancers of the University, are well-known nationally through their many televised appearances with the Marching Band.

Chamber Music (i.e., small, expert, student ensembles) includes brass, woodwind, string quartets; large homogenous groups (e.g., Trombone Choir); and groups devoted to the performance of early music (e.g., Collegium Musicum). For information, please consult the School of Music, Fine Arts Building, Room 211.

The Percussion Choir and Marimba Ensembles utilize programs of original music for chamber percussion performance.

The Jazz Laboratory Bands are full-size modern jazz ensembles which play the latest arrangements of music in the big band contemporary idiom.

The University of Southern Mississippi Symphony, open to all students and faculty members of the University by audition, gives a number of concerts each year in addition to assisting with oratorios and operas.

Service awards are available to talented students. Auditions may be arranged through the School of Music.

WUSM-FM is a University-owned public radio station which serves the diverse educational and cultural needs of the Hattiesburg community. Students interested in joining the WUSM-FM staff should contact the radio station.

Student Government Association
The Student Government Association (SGA) of USM consists of all students enrolled in the University. It is structurally set up with executive, legislative, and judicial branches. The officers of the SGA comprise the executive branch, elected representatives from the academic colleges and places of residence make up the Senate or legislative branch, and the student courts comprise the judicial branch.

The SGA, however, is much more than a structured student organization. It is the official voice of the student in University affairs. In addition, the SGA serves the student in special services and projects, along with providing representation on committees and boards.

SGA projects and services include the Miss Southern Pageant, student elections, spirit activities, recruiting, legal services, and a health insurance program.

The Student Government Association is constantly striving to improve programs and services available to the USM student population. By working with the University administration and voicing student concerns, the SGA promotes the welfare of all students in all phases of university life.

Student Publications
The Student Printz, winner of many national awards, is the University newspaper published semi-weekly by a staff of students under the direction of faculty advisers. The Southerner is a yearly publication, published by a student staff under the direction of the Student Activities Coordinator. A handbook for students is also published by the Student Activities Coordinator.

University Activities Council
The University Activities Council is a student-run organization and USM department consisting of 40 members, alternates, and affiliate members. The UAC plans, promotes, and produces an array of entertainment for the USM community including the movies series, comedians, lectures, and various fests.

The UAC is funded by students’ fees and budgets the money to provide low cost, quality entertainment for the USM community.

Holding membership in the National Association of Campus Activities (NACA), the UAC keeps abreast of collegiate programming trends and developments throughout the nation as well as the South.
The Student Community and Campus Life

Department of Residence Life

The Department of Residence Life feels very strongly that the educational benefits for residence hall students extend far beyond the classroom experience. Every effort is made to offer on-campus students the opportunity to take part in cultural, scholastic, athletic, and social programs developed by the residence hall staff. In addition, residence hall students experience cross-cultural living experiences which help promote open-mindedness, tolerance, and leadership—a philosophical goal of Residence Life.

All residence halls are fully air conditioned with the capacity of offering diversified housing options to an on-campus population of 3,420 students. Elam Arms-South, Hillcrest and Mississippi for women, and Elam Arms-North, Hattiesburg, and Vann for men, are arranged in suite fashion with 4-6 students sharing a bath. Bolton, Hickman, Jones, Pulley, Scott, and Wilber (Panhellenic) for women, and Bond and Roberts for men, are arranged with baths conveniently located on each floor.

Application for campus housing should be made at the time of application to the University. The priority deadline for residence hall space is March 1. Applications received after March 1 will be processed based on space availability. Assignment of a student to a residence hall is incomplete until full prepayment and a signed rental agreement have been received by the Department of Residence Life by the stated deadline. Although preferences are honored when possible, the application is for accommodation in the residence hall and not for a specific roommate or specific hall. Upperclass assignments are made based on date of application into specific halls. Freshman assignments are made based on date of application into random freshman residence halls.

Cancellation of the rental agreement can be made in cases of marriage, graduation, withdrawal, co-oping, student teaching, or interning. Notification of cancellation must be made in writing by the designated deadlines. Cancellations received after the deadlines will result in forfeiture of the entire prepayment amount. Students who have not cancelled by their designated deadline and are planning to enroll at the University with paid prepayment and signed contracts will be held to the terms and conditions of the academic year residence hall rental agreement.

Applications for campus housing should be mailed to:
Department of Residence Life
Box 5064
Hattiesburg, MS 39406-5064

The Department of Residence Life accepts applications for housing assignments regardless of age, race, creed, color, or national origin. In compliance with the Civil Rights Act of 1964 and University policy, housing assignments will not be made on a segregated basis.

Family Housing

Pine Haven Apartments, consisting of two hundred and ninety-six (296) one-two-and three-bedroom unfurnished units, are available for married students and single and married students with custody of children. Apartment priority is based on the date of application and/or occupancy.

The rent is due and payable at registration. Students obligate themselves to the full fee for one semester’s rent when they move in, unless they withdraw from the University. A deposit of $75.00 is required at the time of application. Refund of rent due to withdrawal from the University is followed according to the University tuition refund schedule. Cancellation of the rental agreement must be made forty-five (45) days prior to the semester of cancellation. Notification of cancellation after the deadline obligates students to payment of rent for the following semester if enrolled, or forfeiture of deposit if not enrolled. Applications and brochures may be secured at the Pine Haven Office or by writing the Department of Residence Life.

Food Services

The Department of Food Services serves tasty and nutritious meals seven days a week during all school terms. Choices include: two entrees, assorted vegetables and desserts, and self-service salad and drink bars. In addition, a lite line, a deli line, and a variety line are offered in the University Commons. Dining services are also available in Hillcrest and Elam Arms. Students on a 5-Day or 7-Day Basic Meal Plan may choose where to dine on a meal to meal basis.
ALL STUDENTS LIVING IN A RESIDENCE HALL ARE REQUIRED TO PURCHASE A 5-DAY OR A 7-DAY BASIC MEAL PLAN.

A Snack Plan may be added to a Basic Meal Plan. It may be used at Seymour’s, I Can’t Believe It’s Yogurt and Java Coast Coffees, Seymour’s Plaza Express, and Seymour’s Atrium Cafe. The Snack Plan may also be used to supplement a 5-Day Basic Plan and allows for occasional weekend meals in the Commons.

Seymour’s, I Can’t Believe It’s Yogurt and Java Coast Coffees, Seymour’s Plaza Express, and Seymour’s Atrium Cafe offer a variety of snacks, short orders, and beverages. Purchases at these establishments are a’la carte.

A Commuter Plan is available for off-campus students. This plan operates much like a checking account. Each time a purchase is made, the amount of the purchase is deducted from the balance. With a Commuter Plan, meals at the Commons, Elam Arms, and Hillcrest are purchased at a discounted price. The Commuter Plan may be used in all the dining facilities on campus.

All meal plans may be purchased during registration or at the Food Services office located in the Commons.

Meal Ticket Exemptions

Meal ticket exemptions are allowed only for those students with modified diets which cannot be prepared by the University Food Services and for those students with internships which conflict with cafeteria serving hours. Those students who may qualify for an exemption should make arrangements for an evaluation PRIOR TO REGISTRATION. However, those not arranging for an evaluation prior to registration should go to the Food Services Office in the University Commons after registering for classes. Those students who have not completed the requirements for a meal ticket exemption prior to registration will be charged for a meal ticket during the registration process. As a result of the extensive serving hours in the University Commons, work-related exemptions will not be permitted.

Medical Exemptions

Those students with a medical problem requiring a modified diet who feel their needs cannot be met by the University Food Services should make arrangements to have their diet evaluated by the registered dietitian before registration. Documentation required for this evaluation includes a prescription signed by a physician which specifies the student’s modified diet and a copy of the modified diet. The University Commons offers a special diet program or weight watchers. The line caters to weight watchers as well as to those students with medical problems which require special diets.

Academic Related Exemptions

Requirements:

A student must miss a minimum of fifty percent of meals served per week. The meals missed must be due to an internship.

Documentation Required:

1. A statement, on letterhead stationery, signed by the student’s adviser, giving the student’s hours, on a daily basis, Monday through Friday.
2. A copy of the student’s Advisement and Registration Appointment Form which shows the student’s class schedule.

Work Related Exemptions

University Policy DOES NOT allow for meal ticket exemptions for students holding part-time or full-time employment.

University Facilities and Student Services

Automobiles on Campus

Students, employees, and frequent visitors of the University are required to purchase parking permits to register their automobiles with the University Police Department. Temporary permits are issued when a vehicle is to be on the campus less than fourteen days. Parking zones have been established along with other regulations. A brochure which details traffic and parking regulations may be secured from the University Police Department. Penalties are assessed for violations of regulations.

Career Planning and Placement

Career Planning and Placement offers a variety of services and resources related to employment. The Student Employment Division offers the student an opportunity to obtain part-time employment while enrolled as a regular student at USM. The service is comprehensive in that it involves jobs for work-study as well as non-work-study both on and off campus.
The Cooperative Education Program affords the student the opportunity to gain a complete education with periods of work related to the student’s major. The Cooperative Education Office assists in securing meaningful jobs that will give the student practical work experience and financial support to aid in his or her education. The basic qualifications for the undergraduate Co-op Programs are as follows:

1. The student must maintain at least a 2.50 GPA.
2. The student must have completed 28 semester hours.
3. The student must be enrolled full-time at USM.
4. The student must be in good standing with the University.

The Office of Cooperative Education will determine the eligibility of students to participate in the program. Each student’s record of performance will be periodically reviewed once an active participant, and he or she may be placed on probation or removed from the program when failing to meet minimum requirements.

The Placement Center provides assistance to graduating seniors, graduates, and alumni in obtaining career employment after graduation. Students seeking career employment should register with the Placement Center by purchasing a Disc Resume during the last semester of their junior year or the first semester of their senior year. The Disc Resume allows students access to an employer data base and resources useful in beginning a job search. In addition, students are included in a data base allowing employers to tailor searches for prospective employees. The Placement Center refers resumes and other materials to prospective employers. The system provides the flexibility for students to update their files as often as necessary and to generate a resume meeting specific criteria of a given job opening. Placement services may be used by graduates as often as needed and files are kept active for five years. If there is no activity related to the file for a five year period, files are purged from the system.

The Career Center

The Career Center of fers individuals assistance in the process of examining and exploring career opportunities. The following services are available:

Career Counseling—Assistance in clarifying each individual’s career picture, including education necessary to achieve one’s goals as well as an action plan.

Individual Vocational Testing—Career interest tests administered by the counselor to assist an individual in determining vocational areas of interest. An understanding is gained of one’s interests, skills, and values.

Career Resource Center—Contains information on numerous occupations, giving an overview of job descriptions, salaries, advancement opportunities, and trends.

Job-Finding Skill Development—Discussion of the interviewing process, the hidden job market, job seeking skills, and resume writing.

Computerized Vocational Guidance—Software programs which facilitate the career decision making process and contain current information on various career areas.

For more information call or write:

Career Planning and Placement
The University of Southern Mississippi
Box 5014
Hattiesburg, MS 39406-5014
(601) 266-4153

Health Services

The USM Student Health Service (Clinic) can provide the students, faculty, and staff with the same services available at a family doctor’s office. The Student Health Service provides a wide range of services, including laboratory testing, x-ray, pharmacy, social services, dietary counseling and educational services. The Student Health Service is staffed by several competent physicians and nurse practitioners. The Student Health Service is located on the West side of Kennard-Washington Hall. During the Fall and Spring semesters, the Student Health Service hours are 8 a.m. to 5 p.m., Monday through Friday.
The USM Student Health Service is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and is a member of the American College Health Association. For more information please call (601) 266-5390.

**Office of Support Services for Students with Disabilities (OSS)**

In accordance with the Rehabilitation Act of 1973 and the Americans with Disabilities Act (1990), The University of Southern Mississippi provides reasonable accommodations for students with disabilities through the Office of Support Services for Students with Disabilities (OSS). OSS verifies eligibility for accommodations and works with eligible students to develop and coordinate plans for the provision of accommodations. Eligible students include those who are enrolled in degree and non-degree programs offered by The University of Southern Mississippi, are considered qualified to meet all university program requirements despite a disability, and meet the definition of disability as defined by the Rehabilitation Act of 1973 and the ADA.

Accommodations/services available include test-taking accommodations, interpreters, note-takers, and readers. In order to receive appropriate and timely accommodations, eligible students should contact the OSS before the semester begins to file an application and submit documentation of disability for review. The OSS is committed to creating a positive campus environment where students with disabilities are encouraged to pursue careers on the basis of personal interest and ability.

For an application and guidelines for documentation of disability, write the Office of Support Services for Students with Disabilities, Box 8586, The University of Southern Mississippi, Hattiesburg, MS 39406-8586 or call (601) 266-5024 or TTY (601) 266-6837 or FAX (601) 266-6035.

**R.C. Cook University Union**

The center of student activities at The University of Southern Mississippi is the R.C. Cook University Union, which houses the student organization offices, Seymour’s, recreational area, and meeting rooms. Students use the facilities of the University Union for recreational, social, religious, and organizational activities. The Union holds membership in the Association of College Unions—International.

**Recreational Sports**

For students, faculty and staff who wish to participate in leisure, fitness, or competitive programs, the Division of Recreational Sports offers “Something for Everyone.” Housed in the Payne Center, the division and its staff work to provide an opportunity for the campus to take advantage of a variety of recreational and fitness related services which include massage therapy, personal fitness instruction, Intramural Sports, Aquatics, Fitness, Sport Clubs, and Informal Recreation activities. The Payne Center is one of the few multi-purpose facilities in the nation integrating the concepts of fitness and recreational sports. It offers accessibility to the disabled, and contains many indoor recreational facilities. These include four basketball/volleyball courts, six badminton courts, four championship racquetball courts, an international size squash court, a six-lane indoor pool (M.C. Johnson Natatorium), a ½ mile indoor exercise track, outdoor volleyball courts, Atium Cafe, sauna, free weight and circuit training room, and cardiovascular workout room. The Payne Center also has conference, meeting, seminar, and banquet facilities where students, faculty, staff, and alumni can attend wellness related workshops and events. These facilities are also available for reservations for events sponsored by university organizations. Recreational Sports also offers outdoor facilities such as the sundeck at the Payne Center, the Intramural and Sports Arena Fields, the Tennis Complex, and Lake Sehoy. Outdoor activities and programs available include over 40 Intramural Sports events from Flag Football to Putt-Putt Golf, and 9 Sport Clubs involving ultimate frisbee, soccer, rugby, volleyball, karate, SCUBA diving, racquetball and squash, table tennis, and sports officiating. Lake Sehoy offers picnic areas, boating, fishing, putt-putt golf, and a pavilion and log cabin for retreats and other special events. All indoor and outdoor facilities, activities, and programs are supervised by First Aid/CPR trained personnel to promote a safe recreational environment for participants. In addition, the staff of Sports Medicine Institute, Wesley Medical Center, will be providing injury assessment and athletic training services during intramurals and club sport events as well as during peak participation periods in the Payne Center. The Fitness Assessment Center and Fitness Counseling staff also provide services which include comprehensive health evaluation, fitness assessment, and exercise prescription for the University community at a nominal fee. A pro shop is also available. For more information regarding Recreational Sports programs and services, please call (601) 266-5405.
University Counseling Center
The purpose of the University Counseling Center is to assist each individual in deriving maximum benefit from his or her University experience and developing his or her full range of potentialities. The following professional counseling services are provided: personal, social, and marital.

Students interested in dealing with some aspects of personal or social development should feel free to contact the Center for an appointment. Everything that is said during a counseling interview is regarded as confidential. No information is released to any individual except with the approval of the student.

Besides assisting students on an individual basis, the Center provides group study skills training to enable students to handle their academic pursuits better. How to organize study time, how to take notes, and how to take examinations are a few of the topics covered.

The Center provides growth experiences for students. Primary goals of these experiences are developing the student’s ability to communicate and enhancing his or her skills in interpersonal relationships. The goal, therefore, is to provide students a chance to obtain insight into their own behavior and the behavior of others in the context of a group experience.

The Center staff is available to work with campus groups in providing leadership or communication training. The primary goals of these groups are to improve leadership abilities and to enhance the communication function in organized group activity.

The Center also serves as the University testing center. Tests given include college entrance exams and professional tests (i.e., ACT, GRE, GMAT, GSFT, DAT, MCAT, and LSAT). For the convenience of the students, application forms for these tests are available in this office.

The Center is located in Room 200, Student Services Building. It is open from 8:00 AM to 5:00 PM, Monday through Friday. Any person who is enrolled or expects to enroll as a student may use the services without charge. Spouses of students often use the Center. In order to make an appointment, a student may come by the Center or call (601) 266-4829 or write to:

Director of the University Counseling Center
The University of Southern Mississippi
Box 5075
Hattiesburg, MS 39406-5075

Veterans Affairs
Veterans Affairs are administered through the Office of the University Registrar. Assistance is given to veterans and dependents of eligible veterans to enable them to derive the maximum benefit from their veterans’ educational entitlement.
General Academic Information

Registration
Students should pre-register each semester at the designated time using the touch-tone registration system, S.T.A.R.S. Specific directions are published in the Class Schedule Guide. Registration will continue after the close of the scheduled registration period (see Calendar) for five class days. A late registration fee will be charged to all students registering after the scheduled registration period. The fee is fifty dollars ($50.00).

Add/Drop/Withdrawal
A student is permitted to drop a course without academic penalty up to and including approved dates published in the Class Schedule Guide. After the deadline, a student may drop a course only in the event of extenuating circumstances and with permission of the instructor, department chair, and dean of the college offering the course, at which time the student will receive a grade of WP or WF.

A student is permitted to add a course after the deadline of five class days with the permission of the instructor, department chair, and dean of the college offering the course. However, a student will not be allowed to add a course after the last day to drop without academic penalty as published in the Class Schedule Guide.

A student withdrawing from the University prior to the deadline for dropping classes will not receive any grades. His or her record will show the date of withdrawal only. A student withdrawing after the deadline for dropping courses will receive a grade of WP or a grade of WF.

Withdrawal Procedures
A student finding it necessary to withdraw from the University must begin the process with the dean of his or her college who shall initiate the Withdrawal and Refund Authorization Form. A student who is undecided on a major must begin the process in the dean’s office of the College of Liberal Arts where the Withdrawal and Refund Authorization Form will be initiated. The telephone registration system (S.T.A.R.S.) may not be utilized to withdraw.

Refund Policy
The withdrawal deadline for receipt of a grade has nothing to do with the refund schedule for fees. A student who officially withdraws after enrollment may obtain a refund in accordance with the refund. Appeals for refunds due to extenuating circumstances may be made in writing to:

Vice President for Business and Finance
The University of Southern Mississippi
Box 5005
Hattiesburg, MS 39406-5005

Enrollment Status
Full Time Status: The typical student load is twelve (12) to nineteen (19) semester hours. Nine (9) to fourteen (14) hours is considered a full load during the summer session. Nineteen (19) hours is the maximum load without dean of college approval.

Classification of Undergraduates: A student is classified as a: Freshman when he or she has less than 27 semester hours of earned credit; Sophomore with as many as 27 semester hours but less than 54 semester hours; Junior with as many as 54 hours but less than 87 hours; Senior with 87 or more semester hours of earned credit.

Course Numbering: Freshman courses are numbered from 100 to 199; sophomore courses from 200 to 299; upper division courses from 300 to 499; graduate courses 500 or above. Courses taken by independent study will carry the prefix C. Honors courses carry the prefix H.

Course Sequence and Related Sequences: Certain 100- and 200-level courses may not be taken for credit by a student after he or she has completed higher level courses in the same subject area. Also, certain sequences of courses may not be taken for credit after a student has completed parallel courses which are similar in subject matter. Specific applications of this policy are indicated in the numbered course descriptions in the Course Description Section of this Bulletin. Selection of the courses, as well as exceptions to the policy, is left to the department chairs.
Absences
Students are expected to attend class each time the class meets. When it is necessary that a student be absent from a class, courtesy requires an explanation to the instructor in charge. Class attendance policy will be set by the professor. It will be the responsibility of each professor to notify his or her class at the outset of each semester as to the attendance requirements.

Final Examinations
Examinations will be held as published in the Class Schedule Guide. No final examinations are permitted prior to the scheduled examination period (see Calendar). A student who is absent from the final examination without valid reason approved by the Office of the Provost forfeits credit for the semester.

Grades
A — indicates excellent work and carries 4 quality points per semester hour.
B — indicates good work and carries 3 quality points per semester hour.
C — indicates average work and carries 2 quality points per semester hour.
D — indicates inferior work and carries 1 quality point per semester hour.
E — indicates a course in progress. Not included in the grade point average, a grade of E shall be awarded for graduate thesis, recital and dissertation courses and for such self-paced or skill courses as the Academic and/or Graduate Council may designate. An E shall be changed to a P only in the case of credit for thesis and dissertation and then only for the last recorded credit for these courses. Otherwise, the E remains on the record indicating that to receive credit the student must re-register for the undergraduate course, repeating it on a regular basis until completing it. Upon completion, the appropriate grade, whether P or valuative, shall be assigned.

F — indicates failure and carries no quality points.
I — indicates that a student was unable to complete course requirements by the end of the term because of extraordinary circumstances beyond his or her control. Poor performance or unexplained absences are not a justification for the assignment of an I. If an I has not been removed by the end of the next semester (excluding summer term), it automatically becomes an F. Students are prohibited from enrolling in any course for which the current grade is I.

AW—indicates administrative withdrawal.
WP—indicates withdrawal from a course passing after the deadline for dropping courses.
WF—indicates withdrawal from a course failing after the deadline for dropping courses. (This grade is computed in the GPA as F.)

P — indicates a passing grade in courses taken on a pass-fail basis (does not count in computing GPA).

Pass/Fail Grading Option
Students may choose to take elective courses on a pass-fail basis. The option must be exercised at the time of registration, and the option may not be altered after the deadline for adding courses. No more than thirty-six (36) semester hours earned in independent study or pass-fail courses, with a limit of eighteen (18) semester hours of pass-fail courses, may be applied toward a degree. No more than twelve (12) semester hours earned from the same department by independent study or pass-fail courses may be applied toward a degree. A student may not take a course on a pass-fail basis to repeat a course for the purpose of improving the grade point average or to remove an Incomplete. Such courses cannot be a part of a prescribed degree program, i.e., core requirements, major, or minor. A failing grade in a pass-fail course is recorded as F and is computed in the grade point average in the same manner as other failing grades.
Auditing Courses

A student who takes a course for audit (non-credit) must meet the class in the same manner as a student regularly enrolled. Although no credit is awarded, a student who meets the instructor’s requirements for a successful audit will receive an appropriate entry on his or her official record. The instructor has the right to remove a student from the final grade roster for non-attendance. The credit option (audit to credit or credit to audit) may not be changed after the deadline for adding courses. The fee for audit is the same as if registered for credit.

Computation of Grade Point Averages

Grade point averages are based on the number of hours undertaken rather than the number of hours passed in determining whether a student meets minimum standards. The total hours attempted, for suspension purposes, will include credit undertaken at the University and credit transferred; the grade point average will involve only credit for courses attempted at The University of Southern Mississippi.

Courses in which a student receives an E will not be counted in the “total hours attempted.”

An undergraduate student will be permitted to repeat courses a total of two (2) times or a total of six (6) semester hours in order to improve his or her grade-point average. (That is, he or she may repeat one, three-hour course twice; or two, three-hour courses once each.) This policy covers all repeats at all institutions attended. The first two (2) repeats used shall stand. The grade for the second attempt will be used in grade point average calculations. This policy is limited to courses in which a student initially earned a grade of D or F, but does not apply to courses for which a grade was assigned for reasons of academic dishonesty. Courses must be retaken at The University of Southern Mississippi. Students are free to retake additional courses, but all attempts will be included in the calculation of the grade point average. Exceptions to this policy must be approved by the Provost.

Grade Review Policy

The instructor (defined as one who has the responsibility for a class, special problem, or thesis) has the authority in his or her class over all matters affecting the conduct of the class, including the assignment of grades. Student performance should be evaluated according to academic criteria made available to all students within the first two weeks of each semester. Grades should not be determined in an arbitrary or capricious manner.

When a student disagrees with the final grade given by an instructor, fair play requires the opportunity for an orderly appellate procedure. A student must initiate the appeal procedure within 30 school days (excluding Saturday, Sunday, and official student holidays) of the beginning of the semester subsequent to the one in which the grade was awarded, or 120 calendar days after the issuance of spring semester grades, should the student not be enrolled during the summer term. The procedure assures due process for both the instructor and student. For policies and procedures governing grade review, contact the dean of the appropriate college or the Office of the Provost.

Administrative Withdrawal

A university transcript is a legal document that provides a true and accurate account of academic performance. Any alteration of the history of academic performance as reported by a university transcript should be done only if there is an obvious rationale for doing so.

On rare occasions, academic performance is severely affected by some emotional or personal disaster beyond the control of the student. If a timely withdrawal was impossible or overlooked, a procedure known as administrative withdrawal may offer a remedy.

A student who wishes to petition for an administrative withdrawal should be aware of the following criteria in considering the request.

a. The student’s academic record under review indicates a clear and consistent pattern of good academic performance prior to and subsequent to the semester in question
b. The problem encountered by the student is debilitating and beyond his or her control.
c. The student is able to document the nature and extent of the problem

The following guidelines pertain to a petition for administrative withdrawal.

a. A petition for administrative withdrawal will be considered only if it is filed prior to graduation.
b. Relief by administrative withdrawal will be limited to one semester.

c. The grade of administrative withdrawal ("AW") will be assigned to all courses taken during the semester in question.

d. Administrative withdrawal must be approved by the dean of the college in which the student is enrolled when he or she initiates the petition. A student may request administrative withdrawal only once during his or her academic career and that request must be limited to one particular semester.

A petition for administrative withdrawal must contain the following.

a. A concise but thorough statement of the circumstances responsible for the poor academic performance.

b. Evidence (e.g., a medical diagnosis) supporting claims made in the statement.

c. A complete set of official transcripts exhibiting all college-level course work.

Petitions for administrative withdrawal will be acted on within five working days after receipt by the dean of the college in which the student is currently enrolled.

Dean’s List

Students will be placed on the Dean’s List if they have earned a grade point average of 3.25 or above on a minimum academic load of twelve (12) semester hours or more during fall or spring, nine (9) or more during summer, provided they have no grade of D or below (includes F or I). Courses taken for pass-fail credit will not be used in computing the minimum academic load.

President’s List

Students will be placed on the President’s List if they have earned a grade point average of 4.0 (all A’s) on a load of twelve (12) semester hours or more during fall or spring, nine (9) or more during summer, provided they have no grades of I. Courses taken for pass-fail credit will not be used in computing the minimum academic load.

Academic Standards

An undergraduate student will be allowed to continue in the University as long as the cumulative grade point average (GPA) indicated in the following scale is maintained. A higher minimum allowable GPA is sometimes specified by specific colleges within the University. In such cases, the more stringent requirements supersede those which follow.

<table>
<thead>
<tr>
<th>Total Hours Attempted</th>
<th>Minimum Cumulative GPA Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>(Including transfer credit)</td>
<td>(USM work only)</td>
</tr>
<tr>
<td>0 - 16</td>
<td>1.50</td>
</tr>
<tr>
<td>17 - 32</td>
<td>1.75</td>
</tr>
<tr>
<td>33 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Total hours attempted will include credit taken at the University and any credit which might have been transferred. Courses in which a student has received an I, E, or Pass-Fail credit will not be counted in the total hours attempted. The GPA will be computed based only upon credits earned at USM.

Probation

If a student does not attain the minimum cumulative GPA as indicated above, he/she is placed on academic probation at the end of the term. Academic probation will be removed when the student attains the acceptable cumulative GPA as shown above. Otherwise, he/she will be placed on academic probation continued for as long as he/she earns at least a 2.00 average per term. Students placed on academic probation continued may not enroll for the next semester without the prior written approval of the dean of his/her college. Attaining the minimum cumulative required GPA will clear all suspension categories. The first term a student does not earn at least a 2.00 average while on academic probation continued, he/she will be suspended by the University.

Suspension

A student placed on academic suspension may not enroll in any college or university without prior written approval of the dean of his/her college. Any credits earned contrary to this policy will not count toward graduation requirements. After one semester a student may be readmitted with prior written approval of the dean of his/her college. A student readmitted following academic suspension must earn a GPA of at least 2.25 each semester or attain the required cumulative GPA. A student read-
mitted after academic suspension who fails to attain the required GPA will be suspended for two regular semesters.

Readmission after the required suspension period requires reinstatement through an appeal process established by the dean of the college in which the student was enrolled as a major. Probationary status does not require an appeal for reinstatement. Notice of academic probation, academic probation continued, or suspension will be shown on the end-of-term grade report. Any exceptions to the suspension policy must be approved by the Office of the Provost.

**Academic Honesty**

When cheating is discovered, the faculty member may give the student an F on the work involved or in the course. If further disciplinary action is deemed appropriate, the student should be reported to the Dean of Students.

In addition to being a violation of academic honesty, cheating violates the Code of Student Conduct and may be grounds for probation, suspension, and/or expulsion.

Students on disciplinary suspension may not enroll in any courses offered by The University of Southern Mississippi.

**Transcripts**

An official transcript is the reproduction of a complete, unabridged permanent academic record validated with the University seal, facsimile signature of the Registrar, and date of issue. A Key to Transcript is included which contains a full statement of pertinent definitions. Currently enrolled as well as former undergraduate and graduate students may obtain an official transcript by writing the Office of the University Registrar, Box 5006, Hattiesburg, Mississippi 39406-5006. Transcripts are not released when there is an indebtedness to the University.

**Change of Major**

Any student wishing to change his or her major within a college must secure the approval of the dean. A student wishing to transfer from one college of the University to another must make application to and be approved by the dean of the college he or she wishes to enter.

**Credit by Examination**

The University of Southern Mississippi will allow students to earn credit by examination under one or more of the following programs up to a total of thirty (30) semester hours.

Credit earned through the use of the examination will be included in the sixty-four (64) hours “Limitation of Transfer Credits” rule and may not be used to meet the thirty-two (32) hours on-campus requirement.

**College Level Examination Program: General Examination.** The University of Southern Mississippi will allow credit by examination to those students who have participated in the College Level Examination Program and who have achieved a scaled score of 500 or above (610 in English through April, 1986). Credit will be restricted to students who have been out of high school for at least three (3) years. It will be the responsibility of the Office of Admissions to determine a person’s eligibility to receive credit. A student who has earned over thirty (30) semester hours of college credit may not earn additional credit through the use of this examination. Credit appearing on another institution’s transcript will be accepted for credit only if it meets the same guidelines as those required for USM students. Credit will be granted for successful completion of the examination in the following manner.

Credit will be awarded for each area in which the student receives a scaled score of 500 or above.
College Level Examination Program: Subject Area Examination. A student of any age who has not earned college-level credit in the subject area in which he or she seeks credit can take a CLEP subject-area examination for advanced placement and college credit. However, in the case of foreign languages, students may earn college credit by taking the CLEP examination at the elementary or intermediate levels of Spanish, French, or German, regardless of whether the student has earned previous college level credit in that language by course work. For more details concerning foreign language CLEP credit, see Department of Foreign Languages and Literatures section of this bulletin. Credit will be awarded for a scaled score of 50 or above (a range score of 40-80 is allowed for all foreign language tests). The optional essay is required for all English examinations. The appropriate department at USM will have final determination in the amount of credit to be awarded based on the optional essay. Under this program, students are restricted to a maximum of thirty (30) semester hours, with not more than eight (8) hours or two (2) courses in one subject-matter area, except in the case of foreign languages where students may earn up to twelve (12) hours of credit or four (4) courses in a single language. (It is understood that the thirty (30) hour total includes all credit earned by examination.) The adoption of the CLEP standardized examination will preclude the use of departmental examinations except in those areas where CLEP examinations are not available. The Office of Admissions will be charged with responsibility for determining student’s eligibility to earn credit through these examinations. Credit appearing on another institution’s transcript will be accepted for credit only if it meets the same guidelines as those required for USM students.

Advanced Placement Program: Students from cooperating high schools can earn up to twenty (20) hours with no more than eight (8) hours or two (2) courses in one subject-matter area through the College Board’s Advanced Placement Testing Program. Through the 1986 AP Testing year, a score of 3 or 4 will yield three (3) hours credit; a grade of 5 will yield six (6) hours credit. Beginning with the 1987 AP Tests, a score of 2 or 3 will yield three (3) hours credit, and a score of 4 or 5 will yield six (6) hours credit. Departments may require higher scores. (For the AP Biology test only, a score of 3 or below will receive no credit; a score of 4 or above will receive eight (8) hours of credit). The awarding of credit will be administered by the Office of Admissions.

Challenge Examination: Under the following policy, and with the approval of the Office of the Provost, departments may grant credit by examination in lieu of class enrollment for courses where no CLEP subject area examination is offered.

1. The student must be currently enrolled or must be a former student of the University.
2. The examination must be given by the department through which the course is offered.
3. The student must make application to the chair of the department who should be assured that the student has had some formal or informal learning experience which has prepared the student for the examination.
4. If approval is granted, the department chair sends a memorandum by the student to the Office of the University Registrar giving the student permission to register for the course(s) on an arranged basis. The memorandum should include the student’s name and Social Security Number, the course number(s), semester and year, semester hours of credit, and the name of the instructor.
5. The student should complete registration procedures and present the registration invoice to the department chair. (NOTE: The $10.00 per semester hour fee is assessed above and beyond any additional course-related fees paid for the term.)
6. The instructor of record will receive a regular grade roster at the end of the term for recording the final grade.

Validation of Previously Earned Credit (Nursing)

Under the following policy, and with approval of the Office of the Provost, certain academic departments may allow a student to re-validate credit acquired through previous study in order to apply the credit to a current degree program.

1. The student must be currently enrolled or must be a former student of the University.
2. NCLEX RN Licensure Exam will be used to validate previously earned nursing credit.
3. On the successful completion of NSG 403, the student will register for the courses on an arranged basis.
Summary of Types and Limitations of Credit Usage

The following is a summary of the limitations placed on credit usage:

a. Sixty-four (64) semester hours through a combination of credit by examination, independent study, and Armed Forces experiences.

b. Thirty-two (32) semester hours by independent study (including USAFI); nine (9) semester hours in any one field.

c. Thirty (30) semester hours credit by examination (including CLEP and AP).

d. Eighteen (18) semester hours of pass-fail credit.

e. Twelve (12) semester hours in the same department through a combination of independent study and pass-fail.

f. Sixty-four (64) semester hours in a senior college are required for a baccalaureate degree. Of this total forty-five (45) must be in course numbers 300-level or above and thirty-two (32) must be earned at The University of Southern Mississippi.

g. The types of credit considered as senior college work are: (1) USM, Hattiesburg; (2) USM, Gulf Park; (3) USM, Jackson County; (4) USM, Jackson; (5) Independent Study; (6) USAFI*; (7) Armed Forces experiences.*

h. Types of credit not considered senior college work: (1) Junior college transfer work; (2) CLEP; (3) USAFI**; (4) Armed Forces experience.**

*If course number evaluations are 300-level or above

**If course number evaluations are below 300-level
General Degree Requirements

Choice of Catalog
Graduation requirements must be met under a catalog which is not more than six years old at the time of the student’s graduation (exclude the current year’s catalog in counting the six) and which carries announcements for a year during which the student earned some credit at The University of Southern Mississippi or another accredited institution of higher learning, including community/junior colleges.

Hour Requirements
An applicant for a degree must complete a minimum of 128 semester hours, including core requirements and major and minor requirements. Not more than nine (9) semester hours in physical education activity courses, and not more than four (4) semester hours credit in any one varsity sport may be used in meeting total hour requirements for a degree. Courses in dance are excluded from this limitation. Of the total of 128 semester hours, sixty-four (64) must be earned in a senior college, and forty-five (45) of the sixty-four (64) must be in courses numbered 300 or above.

Grade Point Requirement
A student must earn a grade point average of at least 2.0 (an average grade of C) based on all courses taken at The University of Southern Mississippi. A passing grade in a pass-fail course is recorded as P and carries credit toward graduation. However, a grade of P does not carry any quality points and is not used in computing grade point average. A failing grade in a pass-fail course is recorded as F and is computed in the grade point average in the same manner as other failing grades.

Residence Hour Requirements
To become eligible for a bachelor’s degree at The University of Southern Mississippi, a student must:

a. earn his or her last thirty-two (32) semester hours at The University of Southern Mississippi, of which twelve (12) semester hours must be in upper-division courses in his or her major. This policy applies to all students, including transfer students from other colleges and universities and those students at USM, Gulf Park. The transfer student must meet the quality point requirements for work undertaken on the Hattiesburg Campus that apply to all the regular students;

b. earn at least twelve (12) semester hours of the bachelor’s program on the campus from which the degree will be awarded. (Special Note: The College of Business Administration requires 50% of all business courses required for the B.S.B.A. to be completed at USM.)

c. earn at least twelve (12) semester hours of resident credit in the major field of study at one of the campuses of the University;

d. recognize the limitation on Independent Study Courses: A long-standing regulation provides that students will not be permitted to do independent study while in residence. Students not attending the University during the summer session are not considered to be in residence and may enroll in independent study courses without prior approval; however, they should consult with their faculty adviser for assistance in course selections. Exceptions to this regulation can only be made with the approval of the appropriate dean and the Vice President for Academic Affairs. If a student takes an independent study course during the last semester of attendance, he or she may not register for an independent study course after leaving the campus with the expectation of completing requirements for his or her degree.

Hour and Quality Point Requirements for Pre-Professional Degrees
University of Southern Mississippi students may be allowed to complete degree requirements for the Bachelor of Science or the Bachelor of Arts degree in professional, accredited schools of medicine, medical technology, dentistry, or law on the following conditions:

a. that (90) hours of credit and 180 quality points shall have been completed, with a minimum of two semesters and thirty (30) semester hours of residence at the University of Southern Mississippi;

b. that all core requirements for the degree shall have been completed;

c. that credit and quality points shall be transferred back to the University of Southern Mississippi from the accredited school of medicine, dentistry, medical technology, or law to complete requirements for the degree. A minimum of one year’s work must be transferred. In any case, a minimum of 128 semester hours must be completed before the degree can be awarded.
d. that the program leading to the degree shall be completed within two calendar years of the termination of the last semester of residence at the University of Southern Mississippi.

General Education Curriculum

The purpose of the General Education Curriculum is two-fold: to give all University students a common cultural experience and to extend this shared experience over a wide enough range of skills and major disciplines so that the individual student may gain a better perspective of his or her own special abilities and interests.

It is the purpose of the degree programs in the upper-level colleges to build upon the common core experience in guiding students toward majors and minors which will reflect their individual capacities and life aims.

The General Education Curriculum, common to all degree programs, is itemized below.

In 1983 the Academic Council of the University embarked on a major revision of the basic curriculum required of all undergraduate students. The result of these deliberations was the General Education Curriculum (Core), as adopted in March, 1985, and effective in the Fall Semester, 1985-86. The Curriculum is subject to annual review by the Academic Council.

The purpose of the General Education Curriculum is two-fold: to give all University students a common cultural experience and to extend this shared experience over a wide enough range of skills and major disciplines so that the individual student may gain a better perspective of his or her own special abilities and interests.

The General Education Curriculum, common to all degree programs, is itemized below.

In 1983 the Academic Council of the University embarked on a major revision of the basic curriculum required of all undergraduate students. The result of these deliberations was the General Education Curriculum (Core), as adopted in March, 1985, and effective in the Fall Semester, 1985-86. The Curriculum is subject to annual review by the Academic Council.

The General Education Curriculum comprises forty-six (46) credit hours divided among five categories. In addition students should complete at least three (3) hours of electives from Categories I, II and/or III. These hours may be from any one discipline.

The objectives of each of the five categories are as follows:

I. Reasoning and Communications Skills: To develop the skills necessary to locate, examine, and process information critically; to read with understanding; to listen with attention and memory; to express ideas cogently and fluently in oral and written forms; to understand the ways in which written and spoken messages influence the attitudes and behavior of others; to think critically and to reason mathematically and logically; and to handle analytic and quantitative ideas in both abstract and specific contexts.

II. Humanities and Fine Arts: To understand and appreciate how man gives artistic and literary expression to his version of and experience with the world; to know the seminal ideas and events that have shaped the course of Western and non-Western civilizations; to recognize and treat with sympathetic historical understanding the major concerns of the contemporary world; and to develop the capacity to make discriminating moral and ethical judgments.

III. Social and Behavioral Sciences: To acquire some understanding of the perspectives, concepts, and analytical techniques of modern social societies and cultures; to examine the social institutions in contemporary society—how they work and how they affect human behavior; to appreciate the physical, intellectual, emotional, social, and moral development of mankind; to analyze interpersonal relationships and group processes; and to understand the methods by which we gain and apply knowledge of society to ourselves.

IV. Natural and Applied Sciences: To acquire knowledge and understanding of basic concepts, principles, theories, and interrelationships of the natural sciences; to understand mathematical and experimental methods of sciences as a way of thinking, inquiring, and acting; to appreciate the complex interrelationship between science and its applications and human affairs; to recognize other forms of life with which we share the planet earth; and to acknowledge the fundamentally limited resources which the earth offers, both of materials for use and of receptacles for waste.
V. **Human Wellness:** To understand and apply conceptual knowledge of nutrition, health, and fitness in the development and maintenance of human wellness; and to understand the value of reducing the risk of physical and psychological disorders.

*Honors* courses may be substituted for University Core courses at the discretion of the academic dean of the student’s program and the dean of the Honors College for those students who qualify to enroll in such courses.

Requests for exemptions and substitutions for the requirements of the General Education Curriculum should be addressed to the Provost through the department chair and college dean.

*At least three (3) hours of electives should be chosen from Categories I, II, and/or III.

### Courses Applicable to the General Education Curriculum

#### Category I (12-15 hrs.)

**English Composition (6 hrs.)**
- ENG 101 Writing One
- ENG 102 Writing Two

**College Algebra (or higher level mathematics course) (3 hrs.)**
- MAT 101 College Algebra (or any higher numbered mathematics course except MAT 210, 310, 370, and 410)

**Communication (3 hrs.)**
- SCM 111 Oral Communication
- SCM 305 Interpersonal Communication
- SCM 320 Business and Professional Speaking
- SCM 330 Small Group Communication
Category I Electives (0-3 hrs.)

**Computer Science**
- CSC 100 Introduction to Computing
- CSC 240 Fortran Programming
- CSS 330 Introduction to Programming
- CSS 333 Problem Solving Using C, I

**Foreign Language**
- FRE 101 Beginning French I
- FRE 102 Beginning French II
- GER 101 Beginning German I
- GER 102 Beginning German II
- GRI 101 Beginning Greek I
- GRI 102 Beginning Greek II
- ITA 101 Beginning Italian I
- ITA 102 Beginning Italian II
- FRE 101 Beginning French I
- FRE 102 Beginning French II
- GER 101 Beginning German I
- GER 102 Beginning German II
- GRI 101 Beginning Greek I
- GRI 102 Beginning Greek II
- ITA 101 Beginning Italian I
- ITA 102 Beginning Italian II

**Logic**
- PHI 253 Introduction to Logic
- PHI 458 Symbolic Logic

**Mathematics**
- MAT 101 College Algebra (or any higher numbered mathematics course except MAT 210, 310, 370, and 410)

**Speech Communication**
- SCM 111 Oral Communication
- SCM 305 Interpersonal Communication
- SCM 320 Business and Professional Speaking
- SCM 330 Small Group Communication

Category II (12-15 hrs.)

**Fine Arts (3 hrs.)**
- Allied Arts
  - AA 100 Allied Arts
- Art
  - ART 130 Art Appreciation
- Dance
  - DAN 107 Dance Appreciation
- Music
  - MUS 365 Enjoyment of Music
- Theatre
  - THE 100 Theatre Appreciation

**World Literature (3 hrs.)**
- ENG 203 World Literature

**World Civilization (6 hrs.)**
- HIS 101 World Civilization I
- HIS 102 World Civilization II

**Category II Electives (0-3 hrs.)**

**American Studies**
- AMS 304 Issues in America
- AMS 404 Issues in America

**Comparative Religion**
- REL 131 Comparative Religion

**Foreign Language**
- FRE 101 Beginning French I
- FRE 102 Beginning French II
- GER 101 Beginning German I
- GER 102 Beginning German II
- GRI 101 Beginning Greek I
- GRI 102 Beginning Greek II
- ITA 101 Beginning Italian I
- ITA 102 Beginning Italian II

*Science requirements and electives must not overlap in course content. For example, a student cannot take both BSC 103/103L and BSC 110/110L, or both CHE 106/106L and CHE 104/104L.
Exemption from a General Core Course Requirement

A student may be granted a personal exemption from a University core course if he or she is able to demonstrate mastery of the course material. The latter can be achieved for any core course in one of the following three ways. The student may have taken an equivalent course through the College Entrance Examinations Board’s Advanced Placement Testing Program before entering USM or may pass an appropriate CLEP examination or a departmental challenge examination on the relevant course material. The detailed procedures and regulations regarding these three methods of obtaining up to thirty hours credit toward a degree at USM are described in Section 15 of the General Academic Regulations of the University in this Bulletin.

Requests for exemptions and substitutions for the requirements of the General Education Curriculum should be addressed to the Provost.

Major Field Requirements

All graduates of USM are required to complete specialized study in a single discipline, which the student elects as his or her “major.” The major serves two main purposes: it provides intellectual depth in the student’s undergraduate education through concentrated study in his or her chosen field; and it gives the student the fundamental knowledge necessary to practice professionally and/or pursue advanced study in that field. Because of the varying demands of the many disciplines, specific requirements for each major are determined by the faculty of the appropriate discipline. Generally, the student must complete a set number of hours in the discipline, usually one-quarter to one-half of the total hours required for a degree, and must maintain a minimum University G.P.A. for these major courses (see no. 11 below). Other requirements may include: the completion of specified courses, course sequences, and/or course distributions; the completion of a concentration or emphasis (further specified coursework, producing greater specialization) within the major; the completion of a minor in another discipline; the maintenance of a higher discipline-designated G.P.A. for all or part of the major courses; juried or public performances; field work, teaching practice, and other training programs; and any other course, standard, or training which, in the opinion of the discipline’s faculty, is necessary to achieve the purposes of the major field requirement. The student should consult the appropriate description and PACE Degree Plan in this Bulletin for information on each discipline’s requirements for a major.

Minor Field Requirements

In addition to the major, the student may (or, if required by his or her major program, must) also choose a minor field of specialization. The minimum hours required for a minor are eighteen semester hours, in which the student must maintain the minimum University G.P.A. for minor courses (see no. 11 below). The specific requirements for each discipline’s minor are indicated in the appropriate description in this Bulletin. Since advisement for the minor is conducted by the minor discipline, the student should consult with the faculty of the minor discipline.

Grade Point Requirement for the Major and Minor

A student must have a grade point average of at least 2.0 (C) in the major field and in the minor field on courses taken at The University of Southern Mississippi.

A transfer student’s work done in the major and minor fields in another institution must average at least 2.0 to be applicable toward the major and minor requirements at The University of Southern Mississippi. If the transferred work does not average at least a C, the student must remove any deficiencies in that part of the major and minor credit being transferred. Transferred deficiencies may be removed by: (a) repeating at The University of Southern Mississippi a sufficient number of courses on which grades of D were transferred and, thereby, raising the grades in those courses to the level required for a C average or (b) striking from the transferred transcript courses in the major or minor field with grades of D and taking additional courses in the major or minor at the upper division level to meet the University’s degree requirements.
Application for Degree

A student is expected to file an application for a degree one (1) semester before degree requirements are completed, and an application will be accepted no later than the published deadline (see Calendar). This application filed with the Office of the University Registrar will show the work completed by the student and the courses planned for the ensuing semester. Filing in advance of the proposed graduation date will allow time for checking the application and also allow the student time for making up deficiencies found in the degree program. Each student has final responsibility to ascertain that he or she has complied with all applicable catalogue requirements for graduation. Faculty advisers assist students in developing their programs, but these advisers cannot, of their own accord, waive or vary degree requirements as they appear in the University Bulletin. After the application has been approved by the academic department, it becomes the student’s official degree program. Students graduating in the Honors College must submit the Honors College Attachment to the Application for Degree.

No application for degree will be accepted until the degree fee has been paid at the Business Office. Application forms may be obtained in the college office of the dean.

Programmed Academic Curriculum Evaluation (PACE)

From the point of advisement in the academic department through the filing of the application for a degree, the University utilizes PACE, a Programmed Academic Curriculum Evaluation system. Each semester the student’s record (transcript) is evaluated by the computer to verify progress toward completion of the degree in his or her declared major. PACE Degree Plans are discussed in the narrative for each department within this Bulletin.

Degrees with Honors

Students with exceptional academic records may be awarded degrees with honors or highest honors. A degree with honors will be granted to a student who maintains a grade point average of 3.5 or more. Graduation with Latin designations will be granted to students who complete the requirements for Senior Honors in the Honors College. As an alternative to Senior Honors, graduation *cum laude* will be granted to students who meet the following stipulations: (a) the satisfactory completion of a comprehensive examination in the major field, such examination to be designed and administered by the department involved; (b) the satisfactory completion of a senior project resulting in a written report on that project meeting guidelines based on those presently in effect for Senior Honors projects; (c) notice of intent to meet these requirements must be filed with the department chair/school director at least one calendar year prior to graduation; and (d) an overall grade point average of 3.25 to 3.49. Graduation *magna cum laude* will be granted to students who meet the following stipulations: (a), (b), and (c) above, and (d) an overall grade point average of 3.50-3.79. Graduation *summa cum laude* requires (a), (b), (c), and (d) an overall grade point average of 3.80 or above.

Second Baccalaureate Degree

Students who have earned a baccalaureate degree may be granted by The University of Southern Mississippi a second baccalaureate degree based upon requirements of an applicable catalog, provided the program for the second degree includes at least thirty-two (32) semester hours in residence with at least sixty-four (64) quality points (equivalent to a 2.0 average on a 4.0 scale). The actual number of hours to be taken which may exceed thirty-two (32) as well as the specific degree requirements will be established by the academic department responsible for the area of study in which the second baccalaureate is sought. In all cases, a 2.0 grade point average is required. The thirty-two (32) semester hours must be related to a specific major separate from the first major, and the thirty-two (32) semester hours must be completed after the first degree has been conferred.
### Academic Organization

#### Organization For Instruction

For purposes of undergraduate instruction, The University of Southern Mississippi is organized into the College of The Arts, the College of Business Administration, the College of Education and Psychology, the College of Health and Human Sciences, the College of International and Continuing Education, the College of Liberal Arts, the College of Science and Technology, the Institute of Marine Sciences, the Honors College, and USM Gulf Coast.

Due to current program reviews, changes may occur in individual major requirements. Please check with the department chair for current degree requirements.

The University of Southern Mississippi offers baccalaureate degrees in the following areas for the school year of 1999-2000.

**This program does not lead to a degree. Students completing pre-professional programs will select an academic major with a minor in the appropriate pre-professional area.

***Certificate programs available.

Obviously, many of these majors involve the closest cooperation among the University’s academic departments. A detailed analysis of majors, emphasis areas, and minors is found under the section of this Bulletin devoted to each specific college. Requirements for an academic minor may be waived for students completing either the Army or Air Force ROTC programs.

College of The Arts

Peter Alexander, Dean
Hattiesburg, MS 39406-5031
(601) 266-4984

The primary purpose of the College of The Arts is to provide its students with a well-rounded preparation for professional and teaching careers in one of the many branches of art, music, dance, or theatre. In addition, it seeks to provide opportunities for students in all departments of the University to participate in artistic activities and develop an awareness of cultural values. To achieve its purposes, the College of The Arts offers courses of study centered around a core of theoretical, historical, and other academic subjects, as well as performance activities that are designed to develop artistic ability and general cultural awareness.

Organization

The College of The Arts is organized into the School of Music, the Department of Art, and the Department of Theatre and Dance. Baccalaureate majors are available in Art, Art Education, Music, Music Education, Dance, and Theatre. Undergraduate minors are available in Art, Dance, Music, and Theatre. An Allied Arts course, which is designed to introduce the arts in an integrated manner, is taught by teams of instructors drawn from each department of the College. This course is one of several which fulfill the University’s core requirements for fine arts.

Since curricular requirements vary for each major, students desiring degrees from the College of The Arts should follow the courses outlined under each department.

Students majoring in elementary education who wish to emphasize areas in fine arts, please see “Areas of Concentration for Elementary Certification.”

School of Music

Charles A. Elliott, Director
Hattiesburg, MS 39406-5081
(601) 266-5363

Alexander, Andersen, Behm, Bivins, Carnovale, Cox, Davis, Dean, DeChiaro, Donohue, Elliott, Fedotov, Fruschillo, Goozly, R.H. Hill, Hofacre, Hong, Jerome, Koch, Lebsack, Leventhal, Malone, Moser, Panella, Ragsdale, Redfield, Reynolds, Rice, R.X. Sanchez, L.D. Smith, Stein, M.A. Stringer, Tisdale, Walloff, V. Wood, Wooton, York, Zaninelli

The University of Southern Mississippi School of Music is a fully-accredited member of the National Association of Schools of Music. Requirements are in accordance with the published regulations of this Association.

Students electing to take applied lessons not required for specific degree programs are required to pay an additional fee. (See Special Fees and Expenses.)

There are two undergraduate majors available to students in the School of Music, a major in Music or in Music Education. Emphasis areas in music are: Church Music, Jazz Studies, Music History and Literature, Performance (Organ, Percussion, Piano, Strings, Guitar, Voice, and Wind Instruments), Composition, and Music Industry. Music Education emphasis areas are: Instrumental and Choral (with plans for singers, keyboardists, guitarists, and elementary school teachers).

Major Ensemble Requirement

Every music or music education degree requires participation in the same major ensemble for the equivalent of eight consecutive semesters, excluding summers; music education majors who graduate within eight semesters are excused from meeting one semester of this eight-semester requirement. Students who transfer to USM will receive one semester of ensemble credit for each semester of participation in an ensemble at their previous institution(s); a maximum of four semesters of credit will be granted. Students who do not have the proper number of terms of registration for the correct major performing ensemble will not be allowed to graduate.

Major performing ensembles are band (excepting summer band), orchestra, and chorus (excepting summer chorus and MUP 486). Jazz lab band satisfies the requirement only for students pursuing the BM degree with emphasis in jazz. For students whose degree plan requires a chorus, assignment to the proper major performing chorus is made by the director of choral activities.
The approval of the School Director must be obtained for any exceptions to the major performing ensemble requirement as stated above.

**Advisory Auditions and Approval of Concentration**
Every potential music major is required to take placement examinations in music theory and piano prior to the first term of enrollment as a music major. A decision to approve/not approve one’s major instrument/voice must be made before the student completes 26 hours. For transfer students, the decision will be made before the end of the first semester of matriculation at USM.

**Recital Attendance Requirements**
Recital Class is an official class for one (1) hour credit. Music and Music Education majors are required to register for Recital Class (MUP* 299 or 499) and receive a grade of “P” (Passing) each semester for a minimum of eight consecutive semesters, if the student completes degree requirements within eight (8) semesters of full-time enrollment. This requirement will be waived for the semester a student is registered for MED 493. Transfer students receive one semester of recital credit for each semester of full-time work completed at other colleges; the maximum number of semesters that can be credited to any transfer student is four.

*Applied Music courses have the designation MUP, i.e., Musical Performance Studies.

**Jury Policy**
Music majors and music minors enrolled in MUP Private Lessons in their principal applied area must perform a jury for appropriate applied faculty. All others enrolled in MUP Private Lessons must perform a final examination for the applied teacher. At the finish of each semester and summer term, the applied teacher must complete a “Final Jury/Examination Form” for each student and file it with the Academic Adviser. Students enrolled in applied music who do not take a final examination or a jury will receive the grade “I” or “F.” The applied teacher must record and submit any exception to this policy to the Academic Adviser; signatures of all appropriate area faculty must be included on this form.

**Emphasis: Church Music**
The curriculum in Church Music is designed to provide a thorough and complete course of training for those who intend to pursue church music as a full-time profession. Special emphasis is placed on literature to be used in the church services. Students will not be enrolled for organ until satisfactory proficiency at the piano has been demonstrated.

Students seeking the Church Music Emphasis in the Bachelor of Music Degree must concentrate in one applied music emphasis, either voice, organ or piano. The major emphasis must be studied for a minimum of eight semesters and include twenty semester hours of credit. The student will present a full recital (MUP 470), open to the public, that is graded “Satisfactory” by the appropriate area.

**Emphasis: Music Composition**
This emphasis is designed to prepare the student for teaching theory and composition and writing and arranging music of serious intent. Various steps in the preparation of music from the preliminary sketch to the published composition are included.

**Emphasis: Music History and Literature**
The curriculum in Music History and Literature is planned for those who intend ultimately to teach musicology on the college level or for those who desire careers in music librarianship, music journalism, music publishing, or the recording industry—fields in which a wide and comprehensive knowledge of music history and literature is essential.

The student in music history and literature will receive a strong foundation not only in his or her chosen field but also in theory and in academic subjects which will enrich the student’s cultural background.

During the final semesters of matriculation, the student must enroll in MUS 492-Special Problems (3 hrs.) for an independent study that culminates in a senior thesis. The exact nature of the thesis will be decided by the student and the musicology faculty of the School of Music. The thesis project should reflect significant individual effort that involves library or field research. The project must conform to scholarly procedures accepted within the discipline. Prospectus: No later than one semester prior to graduation, a prospectus acceptable to the thesis adviser must be submitted.
**Emphasis: Jazz**
Half recital required. Recital must be approved by major instrument professor and Director of Jazz Studies.

**Emphasis: Music Industry**
The aim of the Bachelor of Music degree with an emphasis in Music Industry is to prepare undergraduates for positions in the music industry.

The plan of courses meets the University’s general education requirements and the School of Music’s expectations for the degree Bachelor of Music. In addition, it provides the opportunity for career-training by allowing one to choose a plan of directed electives that will prepare him/her for a job in a music industry field. These twenty-four to twenty-seven hours of directed electives, along with required courses in Music Industry, will train students for employment in Merchandising, Music Management, Film and Video, Video and Audio, Public Relations, or Advertising.

No matter which group of directed electives is chosen, 112-115 hours of the required 136-142 hours in the degree are the same for all who emphasize Music Industry.

In addition to completing the usual four-year undergraduate program, the student must intern in the industry for a summer term or for a Fall or Spring semester.

**Requirements for a Major in Music Education**

**(Bachelor of Music Education—BME)**
The curricula in music education are designed to prepare musicians who will teach in the public or private schools or teach privately. The emphases listed below are designed to provide a balance between music performance, music pedagogy, and general education. These curricula are fully-certified by the National Association of Schools of Music, and they satisfy teacher licensure requirements. To satisfy requirements in the State of Mississippi, students seeking the BME degree must earn a grade of C or better in all courses carrying the MED prefix and ENG 101 and ENG 102.

Criteria for Admission to Teacher Education Programs, Completion of Teacher Education Programs, forms, deadlines and procedures can be found in this BULLETIN under the heading COLLEGE OF EDUCATION AND PSYCHOLOGY.

Students seeking the Bachelor of Music Education degree must:

- a) make satisfactory progress with one concentrate (e.g., flute, voice) in at least seven (7) semesters of applied music study (summers are not included);
- b) present a half-recital (MUP 395), open to the public, that is graded “Satisfactory” by the appropriate faculty area.

**Piano Competency**
Music education majors (including transfer students) are required to pass the "USM Piano Competency Examination” before enrolling in Student Teaching. Piano competencies are developed through enrollment in a four-semester sequence of piano classes, applied lessons, or a combination of both.

Freshmen who matriculate with substantial piano backgrounds may begin private study immediately. Freshmen with limited experience in piano will be screened during their spring term, then begin class piano their sophomore year. Transfer students are encouraged to attempt the "USM Piano Competency Examination” prior to matriculation at USM (call 601-266-5363 for an appointment); testing and advising will also be conducted during the first week of classes each semester (including summer sessions) for those who are unable to arrange prior examinations.

A block of time will be scheduled during Juries each semester (including summer sessions) for "USM Piano Competency Examination” appointments. Exams are offered only at this time.

This program provides students with an opportunity to reduce the number of semesters in piano study. The “USM Piano Competency Examination” can be taken any time it is offered. Students are encouraged to pass the examination as soon as possible. Those who pass before they have registered for four hours of piano credit may use the remaining hours for further piano study or for elective credit. If proficiencies are not developed in pace with the class piano syllabus, the number of semesters will be increased. Credit hours accumulated is not a criterion for passing the "USM Piano Competency Examination.”
Emphasis: Choral Music—Elementary Education

Students wishing to become Elementary School Music specialists should follow the curriculum for Instrumental, Keyboard, Guitar, or Vocal Emphasis with the following exception: MED 440 should replace MED 411 or 412 and MUS 456 should be added.

Requirements for a Minor in Applied Music

Students minoring in Applied Music must complete eighteen (18) hours as follows: Required—six (6) semesters of private applied or group study; two performances on a student (class) recital; and three semesters in an appropriate major ensemble. Electives—nine (9) hours chosen from MUS 100, 101, 102, 201, 231, 232, and MED 331/333 or MED 332.

Requirements for a Minor in History and Music History

Students seeking to complete a minor in History and Music History must complete twenty-four (24) hours in the following courses, nine of which must be in music. HIS 140 or 141, 401, 407, 413, 424, MUS 231, 232, 322, 360, 431, 432, 433, 434, 435, 436, 437, 450, 471.

Requirements for a Minor in Music History and Theory

Students minoring in Music History and Theory must complete eighteen (18) hours in any courses bearing a prefix of MUS or MED (excluding MED 100, MUS 361, and MUS 365).

Note: Many of the courses offered by the School of Music have prerequisites; students should consult the University Bulletin for the course descriptions.

Department of Art

Harry Ward, Chair
Hattiesburg, MS 39406-5033
(601) 266-4972

Baggett, J. Bowman, DeMarsche, Douglas, Goggin, Gorzegno, House, Meade, Petsch, Van Houten

The University of Southern Mississippi’s Department of Art is an accredited institutional member of the National Association of Schools of Art and Design. Requirements are in accordance with the published regulations of NASAD.

Curricula leading to the degree of Bachelor of Fine Arts are offered in art education, drawing and painting, graphic communication and three-dimensional design. Curricula are also available in art leading to the degree of Bachelor of Arts in Art and the Bachelor of Arts in Museum Studies. Minor programs are available in art. The National Teacher Examinations are required of all students with an emphasis in Art Education.

Professional and student art exhibitions are continuously on view in the USM Museum of Art.

Requirements for a Minor in Art
Students minoring in Art Studio must complete twenty-one (21) hours as follows: Art Core (ART 101, 102, 111) and twelve (12) hours elective courses (ART 112 [strongly recommended]), 200 and 300-level Art Studio and 300-level Art History).

Requirements for a Minor in Art History
Students minoring in Art History must complete the following twenty-one (21) hours: ART 131, 332, 334 and twelve (12) hours of Art History (elect from ART 400, 431, 432, 433, 434, 435, 436, 498).

Department of Theatre and Dance
George Crook, Chair
Hattiesburg, MS 39406-5052
(601) 266-4994

Amacker, Hayes, Hill, Judd, Kuhn, Mullican, Nielsen, Prieur, Quarnstrom, Van Sickle

The University of Southern Mississippi Department of Theatre and Dance is an accredited member of the National Association of Schools of Theatre and the National Association of Schools of Dance. Theatre and Dance requirements are in accordance with the published regulations of these Associations.

The Department offers major and minor degree programs in both theatre and dance. These are the only programs in the state offered in a college of the arts. Both programs provide the student with sound theory and intensive practical training and, in addition, opportunities for extensive performance experiences and exposure to visiting professional artists. Not every course is offered every semester. Please refer to the class schedule guide for current semester course offerings.

The curriculum leading to the Bachelor of Fine Arts degree in dance education will prepare dancers to teach in public or private schools. The program is designed to provide a well-rounded education that balances dance performance, choreography, and pedagogy with the core curriculum. Students should note that in order to maintain a program of the highest quality, the total hours required by the Dance Education program exceeds that of the performance and choreography emphasis area.

Students desiring to become public elementary or secondary school dance education specialists must adhere to all teacher education requirements, including an overall grade point average of 2.50 on 44 hours of general core courses, and the successful completion of student teaching. In addition, students must earn a grade of “C” or higher in all Dance Education courses and in all required professional education courses. Criteria for Admission to Teacher Education Programs, Completion of Teacher Education Program, forms, deadlines and procedures can be found in this Bulletin under the heading College of Education and Psychology. Students must consult an adviser in dance and the current Bulletin for prerequisites and proper sequences of courses.

Out-of-state students should consult with their respective state agencies regarding licensure requirements.

For information concerning the Master of Fine Arts degree, please consult the Graduate Bulletin.

**Degree Abbreviation: (BSBA) Bachelor of Science in Business Administration."
College of Business Administration

Mission
The College of Business Administration at the University of Southern Mississippi is committed to preparing students for careers in business and to assisting organizations in South Mississippi. Accordingly, our programs emphasize

- values conducive to personal and career development
- the functions and environment of business
- communication and critical-thinking
- the global dimension of business
- ethical decision-making

To fulfill our mission the College seeks a balanced and synergistic agenda of instruction, scholarly activity, and professional service.

Accreditation
Recognizing that the College of Business Administration has fulfilled accreditation requirements, the AACSB—The International Association for Management Education—has accredited all business programs offered on the Hattiesburg and Gulf Coast campuses. The School of Professional Accountancy has also achieved separate accreditation by AACS B.

Organization and Administration
Dean’s Office
The Dean is the chief administrative officer of the College of Business Administration (CBA) and is responsible for all operations of the college. In the CBA Undergraduate Academic Services Office, the Manager oversees admissions to the CBA, recruitment, the advisement process, and degree applications. Students needing assistance should direct inquiries to the CBA Undergraduate Academic Services Office.

Academic Administrative Units
The academic administrative units that report to the Dean’s Office are the School of Professional Accountancy, the Division of Business Administration-Gulf Coast, and the Departments of Economics and International Business, Management and MIS, and Marketing and Finance. A list of undergraduate academic offerings appears at the beginning of this section, while detailed information on curricula follows.

Student Procedures
Admission
High School graduates who have been admitted by the University and who wish to major in an area of business administration are concurrently admitted into the College of Business Administration. Transfer students are likewise admitted directly into the College upon admission to the University. Students who wish to transfer from another college within the University must have at least a 2.0 GPA overall as well as in all business courses. Application may be made to the CBA throughout the year.
but applications normally will not be processed during the final two weeks of a term. After admission to the College, students will be advised in the Undergraduate Academic Services.

Restrictions

The College of Business Administration imposes the following limitations on transfer credits:

1. Courses offered at the junior or senior level at The University of Southern Mississippi are not normally accepted in transfer from two-year institutions.

2. Not more than one-half of the College of Business Administration core curriculum plus requirements for the major is accepted in transfer.

3. Transfer courses designated as technical training courses, as well as developmental courses such as intermediate algebra, are not accepted as meeting degree requirements.

4. See additional restrictions on transfer credit under a following “Graduation Requirements” section.

In addition, there are the following restrictions for enrolling in courses offered by the College of Business Administration:

1. At least junior standing (54 hours completed) is required of all students enrolling in College of Business Administration courses numbered 300 or above.

2. College of Business Administration majors must have completed the following twenty-three (23) hours with a minimum GPA of 2.00 prior to beginning their junior-level business courses: ACC 200, ECO 201/202, ENG 101/102, MAT 101/102, and MIS 201/202.

3. Students majoring in degree programs outside of the College of Business Administration may not take more than 30 credit hours of Business Administration courses (including transfer credit) without being admitted to the College.

4. Students are not normally allowed to be dually enrolled at USM and another institution. Students must obtain approval from the Manager of CBA Undergraduate Academic Services prior to dual enrollment. The dual enrollment policy includes independent study courses as well.

5. CBA courses offered through independent study are primarily for non degree seeking students. Therefore, CBA majors are generally not allowed to take independent study courses to satisfy degree requirements.

6. For restrictions on using the pass/fail option, refer to the section of this Bulletin on “General Academic Regulations.”

7. Students desiring to transfer additional courses for degree requirements after attending USM are encouraged to obtain prior approval of transfer work from the Manager of Undergraduate Academic Services.

Changes of Major

College of Business Administration students who wish to change to another business major can do so by completing a “Change of Major” form in the CBA Undergraduate Academic Services Office. The academic areas involved are notified so that advisement files can be transferred.

Students who desire to transfer to a degree program outside the College of Business Administration must first be accepted by the college offering the program. Applications for admission to the new program are processed in the dean’s office of the college which grants the degree. The academic areas involved are notified so that advisement records can be transferred.

Advisement

Students are advised in Undergraduate Academic Services where their advisement records are maintained. Prior to registration, if necessary, an adviser can help arrange a schedule of classes for the upcoming semester. An early advisement and registration period is scheduled near the middle of each semester. Students with a probationary status must see an adviser.
Probation and Suspension

University regulations regarding probation and suspension are listed in this Bulletin under “General Academic Regulations.” College of Business Administration students who do not meet University grade point requirements are placed on probation or suspended. Students with a probationary status must see an adviser for academic counseling.

Students who are suspended are not allowed to take classes for at least one fall or spring semester. Anyone who earns college credit elsewhere while on academic suspension from the College of Business Administration may not apply these credits toward graduation requirements in the CBA. After one semester, suspended students may submit an application for reinstatement to the College of Business Administration. The CBA Suspension Committee reviews these applications and academic records to determine whether students are to be readmitted.

Graduation Requirements

To graduate, students must meet all prescribed course requirements shown on their PACE sheets. Information about the procedures for filing an “Application for Degree” are available in the CBA Undergraduate Academic Services Office. Students should be aware of the following degree requirements:

1. A minimum of sixty-four (64) hours of course work must be taken in a senior college.
2. A maximum of six (6) approved hours from study-abroad programs may be used in meeting degree requirements.
3. Special restrictions apply to correspondence and extension credits, to credit by examination, to challenge examinations and special problem courses. Students who are interested in these possibilities must obtain prior approval from the CBA Undergraduate Academic Services Office to assure that credits are applicable toward a College of Business Administration degree.
4. To receive a Bachelor of Science in Business Administration degree from the College of Business Administration, students must complete their last thirty-two (32) hours of course work, including MGT 400 and at least twelve hours in the major at USM. Independent study courses may not be taken during the last 32 hours.
5. Of all required business course work taken, at least 50 percent (34 hours) must be completed at USM.
6. Of all required course work, a minimum of 50 percent must be non-business courses.
7. In addition to meeting all course work requirements, students must have a 2.0 grade point average (1) overall, (2) in the College of Business Administration core, and (3) in the major. Transfer students also must meet the foregoing grade point average requirements for all courses taken at USM and must also have a 2.0 average for all attempted college course work.

Double majors within the College of Business Administration must be carefully planned since students must complete a minimum of 21 hours in each emphasis. Therefore, a student who wishes to pursue a double major must have such a course of study approved by the Manager of CBA Undergraduate Academic Services Office.

CBA majors may elect to pursue a minor in an area outside the College. Prior to completing seventy credit hours, students who wish to pursue such minors must request the approval of the Manager of CBA Undergraduate Academic Services Office. CBA minors normally are offered only to students pursuing a degree outside the College of Business Administration. Double minors within the CBA also must be carefully planned since courses in each minor may not overlap.

Students who wish to complete a second baccalaureate degree in the CBA must request a “Change of Major” and have a program of study approved by the Manager of CBA Undergraduate Academic Services and the department chair. Students must complete a minimum of 32 hours in order to receive a second baccalaureate degree.
Placement
The University maintains a central Placement Center which assists College of Business Administration students in locating employment following graduation. Students are expected to establish a file with the Placement Center at least two semesters prior to graduation in order to qualify for interviews with prospective employers.

Student Organizations
There are several professional and honorary societies for business students who are interested in sharing common interests or who have achieved high academic standing. These societies include the following organizations: the American Production and Inventory Control Society; Association of Information Technology Professionals; Beta Alpha Psi, national scholastic and professional accounting fraternity; Beta Gamma Sigma, national scholastic honorary society for business students; Collegiate Chapter of the American Marketing Association; Epsilon Chi Omicron; Financial Management Association National Honor Society; Institute of Management Accountants, professional accounting fraternity; Collegiate Chapter of National Association of Business Economists, a professional economics organization; Omicron Delta Epsilon, national honorary society in economics; Phi Chi Theta, national professional business fraternities; Sigma Iota Epsilon, both an honorary and a professional fraternity; and the Society for the Advancement of Management (SAM). A representative from each of these organizations and other appointed students constitute the Business Student Advisory Council, which works with and advises the Dean on many student-related matters.

Financial Assistance
There are several scholarships designated for College of Business Administration students as well as other awards for which business students are eligible. Information concerning business scholarships can be obtained from the CBA Scholarship Committee. Inquiries regarding other forms of financial aid should be directed to the Director of Financial Aid, Box 5101, Hattiesburg, MS 39406-5101.

Graduate Studies
Undergraduate students who are considering applying for admission to graduate business degree programs should consult with Graduate Academic Services. Admission to graduate business programs at USM is based on several factors, including the undergraduate grade point average and the score on the Graduate Management Admission Test (GMAT).

Study Abroad in Business Administration
The College of Business Administration offers its students the opportunity to earn six (6) hours of approved credit toward their degrees while studying abroad. Business study-abroad courses may be substituted for the following requirements (maximum of 6 hours) subject to prior approval: (1) FL 401, (2) ECO 336, (3) ANT 221/GHY 341 or foreign language requirement, (4) up to 3 hours in the student’s major, and (5) directed elective. These study-abroad programs are available during the summer semester at relatively low cost to the student.

Curriculum: First- and Second-Year Course Requirements for all College of Business Administration Majors
The business administration curriculum for the first two years consists primarily of non-business courses which provide intellectual breadth and thereby complement the specialized studies that follow in the junior and senior years.

Students should complete the following courses during the first and second years:

Freshman Year
ENG 101 and 102 .................................................................6  
Fine Arts elective*.................................................................3  
NFS 167 .............................................................................1

## School of Professional Accountancy

W. Robert Smith, Acting Director  
Hattiesburg, MS 39406-5178  
(601) 266-4641  

### Mission

The School of Professional Accountancy (SPA) is an academic unit within the College of Business Administration (CBA) at The University of Southern Mississippi and is committed to the mission of the CBA. Within this framework, the SPA has its own unique mission.

The primary objective of the SPA is to be a quality provider of undergraduate- and master’s-level accounting education. The SPA strives to produce technically competent and broadly educated accounting graduates who are marketable. Graduates should be able to think critically and to communicate clearly. In addition, graduates should understand the ethical and global dimensions of accounting practice, and the necessity for life-long learning. The SPA is also committed to providing quality accounting education to other students to complement their chosen curricula. Therefore, as its first priority the SPA emphasizes excellent teaching in an environment of continuous curriculum development to ensure currency and relevance.

The SPA also acknowledges its responsibilities to the University, the CBA, the accounting profession, business and government enterprises, and taxpayers. The SPA strives to meet these responsibilities by providing appropriate services and by engaging in the scholarly pursuits of research and writing. These activities complement the primary teaching mission.

### Undergraduate and Graduate Programs

The School of Professional Accountancy offers an undergraduate program which is designed to prepare students for a variety of entry-level positions in public accounting, industry, and government. The basic program is intended to prepare students for professional careers in which depth and breadth of business and accounting knowledge are required.

As the knowledge required to practice accounting is expanding rapidly, many students are finding it desirable to pursue a fifth year of study leading to a Master of Professional Accountancy (MPA). The Accounting major is integrated with the MPA program. Students who aspire to obtain professional certification should pursue this program. See the Graduate Bulletin for admission and curriculum requirements.

A grade of C or better in all Accounting courses is required for graduation.

Department of Economics and International Business

Farhang Niroomand, Acting Chair
Hattiesburg, MS 39406-5072
(601) 266-4648

The Economics major is designed to prepare students for positions in business, government, or education. For those who are interested in careers in international business, a major in economics with an emphasis in international business is also available. The courses comprising the major equip the student for the analysis of many of the economic problems and issues with which middle- and upper-level managers and administrators must deal. The four-year program provides the requisite skills for entry-level positions and the foundation for graduate study in economics or in areas such as law, public administration, and various business disciplines.

A Bachelor of Arts in Economics is also available through the College of Liberal Arts; see Department Chair for details.

Requirements for a Minor in Economics

Non-business students minoring in Economics must complete twenty-one (21) hours as follows: ACC 200; ECO 201, 202; and twelve (12) hours from BA 200 (strongly recommended), BA 301, 303; ECO 305, 330, 336, 340, 345, 436, 440, 450, 470. Of all requirements necessary for a minor, 50 percent must be taken at USM.

Department of Management and MIS

Stanley X. Lewis, Acting Chair
Hattiesburg, MS 39406-5077
(601) 266-4673

Management

The programs of study in Management have three objectives: (1) to provide students with concepts, knowledge, and skills required in the effective management of profit-making enterprises, government institutions, and non-profit service organizations; (2) to prepare the student for employment which will lead to positions of managerial responsibility; and (3) to make education in general management available to students pursuing technical, educational, and professional careers.

Students interested in majoring in Management may elect to emphasize study in Management or Production/Operations Management. The Management emphasis stresses an overall view of the organization in which the student obtains a thorough knowledge of management concepts and techniques and develops executive skills necessary for effectiveness in the administrative world. The Production/Operations Management emphasis provides instruction in quantitative analysis, material handling, quality standards, and manufacturing resource planning.

Careers in management are available in industry, government, service organizations, and teaching. The students' education and training will, when coupled with additional maturity and experience, serve to further their careers in more responsible management positions such as production or plant manager, labor relations director, or personnel administrator.
Management Information Systems
This department also offers a major in Management Information Systems. The degree program is patterned after the Association of Information Technology Professionals (AITP) model for information systems education. Excellent career opportunities exist in management information systems for persons who have good academic records, are energetic and ambitious, and seek challenging work. The program is primarily oriented toward applications development and systems analysis work in the private and public sectors. Career opportunities also exist in computer training, computer sales, and microcomputer systems design and applications.

The objective of the Financial Information Systems emphasis is to provide students with a knowledge of the information function in an organization. This would include knowledge of standards and practices for acquisition of financial information, as well as the ability to select and implement technology to support this activity. A degree in Financial Information Systems provides those individuals desiring degrees in both information systems and accounting a degree alternative that contains study in both disciplines.

Requirements for a Minor in Management
Non-business students minoring in Management must complete eighteen (18) hours as follows: ECO 201; MGT 300; and twelve (12) hours from MGT 364, 454, 455, 465, 468, 472, 475, 480, 495. Of all minor requirements, 50 percent must be taken at USM.

Requirements for a Minor in Management Information Systems
For a Non-business student, the Management Information Systems minor consists of the following courses: ACC 200; ECO 201; MIS 201, 202, 300, 309, 310 and either MIS 401 or MIS 406.

For a CBA student, the Management Information Systems minor consists of the following courses: MIS 309, 310, 401, 406, and six hours from the CSS 242 or CSS 333, MIS 315, 320, 408, and 412.

Of all minor requirements, 50 percent must be taken at USM.

Department of Marketing and Finance
Alvin J. Williams, Chair
Hattiesburg, MS 39406-5091
(601) 266-4627

Marketing
Marketing is a major concern of all businesses and a growing number of non-profit organizations. The goals of the marketing program are to: (1) prepare students for entry-level positions in marketing; (2) provide the background necessary to advance to higher-level marketing management positions; and (3) develop executive skills that are critical for success in all business occupations. It is necessary, therefore, that the student cultivate the abilities to: (1) think creatively; (2) solve problems; (3) communicate orally and in writing; and (4) understand interpersonal relations.

As quality, total customer satisfaction, and relationship management become the critical success factors in the global economy, marketing majors are positioned to take advantage of these opportunities. Some of the career options presented by these opportunities include advertising,
sales, retailing, purchasing, marketing research, public relations, product management, logistics, services marketing and non-profit marketing. Graduates have had particular success in locating jobs in the following industries: pharmaceutical, medical supplies and equipment, consumer products, and professional services. Since more than half of all American workers are employed in marketing-related fields, the marketing major can target numerous career choices in the commercial/industrial, institutional and government sectors. In addition, a marketing degree is excellent preparation for entrepreneurship and small business management.

**Finance and Business Administration**

Emphasis areas within the Finance major are offered in Banking and Finance, Insurance and Real Estate. Each curriculum stresses education in theory, tools of analysis, and problem-solving techniques that are fundamental to firms operating in the Finance, Insurance and Real Estate industries. Students choosing the Finance emphasis are prepared for careers with banks and other financial institutions, securities firms, large industrial corporations, as well as government agencies that oversee the financial sector. A grade of C or better is required in certain prerequisite courses before the student can progress to higher level Finance courses.

The Business Administration major is a broad, nonspecialized major which prepares students to begin careers in a wide range of businesses. It is designed for those students wishing to pursue business careers but who do not wish to specialize in one particular field of business.

**Requirements for a Minor in Marketing**

Non-business students minoring in Marketing must complete eighteen (18) hours as follows: ECO 201; MKT 300; and twelve (12) hours from MKT 330, 355, 365, 370, 380, 430, 444, 458, 495. Of all minor requirements, 50 percent must be taken at USM.

**Requirements for a Minor in Insurance**

Non-business students minoring in Insurance must complete twenty-one (21) hours as follows: ACC 200; ECO 201; REI 325; and twelve (12) hours from BA 200 (strongly recommended); FIN 392; REI 326, 425, 445, or 450. Of all minor requirements, 50 percent must be taken at USM.

**Requirements for a Minor in Business Administration**

Non-business students minoring in Business Administration must complete twenty (20) hours as follows: ACC 200; ECO 201; MIS 201 and 202; and twelve (12) hours from BA 200 (strongly recommended); ACC 300; FIN 300; MGT 300; MIS 300; MKT 300. Of all minor requirements, 50 percent must be taken at USM.

College of Education and Psychology

Carl R. Martray, Dean
W. Bruce Holliman, Associate Dean
Hattiesburg, MS 39406-5023
(601) 266-4568

The University of Southern Mississippi, through its College of Education and Psychology, holds membership in the American Association of Colleges for Teacher Education, the Teacher Education Council of State Colleges and Universities, and the Southern Regional Consortium of Colleges of Education. All undergraduate programs in teacher education are fully accredited by the National Council for Accreditation of Teacher Education (NCATE). For details of graduate teacher education programs, consult the Graduate Bulletin. For degrees offered by each department, please see the previous page.

Mission
The mission of the College of Education and Psychology is provide quality programs for three major areas: psychology, professional education, and instructional technology. The College develops individuals who possess critical thinking and problem solving abilities; theoretical, practical, and technical competence; effective communication skills; an appreciation for diversity; a sensitivity to standards of ethical conduct; and a commitment to life long learning. The College fulfills its mission through programs characterized by excellence in instruction and supervised practice, research training, scholarly productivity, leadership, professional service, and collaborative activities.

Admission Requirements
Any student who satisfies admission requirements to The University through the Office of Admissions and Records is eligible for admission to the College of Education and Psychology. Admission to the College of Education and Psychology does not constitute admission to a teacher education program nor to a non-teaching major program. Program planning and proper advisement must be completed to gain admission to both Teacher Education Programs and Non-Teaching Programs. Regular status in the College of Education and Psychology is maintained by meeting the quality point requirements for hours completed as designated by the general University requirement and evaluated by the Office of Admissions and Records.

General Core, College of Education and Psychology
The core of the College of Education and Psychology builds on the University core. For degree programs leading to teacher licensure, the following courses must be completed to meet both the University core and state licensure requirements:

- Biological Science with laboratory .......................................................... 4 hrs.
- ENG 101 and 102 ................................................................................. 6 hrs.
- ENG 203 ............................................................................................. 3 hrs.
- *English Elective .................................................................................. 3 hrs.
- Fine Arts Elective .................................................................................. 3 hrs.
- *NFS 167 ............................................................................................ 1 hr.
- HIS 101 and 102 ................................................................................ 6 hrs.
- MAT 101 ............................................................................................. 3 hrs.
- Mathematics or Science Elective ...................................................... 3 hrs.
- *HPR 105 ............................................................................................ 1 hr.
PSY 110, 110L ..............................................................................................................................................3 hrs.
Physical Science with laboratory...................................................................................................................4 hrs.
SCM 111, 305, or 330 ...................................................................................................................................3 hrs.
**Social Science Electives ...........................................................................................................................3 hrs.
Social Science Electives ................................................................................................................................6 hrs.
(Social Science requirement must be met with no more than 3 hours from any one area: anthropology, economics, geography, political science, sociology)
* Does not count toward teacher education admissions grade point average.
** May be counted toward Science deficiency attributed to 3 hour science labs for admissions grade computation only.

**Teacher Education Programs and Requirements**

Students desiring admission to the professional education program must have (a) an ACT composite score of 21 or higher, with no scale score below 18, or SAT 860 (verbal and quantitative) **upon entrance into college**; or (b) acceptable scores on the Praxis I subscales: Reading (170), Writing (172), and Mathematics (169), or Praxis I Computer Based Test (CBT): Reading (316), Writing (318), and Mathematics (314). Of equal importance is the satisfaction of a 2.65* grade point average on the restricted 44 hour general core.

*NOTE: Special education majors and students who select “special subject certification” (grades K-12) must demonstrate a 2.50 grade point average on the 44-hour core.

All applicants desiring to pursue a teacher education program must request formal admission to the Teacher Education Program through the Dean’s Office, College of Education and Psychology.

All teacher candidates must complete all graduation requirements set forth in the general University regulations as well as: (1) complete freshman English Comp with an average grade of C; (2) all program requirements outlined in the official PACE evaluation; (3) earn a grade of C or higher in all professional education courses included in the respective teaching programs; and (4) earn a grade of C or higher in all courses required for the licensure program.

All teacher candidates must complete the professional education curriculum. This professional education curriculum is to be completed in the following sequence early in their professional programs of study:

**Professional Education Curriculum**

REF 400................................................................................................................................................................3 hrs.
REF 469 (not required for Elementary Education majors) ..................................................................................3 hrs.
SPE 400 ................................................................................................................................................................3 hrs.
Area Methods Course ...........................................................................................................................................3 hrs.
A General Methods Course; CIE 343 for elementary, CIS 313 for secondary, or a General Methods Course offered in K-12 programs ...................................................................................................................3 hrs.

**Internship**

Practicum: a minimum of 30 hours of field experience is required prior to student teaching, 15 hours of which is observation, and 15 hours of practicum. Specific programs may require more practicum hours.

Student Teaching ...............................................................................................................................................14 hrs. (two experiences of 7 hours each)
Multiple assessments will be conducted during the student teaching experience.

**Teacher Licensure**

Students preparing to teach must choose a teaching area from one of the following: Elementary Education (K-8), Secondary Education (7-12), or Special Areas (K-12).

The student should note that state teacher licensure requirements supersede the program requirements listed in this Bulletin. Mandated changes in program requirements will be communicated through the student’s academic adviser.
To prepare for a career in secondary education (grades 7-12), a student must matriculate in the college and department of the teaching major and also successfully complete the Education Curriculum courses for secondary licensure.

Additionally, Praxis II, Principles of Learning and Teaching and Subject Assessments/Specialty Area tests must be taken by all who seek a teaching license. Results must be forwarded to the Mississippi State Department of Education.

Requirements for Teaching Degrees
All students who desire to become teachers, regardless of teaching major, must apply for admission to the Teacher Education Program in the College of Education and Psychology and be screened according to the preceding admission standards.

Special School Services
Office of Educational Field Experiences

Donna J. Garvey, Director
Janice Thompson, Assistant Director
Hattiesburg, MS 39406-5028
(601) 266-4571

The Office of Educational Field Experiences (OEFE) has been directed by the Professional Education Council of The University of Southern Mississippi to act as the central clearinghouse for the pre-student teaching and student teaching placements. Although specific requirements vary from course to course, pre-student teaching candidates are required to complete a minimum of 15 clock hours of observation and 15 clock hours of practicum prior to student teaching.

The student teaching semester serves as the capstone semester of the Unit’s practitioner-scientist framework. This semester provides all teacher education students the opportunity to apply best professional practices in two separate student teaching experiences in K-12 schools.

All field experiences are completed in off-campus host schools designated by the OEFE director. Guidance and evaluation are provided by cooperating school personnel and supervisory faculty members of USM.

Requirements for Student Teaching

Application: Formal application must be submitted to the Office of Educational Field Experiences at the beginning of the semester prior to the student teaching semester. Applications for student teaching must be in the Student Teaching Office no later than September 30, and February 28 for spring and fall semesters, respectively.

ALL STUDENTS MUST REGISTER FOR STUDENT TEACHING THROUGH USM.

All student teachers:
1. Must have completed all major requirements. Any exceptions to this policy must be approved by the major department.
2. Must have at least a 2.50 degree program GPA at the time that the student teaching semester begins.
3. Must have been admitted to the teacher education program, and completed the teacher education curriculum.
4. Must expect to spend a full semester in off-campus schools designated by the Director of Educational Field Experiences.

STUDENT TEACHING SEMESTER: Registration for the Student Teaching semester is restricted to 14 semester hours of student teaching.
Mathematics Education Services Center
The Director
Hattiesburg, MS 39406
(601) 266-4547

The Mathematics Education Services Center operated by the Department of Curriculum and Instruction offers a program of diagnostic assessment and follow-up prescriptive teaching for elementary-age children throughout the academic year.

The cost of these services per semester are as follows:
1. $45.00 - Diagnostic Assessment
2. $145.00 - Prescriptive Teaching

Center for Literacy and Assessment
Dana G. Thames, Director
Hattiesburg, MS 39406
(601) 266-5247

The primary responsibility of the Center for Literacy and Assessment is the promotion of effective teacher education for elementary and secondary students in methods, techniques, and materials in literacy development. The focus of the program is at the undergraduate, master’s and advanced graduate levels emphasizing theory, practice, evaluation, and research. The Center offers limited services in the diagnosis of reading problems. The cost of the diagnostic evaluation which includes a suggested program of remedial procedures is $150.00, or a proportional part, based on ability to pay. Limited remedial instruction, provided by graduate or undergraduate students on a limited basis, is $75.00 per semester.

An up-to-date collection of materials used for elementary, secondary, or adult reading instruction and a library of children’s books are open for examination.

University students and adults may obtain testing, counseling, and special instruction in the reading areas of comprehension, vocabulary development, and study skills improvement through the Center’s “Improvement of Study” course.

An annual reading conference is held in the spring or summer. Nationally known reading authorities are featured on the conference program.

Gunn Education Materials Center
Todd Hively, Curriculum Librarian
(601) 266-4561

Gunn Materials Center contains the principle collection of books and other printed materials, audiovisuals, and computer software which directly support the teacher education programs. A computer lab is located here with both Macintosh and IBM compatible computers. Textbooks on the state adoption list are available as well as a collection of children’s literature trade books. The Center is open to all currently enrolled students as well as to teachers in the surrounding area.

Hours: Monday - Thursday 8:00 a.m. - 5:30 p.m., Friday 8:00 a.m. - 4:00 p.m.

Applied Gerontology Educational Services
W. Lee Pierce, Coordinator
Hattiesburg, MS 39406-5154
(601) 266-4621

The University of Southern Mississippi’s Office of Applied Gerontology Education Services exists to coordinate the following University functions in the field of gerontology:
1. Graduate education for professionals.
2. Staff development programs for professionals and paraprofessionals.
3. Consultation and community services.
4. Research.
5. Sensitization of the general public to the status and future of the elderly in the community.
Education Service Center
Johnny R. Purvis, Director
Hattiesburg, MS 39406-5068
(601) 266-4559

The Education Services Center (ESC) serves as a cooperative planning and development unit through which the University and the schools can be more effective in serving the educational needs of their constituents. Through the Center’s activities, the resources of the University and local school districts are utilized to identify and coordinate efforts to solve educational problems and to promote general improvement in the quality of education in the state. The Center serves as a field services division for the College of Education and Psychology and strives to promote cooperative interaction between the University and the school districts, stimulate the exchange of ideas and successful educational practices, promote cooperative research, disseminate ideas and information, conduct and sponsor workshops and seminars, and arrange for consultative services to the schools. The Center is the umbrella organization for the Southern Education Consortium (SEC).

The Center for Gifted Studies
Frances A. Karnes, Director
(601) 266-5236

Numerous instructional, research and service programs are conducted on a continuing basis in the Center for Gifted Studies in response to its primary purpose of advancing the field of gifted education. The instructional activities include the Saturday Gifted Studies Program and the following residential programs: Summer Gifted Studies Program, the Summer Program for Academically Talented Youth that is offered in collaboration with Duke University, and the Leadership Studies Program. The Center also conducts Leadership Competitions for youth each year. Other instructional and service activities provided by the Center include the Parenting Gifted Children Conference and two staff development conferences for teachers of the gifted. Teacher education is offered for those seeking licensure in gifted education. Advanced degree programs with an emphasis area in gifted education are provided at the master’s, specialist, and doctoral levels. Research conducted by Center personnel is reported regularly in journals, monographs and other scholarly publications.

Clinics
Psychology Department

The Department of Psychology operates three training clinics which are associated with APA-accredited doctoral training programs. Each offers treatment, diagnostic, and consulting services to University faculty, staff and students, and to members of the community-at-large. Inquiries about specific services and/or fees should be directed to the respective clinic (see below). Clinics operate on the University calendar and normally are open only when classes are in session. Services are provided by graduate students under the direct supervision of program faculty. Fees may vary slightly but are based on a sliding scale determined by income level and family size. Written inquiries for any clinic may be directed to Department of Psychology, Box 5025, Hattiesburg, MS 39406-5025.

Psychology Clinic (Clinical Psychology)
Gary Jones, Director
(601) 266-4588/4604

Services include individual therapy, family and marital therapy, and psychological assessment (e.g., intelligence, general personality, and neuropsychological). Clients include children and families, adolescents, and adults. Clinic hours are 8:00 a.m. until 5:00 p.m.; the facility is also open one evening a week.
Gutsch Clinic (Counseling Psychology)
William J. Lyddon, Director
(601) 266-4601/4602

Services include individual and group counseling therapy, marriage and family therapy, vocational and career counseling, and consultation on a range of concerns that could be described as “problems of living.” Clients include children and families, adolescents, and adults. Types of assessment include intelligence, ability, personality, behavioral, and interest or vocational. Clinic hours are 8:00 a.m. until 5:00 p.m. daily.

School Psychology Service Center
D. Joe Olmi, Director
(601) 266-5255/4604

Services include family and school behavior assessment and intervention design for children, adolescents, and young adults who are having learning problems or school related behavioral and emotional problems. Specialized assessment and treatment services are available for concerns related to learning, attention deficit disorders, home behavior, and school behavior. Consultation services are also provided to area schools. Center hours are from 2:00 p.m. to 6:00 p.m. Monday through Thursday; and 8:00 a.m. to 11:00 a.m. Friday. Appointments outside these hours may be arranged.

Department of Technology Education
Edward C. Mann, Chair
Hattiesburg, MS 39406-5036
(601) 266-4446

Boyte, Lannom, Surry, McDonald, Stewart, Yuen

The Department of Technology Education offers a curriculum leading to the Bachelor of Science degree with majors available in three areas of study; Business Technology Education, Technical and Occupational Education, and Office Administration (non-teaching). Through these diversified degree programs, the Department serves a dual role: providing salable skills to students who desire a career in business or industry and providing the professional education courses for teachers of business and industrial subjects.

In addition to the undergraduate programs, the Department offers graduate emphases in both Business Technology Education and Technical and Occupational Education and a Master of Science in Instructional Technology. For a description of these master’s level programs, please consult the Graduate Bulletin.

Requirements for a Major in Business Technology Education
Michael L. McDonald, Adviser
Hattiesburg, MS 39406-5036
(601) 266-4446

A major in Business Technology Education prepares the student to teach in secondary and/or postsecondary education programs that equip individuals with knowledge, skills, attitudes, and work habits essential for initial employment in the technological environment of today’s business world and/or success in the college environment. Graduates of this program are licensed to teach in such programs as Business Education, Business and Computer Technology, Computer Applications, and Cooperative Education.

Students desiring entry into secondary teacher education programs must attain the minimum scores set by the Mississippi State Department of Education on the ACT (Composite 21 with no subscore below 18), SAT (860, verbal plus quantitative), Praxis I subscales: Reading (170), Writing (172), and Mathematics (169), or Praxis I Computer Based Test (CBT): Reading (316), Writing (318), and Mathematics (314).
Requirements for a Major in Technical and Occupational Education

Marvin L. Lanmon, Adviser
Hattiesburg, MS 39406-5036
(601) 266-4446

The major in Technical and Occupational Education was designed for students who possess a previously acquired trade or technical specialty and wish to: (1) prepare for a teaching career in vocational-technical education, and/or (2) build an appropriate academic foundation that will increase their opportunities for professional development and advancement within the field of vocational-technical education. A minimum of two years’ work experience at or above the journeyman level in a trade or technical area is required for state licensure.

Further, this major is an excellent choice for individuals interested in pursuing a career with industry - especially in the area of training and development.

Requirements for a Major in Office Administration

(Non-Teaching Degree)

Michael L. McDonald, Adviser
Hattiesburg, MS 39406-5036
(601) 266-4446

A major in Office Administration prepares students for a variety of business positions such as office manager, administrative assistant, administrative support specialist, secretary, and word processing specialist. Office Administration equips students for entry-level employment and advancement by providing opportunities to develop skills, knowledge, attitudes, and understandings needed in the automated office.

Department of Curriculum and Instruction

Carolyn Reeves-Kazelskis, Interim Chair
Hattiesburg, MS 39406-5057
(601) 266-4547

Serving as the coordinating agency within the University for the training and preparation of elementary and secondary teachers, the Department of Curriculum and Instruction provides undergraduate course work for both preservice and inservice teachers. A description of the undergraduate programs in elementary education follows. For secondary education, consult the college and department of the teaching major. Please consult the Graduate Bulletin for description of programs leading to master’s, specialist’s, and doctoral degrees.

Elementary Education
(K-8)

Students pursuing an undergraduate degree with a major in Elementary Education will attain a provisional elementary teacher’s license (kindergarten through grade eight). Areas of concentration (emphasis) for the Elementary Major are:
English Language (18 hrs.)
Foreign Language (18 hrs.)
Mathematics (18 hrs.)
Reading (19 hrs.)
Science (18 hrs.)
Social Studies (21 hrs.)

For specifics concerning these concentrations, the student should consult an elementary education adviser.

**Admission to Elementary Teacher Education Program**

Students desiring to major in Elementary Education must meet the following requirements before being admitted to the program.

1. Attain at least a C average for the required 6 hours of English composition.
2. Complete the College of Education and Psychology’s General Education Requirements (44 hours of specified courses).
3. Attain a minimum grade point average of 2.65 (on a 4.0 scale) based on the 44 hours of general education identified on page 142. File for application for formal admission to the Teacher Education Program.
4. Attain the minimum scores set by the Mississippi State Department of Education on the ACT (Composite 21 with no subscore below 18), SAT (860, verbal plus quantitative), Praxis I subscales: Reading (170), Writing (172), and Mathematics (169), or Praxis I Computer Based Test (CBT): Reading (316), Writing (318), and Mathematics (314).
5. Meet with the assigned adviser and complete a program plan.

For a more detailed explanation of the above requirements, the students should see their assigned adviser or the Coordinator of Undergraduate Elementary Education.

**Secondary Teacher Education Programs**

**(Grades 7-12)**

Students seeking an undergraduate degree with licensure to teach at the secondary school level (Grades 7-12) must consult advisers in the college and department of the selected teaching field. Academic majors which provide for licensure in the various teaching fields, grades 7-12 are:

- Biology
- Business Technology Education
- Chemistry
- English
- Foreign Language
- General Science
- History
- Home Economics
- Mathematics
- Physics
- Speech Communications

**Requirements for Supplemental Endorsements**

Mississippi’s standards for teacher licensure provide for supplemental endorsements to be added to standard teaching licenses. These endorsement areas require less extensive training than that required for standard teaching licenses. Supplemental endorsement areas include computer applications, English as a second language, driver education, health education, gifted education, occupational home economics, remedial reading, mild/moderate handicapped K-8, and mild/moderate handicapped 7-12.
Students pursuing undergraduate degrees with secondary teacher licensure are encouraged to take the additional courses necessary to qualify for endorsements in one or more of these areas.

**Special Subject Area Teacher Education Programs (K-12)**

Students pursuing undergraduate degrees with special subject area teacher licensure (Grades K-12) must complete the prescribed general education requirements of the appropriate school and/or college, and the education curriculum.

**General Education Requirements**

All students seeking undergraduate special area teacher licensure must complete the general education requirements of the College of Education and Psychology. A student receiving an undergraduate degree from a school or college other than the College of Education and Psychology must also satisfy the general education requirements of that school or college and the teacher education curriculum.

Students may not enroll for any of the Professional Teacher Education Curriculum courses until they have met all requirements for and have been admitted to the Teacher Education Program through the College of Education and Psychology Dean’s office.

**Requirements for a Major in a Special Subject Area**

Majors (to include associated emphasis area) offered by the various colleges and schools of the University which provide for licensure in the various special subject area teaching fields are:

- Art Education
- Computer Education
- Dance Education
- Education of the Deaf
- Health Education
- Library Science
- Music Education
- Physical Education
- Special Education

For specific course and related requirements for a major associated with a special subject area of teacher licensure, the student should refer to the appropriate section of this Bulletin under the department offering the major.

**Requirements for Non-Teaching Degrees**

The College of Education and Psychology offers non-teaching major programs in the departments of Psychology and Technology Education. Both the majors in the Department of Psychology (psychology and social rehabilitation services) are non-teaching. In the Department of Technology Education, office administration is also a non-teaching major, leading to the Bachelor of Science degree. Students in psychology may take programs leading to the Bachelor of Arts degree.

**Bachelor of Arts (Non-Teaching)**

The requirements for the Bachelor of Arts non-teaching degree are the same as those for the Bachelor of Science non-teaching degree with one exception. Students in the Bachelor of Arts program must complete six (6) to nine (9) hours in a foreign language. Those students who have completed two years of the same language in high school and make satisfactory placement test scores may meet the language requirement by completing six (6) semester hours in the same language at the 200 level or above.
Department of Educational Leadership and Research

Arthur R. Southerland, Chair
Hattiesburg, MS 39406-5027
(601) 266-4579

The Educational Administration and Supervision component of the Department of Educational Leadership and Research offers programs for the preparation of administrators for the public schools and colleges and for teachers of educational administration. These preparation programs are offered only at the graduate level and lead to the master's degree, the sixth year specialist’s degree, and the doctoral degree. For a description of these programs, consult the Graduate Bulletin.

The Research and Foundations components of the Department of Educational Leadership and Research provide supportive courses for teacher education. At the undergraduate level, these services include Educational Foundations and at the graduate level, Educational Foundations and Research.

The Adult Education component of the Department of Educational Leadership and Research offers graduate programs for persons who work with adult learners in a wide variety of settings. Programs are provided which lead to the master’s, specialist’s, and doctoral degrees. For descriptions of these programs, please consult the Graduate Bulletin.

Some courses are offered at the undergraduate level to support degree programs in other departments and as staff training for agencies that employ persons at the baccalaureate level or below to work with adult learners.

Department of Psychology

Stan Kuczaj, Chair
Hattiesburg, MS 39406-5025
(601) 266-4177

The Department of Psychology offers both graduate (MA, MS, PhD) and undergraduate programs (BA or BS). At the master’s level, the department offers work leading to the Master of Education degree in Counseling and Personnel Service and the Master of Science degree in Counseling Psychology. The Master of Education program in Counseling and Personnel Services meets Mississippi State Department of Education requirements for AA licensure as a school counselor.

At the doctoral level, there are five emphasis areas: clinical, counseling, general-experimental, industrial/organizational, and school psychology. The doctoral programs in clinical, counseling, and school psychology are fully accredited by the American Psychological Association. The program in school psychology is also accredited by the National Association of School Psychologists. (For descriptions of graduate programs, see the Graduate Bulletin).

At the undergraduate level, the Department of Psychology offers degrees in Psychology (BS or BA) and in Social and Rehabilitation Services (BS).

The undergraduate degree in Psychology prepares students for entry level jobs in many areas of the discipline of psychology, or for advanced degrees in other professions. Students preparing for graduate or professional school in other disciplines should consult the appropriate adviser to ensure that the program of study is congruent with the graduate or professional school to which they plan to apply. Students majoring in Psychology must complete a minimum of thirty-three (33) semester hours of coursework in the Department of Psychology. To receive the Bachelor of Arts degree, a student must also complete nine (9) hours of a foreign language.
The undergraduate degree in Social and Rehabilitation Services is designed for the student who anticipates entry-level employment within a range of agency and institutional settings including mental health, rehabilitation, youth services, vocational services, and drug/alcohol prevention programs. This major is also appropriate for the student preparing for graduate study in rehabilitation, counseling, and related fields. The student majoring in Social and Rehabilitation Services must complete thirty-one (31) specified semester hours in psychology and fifteen (15) hours in other psychology elective courses.

All USM and transfer students who desire to declare Social and Rehabilitation Services as their major must have an overall G.P.A. of at least 2.50, including a minimum 2.50 GPA on all courses taken at USM.

Psychology Minor

Students pursuing a minor in psychology must complete PSY 110 and 15 hours of additional courses (300 level and above), with the exception of PSY 301, 462, 463, 492, 493, and 498.

Social and Rehabilitation Services Minor

Students pursuing a minor in social and rehabilitation services must complete PSY 210, 312 and 423. In addition, it is recommended that the nine remaining course hours be selected from the following courses: PSY 313, 330, 331, 432, or 435.

Department of Special Education

April D. Miller, Chair
Hattiesburg, MS 39406-5115
(601) 266-5237

Alber, Callahan, Jackson, Karnes, Nelson, Siders, Walker, Whorton

The University of Southern Mississippi prepares individuals to teach in several areas of exceptionality. The degree will lead toward Mild-Moderate licensure in the State of Mississippi. All majors are encouraged to seek advice about their program from faculty advisers who must approve the 30 hours of elective courses.

Students desiring entry into teacher education programs must successfully complete the admissions requirements according to guidelines established by the Board of Trustees of State Institutions of Higher Learning.

Students wishing to major in Special Education should follow the program referenced below.

- 05 ENG 300 OR ENG 301 OR ENG 332

### 03. SOCIAL AND BEHAVIORAL SCIENCES (12 HRS)
- 01 PSY 110, PSY 110L
- 02 ECO 201
- 03 PS 101
- 04 SOC 101 OR GHY 102 OR ANT 101

### 04. NATURAL AND APPLIED SCIENCES (11 HRS)
- 01 SELECT 1 LAB SCIENCE APPROVED UNDER THE GENERAL EDUCATION CURRICULUM
- 02 SELECT 1 LAB SCIENCE APPROVED UNDER THE GENERAL EDUCATION CURRICULUM
- 03 SCIENCE OR MATH ELECTIVE: 3-4 HOURS FROM THE GENERAL EDUCATION CURRICULUM

### 05. HUMAN WELLNESS (2 HRS)
- 01 NFS 167
- 02 HPR 105

### 06. MAJOR AREA OF STUDY
**MINIMUM USM GPA IS 2.0. (57 HRS)**
- 01 ACC 200
- 02 BA 200
- 03 BTE 102
- 04 BTE 200
- 05 BTE 201
- 06 BTE 202
- 07 BTE 310
- 08 BTE 461
- 09 BTE 463
- 10 BTE 465
- 11 BTE 467
- 12 BTE 480
- 13 BTE 485
- 14 MGT 300
- 15 MGT 364
- 16 MGT 454
- 17 MIS 201
- 18 MIS 202
- 19 MIS 203
- 20 MIS 300
- 21 MKT 300

### 07. ELECTIVES (19 HRS)
- SELECT 19 HRS. OF ELECTIVES WITH ADVISER’S APPROVAL.

---

**Minimum of 128 Hours in Program**

A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
01. REASONING AND COMMUNICATION SKILLS (12 HRS)
   01 ENG 101
   A (C) AVERAGE IN ENG 101/ENG 102 IS REQUIRED
   02 ENG 102
   03 MAT 101 MINIMUM GRADE IS C
   04 SCM 111 OR SCM 305 OR SCM 330

02. HUMANITIES AND FINE ARTS (12 HRS)
   01 HIS 101
   02 HIS 102
   03 ENG 203
   04 SELECT 3 HOURS FROM COURSES
      AA 100, ART 130, DAN 107, MUS 365, THE 100

03. SOCIAL AND BEHAVIORAL SCIENCES (9 HRS)
   01 PSY 110, PSY 110L
   02 SELECT 1 COURSE FROM 2 GROUPS
      BELOW FOR A TOTAL OF 6 HRS.
      Group 1: ANT 101, ANT 221
      Group 2: ECO 201, ECO 202
      Group 3: FS 101, FS 220, FS 331, PS 425
      Group 4: SOC 101, SOC 240, SOC 314

04. NATURAL AND APPLIED SCIENCES (11 HRS)
   01 SELECT 1 LAB SCIENCE APPROVED UNDER THE GENERAL EDUCATION CURRICULUM
   02 SELECT 1 LAB SCIENCE APPROVED UNDER THE GENERAL EDUCATION CURRICULUM
   03 SCIENCE OR MATH ELECTIVE: 3-4 HOURS FROM THE GENERAL EDUCATION CURRICULUM

05. HUMAN WELLNESS (2 HRS)
   01 NFS 167
   02 HPR 105

06. MAJOR REQUIREMENTS
   MINIMUM GRADE IS C (35-36 HRS)
   01 ART 309 OR MUS 361 OR HPR 320
   02 CD 350/CD 350L OR CIE 403
   03 CIE 410

The mission of the College of Health and Human Sciences is to improve the health and well being of individuals, families, and communities. The College focuses on seeking solutions to societal problems. This mission is accomplished through teaching, service and research.

Academic programs support the improvement of quality of life as individuals move across the life span. All programs benefit the community and provide opportunities for student exposure to the real world through field experiences, practica, and internships.

Organization and Administration

Dean’s Office
The Dean is the chief administrative officer of the College of Health and Human Sciences and is responsible for its operation. In the Dean’s Office, the Assistant Dean coordinates scheduling, the college catalog, adjunct faculty coordination and undergraduate and graduate academic concerns.

Administrative Units
The administrative offices that report to the Dean’s Office include the Mississippi Tourism Resources Center, the Applied Research Division of the National Food Service Management Institute, the Mississippi Delta Nutrition Intervention Research Initiative, Fiscal and Physical Facilities, Student Services, and five academic units.

The academic programs of the College of Health and Human Sciences are housed in the School of Family and Consumer Sciences, the School of Human Performance and Recreation, the School of Social Work, the Center for Community Health, and the Department of Hospitality Management.

These academic units offer undergraduate and graduate academic programs designed to meet the challenges of the College’s mission statement. Each academic unit is responsible for maintaining its associated student files for academic advisement of its majors. Since curricular requirements vary for each major, students desiring degrees from the College of Health and Human Sciences should follow the courses outlined under each unit. Detailed information on individual curricula of the five units follows. Please note that a number of programs within the College must meet criteria of accrediting agencies, and thus may have additional application procedures and/or admission requirements above those of the University. Most programs within the College require students to have valid professional liability insurance purchased through fees assessed each semester by the University. Please consult the directors of the individual units to obtain specific information.

The Mississippi Tourism Resources Center was created to enhance the University’s efforts to assist the region in development of tourism and to identify and create interdisciplinary projects across this area. The Applied Research Division of the National Food Service Management Institute, which operates under contract with the University of Mississippi and U.S.D.A., conducts research to improve quality and operation of child nutrition programs, cost-effective systems of delivering nutritious meals to America’s students, and development of effective school food service management practices. The Delta Nutrition Intervention Research Initiative is a partnership funded through USDA, with universities and institutions in Mississippi, Louisiana, and Arkansas. The purpose is to evaluate nutritional health in the lower Delta to identify nutritionally responsive problems, and to design and evaluate interventions so successful strategies may be implemented on a larger scale.

Teacher Licensure
A student in the College of Health and Human Sciences seeking standard teacher licensure in Mississippi must satisfy the core requirements of not only the College of Health and Human Sciences but also the College of Education and Psychology. Students should refer to degree...
programs within the College of Health and Human Sciences which are approved by the State Department of Education for teacher licensure in a specific teaching field. Specialized courses within each program are included in the degree plans, with additional course requirements in the Professional Teacher Education Core. Please see admission requirements for Teacher Education.

**School of Family and Consumer Sciences**

Anita M. Stamper, Director  
Anne Stanberry, Assistant Director  
Hattiesburg, MS 39406-5035  
(601) 266-4679

The School of Family and Consumer Sciences offers five undergraduate majors which prepare students to assume professional responsibilities in a variety of career fields. Programs in the School offer excellent opportunities for obtaining a broad general education while developing the skills and abilities necessary for functioning competently in a selected professional area. The undergraduate programs and professional fields they serve share a common focus on improving the quality of life for individuals and families whether through intermediary roles or through direct service in one of the helping professions.

All programs include an internship or field experience component to provide students with opportunities to apply knowledge through direct interaction with consumers and clients. Numerous businesses and professional facilities in Hattiesburg and surrounding regions cooperate with the School in providing pre-professional experiences.

The Center for Child Development provides interactive experiences for students majoring in Child and Family Studies through access to a full-day child-care program. The program provides developmentally appropriate learning activities for children ages infant to five years with a hands-on curriculum of learning through play. The program predominately serves children of USM students, staff, and faculty. For parents who qualify, some federal and state funds are available to help offset tuition costs. The Center for Child Development is accredited by The National Association for the Education of Young Children.

The Sarah W. Gibbs Costume Collection is maintained by the School, with space in the McCain Library Archives. Research and exhibitions based in part on items in the Gibbs Collection have twice won national awards from the American Association of State and Local History.

The undergraduate programs in the School are accredited by the Council for Accreditation of the American Association of Family and Consumer Sciences. The Coordinated Program in Dietetics is accredited by the American Dietetic Association Commission on Accreditation/Approval for Dietetics Education, which also currently approves the Didactic Program in Dietetics. The Interior Design program is fully accredited by the Foundation for Interior Design Education Research (FIDER).

**Offerings for Non-Majors**

A number of courses offered within the School do not have prerequisites and are excellent choices for electives. CD 150 (Child and Family in the Community); FMA 121 (Fashion Fundamentals), 131 (Basic Apparel Construction), and 330 (Textiles I); FAM 101 (Introduction to Professional Studies), 150 (Social and Professional Development), 151 (Personal Development and Interpersonal Relationships), 351 (Marital and Family Relationships), 442 (Personal and Family Financial Management), 443 (Family Resource Management); NFS 362 (Nutrition), HM 272 and 272L (Principles of Food Preparation), ID 140 (Interior Design I), 325 (History of Interior Furnishings and Decorative Arts), and ID 497 (British Housing and Interiors) are excellent elective courses for students having an interest in the academic areas represented. Minors are also available in a number of areas within the School.
Child and Family Studies

Undergraduate students with a major in Child and Family Studies select major courses and electives to prepare to work with children and their families in educational, institutional, and human services settings. In addition to the general education core, course work in Child and Family Studies has a family systems perspective and focuses on developmental observations. A broad knowledge of the child and family is acquired through courses in nutrition, family dynamics, communications, psychology, developmental disabilities, computer science, and contemporary issues affecting the quality of life. Students take courses in infant and child development, creative activities, behavior and guidance of children, parenthood, methods and materials appropriate to working with young children, and supervised work through practicum or internship experiences. Laboratory and field experiences, as well as academic work, are integral to students’ preparation.

The Center for Child Development, accredited by the National Academy for the Education of Young Children, offers all students opportunities to observe and participate in directed experiences with infants, toddlers, and preschoolers. Students with an emphasis in Child Development do supervised teaching at the Center for one semester. Students with an emphasis in Child Life work with hospitalized children in a semester-long internship. Students with an emphasis in Family Relations work with families through community agencies or human services organizations.

Child Development graduates work as teachers and administrators of child care and preschool programs, or child development specialists who plan and implement developmentally appropriate activities with children in other settings. Students who choose the Child Life career option work with children and families in health care settings. Family Relations majors work in family related agencies and family life education settings. Graduates are also prepared to work with the Extension service. The thorough knowledge gained in child and family studies prepares students to make a positive difference in the lives of children and families in our communities.

Graduates who complete the course requirements for a Child and Family Studies degree are eligible for provisional membership in the National Council on Family Relations’ Certified Family Life Education Program. Child Life graduates are eligible to apply for certification by the National Child Life Council.

Students work closely with an academic adviser in selecting an emphasis and elective courses best suited to their interests and career goals. Students must earn a grade of “C” or better in all child development and family courses required in the major in order to graduate.

Child and Family Studies ........................................................................................................................................177

Requirements for a Minor in Child and Family Studies

All students pursuing a minor in Child and Family Studies must complete nine (9) semester hours in the following courses: CD 350; FAM 351 and FAM 452. An additional nine semester hours may be selected from the following electives: CD 352, CD 451, CD 452, CD 453; FAM 442, FAM 450, FAM 453.

Fashion Merchandising and Apparel Studies

The curriculum in Fashion Merchandising and Apparel Studies provides students who have a strong interest in apparel, fashion, and textiles the opportunity to prepare for diverse careers in the fashion industry. Course requirements in the major field cover product information and characteristics, organization and operation of the fashion and textile industries, and the social, psychological and aesthetic components of dress. Required courses in business add depth to the student’s academic background and variety to graduates’ career options. As circumstances and interests warrant, students enjoy optional study programs such as trips to fashion market centers in Dallas, New York, London, and Paris. A marketing minor is required for fashion merchandising students. The apparel studies student may opt for a business, art, or theater minor depending on career direction. Students work closely with their advisers in structuring the degree plan to provide the best preparation for the desired career field or for graduate study. After graduation, merchandising majors often enter formal training programs with large retail stores and then move into positions as assistant buyers, assistant
managers, bridal or fashion consultants, personal shoppers, executive trainees, visual merchandisers, etc. Apparel studies graduates find positions as assistant designers, assistant pattern makers, fabric specialists, production manager assistants, sample makers, custom design workers, costume museum curators or restorationists, theatrical costumers, etc.

Merchandising students complete an internship during their senior year. This supervised experience provides valuable pre-professional work experience and often develops into the graduate’s first career position. Apparel studies students may also elect to complete an internship that parallels their career interest or take extra hours in their area of specialization. Internships may take place locally or in any geographical location that provides necessary experiences. Students are responsible for securing the internship position and obtaining approval for the site.

A thorough understanding of and interest in product information facilitates the exchange of information between the consumers and the producers of apparel, fashion, and textile products. Program graduates working in the fashion and textile industry are, therefore, in a unique position to influence positively the match of product characteristics and availability with consumer needs and expectations.

**Requirements for a Minor in Fashion Merchandising and Apparel Studies**

All students pursuing a minor in Fashion Merchandising and Apparel Studies must complete eighteen (18) hours in Fashion Merchandising and Apparel Studies courses. The following courses are suggested for completing a minor in Fashion Merchandising and Apparel Studies: FMA 222, 330, 331, 332, 334, 335, 337, 421, 435, 436, and 437. In some instances prerequisites can be waived if expertise can be demonstrated by the student; therefore, individual students are encouraged to seek the approval of the adviser within the department of study in selection of the eighteen (18) hours.

**Family and Consumer Sciences**

This program provides students with a broad background in family and consumer sciences areas and includes a course of study for those students interested in becoming licensed to teach in the state of Mississippi. Program graduates not interested in becoming licensed are prepared over the broad subject matter coverage and may seek employment upon graduation by the Cooperative Extension Services or with private or governmental agencies which provide consumer services to individuals and families. These students have a number of electives which can be used to tailor the degree program toward their specific interests, whether communications, business/marketing, or other areas.

**Purpose of the Family and Consumer Sciences Teacher Education Program:** The purpose of this program is to produce informed practitioners with the knowledge, skills, and attitudes necessary to successfully teach in diverse settings. Specifically, students are exposed to a broad knowledge base pertaining to content, pedagogical methodology, and professional growth and development. The general, professional, and specialty courses prepare students to experience immediate success in the classroom as well as pursue ongoing specialization in advanced degree work. Specific program objectives for the emerging practitioner include the demonstrated ability to:

1. successfully teach state-mandated curriculum.
2. evaluate and integrate new information into their knowledge base.
3. achieve expertise in innovative and traditional methods of teaching.
4. effectively utilize technology in the educational setting.
5. develop skills in critical thinking and problem solving.
6. refine classroom management skills at the junior high and senior high levels.
7. enhance communication and interpersonal skills.
8. develop an appreciation of cultural diversity.

**Practitioner-to-Scientist Conceptual Framework:** The Family and Consumer Sciences Teacher Education program is designed to prepare an informed practitioner with extensive content knowledge, pedagogical skill, and specialty content knowledge. The program is designed using the Practitioner-to-Scientist framework which includes a general education core, the professional education core, and specialty studies in Family and Consumer Sciences. The general education core
provides the foundation of a solid liberal arts education, which includes basic knowledge and skills in reasoning and communication, humanities and fine arts, social and behavioral sciences, natural and applied sciences, and human wellness. The second knowledge base involves twenty-one hours of course work emphasizing the heritage and methodology of teaching. In addition, students complete sixteen hours of course work involving professional development in the areas of technology, family systems, and family life education. The third knowledge base involves specialty studies in which students expand the breadth of their knowledge and skill in areas unique to Family and Consumer Sciences. Required course work is closely related to the structure of the Family and Consumer Sciences curriculum developed by the Mississippi State Department of Education. The final knowledge base involves the fourteen hours of student teaching in which students apply and integrate the knowledge, skills, and attitudes gained through course work in the general, professional, and specialty areas of the degree program.

National Standards: Curriculum planning and evaluation are driven by the National Standards for Family and Consumer Sciences prepared by the National Association of State Administrators of Family and Consumer Sciences (NASAFACS) in association with the Vocational-Technical Education Consortium of States Southern Association of Colleges and Schools. In addition, the Family and Consumer Sciences Teacher Education Program has been heavily influenced by changes in society and the Family and Consumer Sciences curriculum developed by the Mississippi State Department of Education, and recommendations from our accrediting agency, the American Association of Family and Consumer Sciences. The integrative nature of the knowledge base of Family and Consumer Sciences and its impact on quality of life undergirds the philosophy expressed through curriculum choices.

Teaching Strategies and Technology Use: Students are exposed to a variety of teaching styles, activities, strategies, and technology. The following constitutes a representative list of strategies and the use of technology.

1. Use of e-mail in classroom assignments
2. Information searches using the World Wide Web and other electronic data bases
3. Literature search of primary and secondary sources using on-line and CD ROM searching
4. Lecture/discussion enhanced with video recorded materials
5. Classroom observations
6. Critiques of published and peer generated materials
7. Oral presentations
8. Teaching simulation and practicum
9. Research

Graduates may also be employed by the Cooperative Extension Service and by private or governmental agencies concerned with providing consumer services to individuals and families. Students may select Business courses to increase their employment opportunities in consumer affairs, marketing and product development, food or fashion journalism, communications, and consulting.

Pace Degree Plan

Family and Consumer Sciences Education .............................................................................................................179

Interior Design

This program prepares students to identify, research, and solve problems related to the needs of people in residential, institutional, and commercial environments in order to enhance quality of life and protect public health, safety, and welfare. The degree is accredited as a first professional degree level program by the Foundation for Interior Design Education Research (FIDER). Requirements are in accordance with the published standards and guidelines of FIDER.

The program’s interdisciplinary approach addresses the demands and standards of qualification of the profession and related fields. The core of program requirements includes sequential studio courses covering the analysis, planning, and design of human environments. Supplemental courses include instruction in presentation, HVAC systems, lighting, plumbing, acoustics, codes, special need, historic and contemporary furnishings/design, aesthetics, and professional procedures. A four credit hours/one-semester internship in a professional setting with faculty supervision is required. Students are offered the opportunity to earn six hours of credit while studying abroad through the British Studies program.
Professional designers, architects, manufacturers, and allied representatives serve the program in an advisory capacity as members of advisory boards, guest lecturers, part-time faculty, critics, and supervisors of interns. Further contact with professionals is supported through the student chapter of the American Society of Interior Designers (ASID) and student membership in the International Interior Design Association (IIDA). All faculty have had professional experience and/or are currently professional members of professional organizations.

Career opportunities exist in the following areas: residential and contract interior design/space planning firms; architectural and engineering firms; facilities planning, independently or within the structure of corporations, institutions or government agencies; antique dealerships; furniture and textile manufacturers and distributors; furniture showrooms for the trade and retail; and interior design education.

Progression in the Interior Design Program

All students entering the Interior Design Program directly from high school and all students transferring to the Program are subject to the admission procedures and standards of the University. Admission to The University of Southern Mississippi as an interior design major does not insure progression to the upper division studio courses. Criteria for progression to the upper division 300/400 level studio courses include a letter of application, specified GPA requirements, completion of specified courses, portfolio review, and recommendation by faculty.

Students having completed and/or currently enrolled in the following prerequisite courses may apply to the Interior Design Program for progression to the upper division studio courses. Application forms and instructions may be obtained from the student’s adviser or the Interior Design Program Coordinator. The deadline for completion of the forms is the semester prior to enrollment in ID 320. Dates will be posted in the studio and announced in the lower division studio courses. Course enrollment is limited, as required for FIDER Accreditation.

Progression Criteria

Course Requirements: Prerequisite Courses: The following courses must be completed prior to entry in 300/400 level studio courses: (additional prerequisites may apply for individual 300/400 level courses)

**University Core**

- 6 hrs. ENG 101 and 102
- 3 hrs. MAT 101 or higher level
- 6 hrs. HIS 101 and 102
- 3 hrs. SCM 111

The following courses must be completed with a grade of “C” or higher prior to entry in 300/400 level studio courses:

**Interior Design**

- 3 hrs. ID 140
- 3 hrs. ID 238
- 3 hrs. ID 240

**Architectural Engineering Technology**

- 3 hrs. ACT 132/L or ENT 100/L
- 3 hrs. ENT 120

**Art**

- 3 hrs. ART 101
- 6 hrs. ART 111 and 112
- 3 hrs. ART 113, 102 or other ART studio

**Portfolio Review:** Applicants will submit a portfolio of work completed in the above course prerequisites for review by the interior design faculty. Declared interior design majors will be issued written directions which will include format and project inclusions.

**Assessment Method:** A written evaluation criteria list will be issued to all students declaring an interior design major and made available for students enrolling in 100/200 level interior design courses and prospective students. The evaluation criteria will incorporate applicable FIDER standards and guidelines applicable to predetermined competency level expectations.
Due Date: Applicants will submit the portfolio the semester prior to expected enrollment in ID 320. Dates will be posted in the studio and announced in the ID 200 level studios.

Grade Point Average: Student must have earned an overall GPA of 2.0 (4.0) and a 2.5 (4.0) in the major.

Progression in Interior Design Studio Course Sequence: According to FIDER standards, the interior design curriculum is designed to encompass continuity, repetition of significant concepts, sequential ordering of content, progression of learning, and interrelationships among learning experiences. The student must earn a grade of “C” or higher in each course of the interior design studio sequence (1) ID 140; (2) ID 238, 240; (3) ID 320; (4) ID 340, 342, 439, 440; (5) ID 490; (6) ID 442 before taking the next course in the sequence.

Internship Prerequisites: Before enrolling in ID 442, Interior Design Internship, a student must have completed all course prerequisites, earned a grade of “C” or better in all courses in the major, and have a 2.5 GPA in the major and the last 60 hours of courses attempted. Approval must be obtained through an application form available from the student’s academic adviser.

Graduation Requirements: In addition to all university and major course requirements, the following requirements must be met in order to graduate:

1. Fifty percent of required courses in the major must be completed at USM.
2. All required 300 and above level studio courses must be completed at USM.
3. A grade of “C” or higher must be earned in all course in the major.
4. An overall GPA of 2.0 and 2.5 in the major and the last 60 hours of courses attempted must be earned.

Transfer Credits: Transfer students are admitted to the program upon admission to the University. Students who wish to transfer from another college within the University must have a 2.0 GPA. Application for transfer may be made to the School of Family and Consumer Sciences throughout the year. The evaluation criteria for transfer credits in the major is as follows:

1. Quality and representation of course objectives documented in portfolio of previous work completed in interior design studio and support courses.
2. Work completed at a FIDER accredited school. (Transfer of 300 and above level interior design credits from non-FIDER accredited institutions will be considered on an individual basis.)
3. Course syllabi and project description
4. Grade earned in the course
5. Course descriptions published in school catalog

Pace Degree Plan

Nutrition and Dietetics

The Didactic Program in Dietetics (DPD) is approved by the American Dietetic Association. The Didactic Program in Dietetics includes all courses necessary to meet the academic requirements of the American Dietetic Association. Completion of the program qualifies students to apply for a dietetic internship or other pre-professional practice program approved or accredited by the American Dietetic Association. Program graduates are responsible for obtaining the internship/practice experience following graduation. The American Dietetic Association coordinates application for such programs through national computer matching of sites and applicants. Enrollment in such programs is limited and highly competitive. Students must meet both academic and practice requirements to be eligible to take the national registration examination to become Registered Dietitians. The following academic performance criteria are required for the Didactic Program in Dietetics:

To take any NFS course numbered above 400, students majoring in Nutrition and Dietetics must meet the following criteria:

1. Have a GPA of 2.5 or higher on required science courses (CHE 106, CHE 106L, BSC 250, BSC 250L, BSC 251, BSC 251L, CHE 231, CHE 251L, CHE 420, CHE 420L, and BSC 281, BSC 281L) with no grade lower than “C” in any of those courses.
2. Have an overall GPA of 2.75 or higher.
3. Have a grade of “B” or better in NFS 367.

In addition, students must have a grade of “C” or better in all required NFS courses in order to graduate.

Requirements for a minor in Nutrition and Dietetics

Students pursuing a minor in Nutrition and Dietetics must complete a minimum of 18 credits in Food and Nutrition and related areas. All students must complete 6 credits consisting of the following courses: CHE 106 and NFS 362 or NFS 367. An additional 12 credits may be selected from the following courses: NFS 410, NFS 420, NFS 430, NFS 461, NFS 463, and NFS 477. The following courses will not count toward a minor in Nutrition and Dietetics: NFS 167, NFS 261, NFS 272/L, and NFS 265.

In addition, students must meet all prerequisites for NFS courses and have a grade of “C” or better in all required science and NFS courses.

<tr>
<td>Physical Education—K-12 Teaching Licensure Program—National Council for Accreditation of Teacher Education (NCATE)</td>
</tr>
<tr>
<td>Recreation—National Recreation and Parks Association (NRPA)</td>
</tr>
<tr>
<td>Additionally, courses are offered within the various degree programs which facilitate professional certification in Athletic Training (NATA certification and State of Mississippi licensure), Kinesiotherapy (AKTA certification), Health Fitness Instructor Certification (American College of Sports Medicine [ACSM]), Teacher Licensure-K-12 Physical Education (Mississippi State Department of Education), Therapeutic Recreation Specialist (National Council for Therapeutic Recreation Certification [NCTRC]), and Certified Leisure Professional (NRPA).</td>
</tr>
<tr>
<td>Several certification programs are also available through the School of HP&amp;R for non-majors. Students seeking add-on Driver Education teaching endorsement may take several courses offered within the School of HP&amp;R curricula. A variety of American Red Cross certifications are available in First Aid and Aquatics areas (see specific description of areas and corresponding courses of study for further detail).</td>
</tr>
<tr>
<td>Students majoring in any area of Human Performance and Recreation should follow the program outline in their area of study. High school graduates and transfer students from community/junior colleges or other four-year colleges may be admitted to the School of HP&amp;R in their chosen degree programs upon admission to the University. Students desiring to transfer from other schools or colleges within the University must be in good academic standing and possess a minimum GPA of</td>
</tr>
</tbody>
</table>
2.0 in order to be admitted to a degree program. Please note that a number of programs within the School must meet criteria of accrediting agencies and therefore may have additional admission and retention requirements above those of the University. Students entering the School of HP&R will be assigned to the appropriate faculty member for academic advisement.

All students majoring in any Human Performance and Recreation degree program must demonstrate proficiency (grade of "C" or better) in each HPR course used towards completion of their degree program, including required courses and electives. Any major who earns a grade lower than a "C" must repeat the HPR course until proficiency is established. Specific program specialization areas may also have proficiency requirements above and beyond those previously discussed.

**Retention Policy:** Students who wish to enter or are admitted to the School of HP&R must maintain a minimum cumulative GPA of 2.0 on all USM hours. Students whose GPAs fall below the minimum are placed on program probation. Policies governing program probation are available from the School Director.

**Driver Education Certification**

Students who wish to meet the teacher licensure requirement to teach driver education in Mississippi schools must complete requirements for a Standard Class A license and the following courses: CHS 341 or CJ 332; HPR 480, 483, 483L; and one course from HPR 370, 481, 482, or 484.

**American National Red Cross Certification**

The program offers certificates from the Red Cross in First Aid Instruction, Lifeguard Training Certification, Lifeguard Training Instructor Certification, Cardiopulmonary Resuscitation, Water Safety Instructor Certification, Standard First Aid Certification, Standard First Aid Instructor Certification, Responding to Emergencies Certification, Beginner through Swimmer Level Stroke Instruction, and Instructor Candidate Training Program. Please consult an adviser in Human Performance for specific course requirements.

**Aquatics Specialization**

The School of Human Performance and Recreation offers a group of aquatic-related courses which may be of interest to students who wish to receive instruction leading to various certifications within the American Red Cross aquatic programs. Any USM student is eligible to be certified in the ARC Aquatics Administration specialty by successfully completing the following classes as prescribed by the School of Human Performance and Recreation: HPR 364, 460; either HPR 360 or 363; and seven hours from the following: HPR 160, 163, 184, 300, 361, 363, 365, 380, or 420.

**HP&R Lifetime Fitness and Activity Instructional Program**

The School of Human Performance and Recreation offers a variety of 100-300 level activity-based academic courses. Students have the opportunity to learn basic skills of life-time sports, fitness and leisure activities which may be applied to on campus or off campus leisure time. Upper level service courses offered are designed to provide in-depth skill development in a particular area of interest. These are available to all students and are offered for a grade or on a pass/fail basis.

**Coaching and Sports Administration**

The Bachelor of Science degree program in Coaching and Sports Administration offers professional preparation in basic sport administration with possible further specialization in Coaching. All Coaching and Sports Administration majors must complete a 15 semester hour degree core as well as University core requirements. Majors must select either a block of course offerings to complete a Sport Administration or Coaching specialization. The Sport Administration specialization is designed to prepare students who seek careers in sports programming in private enterprise, municipal sports administration, professional athletic office operations, or college athletic administration. Courses in the Coaching specialization are designed to provide students with the necessary foundational sport science theory and application in professional coaching and athletic administration settings. NOTE: Students who wish to prepare to coach in the public schools in Mississippi must possess a Mississippi teaching license. Therefore, they should pursue a second major in a recognized secondary teacher education field. If they wish to pursue K-12 Physical Education teaching licensure, they must major in Human Performance with the K-12 specialty under Physical Education emphasis as their primary major.
Requirements for a Minor in Coaching and Sports Administration

All students pursuing a minor in Coaching and Sports Administration must complete minimum of nineteen (19) hours in CSA-related courses. The following courses are required for a minor in Coaching and Sports Administration: HPR 306, 307, 370, 409, at least one coaching methods course in the sport area in which the student wishes to specialize, and HPR 419 (3 hours minimum).

Human Performance

The Bachelor of Science degree program in Human Performance is designed to provide students with a foundation theory base in the movement sciences. Additionally, the program offers professional preparation in two distinctive areas of Human Performance: Sports Medicine and Physical Education. Within each of these emphases, students may select from several professional-based specializations in order to further prepare for future career interests. All Human Performance majors must complete a 20 to 28 semester hour degree core as well as the University core requirements. Majors must also select one of the two emphases and complete course requirements specific to the emphasis selected.

Majors interested in pursuing careers in either Athletic Training or Exercise Science should select the Sports Medicine emphasis within the degree program. Within this emphasis, students are required to take 20 semester hours in Sports Medicine-related course offerings. Students seeking careers as exercise specialists or fitness instructors in either corporate health promotion or rehabilitative medical settings should complete courses in the Exercise Science specialization. Students specializing in Exercise Science are highly encouraged to complete CHE 106, 106L; CHE 107, 107L; or CHE 251, 251L; BSC 250, 250L; 251, 251L early in their program since these courses are prerequisites for many major courses. Students who wish to pursue Athletic Training certification by the National Athletic Training Association (NATA) and Mississippi Athletic Training Licensure should complete courses in the Athletic Training specialization.

Majors interested in pursuing careers in the instruction of Physical Education in both school and non-school settings should select the Physical Education emphasis within the degree program. All students in this emphasis must complete the Physical Education Core (30 semester hours) and selected courses to meet the requirements of one of two certifications. Those students who wish to seek Standard Mississippi K-12 Physical Education Teacher Licensure must follow prescribed courses listed in the K-12 Teaching specialization. Upon successful completion of all degree requirements, students will meet all course requirements necessary for application of Standard Mississippi Teacher Licensure (K-12 Physical Education) and will be immediately eligible to teach elementary and/or secondary level Physical Education in schools within Mississippi and in many states throughout the U.S.

Students who are seeking careers in rehabilitation settings (public and private) should complete courses in the Kinesiotherapy specialization. Upon successful completion of certification examination, these graduates are eligible for Kinesiotherapy Certification by the American Kinesiotherapy Association (AKTA).

Athletic Training Program Admission and Retention

All students entering the athletic training program directly from high school and all students transferring to Athletic Training are subject to the admission procedures and standards of the University. Admission to The University of Southern Mississippi as a Human Performance/Sports Medicine major does not insure progression to the upper division Athletic Training course work. Students having completed HPR 219, CHS 101, PSY 110 and one of the following: BSC 250/250L or 251/251L, may make application to the Athletic Training program for progression to the upper division course work in Athletic Training and admission to the program. Both BSC 250/250L and BSC 251/251L are required in the degree program. Application forms may be obtained from the Athletic Training curriculum director. Fall term admission application deadline is March 1, Spring term admission deadline is October 1. Students admitted to the athletic training program are required to have liability insurance through The University of Southern Mississippi. In addition to filing an application, the following minimum requirements must be met for consideration for admission to the Athletic Training program: a) 2.80 overall GPA; b) a minimum of “B” in HPR 219, BSC 250/250L or BSC 251/251L, CHS 101, and PSY 110; c) observation and evaluation by clinical instructors, d) clinical experience, and e) submission of a completed physical examination by a physician or nurse practitioner, a TB skin test (or chest x-ray if positive), a current tetanus
immunization (within 10 years), and a verification of Hepatitis B vaccination or option. All students admitted to the Athletic Training program must adhere to the program retention policies which include: a) achievement of a grade of B or better in CHS 101, PSY 110, BSC 250, 250L, 251, 251L; NFS 362; and HPR courses required in the degree program, b) maintain a 2.80 overall GPA, and c) adherence to codes of moral/ethical conduct (see Code of Ethics of the National Athletic Trainers’ Association). Students must accumulate a minimum of 1125 hours of supervised clinical experience in laboratory/clinical courses over fall and spring semesters. Laboratory/practicum courses for supervised clinical experiences are offered only during the fall and spring semester, and not during summer school. Students are not allowed to complete two clinicals in any one semester. Progression to the upper division athletic training courses shall be reserved for: a) students admitted to the Athletic Training Program, and b) upper division students who receive instructors’ permission. A student who drops below an overall 2.80 GPA in the program will be placed on probation in the program for one semester. If the student does not obtain an overall 2.80 GPA during the probation semester, he/she will be dismissed from the program. Notification of dismissal from the program will be sent to the student by the program director. The student must petition in writing to the Athletic Training Admission and Progression Committee for consideration for readmission to the program.

Kinesiotherapy Program Admission and Retention

All students seeking KT specialization must meet all admission requirements with the University and the School of Human Performance and Recreation. Second level admission to the KT specialization will be required in order for students to enroll in upper level specialization requirements and complete all internships. Students may apply for second level admission to the KT specialization upon successful completion of selected courses within the University General Education Core and the following major course requirements: THY 411; HPR 148, 301, 301L, 302, 303, 308, 308L, 370, 401, 404, 421, 423, and 423L. A 2.80 overall GPA is required for admission into the KT specialization. Students enrolled in the KT specialization must maintain a 2.80 GPA throughout the program. Those students who drop below this GPA will be subject to review for continuance in the program. Students enrolled in the KT specialization must achieve a “C” or better in all HPR, PSY, BSC, and THY courses.

Requirements for a Minor in Physical Education

All students pursuing a MS “add-on” endorsement in physical education to their secondary education standard licensure must complete eighteen (18) hours in Human Performance courses. The following courses are required for a minor in Physical Education: HPR 314, 320, and 326. The remaining nine (9) hours should be selected from HPR 308, 308L, 401, 404, or 301/301L.

Recreation

The Bachelor of Science degree program in Recreation offers professional preparation in two distinct areas of recreation: Recreation Administration and Therapeutic Recreation. All Recreation majors must complete a 39 to 42 semester hour degree core as well as the University core requirements. Majors must also select one of the two emphases and complete course requirements specific to the emphasis. The Recreation Administration emphasis is designed to prepare students for professional employment in a variety of recreational settings including community-based, commercial or outdoor recreation and park management. Students graduating from this program are immediately eligible to take the Certified Leisure Professional (CLP) Examination and apply for CLP certification.

The Therapeutic Recreation emphasis is designed to prepare students for professional positions as Therapeutic Recreation specialists in a variety of settings. Therapeutic Recreation Specialists may work with individuals with physical, mental, emotional, or social limitations in either institutionalized or community-based settings. Upon successful completion of the certification examination, graduates with the Therapeutic Recreation emphasis are eligible for National Council for Therapeutic Recreation Certification (NCTRC).

Requirements for a Minor in Recreation

All students pursuing a minor in Recreation must complete eighteen (18) hours in Recreation-related HPR courses. The following courses are required: HPR 200, 322, and 323. The remaining nine (9) hours may be selected from approved electives following consultation with a recreation adviser.

School of Social Work

Earlie M. Washington, Director
Timothy Rehner, Baccalaureate Program Coordinator
Hattiesburg, MS 39406-5114
(601) 266-4163
Brooks, Desselle, Pegues, Rehner, Thornton, Williams

Purpose

The primary purpose of the School of Social Work is to provide professional social work education to undergraduate and graduate students. The social work profession recognizes the bachelor’s degree as the first practice degree. The primary objective of the undergraduate program is to prepare students for entry level generalist social work practice. The undergraduate program also prepares students to enter graduate schools of social work or other professional degree programs.

History

Undergraduate courses in social work were transferred from the Department of Sociology and Anthropology to the School of Social Work effective July 1, 1988. The Bachelor of Social Work degree was approved by the Board of Trustees of the State Institutions of Higher Learning in December, 1989.

Accreditation

The B.S.W. Program was granted full accreditation by the Council on Social Work Education in February 1996, retroactive to 1992.

Baccalaureate Social Work Education

The Baccalaureate program offers broad preparation in general education, as well as education for the professional practice of social work in a variety of settings. In addition to the professional component, courses in the liberal arts, the humanities, and the sciences are selected to prepare the student to assume effectively the roles of citizen and professional practitioner.

Social work is concerned with the interaction between people and their environment. Social workers deal directly with people in an effort to prevent or resolve problems which inhibit growth and development. Social work practice includes work with individuals, families, groups, organizations, and communities. The undergraduate social work program is structured to provide students with an opportunity to develop a broad background in the social and behavioral sciences. Theoretical knowledge of individual development, group processes, and organizational behavior are integral components of the curriculum. The development and modification of social policy, practice skills in interviewing, research, and methods of intervention are content areas covered in social work courses to prepare students for social work generalist practice. In addition to required courses in the major, students are expected to gain practical experience through a field practicum in a social work agency during their senior year. Thus, a liberal arts background is integrated with the social work curriculum to help students develop a common core of knowledge and skills.
Admissions
All students entering the School of Social Work are subject to the admission procedures and standards of the University. Admission to the School of Social Work at The University of Southern Mississippi, however, does not ensure progression to the upper division social work major. Initially students are admitted to the pre-social work program. An application to the B.S.W. major may be submitted when a student has successfully completed the following:

1. A minimum of 56 credit hours of the 61 credit hours of university general education requirements.
2. An overall grade point average of 2.5 or above.
3. A grade of C or better in all university core requirements (including transfer courses) used to meet the social work degree requirements.
4. Forty hours of volunteer experience as part of SWK 230.
5. Completion of SWK 230, SWK 300, and SWK 315 with a minimum of a C in each course.
6. An interview with the Admissions Committee.

The number of students admitted each semester will vary according to the resources available. Academic credit for life and previous work experiences will not be granted in lieu of the field practicum or any other required social work course.

Progression
The following progression policies apply to all students admitted to the B.S.W. program:

1. A minimum grade point average of 2.5 must be maintained in all social work courses.
2. A grade of C or higher in each course in the social work curriculum, with the exception of field instruction, must be earned.
3. A grade of B or higher must be earned in field education.
4. The student must adhere to the standards of conduct listed in the Social Work Code of Ethics.

Field Education
After completing all course work, students enroll in a field practicum. The practicum allows students to apply the generalist problem-solving method in an agency serving individuals, families, groups, organizations, and communities. Students are provided opportunities to work with client systems from diverse racial, ethnic, cultural, sexual orientation, social, and religious backgrounds. Students practice in a social work agency or organization eight hours per day, Monday through Thursday, for a total of 450 clock hours during the semester. To promote integration of classroom learning and agency experience, students attend a field seminar on Friday. The student must obtain a grade of B or higher in Field Education in order to be awarded a Bachelor of Social Work Degree.

Requirements for Field Practicum
Students must submit formal application to the Field Education Coordinator at the beginning of the semester prior to registering for the field practicum. Practicum students must: (1) complete all B.S.W. required liberal arts courses (61 hours); (2) complete 61 hours of the social work core curriculum and foundation electives; (3) maintain a 2.5 cumulative grade point average; (4) have been admitted to the B.S.W. program; (5) register for SWK 431-Field Seminar; (6) spend a minimum of 450 clock hours in a field setting designated by the Field Education Coordinator. While in the field practicum, students will be assessed a fee to cover the cost of Professional Liability Insurance.

Student Advisement
Advisement is an essential component of the B.S.W. program. Each student admitted to the program will be assigned an adviser. The adviser will orient students to the B.S.W. program, assist them in assessing their aptitude and motivation for a social work career, evaluate each student’s performance and guide students in selecting coursework. When requested or required, the adviser also helps students resolve personal problems that affect the attainment of their educational goals.

Probation and Suspension
University regulations governing probation and suspension are outlined in this Bulletin under “General Academic Requirements—Academic Standards.” In addition, students not meeting the progression policies outlined above will be subject to suspension from the B.S.W. program.
Students not meeting the University grade point requirements will be placed on probation or suspended. Academic advisers should be consulted to assist students on probation. Any reinstatement must comply with University regulations and have approval from the Director of the School of Social Work and the Dean of the College.

Graduation Requirements

Graduation requirements must be met under the catalog of the academic year in which the student is admitted into the professional B.S.W. degree program, or a more recent catalog, provided the catalog is not more than six years old at the time of graduation. In order to graduate, students must meet all prescribed course requirements and meet the progression policies of the School of Social Work.

Students must file an “Application for Degree” at least one semester in advance of the anticipated semester of graduation. The application requires the signature of the student, the adviser, and the Director of the School. The degree application process is completed when the application is filed by the student.

Center for Community Health

Vivien Carver, Acting Director
Hattiesburg, MS 39406-5122
(601) 266-5437

Ahua, Carver, Eslin, Graham-Kresge, Hinton, Khoury, McGuire, Mitra

The Center for Community Health was established in 1989 as an organizational focus for expanded activities in community health within the College of Health and Human Sciences. The Center offers an undergraduate degree with a major in Community Health Sciences. At the graduate level, the Center offers the only Master of Public Health degree in Mississippi, with emphasis areas in Health Education, Health Administration, Occupational Health and Safety, and Public Health Nutrition. The Center also serves as a base for interdisciplinary research and demonstration activities in such areas as rural health policy, lay health advisers, access to health care for disadvantaged populations, injury prevention, health promotion, and disease prevention.

This program of study is designed to prepare students for professional careers in health education and administration in a wide variety of health organizations such as voluntary health agencies, private agencies and industry, public health departments and other governmental agencies, community health centers, multispecialty clinics and hospitals.

Community Health is an applied science which seeks to bridge the gap between the findings of health-related research and the application of the findings to the daily lives of those who engage its services. Its functions are based on scientific principles, and its processes employ intellectual, psychological, and social dimensions as it attempts to increase the ability of people to make informed decisions about behaviors that affect personal, family and community well-being.

Community Health also applies learning from the social, behavioral, political and management sciences to the management of health care organizations and programs.

The program requires study in the foundations of community health programs and services, population sciences, biological sciences, disease causation and prevention, planning, and administration of health programs. Through the careful selection of electives and minors, students may direct their studies to achieve differing career goals. Students interested in careers in community or school health education will take electives in the content areas of health education (e.g., human sexuality, drugs, and alcohol abuse, safety, etc.) and select an area of concentration in Speech Communication, Psychology, Exercise Science, Nutrition and Dietetics or other areas approved by their advisers. Students desiring teaching licensure will minor in secondary education and meet all the requirements in the professional education core. Careful sequencing of professional education courses is necessary in order to complete the degree in a timely manner.
Upon selecting Community Health Sciences as a major, students are assigned an adviser who will work closely with them over the course of their program. The Center emphasizes effective advising to ensure adequate preparation for careers in community health, school health, and health administration.

Community Health Sciences majors must meet the following criteria:

1. Have an overall GPA of 2.50 or higher before taking CHS 408, 409, and 411.
2. Have a grade of “C” or better in all courses required for the major.

Requirements for a Minor in Community Health Sciences

Students pursuing a minor in Community Health Sciences must complete a minimum of eighteen (18) hours of CHS courses including CHS 101, 210, and 409.

Requirements for a Minor in Health Policy and Administration

Students pursuing a minor in Health Policy and Administration must complete CHS 321, 412, 420, 425, 427, and 460.

The Hospitality Management (HM) program provides lifetime career opportunities in the fastest growing segment of the service economy. Careers in lodging, food and beverage, and travel and tourism are abundant, exciting and rewarding. The need for educated individuals who are committed to providing quality service in a professional manner, who possess critical thinking skills and who enjoy working with people is crucial for continued success. Hospitality and tourism employers recognize a college education as the best preparation for those who desire a career as a hotel or restaurant manager, a tourism district director and many other titles.

The HM program at the Hattiesburg and Gulf Coast campuses requires its students to obtain practical experience in the form of practicums and internships to augment and apply the skills and theories covered in class. One of these is the Fern Hesson Charcoal Room, an academic food service laboratory in Vann Hall that provides Hospitality Management students with direct experiences in all phases of operating a quantity food service facility. The Charcoal Room serves a noon meal to faculty, staff, and the community during each academic semester. HM graduates have established careers in resorts, lodges, hotels, retirement villages, restaurant chains, visitor bureaus, cruise ships, tour companies, and in meeting and convention centers. The USM Hospitality Management curriculum is designed to ensure a comprehensive understanding of the service sector and to prepare students for management positions.

Requirements for a Minor in Hospitality Management

A minor in Hospitality Management shall consist of a minimum of twenty-one (21) hours. Required courses are HM 300, 342, 380, and 482 for a total of twelve (12) hours. The remaining 9 hours of HM electives are chosen with the advice of HM faculty, depending on individual student interest in lodging management, food and beverage management, or tourism management. Courses not available in the minor are HM 379 and 479.

- 20 HPR 434
- 21 TOE 467 OR BTE 467
- 22 GENERAL ELECTIVES: SEE ADVISER TO SELECT COURSES NEEDED TO COMPLETE MINIMUM NUMBER OF HOURS IN THE PROGRAM

A Minimum of 128 Hours in Program
A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
01. REASONING AND COMMUNICATIONS (12 HRS)
01. ENG 101 AND ENG 102
02. MAT 101 OR HIGHER LEVEL
03. SCM 111 OR SCM 305 OR SCM 330

02. HUMANITIES AND FINE ARTS (12 HRS)
01. ENG 203
02. HIS 101 AND HIS 102
03. AA 100 OR ART 130 OR DAN 107 OR MUS 365 OR THE 100

03. SOCIAL AND BEHAVIORAL SCIENCES (9 HRS)
01. PSY 110
02. CHS 101
03. SELECT 3 HOURS FROM COURSES DESCRIBED AS CATEGORY III REQUIREMENTS IN THE GENERAL EDUCATION CURRICULUM, (ANT, BA, ECO, FAM, GHY, PS, OR SOC)

04. NATURAL SCIENCES (11 HRS)
01. BSC 250, BSC 250L
02. SELECT 1 LAB SCIENCE APPROVED UNDER THE GENERAL EDUCATION CURRICULUM
03. NFS 362

05. HUMAN WELLNESS (1 HR)
01. HPR 105

06. MAJOR CORE REQUIREMENTS (30 HRS)
01. HPR 148
02. HPR 301, HPR 301L
03. HPR 303
04. HPR 308, HPR 308L
05. HPR 309
06. HPR 401
07. HPR 404
08. HPR 421
09. HPR 423 AND HPR 423L
10. HPR 426

STUDENTS SELECTING THE K-12 PHYSICAL EDUCATION TEACHER LICENSURE SPECIALIZATION SHOULD COMPLETE THE FOLLOWING REQUIREMENTS (56 HRS)
STUDENTS MUST SELECT THREE COURSES FROM THE FOLLOWING:
HPR 140, 160, 183, 184, 185, 300, OR 380.
11. HPR 146
12. HPR 147
13. COMPLETE 1 HOUR FROM COURSE HPR 210
14. HPR 205L
15. HPR 220
16. HPR 284
17. HPR 314
18. HPR 321
19. HPR 326
20. HPR 462, 462L
21. HPR 463
22. PSY 374
23. REF 400
24. REF 469
25. SPE 400
26. HPR 490
27. HPR 491
28. GENERAL ELECTIVES. SEE ADVISER TO SELECT COURSES NEEDED TO COMPLETE MINIMUM NUMBER OF HOURS REQUIRED IN THE PROGRAM
29. SELECTION OF ELECTIVES COURSES LEADING TO A SECOND TEACHING ADD-ON ENDORSEMENT AREA IS HIGHLY RECOMMENDED.

STUDENTS SELECTING THE KINESIOThERAPY SPECIALIZATION SHOULD COMPLETE THE FOLLOWING REQUIREMENTS (51 HRS)
11. HPR 146 or 147
12. BSC 251, BSC 251L
13. HPR 302
14. HPR 370
15. HPR 374
16. PSY 375
17. HPR 406 or 452
18. HPR 422 or 408
19. THY 411
20. THY 412
21. THY 413
22. THY 421
23. PSY 426
24. PSY 436
25. THY 451
26. THY 461
27. THY 462
28. THY 463
29. THY 464
30. THY 471
31. THY 472
32. THY 473
33. THY 474
34. GENERAL ELECTIVES. SEE ADVISER TO SELECT COURSES NEEDED TO COMPLETE MINIMUM NUMBER OF HOURS REQUIRED IN THE PROGRAM

A Minimum of 128-133 Hours in Program
A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM

College of International and Continuing Education

Tim W. Hudson, Dean
Mark Miller, Associate Dean
website: http://www-dept.usm.edu/~cice/main.html

In February, 1991, the Center for International Education and the Division of Lifelong Learning were combined to form the College of International and Continuing Education. In September 1998, the academic Department of Geography and Planning was moved from Liberal Arts into the College. At this time a new Department of Economic Development was established, which houses a MS program in Economic Development and a Ph.D. program in International Development (consult the Graduate Bulletin for information on graduate programs). The College is an administrative entity under the Office of the Provost, and operationally divided into the undergraduate academic areas of geography and planning, the Center for International Education, and Continuing Education.

The mission of the College of International and Continuing Education is fourfold. First, to prepare individuals for the opportunity of entering the work place in the professional and applied academic fields of geography, geographic techniques, and community planning. Second, to serve as liaison between the University’s academic programs and the community at large through continuing education. Third, to coordinate international admissions and student services, and administer the University’s extensive Study Abroad program. And fourth, to provide intensive English instruction for international students.

Academic Programs
The following College and University core requirements must be completed for the Bachelor of Arts and Bachelor of Science degrees in either geography or planning.

General Education Requirements for the Bachelor of Arts and Bachelor of Science Degrees in the College of International and Continuing Education

I. Reasoning and Communication Skills (12 hours)
- ENG 101, 102 .........................................................................................................................................6
- MAT 101 ................................................................................................................................................3
- SCM 111, 305, or 330.............................................................................................................................3

II. Humanities and Fine Arts (18-33 hours*)
- ENG 203 .................................................................................................................................................3
- Fine Arts (AA 100, ART 130, MUS 365, DAN 107, or THE 100) .......................................................3
- Foreign Language for BA degree only (see discussion, next page) .....................................................12
- HIS 101, 102...........................................................................................................................................6
- Humanities Elective(s) ......................................................................................................................3-6

   Three to six hours chosen from any of the following, with no more than three hours from any one discipline: AMS 304, 404; ENG 200, 201, 202, 350, 351, 370, 371; HIS 201, HIS 202; RTF 170
- PHI 151 or REL 131 ...............................................................................................................................3

III. Social and Behavioral Sciences (12-15 hours*)

Choose from at least four of the following disciplines: ANT 101, 221; ECO 201; GHY 101, 102, 331, 341; PS 101, 201, 321, 331; PSY 110/L; SOC 101, 240, 314

IV. Natural and Applied Sciences (11 hours)

Laboratory Science (recommended courses include AST 111/L, AST 112/L, BSC 103/L, CHE 104/L, GLY 101/L; but any Category IV Laboratory Science course will suffice) .........................................................................................................................................8

Science or Mathematics Elective (recommended courses include ANT 241, ESC 301, NFS 362, GHY 325; but any Category IV Elective will suffice) .............................................................................3

V. Human Wellness (2 hours)
- NFS 167 ................................................................................................................................................1
- HPR 105 ................................................................................................................................................1
Students completing three hours of humanities electives in Category II should take fifteen hours of social and behavioral sciences (Category III); those completing six hours of humanities electives should take twelve hours of social and behavioral sciences. In the PACE Degree Plans the Humanities/Social Science elective appears in Area 06.

Standards for Admission and Transfer
High school graduates and transfer students from other accredited colleges or universities may be admitted directly to the College and to their chosen major program. Students desiring to transfer to the College from another college within The University must be in good academic standing; normally they must present a minimum GPA of 2.0 in order to be admitted to a major program. Students entering the college will be assigned to an appropriate faculty member for academic advisement.

Foreign Language Requirements
The Bachelor of Arts degree offered by the College requires proficiency in a foreign language, to be chosen from among those offered by the Department of Foreign Languages and Literatures. Normally twelve (12) hours of beginning and intermediate foreign language instruction are required, through course level 202. Students are encouraged to begin their study of foreign language during the first semester of their freshman year, and encouraged to participate in an overseas immersion experience.

Students with previous experience in languages (such as courses from high school or community college) may satisfy this requirement through advanced placement in as few as six hours (course level 201, 202). Course credit for previous work in language may be acquired through the CLEP examination; for details contact Department of Foreign Languages (phone: 266-4964) or the CLEP officer in Admissions (phone: 266-4508). With approval of the department chair and the dean, international students may use their native language as an exemption from this requirement.

Study Abroad
(See Office of International Programs below.)

PACE Office
Joan Brashears, PACE Advisement Supervisor
Hattiesburg, MS 39406-5123
(601) 266-5616

The College makes full use of the Programmed Academic Curriculum Evaluation (PACE) program in advising. The college believes that the contact between student and adviser is a vital one, and the PACE program facilitates a maximum use of these hours spent together in conference. The University and College core PACE requirements are listed above; requirements for the major, minor, and electives are listed under the two academic programs outlined below.

Department of Geography and Planning
Robert W. Wales, Chair
Hattiesburg, MS 39406-5051
(601) 266-4729

Harrison, McKee, Panton, D. Williams (See Economic Development in Graduate Bulletin for T. Hudson, M. Miller, and Swager.)

Career opportunities in city and community planning, human resources analysis, climatology, cartography, computer mapping, geographic information systems, remote sensing, and teaching are available through several professional degree programs. An emphasis area in Geographic Information Technology is also available, requirements for which are listed in a separate section of the Bulletin. The department’s undergraduate programs also provide preparatory work for professional positions in economic and industrial development where a master’s degree may be required. Consult the Graduate Bulletin for information on graduate programs in both economic development and geography.
Undergraduate courses in geography may be categorized as follows: regional (400 through 408 sequence), techniques (410 through 417), and topical (remaining courses numbered above 300). Planning courses are prefixed with a PLG and described under the heading Planning in the Course Description section of this Bulletin.

Students entering the Department of Geography and Planning will major in one of four degree-granting programs offered through the department. These include:

1. Bachelor of Arts and Bachelor of Science in Geography
2. Bachelor of Arts and Bachelor of Science in Community Planning and Development

Geography Program

A student majoring in geography will work toward the Bachelor of Arts or Science degree. The student, working closely with an adviser, will tailor the course work to fit his or her career goal. All students pursuing a major in geography must complete the following requirements, which include a minimum of thirty-six (36) hours in the department and a minor or related electives:

<table>
<thead>
<tr>
<th>Hours</th>

</tr>
<tr>
<td>Minor or Related Electives</td>
</tr>
<tr>
<td>Electives</td>
</tr>
<tr>
<td>Total: 128</td>
</tr>
</tbody>
</table>

Teacher Licensure

Students seeking teacher certification in geography should do so through the Department of History, which offers a certification program in social studies. Such students may wish to pursue a double major in history and geography.

Requirements for an Emphasis in Geographic Information Technology

This is an emphasis area within the BA degree program and prepares students for professional employment or graduate study in fields applying computerized methods of geographic data analysis. Majors emphasizing cartography, remotely sensed image interpretation, and Geographic Information Systems (GIS) will meet Federal Civil Service Commission qualification standards under the job title Cartographer. These same standards also qualify graduates for entry into the job market wherever geographic information is being used in the public or private sector.

Requirements for a Minor in Geography

Students minoring in geography must complete eighteen (18) hours including GHY 101 or 102. Six (6) hours should be taken from two of the following three groups of courses: regional (400 through 409), techniques (410 through 417), or topical (remaining courses numbered 300 and above). The remaining nine (9) hours can be chosen from courses numbered 300 and above.

The Community Planning and Development Program
Hattiesburg, MS 39406-5051
(601) 266-4729

The purpose of the program is to develop versatile professional planners with skills and knowledge applicable in both the public and private sectors. The interdisciplinary curriculum provides an understanding of the various factors and processes which impact community growth and change, including economic, social, and environmental factors. In addition to developing critical analytical skills, the design of the program allows for development of applied technical skills. Each student also gains practical experience during a professional internship. For those students seeking to pursue advanced studies, the program provides preparation for a variety of graduate and professional schools.

Students who are interested in community planning and development but do not elect to complete the major may choose to minor in the area or complete a certificate program. The certificate program enables students from any discipline to develop a specialty in one of the following aspects of community planning and development: land development and planning, tourism planning and development, and environmental planning and development.

Requirements for a Major in Community Planning and Development
A student majoring in Community Planning and Development will work toward a Bachelor of Arts or Science degree. The student will work closely with an adviser to tailor a program to meet his or her career goals. All students pursuing a major in Community Planning and Development must complete the following requirements:

<table>
<thead>
<tr>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Core for the College of International and Continuing Education</td>
</tr>
<tr>
<td>Planning and Development Core: PLG 360, PLG 450, PLG 461, PLG 463, PLG 464, PLG 465, PLG 469, PLG 462 or PLG 466, PLG 491, (GHY 416, GHY 416L) OR (GHY 417, GHY 417L), GHY 411, GHY 411L OR GHY 325, GHY 325L, REI 330, GHY 415 OR OTHER APPROVED SIMILAR QUANT COURSE. STUDENTS MUST DEMONSTRATE COMPUTER SKILL PROFICIENCY OR TAKE ONE OF THE FOLLOWING COURSES: CSC 100 OR MIS 201</td>
</tr>
<tr>
<td>Electives (chosen with the consent of the student’s academic adviser)</td>
</tr>
<tr>
<td>Total:</td>
</tr>
</tbody>
</table>

Depending on the student’s interest, six or more courses should be selected to complete a minor in an appropriate area (examples include political science, environmental sciences, international studies, economics, geography, tourism management). Students may also complete a certificate program as described in the following section.

Requirements for a Minor in Community Planning and Development
To obtain a minor in Community Planning and Development, the students must complete eighteen (18) hours of planning and related courses. PLG 360 and PLG 465 must be included.

Requirements for a Certificate Program
The certificate program is open to any USM student, regardless of major. Each certificate requires fifteen hours of course credits in a specialty area. An application can be obtained from the Community Planning and Development Program Director.

Land Development and Planning Certificate
The development of land and the amount and pattern of urban growth is influenced by many factors including how government organizations approach the land use planning process. This certificate program provides an understanding of the relationships between urban growth and the land development planning process, including the various tools and techniques used in planning and development. The certificate would benefit those wishing to learn more about the impacts of public-sector planning policies and practices on the private-sector property development process.
Required course:
PLG 360 Introduction to Community Planning and Development
PLG 461 Planning and Development Law
PLG 464 Physical Infrastructure for Planning and Development
PLG 465 Land Use Planning and Policy
REI 330 Real Estate Principles

Environmental Planning and Policy Certificate

How are environmental choices made? What tools, techniques, and ways of thinking provide insight into the debates surrounding environmental issues? The course work in this program focuses on these and other questions concerning the dynamics between natural and human systems. Whatever the student’s major or profession, environmental issues are impacting many aspects of daily life—whether real estate development, public administration, tourism development, construction technology, or community planning, chances are that environmental laws, issues, or policies will be a concern.

Required courses:
PLG 462 Environmental Planning and Policy
PLG 461 Planning and Development Law or CJ 431 Environmental Law
ESC 301 Living in the Environment

Electives: Select two depending on interests
PHI 457 Environmental Ethics
BIO 436/L Conservation Biology
GHY 370 Conservation of Natural Resources
GHY 473 Water Resources
ESC 405 Environmental Impact Statements
GLY 306 Environmental Geology (also taught in Jamaica)
PLG 360 Introduction to Community Planning and Development

Tourism Planning and Development Certificate

Tourism and related activities are among the largest industries in the world. This program is designed to give participants interdisciplinary training in the many facets of planning and developing tourism. Courses provide insight into the role and interaction of the public and private sectors in tourism. Five courses must be completed:
PLG 360 Introduction to Community Planning and Development
PLG 466 Economic Development Seminar in Tourism Planning and Development or
HRT 483 Dimensions of Tourism
ANT 437 Archaeology and Public Policy (includes management of cultural resources) or
HPR 447 Interpretation of Cultural and Natural Resources

Electives: Select two depending on interests
PLG 462 Environmental Planning
GHY 489 Caribbean Studies (taught in Jamaica, includes tourism development, eco-tourism)
HRT 490 International Studies in Hotel, Restaurant, and Tourism Management
(taught in the British Isles)
HRT 494 Tourism Destination Development
MKT 458 Promotion Management
HPR 436 Park and Recreation Planning
HPR 464 Issues in Commercial Recreation

PACE Degree Plan
Center for International Education

Box 10047
Hattiesburg, MS 39406-0047
U.S.A.
(601) 266-4344
FAX (601) 266-5699

The Center for International Education administers all programs bringing international students to USM and coordinates all programs sending USM students abroad for academic credit. In addition, the Center strives to promote a spirit of internationalism on the USM campuses; to assist academic departments in the internationalization of curriculum; to encourage student, faculty, and library development in the international sphere; and to assist business and government in projects of an international nature.

The Center is comprised of three components: the English Language Institute, the Office of International Student Affairs, and the Office of International Programs.

English Language Institute

Audrey D. Blackwell, Director
Box 5065
Hattiesburg, MS 39406-5065
U.S.A.
(601) 266-4337
FAX (601) 266-5723
e-mail: eli@usm.edu
website: www-dept.usm.edu/~cice/eli

The English Language Institute (ELI) delivers quality intensive English instruction for international students. The program, which accommodates students from beginning to advanced language proficiency, is administered by a professional, experienced faculty dedicated to providing ESL instruction via proven methodology.

The ELI fosters cross-cultural awareness within the university and the community by offering ELI students opportunities of interaction with native English speakers both on and off campus.

Founded in 1947, it is among the oldest language institutes in the United States and is authorized under Federal law to enroll non-immigrant alien students.

Office of International Student Affairs

Barbara Whitt Jackson, Director
Box 5151
Hattiesburg, MS 39406-5151
U.S.A.
(601) 266-4841
FAX (601) 266-5839
website: www.isa.usm.edu
e-mail: isa@usm.edu

The Office of International Student Affairs (ISA) coordinates all facets of international admissions and student services. The ISA provides counseling on immigration regulations, personal matters, culture shock and adjustment, as well as some academic counseling in conjunction with the various departments. The Office processes all international applications, evaluates foreign academic credentials and issues the appropriate immigration documents for the non-immigrant foreign student. Multi-cultural programming for the international students and the community is also coordinated by the ISA.

The ISA Office disseminates USM information to foreign schools, U.S. embassies and consulates abroad, and non-profit international organizations (such as the Institute for International Education).

This Office also provides information to and immigration documents for research scholars invited by various USM departments to participate in limited research opportunities.
Office of International Programs

Susan Steen, Director
Box 10047
Hattiesburg, MS 39406-0047
U.S.A.
(601) 266-4344, 266-5147
FAX (601) 266-5699
e-mail: oip@usm.edu

The Office of International Programs administers a variety of programs providing USM students both long-term and short-term opportunities to study abroad for academic credit. Summer-term programs offering regular USM academic credit include:

The British Studies Program, a summer term in London in which USM functions as the academic and logistical linchpin for an 11-school consortium comprised of the University of South Alabama, The University of Memphis, Hinds Community College, Midwestern State University, Texas A.M. University–Commerce, Northeast Louisiana University, Southeastern Louisiana University, Mississippi College, Henderson State University, Methodist College, and Texas Tech University.

The African Studies Program in Kenya
The Austrian Studies Program in Vienna, Austria
The Australian Studies Program, Australia and New Zealand
The Health Care in Australia
The Caribbean Studies Program in Jamaica
The Contemporary French Culture and History Program
The French Photograph Program
The Cuban Studies Program in Havana and Varadero, Cuba
Das Treffen Music and Performing Arts Festival in Germany
The European Union Program (Paris, Brussels, England)
The Irish Studies Program
The Italian Studies Program
The Mexican Studies Program (Cancun, Mexico City)
The Scotland Theatre Experience
The Spanish Language Program in Cuernavaca, Mexico
The Spanish Language Program in Madrid and Nerja, Spain

Other academic study abroad programs coordinated by this office are–

Semester- and year-abroad exchanges:
Macquarie University, Sydney, Australia
University of Victoria, Canada
Keele University, Stoke-on-Trent, England
Ecole Supérieure du Commerce Extérieur, France
University of Bonn, Germany
University of the Yucatán, Mérida, Mexico
University of Alcalá de Henares, Madrid, Spain
University of Wales, Swansea

A summer internship program in Britain coordinated by the University of Wales, Swansea

A student practice teaching program in England for education majors.

The transatlantic Summer Academy program for Politics/International Studies majors in Bonn, Germany

Continuing Education and Distance Learning

Sue Pace, Director
Box 5055
Hattiesburg, MS 39406-5055
(601) 266-4210
e-mail: sue.pace@usm.edu

USM Continuing Education functions to complement The University of Southern Mississippi’s overall mission of teaching, research and service. By serving as liaison between the University and the community at large, the Department extends access to the educational programs of the institution, through multiple delivery systems, to individuals at various stages of their lives and careers for intellectual, professional, social and cultural advancement.
Continuing Education acts in partnership with the academic colleges to link faculty expertise and resources with the needs of the University’s clients and constituencies. In this role, Continuing Education serves as an agent for opportunity, innovation and quality.

The Department of Continuing Education and Distance Learning accomplishes its mission by providing educational opportunities in settings and formats that broaden the University’s traditional modes of delivery.

Credit and Distance Learning: The Office of Credit Programming and Distance Education has the responsibility of coordinating and administering all credit intensive, weekend, intersession, and extension courses. Included, too, are courses available on the Internet and select courses using compressed interactive video. Courses offered through this office are the result of collaborative relationships with the University’s academic departments. In addition, academic courses may be arranged in a format and location to meet the specific needs of governmental, business, industrial, and educational groups.

Noncredit: Noncredit Programming maintains responsibility for a diversity of programming which serves as liaison between the University and the community. This office coordinates and administers the logistical details for all noncredit conferences, institutes, workshops, clinics, camps, short courses, and special training programs sponsored through the University. The office also provides convention and annual meeting coordination assistance to professional associations, fraternal organizations, and other education groups. A Listener’s License Program is available which enables individuals to utilize University resources by observation within the academic class setting on a non-participating basis. The Continuing Education Unit (CEU), also offered through Noncredit Programming, is a nationally recognized unit of measure for non-credit continuing education programs. It is designed to document learning experiences which are valid in their own right, but differ from experiences for which academic credits are traditionally awarded.

Independent Study: Through independent study, a student may earn up to thirty-three hours of undergraduate university credit or one complete unit of high school credit. A complete high school curriculum and a wide variety of university-level course offerings are available.

Independent study allows the student to earn credit through the advantages of home study. These courses are particularly suited to the needs of the student who is unable to attend the University on a regular schedule.

Institute for Learning in Retirement. The Institute for Learning in Retirement is an association of active women and men, 50 years of age or older, who seek to explore stimulating learning experiences while developing new friendships.

In the world of change and complexity, the Institute brings insight and perspective to interested - and interesting - adults who wish to pursue activities of the mind in an informal and supportive environment.

The Institute’s program recognizes that a growing number of adults are adventurous, active, and intellectually curious. The cornerstone is peer-learning and shared responsibility. The strength of the program is that it is self-directed and run for and by the members. It draws on members’ talents and experiences as instructors, facilitators, and leaders.
COMMUNITY PLANNING AND DEVELOPMENT (*BA, BS)

PACE Degree Plan

01. REASONING AND COMMUNICATION SKILLS (12 HRS)
   01 ENG 101 AND ENG 102
   02 MAT 101
   03 SELECT 1 COURSE FROM SCM 111, SCM 305, SCM 320, SCM 330

02. HUMANITIES AND FINE ARTS (18-30 HRS)
   01 ENG 203
   02 SELECT 1 COURSE FROM AA 100, ART 130, DAN 107, MUS 365, THE 100
   03 HIS 101 AND HIS 102
   04 HUMANITIES: SELECT 1 COURSE FROM AMS 304, AMS 404, ENG 200, ENG 201, ENG 202, ENG 350, ENG 351, ENG 370, ENG 371, HIS 201, HIS 202, RTF 170.
   05 PHI 151 OR REL 131
   *06 CANDIDATES FOR THE BA MUST SELECT AT LEAST 12 HRS OF ANY ONE FOREIGN LANGUAGE. FOREIGN LANGUAGE IS NOT REQUIRED OF STUDENTS PURSUING THE BS.

03. SOCIAL AND BEHAVIORAL SCIENCES (12 HRS)
   01 SELECT 12 HRS FROM COURSES (MAXIMUM OF 3 HOURS PER DEPT): ANT 101, ANT 221, ECO 201, GHY 101, GHY 102, GHY 331, GHY 341, PS 101, PS 201, PS 321, PS 331, PSY 110, SOC 101, SOC 240, SOC 314.

04. NATURAL AND APPLIED SCIENCES (11 HRS)
   01 LAB SCIENCE: 8 HRS. RECOMMENDED COURSES INCLUDE (AST 111, AST 111L, AST 112, AST 112L, BSC 103, BSC 103L, CHE 104, CHE 104L, GLY 101, GLY 101L).
   02 SCIENCE OR MATH ELECTIVE: (3-4 HRS.) SCIMATH ELECTIVE MUST NOT DUPLICATE CONTENT OF LAB SCIENCES. RECOMMENDED ARE: ANT 241, ESC 301, NFS 362, GHY 325.

05. HUMAN WELLNESS (2 HRS)
   01 NFS 167
   02 HPR 105

06. HUMANITIES/SOCIAL SCIENCE ELECTIVE (3 HRS)
   01 SELECT 1 COURSE FROM AMS 304, AMS 404, ENG 200, ENG 201, ENG 202, ENG 350, ENG 351, ENG 370, ENG 371, HIS 201, HIS 202, ANT 101, ANT 221, ECO 201, GHY 101, GHY 102, GHY 331, GHY 341, PS 101, PS 201, PS 321, PS 331, PSY 110, SOC 101, SOC 240, SOC 314, RTF 170.

07. MAJOR REQUIREMENTS (39-41 HRS)
   01 PLG 360, PLG 450, PLG 461, PLG 463, PLG 464, PLG 465, PLG 469, PLG 462 OR PLG 466, PLG 491
   02 GHY 410Z OR GHY 417L
   03 GHY 415 OR OTHER APPROVED SIMILAR COURSE
   04 GHY 415 OR OTHER APPROVED SIMILAR COURSE
   05 REL 330

08. ELECTIVES (17-31 HRS.)
   01 CHOOSE ELECTIVES AS NEEDED. A MINIMUM OF 128 HRS IS REQUIRED FOR GRADUATION.

Minimum of 128 Hours in Program
A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
GEOGRAPHY (*BA, BS)
PACE Degree Plan

01. REASONING AND COMMUNICATION SKILLS (12 HRS)
   01 ENG 101 AND ENG 102
   02 MAT 101
   03 SELECT 1 COURSE FROM SCM 111, SCM 305, SCM 320, SCM 330

02. HUMANITIES AND FINE ARTS (18-30 HRS)
   01 ENG 203

   05 PHI 151 OR REL 131
   06 CANDIDATES FOR THE BA MUST SELECT AT LEAST 12 HRS OF ANY FOREIGN LANGUAGE. FOREIGN LANGUAGE IS NOT REQUIRED OF STUDENTS PURSUING THE BS.

03. SOCIAL AND BEHAVIORAL SCIENCES (12 HRS)
   01 SELECT 12 HRS FROM COURSES (MAXIMUM OF 3 HOURS PER DEPT): ANT 101, ANT 221, ECO 201, GHY 101, GHY 102, GHY 331, GSY 341, PS 101, PS 201, PS 321, PS 331, PSY 110, SOC 101, SOC 240, SOC 314.

04. NATURAL AND APPLIED SCIENCES (11 HRS)
   01 LAB SCIENCE: 8 HRS. RECOMMENDED COURSES INCLUDE (AST 111, AST 111L, AST 112, AST 112L, BSC 103, BSC 103L, CHE 104, CHE 104L, GLY 101, GLY 101L).
   02 SCIENCE OR MATH ELECTIVE: (3 - 4 HRS.) SCI/MATH ELECTIVE MUST NOT DUPLICATE CONTENT OF LAB SCIENCES. RECOMMENDED ARE: ANT 241, ESC 301, NFS 362, GSY 325.

05. HUMAN WELLNESS (2 HRS)
   01 NFS 167
   02 HPR 105

06. HUMANITIES/SOCIAL SCIENCE (3 HRS)
   01 SELECT 1 COURSE FROM AMS 304, AMS 404, ENG 200, ENG 201, ENG 202, ENG 350, ENG 351, ENG 370, ENG 371, HIS 201, HIS 202, ANT 101, ANT 221, ECO 201, GSY 101, GSY 102, GSY 331, GSY 341, PS 101, PS 201, PS 321, PS 331, PSY 110, SOC 101, SOC 240, SOC 314, RTF 170.

07. MAJOR REQUIREMENTS (39 HRS)
   01 GSY 331
   02 GSY 325, GSY 325L
   03 GSY 326 OR GSY 327
   04 GSY 350 OR GSY 362
   05 (GSY 410, GSY 410L) (GSY 411, GSY 411L), (GSY 412, GSY 412L), (GSY 416, GSY 416L), (GSY 417, GSY 417L), (GSY 418, GSY 418L)
   06 GSY 415 OR PSY 310 OR SOC 460
   07 CSS 240 OR CSS 330 OR CSS 404

11. ELECTIVES (19-31 HRS)
   01 CHOOSE ELECTIVES AS NEEDED. A MINIMUM OF 128 HRS IS REQUIRED FOR GRADUATION.

Minimum of 128 Hours in Program
A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM

College of Liberal Arts

Glenn T. Harper, Dean
Stanley R. Hauer, Associate Dean
Hattiesburg, MS 39406-5004
(601) 266-4315

Mission and Organization

The College of Liberal Arts offers a wide range of academic majors in communication, the humanities, social sciences, and related disciplines. All major programs in the College award the Bachelor of Arts (B.A.) degree.

As the chart of academic offerings on the previous pages shows, the College of Liberal Arts is organized into two schools and fourteen departments, plus several interdisciplinary programs. In the sections below, the two schools (Communication and Library and Information Science) are presented first, with the constituent departments and programs of the School of Communication listed there. Then follow the remaining units in alphabetical order.

The collegiate general curriculum is listed below; this core curriculum is the foundation upon which a liberal education is based, encouraging students to think logically and creatively, communicate effectively, and write clearly. These are skills essential to any modern professional career. At the same time, students enrolled in the College of Liberal Arts are prepared in a special field of expertise, with a major and (usually) a minor, allowing a wide choice of career fields.

In addition, the College offers a two-hour elective course, GS 101 University Success Skills, designed specifically for the new student, providing an orientation to university life and introducing strategies for academic success.

General Education Requirements for the Bachelor of Arts Degree in the College of Liberal Arts

*Humanities Elective(s) | 3-6

Three to six hours chosen from any of the following, with no more than three hours from any one discipline: AMS 304, 404; ENG 200, 201, 202, 350, 351, 370, 371; HIS 201, HIS 202, RTF 170

III. Social and Behavioral Sciences (12-15 hours*)

Choose from at least four of the following disciplines: ANT 101, 221; ECO 201; GHY 101, 102, 331, 341; PS 101, 201, 321, 331; PSY 110/L; SOC 101, 240, 314

IV. Natural and Applied Sciences (11 hours)

Laboratory Science (recommended courses include AST 111/L, AST 112/L, BSC 103/L, CHE 104/L, GLY 101/L; but any Category IV Laboratory Science course will suffice) | 8

Science or Mathematics Elective (recommended courses include ANT 241, ESC 301, NFS 362, GHY 325; but any Category IV Elective will suffice) | 3

V. Human Wellness (2 hours)

<table>
<thead>

</tbody>
</table>

*Students completing three hours of humanities electives in Category II should take fifteen hours of social and behavioral sciences (Category III); those completing six hours of humanities electives should take twelve hours of social and behavioral sciences. In the PACE Degree Plans the Humanities/Social Science elective appears in Area 06.
Standards for Admission and Transfer

High school graduates and transfer students from other accredited colleges or universities may be admitted directly to the College of Liberal Arts and to their chosen major programs. Students desiring to transfer to the College of Liberal Arts from another college within The University of Southern Mississippi must be in good academic standing; normally they must present a minimum GPA of 2.0 in order to be admitted to a major program. (Some programs have higher admission standards; see the individual program listings below for specific requirements.) Students entering the college will be assigned to an appropriate faculty member for academic advisement.

Foreign Language Requirements

The Bachelor of Arts degree offered by the college requires proficiency in a foreign language, to be chosen from any one of the following: French, German, Classical Greek, Italian, Japanese, Latin, Russian, or Spanish. (Not all of these languages will be available every year.) Normally twelve (12) hours of beginning and intermediate foreign language instruction are required, through course level 202. Students are encouraged to begin their study of foreign language during the first semester of their freshman year.

Students with previous experience in languages (such as courses from high school or community college) may satisfy this requirement through advanced placement in as few as six hours (course level 201, 202). Course credit for previous work in language may be acquired through the CLEP examination; for details, contact the Department of Foreign Languages and Literatures (phone: 266-4964) or the CLEP officer in Admissions (phone: 266-4508).

With the approval of their department chair and the dean, international students may use their native language as an exemption from this requirement.

Study Abroad

In cooperation with the College of International and Continuing Education, the College of Liberal Arts offers many opportunities to study abroad and strongly encourages its students to take advantage of them. Summer credit-abroad programs are offered in England, Austria, France, Mexico, China, Ireland, Australia, Scotland, Jamaica, Africa, and Spain; moreover, year- and semester-long programs of study are also available, along with a summer internship program in Wales. Academic credit for study abroad may be used to satisfy requirements in the major or minor. Many students find study abroad a good way to complete their language requirement for the B.A. Financial aid may be applied toward the cost of USM’s international programs.

For details on the college’s study-abroad programs, students should consult their adviser or the College of International and Continuing Education (phone 266-4344).

PACE Office

Joan Brashears, PACE Advisement Supervisor
Hattiesburg, MS 39406-5123
(601) 266-5616

The college makes full use of the Programmed Academic Curriculum Evaluation (PACE) program in advising. The college believes that the contact between student and adviser is a vital one, and the PACE program facilitates a maximum use of these hours spent in conference together.

PACE Degree Plans for all the programs of the college are printed in this Bulletin. They list all of the requirements for each program and track the student’s progress toward them.

A Note on Total Required Hours: The college and the university require a minimum of 128 credit hours to graduate. A few programs in the college require more than this total number. The PACE Degree Plan enumerates the number of required hours in each area of study. Students should observe, however, that many programs allow an overlapping of certain courses in the general curriculum and the major. Thus the total number of hours required may actually be less than a tally of these area subtotals might indicate.

Teacher Licensure

The College of Liberal Arts offers several programs leading to teacher licensure at the K-12 or secondary level. Requirements for licensure include (1) an ACT composite score of 21 (SAT 860)
or higher, with no scale score below 18 upon entrance into college or acceptable scores on the appropriate Praxis I examination; (2) a minimum grade point average on the 44-semester-hour general education core curriculum of 2.65 (for secondary) or 2.5 (for K-12); (3) admission to the teacher education program; (4) a “C” average in Freshman English Composition; (5) completion of 32 hours of professional education courses (PSY 374; REF 400; REF 469; SPE 400; a General Methods course; an Area Methods course; and Student Teaching); (6) a grade of “C” or better in all content courses in the academic major as well as all professional education courses; (7) acceptable scores on the Praxis II examinations (Principles of Learning and Teaching exam and Subject Assessment exam); and (8) fulfillment of major requirements in subject area.

These requirements are subject to modification; for current information students should contact the University’s Education Licensure adviser, 116 Owings-McQuagge Hall; phone 266-5522.

The State Department of Education also provides an alternate route to licensure for graduates of an accredited college or university. For details and specific procedures contact:

The Office of Educator Licensure  
State Department of Education  
Post Office Box 771  
Jackson, Mississippi 39205  
Telephone: (601) 359-3483  

School of Communication
Gene Wiggins, Director  
Hattiesburg, MS 39406-5158  
(601) 266-5650  

The School of Communication is a separately organized entity within the College of Liberal Arts and is comprised of five programs and departments: Advertising, Communication, Journalism, Radio, Television, and Film, and Speech Communication.

Advertising Program
Tommy V. Smith, Director  
Hattiesburg, MS 39406-5121  
(601) 266-4258  

The Department of Journalism offers a major in advertising in association with the Department of Radio, Television, and Film.

The Advertising Program and the Department of Journalism are accredited by the Accrediting Council on Education in Journalism and Mass Communication, the national accrediting agency for programs in Journalism and Mass Communication.

The program is designed to teach students the creative and business practices of advertising. Graduates are prepared for professional positions as advertising layout artists, copy writers, media planners, and account executives in the mass media, advertising agencies and advertising departments in business and industry.

Requirements for a Major in Advertising
Students in the program must complete thirty-three (33) semester hours, but not more than thirty-six (36) semester hours, in Journalism and Radio, Television, and Film, including JOU 231, 330, 333, 421, 431, 433; RTF 330, 425. An 18-21 hour minor is required. However, students in the Advertising Program may not minor in Journalism or Radio, Television, and Film. Advertising majors may not receive credit for MKT 355. Courses for other minors are chosen in consultation with the adviser. A statistics course is required of all students in the program. Students must choose one course from CSS 211, BA 301, PSY 360, SOC 460.

Requirements for a Minor in Advertising
All students pursuing a minor in advertising must complete a minimum of eighteen (18) hours of journalism courses. The following six (6) hours are required: JOU 231, 330. The remaining twelve (12) hours are to be selected in consultation with an advertising adviser who can recommend courses in advertising and public relations.
Pace Degree Plan

Communication Program

Keith V. Erickson, Director
Hattiesburg, MS 39406-5131
(601) 266-4271

The Communication Program offers an interdisciplinary major involving the Departments of Speech Communication, Journalism, and Radio, Television, and Film. It is designed to prepare students for careers as communication specialists within business and industrial organizations, government agencies, trade and professional associations, or public institutions. A broad background in liberal arts and social sciences is recommended, and students are advised to concentrate their electives in these areas. A minor is not required for the Communication major.

Pace Degree Plan

Department of Journalism

David R. Davies, Chair
Hattiesburg, MS 39406-5121
(601) 266-4258
Kaul, T. Smith, Wiggins, M. Williams, Yssel

The objective of the Department of Journalism is to teach students professional and theoretical concepts and to develop their technical skills to enable them to be productive and responsible contributors in the field of journalism. The program emphasizes the basics of reporting, writing, editing, and taking and developing pictures, but professional preparation also requires an understanding of the history and legal, ethical, and social responsibility of journalism. The department strives to achieve an integration of practice and theory in its courses.

The Department of Journalism and its emphasis areas are accredited by the Accrediting Council on Education in Journalism and Mass Communication, the national accrediting agency for programs in Journalism and Mass Communication.

The department offers a choice of two emphasis areas of study: News-Editorial and Public Relations, and it administers an interdisciplinary Advertising degree program. These are designed to prepare students for a variety of career positions, including news reporting and editing, writing, photojournalism, advertising, and public relations.

The faculty strongly believes that students should have a broad cultural education in the humanities and social sciences to go with their professional preparation so they can serve society, as well as their own self-interests, productively and responsibly. Thus, students are limited to thirty-seven (37) semester hours in the Department of Journalism. Students must achieve a minimum grade of “C” in each journalism course and a GPA of 2.5 in all journalism courses. All journalism students, in consultation with their advisers, must develop a minor in an area outside of the School of Communication.

Requirements for a Major in Journalism

Common Requirements for a Major in Journalism

A student majoring in Journalism will work toward the Bachelor of Arts degree. Working closely with an adviser, the student will select course work to fit an appropriate educational goal and selected emphasis area of study. All students pursuing a major in Journalism must complete the following requirements, which include a minimum of thirty-one (31) semester hours, but not more than thirty-seven (37) semester hours in journalism and/or radio-television-film:

<table>
<thead>
<tr>
<th>Requirement</th>

<tr>
<td><strong>Total</strong></td>
<td><strong>128</strong></td>
</tr>
</tbody>
</table>
All majors in the News-Editorial emphasis are expected to do practical work on The Student Printz. Others are invited to participate in the publication of the newspaper.

Requirements for an Emphasis in News-Editorial

The News-Editorial Program is designed to prepare students for positions in the news media as reporters, editors, and writers. Students in this emphasis must complete thirty-one (31) semester hours, but not more than thirty-seven (37) semester hours, in Journalism, including JOU 202, 203, 241/241L, 303, 311, 312, 402, 450, and 460. From elective course work taken outside the Department of Journalism, students are advised to develop an area of concentration that supports and enhances their educational and professional goals.

Students may pursue a concentration in photojournalism within the News-Editorial Emphasis. Required courses in News-Editorial are JOU 202, 203, 311, 312, 450, and 460, including one course chosen from among JOU 301, 303, 452, or 455. The photojournalism concentration requires completion of JOU 241/L, 242/L, 441/L, and three or four hours chosen from Journalism and/or Radio, Television, and Film.

Requirements for an Emphasis in Public Relations

This program of study is designed to prepare students for careers as public relations practitioners, and consultants in business and industry, non-profit organizations, educational institutions, and governmental agencies.

Students in this program must complete thirty-one (31) semester hours, but not more than thirty-seven (37) semester hours of Journalism, including JOU 202, 203, 241/241L, 311, 312, 421, 422, 426, and 428. A statistics course is required of all students in the public relations emphasis. Students must choose one course from CSS 211, BA 301, PSY 360, SOC 460.

Requirements for a Minor in Journalism

All students pursuing a minor in journalism must complete a minimum of eighteen (18) hours of journalism courses. The following seven (7) hours are required: JOU 202, 241/241L. The remaining eleven (11) hours are to be selected from any courses with a JOU designation. These courses should be selected in consultation with an adviser affiliated with the particular area to be emphasized—News-Editorial or Public Relations.

Department of Radio, Television, and Film

S. Dixon McDowell, Chair
Hattiesburg, MS 39406-5141
(601) 266-4281

R. B. Cade, Gentile, D. Geff, Hall, Haque, Webster

The Department of Radio, Television, and Film offers preparation for professional employment in the diverse film and electronic media industries. The one constant that characterizes these fields is change. Therefore, the department strives to equip students with more than current career skills. The total program emphasizes the broader skills which prepare students for the continuing self-education required to meet the challenge of change in one’s life and in one’s career. The major in Radio, Television, and Film also provides an excellent preparation for graduate study in film or mass communication. In addition to the curriculum for RTF majors, the department provides instructional support to interdisciplinary programs in Advertising and Communication.

Students majoring in Radio, Television, and Film select one of three emphasis areas. Broadcast Journalism prepares students to enter the challenging and competitive field of radio and television news. The Film emphasis is designed to prepare students for positions with large and small motion picture production companies, film units within television operations, federal or state agency production units, or for self-employment as independent producers, directors, or production specialists. The Radio-Television Production emphasis is intended for students who seek careers in advertising and program production in broadcasting and cable television. This emphasis also
prepares students to pursue career opportunities with the growing number of corporations, medical centers, and governmental agencies that utilize television communication for training and institutional communication.

Two curricular options are strongly recommended for students who wish to maximize the benefits of their undergraduate education. The Internship Program and the British Studies Program should be considered and discussed with faculty advisers early in one’s program of study. The Internship Program (RTF 303) provides supervised experiential learning in a professional setting. To qualify for the program, an RTF major must have completed all but twelve hours of major course work with a B average in RTF courses and an overall GPA of 2.5. Eligible students must submit an internship application to the department chair prior to the midpoint of the semester preceding the requested internship. Students employed by a film or electronic media firm cannot receive academic credit for work they are already doing for pay.

The British Studies Program (RTF 476 or 499) enables students to study the British media or contributions to filmmaking during an intensive five week summer program. This program offers unparalleled opportunity for the educational and cultural enrichment of a student’s undergraduate education.

Requirements for a Major in Radio, Television, and Film

The major in Radio, Television, and Film consists of 36 semester hours of course work. A grade of C or better must be earned in all sequential production courses and in the Broadcast Journalism sequence. For example, in the Television Production sequence (RTF 140, 340, 440), a student must earn at least a C in RTF 140 before advancing to RTF 340, etc. The Film Production sequence is RTF 140, 371, 471, 485; the Broadcast Journalism sequence is JOU 202, RTF 302, 304, 305.

Many Radio, Television and Film courses require students to perform copy writing, news writing or script writing on a deadline. Typing proficiency is essential for these classes. RTF majors who do not enter the program with basic typing skills should enroll in BTE 101 (Keyboarding for Information Processing) early in their course of study.

All Radio, Television, and Film majors are required to complete the following:

General Education Requirement for the College of Liberal Arts ................................................................. 70
RTF Major ...................................................................................................................................................... 36
Minor (RTF majors may not select Advertising, Communication, or Journalism) ..................................... 18
Electives ......................................................................................................................................................... 4

Total 128

NOTE: All students must complete a minimum of 128 semester hours with at least 45 semester hours at the 300 or 400 level. The number of elective credits earned will vary.

Requirements for a Minor in Radio, Television, and Film

The student minoring in Radio, Television, and Film must complete a minimum of eighteen (18) hours in RTF courses with at least nine (9) hours above the 300-level. The department recommends structuring the selection of minor courses along the lines of one of the three emphasis areas offered to RTF majors. The chair and faculty will be pleased to advise minors and to recommend an appropriate selection of courses. Students seeking an RTF minor and their advisers are cautioned to pay close attention to RTF course prerequisites.

Radio-Television Production ..................................................... 239

Department of Speech Communication

Keith V. Erickson, Chair
Hattiesburg, MS 39406-5131
(601) 266-4271

Contville, L. Goff, Gwin, Hosman, Meyer, Siltanen, Tardy

Modern theorists agree that the fundamental human relationships in our culture are conducted through speech communication. The academic discipline of speech communication has as its focus
the normal processes of oral, face-to-face, human interaction. Course work is directed toward preparing the graduate with communication skills suited to business and industry, in particular those occupations that require competency in presentational and oral interaction skills. Students are prepared as well to study and evaluate communication processes in a variety of contexts, including health, legal, political, organizational, and business settings. Recent graduates have secured positions in a variety of occupations, including public relations, personnel, sales, marketing, business, industry, and government.

Students interested in an organizational communication (business and industry) orientation are advised to include SCM 312, 320, 350, 410, 420, 425, and 430 among their elective courses. Complementary minors, such as journalism, marketing, general business, and management, are arranged in consultation with the major adviser.

An Outline of the Speech Communication Major

Students are to complete a minimum of thirty-nine (39) hours as specified below:

I. Core (12 hours)

- SCM 111: Oral Communication
- SCM 305: Interpersonal Communication
- SCM 311: Persuasion
- SCM 330: Small Group Communication

II. Electives (27 hours)

- SCM 303: Argumentation and Debate
- SCM 312: Interviewing
- SCM 315: Advanced Public Speaking
- SCM 320: Business and Professional Speaking
- SCM 330: Nonverbal Communication
- SCM 350: Political Communication
- SCM 410: Relational Communication
- SCM 411: Organizational Communication I
- SCM 412: Managing the Forensics Program
- SCM 415: Advanced Persuasion
- SCM 420: Rhetorical Criticism
- SCM 425: Communication and Conflict Resolution
- SCM 430: Communication and Small Group Decision-Making
- SCM 435: Speech Communication in Legal Contexts
- SCM 440: Seminar in Speech Communication (may be repeated)
- SCM 450: Freedom and Responsibility of Speech
- SCM 460: Public Advocacy and Advanced Argumentation
- SCM 475: Theories of Speech Communication
- SCM 490: Special Problems
- SCM 492: British Studies in Communication

Requirements for a Speech Communication Major With Teaching Licensure

The licensure program certifies the graduate to teach speech communication in grades 7-12. It meets or exceeds the requirements set down by the Mississippi State Department of Education and earns NCATE (National Council for Accreditation for Teacher Education) licensure. Meeting NCATE requirements carries with it automatic licensure in 30 states in addition to Mississippi. Students should note that the total hours required by this program exceeds the university minimum of 128 hours in order to maintain a program of the highest quality in the teaching area plus NCATE licensure. Students must earn a grade of “C” or higher in all Speech Communication courses and in all required professional education courses.

Requirements for a Minor in Speech Communication

All students pursuing a minor in speech communication must complete eighteen (18) hours of Speech Communication courses. The following courses are required: SCM 305, 311, 330. The following courses will not count toward the minor: SCM 301L, 411, 459, 459L, 488, 489, 492.
School of Library and Information Science

Joy M. Greiner, Director
Hattiesburg, MS 39406-5146
(601) 266-4228

Boshears, Haynes, Norton, Qin, Rodriguez, Rodriguez-Buckingham

The purpose of the School of Library and Information Science is to educate students for careers in librarianship and related fields. Covering all types of media formats, the curriculum prepares future librarians to organize, develop, access, and evaluate print and non-print resources in various types of libraries.

The Bachelor of Arts degree in library and information science may be used to satisfy the requirements for licensure as a school library media specialist. The baccalaureate degree in library and information science with a teacher licensure emphasis is approved by the National Council for Accreditation of Teacher Education. The graduate program in library and information science is the only master’s program in Mississippi accredited by the American Library Association (see the Graduate Bulletin). The School cooperates with the University Placement Service in assisting its graduates in finding positions. Students are encouraged to join and support the activities of the Library and Information Science Student Association, the American Library Association, the Special Libraries Association, and the Mississippi Library Association. Often these professional organizations provide job placement services.

Academic Standards for a Major in Library and Information Science

Any student who satisfies admission requirements to the University through the Office of Admissions is eligible for admission to the School of Library and Information Science. All students majoring in library and information science must have their major program approved by the director of the school and have a completed program plan on file in the director’s office.

During the first two years at the university, the library and information science major should acquire a broad general education in the liberal arts and sciences. Library and information science courses for the undergraduate major or minor are begun in the junior year and completed in the senior year. Library and information science majors are advised to concentrate elective hours in one subject field, professional area, or language in order to qualify for better library positions. The student’s choice of a degree program should be determined by his or her career goals, licensure requirements, and in consultation with a faculty adviser or the director of the school.

Students desiring to prepare for positions in public, college, and special library fields should follow the general Bachelor of Arts degree program described below; this requires twenty-five (25) credit hours. General library and information science majors must also complete the requirements for a minor or a dual major in another field, and sufficient elective hours from any departments of the university to complete the 128 semester hours required for a degree. Students should consult their adviser when planning their minor or dual major.

Students desiring to become public elementary or secondary school library-media specialists should follow the applicable teacher licensure degree program. Licensure as a school library media specialist in the State of Mississippi requires a library and information science major of twenty-seven (27) hours plus thirty-seven (37) hours of professional education core courses. Students must earn a grade of “C” or higher in all Library Science courses and in all required professional education courses. Existing teacher education programs as presented in this Bulletin are subject to
change contingent on formal university approval. Out-of-state students should consult with their respective state agencies regarding licensure requirements. For more information about the Teacher Licensure Program, contact the School of Library and Information Science.

**Department of Aerospace Studies**

**(AIR FORCE ROTC)**

Thomas A. Bucklin, Lt. Col., Chair
Hattiesburg, MS 39406-5145
(601) 266-4468

Dillon, Matthews

The Air Force ROTC Program offers a course of study leading to a commission as a second lieutenant and service on active duty. The program is an accredited part of the curricula of the university. Air Force ROTC may apply toward satisfying the requirements for an academic minor.

**Air Force ROTC Requirements**

While Aerospace Studies classes are open to all USM student, those wishing to pursue an Air Force commission should meet the following requirements:

**General Military Course:** Men and women who are full-time university students may enroll in the General Military Course (GMC). The GMC surveys the missions, activities, and history of the United States Air Force. There is no obligation associated with enrollment in any GMC course. The Professor of Aerospace Studies may grant credit or partial credit for completion of the GMC for students who have served on active duty, for junior or senior level ROTC participation in a program of any service, and for Civil Air Patrol work.

**Professional Officer Course:** Enrollment in the Professional Officer Course (POC) under an Air Force contract (obligated reserve) is limited to those students who have applied and have been accepted for this course. Application is normally made while a member of the GMC or (for students not enrolled in the GMC) early during the academic year prior to the year of desired entry. Students with previous military service may apply for direct entry. Individuals entering the POC must have two academic years remaining in college as full-time students at the undergraduate and/or graduate level. Students who complete the Professional Officer Course in Aerospace Studies (Air Force ROTC) are allowed to waive the requirement for an academic minor, if one is required in their major. After completing their studies, all contracted POC students are obligated to accept a commission and to enter the active duty Air Force.

Students who enter Air Force ROTC classes are considered to be in the Four- or Two-Year Program, depending on their academic progress upon entry. Enrollment in the General Military Course offers the student good exposure to the Air Force without obligation and also affords maximum opportunity for scholarships and entry into the Professional Officer Course. The POC is normally preceded by either a four- or six-week summer field training conducted at various Air Force bases. Financial entitlements while in the POC normally total about $3,000 for non-scholarship students and up to $7,000 for those maintaining a 2.35 term GPA ($1,000 per semester toward tuition, $150 per month for 10-month academic year).

**Air Force ROTC College Scholarship Program**

An Aerospace Studies committee nominates qualified freshman, sophomore, and junior students to compete for three- and two-year scholarships. Scholarships can pay full tuition, as well as certain fees and expenses associated with required courses, including most textbooks. In addition, the recipient will receive a $150 (tax-free) monthly allowance during the school year. Scholarships are awarded based on the specific needs of the Air Force. All academic majors are potential scholarship recipients. Interested students should contact the Department of Aerospace Studies.

Four-year scholarships are also available to high school students. High school students interested in making application should write: Air Force ROTC (RRUC), Maxwell AFB, Alabama 36112-6106
during their junior year or before November of their senior year or contact any Air Force ROTC unit or Air Force recruiter.

Satisfactory completion of courses in English composition and mathematical reasoning are required for scholarship and POC students. Completion of the University Core will normally fulfill these requirements.

**Department Activities**

Air Force ROTC students are eligible for membership in the Drill Team and Arnold Air Society and allowed to participate in departmental activities. Arnold Air Society is a national organization with membership restricted to Air Force ROTC cadets; Silver Wings, another national service organization, also supports Air Force interests and is open to all students. Both organizations are sponsored by the Air Force Association and hosted by the department. Other departmental activities include orientation flights, visits to Air Force bases, physical fitness conditioning, and intramural sports as well as optional summer professional development training programs.

**American Studies Program**

Edward M. Wheat, Director
Hattiesburg, MS 39406-1065
(601) 266-4310

The American Studies Program offers an interdisciplinary major or minor for students interested in a broad liberal arts education. Through courses from many fields, the student acquires an understanding of the development of the American heritage. By course selection and during the American Studies Seminar, students may pursue their special interests. The major requires thirty (30) semester hours.

Though no minor is required with the American Studies major, students are encouraged to have a second major or minor in complementary, career-oriented fields such as pre-law, pre-medicine, pre-dentistry, paralegal studies, journalism, public relations, library science, accounting, marketing, management, radio-television-film, military science, and education. The requirements listed below are in addition to the Liberal Arts core curriculum. Students in this program will be advised by the director of the American Studies Program.

**Options for the American Studies Major**

Thirty (30) hours selected from the groups below:

**Group I. One course from each field**

HIS 344, 360, 372, 375, 417, 460, 461, 462, 463, 464, 465, 466,
467, 468, 469, 470, 471, 473, 474, 476, 477, 478
PS 301, 303, 321, 330, 370, 375, 380, 401, 402, 403, 404, 405, 406, 408,
409, 472, 473, 480, 481, 489

**Group II. One course from three different fields**

AMS 304, 404
ANT 315, 333, 334, 433
CJ 200, 325, 330, 352, 360, 440, 463, 470, 472, 480
ECO 305, 330
ESC 301
GHY 370, 401, 402, 435, 440

Department of Anthropology and Sociology

H. Edwin Jackson, Chair
Hattiesburg, MS 39406-5074
(601) 266-4306
Chasteen, Danforth, Flanagan, Glamser, Jaffe, Kinnell, B.D. Roberts, R. Turner, A.L. Young

The Department of Anthropology and Sociology offers a major and a minor in both anthropology and sociology. As the societies of the world become increasingly interdependent and as our own society continues to confront the problems of pluralism and rapid social change, success in many fields (including international development, business, government, and education) will depend on the individual’s understanding of, and ability to adapt to, varied circumstances and human cultural diversity. The programs in the Department of Anthropology and Sociology equip the student with the tools necessary for such an understanding.

Requirements for a Major in Anthropology

The multifaceted nature of anthropology, which integrates into a single discipline the social sciences, the natural sciences, and humanistic studies, uniquely combines skills and insights that will prove essential in many contemporary settings. Students will complete courses in cultural anthropology, archaeology, physical anthropology, and anthropological linguistics. Students majoring in anthropology must complete all general education requirements of the College of Liberal Arts, 33 hours in anthropology (including ANT 221, 231, 241, 251, and 421) and have a minor in another discipline. The student’s adviser will discuss the choice of a minor that best complements the student’s interests and career goals and aspirations.

Requirements for a Major in Sociology

The scientific analysis of the social world to which sociology is dedicated provides the student with unique insights into the nature of social institutions and their effects on each other and on individual behavior. The sociology major equips the student with analytical skills applicable in a wide range of contemporary settings. Students majoring in sociology must complete all general education requirements of the College of Liberal Arts, 33 hours in sociology (including SOC 101, 460, 462, and 482) and have a minor in another discipline. The student’s adviser will discuss the choice of minor that best complements the student’s career goals and aspirations.

Requirements for a Minor in Anthropology

The minor in anthropology allows students of another discipline to achieve a fundamental understanding of anthropology. Faculty members will assist students to select courses that best complement their major interests. Students will complete a minimum of 18 hours in anthropology, including 9 hours chosen from among ANT 221, 231, 241, and 251.

Requirements for a Minor in Sociology

The minor in sociology is designed to equip the student of another discipline with an understanding of the fundamentals of the discipline of sociology. Faculty members will assist students to select courses that best complement their major interests. Students will complete a minimum of 18 hours in sociology, including SOC 101.

PACE Degree Plan

Department of Criminal Justice

Tyler H. Fletcher, Chair
Hattiesburg, MS 39406-5127
(601) 266-4509

Cabana, Funchess, Hunt, LeFlore, Mallory, Payne, Sellers, M.C. Smith, W.B. Taylor

The Department of Criminal Justice offers an interdisciplinary major leading to a Bachelor of Arts degree and a minor. A special emphasis area in Juvenile Justice is also available.

Requirements for the major area are a minimum of thirty-nine (39) hours of course work in Criminal Justice (CJ 200, 325, 330, 341, 352, 360, 420, 430 required), but not including the optional field practicum (CJ 400). The student must also pursue either an academic minor or two interdisciplinary blocks of 9 hours each (not to include 100 level courses overlapping with the core); these interdisciplinary blocks may be flexibly structured to strengthen the student’s understanding of and interest in the humanities, behavioral sciences, or professional areas such as accounting, computer science, forensic science, and management. The Juvenile Justice emphasis must include 18 hours in psychology or social work.

The flexible and interdisciplinary nature of the Criminal Justice curriculum provides an ideal educational base for those seeking careers in which special skills are needed. The careful selection of a minor also enhances this feature of the curriculum. Minors in paralegal studies, English, philosophy, or political science provide excellent preparation for law school, while minors in Spanish, accounting, and computer science have proven to be skills in high demand in state and federal investigative services. Wildlife conservation officers and environmental protection agencies have extensively employed criminal justice majors with biology minors. The department endeavors through individual counseling to identify a student’s goals and potential, and to provide the best education possible to meet those aspirations.

Requirements for a Minor in Criminal Justice

All students pursuing a minor in Criminal Justice must complete a minimum of eighteen (18) hours of courses in Criminal Justice including CJ 200 but not including the field practicum.

Program in Economics

William Banks Taylor, Director
Hattiesburg, MS 39406-5127
(601) 266-4509

The Bachelor of Arts in Economics is an interdisciplinary degree offered through the collaboration of the College of Liberal Arts and the Department of Economics and International Business within the College of Business Administration. The degree is designed to prepare graduates for employment in either the private or public sector or for the pursuit of higher degrees in a number of academic disciplines, most notably economics, economic development, community and regional planning, geography, law and justice studies, political economy, political science, and public administration. Because of its interdisciplinary curricula, the B.A. in Economics allows somewhat less latitude in course selection than most USM degrees and requires the completion of slightly more than the 128-semester-hour University minimum for graduation.

Requirements for a Major in Economics

Students pursuing the B.A. in Economics must complete seventy (70) semester hours in specified courses; these satisfy the general education requirements of the University, the College of Liberal Arts, and the major. In completing remaining degree requirements, majors may elect to follow one
of two set degree tracts, the one quantitative and the other qualitative, or to formulate and pursue a flexible degree track commensurate with individual career objectives.

The quantitative or Mathematics Degree Track is designed to prepare one for the successful pursuit of higher degrees in economics and related academic disciplines requiring a strong background in mathematics and statistics. It consists of 58.5 semester hours beyond the seventy-hour core curriculum, including a minor in mathematics, and thus establishes a degree plan requiring the completion of a total of 128.5 semester hours.

The qualitative or Social Science Degree Track provides a broadly-based liberal arts education in "political economy," an area of study that cuts across the normally separate domains of economics and politics, and examines the relationship of the two within the difficult calculus of public law. The Social Science Degree Track is recommended for students planning to seek employment upon graduation or to pursue higher degrees in academic disciplines requiring a lesser preparation in mathematics and statistics (economic development, community and regional planning, geography, law and justice studies, political science, and public administration). It consists of 60.5 semester hours beyond the seventy-hour core curriculum, including a minor in political science, and thus establishes a degree plan requiring the completion of a total of 130.5 semester hours.

Requirements for a Minor in Economics

Students wishing to minor in economics must satisfy the requirements of the Department of Economics and International Business

Department of English

Michael Salda, Chair
Hattiesburg, MS 39406-5037
(601) 266-4319

The Department of English prepares undergraduate majors for careers in teaching, law, business, and other fields that require communication skills. The department offers a B.A. with or without secondary teaching licensure. In addition to programs in English education and literature, the department sponsors a program in Creative Writing. Information on the M.A. and Ph.D. programs can be found in the Graduate Bulletin.

Requirements for a Major in English

The undergraduate major in English consists of thirty-six (36) hours of English beyond the freshman level. At least 21 hours must be taken at the 300 or 400 level, with at least 9 hours of these at the 400 level. Majors must include among their courses Analysis of Literature (ENG 340) plus at least one course from each of the following categories:

1. English or World Literature before 1700
2. English or World Literature after 1700
3. American Literature

For teacher licensure, students must take the following: the required courses listed above for all undergraduate majors; Contemporary World Literature (ENG 311); English Grammar (ENG 301); Language Study for Teachers (ENG 403); Literature for the Adolescent (ENG 418); Shakespeare (ENG 454 or 455); Reading/Writing Theory (ENG 490); Methods of Teaching English—Secondary (ENG 491, 491L); and Student Teaching (ENG 494 and 495). Students pursuing a degree in English with licensure must earn a grade of C or higher in all English courses and in all required professional education courses.
In addition, required teacher education courses include the following fifteen (15) hours: PSY 374, REF 400, REF 469, SPE 400, CIS 313. Students must consult an adviser in the Department of English and the current Bulletin for prerequisites and proper sequences of courses.

Students who complete the licensure program are eligible for a license through an NCATE-approved program.

Requirements for a Minor in English

An undergraduate minor in English requires a total of eighteen (18) hours beyond ENG 101 and 102, including at least nine (9) hours at the 300 or 400 level.

The Center for Writers

Hattiesburg, MS 39406-5144
(601) 266-4321

The Center for Writers, functioning under the aegis of the Department of English, offers undergraduates the opportunity to specialize in poetry or fiction within the context of the basic English B.A. degree. A cohesive sequence of workshop courses of increasing difficulty encourages student writers to locate and focus their talents and to observe and participate in the process of creative writing. A companion group of theory and literature courses places emphasis on contemporary and current writings, literary theory, and criticism in English and in translation. The Center sponsors two publications: Mississippi Review, a national journal of fiction, poetry, and criticism; and Product, a student publication geared to publish and circulate within the University community the very best student writing.

The Writing Room

304 College Hall
Hattiesburg, MS 39406-5037
(601) 266-4821

The Writing Room offers free tutorial assistance to USM students, faculty, and staff involved in writing projects. Tutors, who are faculty and graduate students trained in composition, work one-on-one with writers in a comfortable environment designed both for writing and talking about writing. Support is available in all areas of writing, ranging from topic exploration to development to preparation of final copy. Services are available on a drop-in or appointment basis, and writers may choose to visit once or to establish a long-term program of development. Instructors may also refer students to the Writing Room.

Department of Foreign Languages and Literatures

Rafael Sánchez-Alonso, Chair
Hattiesburg, MS 39406-5038
(601) 266-4964

The Department of Foreign Languages and Literatures offers a flexible program leading to the Bachelor of Arts degree either with or without teaching licensure. It also offers an academic minor. The program aims to provide the students with sufficient language skills and cultural insights to give them sound foundations for a wide range of careers. It is designed to meet the following objectives:

1. prepare students (in combination with other disciplines) for industrial, commercial, and government employment in which knowledge of a foreign language and culture is a distinct advantage;
2. prepare students to teach foreign languages in secondary schools;
3. prepare students for graduate study in foreign languages and literatures and related fields;
4. provide supportive courses for other programs in the university.
The department offers curricula from the beginning through the advanced levels in French and Spanish. The department also offers German, Chinese, Latin, Russian, Italian, and Japanese through at least the intermediate levels. Not all of these languages will be taught every year; students should consult the Schedule Guide for a list of annual course offerings in this department.

Students have access to the Foreign Language Multi-media Center in the Liberal Arts building and may be required to attend laboratory sessions in addition to regular classroom meetings. Students also have access to live television transmissions in Spanish and French by means of the department’s television satellite reception. Other Foreign Language audio visual materials are available in the Cook Library.

In cooperation with other departments at this university, the Department of Foreign Languages and Literatures has established a number of formal and informal programs for students who wish to prepare for careers in which a knowledge of a foreign language and culture is either essential or desirable. For assistance in devising a suitable curriculum, students should consult as soon as possible with a foreign language adviser. Information on the MATL (Master of Arts in the Teaching of Languages) program can be found in the Graduate Bulletin and on the department’s Web Homepage: http://www-dept.usm.edu/~forlang.

Study Abroad
Under the auspices of USM’s College of International and Continuing Education and Continuing Education, the department offers active and very popular study abroad courses, summer semester, and year-long programs.

CLEP Examinations in Foreign Languages
Students with previous language study or background may earn up to a total of 12 hours of college credit in Spanish, French, or German by taking a CLEP examination.

Students may take the CLEP examination at any time during their course of study. For complete details regarding how to take the CLEP examination in foreign languages and its benefits, consult the Department of Foreign Languages and Literatures or USM CLEP Coordinator in the Admissions office.

Requirements for a Major in Foreign Languages
The Department of Foreign Languages offers three options for a B.A.: (1) Foreign Languages: Spanish concentration; (2) Foreign Languages: French concentration; (3) Foreign Languages. Each option requires a minimum of thirty (30) semester hours (above the 100 level) in foreign languages and literatures. At least eighteen (18) hours must be earned in upper-level foreign language courses. Students must complete at least one, preferably two, 300-level courses before enrolling at the 400 level.

Option One: Spanish Concentration
I. A minimum of six (6) hours in literature and culture courses to be chosen from:
   - SPA 331: Hispanic Daily Life
   - SPA 332: Traditions, Festivals, and Icons
   - SPA 341: Introduction to Spanish Literature
   - SPA 435: Spanish Culture and Civilization
   - SPA 436: Latin American Culture and Civilization
   - SPA 442: Survey of Spanish Literature
   - SPA 445: Topics in Spanish Literature
   - SPA 446: Don Quijote
   - SPA 452: Topics in Latin American Literature

II. A minimum of six (6) hours in Spanish language-focussed courses to be chosen from:
   - SPA 305: Spanish Reading and Composition
   - SPA 313: Grammar Review
   - SPA 321: Intermediate Conversation
   - SPA 400: Phonetics
   - SPA 406: Advanced Composition and Grammar
   - SPA 411: Spanish Subjunctive
   - SPA 421: Advanced Conversation
   - SPA 491: Advanced Studies in Spanish Language
III. The remaining courses for the major may be selected from:

A. Any of the above.
B. A maximum of six (6) hours from:
   - FRE 201: Intermediate French I
   - FRE 202: Intermediate French II
   - FRE 305: French Grammar Review
   - FRE 321: French Conversation and Discourse
   - FRE 340: Reading in French
   - FRE 405: French Phonology
   - FRE 406: Advanced Composition
   - FRE 411: Advanced Conversation
   - FRE 431: French Film
   - FRE 435: Modern France
   - FRE 436: Francophone Civilization and Culture
   - FRE 442: Survey of French Literature
   - FRE 445: Topics in French Literature
   - FRE 447: The Negritude Literary Movement
   - FRE 491: Advanced Studies in the French Language
   - FRE 492: Special Problems (subject to approval by adviser and chair)

C. A maximum of six (6) hours from:
   - SPA 201: Intermediate Spanish I
   - SPA 202: Intermediate Spanish II
   - SPA 281: Intermediate Credit for Study Abroad
   - SPA 381: Study Abroad
   - SPA 481: Study Abroad

D. A maximum of six (6) hours from:
   - SPA 492: Special Problems (subject to approval by adviser and chair)

Option Two: French Concentration

Courses for the emphasis may be selected from:

- FRE 201: Intermediate French I
- FRE 202: Intermediate French II
- FRE 305: French Grammar Review
- FRE 321: French Conversation and Discourse
- FRE 340: Reading in French
- FRE 405: French Phonology
- FRE 406: Advanced Composition
- FRE 411: Advanced Conversation
- FRE 431: French Film
- FRE 435: Modern France
- FRE 436: Francophone Civilization and Culture
- FRE 442: Survey of French Literature
- FRE 445: Topics in French Literature
- FRE 447: The Negritude Literary Movement
- FRE 491: Advanced Studies in the French Language
- FRE 492: Special Problems (subject to approval by adviser and chair)

Additional courses which may be applied to the major include a maximum of six (6) hours from:

- FRE 281: Intermediate Credit for Study Abroad
- FRE 381: Study Abroad
- FRE 481: Study Abroad

Option Three: Foreign Languages

This option requires the completion of thirty (30) hours at the 200-level or above including eighteen (18) hours in courses at the 300 and 400 level. Of these eighteen hours, at least twelve (12) must be in a single language.

Note 1: Courses in any language taught in the department may be counted toward this option.

Note 2: For students participating in USM study-abroad programs in Germany and/or Austria, all hours for this option may be earned in German.

Requirements for a Major in Foreign Languages With Teacher Licensure

A student seeking teacher licensure in either French or Spanish, needs 27 hours in the appropriate concentration. A student seeking teacher licensure in German should choose option 3, with a minimum of 27 hours of German at the 200 level and above. All students seeking teacher licensure in foreign languages should include FL 461 and FL 461L in their programs. In addition, the student should fulfill the requirements of the Teacher Education Program at USM, as explained on the PACE Degree Plan. Students must earn a grade of “C” or higher in all Foreign Language courses and in all required professional education courses.

Requirements for Minor in Foreign Languages

An undergraduate minor in Foreign Languages requires a total of eighteen (18) hours in one of the following languages: French, German, Spanish, or Latin. A minor in Classics consisting of twenty-one (21) hours is also available.

General Studies Program
Kara L. Craig, Director of Academic Support Programs
Hattiesburg, MS 39406-5112
(601) 266-5003

J. Howdeshell, M. Lochhead, J. Sadler

The General Studies program provides an organized plan of advisement for students undecided in their academic majors. Ordinarily such students will be expected to pursue the academic standards and requirements of the general curriculum of the College of Liberal Arts, preparing for a major in that college. Students who have determined an interest in a field of study outside of the College of Liberal Arts (though they have not yet decided on the exact major) should enroll as undeclared majors within the college of that field. However, since much of the University’s General Education Curriculum is housed in the College of Liberal Arts, the General Studies program is the appropriate place for students who wish to sample university life and various fields of study before declaring a definite major. Students may, if they wish, pursue the General Education Curriculum of the university, not the more specific collegiate document.

Advisement in the General Studies program is coordinated by the program director; but in so far as possible, each student will be assigned to an individual faculty member for personal advising and career guidance.

Ordinarily the General Studies program enrolls only freshmen, though transfer students may be admitted with the consent of the director. As with all of the programs in the College of Liberal Arts, transfer to General Studies requires at least a 2.0 GPA. Students may remain in the General Studies program only through sophomore status; usually the program does not accept juniors.

The General Studies program also administers the academic course GS 101 (University Success Skills), offering two hours’ academic credit. This course provides a valuable introduction to the university experience, covering such topics as study skills, taking notes and tests, time management, campus resources, and university policies and procedures. GS 101 is open to all new students throughout the university.

Department of History

Orazio A. Ciccarelli, Chair
Hattiesburg, MS 39406-5047
(601) 266-4333
FAX (601) 266-4334

The Department of History participates in programs leading to the degrees of the Bachelor of Arts, the Master of Arts, the Master of Science, and the Doctor of Philosophy. For the master’s and doctoral degrees, please consult the Graduate Bulletin.

Mission

The study of history is intended to promote a responsible and informed citizenship, a heightened understanding of the human experience, and an appreciation of the achievements and variety of humankind. It also promotes career training. Indeed, the study of history is perhaps as valuable for the skills it helps to develop as for the information it imparts. History is an exacting discipline that fosters intellectual curiosity, analytical thought, research skills, ability to collect and analyze large amounts of data, clarity of expression, and disciplined work habits—qualities that are central to careers in academic, professional, public, business, and service areas.
Career Opportunities

Departmental surveys of graduates indicate that history majors have built careers in a variety of professional areas. A large number are teachers at high schools, community colleges, colleges and universities. Many are lawyers. A considerable number of them are stock brokers, bankers, military officers, public servants, directors of libraries, archivists, and even medical doctors. History majors can enter all these professions because their academic discipline fosters the writing, thinking, research, and analytical skills that make them marketable in a variety of professions.

Requirements for a Major in History

Students majoring in history must receive at least a grade of C in each history course. They must take thirty-six (36) hours which must include HIS 101, 102, 201, 202, and 300. Of the twenty-one (21) remaining hours required for the major, no more than twelve (12) hours of advanced course work can be selected from any one of the three following course areas: (1) United States History, (2) European History, (3) Other (Latin American, East Asia, and other non-United States, non-European courses). Students who have satisfied the thirty-six (36) hour major requirement may take additional advanced courses in history in any area they prefer.

History 300 must be completed in the first semester of the junior year.

Students must also register for Library Science 301, a one-hour course taken in conjunction with HIS 300. Its purpose is to acquaint students with library use and with the large variety of computer and non-computer research tools.

History majors with exceptional academic records may be awarded degrees with honors or highest honors. See the General Information section of this bulletin for full requirements.

Social Studies Licensure

Students wishing to obtain a class A teaching license must major in history, must take twenty-four (24) hours of specified social science courses (twelve of these also satisfy the college general core), and eighteen hours of education courses. A semester of student teaching completes the curriculum. Students must receive at least a grade of "C" in all courses required for licensure. Students with an ACT score of 21 (SAT equivalent is 860) with no sub score below 18 upon entering college will be exempted from the Praxis I. The Specialty Area (Social Studies) and Principles of Teaching and Learning sections of the Praxis should be taken no later than the semester before student teaching.

Requirements for a Minor in History

The student minoring in history must take twenty-one (21) hours in history which must include HIS 101, 102.

Requirements for a Minor in History and Music History

The History department also offers a minor combining history and music history. It is ideally suited for music and music education majors, and for anyone interested in exploring the relationship between history and the arts. For more information on this minor contact the chair of the History Department or the Director of the School of Music.

Students minoring in History and Music History must complete twenty-four (24) hours in the following courses: MUS 231, 232; HIS 201 or 202, 401, 407, 413, 424; and a music history elective (chosen from MUS 332, 360, 431 - 437, 450, 471). In lieu of MUS 231, 232, students may take courses in Opera, American Music, Symphonic Literature, Baroque, Classic, Romantic, Twentieth Century, Jazz History, Masterpieces of Music.

The interdisciplinary program in Humanities offers a minor which concentrates study in one of three areas of courses chosen from various disciplines within the College of Liberal Arts. The program helps students develop their ability to write and think by focusing on important texts for reading, study, and discussion. In addition to the minor in Humanities, students may take the proseminar in the Humanities (HUM 495) and receive a Certificate of Humanities Study.

Requirements for Minor in Humanities

The minor in Humanities requires eighteen (18) hours. All student must complete HUM 490: Studies in European Humanities (3 hours) and five other courses (15 hours) selected from one of the following three areas. Courses must be chosen from at least three different disciplines within the selected area. With the approval of the Director and Council of the Humanities Program, students may elect to concentrate their 15 hours on alternative topics such as “Science, Technology, and Society,” “Perspectives on Religion,” or “Human Nature.” See the Program’s Director for details. All courses listed give 3 credit hours.

Area 1: Ancient World
- ANT 317 Peoples and Cultures of Mesoamerica
- ANT 335 Biblical Archaeology
- ENG 319 Literary Study of the Bible
- ENG 451 Chaucer
- FL 333 Greek Literature and Culture
- FL 353 Roman Literature and Culture
- GRK 445 Readings in Greek Literature
- HIS 325 The Classical World
- HIS 436 Medieval Life and Thought
- LAT 445 Readings in Latin Literature
- PHI 352 Asian Thought
- PHI 410 Classical Philosophy

Area 2: The World of the Renaissance and Reformation
- ENG 454 Survey of Shakespeare
- ENG 455 Studies in Shakespeare
- ENG 459 Milton
- FL 354 Medieval and Renaissance Humanism
- HIS 426 Renaissance Europe 1348-1500
- HIS 427 Reformation Europe 1500-1650
- SPA 446 Don Quijote

Area 3: The Enlightenment and After
- ANT 421 Anthropological theory
- ENG 463 Victorian Fiction and Prose
- ENG 466 Victorian Poetry and Drama
- ENG 468 British Women Writers
- ENG 469 Studies in British Literature
- ENG 473 Studies in African-American Literature
- ENG 478 American Women Writers
- FL 431 Foreign Language Film
- FRE 445 Topics in French Literature
- GER 445 Topics in German Literature
- GER 446 The German Novelle
- GER 448 The German Novelle
- GHY 210 Maps and Maps Interpretation
- FRE 342 Masterpieces of Afro-French Literature in Translation
- HIS 429 The Age of the Enlightenment
- HIS 444 Intellectual and Cultural History of Modern Europe
- HIS 477 Women in American Society
- HIS 481 Topics in Early Modern European History
- PS 421 Political Theory: Locke to the Present
- RTF 370 Film History
Courses That Are Applicable to More Than One Area:

The following courses may be taken to satisfy requirements in more than one area. The areas for which these courses may be used are indicated by the number in parenthesis following the listing. Topics of courses marked with an asterisk vary. Student should check with the instructor of these courses to be sure that the topic for that semester is appropriate to the area they have chosen.

ANT 313 Peoples and Cultures of Africa (1-3)
ANT 314 Peoples and Cultures of Asia (1-3)
ANT 315 American Indians (1-3)
ANT 318 People and Cultures of the Pacific (1-3)
ENG 440 Literary Criticism* (1-3)
FL 310 German Literature in Translation (2-3)
FL 340 French Literature in Translation (2-3)
FL 370 Spanish Literature in Translation (2-3)
FRE 436 Francophone Civilization and Culture (2-3)
HIS 423 Science and Society: From Copernicus to the Bomb (2-3)
LIS 433 History of the Book (1-3)
PHI 353 Study of a Major Philosopher* (1-3)
PHI 412 Modern Philosophy (2-3)
PS 420 Political Theory: Plato to Locke (1-2)
SPA 435 Spanish Culture and Civilization (2-3)
SPA 436 Latin American Culture and Civilization (1-3)
SPA 445 Topics in Spanish Literature (1-3)
SPA 452 Topics in Latin American Literature (2-3)

International Studies Program

Geoffrey Jensen, Director
Hattiesburg, MS 39406-5047
(601) 266-4333

The College of Liberal Arts offers a multidisciplinary major leading to a Bachelor of Arts degree in International Studies. The aim of the major is to provide students with the background necessary for careers with an international dimension in government, commerce, the media, international organizations, research, and teaching.

The forty-eight credit hours of this program satisfy the requirements for both an academic major and minor. Three required courses begin the program: GHY 341 (World Political Geography), HIS 473 (U.S. Foreign Relations), and PS 331 (Introduction to International Politics). Then follow eighteen hours in International Affairs. (Some of the course options in this requirement overlap with Category III of the collegiate general curriculum.) Another block of eighteen hours concentrates in a geographical area (Europe, Asia, or Latin America). A senior seminar (normally IS 491) completes the program. International Studies majors are required to include some study outside the U.S. or an internship in their program, although exemptions from this requirement are allowed for foreign students and in other special cases. See the program director for further information.

A minor requires the completion of eighteen (18) hours in International Studies, including the four (4) required courses and two courses in International Affairs.

The mission of the Army ROTC Program is to provide instruction to college students preparing them for future leadership positions, both civilian and military, and to commission Second Lieutenants for the United States Army, Army National Guard, and Army Reserve.

Program of Instruction

The ROTC program of instruction is divided into two courses, the Basic Course and the Advanced Course. The full program encompasses four years.

The Basic Course consists of two years of instruction and is one method of entry into the Advanced Course. The Basic Course is introductory in nature and no military obligation is incurred.

The Advanced Course is designed to prepare selected cadets for commissioning in the United States Army. All academic majors are accepted, and the University has waived the requirement for a minor...
for those students completing the ROTC program. Successful completion of a five-week advanced
summer camp and recommendation by the Professor of Military Science are required for
commissioning. The Advanced Course student is paid a $150.00 per month tax free subsistence
allowance during both academic years of the Advanced Course. Active Duty and Reserve
Commissions are earned. A recipient of a Reserve Commission may opt for a short period of active
duty and then join a Reserve or National Guard unit.

Basic Course students participate in a leadership practicum. This includes practical training
exercises on the USM campus and the Camp Shelby training site.

Advanced Course students will be required to attend a weekly leadership laboratory and participate
each semester in practical training exercises.

All Advanced Course cadets are required to complete a course or demonstrate proficiency in three
areas of Professional Military Education. The course areas are Military History, Computer Literacy,
and Communications (written and oral).

Two-Year Program
A two-year program leading to a commission is available to the following categories of students:

1. A veteran whose military record is evaluated by the Professor of Military Science and determined to have
   the necessary background for acceptance into the Advanced Course.
2. Students who did not take the Basic Course during the freshman and sophomore years. These students
   must successfully complete a six-week Basic Summer Camp prior to applying for the Advanced Course.
3. Students who are currently enlisted in the Army National Guard or Army Reserves.

Extracurricular and Enrichment Activities
ROTC cadets have the opportunity to participate in several professional organizations within the
Corps of Cadets. These include the Scabbard and Blade (honorary military society), Color Guard,
the Ranger Company, and Ranger Challenge Team.

ROTC Scholarship Program
The Army ROTC Scholarship Program is designed to offer financial assistance to outstanding
young men and women in the ROTC program who are interested in commissioned service in the
Army. There are three types of scholarships: Four-Year, Three-Year, and Two-Year. Each
scholarship provides tuition, textbooks, and laboratory fees in addition to paying a $150.00
subsistence allowance per month for the period that the scholarship is in effect.

Four-Year scholarships are available to high school seniors. Four-Year scholarship applications
must be mailed prior to November 15 in the students’ senior year of high school. Information and
application packets for the Four-Year scholarship may be obtained from the high school counselor
or by writing to:

   USM Military Science Department
   Scholarship Officer
   Box 5042
   Hattiesburg, MS 39406-5042

Students desiring to apply for the Two-Year or Three-Year scholarships should contact the Military
Science Department Chair at the University. Applicants will be screened by a scholarship
committee and selections will be forwarded to the Department of the Army for final selection.

Simultaneous Membership Program (SMP)
Qualified National Guard and Army Reserve members can enter the Advanced Course and remain
in their units while combining and enhancing their pay and tuition benefits and earning their
commission as a Second Lieutenant.
Paralegal Studies Program
Ronald G. Marquardt, Director
Gail Lucas, Assistant Director
Hattiesburg, MS 39406-5108
(601) 266-4310

Students majoring in Paralegal Studies, an interdisciplinary major offered through the Department of Political Science, complete thirty-six hours of coursework. The Bachelor of Arts degree in Paralegal Studies prepares students for employment in private law firms, businesses, and government offices. Although paralegals, as non-lawyers, are legally restricted from practicing law, they assist attorneys in delivering legal services more efficiently and may perform a variety of tasks, including legal research and drafting, litigation assistantship, interviewing and investigation, and file organization and maintenance.

All students majoring in Paralegal Studies must maintain a GPA of 2.5 after 30 hours of coursework, and any students transferring to the Paralegal Studies program must attain a GPA of 2.25 prior to transferring.

Requirements for a Major in Paralegal Studies
The Paralegal Studies curriculum is interdisciplinary and includes the following requirements.

1. General Education Curriculum (70 hours) as outlined in the College of Liberal Arts preface.
2. PLS 381, 382, 383, 384, 386, 387, 388
3. ENG 332 or 333
4. CJ 330
5. Three of the following electives: ACC 200; BA 200; REI 340; CJ 430, 463; CSC 100; PS 380, 480, 481, 484, 489; PLS 389.
6. Eighteen (18) hours in a minor field.

Graduation with a degree in Paralegal Studies requires 128 hours, including at least 21 hours in courses numbered 300 and above in the major.

Students participating in PLS 389 (Internship in Paralegal Studies), an elective course, usually intern the summer between their junior and senior year.

PACE Degree Plan
Paralegal Studies .....................................................................................................................................................262

Department of Philosophy and Religion
Forrest E. Wood, Jr., Chair
Hattiesburg, MS 39406-5015
(601) 266-4518

The mission of the Department of Philosophy and Religion is to teach students the art of critical thinking, to challenge them to think creatively, and to lead them to make a deliberate and rational attempt to understand both the whole and the parts of their experience for the purpose of obtaining wisdom for effective living. Accepting Socrates’ belief, “The unexamined life is not worth living,” we encourage students to discover and examine the basic philosophical and religious ideas of diverse cultures in order to gain illumination of personal and social values.

The department offers programs of study leading to the Bachelor of Arts with a major in philosophy, a minor in Philosophy and a minor in Religion. The major in philosophy requires thirty (30) hours of courses. This major offers both breadth and depth in philosophical training for students interested in pursuing graduate study in philosophy as well as for those majoring in philosophy as a pre-professional program in law, medicine, or other related fields. Although the department does not offer a major in religion, students can take a significant number of courses in religion to prepare them for graduate work in the academic study of religion or for pre-professional study for the ministry or religious education.

The minor in philosophy requires the completion of eighteen (18) hours in philosophy. The department recommends that the student take Introduction to Philosophy (PHI 151), Logic (PHI 253), and Ethics (356) as part of their eighteen (18) hours.
The minor in religion requires the completion of eighteen (18) hours in religion or philosophy courses closely related to religion. The department recommends that the student take Philosophy of Religion (PHI 372) and at least one course in the Eastern and one course in the Western religious traditions as part of their eighteen (18) hours.

Department of Political Science

Ronald G. Marquardt, Chair
Hattiesburg, MS 39406-5108
(601) 266-4310

The Department of Political Science offers a major and minor in Political Science and advising in Pre-Law Studies. Degrees include the Bachelor of Arts, Master of Arts, Master of Science, and Master of Science with a Concentration in Public Administration. The master’s degrees are described in the Graduate Bulletin. The Political Science major is designed to prepare students for careers in national, state, and local governments, teaching, and international service, and other fields.

Graduation with a major in Political Science requires 128 hrs. including the collegiate general education curriculum (70 hours; see College preface for these requirements), 33 hours in the major, and 18 hours in a minor field. In addition to PS 101 (American Government) and PS 201 (Great Issues of Politics), the Political Science major must take at least one course from six of the seven areas of Political Science.

The Seven Areas of Political Science

- Political Theory: 321, 420, 421, 426.
- International Relations: 330, 331, 431, 432, 435.
- Public Law: 380, 480, 481, 484, 485, 489.

Requirements for a Minor in Political Science

Students minoring in Political Science must complete PS 101, 201, and twelve (12) additional hours with at least one course from three of the seven areas of political science.

Pre-Law Advisement

Kate Greene, Adviser
Hattiesburg, MS 39406-5108
(601) 266-4310

Students interested in attending law school should consult the pre-law adviser initially. By the beginning of their second year, students should officially declare a major and minor and then see their major adviser for academic advisement. During the third year, the student should meet with the pre-law adviser for information on the Law School Admissions Test (LSAT) and admissions information.

In addition to their major and minor courses, students interested in law school can supplement their program of study with the following courses as electives: ACC 200; ENG 332 or 333; PHI 253; PLS 383; PS 301, PS 380, PS 407, PS 480, PS 481, PS 484 and/or BA 200. Students desiring to strengthen their writing skills should include additional composition courses as well.

In making admissions decisions, law schools give greatest consideration to a student’s grade point average, LSAT score and writing sample, and academic letters of recommendation. Students are encouraged to major in a subject area in which they are interested and in which they can maintain a high grade point average.
Department of Speech and Hearing Sciences

Stephen E. Oshrin, Chair
Hattiesburg, MS 39406-5092
(601) 266-5216

Alexander, Berry, Buisson, Carlin, Cloud, Muma, Saniga, Schaub, Teller, Terrio

The Department of Speech and Hearing Sciences offers undergraduate curricula which provide both a broad, eclectic exposure to communication processes and disorders and a solid foundation for graduate studies in the field. The department provides an ideal blend of academic, clinical, and research activities for both undergraduate and graduate students.

Educational and Clinical Services

In addition to its academic programs, the Department of Speech and Hearing Sciences operates a number of clinical and public services: (1) The Speech-Language-Audiology Clinic provides students with an orientation to clinical procedures used in speech-language pathology and audiology; the clinic is accredited by the Professional Services Board of the American Speech-Language-Hearing Association and provides diagnostic services and therapy programs to students, faculty, and the community. (2) The Preschool Language Program provides an interdisciplinary approach to diagnosis and treatment of communicatively handicapped and developmentally delayed infants and preschool children. (3) The DuBard School for Language Disorders provides speech-language and educational services for individuals with severe disorders of language.

Requirements for a Major in Education of the Deaf

Specific course requirements for an undergraduate degree in Education of the Deaf are shown on the PACE Degree Plan. Students must adhere to all teacher education requirements, including an overall GPA of 2.50 on 44 hours of general core courses, an approved sequence of professional coursework, the successful completion of student teaching, and obtaining passing scores on the Praxis I and II. Students must earn a grade of “C” or higher in all Education of the Deaf courses and in all required professional education courses.

Requirements for a Major in Speech-Language Pathology and Audiology

The specific course requirements (shown on the PACE Degree Plan) are designed to provide a pre-professional foundation for continued coursework on the graduate level. Since professional certification and licensure require the master’s degree, students should plan to apply for graduate study at the University of Southern Mississippi or another accredited graduate program following the completion of undergraduate study.

Requirements for a Minor in Education of the Deaf

All students pursuing a minor in Education of the Deaf must complete eighteen (18) hours. Courses required for the minor are SHS 323, 329, 425. Recommended courses are SHS 302, 340, 421.

Requirements for a Minor in Speech-Language Pathology and Audiology

All students pursuing a minor in Speech-Language Pathology and Audiology must complete eighteen (18) hours. Courses required for the minor are SHS 211, 221, 423. Recommended courses are SHS 301, 425, 431.

The Women’s Studies Program offers a minor earned through an interdisciplinary series of courses on issues and research concerning women. Its aim is to increase students’ awareness, knowledge, and critical analysis of gender issues and differences.

Requirements for a Minor in Women’s Studies

The minor in Women’s Studies requires eighteen (18) hours. All students must complete Women’s Studies 301: Introduction to Women’s Studies. The remaining hours must be distributed among at least three disciplines. The following are approved for Women’s Studies credit in every semester in which they are taught:

- ANT 452 .................................................................................................. Language, Gender and Culture
- DAN 462 ................................................................................................................ Dance History I
- ENG 468 ........................................................................................................... British Women Writers
- ENG 478 ......................................................................................................... American Women Writers
- FAM 351 ........................................................................................................... Family Relationships and Marriage
- FAM 451 ........................................................................................................... Marriage Adjustments
- NFS 363 ......................................................................................................... Maternal and Child Nutrition
- *NSG 327 ................................................................................................... Nursing Care of Women and Developing Families
- *NSG 327L ................................................................................................ Nursing Care of Women and Developing Families Laboratory
- HIS 438 ....................................................................................................... Family and Society in Medieval and Early Modern Europe
- HIS 477 ......................................................................................................... Women in American Society
- HPR 403 ........................................................................................................ Coaching the Female Athlete
- PS 405 ................................................................................................................. Women and Politics
- SCM 475 ........................................................................................................ Gender Issues in Speech Communication
- SOC 415 ......................................................................................................... Sex Roles and Gender in Society
- WS 450 ........................................................................................................... Special Topics in Women’s Studies
- WS 490 ........................................................................................................... Directed Research in Women’s Studies

*These courses are open only to students enrolled in Nursing degree programs.

Special topics courses in various disciplines will be approved for credit on a semester by semester basis, and more regular courses will be added as they are developed. Students should be advised by the program director each semester.

   01 LABORATORY SCIENCES: 8 HRS.
   02 SCIENCE OR MATH ELECTIVE: 3 - 4 HRS.

05. HUMAN WELLNESS (2 HRS)
   01 NFS 167
   02 HPR 105

11. ELECTIVES
   01 GS 101 (REQUIRED FOR ENTERING GS STUDENTS)

General Studies is not a degree program. A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
01. REASONING AND COMMUNICATION SKILLS (12 HRS)
   01 ENG 101 AND ENG 102
   02 MAT 101
   03 SELECT 1 COURSE FROM SCM 111, SCM 305, SCM 320, SCM 330

02. HUMANITIES AND FINE ARTS (30 HRS)
   01 ENG 203
   02 SELECT 1 COURSE FROM AA 100, ART 130, DAN 107, MUS 365, THE 100
   03 12 HRS (NORMALLY 101, 102, 201, 202) IN A SINGLE FOREIGN LANGUAGE:
      FRE, GER, GRI, ITA, JPN, LAT, RUS,
      OR SPA. AS FEW AS 6 HRS MAY SUFFICE DEPENDING ON PLACEMENT.
   04 HIS 101 AND HIS 102
   05 HUMANITIES: SELECT 1 COURSE FROM AMS 304, AMS 404, ENG 200,
      ENG 201, ENG 202, ENG 350, ENG 351, ENG 370, ENG 371, HIS 201, HIS 202,
      RTF 170.
   06 PHI 151 OR REL 131

03. SOCIAL AND BEHAVIORAL SCIENCES (12 HRS)
   01 SELECT 12 HRS FROM COURSES ANT 101, ANT 221, ECO 201, GHY 101, GHY 102, GHY 331, PS 101, PS 201, PS 321, PS 331, PSY 110, SOC 101, SOC 240, SOC 314. MAX OF 3 HRS PER DEPT.

04. NATURAL AND APPLIED SCIENCES (11 HRS)
   01 LAB SCIENCE: 8 HRS.
      RECOMMENDED COURSES INCLUDE (AST 111, AST 111L), (AST 112, AST 112L), (BSC 103, BSC 103L),
      (CHE 104, CHE 104L), (GLY 101, GLY 101L).
   02 SCIENCE OR MATH ELECTIVE: 3 - 4 HRS. RECOMMENDED COURSES INCLUDE ANT 241, ESC 301, NFS 362, GHY 325. SCI/MATH ELECTIVE MUST NOT DUPLICATE CONTENT OF LAB SCIENCES.

05. HUMAN WELLNESS (2 HRS)
   01 NFS 167
   02 HPR 105

06. HUMANITIES/SOCIAL SCIENCE ELECTIVE (3 HRS)
   01 SELECT 1 COURSE FROM AMS 304, AMS 404, ENG 200, ENG 201, ENG 202,
      ENG 350, ENG 351, ENG 370, ENG 371, HIS 201, HIS 202, ANT 101, ANT 221,
      ECO 201, GAY 101, GAY 102, GAY 331, GAY 341, PS 101, PS 201, PS 321, PS 331,
      GAY 110, SOC 101, SOC 240, SOC 314, RTF 170

07. MAJOR REQUIREMENTS (36 HRS)
   01 HIS 101, HIS 102, HIS 201, HIS 202
   02 HIS 300
   03 SELECT 21 HRS FROM DEPT OF HIS. SEE YOUR BULLETIN FOR DISTRIBUTION REQUIREMENTS.

08. OTHER REQUIREMENTS (1 HR)
   01 LIS 301

11. ELECTIVES
   01 CHOOSE ELECTIVES AS NEEDED. A MINIMUM OF 128 HRS IS REQUIRED FOR GRADUATION.

Minimum of 128 Hours in Program
A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
HISTORY (LICENSURE IN SOCIAL STUDIES)
PACE Degree Plan

01. REASONING AND COMMUNICATION
SKILLS (12 HRS)
  01 ENG 101 AND ENG 102
  02 MAT 101
  03 SELECT 1 COURSE FROM SCM 111, SCM 305, SCM 320, SCM 330

**Degree Abbreviation: (BSN) Bachelor of Science in Nursing**
College of Nursing

The College of Nursing provides educational programs to prepare professional practitioners in the discipline of nursing for diverse populations, promotes service activities to the community, nursing profession, and University, and fosters research and scholarly activities to expand nursing knowledge and practice. The curricula prepare the beginning generalist in professional nursing and the advanced practitioner for leadership in health care systems.

The faculty envision the College of Nursing as an academic entity in which a diversified body of undergraduate and graduate students are prepared as expert nursing professionals and are able to think critically and provide leadership at various levels in their fields of practice. The College is viewed as a center for the development of new knowledge and improved forms of practice for nursing.

The faculty envision that the College of Nursing of The University of Southern Mississippi will be distinguished as

1. a statewide and regional center for nursing education, practice expertise, and leadership;
2. a center of academic excellence grounded in the most innovative nursing education and the most advanced research;
3. a provider of regional health initiatives to promote and maintain the health and health care of citizens; and
4. a center of doctoral education in nursing for the state.

Organization and Administration

The College of Nursing offers programs at three sites—Hattiesburg, the Gulf Coast, and Meridian. The Dean of the College of Nursing is responsible for the implementation of programs on all sites. The Assistant Deans for undergraduate and graduate programs facilitate the implementation of these curricula. There is a campus coordinator at Meridian and the Gulf Coast who coordinates scheduling and student admission and advisement at these sites.

History

Following a year of planning and curriculum development, the first students were admitted to the School of Nursing in September, 1967. The School of Nursing received National League for Nursing accreditation in 1969. The first Bachelor of Science degrees with Nursing as a major were conferred in May, 1969. The degree title was changed to Bachelor of Science in Nursing (BSN) April 1991. The School became the College of Nursing in November, 1997.

Accreditation

The College of Nursing program is accredited by the National League for Nursing Accrediting Commission and approved by the Board of Trustees of State Institutions of Higher Learning and the Commission on Collegiate Nursing Education (CCNE).
Baccalaureate Program

The Baccalaureate Program offers broad preparation in general education, as well as education for the professional practice of nursing in a variety of settings. Courses in the liberal arts and humanities, the sciences, and the professional component are selected to prepare the student to effectively assume the role of citizen and professional practitioner. Part-time studies are available; however, full-time students will be given priority for class space.

Successful completion of the nursing program leads to the awarding of the Bachelor of Science in Nursing Degree and permits the student to make application to take the National Council Licensure Examination for R.N. licensure. Applicants who have been convicted or have charges pending against them for a felony or misdemeanor in any state may be denied permission to take the licensure examination by the State Board of Nursing.

Admission

All students entering the College of Nursing directly from high school and all students transferring to the College are subject to the admission procedures and standards of the University. Admission to The University of Southern Mississippi as a pre-nursing student does not insure progression to the upper division nursing major.

Students having completed at least 75% of the prerequisite nursing courses may make application to the College of Nursing for progression to the Nursing major. Application forms may be obtained through the Office of Student Services, Room 116 Harkins Hall. The deadline for return of completed applications is as follows:

Fall term admission—March 1.
Spring term admission—October 1.

In addition to filing an application, the following minimum requirements must be met for consideration for admission to the College of Nursing.

1. An Enhanced ACT of 21 or above. A corresponding score on the ACT taken prior to October 1989 or the SAT is acceptable.
2. An overall grade point average of 2.5 on courses prerequisite to the nursing major.
3. A minimum of a C in each prerequisite course applicable to the nursing curriculum.
4. Two of the four natural science requirements must be completed prior to making application for Fall admission. Three of the four natural science requirements must be completed prior to making application for Spring admission.

Note: Only one natural science course may be repeated one time.

The number of students admitted each semester will vary according to the resources available. Mississippi residents will receive priority in admission to the College of Nursing.

Academic Probation/Dismissal

The following policies apply to all students admitted to the College of Nursing:

1. A student may repeat only one nursing course one time depending on availability of space in the course.
2. The student who receives a second grade below a C in a nursing course is dropped from the program. Notification of dismissal will be sent to the student. The student may appeal the dismissal to the Admissions, Progression, Retention Committee.
3. The inability to function safely in a clinical setting is cause for dismissal from the nursing program (See current policies on safe clinical practice).
4. Students who violate codes of moral/ethical conduct will be dismissed from the nursing program. (See current policies on professional integrity and impaired student nurse policy).
Readmission

Students who have previously enrolled in nursing courses, have a break in attendance of one or more terms, and leave in good standing must file an application for readmission to the College of Nursing. The deadline for return of completed applications is as follows:

Fall term readmission—March 1.
Spring term readmission—October 1.

Students are subject to the curriculum plan of study as outlined in the Undergraduate Bulletin of the year of readmission. Students must also meet the readmission policies of the University.

Student Advisement

Each student admitted to the program will be assigned an adviser. The adviser will assist the student in planning a program of study toward the degree, approve the schedule each semester, provide counsel, and sign the application for degree.

Expenses

The general fees and expenses are the same for nursing students as for other University students. Additional expenses incurred by nursing students such as uniforms, books, insurance, student nurse organization fees, etc., are estimated as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Expenses</th>
</tr>
</thead>
<tbody>
<tr>
<td>3rd</td>
<td>$800.00</td>
</tr>
<tr>
<td>4th</td>
<td>$400.00</td>
</tr>
</tbody>
</table>

Travel: Students are responsible for arranging transportation to off-campus hospitals and other agencies which constitute part of the program.

Insurance

Students enrolled in courses in the upper division nursing major of the nursing program are required to purchase professional and personal liability insurance through the University; a fee will be charged at the time of registration. Automobile liability insurance is required.

Health Examination

A physical examination and selected immunizations are required for admission to the upper division nursing major. A TB skin test is required yearly for the remainder of the time required to complete the program. Hepatitis vaccinations are encouraged. (See the College of Nursing Handbook for specific requirements.)

Registered Nurse Students*

Registered nurse students must complete the same Bachelor of Science in Nursing degree prerequisites as all other degree candidates in the College of Nursing. The prerequisites may be taken at The University of Southern Mississippi or at another accredited college or university. (See University Bulletin for limitation of transfer credits.)

For registered nurse students, the NCLEX RN licensure exam will be used to validate previously earned nursing credit. At the successful completion of NSG 403, students will register for NSG 307, 361, 362, and 363.

**ADDITIONAL PROGRAMS**

- (ENVIRONMENTAL SCIENCE)****
- (GENERAL SCIENCE)****
- (PREPROFESSIONAL PROGRAMS)
  - Pre-Cytotechnology**
  - Pre-Dental**
  - Pre-Dental Hygiene**
  - Pre-Health Information Management**
  - Pre-Medical**
  - Pre-Occupational Therapy**
  - Pre-Optometry**
  - Pre-Pharmacy**
  - Pre-Physical Therapy**
  - Pre-Veterinary**

* Minor available.

** These programs do not lead to degrees. Students in a preprofessional program will select an academic major with a “minor” in the appropriate preprofessional area. They will either complete the degree or transfer to the appropriate professional school after satisfying its entrance requirements.

*** Degree Abbreviations: (BS) Bachelor of Science

**** Only a minor is available
College of Science and Technology

Stephen A. Doblin, Dean
C. Howard Heiden, Senior Associate Dean
R.D. Ellender, Associate Dean for Research and Development
Robin Barnett, Associate to the Dean for Student Services and Preprofessional Programs
Pamela G. Posey, Assistant to the Dean for Budgets and Special Administrative Services
Hattiesburg, MS 39406-5165
(601) 266-4883

The College of Science and Technology provides training in all of the classical fields of science, several contemporary multidisciplinary areas, and "career-oriented" technology degree programs.

The College of Science and Technology is organized into two schools, eight departments, and six centers or institutes. The School of Engineering Technology includes programs in Architectural, Computer, Construction, Electronics, Industrial, Mechanical and Software Engineering Technology at the undergraduate level; a program in Industrial Training is also available. The School of Mathematical Sciences includes the departments of Computer Science and Statistics, Mathematics, and Physics and Astronomy; descriptions of its undergraduate programs can be found in the listings of its departments. Other departments of the College include Biological Sciences, Chemistry and Biochemistry, Geology, Medical Technology, and Polymer Science. The centers and institutes include those for Science and Mathematics Education, Environmental Science, Molecular and Cellular Biosciences, Formulation Science, and the Mississippi Polymer Institute.

Preprofessional programs are offered by the College of Science and Technology in the following health related areas: medicine, dentistry, veterinary medicine, pharmacy, physical therapy, optometry, dental hygiene, health information management, occupational therapy, and cytotechnology. These programs are administered by the Premedical and Health Professions Office. The College also provides pre-engineering and pre-architecture curricula.

Students who matriculate at USM as a College of Science and Technology major may not subsequently attend another institution of higher learning (e.g., community/junior college, 4-year college, or university) with the intention of transferring courses taken at these institutions back to their USM degree program unless they have received prior approval to take such courses by their department chair and college dean. USM students who take courses at another institution of higher learning without obtaining prior approval of their chair and dean may petition their chair and dean for inclusion of such courses in their USM degree program, but approval will be granted only if the reasons for not obtaining prior approval are substantial and warrant such an exception to the above stated policy. In all but the most unusual circumstances, USM students who take courses at another institution to repeat courses already taken at USM will not be allowed to count these courses towards the completion of their USM degree. USM students majoring in degree programs outside the College of Science and Technology who subsequently request transfer into one of the College of Science and Technology degree programs must meet all of the above conditions or receive prior approval by their new chair and dean for any exceptions.

Teacher Licensure

The College of Science and Technology offers several programs leading to teacher licensure at the K-12 or secondary level. Requirements for licensure include (1) an ACT composite score of 21 (SAT 860) or higher, with no scale score below 18 upon entrance into college or acceptable scores on the appropriate Praxis I examination; (2) a minimum grade point average on the 44-semester-hour general education core curriculum of 2.65 (for secondary) or 2.5 (for K-12); (3) admission to the teacher education program; (4) a "C" average in Freshman English Composition; (5) completion of 32 hours of professional education courses (PSY 374; REF 400; REF 469; SPE 400; a General Methods course; an Area Methods course; and Student Teaching); (6) a grade of "C" or better in all content courses in the academic major as well as all professional education courses; (7) acceptable scores on the Praxis II examinations (Principles of Learning and Teaching exam and Subject Assessment exam); and (8) fulfillment of major requirements in subject area.
These requirements are subject to modification; for current information students should contact the University’s Education Licensure advisor, 116 Owings-McQuagge Hall; phone 266-5522.

The State Department of Education also provides an alternate route to licensure for graduates of an accredited college or university. For details and specific procedures contact:

The Office of Educator Licensure
State Department of Education
Post Office Box 771
Jackson, Mississippi 39205
Telephone: (601) 359-3483

A student wishing to obtain a Bachelor of Science degree from the College of Science and Technology must complete the following College of Science and Technology requirements.

**I. Reasoning and Communication Skills (18 hours)**

TOTAL: 55

*Must include at least one course in Calculus among the 9 hours of Mathematics taken.

In addition to the degree programs offered by the College of Science and Technology, minors are available in the areas noted previously under “Academic Offerings.” Two of these minors are interdisciplinary, one in Environmental Science and one in General Science.

**Requirements for a minor in Environmental Science**

Students pursuing the undergraduate minor in Environmental Science must complete a minimum of eighteen (18) hours of course work. Courses used to meet minimum requirements in the core, major, or another minor may not be duplicated for the Environmental Science Minor. The following course is required: ESC 301 (Living in the Environment). The remaining fifteen (15) hours must be selected from among the following courses: BSC 435/L, 440/L, 441/L, 443/L, 444/L, 489/L; CHE 311/L, 411/L, 470; CHS 321, 421, 440; C J 480, CSS 418, 435; ENT 430/L; ESC 205, 302, 330, 401/L, 402/L, 431/L, 492; GHY 311/L, 323, 325/L, 370, 412/L, 417/L, 418/L, 425, 427, 474; GLY 306, 411, 465, 476; MAR 401/L, 405/L, 406/L, 422/L, 441/L, 461/L, 481/L; PLG 462, 465; SOC 461; TOX 470. From time to time, additional courses will be approved for inclusion among the fifteen hours of electives. Students should inquire about the most current listing from either: Assistant to the Dean, College of Science and Technology or Director, School of Engineering Technology.

**Requirements for a minor in General Science**

The multidisciplinary General Science minor requires twenty-seven (27) hours from three or more appropriate fields (astronomy, biological sciences, chemistry, computer science, geology, marine science, mathematics, physics, and polymer science) with at least eight (8) hours from each field included; courses in the major are excluded.
Center for Science and Mathematics Education
Susan C. Ross, Interim Director
(601) 266-4739

The Center for Science and Mathematics Education coordinates all programs in teacher education offered by the College of Science and Technology. Teacher education programs are offered through the Departments of Biological Sciences, Chemistry and Biochemistry, Computer Science and Statistics, Geology, Mathematics, and Physics and Astronomy. Programs in secondary teacher education require the equivalent of a major in an academic discipline and a minor in secondary education. Students interested in science teaching licensure at the secondary level are referred to the department offering the academic discipline of their choice. Students transferring from the community and junior colleges are advised to follow the core requirements outlined for the College of Science and Technology.

Objectives
The objectives of the Center for Science and Mathematics Education are: (1) to coordinate all programs in teacher education offered by the College of Science and Technology; (2) to provide, in cooperation with the Department of Curriculum and Instruction, a curriculum in the sciences and science methods for prospective elementary school teachers; (3) to provide the science teaching methods course and student teaching supervision for prospective secondary teachers; (4) to provide programs leading to advanced degrees in science education; (5) to work with public schools in the development of curricula, workshops, science fairs, and other activities designed to improve science instruction at all public school levels; and (6) to utilize educational technology as an effective delivery tool for professional development.

Curriculum and Programs
The Center for Science and Mathematics Education offers a three course sequence: FS 131, General Physical Science; FS 133, General Biological Science; and FS 135, Earth and Environmental Science. The courses in the Fundamentals of Science (FS) sequence are laboratory courses designed to meet core requirements for elementary education and special education majors. In addition, the Center offers elementary and secondary science teaching methods courses designated in the catalog as Science Education (SCE).

Graduate programs offered by the Center for Science and Mathematics Education are described in the Graduate Bulletin.

Institute of Environmental Science
Desmond Fletcher, Director
Hattiesburg, MS 39406-5137
(601) 266-4896

The Institute of Environmental Science assembles teams of researchers from all disciplines as needed to undertake applied research in the areas of environmental studies and renewable energy resources. Providing environmental expertise to the community is another major function of the Institute.
Center for Molecular and Cellular Biosciences
Glen Shearer, Coordinator
Hattiesburg, MS 39406-5018
(601) 266-4722

The Center is composed of scientists with expertise in the disciplines of biochemistry, microbiology, molecular biology and molecular genetics. The Center facilitates research in these areas by means of a weekly Journal Club, which reviews the current literature, and the Distinguished Scientists Seminar Series, which brings world-renowned researchers to the Hattiesburg campus. In addition, the Center provides a forum for interaction among graduate and undergraduate students working in the laboratories of the participating faculty. Faculty currently associated with the Center are members of the Department of Biological Sciences or the Department of Chemistry and Biochemistry.

Mississippi Polymer Institute
Troy Cain, Operations Manager
Hattiesburg, MS 39406-0003
(601) 266-4007

The Mississippi Polymer Institute was authorized by the Mississippi Legislature in 1983. The purpose of the Institute is to conduct research designed to increase the utilization of Mississippi raw materials in polymers and to support the rapidly growing polymer industry in Mississippi. The Institute is an integral part of the College of Science and Technology and functions in concert with the Department of Polymer Science.

Institute for Formulation Science
Robert Y. Lochhead, Director
Hattiesburg, MS 39406-0076
(601) 266-4080

The Institute for Formulation Science supports and coordinates research in formulation science. The Institute is an integral part of the College of Science and Technology and functions in concert with the Department of Polymer Science.

Premedical and Health Professions Office
Robin Barnett, Director
Hattiesburg, MS 39406-0006
(601) 266-4724

The Premedical and Health Professions Office administers ten undergraduate programs that lead to professional study in the following fields: medicine, dentistry, optometry, veterinary medicine, pharmacy, dental hygiene, physical therapy, occupational therapy, cytotechnology, and health information management. These preprofessional programs vary greatly in content and duration; all are designed to prepare students for admission to the appropriate professional school. Students interested in any of these fields are urged to contact the Premedical and Health Professions Office to ensure that the proper courses are taken and the necessary procedures are followed. For details regarding the individual programs, consult the descriptions below.

Pre-Cytotechnology Program
The University of Southern Mississippi offers a two-year program that prepares students for the two-year professional program within the Department of Cytotechnology, School of Health-Related Professions, University of Mississippi Medical Center. Students completing this program receive the B.S. degree from the University of Mississippi.

PACE Program Plan
Page
Pre-Cytotechnology................................................................. 294
Pre-Dental Program

Minimal requirements for admission to most schools of dentistry are similar and normally include completion of specified courses in English, biology, chemistry, physics, and mathematics; completion of a baccalaureate degree; and scores from the nationally-administered Dental Admission Test (DAT). The PACE Program Plan for Pre-Dental outlined later in this catalog lists minimal requirements for admission to the School of Dentistry of the University of Mississippi and most other dental schools. Pre-dental students do not receive a degree in "pre-dent." Rather, as they follow a pre-dental curriculum, they work toward completing a baccalaureate degree in the field of their choice. Students usually take the DAT the spring of the junior year and make application to dental school the fall of the senior year.

Exceptional students with as few as 90 semester hours credit, who otherwise meet admissions criteria, may be admitted to dental school; under certain conditions, those individuals may transfer credits from their first year at dental school and receive the bachelor’s degree from The University of Southern Mississippi.

PACE Program Plan

Pre-Dental................................................................................................................................................................294

Pre-Dental Hygiene Program

The University of Southern Mississippi offers a two-year curriculum that prepares students for the two-year professional program in dental hygiene at the University of Mississippi Medical Center. Students completing the entire program receive the B.S. degree from the University of Mississippi.

PACE Program Plan

Pre-Dental Hygiene.................................................................................................................................................294

Pre-Health Information Management Program

This curriculum prepares students for the two-year professional program within the Department of Health Information Management, School of Health Related Professions, University of Mississippi Medical Center. Acceptance into this program is dependent upon the degree of preparation and level of academic achievement of candidates and is determined solely by the professional school. Students completing the professional program receive the B.S. degree in Health Information Management from the University of Mississippi.

PACE Program Plan

Pre-Health Information Management......................................................................................................................294

Pre-Medical Program

Schools of medicine have fundamentally similar minimal requirements for admission. Generally, these requirements include completion of specified courses in English, biology, chemistry, physics, and mathematics; completion of a baccalaureate degree; and scores from the nationally-administered Medical College Admission Test (MCAT).

The curriculum outlined meets only minimal requirements for admission to the School of Medicine of the University of Mississippi and to other medical schools. Premedical students do not receive a degree in “pre-med.” Rather, as they follow a pre-medical curriculum, they work toward completing a baccalaureate degree in the field of their choice. Students usually take the MCAT the spring of the junior year and apply to medical school the following summer.

Exceptional students with as few as 90 semester hours credit, who otherwise meet admissions criteria, may be admitted to medical school; under certain conditions, these individuals may transfer credits from their first year at medical school and receive the bachelor’s degree from The University of Southern Mississippi.

PACE Program Plan

Pre-Medical Program..............................................................................................................................................294
Pre-Occupational Therapy Program

The curriculum in pre-occupational therapy prepares students for the two-year professional program at the University of Mississippi Medical Center. Students completing the entire program receive the B.S. degree from the University of Mississippi. Admission to professional programs of occupational therapy is extremely competitive, being dependent upon a strong record of academic preparation and achievement; it is determined solely by the professional school.

PACE Program Plan

<table>
<thead>
<tr>

<td>Pre-Occupational Therapy</td>
<td>295</td>
</tr>
</tbody>
</table>

Pre-Optometry Program

Students wishing to study optometry must complete three or more years in a preprofessional program. Currently, programs at the University of Alabama at Birmingham, the Southern College of Optometry in Memphis, Tenn., and the University of Houston in Houston, Tex., admit residents of Mississippi to professional study. The prerequisites for admission to these programs are somewhat different, and the student and pre-optometry adviser will need to determine the appropriate preprofessional curriculum to be followed. The curriculum outlined in the PACE Program Plan for Pre-Optometry is only illustrative and does not reflect the specific entrance requirements of a particular school of optometry. The Optometry Admission Test (OAT) is a requirement for admission to all colleges of optometry and should be taken in the fall of the third year of pre-professional study.

PACE Program Plan

<table>

</table>

Pre-Pharmacy Program

Colleges of pharmacy normally require four years of preprofessional training, but minimal requirements for admission vary. The student and the pre-pharmacy adviser will design the academic program to meet the specific admission criteria for the college of pharmacy which the student wishes to attend. The PACE Program Plan outlined in this catalog meets admission requirements of the School of Pharmacy of the University of Mississippi as well as many other pharmacy schools. The Pharmacy College Admission Test (PCAT) is required by the University of Mississippi; it may also be required by other schools. It is given in February, April, and November of each year; applications are available in the Premedical and Health Professions Office.

PACE Program Plan

<table>
<thead>
<tr>
<th>Program Area</th>
<th>Page</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pre-Pharmacy</td>
<td>295</td>

</tbody>
</table>

Pre-Physical Therapy Program

The curriculum in pre-physical therapy fulfills course requirements for admission to the two-year master’s-level program within the Department of Physical Therapy, School of Health Related Professions, University of Mississippi Medical Center. A baccalaureate degree is required, and students must have observed the work of two clinical departments of physical therapy for at least forty (40) hours prior to application. Admission to professional programs of physical therapy is extremely competitive, dependent upon a strong record of academic preparation and achievement; it is determined solely by the professional school.

PACE Program Plan

<table>
<thead>
<tr>
<th>Program Area</th>
<th>Page</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pre-Physical Therapy</td>
<td>295</td>

</tbody>
</table>

Pre-Veterinary Program

Residents of Mississippi wishing to study veterinary medicine ordinarily apply to the College of Veterinary Medicine, Mississippi State University. Current criteria for admission to that college are given in the MSU publication “Requirements for Application to the College of Veterinary Medicine,” which is available from the pre-veterinary adviser. Candidates are evaluated on the basis of pre-veterinary academic preparation, as well as expertise in management of domestic animals and experience within the food-animal industry.
The pre-vet curriculum satisfies minimal course requirements for admission to MSU’s College of Veterinary Medicine; applicants to other schools should consult the appropriate admissions offices. Although only sixty-five (65) semester hours of undergraduate coursework are required, students are strongly advised to work towards completing the baccalaureate degree in a science field. The Veterinary College Admission Test (VCAT) is also required. It is recommended that students acquire experience working in a veterinary clinic before applying to a vet school.

**School of Engineering Technology**

R.A. Cade, Director  
Hattiesburg, MS 39406-5137  
(601) 266-4896

The School of Engineering Technology offers eight undergraduate programs with direct application to industry. The six Engineering Technology programs listed below are accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology (TAC of ABET), 111 Market Place, Suite 1050, Baltimore, Maryland 21202, telephone (410) 347-7700. The following programs require a minimum of a “C” in MAT 101 (College Algebra) and MAT 103 (Trigonometry):

- Architectural Engineering Technology  
- Computer Engineering Technology  
- Construction Engineering Technology  
- Electronics Engineering Technology  
- Industrial Engineering Technology  
- Mechanical Engineering Technology

The School also offers a Bachelor of Science degree in:

- Workforce Training and Development  
- Software Engineering Technology

The School offers a two-year pre-engineering program and a program leading to the Master of Science in Engineering Technology.

The baccalaureate programs provide career-oriented technical education that enables graduates to enter positions with skills that are in high demand in modern industry. All programs are designed to accept transfer students from accredited community/junior colleges and technical institutes. Some guidance for transfer students is provided with the individual program information in this section; however, students planning to transfer to the School of Engineering Technology are urged to contact the appropriate Program Coordinator for details.

Minor programs in Engineering Technology are outlined following the corresponding major programs. Minor requirements may not be satisfied by transfer of courses from other institutions which are not accredited by TAC of ABET.

**Architectural Engineering Technology**

(Accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology)

George Mathis, Coordinator  
Hattiesburg, MS 39406-5137  
(601) 266-4896 or 266-4894

The Architectural Engineering Technology program educates future Architectural Engineering Technologists in the process of producing design projects from schematics through construction. The program is designed to prepare its graduates for employment in architecturally-related firms, including architects’ offices, design-build firms, engineering firms, governmental agencies, real estate development firms, planning offices, and architectural materials suppliers and manufacturers. Major courses of study include architectural design, architectural history, architectural working drawings,
building materials, computer-aided design and drafting, electrical systems, estimating, mechanical systems, office practices, specifications, structural design, and surveying. Students desiring to transfer to a school of architecture should consult with their adviser early in their course of studies.

**PACE Degree Plan**

<table>
<thead>
<tr>
<th>Program</th>

</thead>
<tbody>
<tr>
<td>Architectural Engineering Technology</td>
<td>296</td>
</tr>
</tbody>
</table>

**Requirements for a Minor in Architectural Engineering Technology**

The requirements for a minor in Architectural Engineering Technology are ACT 132/L, ACT 204, ACT 322, and nine (9) hours of Architectural Engineering Technology electives (recommended courses are ACT 262/L, ACT 316, and ACT 323/L).

**Computer Engineering Technology**

(Accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology)

Gary Johnsey, Coordinator
Hattiesburg, MS 39406-5137
(601) 266-4896 or 266-4118

The major in Computer Engineering Technology offers the student a variety of topics concerning the uses of computers and digital electronics in our technical society. The plan of study leading to the baccalaureate degree provides the student with practical applications of computer technology in combination with the theoretical background necessary for a well-rounded education. Extensive laboratory experience aids the student in the design, analysis, and application of digital electronics to the problems encountered in modern technology. Graduates of this program are expected to be knowledgeable in digital electronics, computer hardware and software, and applications involving the computer as a problem-solving tool.

**Requirements for a Minor in Computer Engineering Technology**

Students minoring in Computer Engineering Technology must complete twenty-one (21) hours as follows: MAT 137 or 168 and eighteen (18) hours of Computer Engineering Technology electives.

**Construction Engineering Technology**

(Accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology)

David Marchman, Coordinator
Hattiesburg, MS 39406-5137
(601) 266-4896 or 266-5402

The Construction Engineering Technology program emphasizes the technology, engineering, and construction business requirements that have been historically needed by the construction industry. Construction is one of the largest and most diversified industries in the world, accounting for approximately 12 percent of the country’s gross national product. The key professional in this vast industry is the constructor. Various job titles for the constructor are: estimator, scheduler, superintendent, project manager, project engineer, controls manager, materials manager, or owner. These skilled professionals are indispensable in meeting the global needs for new residential, commercial, industrial, manufacturing, civil, and environmental projects.

While requiring basic business courses, the interdisciplinary Construction Engineering Technology program offers students specialized course work in surveying, building systems, construction practices/procedures, cost estimating, scheduling, construction contracts, and structural design. Graduates are employed in both office and field positions. Employers include contractors, subcontractors, suppliers, consultants, and government agencies.
Requirements for a Minor in Construction Engineering Technology

The requirements for a minor in Construction Engineering Technology are BCT 205, BCT 235/L, BCT 336/L, plus nine (9) hours of Construction Engineering Technology electives (recommended courses are BCT 408/L, 409/L, 444, 445/L, 454/L, 455/L, 458/L, 477, 478/L, and 480).

Electronics Engineering Technology

(Accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology)

William A. Russell, Coordinator
Hattiesburg, MS 39406-5137
(601) 266-4896 or 266-6413

Paul J. Wilder, Coordinator (USM Gulf Coast)
Gautier, MS 39553
(228) 867-2600

The major in Electronics Engineering Technology covers a variety of topics in modern electronics, including electronic devices, digital systems and microprocessors, instrumentation, control systems, power systems, robotics, and communications. Graduates have extensive knowledge of electronics and are qualified to fill supervisory positions in the electronics industry.

Electronics Engineering Technology majors must satisfy the general core requirements of the University and the College of Science and Technology. Corresponding lecture and laboratory courses must be taken simultaneously. To graduate, a grade of "C" or better must be achieved in all 300 or above courses counted toward the Electronics Engineering Technology major.

Requirements for a Minor in Electronics Engineering Technology

Students minoring in Electronics Engineering Technology must complete eighteen (18) hours as follows: EET 110/110L, EET 111/111L; and ten (10) hours of Electronics Engineering Technology electives (EET 210/210L, EET 311/311L.

Industrial Engineering Technology

(Accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology)

Eyler Coates, Coordinator
Hattiesburg, MS 39406-5137
(601) 266-4896 or 266-6421

The major in Industrial Engineering Technology is designed to prepare students to meet the growing demands of industry for employees with expertise in manufacturing processes, statistical quality control, production management, automation, and computer-aided manufacturing. In addition to the traditional program emphasizing productivity improvement, a special emphasis area in manufacturing is offered. Both programs provide the graduate with a strong background in the technical sciences and applied mathematics, and prepares him or her for a wide spectrum of jobs in the manufacturing, service, and government sectors.

Requirements for a Minor in Industrial Engineering Technology

The requirements for a minor in Industrial Engineering Technology are IET 405, 409, 410 (required) and nine (9) hours of Industrial Engineering Technology electives.
Workforce Training and Development

Doris Kemp, Coordinator
Hattiesburg, Mississippi 39406-5137
(601) 266-4896 or 266-5673

The Workforce Training and Development curriculum is designed to produce graduates who meet industry’s requirements for skilled technical workers with expertise to develop and conduct on-site personnel training or retraining programs. The degree requires the completion of both a technical concentration and the training and development course work. The training and development component includes course work designed to address the key competencies identified by the American Society for Training and Development. The School of Engineering Technology provides the course work required to develop technical competency; students must select one of the following four technical competency concentrations: (1) Industrial/Manufacturing, (2) Computer Technology, (3) Construction Technology, or (4) Environmental Science. The first two years of the program are designed to be completed at a Community or Junior College, with all courses transferring into the four-year baccalaureate program in the School of Engineering Technology.

Mechanical Engineering Technology

(Accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology)

Jack Lipscomb, Coordinator
Hattiesburg, MS 39406-5137
(601) 266-4896 or 266-4902

The Mechanical Engineering Technology major emphasizes practical application of engineering principles to the design, operation, and testing of mechanical equipment and systems. Fields of study include robotics, solar energy, strength of materials, machine design, computer programming and applications, digital instrumentation, fluids, hydraulics, air conditioning design, manufacturing materials and processes, and personnel supervision. Students also develop competence in physics and applied mathematics. Graduates are able to solve problems involving the choice of materials, mechanical design, and selection of manufacturing process. Because of the large demand for technically educated men and women, Mechanical Engineering Technology graduates can expect to develop a rewarding, successful career in many employment settings such as industry, government, consulting, or service.

PACE Degree Plan

<table>

Requirements for a Minor in Mechanical Engineering Technology

Students minoring in Mechanical Engineering Technology must complete ENT 110, ENT 260, MET 323 and an additional fifteen (15) hours of Mechanical Engineering Technology electives (ENT 330 and MET 420 are strongly recommended).

Pre-Engineering Curriculum

Cecil A. Harrison, Adviser
Hattiesburg, MS 39406-5137
(601) 266-4896 or 266-5628

Pre-engineering provides the academic background required for transfer into an engineering school at the junior (third-year) level. The Pre-Engineering Coordinator designs each student’s program to ensure that all course work can be transferred to the engineering program designated by the student. The engineering fields for which a USM student can prepare include, but are not limited to:
Software Engineering Technology

Shelton Houston, Coordinator
Hattiesburg, MS 39406-5137
(601) 266-4896

The Software Engineering Technology major is designed to prepare its graduates for business and industrial careers requiring the development, management, and operation of computer systems in networking environments. While its graduates have programming skills in languages commonly used in business and industrial settings, the program also stresses the application of associated software packages to perform text and numerical data processing, graphics, and data base management.

The broad-based curriculum provided in both hardware and software prepares graduates from the Software Engineering Technology program to find employment in positions generally classified as system analysts, computer programmers, or data processors.

Department of Biological Sciences

Frank Moore, Chair
Hattiesburg, MS 39406-5018
(601) 266-4748

Aarons, D. Anderson, G. Anderson, Beckett, Bellipanni, Biesiot, Brouwer¹, Cibula¹, Curry, Ellender, Hairston, Hawkins¹, Heard¹, Herron, Howell, Larsen, Lotz¹, Marykwas, Matlack, Middlebrooks, Miller⁴¹, Montcreiff¹, Norris, Overtree¹, Passmore, Payne¹, Pennington², Peterson¹, Pessoney, Poss¹, Ross, Rosso, Santangelo, Scheetz, Shearer, Simons⁵¹, Solangi², Tornow, Walls, Wang

¹Institute of Marine Sciences, Gulf Coast Research Laboratory; ²Marine Life; ³Stennis Space Center; ⁴U.S. Army Engineers Waterways Experiment Station; ⁵U.S. National Park Service.

The Department of Biological Sciences offers a choice of curricula leading to either the Bachelor of Science degree in Biological Sciences or the Bachelor of Science degree in Marine Biology. The B.S. in Biological Sciences curriculum includes the emphasis areas of Environmental Biology, Microbiology, and Molecular Biology for students seeking preparation for careers in these specific fields of the biological sciences, as well as a general Biological Sciences curriculum for students seeking broader preparation. The latter curriculum, when combined with the required education courses and other specified electives, is also well suited for student seeking licensure as secondary school teachers of biological sciences. Students selecting the Microbiology or Molecular Biology emphases will complete the requirements for a minor in Chemistry. Students selecting the Environmental Biology or general Biological Sciences emphases or the B.S. in Marine Biology are not required to complete a minor, although completion of four additional hours in Chemistry beyond those required for these programs will satisfy the requirements for a minor in Chemistry. The teacher licensure program in Biological Sciences includes a major in biological sciences and a minor in secondary education. It is an NCATE approved teacher education program. Detailed Pace Degree Plans for the various Biological Sciences emphasis areas and degrees are provided later in this Bulletin (see below for pages for specific emphasis areas). Information concerning the Master of Science and the Doctor of Philosophy degrees appears in the Graduate Bulletin. A student’s choice of degree program and of curriculum should be determined in consultation with an adviser.
Requirements for a Minor in Biological Sciences

Students minoring in Biological Sciences must complete eighteen (18) hours in biological sciences including at least seven (7) hours numbered 300 or above taken at The University of Southern Mississippi.

Gulf Coast Research Laboratory

The Department of Biological Sciences is allied with the Gulf Coast Research Laboratory in Ocean Springs. Faculty at both institutions actively participate in teaching and research activities at the Gulf Coast Research Laboratory. Summer coursework at Ocean Springs is strongly recommended for both undergraduate and graduate students and is required for student earning a B.S. in Marine Biology.

Department of Chemistry and Biochemistry

Stella Elakovich, Chair
Hattiesburg, MS 39406-5043
(601) 266-4701

Bateman, A. Bedenbaugh, J. Bedenbaugh, Batko, Cannon, Creed, Elakovich, Evans, Fawcett, Griffin, Heinhorst, Huang, Howell, Hoyle, Khanna, Lytle, McCain, McCormick, McMurry, Minn, Pojman, Wertz, Whitehead

Chemistry majors work toward the Bachelor of Science degree. There are three emphasis areas that lead to this degree. These are the American Chemical Society (ACS) Certified Emphasis, the Biochemistry Emphasis, and the Chemistry Emphasis. All three emphases prepare students for careers in private industry or government and for admission to graduate programs in the chemical sciences, medicine, dentistry, and other science related, professional programs. For information about advanced degrees in chemistry at USM, please see the Graduate Bulletin. Licensure to teach secondary school chemistry may be obtained through the Chemistry Emphasis. Special characteristics of each emphasis area are noted below.

Chemistry majors must satisfy the general core requirements of the University and the College of Science and Technology. The semester hour requirement depends on the emphasis area studied. A minor is not required. Corresponding lecture and laboratory courses must be taken simultaneously. For a chemistry major to enroll in any chemistry course, he or she must have a grade of C or better in all prerequisite science and math courses. A chemistry major is allowed a total of three repeats in 100, 200, and 300 level prerequisite science and math courses to achieve the required grade of C or better; any course may be repeated only once. To graduate, a grade of C or better must be achieved in all courses counted toward the chemistry major.

ACS Certified Emphasis in Chemistry

Students completing this emphasis are certified by the Committee on Professional Training of the American Chemical Society. They take a minimum of forty-nine (49) semester hours of chemistry course work. The mathematics and science courses must be taken with the pre- and/or co-requisites listed in this Bulletin. Key features of the curriculum are a requirement for physics with calculus (PHY 201/201L, 202/202L), mathematics through differential equations (MAT 385), and several senior level chemistry courses (CHE 411/411L, 431/431L, and 494 or 496) with physical chemistry as a pre-requisite. Students contemplating using this emphasis as preparation for admission to a professional school should consult with a pre-professional advisor about taking additional life sciences courses.

Biochemistry Emphasis

This emphasis requires a minimum of forty-three (43) semester hours of chemistry, including ten (10) hours of senior level biochemistry (CHE 421/421L, 422/422L), and twenty-four (24) hours of
biological sciences. It provides an excellent preparation for medical or dental school because of its extensive life sciences content. Students contemplating using this emphasis as preparation for careers as chemists in industry or government or entry to graduate school in biochemistry or chemistry are strongly encouraged to take a full year of physical chemistry (CHE 461/461L and 462/462L).

Chemistry Emphasis
The advantage of this emphasis is its flexibility. The twenty-eight (28) hours of electives allow the student to take a minor or even a double major in many other academic areas. This emphasis requires a minimum of forty-two (42) semester hours of chemistry. It requires ten (10) semester hours of calculus but it does not require completion of physics with calculus (PHY 201/201L, 202/202L), although this is strongly encouraged. Students contemplating using this emphasis as preparation for admission to a professional school should consult with a pre-professional advisor about taking additional life sciences courses.

Secondary School Teaching Licensure
An option with the Chemistry Emphasis allows the student to obtain Mississippi Department of Education secondary teaching licensure in chemistry, physical science, and general science. The program requires a minimum of thirty-six (36) hours of chemistry course work. Course work in Biological Sciences (BSC), Geology (GLY), and Physics (PHY) is also required, as are Science Education courses SCE 460 (Methods in Teaching Science) and 489/490 (Student Teaching). See PACE Degree Plan for details. Students pursuing a degree in Chemistry with licensure must earn a grade of C or higher in all Chemistry courses and in all required professional education courses.

In addition, required teacher education courses include the following fifteen (15) hours: PSY 374, REF 400, REF 469, SPE 400, CIS 313. Students must consult an adviser in the department of Chemistry and Biochemistry and the current Bulletin for prerequisites and proper sequencing of courses.

Students who complete this program are eligible for a license through an NCATE-approved program.

Requirements for a Minor in Chemistry
A minor in chemistry requires 21 hours of chemistry, with a grade of C or higher in each course. CHE 100, CHE 104, CHE 104L, CHE 251, CHE 251L, CHE 409, and CHE 410 will not count towards the 21 hours required for the minor.

Department of Computer Science and Statistics
Frank K. Nagurney, Chair
Hattiesburg, MS 39406-5106
(601) 266-4949
A. Ali, D. Ali, Bisland, Barge, Burgess, Carter, Cleek, Cobb, Etheredge, Garraway, Gregg, Huch, Miller, Paprzycki, Perkins, Rimes, Rodgers, Seyfarth, Simmons, VerBerkmoes

The Department of Computer Science and Statistics offers a flexible degree plan accredited by the Computing Sciences Accreditation Board. This program, offered under the CSC designation, allows students to select concentrations in specific areas such as Software Engineering, Database, Statistics, or Operations Research. Graduates of this program are prepared to begin professional careers in computer science or to pursue graduate studies. Students seeking a second degree in this program must satisfy all accreditation requirements. Under the CSS designation, the department offers a degree plan in computer science with an emphasis in statistics and many courses which are primarily service courses to the University community. The department also offers a teacher
licensure degree program. In addition, a student who is licensed to teach in any secondary teaching area can earn “additional” licensure in computer education by completing the following courses: CSS 400, CSC 101L, CSC 102L, CSC 305, CSC 307, and TOE 465. For all programs, a grade of C or higher must be earned in required CSS and CSC courses. In addition students pursuing a degree in computer science with licensure must earn a grade of C or higher in all required professional education courses. For information concerning the Master of Science degree in Computer Science, the Master of Science in Computer Science with an Emphasis in Computational Science, and the Doctor of Philosophy degree in Scientific Computing, please consult the Graduate Bulletin.

Requirements for a Minor in Computer Science

Requirements for a Minor in Statistics

The requirements for a minor in statistics include CSS 211, CSS 212 and 12 hours from among the following set of courses: CSC 320, 422, 425, 435, CSS 240, 330, 340, 350, 415, 416, 417, 418, and IET 302. A maximum of 6 hours is accepted from the courses in the following list: CSS 240, 330, 340, 350.

Department of Geology

Gail Russell, Chair
Hattiesburg, MS 39406-5044
(601) 266-4526

Cameron, Dunn, Meylan, Orel1, Patrick, Pope, Smith2, Stringer3, Sundeen

1Planning Systems Incorporated, 2U.S. Army Engineer Waterways Experiment Station, 3Northeast Louisiana University.

Geology is the science of the earth. It deals with processes within the earth and at the earth’s surface which control landscape features, produce essential natural resources, and often result in geologic hazards. It is a science which seeks to understand the history of the earth through geologic time and to predict the results of human interaction with the natural environment. It is an interdisciplinary science and requires a foundation in mathematics, physics, chemistry, and biology.

The Department of Geology offers the Bachelor of Science degree. Graduates are prepared for careers in environmental geology and water resources, exploration and development of petroleum and other natural resources, marine geology, space geology, and many other areas. A program is offered which prepares students for secondary science teacher licensure. The M.S. in Geology at The University of Southern Mississippi and graduate programs at other universities provide advanced training in all of these areas and also prepare students for careers in research and teaching. The Bachelor of Science degree in Geology provides a strong foundation for students planning on graduate or professional school in areas such as marine science, environmental science, remote sensing, space science, and environmental law.

Additional Requirements for a Degree in Geology: The degree in Geology (excluding the teacher licensure program) has two requirements that should be noted. (1) GLY 311 Field Geology is required. This is a six hour summer field camp. The University of Southern Mississippi does not, at the present time, offer this course directly. Students can select a field camp from several approved courses offered by other universities. Students are responsible for all fees for this course, including out-of-state tuition if applicable. (2) Students must take the exam required to qualify as a Registered Professional Geologist in the State of Mississippi. This exam will normally be taken the same semester that GLY 380 (Field Methods) is taken near the end of the degree program. The student is responsible for the exam fee.
High School Preparation: High school students interested in careers in geology or related areas are encouraged to complete credits in biology, chemistry, physics, mathematics through second year algebra, solid geometry, and trigonometry.

Transfer Preparation: Students transferring into the Department of Geology from community colleges, other universities, or other programs should note the prerequisites for upper-level geology courses. Completion of GLY 101 and GLY 101L and at least one course in chemistry no later than the summer preceding the junior year is recommended.

Preparation for Secondary Education Licensure (General Science and Physical Science): The Department of Geology offers a Bachelor of Science degree program which leads to licensure in General Science and in Physical Science. The student must apply for admission to the Teacher Education Program through the Dean’s Office, College of Education and Psychology. For admission, a student must have a 2.65 grade point average on a restricted 44 hour general core and meet one of the following requirements: (1) an ACT composite score of 21 with no score below 18 upon entrance to college, or (2) acceptable PRAXIS scores. Students must achieve a grade of C or better in every course required for the major (including required supporting sciences and mathematics) and in professional education courses. More details are provided in the College of Education and Psychology section of this Bulletin.

Requirements for a Minor in Geology

Students seeking a Geology minor must complete eighteen (18) hours as follows: GLY 101, 101L, 103, 103L and ten (10) additional hours of geology courses.

Department of Mathematics

Wallace Pye, Chair
Hattiesburg, MS 39406-5045
(601) 266-4289

Bell, Betoures, Bishop, Caveny, Contreras, Davis, Ding, Doblin, Essary, Fay, Horner, Kolibal, Mascagni, McDowell, Peters, Piazza, Puthoff, Redfern, Ross, Stuart, J. Thrash, K. Thrash, Walls, Webster, Xie

The Department of Mathematics offers a flexible curriculum for the baccalaureate degree, so that individual students may tailor their university mathematics programs to fit specific educational and career objectives. The Bachelor of Science degree in mathematics provides a sound foundation for a broad latitude of careers in education, industry, business and government. Most of today’s challenging careers call for continuing education beyond the bachelor’s degree, and an undergraduate major in mathematics provides a versatile avenue for preparing for advanced studies in a number of fields, including mathematics, computer science, statistics, management science, actuarial science, mathematics education and engineering.

Students who have completed a college preparatory program in high school should begin their university mathematics programs with MAT 178. Students without this background should elect appropriate mathematics courses in consultation with their academic advisers. Mathematics majors should take MAT 340 and 326 concurrently with the calculus sequence. They can receive advanced mathematics elective credit only for those courses taken after having successfully passed MAT 340 and 326 with a grade of C or better. No mathematics or computer science course in which a student receives a grade less than C will count toward the major. Those seeking secondary teacher licensure can substitute MAT 316 for MAT 326. Mathematics majors may not enroll in the courses MAT 102, 136, 137, 210, 308, 309, 310, 312, 314, or 410, which are designed to serve the special interests of students in other departments and colleges. They must include PHY 201 and 201L in their programs and cannot use the Fundamentals of Science courses to fulfill their science requirements. The mathematics faculty recommends that all majors include PHY 202 and 202L in their programs, and that they obtain two-year proficiency in one of the following languages: French, German, Italian, Russian.

The mathematics major who intends to pursue a career in actuarial science should include MAT 320, 418, 419, 420, 426, 460, and 461 in his/her program. In addition this student should elect REI 325 and 326, as well as a course in macroeconomics and a course in management.
The student who desires to pursue the secondary teacher education program in mathematics must request formal admission to the Teacher Education Program through the Dean’s Office, College of Education and Psychology. Admission requirements are subject to modification; for current information students should contact the University’s Education Licensure Adviser, 116 Owings-McQuagg Hall; telephone 266-5522. A student pursuing a degree in mathematics with licensure must earn a grade of C or higher in all required professional education courses. The required education courses include the following 33 hours: PSY 374, REF 400, REF 469, SPE 400, CIS 313, MAT 457, MAT 457L, MAT 489, and MAT 490. The State Department of Education also provides an alternate route to licensure for graduates of an accredited college or university. Moreover, a student who has earned a baccalaureate degree in mathematics with secondary teacher licensure can also receive additional licensure in a second area from the State Department of Education. For details and specific procedures contact:

The Office of Educator Licensure
State Department of Education
Post Office Box 771
Jackson, Mississippi 39205
Telephone: (601) 359-3483

PACE Degree Plans

Mathematics Emphasis.................................................................326
Mathematics Emphasis (Licensure) .................................................327

Requirements for a Minor in Mathematics

Students pursuing a minor in mathematics must complete a minimum of 18 hours of mathematics courses. Only those courses which count toward the major in mathematics can count in the minor in mathematics, with the exception of MAT 430 and 431, which do count in the minor but not in the major. Students seeking a minor in mathematics are encouraged to consult a faculty adviser in the Department of Mathematics.

Department of Medical Technology

M. Jane Hudson, Chair
Hattiesburg, MS 39406-5134
(601) 266-4908

Beck, Bryant, Byrd, Goodwin, Hall, Lux, Myers

A student majoring in the Department of Medical Technology should consult the PACE degree plan for required courses.

Admission to Junior Level Courses

A minimum GPA of 2.5 overall and a “C” or better in College Algebra, a second math (MAT 102 or other Calculus) and General Chemistry lectures and laboratories are required for entrance into MTC 300/300L. MTC 300/300L is a prerequisite or corequisite for all other MTC courses except MTC 101. Other prerequisites for MTC 302/302L, 306/306L, and 309/309L are stated in the course descriptions found in this catalog.

Progression in the Junior Year

A student must make a “C” or better in MTC 300, 300L, 302, 302L, 306, 306L, 309, and 309L. The department repeat policy for these courses is:

1. A student may repeat one junior-level MTC course, viz., MTC 300, 300L, 302, 302L, 306, 306L, 309, or 309L to improve the grade without permission from the department faculty.
2. A second repeat of junior-level courses will require specific permission of the faculty. To obtain permission, the student must present a justification in person before the faculty of the Department. A favorable majority vote of the faculty is required for permission to repeat and continue as a major.

Admission to the Senior Year

During the junior year, the student will apply to the department for admission to the senior year. Students should contact the Medical Technology Department for the application procedure. A
minimum overall and science GPA of 2.3 is required before an application can be reviewed. Science courses used to calculate the science GPA include all BSC, CHE, MAT, CSS and MTC courses in the curriculum. Hepatitis vaccination, physical report, and professional liability insurance are required. Application completion, successful completion of all courses in the curriculum, and demonstration of qualities and attitudes which are necessary to develop as a competent professional are required. When qualified applicants exceed class size, selection will be based upon GPA. The senior year consists of two phases: Phase I, two semesters on The University of Southern Mississippi campus; and Phase II, a six-month clinical session at one of the affiliated hospitals. Preferences for hospital assignments will not be considered.

**Progression in the Senior Year**
Consult the Medical Technology Student Policy Manual for progression policies for the senior year.

**Affiliated Hospitals**
- Forrest General Hospital: Thrash, Williams
- Gulf Coast Medical Center: Dellinger, Gandour
- Memorial Hospital at Gulfport: Barnes, Gandour
- Singing River Hospital: Holland, Magee

**Accreditation**
The Department of Medical Technology is accredited by the National Accrediting Agency for Clinical Laboratory Sciences. Upon successful completion of the program, students receive the Bachelor of Science degree in Medical Technology and become eligible to take national certifying examinations given by recognized certifying agencies.

**Language Proficiency**
Regardless of courses taken previously, if English is not the native language of any student, evidence of English proficiency must be provided prior to admission into the senior year. The MTEL (Michigan Test of English Language Proficiency) requirement is “Proficiency II” and is preferred by the department. Alternately, a TOEFL of 550 may be accepted. In addition, a score of 4 (“functional language skills”) must be earned on a fluency test administered by the English Language Institute. This fluency test is specifically designed to determine listening and speaking skills with respect to situations and language expected during the senior year of the program.

**MLT Matriculation**
MLT students who hold an Associate Degree from a NAACLS accredited MLT program and certification as a Medical Laboratory Technician (or equivalent) from a nationally recognized certifying agency are not required to take the junior level MTC courses, as long as their transcripts document equivalent courses taken as part of the community college program and a grade of “C” or above was obtained in each MLT course.

**Master of Science Degree**
For information on the Master of Science degree, please consult the Graduate Bulletin.

Department of Physics and Astronomy

Mission Statement:

- To transmit, create and apply the knowledge and methods of physics through the avenues of teaching, research and service.
- To provide a quality Bachelor of Science in physics: to provide students with an understanding of the fundamentals of physics and foster in them a broad and intellectual viewpoint. Graduates of our program will be prepared for technical positions in industry, positions in government laboratories, and positions as high school physics teachers, as well as to pursue graduate study.
- To provide a quality Master of Science program in physics: to perform research in fundamental science by designing research problems, conducting research projects, and disseminating research findings.
- To provide leadership within the state of Mississippi in physics research through the participation of the faculty in pioneering pure and applied research, and the dissemination of the resulting new knowledge and methods.
- To serve the university and community by providing an understanding of scientific and technological issues facing society.

The department offers programs of study leading to the Bachelor of Science degree in Physics and the Master of Science degree in Physics, which may include an emphasis in Polymer Physics or Computational Science. Information relating to the MS degrees may be found in the Graduate Bulletin.

A baccalaureate program with an undergraduate major in physics with Secondary Teacher Certification is also provided. Students interested in physics teaching certification should seek advisement in the Department of Physics & Astronomy.

All physics majors are expected to perform research.

It is assumed that the high school mathematical preparation of entering freshman physics students includes algebra, geometry, and trigonometry.

Requirements for a Minor in Physics

The Undergraduate Laboratory and Curriculum Committee of the Department of Physics and Astronomy recommend that a student desiring a minor in Physics take any courses totaling at least eighteen (18) hours in the physics curriculum with the exception of the following courses: PHY 103, 328, 392, 435, 451, 455, 460, 471, 485 and 499.

Department of Polymer Science

Robert Y. Lochhead, Chair
Hattiesburg, MS 39406-0076
(601) 266-4868

The Department of Polymer Science offers programs of study leading to the degrees of the Bachelor of Science in Polymer Science, the Master of Science in Polymer Science, and the Doctor of Philosophy in Polymer Science. The Department was awarded Commendation status by the Board of Trustees in 1983 as a result of a state-wide five year program review. For information concerning the Master’s and Doctor of Philosophy degrees, see the Graduate Bulletin.

The objective of the undergraduate curriculum is to prepare the graduate to enter the industrial community or to continue his or her studies at the graduate level. The Bachelor of Science in Polymer Science constitutes an interdisciplinary program of study and, therefore, no minor is
required. No polymer science course in which a student receives a grade less than “C” will count toward the polymer science major.

PACE DEGREE PLAN

Polymer Science ......................................................................................................................................................331

Requirements for a Minor in Polymer Science

A minor in polymer science requires 18 hours of polymer science, with a grade of C or higher in each course. A student may choose 18 hours from the following: PSC 191, PSC 260, PSC 291, PSC 301, PSC 302, PSC 340, PSC 341L, PSC 342L, PSC 360, PSC 361, PSC 401, PSC 402, PSC 450, PSC 450L, PSC 470, PSC 470L, PSC 471, PSC 471L, PSC 480, and PSC 492.

Forensic Science Program

Gerald A. Mattson, Director
Hattiesburg, MS 39406-0076
(601) 266-6027

Requirements for a Minor in Forensic Science

Students pursuing a minor in Forensic Science must complete a minimum of eighteen (18) hours. These hours must include FSC 310 and 310L and fourteen (14) hours of electives to be selected from the following courses: FSC 140, 140L, 340, 445, 445L, 430, 440, 442, 442L, 491, 491L, 497 (3 hours maximum), CHE 420, CHE 420L, MTC 300, and MTC 300L.

# ENVIRONMENTAL BIOLOGY
## PACE Degree Plan

### 01. REASONING/COMMUNICATION SKILLS (21 HRS)
- ENG 101
- ENG 102
- ENG 333
- SCM 111 or SCM 305 or SCM 320 or SCM 330
- CSS 240 or CSS 330 or CSS 333

### 02. HUMANITIES AND FINE ARTS (12 HRS)
- HIS 101
- HIS 102
- ENG 203
- AA 100 or ART 130 or DAN 107 or MUS 365 or THE 100

### 03. SOCIAL AND BEHAVIORAL SCIENCES (6 HRS)
- Select 1 course from each of 2 groups below:
  - GRP 1: ANT 101 or ANT 221
  - GRP 2: ECO 201
  - GRP 3: GY 101 or GY 102 or GY 331 or GY 341
  - GRP 4: PS 101 or PS 220 or PS 331 or PS 425
  - GRP 5: PSY 110 or PSY 375
  - GRP 6: SOC 101 or SOC 240 or SOC 314

### 04. NATURAL AND APPLIED SCIENCES (SEE MAJOR/EMPHASIS REQUIREMENTS)

### 05. HUMAN WELLNESS (2 HRS)
- NFS 167
- HPR 105

### 06. MAJOR/EMPHASIS REQUIREMENTS (38-43 HRS)
- BSC 110, BSC 110L
- BSC 111, BSC 111L
- BSC 201, BSC 201L
- BSC 226, BSC 226L
- BSC 370
- BSC 380, BSC 380L

### 07. OTHER REQUIRED COURSES (28-30 HRS)
- CHE 106, CHE 106L
- CHE 107, CHE 107L
- CHE 255, CHE 255L
- CHE 256, CHE 256L
- PHY 111/111L or PHY 201/201L
- PHY 112/112L or PHY 202/202L
- PSY 360

### 09. MINOR AREA OF STUDY (OPTIONAL)

### 11. ELECTIVES (14-21 HRS)
- Select sufficient elective courses from any department so that total hours are equal to 128 or more, with at least 45 hours at the 300 level or higher

---

Minimum of 128 Hours in Program

A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
01. REASONING/COMMUNICATION SKILLS (21-22 HRS)
   01 ENG 101
   02 ENG 102
   03 SCM 111 OR SCM 305 OR SCM 320 OR SCM 330
   04 CSS 240 OR CSS 330 OR CSS 333
   05 SELECT 5 - 6 HOURS FROM COURSES:
       MAT 101, MAT 103, MAT 128, MAT 167, MAT 168 OR MAT 178
   06 SELECT 1 COURSE FROM COURSES:
       MAT 167, MAT 168, MAT 169, MAT 178, MAT 179 OR MAT 314

02. HUMANITIES AND FINE ARTS (12 HRS)
   01 HIS 101
   02 HIS 102
   03 ENG 203
   04 AA 100 OR ART 130 OR DAN 107 OR MUS 365 OR THE 100

03. SOCIAL AND BEHAVIORAL SCIENCES (6 HRS)
   01 SELECT 1 COURSE FROM EACH OF 2 GROUPS BELOW:
       GRP 1: ANT 101 OR ANT 221
       GRP 2: ECO 201
       GRP 3: GHY 101 OR GHY 102 OR GHY 331 OR GHY 341
       GRP 4: PS 101 OR PS 220 OR PS 331 OR PS 425
       GRP 5: PSI 110 OR PSI 375
       GRP 6: SOC 101 OR SOC 240 OR SOC 314

04. NATURAL AND APPLIED SCIENCES
    (SEE MAJOR/EMPHASIS REQUIREMENTS)

05. HUMAN WELLNESS (2 HRS)
   01 NFS 167
   02 HPR 105

06. MAJOR/EMPHASIS REQUIREMENTS (36 HRS)
   01 BSC 110, BSC 110L
   02 BSC 111, BSC 111L
   03 BSC 201, BSC 201L
   04 BSC 370
   05 BSC 380, BSC 380L
   06 BSC 360 OR BSC 450 OR BSC 451 OR BSC 452 OR BSC 453
   07 SELECT 1 COURSE FROM GROUP I BELOW.
   08 SELECT 1 COURSE FROM GROUP II BELOW.
   09 SELECT ADDITIONAL HRS FROM GROUPS I AND II BELOW SO THAT
       BSC ELECTIVES EQUAL 13 HOURS. AT LEAST 10 HOURS MUST BE
       TAKEN AT THE GULF COAST RESEARCH LAB.
       GRP I: 407, 408, 409, 414, 421, 424, 425, 427, 430, 437, 458, 459, 468, 476,
               478L, 479, 487
       GRP II: 382, 416, 436, 438, 439, 440, 441, 445, 446, 447, 448, 449, 489, 490
   10 BSC 497

07. OTHER REQUIRED COURSES (25-27 HRS)
   01 CHE 106, CHE 106L
   02 CHE 107, CHE 107L
   03 CHE 255, CHE 255L
   04 CHE 256, CHE 256L
   05 PHY 111/111L OR PHY 201/201L
   06 PHY 112/112L OR PHY 202/202L

09. MINOR AREA OF STUDY (OPTIONAL)
11. ELECTIVES (23-26 HRS)
   01 SELECT SUFFICIENT ELECTIVE COURSES FROM ANY DEPARTMENT
       SO THAT TOTAL HOURS ARE EQUAL TO 128 OR MORE, WITH AT LEAST 45
       HOURS AT THE 300 LEVEL OR HIGHER

Minimum of 128 Hours in Program
A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
### 01. REASONING AND COMMUNICATION SKILLS (24-25 HRS)
- **01** ENG 101
- **02** ENG 102
- **03** SCM 111 OR SCM 305 OR SCM 320 OR SCM 330
- **04** CSS 240 OR CSS 330 OR CSS 333
- **05** CSS 211
- **06** SELECT 5 - 6 HOURS FROM COURSES: MAT 101, MAT 103, MAT 128, MAT 167, MAT 168 OR MAT 178
- **07** SELECT 1 COURSE FROM COURSES: MAT 167, MAT 168, MAT 169, MAT 178, MAT 179 OR MAT 314

### 02. HUMANITIES AND FINE ARTS (12 HRS)
- **01** HIS 101
- **02** HIS 102
- **03** ENG 203
- **04** AA 100 OR ART 130 OR DAN 107 OR MUS 365 OR THE 100

### 03. SOCIAL AND BEHAVIORAL SCIENCES (6 HRS)
- **01** SELECT 1 COURSE FROM EACH OF 2 GROUPS BELOW:
  - GRP 1: ANT 101 OR ANT 221
  - GRP 2: ECO 201
  - GRP 3: GHY 101 OR GHY 102 OR GHY 331 OR GHY 341
  - GRP 4: PS 101 OR PS 220 OR PS 331 OR PS 425
  - GRP 5: PSY 110 OR PSY 375
  - GRP 6: SOC 101 OR SOC 240 OR SOC 314

### 04. NATURAL AND APPLIED SCIENCES (SEE MAJOR/EMPHASIS REQUIREMENTS)

### 05. HUMAN WELLNESS (2 HRS)
- **01** NFS 167
- **02** HPR 105

### 06. MAJOR/EMPHASIS REQUIREMENTS (46 HRS)
- **01** BSC 110, BSC 110L
- **02** BSC 111, BSC 111L
- **03** BSC 370
- **04** BSC 380, BSC 380L
- **05** BSC 484, BSC 484L
- **06** BSC 486, BSC 486L
- **07** BSC 477, BSC 477L
- **08** BSC 487, BSC 487L
- **09** SELECT 4 HRS FROM COURSES BSC 478L, BSC 481, BSC 481L, BSC 488, BSC 488L, BSC 489, BSC 489L (APPLIED MICROBIOLOGY)
- **10** SELECT 3 HRS FROM COURSES BSC 382, BSC 476, BSC 482, BSC 482L, BSC 485, BSC 485L (ADVANCED MICROBIOLOGY)
- **11** SELECT 6 HRS COURSE LEVEL 300 OR 400 FROM DEPT OF BSC (RECOMMENDED COURSES INCLUDE THOSE LISTED ABOVE IN THE APPLIED MICRO AND ADVANCED MICRO GROUPS PLUS BSC 360, 403L, 410L, 412L, 426L, 427A, 462L, 463L, 464/L, 467/L)
- **12** BSC 497

### 07. OTHER REQUIRED COURSES (8-10 HRS)
- **01** PHY 111/111L OR PHY 201/201L
- **02** PHY 112/112L OR PHY 202/202L

### 08. CHEMISTRY MINOR (28 HRS)
- **01** CHE 106, CHE 106L
- **02** CHE 107, CHE 107L
- **03** CHE 255, CHE 255L
- **04** CHE 256, CHE 256L
- **05** CHE 311, CHE 311L
- **06** CHE 421
- **07** CHE 422

### 11. ELECTIVES (0-2 HRS)
- **01** SELECT SUFFICIENT ELECTIVE COURSES FROM ANY DEPARTMENT SO THAT TOTAL HOURS ARE EQUAL TO 128 OR MORE, WITH AT LEAST 45 HOURS AT THE 300 LEVEL OR HIGHER.

---

**Minimum of 128 Hours in Program**

A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
01. REASONING AND COMMUNICATION SKILLS (21-22 HRS)
  01 ENG 101
  02 ENG 102
  03 SCM 111 OR SCM 305 OR SCM 320 OR SCM 330
  04 CSS 240 OR CSS 330 OR CSS 333
  05 SELECT 5 - 6 HOURS FROM COURSES:
      MAT 101, MAT 103, MAT 128, MAT 167, MAT 168 OR MAT 178
  06 SELECT 1 COURSE FROM COURSES:
      MAT 167, MAT 168, MAT 169, MAT 178, MAT 179 OR MAT 314

02. HUMANITIES AND FINE ARTS (12 HRS)
  01 HIS 101
  02 HIS 102
  03 ENG 203
  04 AA 100 OR ART 130 OR DAN 107 OR MUS 365 OR THE 100

03. SOCIAL AND BEHAVIORAL SCIENCES (6 HRS)
  01 SELECT 1 COURSE FROM EACH OF 2 GROUPS BELOW:
      GRP 1: ANT 101 OR ANT 221
      GRP 2: ECO 201
      GRP 3: GHY 101 OR GHY 102 OR GHY 331 OR GHY 341
      GRP 4: PS 101 OR PS 220 OR PS 331 OR PS 425
      GRP 5: PSI 110 OR PSI 375

A Minimum of 64 hrs required from 4-yr college, 45 hrs 300 or 400 level courses, last 32 hrs from USM
The Institute of Marine Sciences offers multidisciplinary graduate-level, research-oriented academic degree programs. Institute faculty are located on both the Mississippi Gulf Coast and in Hattiesburg. Gulf Coast locations include the John C. Stennis Space Center, near Bay St. Louis, MS, the J. L. Scott Marine Education Center and Aquarium in Biloxi, and the Gulf Coast Research Laboratory in Ocean Springs. The Institute offers Master of Science and Doctor of Philosophy degrees in Marine Science (through Marine Science), Master of Science and Doctor of Philosophy degrees in Coastal Sciences (through Coastal Sciences), and a Bachelor of Science in Marine Biology through the Department of Biological Sciences. Marine Science graduate emphasis areas are Biological Marine Science, Physical Marine Science, Geological Marine Science, and Chemical Marine Science.

Over 20 upper-level, undergraduate courses in Biological Sciences (BSC), Marine Science (MAR), and Science Education (SCE) are offered at the Gulf Coast Research Laboratory, mainly during the summer. Marine Science (MAR) graduate courses in biological, geological and physical oceanography, and marine chemistry are offered at the Stennis Space Center. MAR 151 (a general curriculum natural sciences elective) is offered on the Hattiesburg campus and at the Stennis Space Center. The Department of Coastal Sciences (COA) offers specialized courses at the graduate level focused on research in the areas of aquaculture, coastal and marine fisheries, coastal geology, invertebrate zoology and biology, coastal ecology, parasitology, estuarine chemistry, toxicology, botany, applied molecular techniques, science education, and biodiversity and systematics. The Institute also cooperates with the Departments of Geology, Physics and Astronomy, and Chemistry and Biochemistry to provide state-of-the-art research and educational opportunities.

Undergraduates interested in preparing for graduate study in Marine Science or Coastal Sciences should pursue a bachelor’s degree program in their department of choice, developing a strong background in biology, chemistry, geology, physics, and mathematics through calculus. Students interested in the Marine Biology degree in the Department of Biological Sciences should review that section of the catalog.

IMS Campuses

Gulf Coast Research Laboratory

The Gulf Coast Research Laboratory (GCRL), located in Ocean Springs, has offered summer courses in the marine sciences since 1947. GCRL has a three-fold mission of research, education, and service in the marine sciences. Scientific discipline areas encompass biology, chemistry, and geology of coastal and continental shelf waters. Over 160 researchers, technical and support personnel, and students work on this campus; research emphasis areas include aquatic animal health, marine aquaculture, aquatic biodiversity, coastal ecology, fate and effects of environmental pollutants, and fisheries science.

J. L. Scott Marine Education Center and Aquarium

The state’s window on the sea, the J. L. Scott Marine Education Center and Aquarium (MEC&A) is Mississippi’s largest public aquarium. This facility, located in Biloxi, features 48 aquariums and a central 42,000-gallon Gulf of Mexico tank. Science education and a suite of hands-on marine education programs have earned the MEC&A an international, award-winning reputation.

Stennis Space Center

The Stennis Space Center (SSC) is home to more oceanographers that any other location in the world. Students and faculty have the opportunity to interact with more than 1,000 scientists, engineers, and technical personnel who work at this site located near Bay St. Louis, MS. Collaborations are possible with personnel at the Naval Research Laboratory, the Naval
The Institute of Marine Sciences (IMS) offers a selection of accelerated, field-oriented, graduate and undergraduate courses during the summer at its Ocean Springs campus, the Gulf Coast Research Laboratory (GCRL). Summer courses at GCRL are listed in this Bulletin under the three primary departments involved in the program: Coastal Sciences (COA), Biological Sciences (BSC), and Marine Science (MAR). Where appropriate, courses are also cross-listed by Geology, Chemistry, and Science Education. Summer courses are available for graduate or undergraduate credit. Graduate students may also conduct thesis, dissertation, and directed research at GCRL.

Admission to the Summer Academic Program

Due to space limitations for the field-oriented courses, students may need to apply directly to IMS–GCRL for admission to the accelerated summer courses. Courses may fill during registration through the S.T.A.R.S. system. Contact the Summer Program Coordinator, Institute of Marine Sciences, Gulf Coast Research Laboratory, P.O. Box 7000, Ocean Springs, MS 39566-7000 for application materials. The Gulf Coast Research Laboratory is affiliated with 65 colleges and universities whose students participate in the summer academic program. Admission and registration for the IMS/GCRL Summer Academic Program begin once registration through S.T.A.R.S. has closed. Early application to the summer program through S.T.A.R.S. is prudent, because most courses fill quickly.

Course Loads

The Summer Academic Program courses are offered during two 5-week terms. Because courses are taught at an accelerated pace, i.e., an entire semester of lecture and laboratory are taught in five weeks, a student is allowed to enroll in only one course each term. Students are able to earn up to twelve (12) semester hours credit during the summer. Classes meet each weekday with particular times scheduled for field trips, classroom instruction, and laboratory work.

Housing

Limited summer housing is available on the IMS–GCRL campus in an air-conditioned dormitory. During the summer sessions, the dining hall serves three meals daily to dormitory residents.

Fees

Deposit: ..........................................................$50.00
Undergraduate: ..............................................$105.00 per semester hour
Graduate: .....................................................$137.00 per semester hour
Room and board: ...........................................$94.00 per week

(Fees are subject to change without prior notice.)

Students pay fees directly to the GCRL. Students with loans arranged through USM should notify the GCRL Office of Student Services at the time of application for admission to the GCRL program.
Calendar

Application Deadline: .......................................................April 28, 2000
First summer term begins: ...................................................May 29, 2000
Second summer term begins: .............................................July 3, 2000

Undergraduate Research

The Gulf Coast Research Laboratory provides opportunities for USM undergraduate students to conduct research at the Laboratory through the Summer Academic Program. This individualized study consists of special topics and special problems courses that allow students to study in subject areas for which there are no formal course offerings. These courses are tailored to provide advanced students the opportunity to participate in field, laboratory, and/or library research with qualified faculty and staff members. The research problems must be marine related and be of a nature which prevents the work from being easily conducted on the USM campus. Departmental approval must be obtained before a student can enter this program. For further information contact: Office of Student Services, Gulf Coast Research Laboratory, P.O. Box 7000, Ocean Springs, MS 39566-7000; telephone (228) 872-4201.
Honors College

Maureen Ryan, Dean
Hattiesburg, MS 39406-5162
(601) 266-5762

Honors education was first organized at the University in 1965 as an Honors Program, and in 1971 was named in honor of George R. Olliphant. The Honors College, established in 1976, includes the George R. Olliphant Honors Program, providing students of superior academic ability with a broadly-based undergraduate education. Its aim is to identify, encourage, and reward academic excellence in all fields and to serve students with varying academic interests. In many respects, the education offered through the Honors College may best be described as that of a small liberal arts college set within a large comprehensive university, with students encouraged to draw freely from both the college and the university. Students in the Honors College have access to small Honors classes, outstanding professors, special scholarships, and opportunities for independent study and special activities.

The curriculum of the Honors College consists of two phases: the General Honors Program for freshmen and sophomores and the Senior Honors Program for juniors and seniors. To enter the College as freshmen, students compete with other applicants on the basis of high school grades, scores on the American College Test (or Scholastic Aptitude Test), detailed evaluations by two high school teachers and their principal or guidance counselor, and an essay. Students may also be asked to come to the campus for a personal interview. Successful completion of General Honors will be cited on the student’s transcript and diploma. The Senior Honors Program is described below.

Following is a brief description of the Honors College requirements and curriculum. For more specific details, students and advisers are urged to consult the Honors College Handbook, which is issued annually.

General Honors

Freshmen admitted to General Honors complete the curriculum listed below. In satisfying the General Honors requirements, students thereby fulfill the University General Education requirements. For most students, completion of General Honors will also fulfill the core requirements of their majors. Some students, however, may have to take additional core courses required specifically for their major. Students undertaking General Honors are required to complete at least 26 hours in Honors courses and departmental Honors sections, taking six or more hours of Honors course work each semester. Students are in good standing as long as they remain on track and maintain a minimal 3.0 overall average; they must graduate with at least a 3.0 average in order to receive General Honors recognition at graduation.

Honors College General Education Requirements

I. Reasoning and Communication Skills

III. Social and Behavioral Sciences

Recommended: 9 hours total, in Honors sections as offered, with no more than 3 hours from any one discipline, in ANT 101, 221; GHY 101, 102, 331, 341; PS 101, 220, 331, 425; SOC 101, 240, 314; ECO 200, 201; PSY 110, 375. Required: 6 hours

IV. Natural and Applied Sciences

Laboratory Sciences

Required: 8 hours total. Recommended: Honors Biology 110/110L; 111/111L; Honors Chemistry 106/106L; 107/107L; Honors Geology 101/101L; or other Honors sections as offered.

See list of laboratory sciences in General Education Curriculum.

Elective. Required: 3 hours total, preferably in Honors sections as offered.

See Category IV electives (including mathematics) in General Education Curriculum

V. Human Wellness

Required:
Food and Nutrition, NFS 167, preferably in Honors sections
Health and Physical Fitness, HPR 105, preferably in Honors sections

Total 48-68

Note: The recommended core is 57-68 hours; the minimum core, however, is 48 hours, 26 of which must be taken in Honors courses and departmental Honors sections. Honors College students may also have to take additional core courses required specifically for their major.

Requirements for Graduation with General Honors

1. Completion of Honors College General Education minimum requirements.
2. Completion of a minimum of 26 of the General Education hours in Honors courses and departmental Honors sections.
3. Overall minimal GPA of 3.0 at graduation.

Typical Schedule for Meeting General Honors Requirements in the First Two Years

Senior Honors

To enter Senior Honors, the student must either complete General Honors with a minimum GPA of 3.0 or meet the following admission requirements: (1) a grade point average of 3.5 on at least 40 hours, (2) recommendations from two professors, (3) an essay, and (4) approval by the student’s major department. Students must maintain a GPA of 3.25 to remain in Senior Honors. Those students entering from General Honors with a 3.0 GPA will have until the end of the first semester of their junior year to raise their GPA to 3.25. Students completing Senior Honors with the required GPA will receive the special recognition denoted by the Latin designations summa cum laude (3.8 or higher overall average), magna cum laude (3.50-3.79), or cum laude (3.25-3.49). Students will
typically apply for Senior Honors during their sophomore year and, if admitted, begin the first semester of their junior year. The Senior Honors curriculum offers students opportunities for independent study in their major, for small seminars on a wide range of topics, for study abroad, and for scholarship assistance.

**Senior Honors Curriculum**

The Senior Honors curriculum is designed to accomplish two objectives: (1) to continue the process begun through the General Education curriculum of broadening the student’s knowledge and intellectual interests, and (2) to give the student the opportunity to develop a greater understanding of the goals and methods of his or her major discipline by completing a Senior Honors project under the direction of a professor in his or her major department. The student in Senior Honors is thus required to enroll in two topical Honors Seminars outside the major (HON 403); the University Forum (HON 321, 322); Prospectus Writing (HON 301), in which the student plans the Senior project; and in a research course in his or her major for completion of the Senior project.

**Senior Honors Research**

The Senior Honors project involves two phases, the prospectus and the project itself. The prospectus must be presented nine months prior to graduation; guidelines for the prospectus may be obtained from the Honors College Office. The project should reflect significant individual effort that involves library research, laboratory research, or field research. The project must conform to accepted scholarly procedure within the discipline of the major field. The project may be creative, but a creative project must be executed within the framework of accepted scholarly procedure. That is, a student who produces a creative effort must introduce that effort by adequate discussion of the nature of the creative form involved, including an indication of familiarity with other examples of
that form. Any doubts as to the validity of a proposed project should be resolved in discussion among the project director, the chair of the student’s major department, and the Honors Dean. Directions for the format of the senior project may be secured from the Honors College Office. Graduating students are expected to present their research in a public senior symposium during the semester of graduation.

The comprehensive examination must be taken no later than four weeks before the student is scheduled to graduate. The examination may be either written or oral, at the option of the major department. The exact nature of the examination is a matter for decision by the department involved, but there are general guidelines:

1. The examination should be designed so that it can be completed in a maximum of three hours.
2. The examination should test the candidate’s general knowledge of the field of the major rather than specialized information about some particular aspect of the major.
3. The examination should be uniform for all candidates within a particular semester.
4. It is the responsibility of the student to contact the department chair and request that the comprehensive examination be designed and administered. These arrangements should be made one semester in advance.
5. A student who does not pass the examination upon the first attempt may repeat it once.

Graduation Recognition
A student may graduate with General Honors and/or Senior Honors in the Honors College. Senior Honors will be denoted by the Latin designations, cum laude (GPA of 3.25-3.49), magna cum laude (GPA or 3.50-3.79), and summa cum laude (GPA of 3.80 or higher).

Financial Assistance
Students enrolled in the Honors College may apply for financial aid through the Office of Financial Aid on the same basis as any other student. Scholarships available only to Honors students are listed below.

1. Presidential Scholarships: Each year, the Honors College will designate a select group of Honors freshmen as Presidential Scholars. Applicants are expected to have high ACT scores, superior grades, and proven leadership ability. The value of this award is equal to tuition, fees, and room and board for a four-year period. (The recipient will receive university-mandated necessary increments each semester.) Presidential Scholars are required to maintain at least a 3.25 GPA. The Schilling-Baird Scholarships, O.L. and Marie Sims Scholarship, the Pulley-Pulley Gough Scholarship and others are awarded from special endowments made available for Presidential Scholarships.

2. George R. Olliphant Scholarships: Available to a selected number of deserving students enrolled in the Honors College.

3. Honors Scholarships: Freshmen admitted to the Honors College are designated Honors College Scholars. Awards are based on an excellent record of achievement on the ACT (or SAT) and in high school classes, with attention to Honors, AP, and other rigorous courses successfully completed; high school and community activities; honors and achievements; counselor and teacher recommendations; and an essay. Freshman and sophomore Honors Scholars are required to maintain a GPA of at least 3.0. Students admitted to Senior Honors are also eligible for Honors College Scholarships. Juniors and seniors are required to maintain a GPA of at least 3.25. Honors scholarships are in the amount of $150 per semester for up to $1,200 for students completing both General and Senior Honors.

4. Travel Awards: Special travel awards are available for the Study Abroad Programs sponsored by the University’s College of International and Continuing Education. Students should apply to the Dean of the Honors College in late January.

The University Forum
The University Forum is a special series of lectures and programs open to all students, faculty, and townspeople. It is sponsored each fall and spring by the University Honors College and features nationally-known speakers in a variety of fields. Students who attend the forum lectures and designated films, concerts, plays, and other activities may receive an hour of credit on a pass/fail basis by enrolling in HON 321 or 322. This course may be repeated by any USM student for up to 8 hours of credit.
The University of Southern Mississippi–Gulf Coast

James O. Williams, Vice President
730 East Beach Boulevard
Long Beach, MS 39560-2699
(228) 865-4500

The University of Southern Mississippi–Gulf Coast serves students at four locations: the Gulf Park Campus in Long Beach, the Keesler Center on Keesler Air Force Base, Stennis Space Center in Bay St. Louis, and USM Jackson County Center located on the Jackson County Campus of the Mississippi Gulf Coast Community College in Gautier. USM Gulf Coast is part of a cooperative plan to provide comprehensive higher education on the Mississippi Gulf Coast. The articulation programs with the area community colleges assure a smooth transition for students who transfer from the community colleges' freshman-sophomore programs to the upper level degree programs at USM Gulf Coast. Refer to the USM Gulf Coast academic publication for specific information concerning the Gulf Coast courses and programs.

Degree Programs

USM Gulf Coast provides a flexible delivery system designed to meet the educational needs of Coast citizens. Consequently, new courses and programs are added as student demand warrants and resources permit. A sufficient number of courses are now available so that USM Gulf Coast students may earn their entire baccalaureate degree(s) with majors and emphases in the following areas:

- Accounting
- American Studies
- Business Administration
- Computer Engineering Technology
- Computer Science
- Criminal Justice
- Electronics Engineering Technology
- Elementary Education
- English
- History
- Hospitality Management
- Industrial Engineering Technology
- Library and Information Science
- Management
- Management Information Systems
- Marine Biology
- Mathematics
- Nursing
- Paralegal Studies
- Political Science
- Psychology
- Secondary Education
- Special Education
- Technical and Occupational Education

Admission

Each new student seeking admission to USM Gulf Coast is required to file with the Office of Student Services an application for admission. He or she should also request the authorities at each institution attended to send an official transcript of his or her record to the Office of Student Services. Students who are applying with fewer than the twenty-four (24) hour transfer requirement must also have sent an official high school transcript showing the date of graduation. The applicant must also provide an official report of the ACT/SAT scores directly from the testing service. In order to determine an admission status and facilitate advisement, students must furnish transcripts and complete applications for admission prior to registration. Transcripts and the completed applications should be sent to the Office of Student Services, USM Gulf Coast, 730 East Beach Boulevard, Long Beach, MS 39560-2699. In all other respects, admission requirements are identical with those outlined elsewhere in this Bulletin.

Course Load

Students are permitted to carry a total of twelve (12) to nineteen (19) semester hours. Nine (9) to fourteen (14) hours is considered a full load during the summer session. Nineteen (19) hours is the maximum load without approval of the division chair. Credit courses and workshops taken on any USM campus will be counted as part of the course load.
Honors

Special policies have been formulated in order to accord official recognition to students who achieve outstanding academic records. **PRESIDENT’S LIST:** Undergraduate students who earn a 4.00 grade point average on an academic load of not less than twelve (12) semester hours in one semester and have no grades of I or X will be placed on the President’s List. **DEAN’S LIST:** Undergraduate students will be placed on the Dean’s List if they have earned a 3.25 grade point average or above on an academic load of not less than twelve (12) hours in one semester, provided they have no grade of D or below (includes F, I, or X). **DEGREES WITH HONORS:** USM Gulf Coast students with exceptional academic records may be awarded a degree with honors or with highest honors. The residence requirement for such degrees is not less than thirty-two (32) semester hours of credit with the University of Southern Mississippi. A degree with honors will be granted to a student who maintains a grade point average of 3.5 or more. A degree with highest honors will be granted to a student who maintains a grade point average of 3.8 or more.

Fees

*(All fees are subject to change without notice)*

<table>
<thead>
<tr>
<th>Undergraduate</th>
<th>$96.00 per semester hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>Graduate</td>
<td>$127.00 per semester hour</td>
</tr>
</tbody>
</table>

One-half of a student’s fees are due and payable at the time of registration. Fees deferred past the last day to register each semester will be billed monthly. A monthly service charge of 1.5% will be applied to the unpaid balance. MasterCard® and Visa® credit cards will be accepted.

Financial aid may be used to satisfy the minimum payment with the following exceptions: financial aid cannot be applied to prior balances, and work study or other forms of aid paid periodically to students may not be used to defer fees. All financial aid must be applied to fees before a refund can be made.

A general tuition level cap of $1159.00 has been set for undergraduate students enrolled for 12-19 semester hours and for graduate students enrolled for 9-13 semester hours during the fall/spring semester. Undergraduate students enrolled for more than nineteen (19) hours will be assessed $96.00 for each additional hour and graduate students enrolled for more than thirteen (13) hours will be assessed $127.00 for each additional hour.

Students who are not residents of Mississippi will be assessed an additional fee of $129.00 per semester hour for undergraduates, $172.00 per semester hour for graduates, up to a maximum of $1551.00.

### Full-Time Student Tuition

*(Including $5.00 Registration Fee)*

</tbody>
</table>

### Special Fees

- Vehicle Registration (GP & JC) $10.00
- Late Registration Fee $50.00

In addition to the general tuition above, nursing majors taking the courses listed below will be assessed the following fees:

- NSG 361, 362, 363 $2.00/hr. + 45.00 per course
Calendar

The USM Gulf Coast academic calendar and holidays follow the same schedule as the Hattiesburg Campus calendar found elsewhere in this Bulletin.

### Course Descriptions

The course descriptions for various fields of instruction are provided in the table above. Each abbreviation corresponds to a specific field of study, facilitating easy reference and understanding of course offerings.
EXPLANATION

The semester credit hours are listed after the title of each course.

Example:

100. Introduction to the Arts. 3 hrs. A team-taught investigation of the music, visual and theatrical arts designed for students who are not otherwise academically involved with these arts. (CC 1233)

USM courses for which there are acceptable junior/community college courses are marked as (CC ____). It should be noted that there is a variance in course sequence between the junior/community colleges and USM. In addition, courses with the same junior/community college numbers vary from college to college. An adviser should be consulted prior to course scheduling.

The plus (+) sign in front of a course indicates that a special fee is charged for that course. (See Special Fees listing in Expenses Section.)

ACCOUNTING (ACC)

(Enrollment in courses numbered 300 or above requires at least junior standing.)

300. Managerial Accounting. 3 hrs. Prerequisites: ACC 200, MIS 201, 202. The use of accounting information in managerial decision making.

310. Accounting Processes and Systems. 3 hrs. Prerequisite: ACC 200 with a grade of C or better, MIS 201 and MIS 202. Primarily for Accounting majors: an in-depth study of the processes and systems used to produce financial statements.

320. Elementary Cost Accounting. 3 hrs. Prerequisites: ACC 200 with a grade of C or better, MIS 201, 202. A study of cost accounting systems and methods.

330. Federal Income Tax Accounting. 3 hrs. Prerequisite: ACC 200 with a grade of C or better. Introduction to federal taxation and the basic concepts and applications of federal tax laws.

400. Intermediate Accounting II. 3 hrs. Prerequisite: ACC 325 with a grade of C or better. A continuation of ACC 325.

401. Advanced Accounting I. 3 hrs. Prerequisite: ACC 400 with a grade of C or better. A continuation of ACC 400.

402. Advanced Accounting II. 3 hrs. Prerequisite: ACC 400 with a grade of C or better. A continuation of the study of advanced financial accounting.

407. Government and Not-for-Profit Accounting. 3 hrs. Prerequisite: ACC 325. The study of government and fund accounting principles.

409. Auditing. 3 hrs. Prerequisite: ACC 325 with a grade of C or better. An introduction to the financial statement attest function.

412. Seminar on Contemporary Accounting Topics. 1.5 hrs. Prerequisite: ACC 325 with a grade of C or better. Selected readings and discussions of current accounting topics.

492. Special Problems in Accounting. 1-6 hrs. Prerequisite: Consent of Director. Individual study on an approved topic in Accounting. (Students undertaking a Senior Honors Project will enroll in ACC H492.)

498. International Accounting Seminar Abroad. 3 hrs. Prerequisite: Consent of Program Director. Conducted in London, England: A series of lectures and discussions involving authorities on international accounting issues and practices.

499. International Accounting Research Abroad. 3 hrs. Prerequisite: Consent of Program Director. A research course in international accounting offered for students enrolled in ACC 498.

ADULT EDUCATION (ADE)

440. Methods and Materials in Adult Education. 3 hrs. Reviews the uses and adaptation of various materials and techniques for teaching adults. Relates content and methods.

441. Foundations of Reading Instruction for the Adult. 3 hrs. Examines the basis of reading instruction in relation to the needs and characteristics of the non-literate adult.

442. Methods and Materials for Teaching Adults to Read. 3 hrs. Materials, diagnostic and evaluative procedures, and laboratory experiences will be included.

445. Teaching the Disadvantaged Adult. 3 hrs. Characteristics, needs, and problems are related to programs and procedures found to be successful.
476. Learning in Adult Education. 3 hrs. A study of learning in adulthood, and related to a range of educational programs.

480. Applied Educational Gerontology. 3 hrs. This course prepares individuals to design and implement educational programs for older adults.

490. Special Problems in Adult Education. 1-3 hrs. May be arranged for an individual or a group with common interests. Permission of the department chairman required.

+494. Student Teaching in Adult Education. 1-2 hrs. Prerequisite: ADE 440 or 441 or 442 or IVE 431 or 435. For students who plan to teach in an adult education program or a post-secondary vocational center and who are not presently employed in such a program.

+495. Internship in Adult Education. 3-9 hrs. A nine-month, supervised experience for practicing teachers of adults.

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.

AEROSPACE STUDIES (AOS)

First-Year Aerospace Studies

101. Introduction to the Air Force Today. 1 hr. A survey course to introduce the student to the Air Force ROTC Program and today’s Air Force.

103. Introduction to the Air Force Today. 1 hr. Examines the functions and employment of U.S. Aerospace Forces.

103L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 103.

Second-Year Aerospace Studies

201. The Evolution of USAF Air and Space Power. 1 hr. Events and personalities contributing to the development of air power as a primary element of national security.

201L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 201.

203. The Evolution of USAF Air and Space Power. 1 hr. The changing mission of the Air Force, emphasizing the impact of air power on strategic thought.

203L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 203.

Third-Year Aerospace Studies

312. Air Force Leadership and Management. 3 hrs. Examines the role of the Air Force commander and his staff. Includes a review of contemporary management theory and communication skills development.

312L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 312.

313. Air Force Leadership and Management. 3 hrs. Examines leadership and management roles of the junior Air Force officer. Includes communication skills development and addresses military ethics.

313L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 313.

Fourth-Year Aerospace Studies

412. National Security Affairs. 3 hrs. Focuses on the prerequisites for maintaining adequate national security forces.

412L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 412.

413. National Security Affairs/Preparation for Active Duty. 3 hrs. Examines the formulation and implementation of U.S. Defense policies.

413L. Air Force Leadership Laboratory. 1 hr. Corequisite: AOS 413.

492. Special Projects. 1-2 hrs.

ALLIED ARTS (AA)

100. Introduction to the Arts. 3 hrs. A team-taught investigation of the musical, visual, and theatrical arts designed for students who are not otherwise academically involved with these arts. (CC 1233)

300. Directed Art Tours. 3 hrs. Prerequisite: AA 100 or permission of instructor.
AMERICAN STUDIES (AMS)

304. Issues in America. 3 hrs. Topics vary according to professor and department in which the course is offered. May be repeated for credit if content varies.

403. Seminar in American Studies. 3 hrs. Required of American Studies majors during senior year. Open to other majors with permission of professor.

404. Issues in America. 3 hrs. Topics vary according to professor and department in which the course is offered. May be repeated for credit if content varies.

409. Special Problems. 1-3 hrs. (Students undertaking a Senior Honors Project will enroll in AMS H402.)

409. British Studies: Anglo-American Studies. 3-6 hrs. A seminar conducted in Great Britain under the auspices of the USM Institute of Anglo-American Studies.

ANTHROPOLOGY (ANT)

101. Introduction to Anthropology. 3 hrs. Surveys the five major subdisciplines of anthropology (physical anthropology, archaeology, linguistics, social/cultural anthropology, and applied anthropology) to provide the student with a holistic understanding of humanity’s social and biological diversity. (CC-SOC 2213)

221. Cultural Anthropology. 3 hrs. A comparative approach to the analysis of human cultural and social diversity. (CC-SOC 2243)

231. Introduction to Archaeology. 3 hrs. An introduction to the study of anthropological archaeology and an overview of world prehistory.

241. Introduction to Physical Anthropology. 3 hrs. A study of prehistoric and modern human physical variation and its causes.

251. Introduction to Linguistic Anthropology. 3 hrs. A survey of anthropological approaches to the diversity of human languages.

311. World Cultures. 3 hrs. A survey of cultural and social patterns from each of the primary geographic and cultural areas of the world (Africa, Asia, South America, North America, Oceania, Europe and Australia).

312. Peoples and Cultures of Europe. 3 hrs. Ethnology of Europe and the adjacent North African and Middle Eastern territories.

313. Peoples and Cultures of Africa. 3 hrs. An ethnological survey of the major culture areas of the African continent with particular reference to sub-Saharan Africa.

314. Peoples and Cultures of Asia. 3 hrs. Ethnological survey of the far East, the Indian subcontinent, Central Asia, and Insular Southeast Asia.

317. Peoples and Cultures of Mesoamerica. 3 hrs. Introduction to the major prehistoric and contemporary peoples of Mexico and Central America, including the Aztecs, Maya and Valley of Oaxaca.

331. Anthropological Archaeology. 3 hrs. An examination of the conceptual frameworks and methods by which archaeologists learn about the past.

333. Archaeology of North America. 3 hrs. A study of the origin and development of prehistoric American Indian cultures.

334. Archaeology of the Old South. 3 hrs. A survey of archaeological research conducted on antebellum plantations in the Southern United States.

335. Biblical Archaeology. 3 hrs. A survey of ancient Near Eastern peoples and cultures as reconstructed by anthropology and archaeology.

342. Forensic Anthropology. 3 hrs. Introduction to anthropological field methods and theory applicable to forensics, including bone identification and sex/age/race identification.

416. Ethnographic Field Methods. 1-6 hrs. Methods of ethnographic fieldwork through participation in organized field studies. Permission of instructor required.

420. Culture and Ethnicity. 3 hrs. An analysis of culture and ethnicity with special reference to the problem of modernization.

421. Anthropological Theory. 3 hrs. A general survey of the development of anthropological thought and of the major contemporary schools of anthropological theory.

422. Ecological Anthropology. 3 hrs. An examination of human cultural strategies for adaptation to different environments.
423. Economic Anthropology. 3 hrs. The evolution of economic systems, cross-cultural analysis of economic systems, and the role of economic forces in cultural change.

426. American Folklore. 3 hrs. An analysis of folklore, oral narratives, performance, and material culture with special reference to America and the American South.

427. Psychological Anthropology. 3 hrs. Cross-cultural analysis of personality formation, perception and cognition, and mental illness.

428. Political Anthropology. 3 hrs. A comparative survey of patterns of group decision-making, leadership, resolution of conflict and social control in human societies.

429. Topics in Cultural Anthropology. 3 hrs. Variable content. May be repeated three times in separate topical offerings.

431. Prehistoric Archaeology. 3 hrs. Corequisite: ANT 431L. Overview of analytical techniques in archaeology and prehistoric technologies.

431L. Prehistoric Archaeology Laboratory. 1 hr. Corequisite: ANT 431. Laboratory to accompany Prehistoric Archaeology. Overview of analytical techniques in archaeology and prehistoric technologies.

433. Prehistory of Southeastern Indians. 3 hrs. A survey of the prehistoric archaeology of the Southeastern United States, especially Mississippi and adjoining states, from the first inhabitants to the time of European contact.

434. Historical Archaeology. 3 hrs. A study of questions and techniques used on archaeological sites dating from the 15th century to the early 20th century.

435. Urban Archaeology. 8 hrs. An examination of archaeological remains recovered in American cities.

436. Archaeology Field Methods. 1-6 hrs. Methods of fieldwork through participation in organized field projects. Permission of instructor required.

437. Archaeology and Public Policy. 3 hrs. The history and present state of public policy issues related to archaeological and historic resources, in their role in the planning process. Prerequisite: ANT 231, ANT 331, or ANT 333.

439. Topics in Anthropology. 3 hrs. Variable content. May be repeated three times in separate topical offerings.

441. Human Variation. 3 hrs. An exploration of human biological variation, including its sources, its classification, and its expression in different environments.

442. Medical Anthropology. 3 hrs. Introduction to the relationship between human culture and disease, especially cross-cultural comparisons of perception and treatment of illness.

443. Bioarchaeology. 3 hrs. Methods and theories used in interpretation of skeletal and mortuary data in archaeological contexts.

444. Topics in Physical Anthropology. 3 hrs. Variable content. May be repeated three times in separate topical offerings.

445. Language Planning, Culture, and Politics. 3 hrs. Study of language planning, cultural identity, and politics around the world.

446. Language, Gender, and Culture. 3 hrs. Cross-cultural study of the social basis of gender differences in language.

449. Topics in Linguistic Anthropology. 3 hrs. Variable content. May be repeated three times in separate topical offerings.

452. Special Problems. 1-3 hrs. A problem study to be approved by the department chairman. (Students undertaking a Seniors Honor Project will enrolled in ANT H492.)

453. Irish Studies. 4 hrs. Variable content. Lecture series and study in Ireland under the auspices of the Center for International Education.

454. British Studies. 3-6 hrs. Variable content. Lecture series and research abroad under the auspices of the Center for International Education.

ARCHITECTURAL ENGINEERING TECHNOLOGY (ACT)

132L. Architectural Graphics Laboratory. 1 hr. Corequisite: ACT 132.

204. Building Materials. 3 hrs. Properties, characteristics, and utilization of materials used in design and construction of projects.

204L. Building Materials Laboratory. 1 hr. Study of materials used in buildings through materials research in the library and on the Internet, jobsite visitation, building of mock-ups related to buildings materials, and building of video library.
234. Architectural CADD. 1 hr. Prerequisites: ACT 132, ACT 204, ENT 320. Corequisite: ACT 234L. Introduction to architecturally-oriented software and use to prepare plans for buildings.

234L. Architectural CADD Laboratory. 1 hr. Prerequisite: ACT 132, ACT 204, ENT 320. Corequisite: ACT 234. Introduction to architecturally-oriented software and use to prepare plans for buildings.

235L. Architectural Working Drawings I Laboratory. 1 hr. Corequisite: ACT 235.

261. Residential Planning and Design. 3 hrs. Prerequisites: ACT 132 and ACT 204. Corequisite: ACT 261L. Analysis and problem solving in the design and planning of residential buildings.

261L. Architectural Engineering Technology Laboratory. 0 hr. Corequisite: ACT 261.

262. Architectural Design I. 2 hrs. Prerequisites: ACT 235. Corequisite: ACT 262L. Residential and high density planning (Group Residential Occupancy Classification); study and application of design principles to three-dimensional visual organizations which convey spatial information.

262L. Architectural Design I Laboratory. 1 hr. Corequisite: ACT 262.

301. CABO (Council of American Building Officials) Code. 1 hrs. Prerequisites: ACT 132L, ACT 204, or permission of instructor. Introduction to CABO (Council of American Building Officials) Building Code for one and two family dwelling units.

322. Architectural History. 3 hrs. Analysis of achievements in the design and construction of major architectural developments from early times to present.

323L. Architectural Rendering Laboratory. 1 hr. Corequisite: ACT 323.

324L. Architectural Landscaping Laboratory. 0 hr. Corequisite: ACT 324.

325. Office Practice. 3 hrs. Prerequisite: ACT 235. Introduction to contract documents, contract administration, and architectural office operations.

336L. Architectural Working Drawings II Laboratory. 1 hr. Corequisite: ACT 336.

338L. Architectural Working Drawings III Laboratory. 0 hr. Corequisite: ACT 338.

343. Structural Design. 3 hrs. Prerequisite: ENT 340L. Design of structural members; steel, wood, and concrete.

363. Architectural Design II. 2 hrs. Corequisite: ACT 363L. Spatial planning of commercial buildings (Group Medical/Shopping Occupancy Classification); application of design and analytical methods; information retrieval, programming and architectural problem solving.

363L. Architectural Design II Laboratory. 1 hr. Corequisite: ACT 363.

364. Architectural Design III. 2 hrs. Prerequisite: ACT 363. Corequisite: ACT 364L. Analysis of environmental and site forms as they relate to planning and design of assembly and educational structures (Groups Assembly and Education Occupancy Classification).

364L. Architectural Design III Laboratory. 1 hr. Corequisite: ACT 364.

392. Special Problems. 1-3 hrs. Prerequisites: Junior standing and approval of faculty adviser.

400. Senior Project. 3 hrs. Prerequisites: Senior standing and approval of faculty adviser.

401. Senior Project. 3 hrs. Prerequisite: ACT 400.
404. Applications of Computer-Aided Drafting and Design. 3 hrs. Prerequisite: ENT 320. Use of commercially-available software to create complete sets of architectural and engineering drawings.

426. Specifications. 3 hrs. Prerequisite: ACT 336 or BCT 336. Introduction to development and writing of architectural project specifications.

445. Foundations. 3 hrs. Prerequisite: ENT 360. Properties and behavior of soils and concrete as applied to architectural structures.

457. Architectural Estimating. 2 hrs. Prerequisites: ACT 336 or approval of instructor. Development of project budgets from schematic stages through final design using cost estimating and value engineering methods.

465. Architectural Design IV. 2 hrs. Prerequisite: ACT 364. Comprehensive architectural concepts applied to institutional buildings (Group I Occupancy Classification).

465L. Architectural Design IV Laboratory. 1 hr. Conquisite: ACT 465.

492. Special Problems. 1-3 hrs. Prerequisites: Senior standing and approval of faculty adviser.

ART (ART)

(*=Permission of instructor necessary; **=Permission of department chair required)

101. Drawing I. 3 hrs. A study of the possibilities of drawing as the expression of a variety of ways of seeing and thinking. (CC 1313)

102. Drawing II. 3 hrs. Prerequisite: ART 101, or *. A continuation of ART 101. (CC 1323)

111. Design I. 3 hrs. A study of the basic elemental relationships, plastic integration factors, principles, and the ordering of them toward expression. (CC 1413)

112. Design II. 3 hrs. Prerequisite: ART 111, or *. A continuation of the study of design with color theory and practice. (CC 1423)

113. Three-Dimensional Design. 3 hrs. Prerequisite: ART 111 OR *. Concepts and basic visual problems in designing sculptural form with the dimensions of height, width, and depth.

130. Art Appreciation. 3 hrs. An introduction to the visual arts for non-art majors. May not be used toward the major or minor. (CC 1113)

201. Figure Drawing I. 3 hrs. Prerequisite: ART 102, 112, 113, or *. Study of the structure and anatomy of the human figure. Drawing and study from the figure.

202. Figure Drawing II. 3 hrs. Prerequisite: ART 201 or*. Advanced study from the human figure involving composition and sustained drawings.

203. Figure Drawing III. 3 hrs. Prerequisite: ART 202 or*. Advanced drawing from the figure involving composition, expression and personal vision.

212. Crafts. 3 hrs. A study of the techniques and problems involved with general crafts. May not be used toward the major in art or art education.

213. Crafts. 3 hrs. A continuation of ART 212. May not be used toward the major in art or art education.

221. Technical Foundations for Painting. 3 hrs. Prerequisites: ART 102, 112, 113 or *. Experimental problems with traditional painting media and techniques.

238. Introduction to Museum Studies. 3 hrs. This course will allow the student to study in the museum environment and become familiar with the professional duties of various museum personnel.

250. Workshop in Ceramics. 3 hrs. Traditional techniques in the forming, firing, and glazing of clay. May not be used toward the major or minor in art or art education. May be repeated. (CC 2613)

300. Workshop in Drawing. 1-3 hrs. Arr. A variety of drawing experiences which may be pursued by students at various levels. May not be used toward the major or minor. May be repeated.

301. Drawing. 3 hrs. Prerequisite: ART 202 or *. Advanced study of visual form in drawing.

302. Drawing. 3 hrs. Prerequisite: ART 301. Advanced study of visual form in drawing.

303. Drawing. 3 hrs. Prerequisite: ART 302 or *. Advanced problematic study of form in drawing moving toward personal expression.

309. Visual Art Elements. 3 hrs. An introduction to visual art concepts, perceptions, and techniques in a classroom setting. For non-art majors.

311. Digital Visualization. 3 hrs. Prerequisites: ART 101 and 111, or *. An emphasis on the design and development of imagery utilizing computer technology. Vector software will be utilized.
312. Digital Page Layout. 3 hrs. Prerequisite: ART 102 and 112, or *. Page layout for print and electronic applications. Page make-up software will be utilized.

313. Digital Imaging. 3 hrs. Prerequisites: ART 102, 112, 113 *. Design and manipulation of digital imagery for print and electronic applications. Raster and vector image software will be utilized.

314. Advanced Design. 3 hrs. Prerequisite: *. Advanced studio problems in design.

320. Workshop in Painting. 1-3 hrs. Painting experiences which may be pursued by students at various levels. May not be used toward the major or minor. May be repeated.

321. Painting I. 3 hrs. Prerequisite: ART 102, 112, 113, or *. Introduction to problematic study of form in painting, including experiments with painting media and technique.

322. Painting II. 3 hrs. Prerequisite: ART 321, or *. Intermediate problematic study of form in painting.

323. Painting III. 3 hrs. Prerequisite: ART 322, or *. Advanced problematic study of painterly form moving toward an introduction to personal expression.

331. Directed Museum and Gallery Tour. 1-3 hrs. Field trip and tour of galleries and museums for the viewing of original works. May be repeated.

335. Practicum in Gallery Operations. 3 hrs. Provides experience in every facet of gallery operations including the organization of exhibition schedules, the acquisition, design and installation of art exhibitions, and the writing of promotional material.

336. Practicum in Museum Studies. 3 hrs. Introduces the skills required to assume curatorial and managerial positions in museums. Offers instruction in the history of museums and art acquisition, exhibit design, artifact conservation, and the organization of permanent collections.

337. Practicum in Arts Management. 3 hrs. Offers experience in the organization and management of galleries, museums and arts foundations. Emphasis placed on business management and marketing, fundraising, event planning and promotion, and arts advocacy.

341. Graphic Design I/Production. 3 hrs. Prerequisites: ART 102, 112, 113, or *. Introduction to the history, processes and procedures of graphic design and reproduction. Computer technology and its role in graphic production is examined.

342. Graphic Design II/Typography. 3 hrs. Prerequisites: ART 102, 112, 113, or *. The study of letter forms, with an emphasis on typography as an expressive design element. Solutions involving traditional and computer methodologies.

343. Graphic Design III/Presentation. 3 hrs. Prerequisites: ART 102, 112, 113, or *. Design systems and presentation methods for graphic layout, with an emphasis on the integration of type and image.

344. Illustration. 3 hrs. Prerequisites: ART 201 or 363 or *. Problems, solutions, and techniques involving the exploration of the image as a means of visual communication.

351. Ceramics I. 3 hrs. Prerequisite: ART 102, 112, 113. Traditional techniques in the manipulation of clay and glazing.

352. Ceramics II. 3 hrs. Prerequisite: ART 351. Traditional utilitarian techniques in manipulation of clay from the wheel.

353. Ceramics III. 3 hrs. Prerequisite: ART 352. Utilitarian and aesthetic manipulation of clay from the wheel.

360. Workshop in Sculpture. 3 hrs. An introduction to sculptured materials, techniques and concepts. May not be used toward the major or minor in Art or Art Education. May be repeated.

362. Sculpture II. 3 hrs. Prerequisite: ART 361. Continuation of beginning sculpture.

363. Sculpture III. 3 hrs., repeatable once for additional 3 hrs. Prerequisite: ART 113 or *. Advanced study from the human figure involving three-dimensional modeling.

370. Workshop in Printmaking. 3 hrs. An introduction to printmaking techniques. May not be used toward the major or minor in Art or Art Education. May be repeated.

371. Printmaking I. 3 hrs. Prerequisites: ART 102, 112, 113, or *. A study of techniques and design for relief printmaking.

372. Printmaking II. 3 hrs. Prerequisites: 102, 112, 113, or *. A study of techniques and design for intaglio printmaking.

373. Printmaking III. 3 hrs. Prerequisites: ART 102, 112, 113, or *. A study of techniques and design for lithographic printmaking.

374. Special Problems in Printmaking. 3 hrs. Prerequisites: ART 102, 112, 113, or *. Directed study in printmaking techniques. May be repeated.
381. Photography I. 3 hrs. Introduction to basic skills with the camera and darkroom using black and white photography.
382. Photography II. 3 hrs. Prerequisite: ART 381 or *. Continuation of Art 381 with an emphasis on composition in black and white photography.
383. Color Photography. 3 hrs. Prerequisite: ART 392 or *. Introduction to basic color photography and printing.
389. Workshop in Photography. 3 hrs. An introduction to materials, techniques and concepts in design with emphasis on light-sensitive materials. May be repeated.
400. The Art of Italy. 3 hrs. Prerequisite:*. A travel/study course in the art of Italy.
413. Crafts II. 3 hrs. Prerequisite: ART 102, 112, 113, or *. Metal working. A study of the technique and problems involved in the creation of metal craft. May be repeated.
414. Crafts III. 3 hrs. Prerequisite: ART 102, 112, 113, or *. Weaving. A study of the technique and problems involved in the creation of various fabrics with fibrous materials. May be repeated.
415. Graphic Design History. 3 hrs. A lecture course designed to inform about the current trends in the plastic and graphic arts, including historical precedents. Fulfills requirement of an art history elective.
420. Contemporary Art Trends. 3 hrs. Art trends are identified, developed, and discussed in terms of philosophies, practitioners, backgrounds, and techniques. A lecture course. Fulfills requirement of an art history elective.
421. Painting IV. 3 hrs. Prerequisites: ART 323, or *. A personal search in painting. Class discussion and criticism.
422. Painting V. 3 hrs. Prerequisites: ART 421, or *. Advanced development of a personal language and statement in painting.
423. Painting VI. 3 hrs. Prerequisites: ART 422, or *. A sustained individual effort in painting leading to the independent work of the senior project.
424. Painting Project. 3 or 6 hrs. Prerequisites: ART 422, and *. Independent expressive problem in painting culminating with an exhibition.
430. Research Methods in Art History. 3 hrs. A systematic analysis of the tools and techniques available to the art historian when conducting research into the art object.
431. Ancient Art History. 3 hrs. Prerequisite: ART 332. Artistic achievements of the ancient world. A careful analysis of examples correlated with their background. Fulfills requirement of an art history elective.
432. Medieval Art History. 3 hrs. Prerequisite: ART 332. Art of the western civilizations from the fall of the Roman Empire to the end of the fourteenth century. Fulfills requirement of an art history elective.
433. Northern Renaissance Art History. 3 hrs. Prerequisite: ART 334. Art of Italy, France, Germany, Spain, and the Low Countries from the close of the Middle Ages through the sixteenth century. Fulfills requirement of an art history elective.
434. Italian Renaissance Art History. 3 hrs. Prerequisite: ART 334. The tracing of these movements through the western world from the close of the sixteenth through the eighteenth century. Fulfills requirement of an art history elective.
437. The Historiography and Methodologies of Art History. 3 hrs. This course will serve as an introduction to the historical development of art history as a field of intellectual inquiry. Emphasis placed on the major approaches that modern art historians have applied to the discipline.
439. Connoisseurship. 3 hrs. This course is devoted to the direct analysis of original and, for the most part, unpublished works of art. Emphasis placed on the physical consistency of objects—their dimension, style, and quality.
441. Graphic Communication I. 3 hrs. Prerequisite: ART 341, 342, or *. Solving conceptual problems visually requiring the application of professional level graphic communication skills.
442. Graphic Communication II. 3 hrs. Prerequisite: ART 441, or *. Continuation of ART 441, with particular emphasis on professional procedure.
443. Graphic Communication III. 3 hrs. Prerequisite: ART 442. A continuation of ART 442, with particular emphasis on professional portfolio development.
448. Graphic Communication Project. 3 or 6 hrs. Prerequisite: ART 443, and **. A comprehensive design study initiated by the student in an area of specified interest under the direction of a committee of faculty advisors. Public presentation of portfolio.

451. Ceramics IV. 3 hrs. Prerequisite: ART 353. Continuation of Ceramics III.

452. Ceramics V. 3 hrs. Prerequisite: ART 451. Advanced ceramics, self motivated ceramics with a personal level of expression.

453. Ceramics VI. 3 hrs. Prerequisite: ART 452. Continuation of Ceramics V with a direction toward a professional level of personal expression.

458. Ceramics Project. 3 or 6 hrs. Prerequisite: ART 453. Independent project in ceramics culminating with an exhibition. A written proposal, faculty committee, and * is required.

461. Sculpture IV. 3 hrs. Prerequisite: ART 363. Continuation of Sculpture III.

462. Sculpture V. 3 hrs. Prerequisite: ART 461. Advanced sculpture, self motivated sculpture with a personal level of expression.

463. Sculpture VI. 3 hrs. Prerequisite: ART 462. Continuation of Sculpture V with a direction toward a professional level of personal expression.

468. Sculpture Project. 3 hrs. Prerequisite: ART 463. Independent project in sculpture culminating with an exhibition. A written proposal, faculty committee, and * is required.

473. Advanced Printmaking VI. 3 hrs. Prerequisite: ART 373. Continued study of the aesthetic and technical aspects of the lithographic printmaking processes.

481. Photography IV. 3 hrs. Digital imaging.

482. Studio Photography. 3 hrs. Studio photography.

483. Experimental Photography. 3 hrs. Experimental photography.

487. History of Photography. 3 hrs. The history of photography from its beginning to the present.

488. Photography Project. 3-6 hrs. Prerequisite: ART 483 and *. Independent expressive problem in photography culminating in a senior exhibition.

491. Art Internship. 1-9 hrs. A professional work-training experience with a host organization, institution, or artist as a means of preparing for a career goal or further studies. Permission of the faculty intern supervisor and department chair required. May be repeated.

492. Special Problems in Art. 1-3 hrs. Prerequisite: Senior standing and consent of instructor. Individual research on an approved visual art problem. May be repeated. (Students undertaking a Senior Honors Project will enroll in ART H 492.)

ART EDUCATION (ARE)

452. Methods in Art. 3 hrs. Prerequisite: Senior Standing. Stresses the aims, objectives, and methods of art education in the K-12 classroom.

453. Practicum in Art Education. 1-6 hrs. Students will participate in supervised practicum experiences in elementary and secondary educational setting. May be repeated.

482. Student Teaching in Art Education I, II. 7,7 hrs.

492. Art Education Project. 3 hrs. Prerequisites: Senior Standing. A research project to further the development of objectives, specialized art techniques, curriculum and methods of teaching in the K-12 classroom.
ASTRONOMY (AST)

111. General Astronomy. 3 hrs. Introduction to early astronomy, tools of astronomers, and the solar system.

111L. General Astronomy Laboratory. 1 hr. Corequisite: AST 111.

112L. General Astronomy Laboratory. 1 hr. Corequisite: AST 112.

BIOLOGICAL SCIENCES (BSC)

Courses that may not be counted toward a major in Biological Sciences:

103. Biological Science. 3 hrs. Concepts and methods of biological science and their relationship to human affairs. Satisfies General Education Curriculum requirements for laboratory sciences (Category IV). Cannot be taken in combination with BSC 110 or 111 to meet the general education curriculum requirement.

103L. Biological Science Laboratory. 1 hr.

107. Human Biology. 3 hrs. Prerequisites: BSC 103 and BSC 103L strongly recommended. Basic concepts, principles, and processes in human biology, including consideration of social, moral, and ethical issues and concerns. Satisfies General Education Curriculum requirements for laboratory sciences (Category IV).

107L. Human Biology Laboratory. 1 hr. Corequisite for BSC 107.

250. Human Anatomy and Physiology I. 3 hrs. Cells and tissues; integumentary, skeletal, muscular, immune, respiratory, and circulatory systems. Satisfies General Education Curriculum requirements for laboratory sciences (Category IV). (CC 1513, 2513, 1514, 2514)

250L. Human Anatomy and Physiology I Laboratory. 1 hr. Corequisite for BSC 250. (CC 1511, 2511)

251. Human Anatomy and Physiology II. 3 hrs. Nutrition and metabolism; gastrointestinal, nervous, renal, endocrine, and reproductive systems. Satisfies General Education Curriculum requirements for laboratory sciences (Category IV). (CC 1523, 2523, 1524, 2524)

251L. Human Anatomy and Physiology II Laboratory. 1 hr. Corequisite for BSC 251. (CC 1521, 2521)

255. Microorganisms in Health and Disease. 3 hrs. A survey of microorganisms of public significance for nursing students.

256. Microorganisms in Food. 3 hrs. Microbiology of domestic and commercially prepared foods. Satisfies General Education Curriculum requirements for laboratory sciences (Category IV).

256L. Microorganisms in Food Laboratory. 1 hr. Corequisite for BSC 256.

Courses which may be counted toward a major in Biological Sciences:

110. Principles of Biological Science I. 3 hrs. Introduction to biological science, emphasizing cellular organization, genetics, ecology, and evolution. Satisfies the general education requirement for laboratory science. Cannot be taken in combination with BSC 103 to meet the general education curriculum requirement.

110L. Principles of Biological Science I Laboratory. 1 hr. Corequisite for BSC 110.

111. Principles of Biological Science II. 3 hrs. Prerequisite: BSC 110 or equivalent. Introduction to biological science, emphasizing diversity, organisms, and organ systems. Satisfies the general education requirement for laboratory science. Cannot be taken in combination with BSC 103 to meet the general education curriculum requirement.

111L. Principles of Biological Science II Laboratory. 1 hr. Corequisite for BSC 111.

201. General Zoology. 2 hrs. Prerequisite: BSC 110 and 111 or equivalent. Systematics, functional morphology, and ecological relationships of the major animal phyla. (CC 2414)

201L. General Zoology Laboratory. 1 hr. Corequisite for BSC 201.

226. General Botany. 2 hrs. Prerequisite: BSC 110 and 111 or equivalent. Systematics, structure, physiology, growth and development of plants. (CC 1313, 1314)

226L. General Botany Laboratory. 1 hr. Corequisite for BSC 226.

305. Evolution. 3 hrs. Prerequisites: BSC 110 or equivalent; BSC 201 and GLY 103 recommended. A comprehensive treatment of evolutionary theory.

360. Cellular Physiology. 3 hrs. Prerequisites: 8 hours of biology, 8 hours of chemistry; organic chemistry recommended. Cellular anatomy, chemistry, and physics.

361. Comparative Anatomy. 2 hrs. Phylogeny of the chordates, with special emphasis on vertebrate organ systems.

361L. Comparative Anatomy Laboratory. 2 hrs. Corequisite for BSC 361.
370. Genetics. 4 hrs. Prerequisite: BSC 380 or BSC 110; one semester of organic chemistry recommended. The fundamental principles of heredity.

380. General Microbiology. 3 hrs. Prerequisites: BSC 110 and 111 or equivalent. Current concepts in microbiology, including microbial structure and function, physiology, genetics, ecology, and role in disease.

380L. General Microbiology Laboratory. 1 hr. Corequisite for BSC 380.

382. Microbial Ecology. 3 hrs. Prerequisites: BSC 110, 111, 380. The study of the relationship between macroorganisms and their biotic and abiotic environments.

400. History of Biology. 3 hrs. Lectures and papers concerning the development of biological sciences.

401. Natural History of Animals. 1 hr. Prerequisite: Consent of instructor. Life histories of animals.

401L. Natural History of Animals Laboratory. 2 hrs. Corequisite for BSC 401.

402. Natural History of Plants. 1 hr. Prerequisite: Consent of instructor. Life histories of plants.

402L. Natural History of Plants Laboratory. 2 hrs. Corequisite for BSC 402.

403. Natural History of Infectious Diseases. 3 hrs. A study of infectious diseases and their effect on man.

404. Field Biology. 1-2 hrs. arr. Ecological and taxonomic studies. Offered between semesters as 4- to 12-day field trips.

404L. Field Biology Laboratory. 2-4 hrs. Corequisite for BSC 404.

405. Paleobiology. 3 hrs. Prerequisite: General Zoology. Study of life forms existing in prehistoric or geologic time as represented by plants, animals, and other organisms.

405L. Paleobiology Laboratory. 1 hr. Corequisite: BSC 405.

406. Zoogeography. 3 hrs. Prerequisite: Consent of instructor. A descriptive and analytical study of the distribution of animals.

407. Biology of Vertebrates. 3 hrs. The ecology, evolution, behavior and conservation of vertebrate animals. Field trips when possible.

407L. Biology of Vertebrates Laboratory. 1 hr. Corequisite for BSC 407.

408. Invertebrate Zoology I. 2 hrs. Prerequisite: BSC 110, 111, 201. Functional morphology, systematics, and life histories of the phyla Porifera through the minor protostomes.

408L. Invertebrate Zoology I Laboratory. 1 hr. Corequisite for BSC 408.

409. Invertebrate Zoology II. 2 hrs. Prerequisite: BSC 408 or permission of instructor. Functional morphology, systematics, and life histories of invertebrate phyla through the Hemichordata.

409L. Invertebrate Zoology II Laboratory. 1 hr. Corequisite for BSC 409.

410. Human Parasitology. 3 hrs. Prerequisites: BSC 110, 201. Life histories, medical significance, and diagnosis of helminths and protozoa parasitic in man.

410L. Human Parasitology Laboratory. 1 hr. Corequisite for BSC 410.

411L. Entomology Laboratory. 1 hr. Corequisite for BSC 411.

412. Medical Entomology. 2 hrs. Prerequisite: Consent of instructor. Arthropod vectors and agents of disease.

412L. Medical Entomology Laboratory. 1 hr. Corequisite for BSC 412.

413. Arachnida Biology. 2 hrs. Prerequisites: BSC 110, 111. Biology, morphology, and classification of the arachnids.

413L. Arachnida Biology Laboratory. 1 hr. Corequisite for BSC 413.

414. Ichthyology. 2 hrs. Evolutionary relationships, morphology, physiology and zoogeography of fishes, with emphasis on identification of local forms.

414L. Ichthyology Laboratory. 1 hr. Corequisite for BSC 414.

415. Biology of Fishes. 2 hrs. Prerequisite: Consent of instructor. Functional morphology, ecology and behavior of fishes.

415L. Biology of Fishes Laboratory. 2 hrs. Corequisite for BSC 415.

416. Introduction to Fishery Science. 2 hrs. A survey of the biology, management, and potential yield of fish populations.

416L. Introduction to Fishery Science Laboratory. 1 hr. Corequisite for BSC 416.

417. Herpetology. 3 hrs. Prerequisites: BSC 110, 111. Collection, preservation, identification and distribution of amphibians and reptiles. Field trips when possible.
417L. Herpetology Laboratory. 1 hr. Corequisite for BSC 417.

418. Avian Biology. 3 hrs. Prerequisite: BSC 361 recommended. Morphology, taxonomy, life history, distribution, evolution, and adaptations of birds.

418L. Avian Biology Laboratory. 1 hrs. Corequisite for BSC 418.

419. Mammalogy. 2 hrs. Prerequisite: BSC 361 recommended. Morphology, taxonomy, life history, distribution, evolution, and adaptations of mammals.

419L. Mammalogy Laboratory. 1 hr. Corequisite for BSC 419.

421. Marine Invertebrate Zoology. 3 hrs. Prerequisite: 16 hrs. of biology, including general zoology. Morphology, distribution and ecology of the phyla from Protozoa through Protochordates. (May be taken as MAR 403.)

421L. Marine Invertebrate Zoology Laboratory. 3 hrs. Corequisite for BSC 421. (May be taken as MAR 403L.)

422. Science and Society: from Copernicus to the Bomb. 3 hrs. An interdisciplinary course designed for both science and liberal arts students. Traces the development of science and technology and their role in society from the Renaissance to the present. (May be taken as HIS 423 and HUM 423.)

424. Parasites of Marine Animals. 3 hrs. Prerequisite: Permission of instructor. Emphasis on morphology, taxonomy, life histories, and host-parasite relationships. (May be taken as MAR 424.)

424L. Parasites of Marine Animals Laboratory. 3 hrs. Corequisite for BSC 424. (May be taken as MAR 404.)

425. Marine Phycology. 2 hrs. Prerequisites: General botany and plant taxonomy. A survey of the principal groups of marine algae. (May be taken as MAR 420.)

425L. Marine Phycology Laboratory. 2 hrs. Corequisite for BSC 425. (May be taken as MAR 420L.)

426. Introductory Mycology. 3 hrs. Prerequisite: Consent of instructor. Systematics, morphology, physiology, and ecology of fungi.

426L. Introductory Mycology Laboratory. 1 hr. Corequisite for BSC 426.

427. Introductory Phycology. 2 hrs. Prerequisite: Consent of instructor. Taxonomy, physiology, and biochemistry of the algae.

427L. Introductory Phycology Laboratory. 1 hr. Corequisite for BSC 427.

428. Plant Anatomy. 2 hrs. Prerequisite: Consent of instructor. A study of the anatomy of vascular plants.

428L. Plant Anatomy Laboratory. 1 hr. Corequisite for BSC 428.

429. Bryophytes and Vascular Plants. 3 hrs. Prerequisite: Consent of instructor. Life cycles, evolution, and morphology of bryophytes and vascular plants.

429L. Bryophytes and Vascular Plants Laboratory. 1 hr. Corequisite for BSC 429.

430. Aquatic and Marsh Plants. 2 hrs. Prerequisite: Consent of instructor. Collection, identification, and ecology of plants of fresh and brackish water.

430L. Aquatic and Marsh Plants Laboratory. 1 hr. Corequisite for BSC 430.

431. Plant Physiology. 3 hrs. Prerequisite: Organic chemistry. The basic physiological processes of green plants.

431L. Plant Physiology Laboratory. 1 hr.

432. Economic Botany. 2 hrs. Prerequisite: Consent of instructor. Origin, distribution, and significance of plants most important to man.

432L. Economic Botany Laboratory. 1 hr. Corequisite for BSC 432.

433. Taxonomy of Local Flora. 2 hrs. Prerequisites: BSC 110, 111. The classification of local flora.

433L. Taxonomy of Local Flora Laboratory. 1 hr. Corequisite for BSC 433.

434. Dendrology. 2 hrs. Prerequisites: BSC 110, 111. The taxonomic and ecological characteristics, and the distribution of trees.

434L. Dendrology Laboratory. 1 hr. Corequisite for BSC 434.

435. Plant Ecology. 3 hrs. Prerequisite: Advanced standing in botany. Relationship of plants to their environment.

435L. Plant Ecology Laboratory. 1 hr. Corequisite for BSC 435.
436L. Conservation Biology Laboratory. 1 hr. Corequisite: BSC 436. Labs consist of six full-day field trips held on Saturday.

437. Coastal Vegetation. 2 hrs. Prerequisite: 10 hrs. of biology, including general botany. A study of general and specific aspects of coastal vegetation, with emphasis on local examples. (May be taken as MAR 421.)

437L. Coastal Vegetation Laboratory. 1 hr. Corequisite for BSC 437. (May be taken as MAR 421L.)

438. Salt Marsh Plant Ecology. 2 hrs. The botanical aspects of local marshes: includes plant identification, composition, and structure. (May be taken as MAR 422.)

438L. Salt Marsh Plant Ecology Laboratory. 1 hr. Corequisite for BSC 438. (May be taken as MAR 422L.)

439. Marine Ecology. 3 hrs. Prerequisite: 16 hrs. of biology. The relationship of marine organisms to their environment. (May be taken as MAR 405.)

439L. Marine Ecology Laboratory. 2 hrs. Corequisite for BSC 439. (May be taken as MAR 405L.)

440. Ecology. 3 hrs. Prerequisites: BSC 110 and 111, or consent of instructor. The study of the relationships of organisms to their environment and to each other.

440L. Ecology Laboratory. 1 hr. Corequisite for BSC 440.

441L. Population and Community Ecology Laboratory. 1 hr. Corequisite for BSC 441.

442L. Behavioral Ecology Laboratory. 1 hr. Corequisite: BSC 442.

443. Freshwater Biology. 3 hrs. Prerequisites: BSC 110 and 111, or consent of instructor. The study of the biota of ponds, lakes, rivers, and streams.

443L. Freshwater Biology Laboratory. 1 hr. Corequisite for BSC 443.

444. Limnology. 2 hrs. Prerequisites: BSC 110 and 111, or consent of instructor. The physical, chemical and biological dynamics of inland waters.

444L. Limnology Laboratory. 1 hr. Corequisite for BSC 444.

445. Introduction to Marine Biology. 3 hrs. Prerequisites: BSC 110, 111, 201. Marine biological regimes and the influence of geological, physical, and chemical oceanographic factors.

445L. Marine Biology Laboratory. 1 hr. Corequisite for BSC 445.

446. Aquaculture. 2 hrs. Prerequisites: 12 hours of biology and 8 hours of chemistry. Production of aquatic organisms in natural and artificial environments.

446L. Aquaculture Laboratory. 1 hr. Corequisite for BSC 446.

447. Marine Aquaculture. 3 hrs. Prerequisites: BSC 446. Problems and procedures relating to the culture of commercially important crustaceans, fish, and mollusks. (May be taken as MAR 407.)

447L. Marine Aquaculture Laboratory. 3 hrs. Corequisite for BSC 447. (May be taken as MAR 407L.)

448. Fauna and Faunistic Ecology of Tidal Marshes. 2 hrs. Prerequisite: Consent of instructor. Taxonomy, distribution, trophic relationships, reproductive strategies and adaptation of tidal marsh animals. (May be taken as MAR 406.)

448L. Fauna and Faunistic Ecology of Tidal Marshes Laboratory. 3 hrs. Corequisite for BSC 448. (May be taken as MAR 406L.)

449. Marine Fisheries Management. 2 hrs. Prerequisite: Statistics recommended. A statistical review of the world fisheries. (May be taken as MAR 410.)

449L. Marine Fisheries Management Laboratory. 2 hrs. Corequisite for BSC 449. (May be taken as MAR 410L.)

450. General Physiology. 3 hrs. Organismic function and the adaptations which characterize major animal groups.

451. Mammalian Physiology. 3 hrs. The functions of mammalian systems; interrelationships and regulation are emphasized.

452. Environmental Physiology. 3 hrs. Physiological adaptations enabling animals to meet environmental challenges.

453. Invertebrate Physiology. 3 hrs. Prerequisite: 12 hours of biology. A functional approach to the major invertebrate phyla.

454L. Physiology Laboratory. 2 hrs. Experimental techniques in physiology. To be taken once only, as an optional laboratory with BSC 450, BSC 451, BSC 452, or BSC 453.

455. Animal Behavior. 3 hrs. Prerequisite: BSC 201. Classical and current concepts of animal behavior including individual and social behavioral patterns.
455L. Animal Behavior Laboratory. 1 hr. Corequisite: BSC 455. Experimental and observational techniques in behavior.

456L. Laboratory Techniques in Behavioral Neuroscience. 3 hrs. Prerequisite: Consent of instructor. Experimental techniques in neurophysiology, neuropharmacology, and behavioral research. (May be taken as PSY 427L)

458. Marine Ichthyology. 3 hrs. Prerequisite: 16 semester hours of biology including comparative anatomy or consent of instructor. Marine fishes including evolutionary relationships, morphology, physiology, and zoogeography. May be taken as MAR 408.

458L. Marine Ichthyology Lab. 3 hrs. Corequisite for BSC 458. May be taken as MAR 408L.

459. Marine Mammals. 3 hrs. 12 semester hours of biology including MAR 301 or Marine Ichthyology or permission of instructor. Natural history and population ecology of cetaceans. Will include life history, distribution, population dynamics, diet and feeding, social behavior, evolution and zoogeography. May be taken as MAR 423.

459L. Marine Mammals laboratory. 2 hrs. Corequisite for BSC 459. May be taken as MAR 423L.

459. Marine Mammals. 3 hrs. Prerequisite: 16 semester hours of biology including comparative anatomy or consent of instructor. Marine fishes including evolutionary relationships, morphology, physiology, and zoogeography. May be taken as MAR 408.

459L. Marine Ichthyology Lab. 3 hrs. Corequisite for BSC 458. May be taken as MAR 408L.

460. Pharmacology. 3 hrs. Prerequisites: Vertebrate biology and organic chemistry. The response of living organisms to drugs.

461. Histology. 4 hrs. Prerequisite: 12 hours of biology. Microscopic anatomy of mammalian organ systems.

461L. Histology Laboratory. Corequisite for BSC 461; no separate credit given for the laboratory.

462. Microtechnique. 1 hr. Techniques for sectioning, mounting, and staining tissue and making whole amounts.

462L. Microtechnique Laboratory. 2 hrs. Corequisite for BSC 462.

463L. Pathobiology Laboratory. 1 hr. Corequisite for BSC 463.

465. Embryology. 2 hrs. Prerequisite: Consent of instructor. Maturation, fertilization, cleavage, histogenesis, and organogenesis.

465L. Embryology Laboratory. 2 hrs. Corequisite for BSC 465.

466. Human Embryology. 3 hrs. Factors which activate or regulate developmental processes.

467. Diseases of Aquatic Animals. 2 hrs. Prerequisites: BSC 110, 111. Bacterial, fungal, viral and parasitic diseases of freshwater and marine fish, shellfish and crustacea.

467L. Diseases of Aquatic Animals Laboratory. 2 hrs. Corequisite for BSC 467.

468. Comparative Histology of Marine Organisms. 3 hrs. Histology of Marine organisms, including tissue processing techniques. (May be taken as MAR 430.)

468L. Comparative Histology of Marine Organisms Laboratory. 3 hrs. Corequisite for BSC 468. (May be taken as MAR 430L.)

469. Developmental Biology. 3 hrs. A comprehensive survey of the experimental, genetic, and molecular analysis of processes that occur during the development of complex organisms.

471L. Advanced Genetics Laboratory. 2 hrs. Corequisite for BSC 471. Laboratory exercises to illustrate basic genetic principles.

475. Medical Genetics. 3 hrs. The basic principles of human genetics with emphasis on the causation of abnormality and disease. Cannot be substituted for BSC 370.

476. Molecular Biology. 3 hrs. Prerequisite: BSC 370 or 477. Molecular biology of viral, prokaryotic and eukaryotic systems.

477. Microbial Genetics. 3 hrs. Prerequisite: BSC 370. The genetics and molecular biology of microorganisms and bacteriophages.

477L. Microbial Genetics Laboratory. 1 hr. Corequisite for BSC 477.

478. Molecular Biology Laboratory. 4 hrs. Prerequisite: BSC 476 or BSC 477, or permission of the instructor. The paradigms of molecular biology in a laboratory setting.

479. Applications of Biotechnology in Marine Biology. 3 hrs. Prerequisites: BSC 110, 111, 201, CHE 106, 107, 255, 256; CHE 420 or 421, 422 recommended or permission of instructor. Basic biochemical and molecular techniques used to conduct research in marine biology.

479L. Applications of Biotechnology in Marine Biology Laboratory. 3 hrs. Corequisite for BSC 479.

481. Pathogenic Microbiology. 3 hrs. Prerequisites: BSC 370, BSC 380, and BSC 476 or 477 or permission of instructor. The molecular mechanisms of microbial pathogenesis, emphasizing the major groups of disease-producing microorganisms.
481L. Pathogenic Microbiology Laboratory. 1 hr. Corequisite for BSC 481.

482. Advanced Pathogenic Microbiology. 2 hrs. Continuation of BSC 481.

482L. Advanced Pathogenic Microbiology Laboratory. 2 hrs. Corequisite for BSC 482.

484. Virology and Tissue Culture. 3 hrs. Viral classification, replication, and molecular biology.

484L. Virology and Tissue Culture Laboratory. 1 hr. Basic and applied tissue culture techniques.

485. Viral Pathogenesis and Diagnosis. 3 hrs. Host-viral interaction from a pathological and immunological viewpoint.

485L. Viral Pathogenesis and Diagnosis Laboratory. 1 hr. Corequisite for BSC 485. Principles of viral serology and isolation.

486. Immunology and Serology. 3 hrs. A study of the cellular, chemical, and genetic mechanisms of the immune response.

486L. Immunology and Serology Laboratory. 1 hr. A laboratory introduction to cellular and serologic immune reactions and their diagnostic usefulness.

487. Microbial Physiology. 3 hrs. A comprehensive survey of bacterial structure, nutrition, and biochemistry.

487L. Microbial Physiology Laboratory. 1 hr. Corequisite for BSC 487. Principles of viral serology and isolation.

488. Food Microbiology. 2 hrs. Microorganisms affiliated with the preparation, spoilage, pathogenicity, and sanitation of foods.

488L. Food Microbiology Laboratory. 2 hrs. Corequisite for BSC 488.

490. Marine Microbiology. 3 hrs. Prerequisite: General Microbiology. An introduction to the role of microorganisms in the overall ecology of the oceans and estuaries. (May be taken as MAR 409.)

490L. Marine Microbiology Laboratory. 2 hrs. Corequisite for BSC 490. (May be taken as MAR 409L.)

492. Special Problems I, II, III. 1-6 hrs. A course in library and/or laboratory research selected in consultation with the adviser. (Students undertaking a Senior Honors Project will enroll in BSC H492.)

495. Application of Basic Concepts for Secondary School. 3 hrs. Prerequisite: Admission to Teacher Education Program and permission of instructor. Techniques and methods in teaching biology integrating the implications of science, technology, and society.

495L. Application of Basic Concepts for Secondary School Laboratory. 2 hrs. Corequisite for BSC 495. Laboratory experiments and field experiences in secondary school biology teaching.

496. Undergraduate Seminar I, II, III. 1 hr. The presentation and discussions of current biological topics.

497. Senior Practicum. 1 hr. Prerequisite: Advanced senior standing and permission of instructor. Exercises and experiences to evaluate and develop or improve selected key professional skills. (All Biological Sciences majors must register for this course during their last academic year semester before graduation.)

BUSINESS ADMINISTRATION (BA)

(Enrollment in courses numbered 300 or above requires at least junior standing.)

100. Introduction to Business. 3 hrs. An introductory course to the major aspects of the business world. Not open to juniors and seniors enrolled in the College of Business Administration. (CC 1113)

200. The Legal Environment of Business. 3 hrs. The study of the legal, political, and regulatory environment in which businesses operate. (CC 2413)

300. Business Administration Junior Seminar. 1 hr. Prerequisite: Junior standing in Business Administration. Topic related to career planning as well as to student success and opportunities in the College of Business Administration.

301. Managerial Statistics I. 3 hrs. Prerequisites: MAT 102, MIS 201, and MIS 202. Basic concepts: central tendency and dispersion; probability; binomial, Poisson, and normal distributions; estimation; hypothesis testing; analysis of variance.

303. Regression Analysis. 1.5 hrs. Prerequisite: BA 301. Continuation of BA 301. The use of regression analysis for managerial decision making.

400. Business Administration Senior Seminar. 1.5 hrs. Prerequisite: Senior standing in Business. A study of one or more current business issues.

411. Advanced Business Law. 3 hrs. Prerequisite: BA 200. A study of selected legal topics relating to credit, financial, and accounting practices.

<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Credits</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>101</td>
<td>Keyboarding for Information Processing</td>
<td>3 hrs.</td>
<td>Development of basic keyboarding skills useful to a broad spectrum of individuals and disciplines. Designed to enhance the individual’s potential for efficient processing of both words and data on the computer.</td>
</tr>
<tr>
<td>102</td>
<td>Intermediate Typewriting and Introduction to Word Processing</td>
<td>3 hrs.</td>
<td>*See prerequisite below. Ability to type by touch. A thorough review of manipulative input devices with an emphasis on formatting. Letter styles, manuscripts, and tabulations are covered, utilizing industry-current software.</td>
</tr>
<tr>
<td>200</td>
<td>Introduction to Business Communication</td>
<td>3 hrs.</td>
<td>Basic mechanics of grammar usage and punctuation for business communications.</td>
</tr>
<tr>
<td>201</td>
<td>College Notetaking</td>
<td>3 hrs.</td>
<td>Theory principles; emphasis on fluency of reading and writing; some dictation and transcription. Laboratory included. (JC 1213)</td>
</tr>
<tr>
<td>202</td>
<td>Advanced Notetaking</td>
<td>3 hrs.</td>
<td>*See prerequisite below. Review of alphabetic or machine shorthand principles with emphasis on advanced recording techniques, pre- transcription factors, and transcription activities.</td>
</tr>
<tr>
<td>310</td>
<td>Advanced Word Processing</td>
<td>3 hrs.</td>
<td>*See prerequisite below. Advanced production and editing of documents with emphasis on speed and accuracy; completion of simulation projects using industry-current software.</td>
</tr>
<tr>
<td>452</td>
<td>History and Philosophy of Vocational Education</td>
<td>3 hrs.</td>
<td>History, concepts, office occupations, employment opportunities, procedures, and techniques.</td>
</tr>
<tr>
<td>453</td>
<td>Techniques of Coordination</td>
<td>3 hrs.</td>
<td>Techniques and procedures used in coordinating office occupations programs and distributive education programs.</td>
</tr>
<tr>
<td>455</td>
<td>Organization and Administration of Distributive Education</td>
<td>3 hrs.</td>
<td>Basic problems, objectives, and characteristics of DE programs as applied in their development.</td>
</tr>
<tr>
<td>461</td>
<td>Information Processing I</td>
<td>3 hrs.</td>
<td>Microcomputer knowledge and skill development via document production utilizing integrated software (word processing, database, chart/spreadsheet, communication), in conjunction with the Macintosh Operating System.</td>
</tr>
<tr>
<td>463</td>
<td>Information Processing II</td>
<td>3 hrs.</td>
<td>Microcomputer knowledge and skill development through the production of documents and business/technical presentations utilizing integrated and presentation software within the MS DOS or windows environment.</td>
</tr>
<tr>
<td>465</td>
<td>Microcomputer Applications in Business Technology Education</td>
<td>3 hrs.</td>
<td>Skill development in use of multiple software packages appropriate to teaching and managing technology education.</td>
</tr>
<tr>
<td>467</td>
<td>Desktop Publishing and Presentation Graphics</td>
<td>3 hrs.</td>
<td>Prerequisite: Any 3 hr. computer course or permission of instructor. Office based microcomputer production of typeface/graphics enhanced media, designed to be both pleasing in appearance and effective in communication.</td>
</tr>
<tr>
<td>469</td>
<td>Computer Based Instructional Technology</td>
<td>3 hrs.</td>
<td>Prerequisite: Any 3 hr. computer course or permission of instructor. Interactive instructional design and applications. Introduction to hypermedia tools, authoring systems, CAD software reviews/evaluations, and hands-on interactive module production.</td>
</tr>
<tr>
<td>475</td>
<td>Legal Secretaryship</td>
<td>3 hrs.</td>
<td>A course stressing the professional aspects of legal practices, procedures, and terminology.</td>
</tr>
<tr>
<td>477</td>
<td>Medical Transcription</td>
<td>3 hrs.</td>
<td>Emphasis on medical terminology, records, and forms, with limited transcription.</td>
</tr>
<tr>
<td>478</td>
<td>Advanced Medical Transcription</td>
<td>3 hrs.</td>
<td>Prerequisite: BED 477. Emphasis on additional medical terminology, with increased emphasis on transcription.</td>
</tr>
<tr>
<td>479</td>
<td>Review for the Certified Professional Secretary Examination</td>
<td>3 hrs.</td>
<td>Prerequisites: Typewriting skill. A course to prepare persons for the Certified Professional Secretary Examination. Not to be counted toward any degree at The University of Southern Mississippi.</td>
</tr>
<tr>
<td>480</td>
<td>Organizational Communication</td>
<td>3 hrs.</td>
<td>Prerequisites: ENG 101, 102, and junior standing. A study of communication in business organizations and the application of theory and methodology with emphasis on writing letters and reports.</td>
</tr>
<tr>
<td>492</td>
<td>Special Problems in Business Education</td>
<td>1-3 hrs.</td>
<td>Study approved and directed by the department chair. (Students undertaking a Senior Honor Project will enroll in BED H492.)</td>
</tr>
</tbody>
</table>
CHEMISTRY AND BIOCHEMISTRY (CHE)

100. Introductory Chemistry. 3 hrs. A preparatory course (for CHE 106) in chemical fundamentals; does not satisfy core requirements in any academic college.

104. Chemistry, Principles and Applications. 3 hrs. For nonscience majors. Emphasis on the impact of chemical discovery and technology on the individual and society. This course satisfies the Science Core Requirement except in the College of Science and Technology and the Schools of Nursing and Family and Consumer Sciences. Concurrent registration in CHE 104L is required.

104L. Chemistry, Principles and Applications Laboratory. 1 hr. A laboratory designed to accompany CHE 104. Concurrent registration in CHE 104 is required.

106. General Chemistry I. 3 hrs. Prerequisites: High school chemistry and a passing score on a placement exam (given first week of class) or a C or better in CHE 100. Molecular structure, stoichiometry, the mole concept, gases, types of solutions, energy-enthalpy. Concurrent registration in CHE 106L is required. (CC 1213, 1214, 1215)

106L. General Chemistry I Laboratory. 1 hr. A laboratory designed to accompany CHE 106. Concurrent registration in CHE 106 is required. (CC 1211)

107. General Chemistry II. 3 hrs. Prerequisites: CHE 106, 106L. Kinetics, equilibria, thermodynamics, electrochemistry, nuclear chemistry, coordination compounds. Concurrent registration in CHE 107L is required. (CC 1223, 1224, 1225)

107L. General Chemistry II Laboratory. 1 hr. A laboratory designed to accompany CHE 107. Concurrent registration in CHE 107 is required. (CC 1221)

251. Elementary Organic Chemistry. 3 hrs. Prerequisite: CHE 106, 106L. A course which includes nomenclature and reactions of aliphatic and aromatic hydrocarbons, acids, aldehydes, ketone, and amines, and stereochemistry. Concurrent registration in CHE 251L is required. (CC 2413, 2414)

251L. Elementary Organic Chemistry Laboratory. 1 hr. A laboratory designed to accompany CHE 251. Concurrent registration in CHE 251 is required. (CC 2411)

255. Organic Chemistry. 3 hrs. Prerequisite: CHE 107, 107L. Aliphatic compounds: nomenclature, reaction mechanisms, stereochemistry. Concurrent registration in CHE 255L is required. (CC 2423, 2424, 2425)

255L. Organic Chemistry Laboratory. 1 hr. A laboratory designed to accompany CHE 255. Concurrent registration in CHE 255 is required. (CC 2421, 2422)

256. Organic Chemistry. 3 hrs. Prerequisite: CHE 255, 255L. Aromatic compounds, acids, acid derivatives, aldehydes, ketones, amines, phenols, and spectroscopic analysis. Concurrent registration in CHE 256L is required. (CC 2433, 2434, 2435)

256L. Organic Chemistry Laboratory. 2 hrs. A laboratory designed to accompany CHE 256. Concurrent registration in CHE 256 is required. (CC 2431, 2432)

300. Chemical Safety. 3 hrs. Prerequisite: CHE 251, 251L or 256, 256L or permission of the instructor. Hazards of various commonly used chemicals. Includes 3 hours of laboratory per week.

311. Analytical Chemistry. 3 hrs. Prerequisite: CHE 107, 107L. Chemical equilibrium, gravimetric and volumetric analysis. Introductory instrumental analysis. Concurrent registration in CHE 311L is required.

311L. Analytical Chemistry Laboratory. 2 hrs. A laboratory designed to accompany CHE 311. Concurrent registration in CHE 311 is required.

331. Descriptive Inorganic Chemistry. 2 hrs. Prerequisites: CHE 256, 256L. Chemistry of the elements emphasizing the synthesis, structure, reactions and periodic trends of inorganic compounds.

400. Chemical Literature. 2 hrs. Prerequisite: CHE 256, 256L. The selection and use of the reference materials of chemistry (periodicals, journals, texts, patents, etc.), and the development of writing skills.

404. Spectral Elucidation of Structure. 3 hrs. Prerequisites: CHE 256, 256L and 311, 311L. Applications of vibrational, electronic, nuclear magnetic resonance, and mass spectrometry to structure determination.

409. Chemistry Laboratory Teaching. 1 hr. Prerequisite: Permission of instructor. Instruction and practice for teaching assistants in the academic chemistry laboratory.

410. Safety Principles and Procedures in the Chemical Sciences. 1 hr. Prerequisite: CHE 256, 256L or permission of instructor. Common laboratory hazards and their remediation. (May be taken as PSC 410.)
411. Instrumental Analysis. 3 hrs. Prerequisite: CHE 461, 461L. Pre- and co-requisite: CHE 462, 462L. Theory and practice of instrumental methods of analysis; absorption spectroscopy, chromatography, magnetic resonance, mass spectroscopy, electro-metric methods and fundamental electronics. Concurrent registration in CHE 411L is required.

411L. Instrumental Analysis Laboratory. 1 hr. A laboratory designed to accompany CHE 411. Concurrent registration in CHE 411 is required.

420. Principles of Biochemistry. 3 hrs. Prerequisite: CHE 251, 251L or equivalent. A one-semester course covering the fundamentals of biochemistry.

420L. Principles of Biochemistry Laboratory. 1 hr. A laboratory designed to accompany CHE 420. Concurrent registration in CHE 420 is required.

421. Biochemistry I. 3 hrs. Prerequisite: CHE 256, 256L. The properties of amino acids, proteins, carbohydrates, lipids, and nucleic acids; actions of enzymes and protein synthesis.

421L. Biochemistry I Laboratory. 2 hrs. An optional laboratory course to accompany CHE 421. Concurrent registration in CHE 421 is required.

422. Biochemistry II. 3 hrs. Prerequisite: CHE 421. Major metabolic pathways with emphasis on energy considerations and interrelationships of the pathways.

422L. Biochemistry II Laboratory. 2 hrs. Prerequisite: CHE 421L. A continuation of CHE 421L. Concurrent registration in CHE 422 is required.

423. Analytical Biochemistry. 3 hrs. Prerequisite: CHE 421. A survey of methods used by biochemists to detect and characterize biologically important molecules.

431. Inorganic Chemistry. 3 hrs. Prerequisite: CHE 461, 461L, 462, 462L. Electronic state transitions and spectra, coordination chemistry, reaction kinetics and mechanisms, special topics.

431L. Inorganic Chemistry Laboratory. 1 hr. A laboratory designed to accompany CHE 431. Concurrent registration in CHE 431 is required.

461. Physical Chemistry. 3 hrs. Prerequisites: CHE 256, 256L, 311, 311L; PHY 202 or 112, and MAT 168 or 178. Chemical thermodynamics. Concurrent registration in CHE 461L is required.

461L. Physical Chemistry Laboratory. 1 hr. A laboratory designed to accompany CHE 461. Concurrent registration in CHE 461 is required.

462. Physical Chemistry. 3 hrs. Prerequisites: CHE 256, 256L, 311, 311L; PHY 202 or 112; MAT 168 or 178. Kinetics and quantum chemistry. Concurrent registration in CHE 462L is required.

462L. Physical Chemistry Laboratory. 1 hr. A laboratory designed to accompany CHE 462. Concurrent registration in CHE 462 is required.

470. Survey of Toxicology. 3 hrs. Prerequisite: CHE 256. A one semester survey course in toxicology.

471. Teaching Chemistry in the Secondary School. 3 hrs. Prerequisites: CHE 256, 256L, 311, 311L. Application of chemical knowledge to designing, developing, and assessing instruction. Concurrent registration in CHE 471L is required.

471L. Laboratory for Teaching Chemistry in the Secondary School. 1 hr. A laboratory designed to accompany CHE 471. Concurrent registration in CHE 471 is required.

492. Special Projects. 1-3 hrs. Prerequisites: CHE 256, 256L and permission of instructor. Highly recommended: CHE 410. A special project performed under the direction of a faculty advisor and terminated by a formal written report. May be repeated once for credit. (Students undertaking a Senior Honors Project will enroll in CHE H492).

494. Industrial Internship in Chemistry. 3 hrs. Prerequisite: Permission of faculty. Structured experience in chemical industry. Includes final report. May be substituted for CHE 496.

496. Research. 1-3 hrs. Prerequisite: CHE 461, 461L, 462, 462L and permission of instructor. Highly recommended: CHE 410. A senior level research problem performed under the direction of a faculty advisor and terminated by a formal written report. May be repeated once for credit. (Students undertaking a Senior Honors Project will enroll in CHE H496.)

CHILD DEVELOPMENT (CD)

150. Child and Family in the Community. 3 hrs. Explores the influence of environmental, psychological, cultural, and societal factors on the growth and development of young children within the family.

350. Child Development. 2 hrs. Co-requisite: CD 350L. Designed to present theory, research, and practice concerning the physical, cognitive, emotional, and social development of children.
350L. Child Development Laboratory. 1 hr. Co-requisite: CD 350. A laboratory designed to develop an understanding of the development and behavior patterns of preschool children through observation of children in classroom settings.

352L. Behavior and Guidance of the Young Child Laboratory. 1 hr. Co-requisite: CD 352. A laboratory for the study of developmental behavior patterns and principles of guiding the behavior of young children.

359. Preschool Teachers’ Workshop I, II, III. 1 hr. For teachers, administrators, and educational leaders of early childhood centers with emphasis on administration, curriculum, and other appropriate subjects.

378. The Hospitalized Child. 3 hrs. Prerequisites: CD 350 and 350L. Overview of the role of the Child Life Specialist in working with children and their families in a hospitalized setting, with emphasis on both theory and practice.

450. Administration of Programs for Preschool Children. 3 hrs. Prerequisite: 3 hrs. in Child Development. Evaluation of policies and procedures, organizational structure, and management will be emphasized.

451. Infant Development. 2 hrs. Co-requisite: CD 451L. Emphasis is given to the development and behavior of the infant and toddler.

451L. Infant Development Laboratory. 1 hr. Co-requisite: CD 451. A laboratory for studying the growth, development, and behavior of infants and toddlers.

452L. Child Development Methods and Materials Laboratory. 1 hr. Co-requisites: CD 452. A laboratory for evaluating and selecting materials, developing teaching techniques, and planning programs for young children.

453L. Creativity in Young Children Laboratory. 1 hr. Co-requisite: CD 453. A laboratory for the study and application of developmentally appropriate creative activities for young children.

455. Supervised Participation. 6 hrs. Prerequisite: CD 452. Directed participation in programs for young children.

456. Internship in Child Life. 9 hrs. Prerequisites: CD 378, 452, 492. Understanding the operation of a child life program through a supervised work experience in a cooperating hospital.

492. Special Problems in Child Development. 1-4 hrs. Prerequisites: CD 350 and consent of instructor. (Students undertaking a Seniors Honors Project will enroll in CD H492.)

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.

498. Families of the Developmentally Disabled. 3 hrs. Interdisciplinary approach to the study of families of the developmentally disabled.

COMMUNITY HEALTH SCIENCES (CHS)

101. Personal Wellness. 3 hrs. An examination of the relationships of various lifestyle components to various levels of wellness. (CC 1213)

210. Introduction to Health Education. 3 hrs. A study of the health education profession, specialties, manpower, and philosophies.

301. Practicum in School Health. 1 hr. A course designed to relate theory to practical experience in a public school setting.

321. Community Health. 3 hrs. Introduction to community health practices, professional standards, policy and functioning of health agencies.

341. Safety. 3 hrs. Accident problems, safety programs, and methods of prevention.

408. Health Education Methods. 3 hrs. A survey of teaching methods that are appropriate for health education program delivery.

409. Community Health Education Planning. 3 hrs. Prerequisite: CHS 412. Diagnostic phases preceding program development, skills in planning, organization, and implementation of health education programs in the community.

410. School Health Education Planning. 3 hrs. Diagnostic phases preceding program development, skills in planning, organization, and implementation of school health education programs.

412. Measurement and Evaluation in Health Education. 3 hrs. A survey of evaluation instruments for appraising and interpreting health data.

414. Consumer Health. 3 hrs. Prerequisite: CHS 210 or permission of instructor. A survey of consumer problems related to health misconceptions, choosing health services, medical quackery, and advertising of health products.

415. School Health Program. 3 hrs. Prerequisites: CHS 410, 412. Organization and operation of school health programs with emphasis on instruction, environment and services.

420. Communicable and Chronic Disease in Man. 3 hrs. Prerequisites: CHS 101 or permission of instructor. Problems, control, and prevention of communicable and chronic disease in modern society.

421. Sanitation. 3 hrs. Prerequisites: CHS 210 or permission of instructor. Sanitation in the home and school, in food production, water supply, waste, and excreta disposal.

422. Drugs and the Whole Person. 3 hrs. Prerequisite: CHS 101 or permission of instructor. Psychosocial, medical, legal, and health aspects of drugs and their abuse.

425. Health Administration. 3 hrs. An introduction to health program administration including organization, financing, delivery systems, and manpower development.

427. Health Policy. 3 hrs. The role of the health professional in the development of public health policy, influencing social policy, and planning for social change.

431. Sexuality Education. 3 hrs. Prerequisites: CHS 210 or permission of instructor. Theory, methods, materials for planning, organizing, and implementing sexuality in school and community settings.

432. Introduction to Epidemiology. 3 hrs. Concepts and methods of epidemiology as applied to a variety of health related problems.

436. Stress Management Techniques. 3 hrs. Prerequisite: CHS 210 or permission of instructor. To acquaint students with educational programming related to stress management with specific techniques to manage stress.

437. Health Education in Clinical Settings. 3 hrs. Analysis of the role, methods, and technology of health education pertaining to health care clinics and patient education.

438. Workplace Health Promotion. 3 hrs. Study of health education theory and practice as applied to occupational health.

440. Introduction to Biostatistics. 3 hrs. Introduction to statistical analysis in health related fields. Application of descriptive and inferential statistics, measures in epidemiology and health services research.

460. Long Term Care Policy and Administration. 3 hrs. Introduction to Long Term Care Policy and Administration involving public and private programs and practice of health care for the elderly and special populations.

470. Health Law and Justice. 3 hrs. Prerequisite: CHS 425 or permission of instructor. An examination of social and legal principles impacting health care delivery in the U.S.

490. Special Topics. 1-3 hrs. A comprehensive study of a selected health science area in which students will evaluate current state of knowledge and apply theory and concepts to construct strategies within their own professional area.

492. Special Problems. 1-6 hrs. A student originated problem, research plan, and reporting of results, with guidance of a chosen adviser.

493. Practicum. 6 hrs. Prerequisite: CHS 437 or 438. Available to community health services majors only. Practical experience in the delivery of health education and administration programs.

494. Student Teaching in Health Education. 7 hrs. Supervised field-based internship in middle and secondary health education.

495. Student Teaching in Health Education. 7 hrs. Supervised field-based internship in middle and secondary health education.

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.

498. Families of Developmentally Disabled. 3 hrs. Interdisciplinary approach to the study of the developmentally disabled.
499. British Studies. 3-6 hrs. Involves variable topics. Lectures and supervised research in England. Offered exclusively through the USM Institute of Anglo-American Studies.

COMPUTER ENGINEERING TECHNOLOGY (CET)

240. Introduction to Digital Electronics. 3 hrs. Prerequisite: EET 111. Corequisites: CET 240L and EET 210. Theory and application of pulse and digital signals and the circuitry for their generation and conditioning. Introduces number systems, digital logic, and data encoding and processing methods and circuits.
240L. Digital Electronics Laboratory. 1 hr. Corequisite: CET 240.

301. Logic Circuit Design. 3 hrs. Prerequisite: CET 240. Corequisite: CET 301L. Introduces the basic tools for logic circuit design and analysis. Provides an understanding of common logic constructs, such as: multiplexers, demultiplexers, encoders, decoders, multivibrators, counters, registers, and memories.
301L. Logic Circuits Design Laboratory. 1 hr. Corequisite: CET 301.

302. Microprocessor Architecture and Applications. 3 hrs. Prerequisite: CET 240. Corequisite: CET 302. Introduction to the design and programming of microprocessor based circuits and systems, including the design and programming tools necessary to create stand-alone microprocessor systems. Comparison of different microprocessor architectures and applications.
302L. Microprocessor Laboratory. 1 hr. Corequisite: CET 302.

316L. Digital Communications Laboratory. 1 hr. Corequisite: CET 316.

323. Advanced Analytical Applications. 3 hrs. Prerequisite: MAT 137. Laplace transform methods for analog signals and systems; transfer functions; z-transform methods for discrete time signals and systems; frequency-domain methods; Fourier analysis.

324. Applied Discrete Transforms. 3 hrs. Prerequisite: CET 323. System transfer functions, system response analysis, digital filter design, state-space system representation.

370. Hardware Systems. 3 hrs. Corequisite: CET 370L. Design, analysis and implementation of digital logic systems with emphasis on circuit construction and verification. This course does not satisfy major requirements for Computer or Electronics Engineering Technology students.
370L. Hardware Systems Laboratory. 1 hr. Corequisite: CET 370.

371. Introduction to Microprocessor Controllers. 2 hrs. Prerequisites: CET 370. Corequisite: CET 371L. Introduction to the programming of microprocessor based circuits and systems, including the design and programming tools necessary to create stand-alone microprocessor architectures and applications. (Approval pending)
371L. Microprocessor Laboratory. 1 hr. Corequisite: CET 371. (Approval pending)

400. Senior Project I. 2 hrs. Prerequisite: Senior standing and approval of faculty adviser. (Students undertaking a Senior Honors Project will enroll in CET H400.)
401. Senior Project II. 2 hrs. Prerequisite: CET 400. (Students undertaking a Senior Honors Project will enroll in CET H401.)

420L. Embedded Microcomputer Design Laboratory. 1 hr. Corequisite: CET 420.

437. Microcomputer Design. 4 hrs. Advanced microcomputer architecture and operation.

471. Small Computer Systems. 3 hrs. Prerequisites: CET 301 and CET 302. Corequisite: CET 471L. Detailed examination of the interfaces to a small computer operating system and the development of software and hardware extensions. Emphasis is on preparing the student to develop commercial, plug-in applications for MS-DOS/Windows systems.
471L. Small Computer Systems Laboratory. 1 hr. Corequisite: CET 471.

472. Advanced Programmable Devices. 3 hrs. Prerequisites: CET 301. Corequisite: CET 472L. Synchronous logic design through the use of state machine models and other advanced design tools. Designs implemented and tested in VLSI programmable logic devices.
472L. Programmable Devices Laboratory. 1 hr. Corequisite: CET 472.

477. Introduction to Control Systems Technology. 3 hrs. Prerequisites: CET 323 and EET 312. Corequisite: CET 477L. Fundamental control system theory and applications; servomechanisms; process control; measurement and instrumentation.
477L. Control Systems Laboratory. 1 hr. Corequisite: CET 477.

478L. Digital Control Systems Laboratory. 1 hr. Corequisite: CET 478.

492. Special Problems. 1-4 hrs.

496. Industrial Internship. 6 hrs. A minimum of 400 total hours of internship under the direct supervision of industrial professionals in collaboration with USM faculty. (Approval pending)

COMPUTER SCIENCE (CSC)*

100. Introduction to Computing. 3 hrs. Personal computer concepts, uses of computers in society, introduction to software packages for word processing, data management, and spreadsheets. (CC 1113)

101L. Computer Science I Laboratory. 1 hr. Corequisite: CSC 101.

102. Computer Science II. 3 hrs. Prerequisite: CSC 101, 101L. Continuation of CSC 101 with emphasis on programming style and algorithm analysis.

203. Introduction to Computer Systems. 3 hrs. Prerequisite: CSC 102. Corequisite: CSC 203L. Computer systems and architecture, assembler language programming.

203L. Computer Systems Laboratory. 1 hr. Corequisite: CSC 203.

204. Introduction to Computer Organization. 3 hrs. Prerequisite: CSC 102. Corequisite: CSC 204L. Fundamentals of logic design, organization and structuring of computer hardware components, mechanics of information transfer and control within a digital computer system.

204L. Computer Organization Laboratory. 1 hr. Prerequisite: 203L. Corequisite: CSC 204.

300. Foundations of Computer Science. 3 hrs. Prerequisite: MAT 167. Introduction to finite and discrete structures, combinatorics and graphs, and algorithmic processes with applications in computers, languages, and programs.

305. Introduction to File Processing. 3 hrs. Prerequisite: CSC 102. Concepts of structuring data on bulk storage devices, applications of data structures and file processing techniques.

306L. Operating Systems and Computer Architecture Laboratory. 1 hr. Prerequisite: CSC 204L. Corequisite: CSC 306.

309. Computers and Society. 3 hrs. Ethical issues for technical professionals, social impact of professional and entrepreneurial activity, the social impact of computer technology.

317. Object Oriented Programming. 3 hrs. Prerequisites: CSC 203 and 307. Conceptual overview, characteristics of an object oriented language, objects, classes, arrays, operator overloading, inheritance, virtual functions, streams.

320. Introduction to Artificial Intelligence. 3 hrs. Prerequisite: MAT 103. Formulation of models, graphical solutions, simplex method, two-phase technique, duality, convexity, simultaneous linear equations, vector spaces.

408. Organization of Programming Languages. 3 hrs. Prerequisite: CSC 307. Runtime behavior of programs, formal specification and comparative analysis of programming languages, programming paradigms.

410L. Multi-processing Laboratory. 1 hr. Corequisite: CSC 410

413. Algorithms. 3 hrs. Prerequisites: CSC 307 and MAT 169 or MAT 179. Design and analysis of algorithms. Complexity theory.

414L. Software Design and Development Laboratory. 1 hr. Prerequisite: CSC 307. A laboratory designed to support CSC 414.

415. Theory of Programming Languages. 3 hrs. Prerequisite: CSC 408. Formal treatment of programming language translation and compiler design concepts.

421. Relational Data Base Management Systems. 3 hrs. Prerequisite: CSC 411. Theory of relational systems, comparison of relational and conventional systems, use of state-of-the-art relational systems such as ORACLE.

424. Software Engineering II. 3 hrs. Prerequisite: CSC 414. Programming languages and software design, modular/object oriented design, team programming, human factors, case studies.

435. Simulation and Modeling. 3 hrs. Prerequisites: CSS 211 or 415 and 240 or 330. Constructing models of discrete stochastic systems, systems dynamics. Use of a simulation package.

444. Robotic Systems: Theory, Development and Analysis. 3 hrs. Prerequisite: MAT 326. Robotic system development, direct kinematics, the arm equation, workspace analysis, trajectory planning and robotic programming methodologies.

485. Information Retrieval in the U.K.-Theory. 3 hrs. Prerequisites: High level programming language and permission of instructor. A study of British information processing systems.

486. Information Processing in the U.K.-Applications. 3 hrs. Prerequisites: CSC 485 and permission of instructor. Design of information processing systems.

492. Computer Science Problems I. 1-3 hrs. Prerequisite: Senior standing. Solution of problems germane to a select area of study.

493. Computer Science Problems II. 3 hrs. Solution of problems germane to a select area of study.

* A grade of C or better is required for all prerequisite courses listed in this section.

COMPUTER SCIENCE (CS)

(Offered Only at USM Gulf Coast)

301. Introduction to Programming. 3 hrs. Structured programming, stepwise refinement, introduction to the C programming language.

302. Advanced Computing Programming. 3 hrs. Prerequisites: CS 301 or equivalent. Structured Programming and an in-depth study of the C programming language.

307. Data Structures. 3 hrs. Prerequisite: CS 302. Data structures and algorithms for their manipulation. Lists and arrays; stacks, queues, linked lists, tree structures; elementary sorting and searching routines.

320. Introduction to Linear Programming Techniques. 3 hrs. Prerequisite: MAT 101. Formulation of models, graphical solutions, matrix operations, simplex method, two-phase technique, duality, convexity, simultaneous linear equations, vector spaces.

401. Object Oriented Programming. 3 hrs. Prerequisite: CS 307. Conceptual overview, characteristics of an object oriented language, objects, classes, arrays, operator overloading, inheritance, virtual functions, streams.

408. Programming Languages. 3 hrs. Prerequisite: CS 307. Formal study of programming languages, organization of programming languages, run-time behavior of programs, interpretative language, lexical analysis and parsing.

411. Relational Database Management Systems. 3 hrs. Prerequisite: CS 307. Introduction to RDBMSs. Includes database design using the entity relationship model, relational model theory, the relational algebra and the implementation of applications using SQL and a state-of-the-art relational system such as Oracle.

414. Software Engineering I. 3 hrs. Prerequisite: CS 307. Overview of software developments, project management, programming style, testing, debugging, and other topics.

421. Advanced Topics in Relational Database Management Systems. 3 hrs. Prerequisite: CS 411. A selection of advanced topics representing current trends in RDBMSs. Topics include, but are not restricted to, concurrency, backup and recovery, embedded database calls, distributed RDBMSs, and Object Oriented RDBMSs.

424. Software Engineering II. 3 hrs. Prerequisite: CS 414. Programming languages and software design, modular/object oriented design, team programming, human factors, case studies.

485. Information Retrieval in the U.K.-Theory. 3 hrs. Prerequisites: CSS 342 and permission of instructor. A study of British information processing systems.

486. Information Processing in the U.K.-Applications. 3 hrs. Prerequisites: CS 485 and permission of instructor. Design of information processing systems.

492. Computer Science Problems I. 3 hrs. Prerequisite: Senior standing. Solution of problems germane to a select area of study.

493. Computer Science Problems II. 3 hrs. Solution of problems germane to a selected area of study.

508. Programming Languages. 3 hrs. Prerequisite: CS 307. Formal study of programming languages, organization of programming languages, runtime behavior of programs, interpretative languages, lexical analysis, and parsing.

511. Relational Database Management Systems. 3 hrs. Prerequisite: CS 307. Introduction to RDBMSs. Includes database design using the entity relationship model, relational model theory, the relational algebra and the implementation of applications using SQL and a state-of-the-art relational system such as Oracle.

524. Software Engineering II. 3 hrs. Prerequisite: CS 414/514. Programming languages and software design, modular/object oriented design, team programming, human factors, case studies.

525. Computer Graphics. 3 hrs. Prerequisites: MAT 168 and CS 525. Hardware, software used in computer graphics; refresh, storage, and raster scan hardware; two-dimensional transformations, clipping, windowing, display files, and input devices.

526. Advanced Computer Architecture. 3 hrs. Prerequisites: CS 303, CET 370. Introduction to various architectures and techniques which have been developed or are proposed in the literature. Pipelined architecture, dynamic system architecture, data flow architecture, and array processing.

611. Artificial Neural Networks. 3 hrs. Prerequisite: CS 307. An in-depth study of the major neural network models. Emphasis is placed on architecture, implementation and applications. Students will use existing neural net software to design, implement, and test applications. Students will also test and implement a back propagation neural net.

616. Automata, Computability, and Formal Languages. 3 hrs. Prerequisite: CS 415 and formal models of computation, computability, complexity, and languages.

625. Artificial Intelligence. 3 hrs. Prerequisites: CS 412/512. Computer representation of knowledge, problem solving, automated deductive systems, computer learning, computer implementation of AI problems and expert systems.
636. Statistical Simulation and Modeling. 3 hrs. Prerequisites: CS 307 and CSS 515. Formulation of models and the design of simulation programs. Simulation languages such as GPSS, SIMSCRIPT II.5 and NDTRAN.

638. Information Structures. 3 hrs. Prerequisite: CS 307. Analysis of algorithms, recurrence relations, directed and undirected graphs, application of techniques to analysis of algorithms in graph theory, and sorting and searching.

640. Mathematical Programming I. 3 hrs. Prerequisites: CS 320 and MAT 326. Linear, non-linear, integer, and dynamic programming. Use of PERT-CPM in project scheduling.

650. Computer Networks. 3 hrs. Prerequisite: CS 406/506 or permission of instructor. An in-depth study of local area/metropolitan and local haul networks including their use, topology, design, and various network protocols.

690. Seminar in Computer Science. 1 hr.

691. Topics in Computer Science. 3 hrs. Special topics in Computer Science of current interest to faculty and students: e.g., Robotics, neural networks, and pattern recognition. May be repeated for credit at discretion of academic adviser.

695. Directed Study. 1-3 hrs. Individual study by a student on an area or problem approved by the student’s academic adviser.

697. Independent Study and Research. Hours arranged. Not to be counted as credit toward a degree. Students actively working on a Thesis, consulting with the major professor and/or using other resources of the University may enroll in this course for at least 3 hours each semester.

698. Thesis. 1-6 hrs. For a total of 6 hrs. Credit deferred until thesis is completed.

699. Project. 3 hrs.

COMPUTER SCIENCE AND STATISTICS (CSS)*

211. Statistical Methods I. 3 hrs. Prerequisite: MAT 101. Sampling and sampling distributions: normal and binomial, measures of central tendency and dispersion, hypothesis testing. (CC-BAD 2323)

212. Statistical Methods II. 3 hrs. Prerequisite: CSS 211. Hypothesis testing, correlation, regression analysis, analysis of variance and covariance.

220. Explorations in the Computer Science Classroom. 1 hr. Fifteen hours of secondary classroom observations.

240. FORTRAN Programming. 3 hrs. Techniques of programming using the FORTRAN 77 language. (CC 2323)

300. Introduction to Programming. 3 hrs. Structured programming, step-wise refinement, introduction to Pascal. Students may not apply both CSS 330 and CSC 101 toward a degree.

331. Visual Basic. 3 hrs. Prerequisite: CSC 101 or CSS 240 or CSS 330. Designing and writing VB program, object oriented design, event driven programming, object linking, embedding and prototyping, CAD and equipment interface.

334. Problem Solving Using C, II. 3 hrs. Prerequisite: CSS 333. Continuation of top-down design, integrated editor and debugger, elementary data structures, file processing, topics in graphics.

340. Advanced Computing Programming. 3 hrs. Prerequisite: CSS 330 or equivalent. Structured Programming and an in-depth study of Pascal. Students may not apply both CSS 334 and CSC 102 toward a degree.

342. Introduction to COBOL Programming. 3 hrs. Prerequisite: CSS 334 or CSC 102. Programming of problems using the COBOL language.

343. C Programming. 3 hrs. Prerequisite: CSS 350. Techniques of programming using the C language.

350. Data Structures. 3 hrs. Prerequisite: CSS 334. Data structures and algorithms for their manipulation. Lists and arrays; stacks, queues, dequeues, tree structures; elementary sorting and searching routines. Students may not apply both CSS 350 and CSC 102 toward a degree.

360. The Unix Operating System. 3 hrs. Prerequisite: CSC 102. History, operating system fundamentals, basics, file system, informational and text utilities, vi editor, Bourne shell programming, X windows, networking, awk and perl programming.
Course Descriptions 371

400. Introduction to Computer Education. 3 hrs. Introduction to concepts, techniques, materials, and resources for teaching problem-solving and programming relative to computer literacy. Research and presentations related to Computer Science Education.

400L. Introduction to Computer Education Laboratory. 1 hr. Prerequisite: CIS 313. Co-requisite: CSS 400. Twenty hours (minimum) of experiences in the secondary classroom and fifteen hours of seminar with a University coordinator.

402. Structured Basic Programming. 3 hrs. Prerequisite: CSS 400. Technical presentation of BASIC with scientific problem solving, algorithms and an introduction to data structures. Cannot count toward a degree in Computer Science.

403. Authoring Systems for Computer Based Learning. 3 hrs. Prerequisite: CSS 400. Developing computer based instructional modules utilizing the authoring system approach. Cannot count toward a degree in Computer Science.

404. Internet Concepts. 3 hrs. Prerequisite: basic computer literacy. Introduction to the Information Super Highway via the INTERNET. Does not satisfy core requirements in the College of Science and Technology.

405. Advanced Internet: CGI Programming. 3 hrs. Prerequisites: Knowledge of the INTERNET, basic HTML, some high level programming language. Basic review of WWW and HTML, forms and forms processing, CGI programming, Java programming, VRML, security, and privacy issues.

415. Methods of Mathematical Statistics I. 3 hrs. Prerequisite: MAT 168. Introduction to probability, random variables, mathematical expectation, sampling distributions, confidence intervals and hypothesis testing on single populations.

416. Methods of Mathematical Statistics II. 3 hrs. Prerequisite: CSS 415. Confidence intervals and hypothesis testing on two or more populations, analysis of variance models, regression analysis.

417. Experimental Design. 3 hrs. Prerequisite: CSS 416. Factorials, randomized blocks, Latin squares and split-plot, fractional factorials and confounding, response surface models.

418. Sampling Methods. 3 hrs. Prerequisite: CSS 415. The planning, execution, and evaluation of sample surveys. Simple random sampling, stratified random sampling, cluster sampling.

422. Information Systems. 3 hrs. Prerequisite: CSS 342. Methods of system analysis, data acquisition, file structures, terminal selection, use of flowcharts and decision tables.

490. Computer Science Seminar. 1 hr. Arr. Presentation of technical topics in the field.

*A grade of C or better is required for all prerequisite courses listed in this section.

CONSTRUCTION ENGINEERING TECHNOLOGY (BCT)

101. Construction Practices I. 2 hrs. Basic construction techniques, tools and equipment, and job planning analysis used in residential projects.

205. Surveying. 2 hrs. Prerequisite: MAT 103. Corequisite: BCT 205L. Theory and practice in use of instruments for measuring distances, angles, etc., as applied in architectural and construction projects.

205L. Surveying Laboratory. 1 hr. Corequisite: BCT 205.

235L. Building Systems I Laboratory. 1 hr. Corequisite BCT 235.

336L. Building Systems II Laboratory. 1 hr. Corequisite: BCT 336.

392. Special Problems. 1-3 hrs. Prerequisites: Junior standing and approval of faculty adviser.

400. Senior Project. 3 hrs. Prerequisite: CSS 400. Research and presentations related to Computer Science Education.
408L. Route Surveying Laboratory. 1 hr. Corequisite: BCT 408.

409. Boundary Surveying. 2 hrs. Prerequisite: BCT 205. Corequisite: BCT 409L. The application of knowledge of the science of surveying measurement, the legal principles of boundary location, the laws related to boundaries and land use, the land planning and development concepts pertinent to subdivision of land and property surveys.

409L. Boundary Surveying Laboratory. 1 hr. Corequisite: BCT 409.

444. Structural Design. 3 hrs. Prerequisite: ENT 340. Design of structural members and building structures using steel, wood, and concrete.

446. Hydraulics and Surface Drainage. 2 hrs. Prerequisite: BCT 444. Corequisite: BCT 446L. Hydraulic analysis and design of urban, highway, airport, and watershed drainage problems; discussion of overland and drainage channel flows; hydraulics of storm-drain systems and culverts; determination of design flow and runoff from highways, airports, and urban areas; design of drainage gutters, channels, sewer networks, and culverts.

446L. Hydraulics and Surface Drainage Laboratory. 1 hr. Corequisite: BCT 446.

454L. Estimating I Laboratory. 1 hr. Corequisite: BCT 454.

458. Construction Planning and Scheduling. 3 hrs. Prerequisite: BCT 336 and ENT 120. Corequisite: BCT 458L. Critical Path Method (CPM) as a project planning, scheduling, and monitoring technique.

458L. BCT Laboratory. 1 hr. Corequisite: BCT 458.

476. Construction Labor. 3 hrs. Prerequisite: Senior standing. A study of construction labor resources, labor history, and governmental labor regulations.

477. Construction Project Management. 3 hrs. Prerequisite: Senior standing. Duties and responsibilities of a construction manager. Services provided by CM firms.

478. Applications of Construction Law. 3 hrs. Prerequisite: Senior standing. Analysis of construction law. Legal problems, the bidding process, contract performance, the contract.

486. Project Controls. 2 hrs. Prerequisite: BCT 455. Corequisite: BCT 486L. The study of financial and document control of construction projects.

492. Special Problems. 1-3 hrs. Prerequisites: Senior standing and approval of faculty adviser.

COOPERATIVE EDUCATION (CED)

300. Cooperative Education Work Term. 0 hrs.

CRIMINAL JUSTICE (CJ)

200. Introduction to Criminal Justice. 3 hrs. An introduction to criminal law, criminological thought, and the operation of the criminal justice system. (CC-CRJ-1313)

330. Criminal Law. 3 hrs. A survey of applied substantive criminal law with emphasis on the most common criminal offenses.
331. Criminal Court Practice. 3 hrs. An in-depth study of the criminal case within the several courts of the state and federal systems.

341. Police Methods and Organization. 3 hrs. A survey of the organization and administration of the American police.

342. Criminal Investigation. 3 hrs. Prerequisite: CJ 330. An overview of the crime solving process with emphasis on methodology, corpus delecti, and evidence.

352. Introduction to Modern Corrections. 3 hrs. An overview of major correctional systems and methods of treatment of offenders.

360. Introduction to Juvenile Justice. 3 hrs. A survey of the common law roots of juvenile law, the unfolding of case law in American history, and the development of the juvenile court and juvenile corrections.

364. Child Abuse and the Law. 3 hrs. A study of child abuse and law emphasizing the protection of the child from prevention through prosecution and disposition of offenders.

371. Industrial Security. 3 hrs. A study of industrial and governmental needs for protective services as applied to property and personnel with emphasis on principles.

400. Criminal Justice Practicum. 3, 6, or 9 hrs. Prerequisites: Major in Criminal Justice with junior or senior standing and with permission of the chair. Field work offering research and practice in a criminal justice agency.

426. Comparative Criminal Justice Systems. 3 hrs. A study of foreign criminal justice systems emphasizing possible reforms for the American system.

430. Criminal Procedure. 3 hrs. A study of the procedural rules for the judicial enforcement of substantive criminal law.

431. Environmental Law. 3 hrs. A study of environmental law emphasizing regulation, enforcement, and detection of unlawful practices damaging to the environment.

440. Police in the United States. 3 hrs. An analysis of the organization and role of modern police agencies with emphasis on social, political, and economic impacts.

450. Administration of Criminal Corrections. 3 hrs. Prerequisite: CJ 352. An in-depth study of the administrative process in the correctional system.

451. Probation, Parole, and Community Corrections. 3 hrs. An examination of probation and parole systems and other alternatives to incarceration.

461. Juvenile Corrections. 3 hrs. An in-depth study of the various treatment modalities currently employed.

463. Family Law. 3 hrs. A study of common law and statutory concepts of family relationships emphasizing legal remedies to crime in the family.

464. Family Violence, Investigation and Deterrence. 3 hrs. Prerequisite: CJ 463 or consent of instructor. A study of child and spouse abuse within the family emphasizing detection, investigation and deterrence.

470. Political Economy of Criminal Justice. 3 hrs. An analysis of political and economic factors influencing the criminal justice system.

472. Organized Crime. 3 hrs. A course to familiarize students with the evolution, typology, and etiology of organized crime in the United States.

480. Seminar in Criminal Justice. 3 hrs. An interdisciplinary seminar covering significant problem areas in the criminal justice system. Repeatable as topics vary.

489. Caribbean Studies. 3 hrs. Variable content, lectures, field exercises, and research offered abroad under the auspices of the Center for International Education.
492. Special Problems. 1-3 hrs. Prerequisites: Major in criminal justice with senior standing and permission by the chair. Supervised research in a specific field. (Students undertaking a Seniors Honor Project will enroll in CJ H492.)

497. British Studies. 3-9 hrs.

CURRICULUM AND INSTRUCTION ELEMENTARY EDUCATION (CIE)

090. Developmental Reading. 3 hrs. Required of all entering freshmen with a sub-standard ACT English or Reading. Does not satisfy any University core or degree requirements.

099. Intermediate Reading. 3 hrs. Available for all entering freshmen with a sub-standard ACT English or Reading. Does not satisfy any University core or degree requirements.

100. Developmental Processes in Elementary Mathematics. 1-5 hrs. A review of the fundamentals of elementary arithmetic, algebra, and geometry for preservice elementary teachers. This course cannot be used for degree requirements.

102. Improvement of Study. 1 hr. An analysis of effective study techniques. Useful for college students who wish to improve their own reading and study habits. May be taken three times for credit. Does not satisfy any University core or degree requirements.

Enrollment in the following courses is restricted to students admitted to the Elementary Teacher Education Program or by special permission of the Department Chair.

301. Mathematics: Primary & Middle Grades. 3 hrs. Prerequisites: MAT 210. Corequisite: CIE 451. A course which utilizes modern strategies of psychology and methodology in elementary school mathematics on exploratory, structural, and mastery levels of learning.

305. Social Studies: Primary & Middle Grades. 3 hrs. Corequisite: 451. Emphasis is on the social science interdisciplinary approach for content and methodology, problem solving, unit teaching, and thinking.

306. Language and Cognitive Development in the Elementary School. 3 hrs. Corequisite: CIE 450. Emphasizes the methods and materials for teaching handwriting, creative writing, listening, speaking, and grammar in grades 1 through 8.

318. Literature for the Middle School. 3 hrs. A study of literature appropriate for use in grades 4 through 8 stressing effective use of literature in the school program.

403. Kindergarten—Primary Education. 3 hrs. A practicum designed to give teaching experiences in understanding the social, emotional, physical and cognitive growth and development of children.

425. Early Childhood Education. 3 hrs. A general methods course which examines materials and methods of teaching children in kindergarten through grade 3.

427. Evaluation in Early Childhood Education. 3 hrs. Emphasis is placed on evaluative techniques and principles relative to the physical, intellectual, emotional, and social development of young children.

431. Clinic: Senior Semester. 2 hrs. Prerequisite: CIE 450. Corequisites: CIE 301, CIE 305, CIR 412. Practica and clinic activities.

+ 480. Student Teaching I: Lower Grades. 7 hrs. Prerequisites: All courses required for major.

+ 481. Student Teaching II: Lower Grades. 7 hrs. Prerequisites: All courses required for major.
482. Student Teaching I. Upper Grades. 7 hrs. Prerequisites: All courses required for major.

483. Student Teaching II: Intermediate Grades. 7 hrs. Prerequisites: All courses required for major.

489. Seminar in Elementary Student Teaching. 6 hrs. Prerequisite: Permission of the Director of Student Teaching. Designed to meet the student teaching requirement for nonlicensed experienced teachers. This course deals with classroom management, programs of instruction, and student role in the educational environment.

491. The Reading Conference. 3 hrs. An intensive program consisting of lectures, group discussion, and demonstration lessons.

492. Special Problems. 1-9 hrs. Prerequisite: Permission of the department chair. Provides the opportunity to pursue a special topic or area of interest. (Students undertaking a Seniors Honor Project will enroll in CIE H492.)

493. Internship in the Elementary School. 1-9 hrs. Prerequisite: Permission of the department chair. Reserved for those students who are enrolled in the internship program.

494. Learning Resources in Early Childhood Education. 3 hrs. Prerequisite: Permission of the Director of Student Teaching. Designed to meet the student teaching requirement for nonlicensed experienced teachers. This course deals with classroom management, programs of instruction, and student role in the educational environment.

495. British Studies in Early Childhood Education. 3-6 hrs. Compares and contrasts the philosophies and current trends of American and British early childhood education.

496. Projects in Elementary Education I, II, III. 3 hrs. Designed for school systems planning local projects of curriculum revision and course of study construction.

497. Teacher Licensure Reinstatement. 3 hrs. Prerequisite: Permission of instructor. Educational reform and research correlates of effective teaching, schools, and administration. (Also offered as CIS 497.)

498. Families of the Developmentally Disabled. 3 hrs. Interdisciplinary approach to the study of families of the developmentally disabled.

499. British Studies in Education. 3-6 hrs.

CURRICULUM AND INSTRUCTION READING (CIR)

309. Literacy I: Theoretical Foundations. 3 hrs. Exposes emerging practitioners to a variety of theories that are the foundations of literacy development.

310. Research and Pedagogy in Content Area Literacy. 3 hrs. Prerequisite: USM Teacher Education Card. Engages emerging elementary and secondary practitioners in planning instruction which uses literacy as a tool for learning content area information.

317. Methods and Materials in Children’s Literature. 3 hrs. An introduction to children’s primary literature in all forms, and a study of ways in which it is integrated into the curriculum for enrichment.

407. Literacy II: Pedagogical Practices. 3 hrs. Prerequisite: CIR 309. Corequisite: CIR 412L. Relying on current theory and research, this course engages emerging practitioners in implementing a variety of approaches, methods, strategies, and activities for literacy development.

412. Literacy III: Assessment for Literacy Development Laboratory. 1 hr. Concurrent registration in CIR 412 is required. A laboratory designed to accompany CIR 412.

SECONDARY EDUCATION (CIS)

301. Practicum in Secondary Education. 1 hr. A course designed to relate the study of theory to practical experience in a public school setting. May be repeated twice.

313. Principles of Teaching High School. 3 hrs. This general methods course emphasizes the goals of secondary education, motivation and direction of learning, and school organization.

401. Dealing with Social Problems in the Classroom. 3 hrs. Managing class activities and instruction to deal with social problems which affect children and adolescents. (Telecourse)

470. Curriculum of the Secondary Schools. 2 hrs. A course which examines the present day structure and nature of the secondary school curriculum.
376 Course Descriptions

476. Professional Development Seminar. 1 hr. Prerequisite: Concurrent enrollment in student teaching. A study of individual and group practices, interpersonal relations skills, and professional activities which foster professionalism.

479. Seminar in Secondary Student Teaching. 6 hrs. Prerequisite: Permission of Director of Student Teaching. Designed to meet the student teaching requirements for non-certified experienced teachers. This course deals with classroom management, programs of instruction, and student role in the educational environment.

495. Seminar in Secondary Student Teaching. 6 hrs. Prerequisite: Permission of Director of Interns. Reserved for those students who are enrolled in the internship program.

497. Teacher Licensure Reinstatement. 3 hrs. Prerequisite: Permission of instructor. Educational reform and research correlates of effective teaching, schools, and administration. (Also offered as CIE 497.)

498. Families of the Developmentally Disabled. 3 hrs. Interdisciplinary approach to the study of families of the developmentally disabled.

499. Studies in British Education. 3-6 hrs.

DANCE (DAN)

105. Beginning Tap. 2 hrs. Developing an understanding and practice of movement skills basic to tap dance of America. May be repeated twice for a total of six hours. For non-majors.

106. Beginning Jazz. 2 hrs. The study and application of the basic skills of jazz dance. May be repeated twice for a total of six hours. For non-majors.

107. Dance Appreciation. 3 hrs. The discussion and practice of dance as a world-wide phenomenon in human behavior, its function in human society, with emphasis on the role of dance in present-day America.

150. Beginning Modern Dance. 2 hrs. Discussion and practice of movement patterns, improvisation, and studies in modern dance for the non-major. May be repeated twice for a total of six hours.

158. Modern Dance Techniques and Composition I. 2-3 hrs. Discussion and practice of movement skills and studies in modern dance for the major. May be repeated for a total of six hours. Open to non-majors with consent of instructor.

200. Beginning Ballet. 2 hrs. Discussion and practice of movements in ballet for the non-major. May be repeated twice for a total of six hours.

202. Ballet Technique I. 2 hrs. Discussion and practice of ballet skills for the dance major. May be repeated for a total of eight hours. Open to non-majors with consent of instructor.

203. Dance Improvisation. 2 hrs. Spontaneous and simultaneous exploring, creating, and performing movement of the moment. Open to non-majors with consent of instructor.

240. Music Analysis and Accompaniment for Dance. 3 hrs. A basic analysis of music in terms of its function and structure as it applies to movement, and the study and practical application of dance accompaniment. Open to non-majors with consent of instructor.

250. Modern Dance Technique and Survey II. 2 hrs. May be repeated for a total of eight hours. A survey of modern dance techniques from past to present forms. A continuation of DAN 158. Open to non-majors with consent of instructor.

300L. Choreographic Workshop. 1-6 hrs. Participation in creative dance and performance activities. By audition.

350. Tap Dance. 2 hrs. Study of the various styles of tap including rhythm, jazz, and ballet forms. May be repeated twice for a total of six hours. Open to non-majors with consent of instructor.

352. Ballet Technique II. 2 hrs. Continuation and further enrichment of the technique of ballet at the intermediate level for the dance major. Open to non-majors with consent of instructor.

354. Dance Production. 1 hr. Developing an awareness and application of production skill. May be repeated up to five times. Open to non-majors with consent of instructor.

355. Dance Technique and Theory III. 2 hrs. May be repeated for a total of eight hours. The study and development of modern dance techniques and applied theories. A continuation of DAN 258. Open to non-majors with consent of instructor.

359. Advanced Dance Composition. 3 hrs. Methods and approaches used in making dances.

362. Labanotation I. 3 hrs. Introduction to elementary Labanotation, a system of recording movement. Open to non-majors with consent of instructor.
363. Labanotation II. 3 hrs. Continuation of DAN 362.

370. Choreographic Research. 2 hrs. Choreographic approaches for development toward the Senior Choreographic Research Project.

370L. Performance Production Laboratory for Choreographic Research. 1-6 hrs. May be repeated up to 12 hrs. Participation in performance and production of a choreographic presentation. May be repeated for a total of 12 hours. By audition.

400L. Dance Theatre Laboratory. 1-2 hrs. Studio sessions in special aspects of dance theatre (partnering, point work, classical repertory). By audition.

452. Ballet Technique III. 2 hrs. Continuation and further enrichment of the technique of ballet for the dance major. May be repeated for a total of eight hours. A continuation of DAN 352. Open to non-majors with consent of instructor.

453. Advanced Jazz Dance. 2 hrs. The study and application of the principles of jazz movement. May be repeated for a total of six hours. Open to non-majors with consent of instructor.

455. Dance Repertory. 1 hr. May be repeated for a total of 8 hours. The study and practice of selected choreographic works for performance. By audition.

458. Dance Technique and Analysis IV. 2 hrs. May be repeated for a total of eight hours. Advanced Modern Dance technique and applied analysis of movement. A continuation of DAN 358. Open to non-majors with consent of instructor.

462. Dance History I. 3 hrs. The history of the development of dance forms and their social, cultural, and political significance from lineage-based societies through the end of the nineteenth century. Open to non-majors with consent of instructor.

463. Dance History II. 3 hrs. The history of the development of twentieth century dance forms and the artistic and societal frameworks in which they evolved. Open to non-majors with consent of instructor.

465. Music Resources for Dance. 3 hrs. The study and practice of the principles of music and how those principles relate to movement. Open to non-majors with consent of instructor.

468. Musical Theatre Dance. 2 hrs.

470. Choreographic Research Project. 3 hrs. A choreographic and written project of an original dance work.

470L. Performance Production Laboratory for Choreographic and Project Research. 1-6 hrs. Participation in the Performance and Production research Project of a Senior Choreographic Research Project. May be repeated for a total of 12 hours. By audition.

471. Performance Internship. 1-9 hrs.

487L. Practicum in Movement. 1-3 hrs. May be taken for a total of 9 hours. Practices and projects in Dance Theory, Performance, and/or Choreography for the undergraduate student. Open to non-majors with consent of instructor.

492. Special Problems. 1-3 hrs. May be taken for a total of 9 hours. (Students undertaking a Senior Honors Project will enroll in DAN H492.) Open to non-majors with consent of instructor.

DANCE EDUCATION (DED)

264. Field Observations in Dance. 1 hr. An introduction to dance education as a profession; field experience and research provided.

364. Practicum in Dance Education. 3 hrs. A course designed to give the student class room opportunities in both elementary and secondary dance classes.

467. Student Teaching in Elementary Dance. 7 hrs. Student practice teaching in elementary dance education.

ECONOMICS (ECO)

(Enrollment in courses numbered 300 or above requires at least junior standing.)

201. Principles of Economics I. 3 hrs. A study of a nation’s economy. Topics include inflation, unemployment, gross domestic product, business cycles, and international influences. (CC 2113)

202. Principles of Economics II. 3 hrs. A study of market systems. Topics include supply and demand, the behavior of firms and households in different market structures, government intervention in markets, barriers to trade, and foreign exchange markets. (CC 2123)

330. Money and Public Policy. 3 hrs. Prerequisites: ECO 201 and 202. A study of the nature and functions of money, financial institutions, monetary theory, and the political, social, and international context in which economic policy is formulated.

345. Intermediate Macroeconomic Theory. 3 hrs. Prerequisites: ECO 201 and 202. An intermediate study of the determination of aggregate income and employment.

401. Public Finance. 3 hrs. Prerequisites: ECO 201 and 202. A study of federal and state spending and fund-raising policies within the context of the social goals of the society.

436. Survey of International Economics. 3 hrs. Prerequisites: ECO 336. An intermediate study of international trade theory and international monetary theory. The pure theory of trade and comparative advantage, economic integration, international resource movements, foreign exchange markets, balance of payments adjustment mechanisms, and international monetary systems.

440. Economic Development. 3 hrs. Prerequisites: ECO 201 and 202. Emphasis on the economic tools for economic development with particular attention to regional growth and change. Case studies include a number of countries and successful examples of regional, corporate, and local development.

450. Introduction to Econometric Methods. 3 hrs. Prerequisites: BA 303. Specification, estimation, and interpretation of econometric models.

470. Comparative Economic Systems. 3 hrs. Prerequisites: ECO 201 and 202. A course designed to acquaint the student with the origins, development, and characteristics of fascism, socialism, and capitalism.

492. Special Problems in Economics. 1-6 hrs. Prerequisite: Consent of Chair. Individual study on an approved topic in Economics. (Students undertaking a Senior Honors Project will enroll in ECO 492.)

498. International Economics Seminar Abroad. 3 hrs. Prerequisite: Consent of Program Director. Conducted in various locations abroad: a series of lectures and discussions involving authorities on international economic issues and practices.

499. International Economics Research Abroad. 3 hrs. Prerequisite: Consent of Program Director. A research course in international economics offered for students enrolled in ECO 498.

ELECTRONICS ENGINEERING TECHNOLOGY (EET)

110L. Electric Circuits Laboratory. 1 hr. Corequisite: EET 110.

111. Analysis of Alternating Current (AC) Circuits. 3 hrs. Prerequisite: EET 110. Corequisites: MAT 103 and EET 111L. Impedance and phasor concepts. Use of AC circuit analysis theorems and techniques.

111L. AC Analysis Laboratory. 1 hr. Corequisite: EET 111.

120. Electronic Graphics. 1 hr. Corequisite: EET 120L. Computer-aided drafting principles for orthographic projections; schematics, wiring diagrams, and symbols.

120L. Electronics Graphics Laboratory. 1 hr. Corequisite: EET 120.

200. Electronics Assembly and Fabrication Practices. 1 hr. Prerequisite: EET 120. Corequisite: EET 200L. Laboratory and shop practice; safety; soldering and assembly; computer-aided printed circuit board (PCB) design; PCB fabrication.

200L. Assembly and Fabrication Laboratory. 1 hr. Corequisite: EET 200.

210. Electronic Devices and Circuits. 3 hrs. Prerequisite: EET 111. Corequisites: EET 210L and PHY 111. Theory and application of solid state devices; diodes, junction and field-effect transistors, IC fabrication; small signal BJT amplifiers.

210L. Devices and Circuits I Laboratory. 1 hr. Corequisite: EET 210.

230L. Electronic Instrumentation Laboratory. 1 hr. Corequisite: EET 230.
301. Intermediate Network Analysis and Design. 3 hrs. Prerequisites: EET 111 or equivalent and junior standing. Corequisite: MAT 136. Develop additional skills in the time/frequency domain; network analysis.
311L. Applications of Semiconductor Devices I Laboratory. 1 hr. Corequisite: EET 311.
312. Linear Integrated Circuits. 3 hrs. Prerequisites: EET 311 and PHY 111. Corequisite: EET 312L. OPAMPS, power amplifiers, voltage regulators, special devices.
312L. Linear Integrated Circuits Laboratory. 1 hr. Corequisite: EET 312. Laboratory applications of linear devices and circuits.
315. Design of High-Frequency and Communications Circuits. 3 hrs. Prerequisites: EET 311, MAT 136, and PHY 112. Corequisite: EET 315L. R amplifiers and oscillators; signal spectra; noise; modulation; demodulation; phase-locked loops.
315L. Hi-Frequency Communications Laboratory. 1 hr. Corequisite: EET 315.
323. Advanced Analytical Methods. 3 hrs. Prerequisites: MAT 137. Laplace transform methods for analog signals and systems; transfer functions; z-transform methods for discrete time signals and systems; frequency-domain methods.
342L. Electrical Machinery Laboratory. Corequisite: EET 342. 1 hr.
392. Special Problems. 1-3 hrs.
400. Senior Project. 2 hrs. Prerequisite: Senior standing and approval of faculty adviser. Project should be in area of student’s specialization. (Students undertaking a Seniors Honor Project will enroll in EET H400.)
401. Senior Project. 2 hrs. Prerequisite: EET 400. (Students undertaking a Seniors Honors Project will enroll in EET H401.)
412L. Advanced Circuit Analysis Laboratory. 1 hr. Corequisite: EET 412.
450. Microwave Technology. 3 hrs. Prerequisites: EET 315, MAT 137, PHY 112. Corequisites: EET 450L. Introduction to microwave technology with special emphasis on microwave communications systems and radar; microwave components and circuits; measurement techniques; fault isolation.
450L. Microwave Laboratory. 1 hr. Corequisite: EET 450.
477. Introduction to Control Systems Technology. 3 hrs. Prerequisites: EET 323 and EET 312. Corequisite: EET 477L. Fundamental control system theory and applications; servomechanisms; process control; measurement and instrumentation.
477L. Control Systems Laboratory. 1 hr. Corequisite: EET 477.
492. Special Problems. 1-3 hrs. Prerequisite: Senior standing and approval of faculty adviser. Supervised study in areas not covered by available courses.

ENGINEERING TECHNOLOGY (ENT)
100. Engineering Graphics. 3 hrs. The basics of engineering drawing: tools and equipment, geometric construction, sketching, projections, dimensioning, and tolerances. Introduction to computer-aided drafting and design (CADD).
110. Descriptive Geometry. 3 hrs. Prerequisite: ENT 100. Parametric solid modeling; study of objects using computers.
120. Computational Methods in Engineering Technology. 3 hrs. Applications of software used in technology disciplines, mathematics, and physics.
260. Vector Statics. 3 hrs. Prerequisites: MAT 101 and MAT 103. Forces in 2 and 3 dimensions, equilibrium, structures, friction. Vector notation.
320. Computer-Aided Drafting and Design I. 3 hrs. Prerequisite: ENT 120. Commercial CADD systems; hardware and software, graphics programming in two- and three- dimensions.
340L. Strength of Materials Laboratory, 1 hr. Corequisite: ENT 340.

360. Mechanics of Materials, 3 hrs. Prerequisites: CSS 240, MAT 168, and PHY 201. Stresses and strains; deformations; axial, torsional, bending and combined loading; thermal stresses; FORTRAN programs.

360L. Mechanics of Materials Laboratory, 1 hr. Concurrent registration in ENT 360 is required.

400. Senior Project, 3 hrs. Prerequisite: Senior standing and approval of faculty adviser. Student required to select performance problem and develop and evaluate training intervention which addresses the problem or need.

420. Computer Aided Drafting and Design II, 3 hrs. Prerequisite: ENT 320. CADD applied to architectural and engineering drawing using AUTOCAD.

430. Solar Heating and Cooling, 3 hrs. Prerequisite: ENT 320. Solar energy conversion methods; collectors; residential, commercial heating and cooling, and the economics of solar energy.

430L. Solar Heating and Cooling Laboratory, 1 hr.

440. Workforce Development Models, 3 hrs. Application of different instructional models to design workforce training of facts, concepts, procedures and processes.

443. Strategies for Technology Training, 3 hrs. Mastery of core competencies to develop and deliver technology training.

444. Fire Safety, 3 hrs. Codes and technology used in fire prevention, detection, protection, and suppression.

460. Performance Technology I, 3 hrs. Examines foundations, process models, interventions, and professional practice issues for improving workforce productivity and competence.

465. Performance Technology II, 3 hrs. Prerequisite: ENT 460. Investigation of innovative techniques to deliver training and performance interventions.

470L. Electronics for Scientists Laboratory, 1 hr. Corequisite: ENT 470.

475. Workforce Analysis, 3 hrs. Prerequisite: ENT 460. Applied research methods and tools for the training professional to analyze and evaluate the worker, work processes, and the organization.

492. Special Problems, 1-6 hrs. Topics in Engineering Technology I.

493. Special Problems, 1-3 hrs. Topics in Engineering Technology II.

496. Industrial Internship, 6 hrs. A minimum of 400 total hours of internship under the direct supervision of industrial professionals in collaboration with USM faculty.

ENGLISH (ENG)

090. Developmental Writing, 3 hrs. Develops basic writing skills. (Open only to students in Developmental Education Program)

099. Introduction to Composition, 3 hrs. Required of entering freshmen with a below minimum English score on the ACT. Does not satisfy any University core or degree requirement.

100. Basic Composition, 3 hrs. (May not count toward a major, minor, or core.) Stresses grammar, mechanics, usage, and other basic writing skills.

101. Composition One, 3 hrs. Stresses clear, effective writing with special attention to syntactical and organizational skills. (CC 1113, 1213)

102. Composition Two, 3 hrs. Prerequisite: English 101. Refines compositional skills and stresses additional rhetorical and research methods. (CC 1123, 1223)

200. Introduction to Drama, 3 hrs. Focuses on drama of the western world.

201. Introduction to Fiction, 3 hrs. Focuses on the various types and modes of fiction, both short stories and novels.

203. World Literature, 3 hrs. Acquaints students with significant figures and works of world literature. (CC 2413, 2423, 2453)

206. The Study of Language, 3 hrs. Introduction to issues relevant to the understanding of language theory and use.
221. Fiction Writing I. 3 hrs. Introduction to fiction writing.

222. Poetry Writing I. 3 hrs. Introduction to poetry writing.

300. Vocabulary Development. 3 hrs. (May not count toward major, but with permission of the English Department adviser may count toward the minor.) Stresses the improvement of vocabulary.

301. English Grammar. 3 hrs. A comparative study of traditional and structural grammars, with attention to usage and rhetorical uses of grammar.

311. Survey of Contemporary Literature. 3 hrs. Surveys major contemporary writers and their influences. (Required for secondary or middle grade certification.)

319. Literary Study of the Bible. 3 hrs. Examines the literary structure, style, and content of the English Bible.

321. Fiction Writing II. 3 hrs. Prerequisite: ENG 221. Stresses the techniques of short fiction writing.

322. Poetry Writing II. 3 hrs. Prerequisite: ENG 222. Stresses the techniques of poetry writing.

332. Advanced Composition. 3 hrs. Prerequisite: ENG 101 and ENG 102. Junior standing recommended. Emphasizes writing, research, and documentation skills needed for professional papers.

333. Technical Writing. 3 hrs. Prerequisite: English 101, 102 and junior standing or twelve hours in student’s major field. Stresses report writing in student’s major field.

340. Analysis of Literature. 3 hrs. Introduces the discipline of literary criticism. Prerequisites: ENG 101, 102, 203.

350. Survey of British Literature I. 3 hrs. Surveys major British literature from the Old English period to the Romantic period.

351. Survey of British Literature II. 3 hrs. Surveys major British literature from Romantic period to the present.

370. Survey of American Literature I. 3 hrs. Surveys American literature from its beginnings to the Civil War.

371. Survey of American Literature II. 3 hrs. Surveys American literature from the Civil War to the present.

400. Senior Seminar. Prerequisite: Senior standing. Explores various literary topics in a seminar setting. Repeatable to six hours.

401. Advanced Grammar. 3 hrs. Introduces structural and transformational grammar.

403. Language Study for Teachers. 3 hrs. The study of language and language theories with pedagogical applications.

406. History of the English Language. 3 hrs. Surveys the development of the English language from Old English to the present.

413. Survey of The Modern Novel. 3 hrs. Examines major British and Continental novels of the last hundred years.

415. Survey of Modern Poetry. 3 hrs. This course will acquaint students with the work of the significant modern poets, as well as the modern period’s important poetic innovations and movements.

417. Survey of Modern Drama. 3 hrs. Surveys important British and Continental dramas of the twentieth century.

418. Literature for the Adolescent. 3 hrs. Study of literature and pedagogical theory for use with secondary school students.

419. Studies in World Literature. 3 hrs. Focuses on Continental, British, and American writers of the nineteenth and the twentieth centuries. Repeatable to nine hours.

421. Fiction Writing III. 3 hrs. Prerequisites: English 221 and 321. Provides an opportunity to develop techniques of fiction writing. Repeatable to nine hours.

422. Poetry Writing III. 3 hrs. Prerequisites: English 222 and 322. Provides an opportunity to develop techniques of poetry writing. Repeatable to nine hours.

423. Creative Non-fiction Writing. 3 hrs. Workshop in writing non-fiction prose: personal essay, reviews, opinion.

425. Readings in the Theory of Fiction. 3 hrs. Emphasizes theories and forms of contemporary fiction. Repeatable to six hours.

426. Readings in the Theory of Poetry. 3 hrs. Emphasizes theories and forms of contemporary poetry. Repeatable to six hours.

433. Advanced Technical Writing. 3 hrs. Advanced course in technical writing in which students prepare three or four major assignments related to a single research problem.

440. Literary Criticism. 3 hrs. Provides a historical approach to the study of literary criticism from the classical period to the present. Emphasis will be on major texts and critics.
450. Survey of Medieval Literature, 500-1500. 3 hrs. Surveys world literature of the period.

452. Arthurian Literature. 3 hrs. Surveys the literature treating the legend of King Arthur.

454. Survey of Shakespeare. 3 hrs. Studies a selected group of Shakespeare's work, including plays of several genres.

455. Studies in Shakespeare. 3 hrs. Studies a selected group of Shakespeare's work according to genre, theme, or special topic.

456. Survey of Sixteenth-Century English Literature. 3 hrs. Surveys the more important English writers of this period.

457. Survey of the Development of British Drama to 1642. 3 hrs. Surveys English drama from its beginnings to 1642, exclusive of Shakespeare.

458. Survey of Seventeenth-Century British Prose and Poetry. 3 hrs. Surveys the period 1600-1660, with emphasis on the "schools" of Donne and Jonson.

459. Milton. 3 hrs. Focuses on the poetry and prose of Milton, with emphasis on the major works.

460. Survey of British Literature, 1660-1740. 3 hrs. Surveys British literature from the Restoration to 1740.

462. Survey of British Literature, 1740-1798. 3 hrs. Surveys British literature from 1740 to 1798.

463. Victorian Fiction and Prose. 3 hrs. Surveys British fiction and non-fiction prose in the period 1850-1900.

464. Survey of the British Novel to 1900. 3 hrs. Surveys the development of British fiction from Richardson through Hardy.

466. Victorian Poetry and Drama. 3 hrs. Surveys British poetry and drama of the period 1830 to 1900.

467. Survey of Twentieth-Century British Literature. 3 hrs. Surveys major twentieth-century British writers, emphasizing novelists and dramatists.

468. British Women Writers. 3 hrs. Emphasizes literature written by British women writers. Variable content.

469. Studies in British Literature. 3 hrs. Examines various topics in British Literature. Repeatable to nine hours.

470. Survey of American Literature, 1820-1870. 3 hrs. Examines the writings of Emerson, Thoreau, Hawthorne, Melville, Whitman, and others.

471. Survey of the Rise of Realism in American Literature, 1870-1920. 3 hrs. Examines American literature after the Civil War, focusing on realism and naturalism.

472. Survey of American Drama. 3 hrs. Surveys American drama from its beginnings to the present, with emphasis on the twentieth century.

473. Studies in African-American Literature. 3 hrs. Focuses on specific genres, topics, or writers of African-American Literature.

476. Survey of Literature of the South. 3 hrs. Emphasizes the fiction, poetry, and drama of twentieth-century Southern writers.

477. Studies in American Literature. 3 hrs. Focuses on notable movements, genres, and problems of American literature. Repeatable to nine hours.

478. Reading/Writing Theory and Application. 3 hrs. Focuses on reading/writing theory and applications for teacher-licensure students. Course includes a computer component.

481. Special Problems. 1-3 hrs. Prerequisite: Consent of instructor. Provides the opportunity to pursue a special topic or area of interest (Students undertaking a Senior Honors Project will enroll in ENG 492.). Repeatable to 9 hrs.

482. Irish Studies. 4 hrs. A three-week course taught in Ireland as part of the USM British Studies Program. Content will vary.

483. Practice Teaching in English I. 7 hrs.

484. Practice Teaching in English II. 7 hrs.
496. Caribbean Studies. 3-6 hrs. Variable content. Lecture series under the auspices of the Center for International Education.

497. Special Topics in British Studies. 6 hrs. In-depth study in selected topics in British literature. Part of the USM British Studies Program.

ENVIRONMENTAL SCIENCE (ESC)

250. OSHA Industrial Safety. 3 hrs. Comprehensive study of OSHA regulations for industrial site safety and implementation methods for compliance.

301. Living in the Environment. 3 hrs. Physical, biological, social, political, and economic problems associated with current environmental issues.

302. Environmental Improvement Project. 3 hrs. Prerequisite: ESC 301. Performing an actual environmental improvement project.

330. Principles of Environmental Health. 3 hrs. Environmental factors relating to transmission of communicable disease, chemical, and physical hazards to man.

401. Environmental Sampling. 4 hrs. Prerequisite: CHE 104 and ESC 301. Methods for sampling solids, liquids, and gases for environmental testing.

406. Environmental Remediation. 3 hr. Prerequisite: CHE 104. A study of the environmental remediation process and methods for contaminated soils, sludges, sludges, and water systems.

431. Environmental Safety. 2 hrs. Detection and control of harmful agents in working environments, such as vapors, gases, mists, radiation, and sound.

450. Pollution Control. 3 hrs. Prerequisite: CHE 104. Study of pollution, its origins and effects, and methods of pollution abatement. Emphasis on control mechanisms, industrial control equipment, and operations.

FAMILY AND CONSUMER SCIENCES EDUCATION (FCS)

201. Introduction to Family and Consumer Sciences. 1 hrs. Prerequisite: Sophomore standing. Development of knowledge and skills needed by the professional in family and consumer sciences.

301. Communication Skills for Professionals. 3 hrs. Prerequisite: Completion of basic Core (FCS) or Junior standing (HEIB). Planning and organizing the family and consumer sciences curriculum; use of various instructional strategies; managing the learning environment. Includes at least 15 hours of practical experience.

401. Family Life Education. 3 hrs. Prerequisite: 3 hrs. in Family Studies. General philosophy and broad principles of family life education with emphasis on planning, implementing, and evaluating such educational programs.

404. Consumer Economics. 3 hrs. Study of how consumers, business, and government interact in the exchange of goods and services in the marketplace.

409. Occupational Family and Consumer Sciences. 3 hrs. Developing and evaluating teaching units for family and consumer sciences-related occupational programs.

412. Supervised Field Experience in Family and Consumer Sciences Related Occupations. 6 hrs. Preparation for Mississippi Certification in Occupational Family and Consumer Sciences; supervised work experience is required.

490. Student Teaching in Junior or Middle School Family and Consumer Sciences. 7 hrs. Prerequisite: FCS 301 with grade no lower than B and permission of instructor. Supervised field-based internship in junior high school or middle school Family and Consumer Sciences instruction.

491. Student Teaching in Senior High School Family and Consumer Sciences. 7 hrs. Prerequisite: FCS 301 with grade no lower than B and permission of instructor. Supervised field-based internship in senior high school Family and Consumer Sciences instruction.

492. Special Problems. 1-4 hrs. Arr. (Students undertaking a Seniors Honor Project will enroll in FCS H492.)
FAMILY STUDIES (FAM)

101. Introduction to Professional Studies. 1 hr. Introduces the integrative nature of professions dealing with quality of life for individuals and families and issues of professional ethics.

150. Social and Professional Development. 2 hrs. Study of skills and competencies necessary for effective social and professional interactions.

151. Personal Development and Interpersonal Relationships. 3 hrs. A study of human development through awareness and understanding of peer and family relationships.

351. Marital and Family Relationships. 3 hrs. A study of relationship changes over the family life cycle with an emphasis on coping with normative and catastrophic stressors.

441. Internship. 3 hrs. Prerequisite: Senior standing and consent of instructor. Supervised field experiences in a business or industry setting.

442. Personal and Family Financial Management. 3 hrs. Methods of obtaining and managing financial resources across the family life span.

443. Family Resource Management. 3 hrs. Prerequisite: FAM 442 or consent of instructor. Application of management principles to the problems of individuals and families.

450. Sexuality in the Family. 3 hrs. Research and theory on the impact of family life cycle changes on sexuality, intimacy, and gender needs and implications for the helping professional.

451. Marriage Adjustments: Communication and Conflict. 3 hrs. Mate selection, marital adjustment, divorce, and remarriage are examined. Emphasis on communication, power struggles, and problem solving.

452. Parenthood. 3 hrs. Preparation for parenthood. Relationships of parents and children studied, with emphasis on parenting styles and practices. Patterns of home and school interactions discussed.

453. The Family in Later Life. 3 hrs. An examination of the aging process and intergenerational relationships, family life cycle, normative and non-normative changes and influences, and multiple stressors will be emphasized.

454. Special Topics in Gerontology. 1-3 hrs. Study of current issues in the field of aging. Topics will vary. May be repeated with permission of adviser.

475. Contemporary Issues Affecting the Quality of Life. 3 hrs. Prerequisite: FAM 101 and Senior Standing. Interdisciplinary problem solving regarding issues of importance in improving the quality of human life.

490. Practicum. 3-9 hrs. Prerequisites: FCS 401 and Senior standing. Supervised work experience in a family service agency or similar setting.

492. Special Problems in Family and Consumer Sciences. 1-4 hrs. Prerequisites: Consent of instructor. (Students undertaking a Seniors Honor Project will enroll in FAM H492.

FASHION MERCHANDISING AND APPAREL STUDIES (FMA)

121. Fashion Fundamentals. 3 hrs. An introduction of fashion merchandising with an overview of the fashion production and merchandising system.

131. Basic Apparel Construction. 3 hrs. Understanding and applying the fundamental principles of garment construction. (CC 1313)

220. Professional Image and Dress. 1 hr. A study of dress and appearance in developing a professional image.

221. Fashion Modeling and Fashion Show Production. 3 hrs. Basic principles of fashion modeling and fashion show production.

222. Fashion Presentations. 3 hrs. A study of fashion presentations and visual merchandising for different classifications of merchandise in the apparel, textiles, and accessories markets.

231. Study Tour. 1-6 hrs. Planned tour to market centers with emphasis on clothing, textiles, and fashion.

331. Evaluating Apparel Construction. 3 hrs. Prerequisites: FMA 131 and 330. Utilization of elementary research principles applied to evaluation of sewn apparel products and their production methods related to cost, quality, performance, and appearance.

332. Art of Dress. 3 hrs. Experiences in perceiving visual design elements and social psychological factors as they relate to dress.
333. Advanced Apparel Construction. 3 hrs. Prerequisites: FMA 131 and 330. Application of advanced apparel construction techniques with emphasis on pattern alteration.

335. Costume History. 3 hrs. Prerequisites: HIS 101 and 102. Cultural and economic factors concurrent to the adoption and abandonment of dress from ancient times to the present.

337. Evaluating Fashion Merchandise. 3 hrs. Prerequisite: FMA 331. Application of intermediate research principles and evaluation of specialized fashion merchandise categories in relation to variety, quality, market niche, and consumer demand.

421. International Fashion Study. 2-9 hrs. Planned study of international fashion centers with emphasis on clothing, textiles, and merchandising. May be repeated up to 9 hrs.

431. Tailoring. 3 hrs. Prerequisite: approval of instructor. Principles and techniques of tailoring applied to men’s and women’s apparel.

433. Flat Pattern Design. 3 hrs. Application of flat pattern design techniques to the creation of dress designs.

434. History of Decorative Textiles. 3 hrs. Prerequisites: FMA 330, or approval of instructor. Historical and methodological study of applied and structural textile design.

435. Merchandising Mathematics. 3 hrs. Prerequisite: MKT 300. Basic principles and applications of merchandising mathematics as related to the fashion industry.

436. Fashion Merchandising. 3 hrs. Prerequisites: FMA 121, 435, and MKT 300. A study of the assignments, responsibilities, and practices of fashion buying and merchandising.

444. Computer-Aided Apparel Design. 3 hrs. Prerequisites: FMA 331 and FMA 433. Utilization of computer-aided design techniques to design apparel and to draft, grade, and lay out apparel patterns. Includes laboratory experiences.

437. Principles of Apparel Design and Production. 3 hrs. Prerequisites: FMA 331, 332 and 330. A study of the historical beginnings, the development and current methods used in the design and production of apparel and accessories.

439. Retail Merchandising Internship. 2-4 hrs. Prerequisites: FMA 337, 435 and 436, MKT 300, ENG 333, and senior standing. Understanding the operation and management of retail activities through a supervised work program in a cooperating apparel retail store. To qualify, students must have an overall 2.25 GPA. Approval must be obtained through application to the internship coordinator prior to registering.

478. Seminar in Clothing and Textiles. 1-6 hrs. Designed to examine pertinent issues and current trends in textiles and clothing.

492. Special Problems. 1-6 hrs. A directed individual study planned and approved by the chair of the department. (Students undertaking a Seniors Honor Project will enroll in FMA H492.)

FINANCE (FIN)
(Enrollment in courses numbered 300 or above requires at least junior standing.)

300. Principles of Finance. 3 hrs. Prerequisites: ACC 200, ECO 202, and MIS 201, 202. A study of the principles of financial analysis. Grade of C or better required to take higher-level finance courses.

350. Bank Administration. 3 hrs. Prerequisite: FIN 300. A comprehensive survey of management problems faced by banks.

352. Principles of Investments. 3 hrs. Prerequisite: FIN 300. An introduction to security analysis and portfolio theory.

380. Small Business Finance. 3 hrs. Prerequisite: FIN 300. A study of small business financial needs, especially financial statement analysis and working capital management.

392. Estate and Business Planning. 3 hrs. Prerequisite: BA 200. The role of wills, trusts, loans, and insurance in a personal and business planning framework.

462. Security Analysis. 3 hrs. Prerequisite: FIN 300. A study of international, national, industrial, and corporate effects on security prices.

480. Financial Management. 3 hrs. Prerequisite: FIN 300. The application of financial theory to the management decisions faced by business firms.
492. Special Problems in Finance. 1-6 hrs. Prerequisite: Consent of Chair. Individual study of an approved topic in Finance. (Students undertaking a Senior Honors Project will enroll in FIN H492.)

499. International Finance Research Abroad. 3 hrs. Prerequisite: Consent of Program Director. A research course in international finance offered for students enrolled in FIN 498.

FOREIGN LANGUAGES (FL)

101. Introduction to Exotic Languages I. 3 hrs.

102. Introduction to Exotic Languages II. 3 hrs. Prerequisite: FL 101 in the same language.

181. Beginning Credit for Study Abroad. 3-6 hrs. Prerequisites: prior arrangements for evaluation and receipt of credit. Credit will be granted for systematic study of the language and culture of the language and literature of a foreign area. Study must be under the direction of a recognized teaching institution approved in advance by the Department of Foreign Languages. The department will examine and grade the progress and achievement of the participants in this program before granting credit.

281. Intermediate Credit for Study Abroad. 3-6 hrs. Prerequisites: At least six (6) hours at the 100 level; otherwise same as 181.

301. German Literature in Translation. 3 hrs. A study of major works, including Goethe’s Faust, in their cultural and historical contexts.

333. Greek Literature and Culture. 3 hrs. A study in translation of the works of such authors as Homer, Aeschylus, Sophocles, Plato, and Aristotle.

340. French Literature in Translation. 3 hrs. A study of the major works of French literature from the medieval to the modern period.

353. Roman Literature and Culture. 3 hrs. A study in translation of the works of such authors as Lucretius, Cicero, Vergil, and Seneca.

354. Medieval and Renaissance Humanism. 3 hrs. A study in translation of the works of such authors as Augustine, Boethius, Abelard, Petrarch, Dante, and Erasmus.

370. Spanish Literature in Translation. 3 hrs. A study of the major works of the literature of Spain from 1140 to 1940.

381. Junior Credit for Study Abroad. 3-9 hrs. Prerequisites: At least six (6) hours at the 200 level; otherwise same as 181.

401. World Languages and Cross-Cultural Training. 3 hrs. Introduction to major world languages with accompanying cross-cultural training. May not be used to fulfill requirements for either a major or minor in foreign languages or to fulfill the language requirement for the B.A. degree.

431. Foreign Language Film. 1-3 hrs. Prerequisite: Consent of instructor. Study of literary and linguistic aspects of foreign films in a given foreign language.

461. Methods of Teaching Foreign and Second Languages. 3 hrs. Prerequisite: CIS 313. Corequisite: FL 461L. May be taken for a total of six (6) hours.

461L. Methods of Teaching Foreign and Second Languages Lab. 1 hr. Must be taken concurrently with FL 461.

462. Translation. 3 hrs. Prerequisite: Consent of instructor.

481. Senior Level Credit for Study Abroad. 3-9 hrs. Arranged. Prerequisite: At least six (6) hours at the 300 level; otherwise same as 181.

492. Special Problems. 1-3 hrs. Prerequisite: Consent of instructor. May be repeated twice. (Students undertaking a Senior Honors Project will enroll in FL H492.)

494. Student Teaching in Foreign Language I. 7 hrs.

495. Student Teaching in Foreign Language II. 7 hrs.

CHINESE (CHI)

102. Beginning Chinese II. 3 hrs. Prerequisite: CHI 101 or equivalent.

201. Intermediate Chinese I. 3 hrs. Prerequisite: CHI 102 or equivalent. Designed for greater fluency in oral and written use of Chinese (Mandarin), increase vocabulary, grammar, and culture.

202. Intermediate Chinese II. 3 hrs. Prerequisite: CHI 201 or equivalent. Designed for greater fluency in oral and written use of Chinese (Mandarin), increase vocabulary, grammar, and culture.
FRENCH (FRE)

101. Beginning French I. 3 hrs. (CC 1113)

102. Beginning French II. 3 hrs. Prerequisite: FRE 101 or equivalent. (CC 1123)

181. Beginning French Credit for Study Abroad. 3-6 hrs. Prerequisites: prior arrangements for evaluation and receipt of credit. Credit will be granted for systematic study of French language and culture in a recognized teaching institution, in a French speaking country, approved in advance by the Department of Foreign Languages and Literatures. The department will examine and grade the progress and achievement of the participants in this program before granting credit.

201. Intermediate French I. 3 hrs. Prerequisite: FRE 102 or equivalent. (CC 2113)

202. Intermediate French II. 3 hrs. Prerequisite: FRE 201 or equivalent. (CC 2123)

281. Intermediate French Credit for Study Abroad. 3-6 hrs. Prerequisites: French 102 or equivalent; otherwise, same as FRE 181. Intermediate level study abroad of the French language and culture (the equivalent of FRE 201 and/or 202), with particular emphasis on communicative skills at this level.

305. French Grammar Review. 3 hrs. Prerequisite: FRE 202 or equivalent. Advanced study of French grammar and stylistics: composition, reading and stylistic analysis.

321. French Conversation and Discourse. 3 hrs. Prerequisite: FRE 202 or equivalent. Development/Improvement of listening and speaking skills in French.

340. Reading in French. 3 hrs. Prerequisite: FRE 202 or equivalent. This course aims to build reading skills in French with special attention given to word recognition, global comprehension, and the understanding of cultural and historical context.

381. Junior Level Credit for Study Abroad. 3-9 hrs. Prerequisite: FRE 202 or equivalent; otherwise same as FRE 181. Intermediate-advanced systematic study abroad of the French language and culture, with particular emphasis on: (I) oral communication, (II) reading, (III) writing, at the junior year level.

405. French Phonology. 3 hrs. Prerequisite: At least 3 hours at the 300 level or permission of instructor. An introduction to French phonemics and phonetics with intensive practice in the pronunciation of standard and nonstandard French.

406. Advanced Composition. 3 hrs. Prerequisite: At least three (3) hours of French at the 300 level. Practice in descriptive, narrative, analytical and research composition, with attention to style, vocabulary, and morphology as well as to methods of organization and presentation.

431. French Film. 3 hrs. Prerequisite: Consent of instructor. Study of literary and linguistic aspects of foreign films in a given foreign language.

435. Modern France. 3 hrs. Prerequisite: At least three (3) hours of French at the 300 level. Contemporary French education, social attitudes, politics, urban and rural life. May be repeated once.

436. Francophone Civilization and Culture. 3 hrs. Prerequisite: 3 hours at the 300-level. Studies in the history, art, beliefs, behavior, and values of France and French-speaking cultures. Topics will vary. May be repeated once.

442. Survey of French Literature. 3 hrs. Prerequisite: FRE 341. A chronological study of French literature. May be repeated for a total of six hours if topics vary.

445. Topics in French Literature. 3 hrs. Prerequisite: FRE 341. May be taken for a total of six hours if topics vary.

447. The Négritude Literary Movement. 3 hrs. A study of different works associated with the negritude literary movement, encompassing areas of French-speaking Africa and the Caribbean area. Prerequisite: a 300-level French course.

481. Senior Level Credit for Study Abroad. 3-9 hrs. Arr. Prerequisite: At least six (6) hours at the 300 level; otherwise same as FRE 181. Advanced systematic study abroad of the French language, with particular emphasis on (I) oral and written communication (equivalent to FRE 411, FRE 406), (II) culture and civilization (equivalent to FRE 435, FRE 436), (III) literature (equivalent to FRE 445), at the senior year level.

491. Advanced Studies in the French Language. 3 hrs. Prerequisites: Completion of at least one 300-level course and permission of instructor. Content varies in response to students’ interests and needs. May be repeated once.

492. Special Problems. 1-3 hrs. Prerequisite: Consent of the instructor and approval by chair. May be repeated twice.
GERMAN (GER)
101. Beginning German I. 3 hrs. (CC 1313)
102. Beginning German II. 3 hrs. Prerequisite: GER 101 or equivalent. (CC 1323)
201. Intermediate German I. 3 hrs. Prerequisite: GER 102 or equivalent. (CC 2313)
202. Intermediate German II. 3 hrs. Prerequisite: GER 201 or equivalent. (CC 2323)
281. Intermediate German Credit for Study Abroad. 3-6 hrs. Prerequisite: GER 102 or equivalent; prior arrangements for evaluation and receipt of credit. Intermediate level study abroad of the German language and culture (the equivalent of GER 201 and/or 202), with particular emphasis on communicative skills at this level. Credit will be granted for systematic study of the German language and culture in a recognized teaching institution, in a German speaking country, approved in advance by the Department of Foreign Languages. The department will examine and grade the progress and achievement of the participants in this program before granting credit.
305. Conversation and Composition. 3-6 hrs. Prerequisite: GER 202 or equivalent. May be taken for a total of 6 hours if topics vary.
341. Reading German. 3-6 hrs. Prerequisite: GER 202. An introduction to reading German literature and other documents for comprehension and literary analysis. May be taken for a total of 6 hours if topics vary.
381. Junior Level Credit for Study Abroad. 3-9 hrs. Prerequisites: GER 202 or equivalent; otherwise same as GER 281. Intermediate-advanced systematic study abroad of the German language and culture, with particular emphasis on (I) oral communication, (II) reading, (III) writing, at the junior year level.
405. German Diction and Phonetics. 3 hrs. Prerequisite: Permission of instructor.
406. Advanced Grammar. 3 hrs. Prerequisite: GER 341. Advanced study of German grammar, reading and stylistic analysis.
442. Survey of German Literature. 3 hrs. Prerequisite: GER 341. A chronological study of German literature. May be taken for a total of six hours if topics vary. Credit obtained through study abroad.
443. Survey of German Literature II. 3 hrs. Prerequisite: GER 341. May be repeated for a total of six (6) hours if topics vary. Credit obtained through study abroad.
445. Topics in German Literature. 3 hrs. Prerequisite: GER 341. May be taken for a total of six hours if topics vary. Credit obtained through study abroad.
446. The German Novelle. 3 hrs. Prerequisite: GER 341. A study of important Novellen representative of literary currents in the nineteenth and twentieth centuries, and an examination of literary theory relevant to the genre.
481. Senior Level Credit for Study Abroad. 3-9 hrs. Prerequisites: At least six (6) hours at the 300 level; otherwise same as GER 281. Advanced systematic study abroad of the German language and culture, with particular emphasis on (I) oral and written communication (equivalent to GER 406), (II) culture and civilization, (III) literature (equivalent to GER 445), at the senior year level.
491. Advanced Studies in the German Language. 3 hrs. Prerequisite: At least three hours of German at the 300 level. May be repeated for a total of six hours if topics vary. Credit obtained through study abroad.

GREEK (GRK)
101. Beginning Greek I. 3 hrs.
102. Beginning Greek II. 3 hrs. Prerequisite: GRK 101 or equivalent.
201. Intermediate Greek I. 3 hrs. Prerequisite: GRK 102 or equivalent.
202. Intermediate Greek II. 3 hrs. Prerequisite: GRK 201 or equivalent.
445. Readings in Greek Literature. 3 hrs. Prerequisite: GRK 201 or equivalent. May be taken for a total of nine hours if topics vary.

ITALIAN (ITA)
101. Beginning Italian I. 3 hrs.
102. Beginning Italian II. 3 hrs. Prerequisite: ITA 101 or equivalent.
181. Beginning Credit for Study Abroad. 3-6 hrs. Prerequisites: Prior arrangements for evaluation and receipt of credit. Beginning study of the Italian language and culture with emphasis on communicative skills (equivalent to ITA 101 and/or 102). Credit will be granted for systematic study of the Italian language and culture in a recognized teaching institution, approved in advance by the Department of Foreign Languages and Literatures. The department will examine and grade the progress and achievement of the participants in this program before granting credit.
201. Intermediate Italian I. 3 hrs. Prerequisite: ITA 102 or equivalent.
202. Intermediate Italian II. 3 hrs. Prerequisite: ITA 201 or equivalent.

281. Intermediate Credit for Study Abroad. 3-6 hrs. Prerequisites: At least six (6) hours at the 100 level; otherwise same as 181.

381. Junior Credit for Study Abroad. 3-6 hrs. Prerequisites: At least six (6) hours at the 200 level; otherwise same as 181.

481. Senior Credit for Study Abroad. 3-6 hrs. Prerequisites: At least six (6) hours at the 300 level; otherwise same as 181.

JAPANESE (JPN)
102. Beginning Japanese II. 3 hrs. Prerequisite: JPN 101 or equivalent.
201. Intermediate Japanese I. 3 hrs. Prerequisite: 102 or equivalent.
202. Intermediate Japanese II. 3 hrs. Prerequisite: 201 or equivalent.

LATIN (LAT)
102. Beginning Latin II. 3 hrs. Prerequisite: LAT 101 or equivalent.
201. Intermediate Latin I. 3 hrs. Prerequisite: LAT 102 or equivalent. (CC 2413)
202. Intermediate Latin II. 3 hrs. Prerequisite: LAT 201 or equivalent. (CC 2423)
445. Readings in Latin Literature. 3 hrs. Prerequisite: LAT 202 or equivalent. May be taken for a total of nine hours if topics vary.

RUSSIAN (RUS)
102. Beginning Russian II. 3 hrs. Prerequisite: RUS 101 or equivalent.
201. Intermediate Russian I. 3 hrs. Prerequisite: RUS 102 or equivalent.
202. Intermediate Russian II. 3 hrs. Prerequisite: RUS 201 or equivalent.
305. Conversation and Composition. 3 hrs. Prerequisite: RUS 202.
341. Reading Russian. 3 hrs. Prerequisite: RUS 202.

SPANISH (SPA)
101. Beginning Spanish I. 3 hrs. (CC 1213)
102. Beginning Spanish II. 3 hrs. Prerequisite: SPA 101 or equivalent. (CC 1223)
181. Beginning Spanish Credit for Study Abroad. 3-6 hrs. Prerequisites: prior arrangements for evaluation and receipt of credit. Beginning study of the Spanish language and culture, with emphasis on communicative skills (equivalent to SPA 101 and/or SPA 102). Credit will be granted for systematic study of the Spanish language and culture in a recognized teaching institution, in a Spanish speaking country, approved in advance by the Department of Foreign Languages and Literatures. The department will examine and grade the progress and achievement of the participants in this program before granting credit.
201. Intermediate Spanish I. 3 hrs. Prerequisite: SPA 102 or equivalent. (CC 2213)
202. Intermediate Spanish II. 3 hrs. Prerequisite: SPA 201 or equivalent. (CC 2223)
231. Intermediate Reading and Civilization I. 3 hrs. Prerequisite: SPA 102 or equivalent. Reading skills and Spanish history and culture from the beginnings until 1700. Credit is not granted for both SPA 201 and SPA 231. Not applicable towards the major or minor.
232. Intermediate Reading and Civilization II. 3 hrs. Prerequisite: SPA 201 or SPA 231. Intermediate reading skills and Spanish history and culture from 1700 to the present. Credit is not granted for both SPA 202 and SPA 232. Not applicable towards the major or minor.
281. Intermediate Spanish Credit for Study Abroad. 3-6 hrs. Prerequisites: SPA 102 or equivalent; otherwise same as SPA 181. (See SPA 181). Intermediate level study abroad of the Spanish language and culture (the equivalent of SPA 201 and/or 202), with particular emphasis on communicative skills at this level.
305. Spanish Reading and Composition. 3 hrs. Prerequisite: SPA 202 and SPA 313. Reading in the contemporary short story, discussion of literary techniques, composition, grammar review.

331. Hispanic Daily Life. 3 hrs. Prerequisite: SPA 202 or equivalent. A comprehensive study and review of the language and cultural protocols commonly encountered in everyday life in the Hispanic world.

332. Traditions, Festivals, and Icons. 3 hrs. Prerequisite: SPA 202 or equivalent (minimum of 12 hrs). The cultural traditions, festivals, and icons of the Hispanic world, their origins, underlying motives and roles they play in continuing to shape society’s culture and values.

341. Introduction to Spanish Literature. 3 hrs. Prerequisite: SPA 202 or equivalent and SPA 305. Introduction to genres, literary structure, terms, methods of critical analysis and approaches to the reading and study of Spanish literature.

361. Spanish for Law Enforcement. 3 hrs. Prerequisite: SPA 201. For Criminal Justice majors only.

381. Junior Level Credit for Study Abroad. 3-9 hrs. Prerequisite: SPA 202 or equivalent; otherwise same as SPA 181 (See SPA 181). Intermediate-advanced systematic study abroad of the Spanish language and its culture, with particular emphasis on (I) oral communication, (II) reading, (III) writing, at the junior year level.

405. Spanish Phonetics. 3 hrs. Prerequisite: A minimum of 6 hours at the 300 level. A contrastive study of the phonetic systems of English and Spanish with emphasis on corrective exercises in Spanish pronunciation.

406. Advanced Composition and Grammar. 3 hrs. Prerequisite: SPA 305 and SPA 313 or equivalent. Review of basic grammar, progressing to more sophisticated aspects; idiom study; composition.

411. The Spanish Subjunctive. 3 hrs. Prerequisite: SPA 406. A study of subjunctive structures and concepts, with composition practice.

421. Advanced Conversation. 3 hrs. Prerequisite: SPA 321 and SPA 313. Conversational practice in formal and informal language drawn from print and electronic media.

435. Spanish Culture and Civilization. 3 hrs. Prerequisite: A minimum of 6 hours at 300 level. A chronological survey of Spanish history and culture from Celt-Iberian times to the present.

436. Latin American Culture and Civilization. 3 hrs. Prerequisite: A minimum of six hours at the 300 level. A chronological survey of Hispanic civilizations and institutions.

442. Survey of Spanish Literature. 3 hrs. Prerequisite: At least six hours of Spanish at the 300 level. May be taken for a total of six hours if topics vary.

445. Topics in Spanish Literature. 3 hrs. Prerequisite: At least six hours of Spanish at the 300 level. May be taken for a total of six hours if topics vary.

446. Don Quijote. 3 hrs. Prerequisite: A minimum of six hours at the 300 level. A study of the Cervantes novel, of its historical and literary background, and of the principal critical materials.

452. Topics in Latin American Literature. 3 hrs. Prerequisite: At least six hours of Spanish at the 300 level. May be taken for a total of six hours if topics vary.

481. Senior Level Credit for Study Abroad. 3-9 hrs. Prerequisites: At least six hours at the 300 level; otherwise same as 181 (see SPA 181). Advanced systematic study abroad of the Spanish language, with particular emphasis on (I) oral and written communication (equivalent to SPA 421, SPA 406), (II) culture and civilization (equivalent to SPA 435, SPA 436), (III) literature (equivalent to SPA 445, SPA 452), at the senior year level.

491. Advanced Studies in the Spanish Language. 3 hrs. Prerequisite: At least six hours of Spanish at the 300 level. May be repeated for a total of six hours.

492. Special Problems. 1-3 hrs. Prerequisite: Consent of the instructor and approval by chair. May be repeated twice.

FORENSIC SCIENCE (FSC)

140. The Science of Forensic Science. 3 hrs. The biological, chemical, physical, and physiological principles important for the understanding of forensic science.

140L. The Science of Forensic Science Laboratory. 1 hr. Concurrent registration in FSC 140 is required.

310. Introduction to Forensic Science. 3 hrs. The collection and analysis of physical evidence.

310L. Introduction to Forensic Science Laboratory. 1 hr. Concurrent registration in FSC 310 is required.

340L. Fingerprinting Techniques Laboratory. 1 hr. A laboratory designed to accompany FSC 340. Concurrent registration in FSC 340 is required.
430. Survey of Forensic Toxicology. 3 hrs. Toxicology as applied to forensic investigations.

440. Drug Identification. 3 hrs. Lectures, demonstrations and discussions covering all aspects of drug identification, emphasizing those relating to law enforcement.

442. Arson and Explosives. 3 hrs. Introduction to fire investigation; arson and bombings.

442L. Arson and Explosives Laboratory. 1 hr. Concurrent registration in FSC 442 is required.

445. Crime Scene Documentation. 3 hrs. Prerequisites: FSC 310 and FSC 340 or permission of instructor. Concurrent registration in FSC 445L is required. The processing of a crime scene, including crime scene photography, sketching of the crime scene, and collecting and processing evidence.

445L. Crime Scene Documentation Laboratory. 1 hr. A laboratory designed to accompany FSC 445. Concurrent registration in FSC 445 is required.

491. Special Projects in Forensic Science. 1 hr. Individual studies in forensic science principles.

491L. Laboratory for Forensic Science. 1 hr. Hands-on experience with true forensic science situations.

497. Field Study in Forensic Science. 3, 6, or 9 hrs. Prerequisite: permission of the Director of Forensic Science. Field work offering research and practice in a forensic science setting.

499. British Studies. 1-6 hrs. Variable content. Lecture series and research under the auspices of the College of International and Continuing Education.

FUNDAMENTALS OF SCIENCE (FS)

(The three courses in the FS sequence are laboratory courses designed to meet core requirements for elementary education and special education majors. Laboratory (1 hr.) must be taken concurrently with lecture (3 hrs.). These courses are designed to address the key concepts and principles of science needed to teach science effectively in the elementary grades.)

131. General Physical Science. 3 hrs. Restricted to Elementary or Special Education majors. Study of the interaction of matter and energy.

131L. Laboratory for General Physical Science. 1 hr. A laboratory designed to accompany FS 131. Concurrent registration in FS 131 is required.

133. General Biological Science. 3 hrs. Restricted to Elementary or Special Education majors. A study of interactions of organisms with their environment.

133L. Laboratory for General Biological Science. 1 hr. A laboratory designed to accompany FS 133. Concurrent registration in FS 133 is required.

135. Earth and Environmental Science. 3 hrs. Restricted to Elementary or Special Education majors. A study of the lithosphere, hydrosphere, atmosphere, and environmental concerns.

135L. Earth and Environmental Science Laboratory. 1 hr. A laboratory designed to accompany FS 135. Concurrent registration in FS 135 is required.

GENERAL STUDIES (GS)

100. Orientation. 1 hr.

101. University Success Skills. 2 hrs. A survey of academic skills, strategies, and techniques needed for successful performance within the university setting. Emphasizes skill areas related to successful note taking, test taking, time management, stress management, and use of resources, as well as highlighting university policies and procedures.

301. College Survival. 1 hr. Offered at USM-Gulf Coast.

GEOGRAPHY AND AREA DEVELOPMENT (GHY)

101. World Regional Geography. 3 hrs. Introduction to world regional geography with emphasis on human relationships to the land. (CC 1113)

102. Introduction to Geography. 3 hrs. Introduction to the basic elements and concepts of geography. (CC 1123)

325. Applied Physical Geography. 3 hrs. General introduction to the major systems of the earth's physical environment (climate, vegetation, soils, and landforms); emphasis on interrelationships between systems, environmental problems, and human impacts.

+325L. Applied Physical Geography Laboratory. 1 hr. Pre- or Corequisite: GHY 325. Analysis of physical geographic data, maps, and charts. Field trips may be required.
326. Introduction to Meteorology and Weather Forecasting. 3 hrs. GHY 325 recommended as prerequisite. An introduction to the atmosphere, its processes and weather forecasting.

327. Earth Surface Processes and Environments. 3 hrs. GHY 325 recommended as prerequisite. Study of the natural processes influencing the origin and development of landscapes.

341. World Political Geography. 3 hrs. The Geographic approach to patterns of power, conflict, and dispute resolution from the global to local scale. Consideration of geostrategy, regional trade agreements, development issues, environmental affairs, voting patterns, etc.

350. Introduction to Economic Geography. 3 hrs. Principles of economic geography as developed through regional studies of characteristics and areal associations of economic phenomena.

362. Urban Geography. 3 hrs. Review of urban development, processes contributing to development, and effect these processes have on cities.

370. Conservation of Natural Resources. 3 hrs. An analysis of basic principles and problems associated with the use, misuse, and conservation of natural resources.

400. Geography of Mississippi. 3 hrs. Survey of physical, economic, and historical geography of the state; emphasis on human-environment relations and problems.

401. Geography of the United States and Canada. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

402. Geography of Middle America and the Caribbean. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

403. Geography of South America. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

404. Geography of Europe. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

405. Geography of Russia. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

406. Geography of Africa. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

407. Geography of East and South Asia. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

408. Geography of Southwest Asia. 3 hrs. A geographical analysis of the physical and human characteristics of the region.

+410L 21st Century Cartography Laboratory. 2 hrs. Corequisite: GHY 410. Advanced map design, scribing, and reproduction laboratory.

+411L Remote Sensing Image Interpretation Laboratory. 1 hr. Corequisite: GHY 411. Application of remote sensing images and air photos to natural and cultural environmental problems.

412. Remote Sensing of the Environment. 2 hrs. Prerequisite: GHY 411 or permission of instructor. Theory of acquisition processing, and analysis of remotely sensed data and images, and survey of environment applications of remote sensing.

+412L Remote Sensing Laboratory. 1 hr. Corequisite: GHY 412. Processing and analysis of data and images collected by remote sensing methods.

413. Field Methods. 3 hrs. Basic methods used to classify, analyze, and report field-gathered data in geography and planning.

415. Quantitative Methods in Spatial Analysis. 3 hrs. A basic course in statistical and other quantitative techniques applied to problems of spatial analysis. (Completion of MAT 101 is recommended.)

416. Computer Applications in Geography. 2 hrs. Prerequisite: Experience using non-procedural computer languages. Corequisite: GHY 416L. Concepts and applications of computerized geographic mapping, information, simulation, and analytic systems.

+416L Computer Applications in Geography Laboratory. 1 hr. Corequisite: GHY 416. Operation of computerized geographic information, simulation, and analytic systems. Uses non-procedural techniques.

417. Geographic Information System Design. 2 hrs. Prerequisite: FORTRAN or Pascal. Theory, design, and application of geographic data handling and analysis systems.

+417L Geographic Information System Design Laboratory. 2 hrs. Prerequisite: GHY 417. Design and programming of geographic data handling and analysis systems using the Ada programming language.

+418L. Geographic Information Management Laboratory. 1 hr. Corequisite: GHY 418. Construction and use of a GIS data base in response to decision-making needs.

425. Applied Climatology. 3 hrs. The application of climatic data to the solution of various social, economic, and environmental problems.

428. Severe Storms. 3 hrs. An examination of the causes, characteristics and destructive nature of severe weather.

435. Historical Geography of the American Landscape. 3 hrs. Study of evolution of cultural landscapes of the area now comprising the United States; emphasis on processes of change.

440. Population and Human Resources. 3 hrs. A geographical analysis of the biological and cultural characteristics of population.

451. Theory of Economic Location. 3 hrs. Principles of economic location analysis with emphasis on locational decision making and investment by different types of businesses. Relevance to economic development and planning is stressed.

473. Water Resources. 3 hrs. Study of hydrologic processes operating in the near-surface environment and their applications to practical problems.

474. Watershed Management. 3 hrs. Analysis of hydrological, erosional, and environmental processes important in the management of watersheds; emphasis on erosion, sedimentation, and pollution.

491. Geography Internship. 1-9 hrs. May be repeated for a total of nine hours.

492. Special Problems. 1-3 hrs. May be repeated for a total of six hours. (Students undertaking a Seniors Honor Project will enroll in GHY H492.)

493. Internship in Cartography. 1-6 hrs. Prerequisite: Permission of Instructor.

494. Prolaboratory in Cartography. 1-3 hrs. Prerequisite: Permission of Instructor. Preparation and presentation of a professional cartographic or remote sensing project. May be repeated with change of content for a total of six (6) hours of credit.

499. British Studies. 3-6 hrs.

GEOLOGY (GLY)

101. Physical Geology. 3 hrs. An introductory course emphasizing the origin and nature of earth materials and processes affecting the earth’s surface and interior. (CC 1113)

101L. Physical Geology Laboratory. 1 hr. Pre- or Corequisite: GLY 101. An elementary study of rocks, minerals, and maps. (CC 1111)

103. Historical Geology. 3 hrs. A study of earth history as revealed in the character and fossil content of rocks. (CC 1123)

103L. Historical Geology Laboratory. 1 hr. Pre- or Corequisite: GLY 103. Introduction to the study of fossils and interpretation of geologic maps. (CC 1121)

151. Introduction to Ocean Science. 3 hrs. Survey of the physical, chemical, geological, and biological features of the ocean. (Same as MAR 151)

151L. Introduction to Ocean Science Laboratory. 1 hr. Pre- or Corequisite: GLY 151. Elementary exercises for interpreting oceanographic data and samples. (Same as MAR 151L)

301. Mineralogy. 3 hrs. Prerequisites: GLY 101, GLY 101L, CHE 106. Pre- or Corequisite: MAT 103. Elements of crystallography, silicate structures, and determinative mineralogy.

301L. Mineralogy Laboratory. 1 hr. Corequisite: GLY 301.

304. Petrology. 3 hrs. Prerequisites: GLY 301, GLY 301L. Principles of rock genesis, classification, and recognition.

304L. Petrology Laboratory. 1 hr. Corequisite: GLY 304.

306. Environmental Geology. 3 hrs. Prerequisite: GLY 101 or permission of instructor. The nature of geological hazards and man’s impact on the environment.

308. Structural Geology. 3 hrs. Pre- or Corequisite: GLY 301. Principles of rock deformation.
308L. Structural Geology Laboratory. 1 hr. Corequisite: GLY 308.

310. Geomorphology. 3 hrs. Prerequisites: GLY 101, GLY 101L, MAT 103 or equivalent. Study of geologic processes involved in landscape development.

310L. Geomorphology Laboratory. 1 hr. Corequisite: GLY 310.

311. Field Geology. 6 hrs. Prerequisite: GLY 308 or permission of instructor. Preparation of stratigraphic and structure sections, use of Brunton compass, and geologic map preparation in the field.

314I. Invertebrate Paleontology Laboratory. 1 hr. Corequisite: GLY 341.

314I. Invertebrate Paleontology Laboratory. 1 hr. Corequisite: GLY 341.

314. Invertebrate Paleontology. 3 hrs. Prerequisites: GLY 103, GLY 103L, BSC 110 or equivalent, or permission of instructor. Taxonomy, morphological features, and geologic distribution of invertebrate fossils.

314L. Invertebrate Paleontology Laboratory. 1 hr. Corequisite: GLY 341.

315. Field Geology. 6 hrs. Prerequisite: GLY 380 or permission of instructor. Preparation of stratigraphic and structure sections, use of Brunton compass, and geologic map preparation in the field.

315L. Field Geology Laboratory. 1 hr. Corequisite: GLY 315.

320. Introduction to Geological Field Work. 2 hrs. Prerequisite: GLY 308. Pre- or Corequisites: GLY 304. Practice in use of Brunton compass, geological map-making, recording field data, and keeping field notes.

401. Principles of Stratigraphy. 3 hrs. Prerequisites: GLY 301, GLY 308, GLY 341, or permission of instructor. A study of the character and distribution of sedimentary rock units in space and time.

403. Optical Mineralogy. 3 hrs. Pre- or Corequisite: GLY 304. Introduction to optical mineralogy, and thin section study of rocks using polarizing microscope.

403L. Optical Mineralogy Laboratory. 1 hr. Corequisite: GLY 403.

405L. Sedimentology Laboratory. 1 hr. Corequisite: GLY 405.

406. Fundamentals of Crystallography. 1 hr. Prerequisite: MAT 103. An introduction to the concepts of crystal systems, morphology, Herma-Mauguin symbols, Bravais lattice, unit cells, Miller indices, and X-ray diffraction. For non-geology majors.

406L. Fundamentals of Crystallography Laboratory. 1 hr. Corequisite: GLY 406.

407. Principles of X-ray Diffraction. 1 hr. Prerequisites: GLY 301, 406, or permission of instructor. Introduction to principles, analytical techniques, and precautions involved in X-ray diffraction instrumentation.

408. Petrography. 3 hrs. Prerequisites: GLY 304, GLY 403L. Characterization of rock composition and textures, classification and petrogenesis with use of polarizing microscope and thin sections.

408L. Petrography Laboratory. 1 hr. Prerequisites: GLY 403, GLY 403L. Corequisite: GLY 408.

409. Elements of Geochemistry. 3 hrs. Prerequisite: GLY 304. Chemical principles governing the formation of minerals and rocks and their reactions with the lithosphere, hydrosphere, atmosphere, and biosphere.

410. Applied Groundwater Geochemistry. 3 hrs. Prerequisites: GLY 410, GLY 476 recommended. Design and implementation of groundwater geochemistry monitoring programs for hydrogeological site assessment.

410. Applied Groundwater Geochemistry. 3 hrs. Prerequisites: GLY 410, GLY 476 recommended. Design and implementation of groundwater geochemistry for hydrogeological site assessment.

411. Principles of X-ray Diffraction. 1 hr. Prerequisites: GLY 301, 406, or permission of instructor. Introduction to principles, analytical techniques, and precautions involved in X-ray diffraction instrumentation.

411L. Principles of X-ray Diffraction Laboratory. 1 hr. Corequisite: GLY 411.

412. Applied Geophysics I. 3 hrs. Prerequisites: GLY 308, PHY 201 or consent of instructor. Introduction to seismic methods used in hydrocarbon and mineral exploration.

412L. Applied Geophysics I Laboratory. 1 hr. Corequisite: GLY 412. Introductory exercises in seismic computation and interpretation.

412L. Applied Geophysics II Laboratory. 1 hr. Corequisite: GLY 412. Introductory exercises in seismic computation and interpretation of gravity, magnetic, and electrical fields.

412L. Applied Geophysics II Laboratory. 1 hr. Corequisite: GLY 412. Introductory exercises in seismic computation and interpretation of gravity, magnetic, and electrical fields.

413. Geophysical Well-Logging. 3 hrs. Prerequisites: GLY 101, MAT 103, PHY 201. Pre- or Corequisite: GLY 405. Principles of obtaining data from bore hole instruments, and geological interpretation of data.

413L. Geophysical Well-Logging Laboratory. 1 hr. Corequisite: GLY 413.

414. Geological Remote Sensing. 2 hrs. Prerequisites: GLY 301, GLY 304, and GLY 308 or permission of instructor. Corequisite: GLY 423L. Introduction to the use of multispectral, hyperspectral, and radar remote sensing data and imagery in applied geology.

415. Principles of Geology for Science Teachers. 3 hrs. Prerequisite: Permission of instructor. Principles of physical and historical geology for teachers. Not applicable to geology degree.

415L. Principles of Geology for Science Teachers Laboratory. 1 hr. Corequisite: GLY 415.
443. Calcareous Micropaleontology. 3 hrs. Prerequisite: GLY 341. Taxonomy, morphology, and stratigraphic use of carbonate microfossils.

443L. Calcareous Micropaleontology Laboratory. 1 hr. Corequisite: GLY 443.

444. Siliceous Micropaleontology. 3 hrs. Prerequisite: GLY 341. Taxonomy, morphology, and stratigraphic use of siliceous and organic-walled microfossils.

444L. Siliceous Micropaleontology Laboratory. 1 hr. Corequisite: GLY 444.

450. Geological Marine Science. 3 hrs. Pre- or Corequisite: GLY 405, or consent of instructor. Study of the formation and deformation of the oceanic crust and the distribution and character of marine sediments. (Same as MAR 481)

450L. Geological Marine Science Laboratory. 1 hr. Corequisite: GLY 450. (Same as MAR 481L)

465. Engineering Geology. 3 hrs. Prerequisite: GLY 308 or permission of instructor. The integration of geologic and engineering principles and their application in the evaluation and utilization of Earth resources and the mitigation of natural and human-induced hazards.

470. Petroleum Geology. 3 hrs. Pre- or Corequisite: GLY 401 or permission of instructor. The origin, occurrence, and accumulation of oil and natural gas.

470L. Petroleum Geology Laboratory. 1 hr. Corequisite: GLY 470.

476. Hydrology. 3 hrs. Pre- or Corequisite: GLY 401 or permission of instructor. An introduction to the origin, distribution, movement, and properties of the waters of the earth.

HISTORY (HIS)

PS 420, 421, and 425 may be selected as history if approved by the student’s adviser.

No more than six (6) hours of these courses may be counted as history credit.

101. World Civilization to 1648 A.D. 3 hrs. (CC 1113, 1143, 1163)

102. World Civilization Since 1648 A.D. 3 hrs. (CC 1123, 1153, 1173)

201. Survey of United States History up to 1877. 3 hrs. (CC 2213)

202. Survey of United States History Since 1877. 3 hrs. (CC 2223)

300. Introduction to Historical Methodology. 3 hrs. A basic course to acquaint the student with the theory and practice of historical study.

301. Survey of East Asia. 3 hrs. A historical study of the countries of East Asia in the 19th and 20th centuries.

301. Survey of Latin American History. 3 hrs. A study of Latin American history from the conquest to the present with an emphasis on social, economic, and cultural developments.

326. The Rise of Christianity and the Roman Empire. 3 hrs. A study of the emergence of Christianity as an intellectual, religious, and political force in late antiquity and the early Middle Ages.

327. The Middle Ages. 3 hrs. A survey of the political, intellectual, and economic history of Western Europe from 450 to 1450 A.D.

Mississippi History. 3 hrs. A survey of Mississippi’s economic, social, and political development from seventeenth century European settlement to the present.

Afro-American History. 3 hrs. A chronologically arranged survey of the black political, social, economic, and intellectual experience in slavery and freedom, with emphasis on protest thought and deed.

History of American Business. 3 hrs. Explores the historical development of entrepreneurship and business enterprise from colonial times to the present.

Themes in the Non-Western World. 3 hrs. An analysis of economic, political, social, and cultural issues which have shaped relations between the Western and non-Western worlds.

Imperialism, Nationalism, and Decolonization. 3 hrs. A survey of select topics in nineteenth century European imperialism, its effects on colonial societies, the development of colonial nationalist movements, and the problems of third-world decolonization in the twentieth century.

Modern China. Survey of the historical processes that have transformed China into a modern Marxist society.

Rise and Fall of Communism. 3 hrs. An analysis of the rise and fall of communism. The topic may vary.

United States Relations with East Asia. The attempts to explain the dynamic interactions between the United States and China and Japan over the past 200 years.

History of Mexico Since Independence. 3 hrs. A survey of the national history of Mexico and the Caribbean. The focus of the course is on Mexico and Cuba.

The Caribbean and Central America. 3 hrs. An analysis of Caribbean and Central American history, with particular emphasis on the development of plantation economies, revolutionary movements, and the influence of the United States.

History of Brazil. 3 hrs. An examination of Brazilian history, with particular emphasis on the period since independence.

The United States and Latin America. 3 hrs. A detailed discussion of the relationship between the societies and governments of the United States and Latin America.

World War I. 3 hrs. An exploration of the causes, conduct, and consequences of World War I.

World War II. 3 hrs. A study of causes, conduct, and consequences of World War II.

The Vietnam War. 3 hrs. A discussion of military, social, political, and cultural consequences of the war.

Exploration and Discovery. 3 hrs. Examination of factors contributing to European exploration from the Renaissance to the 19th c.

War and Science in Modern History. 3 hrs. An examination of the relationship between science and warfare from the 18th c. to the present.

Science and Society: From Copernicus to the Bomb. 3 hrs. An interdisciplinary course designed for both science and liberal arts students. Traces the development of science and technology and their role in society from the Renaissance to the present. (Cross-listed as BSC 423, HUM 423.)

Reformation Europe 1348-1500. 3 hrs. This course will examine the social, political, and intellectual changes emerging in Europe after the Black Death.

Renaissance Europe 1500-1650. 3 hrs. This course will examine the setting, events, and implications of the religious Reformation in European history.

The Age of the Enlightenment. 3 hrs. A survey of the political, social, and cultural history of Europe from the Age of Absolutism to the French Revolution.

French Revolution and Napoleon. 3 hrs. A study of Revolutionary and Napoleonic France and its impact on Europe.

Europe 1815-1870. 3 hrs. A survey of early nineteenth century Europe, with emphasis on nationalism and the quest for reform.

Europe 1870-1914. 3 hrs. A survey of late nineteenth and early twentieth century Europe with emphasis on the growth of democracy, the expansion of empires, and the origin of World War I.

Europe 1919-1939. 3 hrs. A survey of European political, intellectual, cultural, and economic developments between the world wars.

Europe Since 1945. 3 hrs. A survey of European history since the end of World War II, covering such key developments as economic reconstruction, the Cold War, NATO, and the Common Market.

Medieval Life and Thought. 3 hrs. A study of the structure of society and economy of the Middle Ages.
438. Family and Society in Medieval and Early Modern Europe. 3 hrs. This course will study continuity and change in the family from cc. 1150 to 1650. Some topics considered will be the structure of the family, the role of women, misogyny, and sexuality.

440. History of Socialism in the West. 3 hrs. This course explores in some detail the historical evolution and meaning of socialism as a theoretical idea and a grass roots social and political movement.

441. History of Nationalism: Theories and Movements. 3 hrs. This course is intended to give students a closer awareness and understanding of nationalism in the history of the 19th and 20th centuries.

443. Revolution, Reaction, and Fascism in Southern Europe. 3 hrs. A political, social, and cultural history of Spain, Italy, and Portugal during the nineteenth and twentieth centuries.

444. Intellectual and Cultural History of Modern Europe. 3 hrs. Philosophy, social thought, and the arts from the Enlightenment to the present.

445. Racial Thought in the Western World. 3 hrs. A comparative history of racial thought in Western society from the late Middle Ages through the modern period.

446. Tudor-Stuart Britain. 3 hrs. A survey of political, religious, intellectual, and economic developments in Tudor-Stuart England.

447. Social History of Victorian Britain. 3 hrs. This course explores the changing social conditions during the 70 year period of the Victorian era, including Victorian values, the position of women and children, popular protest, and trade unionism.

448. Holocaust and Jews. 3 hrs. Presents a detailed picture of the Holocaust, its antecedents and aftermath, its meanings, and its interpretations.

449. History of Modern Spain. 3 hrs. Survey of the political, social, religious, and national history of Spain since the 18th century.

454. France, 1815-Present. 3 hrs. A survey of French history after Napoleon emphasizing the evolution of political and social structures.

455. History of the German Lands Since 1815. 3 hrs. This course covers the broad lines of political and social development in the German-speaking regions from the early 19th c. to reunification in 1990.

456. Nazi Germany. 3 hrs. A survey of the political, diplomatic, economic, and social developments in Germany from 1919 through 1945.

459. Eastern Europe in the 20th Century. 3 hrs. This course introduces students to the diversity of social, political, and cultural experience in the regions of East-Central Europe.

461. The American Revolution. 3 hrs. A discussion course concerning the dispute between Great Britain and her American colonies which led to the development of a new nation.

462. The Age of Jefferson and Jackson. 3 hrs. A study of political, social, and cultural changes in the United States from 1789-1848.

463. The Sectional Controversy and the Civil War, 1848-1877. 3 hrs. An examination of sectional conflict, Civil War, and Reconstruction with primary emphasis on political and military history.

464. Modern America, 1877-1919. 3 hrs. A survey of political, economic, diplomatic, and social developments in the United States from the close of the Civil War through the end of World War I.

465. Twentieth Century America, 1919-1945. 3 hrs. A detailed examination of the social, intellectual, political, diplomatic, and economic history of the interwar years.

466. Our Times. 3 hrs. A detailed examination of social, intellectual, political, diplomatic, and economic history since World War II.

467. The Colonial South. 3 hrs. Explores the interaction of Indian, European, and African people in the Colonial South from about 1500 to 1800.

468. The Old South. 3 hrs. The social, economic, and cultural history of the antebellum South with particular emphasis on the plantation system and slavery.

469. The New South. 3 hrs. An analysis of the peculiarities of the South's social, economic, political, and intellectual development from 1877 to the present. Emphasis is placed on those factors making the South distinctive in American history.
470. The Southern Frontier. 3 hrs. Examines through lectures and discussions pioneer and Indian life in Mississippi, Alabama, Louisiana, Tennessee and Georgia.

471. The Western Frontier. 3 hrs. Examines the significance of frontier types west of the Mississippi including explorers, mountain men, cowboys, farmers, miners, railroad men, and Indians.

473. U.S. Foreign Relations. 3 hrs. A history of U.S. foreign relations with particular emphasis on Manifest Destiny, the New Imperialism, the diplomacy of World War I, the events leading to World War II, World War II, and the Cold War.

474. History of American Indians. 3 hrs. A survey of the history of Native Americans from the period of European intrusion through the 19th century.

476. Intellectual and Cultural History of the USA. 3 hrs. A survey of philosophy, social thought and cultural developments from the 17th century to the present.

477. Women in American Society. 3 hrs. A survey of the experience of American women from the colonial period to the present with emphasis on the evolution of women’s role in society in response to changing economic and social conditions.

481. Topics in Early Modern European History. 3 hrs. This course will examine various topics in late medieval and early modern European history.

482. Studies in European History. 3 hrs. Examines various topics in modern European history. Content of course may vary.

483. Studies in the History of Spanish South America. 3 hrs. Examines various topics in the history of Spanish South America. May be repeated for a total of six hours.

484. Proseminar in European History. 3 hrs. Variable topics in European history. May be repeated for up to six hours.

485. Proseminar in United States History. 3 hrs. Variable topics in United States history. May be repeated for up to six hours.

486. Proseminar in Latin American History. 3 hrs. Variable topics in Latin American history. May be repeated for up to six hours.

487. Proseminar in East Asian History. 3 hrs. Variable topics in East Asian history. May be repeated for up to six hours.

488. Methods of Teaching Social Studies. 3 hrs. Methods of lesson planning, preparing materials, teaching, and testing in secondary social studies courses. Not to be counted toward 36 hour major requirement in History. Open only to students seeking social studies licensure.

488L. Secondary Social Studies Methods Lab. 1 hr. A laboratory practicum designed to accompany HIS 488. Concurrent registration in HIS 488 is required.

490. Student Teaching—Social Studies. 7 hrs.

491. Student Teaching in—Social Studies. 7 hrs.

492. Special Problems. 1-3 hrs. Prerequisite: Permission of instructor. Provides the opportunity to study a special topic or area of interest with a specialist in the field. (Students undertaking a Senior Honors Project will enroll in HIS H492.)

494. Topics in Mexican History. 3 hrs. Course offered in Mexico as part of the university’s study abroad offerings.

495. Austrian Studies. 3-6 hrs. A three weeks course offered in Austria as part of the university study abroad program.

496. Topics in French History. 3 hrs. A three weeks course offered in France as part of the university’s study abroad offerings.

497. Asian History and Culture. 3 hrs. A three weeks course offered in an Asian country as part of the university’s study abroad offerings.

498. Topics in Jamaican History. 3 hrs. A three weeks course offered in Jamaica as part of the university’s study abroad offerings.

499. Topics in British History. 3-6 hrs. Lecture series and research in European studies offered in Great Britain as part of the university’s study abroad program. May be repeated with change in topic.

HONORS COLLEGE (HON)

101. Leadership Orientation. 1 hr. The course will introduce students to Honors education and offer an overview of opportunities at the University for developing one’s skills as a leader.

111. Honors Colloquium. 3 hrs. An interdisciplinary, team-taught survey of the history, philosophy, and literature of world civilization, entitled “World Thought and Culture.”

112. Honors Colloquium. 3 hrs. Continuation of HON 111.
211. Honors Colloquium. 3 hrs. Continuation of HON 112.
212. Honors Colloquium. 3 hrs. Continuation of HON 211.
301. Prospectus Writing. 1 hr. Introductory research methods for Honors students. Pass/Fail.
321. University Forum. 1 hr. A presentation of major themes in humanities, science, and social science. This course may be repeated for up to 8 hours of credit.
322. University Forum. 1 hr. Continuation of HON 321.
391. Exchange Semester or Year Abroad. 15-36 hrs.
403. Honors Seminar. 3 hrs. Topical seminars on a wide range of subjects. Repeatable as topics vary up to 12 hrs.
411. Honors Directed Study. 3 hrs. Independent study for Honors students.
492. Honors Research. 1-3 hrs. Senior project.
499. British Studies. 3-6 hrs.
Special Honors sections are also offered by many departments.

For more information on Honors courses, consult the annual Honors College Handbook, available from the Honors College Dean’s Office.

HOSPITALITY MANAGEMENT (HM)
179. Orientation to Hospitality Management. 1 hr. An introductory course in the lodging, food service, and tourism industries.
300. Principles of Hospitality Management. 3 hrs. An overview of the basic principles, concepts, and theories that have special application to the hospitality industry.
342. Hospitality Human Resource Management. 3 hrs. Prerequisite: HM 300. Principles and practices of human resources management relevant to the manager’s role in hospitality organizations.
345. Quality Service Management in the Hospitality Industry. 3 hrs. Theories and concepts of management in a service environment including the principles of total quality management (TQM).
371. Sanitation. 1 hr. Emphasis on all phases of sanitation in food service and hospitality industries.
378. Seminar in Hospitality Management. 1-3 hrs. Prerequisite: HM 300 and junior standing. Examination of pertinent issues and current practices in the hospitality industry.
379. Practicum in Hospitality Management. 1 hr. 300 hours documented and satisfactorily completed work experience with one hospitality company approved by adviser.
440. Food Service Operations Management II. 3 hrs. Prerequisite: Junior standing and HM 340, 340L, and MGT 300. Corequisite: HM 440L. Advanced application of systems used to manage foodservice operations.
440L Food Service Operations Management II Lab. 3 hrs. Corequisite: HM 440. Practical application of the management of foodservice operations.
441. Purchasing in the Hospitality Industry. 3 hrs. Prerequisite: HM 300. Principles of purchasing foods, beverages, non-food items and equipment are examined.
442. Layout and Design. 3 hrs. Prerequisite: HM 300. Planning, designing, and layout of hospitality facilities.
470. Catering. 3 hrs. Prerequisite: HM 440, 440L and permission of instructor. Principles, techniques, and implementation of special events in food service. Includes laboratory.
**479. Internship in Hospitality Management.** 3 hrs. Prerequisite: HM 300. Three hundred (300) hours of supervised internship program with hospitality company. One additional internship may be taken as general elective with approval of adviser.

**481. Hospitality Law.** 3 hrs. Prerequisite: HM 300. Origin, development, and principles of common and statutory law as it applies to the hospitality industry.

**482. Hospitality Marketing.** 3 hrs. Prerequisite: HM 300. Application of marketing theories to hospitality organizations. Emphasis on marketing systems, consumer behavior, market definition, and the marketing mix.

**483. Dimensions of Tourism.** 3 hrs. Prerequisite: HM 300. To explore tourism’s supply/demand components. Emphasis on relationship between the components and functional areas of planning and marketing that manage them.

**484. Hotel Operations Management.** 3 hrs. Prerequisite: HM 376. Advanced principles and procedures of the management of hotel operations.

**485. Professional Meeting and Event Coordination.** 3 hrs. Planning, organization, and implementation of meetings, conferences, and special events.

**486. International Studies in Hospitality Management.** 3 hrs. Prerequisite: HM 300 and permission of adviser. Acquaints students with visited destination’s tourism supply/demand components through field trips/meetings with industry leaders.

**490. Special Problems in Hospitality Management.** 1-6 hrs. Senior standing and approval of faculty adviser. Supervised study in area not covered by available courses.

**492. Tourism Destination Development.** 3 hrs. Prerequisite: HM 483. Emphasis placed on nature/scope of tourism planning, planning approaches, markets, attractions, services, regional potential planning, and levels of planning.

**495. Hospitality Strategic Management.** 3 hrs. Prerequisites or Corequisites: HM 342, HM 445, and HM 482. Introduction to the strategic management process as a planning and decision-making framework for hospitality organizations.

**HUMAN PERFORMANCE AND RECREATION (HPR)**

**100. Aerobics.** 1 hr. Theoretical bases and laboratory experiences in rhythmical activities for cardiovascular development.

**101. Weight Training.** 1 hr. Theoretical bases and laboratory experiences in development of muscular strength, flexibility, and cardiovascular endurance.

**102. Fitness Walking.** 1 hr. Theoretical bases and laboratory experiences in the development of cardiovascular fitness through walking techniques.

**105. Concepts in Physical Fitness.** 1 hr. The course is designed to develop understanding in the conceptual knowledge of health and fitness in the development and maintenance of human wellness. (CC 1591, 1592)

**119. Beginning Volleyball.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental volleyball skill techniques and game strategies.

**130. Racquetball.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental racquetball skill techniques and game strategies.

**131. Fencing.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental fencing skill techniques and competitive strategies.

**132. Beginning Badminton.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental badminton skill techniques and game strategies.

**133. Beginning Archery.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental archery skill techniques and competitive strategies.

**134. Beginning Golf.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental golf skill techniques and competitive strategies.

**135. Beginning Yoga.** 1 hr. Theoretical concepts and laboratory experience in development of strength and flexibility through yoga exercise.

**136. Bowling.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental bowling skill techniques and competitive strategies.

**140. Bicycling.** 1 hr. Theoretical concepts and laboratory experience in development of skill techniques and training in bicycling.

**141. Beginning Tennis.** 1 hr. Theoretical concepts and laboratory experience in development of fundamental tennis skill techniques and competitive strategies.
146. Developmental Skills. 1 hr. Human Performance, Coaching and Sports Administration, or Recreation majors or minors only. Activities include golf, softball, volleyball.

147. Developmental Skills. 1 hr. Human Performance, Coaching and Sports Administration, or Recreation majors or minors only. Activities include tennis, badminton, and soccer.

148. Developmental Skills. 1 hr. Human Performance, Coaching and Sports Administration, or Recreation majors or minors only. Activities include aerobics, weight training, lead-up games.

160. Beginning Swimming. 1 hr. Theoretical bases and laboratory experiences in fundamental swimming techniques and assistive rescue skills.

163. Aquatic Aerobics. 1 hr. Theoretical bases and laboratory experiences in physical conditioning techniques in the aquatic environment.

170. Beginning Karate. 1 hr. Theoretical concepts and laboratory experiences in development of fundamental karate/self defense skill techniques.

171. Western Horsemanship. 1 hr. Theoretical concepts and laboratory experience in development of basic western saddle riding techniques.

172. Introduction to Horseshowing. 1 hr. Theoretical concepts and laboratory experience in basic techniques of presentation of horses for show competition.

173. English Horsemanship. 1 hr. Theoretical concepts and laboratory experience in development of fundamental English saddle riding techniques.

174. Introduction to Horse Training. 1 hr. Fundamental concepts and hands-on experience with horse training techniques.

176. Skeet and Trap Shooting. 1 hr. Theoretical concepts and laboratory experience in development of skeet and trap shooting techniques. Hunter safety emphasis.

181. Beginning Social Dance. 1 hr. Basic rhythmical concepts of social dance introduced. Emphasis on development of popular ballroom techniques.

183. Pioneering. 1 hr. Orienteering and conservation skills in a recreational outdoor environment.

184. Canoeing. 1 hr. Theoretical concepts and laboratory experience in development of fundamental canoeing techniques. Boat trip safety emphasized.

185. Family Camping. 1 hr. Outdoor camping skills.

186. Freshwater Fishing. 1 hr. Basic techniques of freshwater fishing.

187. Saltwater Fishing. 1 hr. Basic techniques of saltwater fishing.

188. Square Dance. 1 hr. Basic rhythmical concepts of American Square Dance with laboratory emphasis in skill/pattern practice.

200. Leisure and Recreation in Society. 3 hrs. A study of the significance of play, recreation, and leisure in contemporary society and the evolution of organized leisure service programs.

201. Leisure Skills Development. 3 hrs. Methods and materials for selected lifetime leisure skills.

202. Introduction to Exercise Science. 1 hr. Prerequisite: HPR majors or permission of instructor. Introduction to the disciplines within exercise science including the historical background, terminology, professional preparation, and careers.

203. Introduction to Sport Administration. 2 hrs. An overview of the history, foundation, and career opportunities in the sport industry.

205. Dynamic Fitness. 2 hrs. Prerequisite: HPR 105. This course is designed to develop positive physical fitness practices for both short-term and long-term benefits.

209. Varsity Athletics. 1 hr. Enrollment contingent upon current participation on a recognized varsity athletic team. Pass/fail basis only. Course may be repeated. Permission of Director of the School required.

210. Practicum. 1 hr. HPR majors only. Pre-internship field experience in the area of specialization. May be repeated three times.

220. Introduction to Human Performance. 3 hrs. HPR&R majors and minors only. Survey of the historical and philosophical foundations of physical education and sport. Contemporary issues discussed.

234. Intermediate Golf. 1 hr. Golf techniques, game strategies, etc. for the more experienced player.

241. Intermediate Tennis. 1 hr. Tennis techniques and development of game strategies for the more experienced player.
270. Intermediate Karate. 1 hr. Prerequisite: HPR 170 or permission of instructor. Advanced self-defense techniques and development of basic Karate competition strategies.

274. Taping and Wrapping of Athletic Injuries. 2 hrs. Practical taping and wrapping experiences consisting of observation and actual taping of all types of athletic injuries.

284. Creative Rhythms. 3 hrs. Physical Education majors only. Skills in basic fundamental patterns, ethnic dance. Emphasis on instructional strategies in teaching rhythmic activities.

+300. Recreational SCUBA. 2 hrs. Diving skill/knowledge instruction for individuals wishing to be certified to dive recreationally.

301. Kinesiology. 3 hrs. Prerequisites: BSC 250, 250L. HPR majors and minors only. Analysis of the structural/functional aspects of human movement. HPR 301L must be taken concurrently.

301L. Kinesiology Laboratory. 1 hr. Prerequisites: BSC 250, 250L. HPR majors and minors only. To be taken concurrently with HPR 301.

302. Techniques for Evaluating Fitness. 3 hrs. Prerequisites: HPR 308, 308L. This course provides the student with the necessary cognitive skills and appropriate lab experiences to evaluate fitness in a systematic and safe manner.

304. Nutrition and Human Performance. 3 hrs. Prerequisites: HPR 308, 308L; NFS 362 or NFS 367; CHE 106, 106L. HPR majors and minors only. The analysis and synthesis of available literature relative to nutrition and human performance.

305. Adventure Training. 2 hrs. To develop student proficiency in land and water navigation, outdoor skills, and cooperative problem solving.

306. Sport Pedagogy. 3 hrs. Pedagogical techniques of motor skill acquisition in competitive sport settings. HPR major or minors only.

307. Organization and Administration of Sport Programs. 3 hrs. The organizational and administrative procedures of major and minor sports programs.

308. Exercise Physiology. 3 hrs. Prerequisites: BSC 250, 250L. HPR majors and minors only. A study of the physiological changes which occur in the body during muscular activity. HPR 308L must be taken concurrently.

308L. Exercise Physiology Laboratory. 1 hr. Prerequisites: BSC 250, 250L. HPR majors and minors only. To be taken concurrently with HPR 308.

309. First Aid. 2 hrs. Basic First Aid, Infant, Child and Adult CPR as approved by the American Red Cross. Meets O.S.H.A. minimum requirements.

310. Pre-Internship in Exercise Science. 2 hrs. Prerequisites: HPR 302, HPR 308, HPR 308L, HPR 422, or permission of instructor. Exercise Science majors only. Preparation for the internship experience which consists of observation and practice at potential exercise science internship sites, interviewing for intern positions, and writing the internship proposal.

311. Emergency Health Care. 3 hrs. Advanced First Aid and CPR with study toward instructor rating with the American Red Cross. Meets O.S.H.A. minimum requirements. HPR 311L must be taken concurrently.

311L. Emergency Health Care Laboratory. 1 hr. To be taken concurrently with HPR 311. Includes Instructor Rating Certification in Community First Aid and Safety for the American Red Cross.

314. Instructional Techniques in Team Sports. 3 hrs. Physical education majors and minors only. Instructional decision-making process specific to basketball, soccer, speedball, volleyball, and other selected team sports.

320. Preschool and Primary School Physical Education. 3 hrs. Physical Education minors or Elementary Education majors or minors only. An introduction to objectives, methods, and curriculum content of physical education for young children.

321. Elementary Physical Education. 3 hrs. Physical Education K-12 teaching majors only. Prerequisite: HPR 284. Philosophy, objectives, methods, and curriculum of elementary physical education.

322. Recreation Program Planning. 3 hrs. Prerequisite or Corequisite: HPR 200. Procedures and methods in planning and organizing a comprehensive recreation program.

323. Recreation Leadership. 3 hrs. Prerequisite or Corequisite: HPR 200. Methods, techniques, and materials for directing individuals in group activities.

324. Coaching Football. 3 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. The study of individual techniques, game fundamentals, and strategies used in coaching football.
325. Coaching Basketball. 3 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. Fundamentals of coaching basketball techniques, game strategies, and scouting.

326. Instructional Techniques in Individual and Dual Sports. 3 hrs. Physical Education majors or minors only. Instructional decision-making process specific to racquet sports, golf, and other selected individual and dual sports.

327. Coaching Volleyball. 2 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. Fundamentals of coaching volleyball as it relates to the selection of personnel, skill techniques, and training.

330. Issues in Sport Administration. 3 hrs. Prerequisite or Corequisite: HPR 203. The course will focus on sport as a medium for integrating gender, ethnic, religious, political, and disability issues in society.

332. Sport Information Management. 3 hrs. This course is designed to provide an overview of the aspects of publicity, communication, and media relations in the sport industry.

341. Coaching Tennis. 2 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. Techniques of coaching tennis. Construction and maintenance of tennis courts. Organization and administration of a tennis program.

344. Commercial Recreation. 3 hrs. Prerequisite: HPR 200. An overview of the knowledge, skills, and values inherent to successful commercial leisure service organizations.

345. Camp Counseling, Administrative, and Operation. 3 hrs. Objectives, activities, and administration policies of organized camps.

350. Introduction to Therapeutic Recreation. 3 hrs. An overview of the therapeutic recreation profession, including historical development, professional competencies and standards, and applications across a variety of settings and populations.

350L. Introduction to Therapeutic Recreation Laboratory. 1 hr. To be taken concurrently with HPR 350.

351. Community Recreation Services for People with Disabilities. 3 hrs. A study of the concepts of and techniques for providing and evaluating inclusive community recreation services for people with disabilities.

360. The Organization and Administration of Aquatics. 3 hrs. Community and school swimming programs, pool operation, maintenance, and sanitation.

361. Swimming for the Disabled. 1 hr. The development of techniques and activities in teaching the disabled to swim.

362. Coaching Swimming and Diving. 2 hrs. Prerequisite or Corequisite: HPR 306. Fundamentals of coaching aquatic sport events, techniques, practice routines, and training.

364. Lifeguard Training. 3 hrs. Lifeguard techniques for pool, beach, waterfront. ARC Lifeguard Training Certification.

365. Lifeguard Training Instructor. 2 hrs. Corequisite: HPR 364 or instructor approval. Teaching lifeguard techniques. ARC Lifeguard Training Instructor Certification.

366. Theory of Teaching Swimming and Diving. 2 hrs. Organization and administration of the community swimming program.

371. Injury Care and Prevention for Athletic Trainers. 3 hrs. Prerequisite: BSC 250, 250L. Athletic Training majors only. To provide information on the prevention, care, and treatment of injuries which occur in athletic competition.

372. Athletic Therapy Modalities. 2 hrs. Prerequisite: HPR 370. The theory and operation of the most commonly used therapeutic devices of the training room. HPR 372L must be taken concurrently.

372L. Athletic Therapy Modalities Laboratory. 1 hr. Must be taken concurrently with HPR 372.

375. Evaluation Techniques of Athletic Injuries II. 3 hrs. Prerequisites: BSC 250 and HPR 370. A specialized course in initial clinical evaluation of athletic injuries, emergency care procedures, and training room administration.

378. Rehabilitation of Sports Injuries. 2 hrs. Prerequisites: BSC 250 and HPR 370. The objectives and principles used to restore injured athletes to their pre-injury level of fitness, including proper use of equipment, exercise, and flexibility.
378L. Rehabilitation of Sports Injuries Laboratory. 1 hr. Practical experience in the objectives and principles used to restore athletes to pre-injury level of fitness. Must be taken concurrently with HPR 378.

+380. Advanced SCUBA. 2 hrs. Prerequisite: HPR 300 or permission of instructor. An opportunity to gain safe enjoyable experiences using advanced diving skills under controlled conditions.

390. Recreational Sport Programming. 3 hrs. Prerequisites: HPR 322. Study of sport programming in recreational settings with attention on organization, management, and problems associated with sports programs.

400. Seminar in Recreation. 1 hr. Must only be taken within two semesters of Internship. A senior seminar course designed to examine pertinent issues and current practices in recreation.

401. Corrective and Adaptive Physical Education. 3 hrs. HPR major or minors only. Recognition of and corrective exercises for functional abnormalities. Adapted techniques in instructional settings.

403. Coaching the Female Athlete. 3 hrs. An analysis and evaluation of the strategies, theories, and research methods that dominate the scientific study of women in sport and practical applications.

404. Motor Development. 3 hrs. A study of the motor aspects of the total human growth and development process. Human Performance majors, Physical Education minors only or by permission of instructor.

411. Adapted Activities and Techniques for Therapeutic Recreation. 3 hrs. The principles and techniques of adapting recreation programs and activities to meet the needs of people with disabilities.

412. The Sport Enterprise. 3 hrs. Prerequisites or Corequisites: HPR 203 and ECO 201. An introduction to the methodologies, theories, and analyses of economics and finance as they relate to amateur and professional sport entities.

413. Organization and Administration of Recreation. 3 hrs. Prerequisite or Corequisite: HPR 322, 323. A study of the organization and administration of recreation agencies and their policies, procedures, and practices.

414. Personal and Organizational Ethics in Sport. 3 hrs. The study of values and standards of ethical behavior as it relates to decision-making in the sport industry.

415. Business Procedures for Parks and Recreation. 3 hrs. Prerequisite: MIS 201, 202; HPR 322, 323. A study of specific business procedures and administrative policies.

416. Advanced Techniques of Coaching Basketball. 3 hrs. Prerequisites: HPR majors or minors only; HPR 306 and HPR 325. An in-depth study of advanced strategies, scouting, and teaching methods in coaching basketball.

417. Legal Aspects of Recreation and Leisure Services. 3 hrs. Prerequisite or Corequisite: HPR 322, 323. Legal issues related to leisure service management, including legal foundations, legal liability, land use policy, employment regulations, disabled services, and current issues.

418. Advanced Techniques of Coaching Football. 3 hrs. Prerequisites: HPR majors or minors only; HPR 306 and HPR 324. An in-depth study of advanced techniques of coaching in offensive, defensive, and special team strategies, scouting, and teaching methods.

419. Practicum in Coaching and Sport Administration. 3-6 hrs. CSA majors and minors only. May be repeated for a total of 6 hrs. Supervised field or clinical based experience in coaching or sport administration. No less than 40 contact hours per credit hour.

420. Practicum. 2-10 hrs. May be repeated for a total ten hours. Supervised field or clinical based experience in area of specialization. HPR majors and minors only. One academic credit hour may be earned for no less than 40 contact hours of University supervised experience.

421. Motor Learning and Control. 3 hrs. Prerequisites: HPR 301, 301L. The study of sensory-perceptual, and motor processes and factors which influence the acquisition and control of motor skills.
422. Exercise Leadership. 3 hrs. HPR majors and minors only. Prerequisites: HPR 308, 308L. Application of the principles of exercise leadership and prescription, fitness program development and implementation.

423. Biomechanics. 3 hrs. HPR majors and minors only. Prerequisites: HPR 301, HPR 301L. The study of anatomic, mechanical, and neurophysiological factors influencing human motion. HPR 423L must be taken concurrently.

423L. Biomechanics Laboratory, 1 hr. HPR majors and minors only. To be taken concurrently with HPR 423. A study of qualitative and quantitative applications of biomechanical principles to analysis of human movement.

424. Community Recreation Resources, Services, and Organizations. 3 hrs. Prerequisite or Corequisite: HPR 322, 323. A study of the varied agencies which provide community recreation services and the operation of specialized recreation facilities.

425. Field Experience in Officiating Competitive Athletics. 3 hrs. Prerequisites: HPR 431. To provide an opportunity for practical experience in officiating competitive athletics.

426. Program Design and Supervision in Physical Education. 3 hrs. Prerequisite: HPR 321. Physical Education majors or minor only. Program planning and implementation in school and non-school instructional settings.

427. Coaching Track and Field. 3 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. Study of coaching track and field including personnel selection, performance fundamentals, and training procedures.

428. Coaching Soccer. 3 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. Fundamentals of coaching soccer as it relates to the selection of personnel, game strategies, and proper training procedures.

429. Coaching Baseball. 3 hrs. HPR majors or minors only. Prerequisite or Corequisite: HPR 306. Techniques of coaching baseball. Emphasis placed on player selection and placement, team organization, and game strategy.

431. Techniques of Officiating Sports. 3 hrs. Personal skill development in techniques of officiating selected sports.

432. Advanced Management in Recreation. 3 hrs. Prerequisite or Corequisite: HPR 413. A study of advanced policy and procedures in recreation programs and services.

433. Facility Design and Maintenance. 3 hrs. The principles and applications of design and maintenance as it applies to indoor and outdoor sport and recreation facilities.

434. Park and Recreation Planning. 3 hrs. Prerequisites: HPR 322, 323. Fundamental principles and methodologies dealing with proper identification, allocation, and use of recreational resources through long-range master planning.

434L. Park and Recreation Planning Laboratory. 1 hr. To be taken concurrently with HPR 434.

435. Outdoor Education. 3 hrs. Prerequisites: HPR 322, 323, or by permission of instructor. A study of outdoor education, specifically its philosophy, programs, methods, and resources. Organization, programming, and conducting of programs and activities in educational settings.

436. Operational Administration of Commercial Recreation. 3 hrs. Prerequisite: HPR 344. Emphasizes appropriate management skills which are essential to the successful operation of a commercial recreation enterprise.

437. Interpretation of Cultural and Natural Resources. 3 hrs. The interpretive process as applied to natural and cultural resources.

438. Procedures in Therapeutic Recreation. 3 hrs. Prerequisites: HPR 323 and HPR 350; or SPE 400 or 402. A study of the theories guiding the delivery of therapeutic recreation services and the application of techniques used in professional practice.

439. Therapeutic Recreation Programming. 3 hrs. Prerequisites: HPR 322 and HPR 350; or SPE 400 or 402. Procedures for conducting and analyzing individual assessments, writing individual program plans, analyzing activities, selecting interventions, and evaluating and documenting program effectiveness.

440. Gerontology & Therapeutic Recreation. 3 hrs. Therapeutic Recreation major or Gerontology minor or permission of instructor. An overview of the bio-psychosocial aspects of aging and the provision of recreation services for therapeutic recreation.

441. Professional Issues in Therapeutic Recreation. 3 hrs. Prerequisite: HPR 350. Course must be taken within two semesters of internship. The study of professional issues in therapeutic recreation practice including certification, accreditation, professional writing, ethics, standards or practice.

442. Water Safety Instructor’s WSI. 3 hrs. Knowledge and skills beyond the scope of Emergency Water Safety and Lifeguard Training. American Red Cross Instructor certification awarded upon successful completion of course.

443. Methods in Teaching Physical Education. 3 hrs. Physical Education K-12 teaching majors only. Prerequisite: HPR 314, 321, 326. Planning and implementation of effective physical education instructional strategies in secondary schools.

444. Methods in Teaching Physical Education Laboratory. 1 hr. Prerequisites: HPR 314, HPR 320, and HPR 326; to be taken concurrently with HPR 442. Physical Education majors only. Supervised pre-student teaching field experience in physical education for practical application.
463. Professional Preparation in Teaching Physical Education. 3 hrs. Prerequisites or corequisites: HPR 462, HPR 462L.
   Physical education majors only. Philosophical foundations, psychosocial/cultural aspects, and critical issues of the workplace contexts with implications for fiscal support and program advocacy.

464. Issues in Commercial Recreation. 3 hrs. Prerequisite: HPR 344. Insight into issues that cause problems and lead to trends for the commercial recreation service industry.

468. Sport Law. 3 hrs. Application of law principles to the sports industry. Primary emphasis on tort liability for sport administrators and teacher/coaches.

470. Development of Strength and Conditioning Programs. 3 hrs. The development and administration of strength, endurance, flexibility, speed, and agility programs.

472L. Field Experience in Athletic Training. 3 hrs. Prerequisite: HPR 475. Practical experience dealing with problem situations in the athletic training setting.

475. Medical Aspects of Athletic Training. 3 hrs. Prerequisite: HPR 374, 375, 378. Team physician and trainer relationships. Physical examination, emergency equipment, medical terminology, and problems related to the team doctor.

479. Seminar in Sports Medicine. 1-3 hrs. Prerequisite: HPR 475. A study of modern techniques used in sports medicine relevant to coaches, athletic trainers, and team physicians.

480. Introduction to Driver Education. 3 hrs. Critical analysis of traffic accidents, attitude factors, essential knowledge of automobile operation and traffic law.

481. Traffic Safety Education. 3 hrs. An in-depth study of the major traffic safety problems including driver, pedestrian, engineering, and enforcement.

483L. Driver Education Laboratory. 1 hr. This course is designed to provide students with supervised practical experience.

486. Innovative Programs of Driver Education. 3 hrs. New and unique teaching methods of driver and traffic safety education.

488. Motorcycle Safety Education. 3 hrs. Analysis of the motorcycle traffic problem; methods of teaching classroom and laboratory phases of motorcycle education.

490. Student Teaching in Elementary Physical Education. 7 hrs. Physical Education K-12 majors only. Prerequisite: Admission to Student Teaching Program. Supervised field-based internship in elementary level physical education instruction.

491. Student Teaching in Secondary Physical Education. 7 hrs. Physical Education K-12 majors only. Prerequisite: Admission to Student Teaching Program. Supervised field-based internship in secondary level physical education instruction.

492. Special Problems. 1-3 hrs. HPR majors or minors only.

494. Field Problems. 1-6 hrs. Prerequisite: Permission of Director, School of HP&R. To be used to pursue specialized interests in Human Performance and Recreation.

495. Internship. 9 hrs. Prerequisites: Completion of all major requirements. Recreation majors only. Minimum 400 hour internship under the direct supervision of a field professional.

496. Internship in Exercise Science. 9 hrs. Prerequisites: HPR 310, completion of all major requirements and an approved site. Exercise Science majors only. A minimum of 400 hours of supervised internship involving the application of exercise principles in the practical aspects of exercise, fitness, wellness, and exercise testing at an internship site.

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.
498. Families of the Developmentally Disabled. 3 hrs. Interdisciplinary approach to the study of families of the developmentally disabled.

499. British Studies. 3-6 hrs. Involves variable topics. Lectures and supervised research in England. Offered exclusively through the USM Institute of Anglo-American Studies.

HUMANITIES (HUM)

490. Studies in European Humanities. 3 hrs. A study of selected works in their cultural and historical contexts. Texts and topics vary.

495. Proseminar in Humanities. 1-2 hrs., repeatable to 3 hrs. Assignment to a Humanities mentor. Supervised writing on an approved topic.

INDUSTRIAL ENGINEERING TECHNOLOGY (IET)

300. Manufacturing Processes. 2 hrs. Corequisite: IET 300L. Elementary manufacturing operations and their combination into manufacturing processes; general metals; and metal forming.

300L. Manufacturing Processes Laboratory. 1 hr. Corequisite: IET 300.

302. Industrial Quality Control. 3 hrs. Prerequisite: CSS 211. The use of control charts, acceptance sampling, and tolerances to test and improve product quality. Basic reliability.

308. Maintenance Engineering Technology. 3 hrs. Prerequisite: CSS 211. Corequisite: IET 308L. Problems associated with keeping an operating system at a highly productive level and managing a maintenance department.

308L. Industrial Engineering Technology Laboratory. 0 hr. Corequisite: IET 308.

310. CNC Machining. 2 hrs. Prerequisite: IET 300. CNC machining, equipment, principles, programming, operations, applications, and maintenance.

310L. CNC Machining Laboratory. 1 hr. Corequisite: IET 310. CNC machining lab.

350. Industrial Cost Control. 3 hrs. Analysis of individual cost components that impact the total cost of manufacturing goods or services. Cost control techniques surveyed range from the analysis of raw materials, reliability, labor, machine and equipment selection, automation, overhead, warehousing, material handling, and inventory to the shipment of the final product.

392. Special Problems. 1-3 hrs. Prerequisites: Junior standing and approval of faculty adviser. Individual or group study in area not covered by available courses.

400. Senior Project. 3 hrs. Prerequisites: Senior standing and approval of faculty adviser. Student required to complete project in his or her area of specialization.

401. Senior Project. 3 hrs. Continuation of IET 400.

405. Production and Inventory Control Systems. 3 hrs. Principles of production and inventory planning and control. Forecasting techniques, EOQ, MRP, production scheduling, line balancing, CPM/PERT.

406. Industrial Automation. 3 hrs. Pneumatic logic, ladder logic diagrams, and programmable logic controllers.

409. Plant Layout and Material Handling. 3 hrs. Prerequisite: IET 480. Effectiveness of plant layout and material handling to the production activity, involving personnel, materials, tools and equipment.

410. Motion and Time. 3 hrs. Corequisite: IET 410L. Methods improvement, time study, and predetermined motion times.

410L. Motion and Time Laboratory. 1 hr. Corequisite: IET 410.

440. Alternate Energy Systems. 3 hrs. Study of alternative sources of energy and power.

441. Industrial Energy Management. 3 hrs. A study of the technical and economic considerations for energy management in industry.

460L. Manufacturing Engineering Technology Laboratory. 1 hr. Corequisite: IET 460.

480. Industrial Simulation and Modeling. 3 hrs. Prerequisite: CSS 211. Analysis of manufacturing and service operations encountered in industry using computer simulation techniques.
491. Seminar. 2 hrs. Prerequisite: Senior standing. Tours, guest lectures, student presentations, and discussions of the latest methods in the field.

492. Special Problems. 1-3 hrs. Prerequisites: Senior standing and approval of faculty adviser. Supervised study in area not covered by available courses.

INTERIOR DESIGN (ID)

140. Interior Design I. 3 hrs. An introduction to the field of interior design with emphasis on processes and resources of the designer.

221. Floral Design. 3 hrs. Fundamentals of floral arrangement and design.

232. Interior Materials and Installation Methods. 3 hrs. Prerequisites: ID 140 (or permission of the instructor). A study of architectural materials for interiors with an emphasis on selection, cost, installation, construction supervision, and code/standards requirements.

238. Visual Communications in Interior Design. 3 hrs. Prerequisites: ART 101, ACT 132, and ID 140 or permission of instructor. An introduction to visual communication in interior design with emphasis on orthographic and free-hand drawing and visual design terminology.

240. Interior Design II. 3 hrs. Prerequisites: ID 140, ACT 132, and ART 101 and 111 or permission of instructor. A studio course for the exploration and application of design methodology to interior environments.

320. Design Presentation Media. 5 hrs. Prerequisites: All requirements for enrollment in 300/400 level interior design studio. The application of various media and techniques for the presentation of interior design concepts.

325. History of Interior Furnishings and Decorative Arts. 3 hrs. Prerequisites: ID 140 (or permission of the instructor). A study of the historical relationships between the decorative arts, period furniture, and interior design as revealed in European, Oriental, and American furniture styles and domestic interiors from antiquity through the twentieth century.

333. Textiles for Interiors. 3 hrs. A study of the production, properties, and performance of textiles for interiors with emphasis on the selection of textiles for specific environmental applications.

334. Surface Enrichment. Prerequisites: ID 320 (with grade of "C" or better). An exploration of the methods and processes of the surface enrichment of interior furnishings and textiles.

337. Housing and House Furnishings. 3 hrs. Prerequisite: Junior or senior standing. A study of psychological, sociological, economic, and aesthetic aspects of housing and house furnishings.

339. Interior Design III. 3 hrs. Studio/lecture. Prerequisites: All requirements for enrollment in 300/400 level interior design studio, ID 232 (may be taken concurrently with ID 232). The analysis and application of architectural detailing, building systems, standards, and codes necessary for programming, problem solving and the space planning of interior spaces.

438. Portfolio Presentation. 1 hr. Prerequisites: ID 340 or ID 440. Discussion and analysis of principles, trends, and practices relevant to portfolio design and presentation for entry level and internship positions in the interior design profession.

440. Contract Design II. 5 hrs. Studio/lecture. Prerequisite: ID 232, 320 (may be taken concurrently with ID 232). Advanced problems in commercial interiors with an emphasis on hospitality, retail, medical, and/or institutional design projects.

441. Professional Practices and Procedures. 3 hrs. Prerequisite: ID 240. Application of the aspects of business to the interior design profession.

442. Interior Design Internship. 4 hrs. Prerequisites: ENG 333; ID 232, 325, 339, 340, 440, 478 (1 hr) and permission of instructor. The student must have earned a grade of "C" or better in all interior design courses and have an overall 2.50 GPA for the last 60 hours of course work completed. A practicum for the interior design student in a working-training situation with a professional interior designer.
478. Seminar in Interior Design. 1-3 hrs. Prerequisite: Junior or senior standing and permission of instructor. An in-depth study of special topics to meet current needs. May be repeated for a total of no more than seven hours.

490. Advanced Application of Design Theory. 3 hrs. Prerequisites: ENG 333; FMA 330; ID 232, 325, 339, 440 (with a grade of "C" or better). Directed in-depth research and problem solving application of a current interior design issue or a design project within the community.

492. Special Problems. 1-6 hrs. Prerequisite: 2.0 Overall GPA. Directed individual study. (Students undertaking a Seniors Honor Project will enroll in ID H492.

497. British Housing and Interiors. 3-6 hrs. Studies abroad: a series of lectures and tours by English authorities on interior design topics.

INTERNATIONAL BUSINESS (IB)

(Enrollment in courses numbered 300 or above requires at least junior standing)

492. Special Problems in International Business. 1-6 hrs. Prerequisite: Consent of Chair. Individual study on an approved topic in international business. (Students undertaking a Senior Honors Project will enroll in IB H492.)

498. International Business Seminar Abroad. 3-6 hrs. May be repeated for total of six hours. Prerequisite: Consent of Program Director. Conducted in various locations abroad: a series of lectures and discussions involving authorities on international business issues and practices.

INTERNATIONAL STUDIES (IS)

199. Study Abroad. 3-6 hrs. International study abroad for freshmen and sophomores.

490. Internship in International Studies. 3-6 hrs. Internship in a government agency, business, or community or educational organization with an international orientation. Open only to International Studies majors who have achieved junior status.

491. Senior Seminar in International Studies. 3 hrs. Undergraduate seminar required of International Studies majors.

492. Special Problems. 1-3 hrs.

496. Latin American Studies. 3-6 hrs. Lecture series and research in Latin American Studies offered abroad under the auspices of the Center for International Education.

497. European Studies. 3-6 hrs. Lecture series and research in European studies offered abroad under the auspices of the Center for International Education.

498. Asian Studies. 3-6 hrs. Lecture series and research in Asian studies offered abroad under the auspices for the Center for International Education.

499. Seminar in International Studies. 3-6 hrs. Study of selected topics in international affairs with particular attention to diplomatic, security, economic, and environmental policy analysis.

JOURNALISM (JOU)

203. Reporting. 3 hrs. Prerequisite: JOU 202. Application of news gathering techniques. Emphasis on interviewing, story idea originations and writing of original material for publication.

240. Visual Communication. 3 hrs. Introduction to visual semantics, including the cues and symbols by which images convey meaning and their impact on viewers.

241. Basic Elements of Photography. 3 hrs. Corequisite: JOU 241L. Introductory course in camera operations, exposing, developing and printing black and white photographs.

+241L. Basic Photography/Journalism Laboratory. 1 hr. Corequisite: JOU 241.

+242L. Photojournalism Laboratory. 1 hr. Corequisite: JOU 242.
301. Feature Writing. 3 hrs. Prerequisite: JOU 203. Researching and writing feature articles, particularly for the magazine markets. Analysis of the magazine medium and freelance markets.

303. Investigative Strategies for Journalists. 3 hrs. Prerequisite: JOU 203. Strategies to locate, understand and use records and documents, including nongovernment sources and computer data bases; interviewing techniques as documentary evidence.

311. Editing. 3 hrs. Prerequisite: JOU 202. Practice in the preparation of copy for print publications. Emphasizes precise language usage, news style, headline and caption writing.

312. Graphic Design. 3 hrs. Prerequisite: JOU 202. Survey of type and printing, with exercises in copy writing, design and layout of newspaper and other publications.

333. Advertising Media. 3 hrs. Prerequisite: JOU 231 and CSS 211, ECO 301, ECO 360, or SOC 460. The study of media as vehicles for advertising messages; preparation of media objectives, strategies, budgets and buying plans as integral parts of the advertising process.

402. Advanced Reporting. 3 hrs. Prerequisites: JOU 203, 303. Reporting emphasizing research, analysis, and writing about government and public institutions. Traditional and contemporary reporting strategies examined.

403. Specialized Reporting. 3 hrs. Prerequisite: JOU 203. Investigative and interpretative reporting of complex or specialized subjects. Emphasis on writing for publication.

405. Problems in Publication Production. 3 hrs. Practical training in the production of student publications and advising of staffs.

410. Practicum in Journalism. 1-3 hrs. Prerequisite: Consent of adviser. Supervised experience in news, photography, public relations, or advertising.

421. Public Relations. 3 hrs. Introduction to the professional practice of public relations, emphasizing its function and process, publics, tools and media of communication and professional ethics.

422. Public Relations Writing and Publication Design. 3 hrs. Prerequisites: JOU 202, 312, 421. Concentrates on designing total public relations packages for public, business, and non-profit organizations. Requires production of a publicity campaign.

425. Public Relations Research. 3 hrs. Prerequisite: JOU 421 and CSS 211, BA 301, PSY 360, or SOC 460. Introduction to quantitative and qualitative methods of applied, basic, and evaluative research used in developing and managing public relations programs.

429. Internship. 3 hrs. Prerequisite: Consent of adviser. Designed for students who have arranged internship in news, photography, advertising, and public relations.

431. Advertising Campaigns. 3 hrs. Prerequisite: JOU 330, 331, 333 and Senior Standing. Planning and executing advertising campaigns.

433. Problems and Cases in Advertising. 3 hrs. Prerequisites: JOU 251, 330, 333 and Senior Standing. Focus is upon problems, decisions, and decision-making processes of advertising managers with special emphasis on decision-making across the functional areas of the advertising process.

441. Photojournalism Portfolio. 3 hrs. Prerequisite: JOU 242 and 242L. Corequisite: JOU 441L. Allows completion of student portfolio entries. Emphasizes presentation formats and styles.

441L. Photojournalism Portfolio Laboratory. 1 hr. Corequisite: JOU 441.

450. History of Journalism. 3 hrs. Major events, issues, and personalities of American mass media examined within interdisciplinary framework. Historical relations of print media and public institutions emphasized.

452. Press and Society. 3 hrs. Roles and responsibilities of mass media in society. Critique of mass media performance. Media codes and controls on the media.

455. Media Ethics. 3 hrs. Examination of major moral dilemmas, issues and practices of media through lectures and case studies, with emphasis on moral decision-making.

460. Press Law and Ethics. 3 hrs. Rights and constraints of the press, with emphasis on both legal and ethical considerations. A study of libel, copyright, monopoly, contempt, regulations, and other aspects of the law as applied to mass communication.
Seminar in Journalism. 3 hrs. Examination of theoretical concepts in journalism and the setting for their application. May be repeated for maximum 6 hrs. credit.

492. Special Problems. 1-3 hrs. (Students undertaking a Senior Honors Project will enroll in JOU H492.)

498. British Studies in Photography. 3-6 hrs. Prerequisite: Consent of Instructor. Lecture and research in British photography abroad under the auspices of Anglo-American Studies.

499. British Studies in Journalism. 3-6 hrs. Prerequisite: Consent of instructor. Lecture and research in British Journalism offered abroad under the auspices of Institute of Anglo-American Studies.

LIBRARY AND INFORMATION SCIENCE (LIS)

301. Introduction to Library Resources and Usage. 1-3 hrs. A survey of library resources as well as methods and techniques for effective utilization of library materials and services.

401. Introduction to Reference Resources and Services. 3 hrs. An introduction to reference materials, services, activities, and functions as well as methods for locating information.

406. Advanced Cataloging and Classification. 3 hrs. Prerequisite: LIS 405. Advanced study of the principles and methods of descriptive and subject cataloging and classification with attention to non-print materials.

408. British Studies: History of Library Practice. 3 hrs. Prerequisite: Consent of instructor. Comparative study of library and information-related institutions, bibliographic organization, models of service and professional practice in the United States and Great Britain.

411. Development of Multi-Media Collections. 3 hrs. Philosophy and principles governing the selection and procurement of all types of library materials, including the use of selection aids and bibliographic sources for developing both print and non-print collections.

416. Utilization of Audiovisual Media and Equipment. 3 hrs. A survey of media resources and equipment with an emphasis on utilization in libraries. Provides experience with equipment.

417. Literature and Related Media for Children. 3 hrs. A survey of children’s literature, traditional and modern, and other related materials for use by and with children in grades 1-6.

418. Literature and Related Media for Adolescents. 3 hrs. Study of adolescent literature and other related materials for use by and with young people in grades 7-12.

425. Instruction and Assessment in Media Programs. 3 hrs. The assessment of individualized styles of instruction in school library media centers.

428. Storytelling. 3 hrs. Prerequisite: LIS 417 or 418. A study of oral tradition and folk literature with emphasis on selection of stories and the art and technique of storytelling. Provides practice in storytelling.

445. Sources of Information for a Multicultural Society. 3 hrs. Overview of the diversity of information resources available in print and other media for a multicultural society and the diversity of information utilization by that society.

457. Microcomputers in Libraries. 3 hrs. Examines the various applications in which microcomputers are and will be utilized in different types of information centers and libraries.

458. Internet Resources and Applications for Librarians and Informationists. 3 hrs. Introduces the practical and theoretical issues related to information collection, storage, access, and retrieval in a technologically oriented society, using Internet as the underpinning for both discussion and practical exploration.

480. British Studies: Seminar in Children’s and Young Adult Literature. 3 hrs. Prerequisite: Consent of instructor. Intensive study of specific topics of British interests in literature for children and adolescents.

487. British Studies: Research. 3 hrs. Prerequisite: Consent of instructor. Provides the opportunity for in-depth research projects.

489. Library Practicum. 1-4 hrs. Arr. Supervised work in a library to provide the student with operational library experience.
491. The Library Media Center and the School Curriculum. 3 hrs. Examines the relationship of the media center program in the school curriculum with emphasis on the role of the media specialist.

491L. The Library Media Center and the School Curriculum Methods Lab. 1 hr. Concurrent: LIS 491. A laboratory practicum designed to accompany LIS 491.

492. Special Problems in Librarianship. 1-3 hrs. Individual investigation of topics to be approved by the director. (Students undertaking a Seniors Honor Project will enroll in LIS H492.)

493. Issues in Public Librarianship. 3 hrs. Considers problems involved in the administration and supervision of public libraries. Emphasizes topics relevant to participants.

494. Student Teaching in Library Science I. 7 hrs.

495. Student Teaching in Library Science II. 7 hrs.

MANAGEMENT (MGT)

(Enrollment in Management courses requires at least junior standing.)

300. Management for Organizations. 3 hrs. Managerial functions, concepts, and practices within organizations.

304. Decision Models. 1.5 hrs. Prerequisite: MGT 300. An introduction to the use of quantitative methods for managerial decision making, including decision analysis, linear programming, and simulation.

350. Quality Management. 1.5 hrs. Prerequisite: MGT 300. An introduction to the principles of total quality management (TQM).

364. Human Resource Management. 3 hrs. Prerequisite: MGT 300. Emphasis on procuring, developing, maintaining, and utilizing an effective work force within the current legal and social environment.

400. Global Managerial Policy and Strategy. 3 hrs. Prerequisites: Senior standing with ACC 300 or 320, FIN 300, MGT 300, and MKT 300. Business administration and strategy in a global environment.

454. Organizational Behavior. 3 hrs. Prerequisite: MGT 300. A study of individual and group behavior in organizations, including motivation, leadership, and communication.

455. Organization Theory. 3 hrs. Prerequisite: MGT 300. To develop an understanding of the impact of the interaction of structure, environment, technology, and climate on organizational effectiveness.

465. Production and Operations Management. 3 hrs. Prerequisites: BA 301 and MGT 300. Development of the P.O.M. functions of production planning and control, inventory control, quality control, and materials handling.

468. Compensation Administration. 3 hrs. Prerequisite: MGT 300. Wage and salary administration including job analysis, incentive systems, wage survey, and fringe benefits.

472. Labor Relations. 3 hrs. Prerequisite: MGT 300. An integrated study of current law, practice, and policy; cases and role playing.

475. Entrepreneurship/Small Business Management. 3 hrs. Prerequisite: MGT 300. Theories and applications related to unique challenges of initiating and/or operating a small business.

480. Current Issues in Management. 3 hrs. Prerequisite: Completion of business core and senior standing. A comprehensive course designed to synthesize management topics and relations with current opportunities and problems facing businesses.

482. Small Business Operations Management. 3 hrs. Prerequisite: MGT 475. A case approach to entrepreneurship.

492. Special Problems in Management. 1-6 hrs. Prerequisite: Consent of Chair. Individual study on an approved topic in management. (Students undertaking a Senior Honors Project will enroll in MGT H492.)

495. International Management. 3 hrs. Prerequisite: MGT 300. A course concentrating on the comparison of problems in management in the U.S. with those of multi-national farms.

499. International Management Research Abroad. 3 hrs. Prerequisite: Consent of Program Director. A research course in international management offered to students enrolled in MGT 498.
MANAGEMENT INFORMATION SYSTEMS (MIS)
(Enrollment in courses numbered 300 or above requires at least junior standing.)

201. Introduction to Business Computer Concepts. 1 hr. Introduction to computer operating systems and concepts in the business environment. (For students with advanced experience in word processing and DOS, a challenge exam may be granted with permission from the Chair of Management and MIS.)

202. Introduction to Business Spreadsheets. 1 hr. Introduction to the use of spreadsheets in the business environment. (For students with advanced experience in spreadsheets, a challenge exam may be granted with permission from the Chair of Management and MIS.)

203. Introduction to Business Database. 1 hr. Introduction to the use of databases in the business environment. (For students with advanced experience in database management, a challenge exam may be granted with permission from the Chair of Management and MIS.)

204. Introduction to Business Systems Topics. 1 hr. Introduction to current topics and application in business information systems.

300. Management Information Systems. 3 hrs. Prerequisites: MIS 201 and 202. An introduction to management information systems.

309. Business Process Systems and Control. 3 hrs. Prerequisite: MIS 300 with a C or better. An examination of the basic processing cycles used to process accounting and operational data in business systems.

310. Systems Analysis and Design. 3 hrs. Prerequisites: MIS 300 and MIS 309 with grades of C or better. The tools, techniques, and concepts of analysis and design of business information systems.

315. Applications Program Development. 3 hrs. Prerequisite: MIS 310. The interactive development of business problems, utilizing advanced data structure and file maintenance.

320. Advanced Microcomputer Applications. 3 hrs. Prerequisites: MIS 300 with a C or better. An advanced course in the use of business microcomputers for decision support and information retrieval.

392. Supervised Field Experience in MIS. 1-3 hrs. Prerequisite: MIS 300 with grade no lower than B and permission of instructor. Supervised field-based internship in management information systems.

401. Database Management Systems. 3 hrs. Prerequisite: MIS 310 with a C or better. The theory and practice of database design. Software packages are used to design business information systems.

406. Data Communications. 3 hrs. Prerequisite: MIS 300 with a C or better. A course on the wide range of modern business systems, including transmission protocols, networking, and the management of distributed computer systems.

408. Business Operating Systems. 3 hrs. Prerequisite: MIS 300 with a C or better. The application and structure of various operating systems to the business environment.

412. Systems Analysis and Design Applications. 3 hrs. Prerequisites: MIS 315, MIS 401, MIS 406, MIS 320/408 with grades of C or better and must be in semester of graduation. A continuation of MIS 310. The course focuses on the design of practical business information systems.

492. Special Problems in Management Information Systems. 1-6 hrs. Prerequisite: Consent of Chair. Individual study on an approved topic in management information systems. (Students undertaking a Senior Honors Project will enroll in MIS H492.)

MANUFACTURING TECHNOLOGY (MFG)

200. World of Manufacturing. 3 hrs. Manufacturing and society; emphasis on how a product is made, marketed and serviced; materials and design; newer technologies. May not be applied to a degree in engineering technology.

MARINE SCIENCE (MAR)

151. Introduction to Ocean Science. 3 hrs. Survey of the physical, chemical, geological and biological features of the ocean. May be taken as GLY 151.

151L. Introduction to Ocean Science Laboratory. 1 hr. Pre- or Corequisite: MAR 151. Elementary exercises for interpreting oceanographic data and samples. May be taken as GLY 151L.

300. Marine Science I: Oceanography. 3 hrs. Prerequisites: college algebra, 8 hours of chemistry and 8 hours biological sciences. For upper division science majors. An introduction to biological, chemical, geological, and physical marine sciences.

300L. Marine Science I Laboratory. 2 hrs. A laboratory for MAR 300.
301. Marine Science II: Marine Biology. 3 hrs. Prerequisites: 8 hours of biological sciences. An introduction to marine biology with emphasis on local fauna and flora.

301L. Marine Science II Laboratory. 2 hrs. A laboratory for MAR 301.

401. Biological Oceanography. 3 hrs. Prerequisite: Permission of instructor. Biological processes in the ocean and the influence of biotic and abiotic factors on these processes.

401L. Biological Oceanography Laboratory. 1 hr. A laboratory designed to accompany MAR 401.

402. Marine Environmental Science. 3 hrs. A study of the problems that affect the coastal and nearshore environments of the Gulf of Mexico.

403. Marine Invertebrate Zoology. 3 hrs. Prerequisites: 16 hours of biology. Morphology, distribution, and ecology of the phyta Protozoa through Protochordates.

403L. Marine Invertebrate Zoology Laboratory. 3 hrs. A laboratory for MAR 403.

404. Parasites of Marine Animals. 3 hrs. Prerequisite: Consent of instructor. Emphasis on morphology, taxonomy, life histories, and host-parasite relationships.

404L. Parasites of Marine Animals Laboratory. 3 hrs. A laboratory for MAR 404.

405. Marine Ecology. 3 hrs. Prerequisite: 16 hours of biological sciences. The relationship of marine organisms to their environment.

405L. Marine Ecology Laboratory. 2 hrs. A laboratory for MAR 405.

406. Fauna and Faunistic Ecology of Tidal Marshes. 2 hrs. Prerequisite: Consent of instructor. Taxonomy, distribution, trophic relationships, reproductive strategies and adaptation of tidal marsh animals. May be taken as BSC 448.

406L. Fauna and Faunistic Ecology of Tidal Marshes Laboratory. 3 hrs. A laboratory for MAR 406. May be taken as BSC 448L.

407. Marine Aquaculture. 3 hrs. Problems and procedures relating to the culture of commercially important crustaceans, fish, and mollusks.

407L. Marine Aquaculture Laboratory. 3 hrs. A laboratory for MAR 407.

408. Marine Ichthyology. 3 hrs. Prerequisite: 16 hours of biology. Marine fishes including evolutionary relationships, morphology, physiology, and zoogeography.

408L. Marine Ichthyology Laboratory. 3 hrs. A laboratory for MAR 408.

409. Marine Microbiology. 3 hrs. Prerequisite: General Microbiology. An introduction to the role of microorganisms in overall ecology of the oceans and estuaries.

409L. Marine Microbiology Laboratory. 2 hrs. A laboratory for MAR 409.

410. Marine Fisheries Management. 2 hrs. Prerequisite: Consent of instructor. An overview of practical marine fishery management problems. (May be taken as BSC 449.)

410L. Marine Fisheries Management Laboratory. 2 hrs. Corequisite for MAR 410.

420. Marine Physiology. 2 hrs. Prerequisite: 10 hours of biology including botany. A survey, based upon local examples, of the principal groups of marine algae.

420L. Marine Physiology Laboratory. 2 hrs. A laboratory for MAR 420.

421. Coastal Vegetation. 2 hrs. Prerequisite: 10 hours of biology, including general botany. A study of general and specific aspects of coastal vegetation, with emphasis on local examples.

421L. Coastal Vegetation Laboratory. 1 hr. A laboratory for MAR 421.

422. Salt Marsh Plant Ecology. 2 hrs. The botanical aspects of local marshes; includes plant identification, composition, and structure.

422L. Salt Marsh Plant Ecology Laboratory. 2 hrs. A laboratory for MAR 422.

423. Marine Mammals. 2 hrs. Prerequisite: 16 hours biological sciences or permission of instructor. Corequisite: MAR 423L.

Course will emphasize natural history and population ecology of cetaceans. Will include life history, distribution, population dynamics, diet and feeding, social behavior, evolution, and zoogeography.

430. Comparative Histology of Marine Organisms. 3 hrs. Prerequisite: Consent of instructor. Histology of marine organisms, including tissue processing techniques.

430L. Comparative Histology of Marine Organisms Laboratory. 3 hrs. A laboratory for MAR 430.
441. Marine Chemistry. 3 hrs. Prerequisite: Permission of instructor. Sea water chemistry and cycles and their impact on the marine environment.

441L. Marine Chemistry Laboratory. 1 hr. A laboratory for MAR 441.

443. Environmental Estuarine Chemistry. 3 hrs. Prerequisites: BSC 111, CHE 256, MAT 179, or permission of instructor. Corequisite: MAR 443L. Sources, reactions, transport, fate and effects of environmental chemical species in aquatic environments with special emphasis on estuaries.

443L. Environmental Estuarine Chemistry Laboratory. 1 hr. Corequisite: MAR 443. A laboratory for MAR 443.

456. Techniques in Marine Science Education. 3 hrs. Marine resources of Mississippi. May be taken as SCE 456.

457. Marine Science for Teachers. 3 hrs. Prerequisite: MAR/SCE 456 or permission of instructor. Advance topics in marine science. May be taken as SCE 457.

458. Marine Science for Elementary Teachers. 3 hrs. Prerequisite: Permission of instructor. May be taken as SCE 435.

459. Coastal Ecology for Teachers. 3 hrs. Prerequisite: Permission of instructor. Corequisite: MAR 459L. Designed to provide teachers with a background in basic coastal ecology. (May be taken as SCE 459.)

459L. Coastal Ecology for Teachers Laboratory. 1 hr. Prerequisite: Permission of instructor. Corequisite: for MAR 459. (May be taken as SCE 459L.)

461. Physical Oceanography. 3 hrs. Prerequisites: PHY 112 or 202 and MAT 179 or permission of instructor. An introduction to the physical properties of the oceans.

461L. Physical Oceanography Laboratory. 1 hr. A laboratory for MAR 461.

466. Acoustics. 3 hrs. Prerequisites: MAT 471 or permission of instructor. Principles of the generation, transmission and reception of acoustic waves.

481. Geological Oceanography. 3 hrs. Prerequisite: Permission of instructor. Study of the formation and deformation of the oceanic crust and the distribution and character of marine sediments.

481L. Geological Oceanography Laboratory. 1 hr. A laboratory for MAR 481.

482. Coastal Marine Geology. 3 hrs. Prerequisite: 6 hours in geology. Inshore and nearshore geological processes, sedimentation patterns, and land forms. May be taken as GLY 431.

485. Microcomputer Applications in Marine Science Instrumentation. 3 hrs. Introduction to programming and hardware concepts relevant for marine science applications.

490. Special Problems in Marine Science. 1-6 hrs. Prerequisite: Consent of instructor. Independent research.

491. Special Topics in Marine Science. 1-6 hrs. Prerequisite: Consent of instructor. Directed study in area for which no formal courses are offered.

MARKETING (MKT)

(Enrollment in Marketing courses requires at least junior standing.)

300. Principles of Marketing. 3 hrs. A study of the marketing function in organizations.

322. Creative Marketing. 3 hrs. Prerequisite: MKT 300. An introductory course in problem-solving techniques which emphasizes creative problem-solving methodology, information processing strategies, and interpersonal behavior in task-oriented groups applied to marketing.

330. Professional Selling. 3 hrs. Prerequisite: MKT 300. An analysis of the ethics, functions, and techniques of professional selling using a behavioral and managerial approach.

355. Principles of Advertising. 3 hrs. Prerequisite: MKT 300. An introduction to the field of advertising including the background and social impact of today’s advertising, media selection, copywriting, layout, visualization, and typography.

365. Consumer Behavior. 3 hrs. Prerequisite: MKT 300. Analysis of human behavior in the market place. Emphasis is placed on applying concepts from the social sciences to understanding consumer decision processes, buying patterns, and consumer research.

370. Principles of Purchasing. 3 hrs. Prerequisite: MKT 300. An introduction to the principles of purchasing in industrial and nonprofit organizations.

380. Industrial Marketing. 3 hrs. Prerequisite: MKT 300. A survey of business-to-business marketing practices with emphasis on commercial, institutional, and governmental organizations.

424. Marketing Research. 3 hrs. Prerequisites: MKT 300 and BA 303. A study of the systems, methods, and procedures used in meeting the informational needs of managers in the marketing area for both quantitative and qualitative marketing data.
428. Marketing Management. 3 hrs. Prerequisite: Completion of business core and senior standing. A comprehensive course designed to synthesize the more specialized marketing knowledge of the student through the study of case histories.

430. Sales Management. 3 hrs. Prerequisites: MKT 300 and MKT 330. A study of the methods and procedures involved in selection, training, organization, compensation, supervision, and evaluation of the sales force, using the modified case method of instruction.

444. Retail Management and Strategy. 3 hrs. Prerequisite: MKT 300. An examination of specific problem areas in retail innovations, spatial competition, and retail mix development.

458. Promotion Management. 3 hrs. Prerequisite: MKT 300. A practical application and integration of the basic principles from the areas of advertising, personal selling, sales promotion, public relations, and publicity. A modified case approach is used in the course.

492. Special Problems in Marketing. 1-6 hrs. Prerequisite: Consent of Chair. Individual study on an approved topic in marketing. (Students undertaking a Senior Honors Project will enroll in MKT H492.)

495. International Marketing. 3 hrs. Prerequisites: MKT 300 and MGT 300. The economic, political, and cultural aspects of international business operations.

499. International Marketing Research Abroad. 3 hrs. Prerequisite: Consent of Program Director. A research course in international marketing offered for students enrolled in MKT 498.

MATHEMATICS (MAT)

090. Developmental Mathematics. 3 hrs. Basic arithmetic skills review and strong concentration on beginning algebra. Open only to Developmental Education Program students.

099. Intermediate Algebra. 3 hrs. Required of all entering freshmen with a sub-standard ACT mathematics score. Does not satisfy any University core or degree requirements. Meets 250 contact minutes per week. (CC 1233)

101. College Algebra. 3 hrs. Prerequisite: Two years of high school algebra or MAT 099. Polynomials, factoring, functions and graphs, linear and quadratic equations and inequalities. (CC 1313)

102*. Finite Mathematics and Introduction to Calculus. 3 hrs. Prerequisite: MAT 101. Matrices and systems of equations, introduction to calculus. (CC 1333, 1423, 1513)

103. Plane Trigonometry. 3 hrs. Prerequisite: Two years of high school algebra or the equivalent. Trigonometric functions and their inverses, trigonometric identities and equations, solutions of triangles, logarithms. (CC 1323)

128. Precalculus Mathematics. 3 hrs. Prerequisite: High school trigonometry. Functions, analytic geometry, sequences, series, mathematical induction.

(The above courses are open only to freshmen. Other students desiring to take these courses must have approval from the Chair of the Department of Mathematics. Only two of the following can be taken for credit: MAT 101, MAT 103, and MAT 128.)

136. Applied Calculus for Engineering Technology I. 3 hrs. Prerequisite: MAT 103. Plane analytic geometry, differentiation and integration with applications to curvilinear motion, related rates, curve sketching and areas. (A student who receives credit for any other calculus course cannot use this course to satisfy any degree requirements in the College of Science and Technology.)

137. Applied Calculus for Engineering Technology II. 3 hrs. Prerequisite: MAT 136. Continuation of techniques of differentiation and integration. Areas, volumes, centroids, moments of inertia, and an introduction to first and second order differential equations. (A student who receives credit for MAT 168, 169, or 179 cannot use this course to satisfy any degree requirements in the College of Science and Technology.)

167. Calculus I with Analytic Geometry. 3 hrs. Prerequisite: MAT 103 or 128 or equivalent. A graphical, numerical, and symbolic introduction to functions, derivatives, and integration emphasizing concepts and applications. (CC 1613)

168. Calculus II with Analytic Geometry. 3 hrs. Prerequisite: MAT 167 or 178. Reconstructing a function from its derivative, techniques and applications of integration, different equations, and an introduction to approximation via Taylor series and Fourier series.

169. Calculus III with Analytic Geometry. 4 hrs. Prerequisite: MAT 168. Multivariable functions, vectors, partial and directional derivatives, optimization, techniques and applications of multiple integrals, and parametric curves and surfaces.
178. Differential and Integral Calculus with Analytic Geometry I. 5 hrs. Prerequisite: MAT 103. Functions, limits, derivatives and their applications, definite and indefinite integrals with applications, and selected topics from analytic geometry. (CC 1815)

179. Differential and Integral Calculus with Analytic Geometry II. 5 hrs. Prerequisite: MAT 168 or 178. Transcendental functions, techniques of integration, infinite series, L'Hopital's rule, improper integrals, Taylor's formula, and selected topics from analytic geometry. (CC 1825)

210*. Mathematics for Elementary Teachers I. 3 hrs. Prerequisite: MAT 101. Problem solving, logic, sets, whole numbers, and whole number arithmetic. (Open only to elementary and special education majors.) (CC 1723)

220. Explorations in the Mathematics Classroom. 1 hr. Prerequisite: None. Ten hours of secondary classroom observations together with five hours of seminar under the direction of a mathematics faculty member.

280. Multivariable Calculus. 3 hrs. Prerequisite: MAT 169 or 179. Differential calculus of several variables, directional derivatives, partial derivatives, the chain rule, extrema problems, double and triple integrals and their applications. (CC 2623)

308. Mathematics for Early Childhood Education. 3 hrs. Prerequisite: MAT 210. Problem solving, ordering, comparing, classifying, numberless, money, time, measurement, and geometry. (Open only to elementary and special education majors.)

309. Mathematics for Elementary Teachers II. 3 hrs. Prerequisite: MAT 210. Integers, rational numbers, structure of the real numbers, ratios, percents, proportions, problem solving, statistics and probability. (Open only to elementary and special education majors.)

310*. Mathematics for Elementary Teachers III. 3 hrs. Prerequisite: MAT 210. Basic concepts of 2-dimensional and 3-dimensional geometry, motion geometry, and measurement. (Open only to elementary and special education majors.)

312*. Applied Calculus for Business and Social Sciences. 3 hrs. Prerequisite: MAT 102. Elementary functions, differential and integral calculus with applications. (A student who receives credit for any other calculus course cannot use this course to satisfy any degree requirements in the College of Science and Technology.)

314. Calculus for the Arts and Sciences. 3 hrs. Prerequisite: MAT 103. An introduction to functions, graphs, continuity, differential and integral calculus, with applications to the arts and life sciences. (A student who receives credit for any other calculus course cannot use this course to satisfy any degree requirements in the College of Science and Technology.)

316. Applied Linear Algebra. 3 hrs. Prerequisite: MAT 169 or 179. Matrices, systems of linear equations, eigenvalues and eigenvectors, and matrix calculus.

340. Discrete Mathematics. 3 hrs. Corequisite: MAT 167 or 178. Logic, set theory, and selected topics from algebra, combinatorics, and graph theory. (Should be taken prior to completion of the calculus sequence.)

370. Introductory Geometry. 3 hrs. Introduction to the pedagogy of elementary Euclidean geometry and formulas related to two and three-dimensional space. (Open only to those students preparing to teach mathematics in grades 7-12.)

410. Mathematics for Teachers of Junior High School Mathematics. 3 hrs. The real number system and major subsystems, introduction to algebra, informal geometry, consumer mathematics and introduction to BASIC programming. (Open only to elementary and special education majors.)

417. Introduction to Partial Differential Equations. 3 hrs. Prerequisite: MAT 285. Integrability conditions, quasilinear equations, applications of physics, classification of second order equations and canonical forms, and separation of variables.

418*. Linear Programming. 3 hrs. Prerequisite: MAT 326. Convex sets, linear inequalities, extreme-point solutions, simplex procedure, and applications.

419*. Optimization in Mathematical Programming. 3 hrs. Prerequisites: MAT 280 and 418. Selected topics in optimization from linear and nonlinear programming.

<td>Modern Algebra II</td>
<td>3 hrs.</td>
<td>MAT 423</td>
<td>Survey of standard algebraic systems; rings, integral domains, fields, modules, polynomial rings, and fields of quotients.</td>
</tr>
<tr>
<td>426</td>
<td>Linear Algebra II</td>
<td>3 hrs.</td>
<td>MAT 326</td>
<td>Determinants; polynomials; complex numbers; single linear transformations; orthogonal, unitary and symmetric linear transformations.</td>
</tr>
<tr>
<td>430</td>
<td>Advanced Engineering Mathematics I</td>
<td>3 hrs.</td>
<td>MAT 280 and 285</td>
<td>Introduction to Laplace transforms and Fourier series with emphasis on solving ordinary and simple partial differential equations. (Does not count as an upper-level mathematics elective.)</td>
</tr>
<tr>
<td>431</td>
<td>Advanced Engineering Mathematics II</td>
<td>3 hrs.</td>
<td>MAT 430</td>
<td>Vector calculus and an introduction to complex variables with emphasis on integral theorems and integration. (Does not count as an upper-level mathematics elective.)</td>
</tr>
<tr>
<td>436</td>
<td>Theory of Functions of a Complex Variable I</td>
<td>3 hrs.</td>
<td>MAT 280</td>
<td>Complex numbers and functions, limits, continuity, differentiation, analytic functions, branches, contour integration, and series.</td>
</tr>
<tr>
<td>437</td>
<td>Graph Theory</td>
<td>3 hrs.</td>
<td>MAT 340</td>
<td>An introduction to graphs and a sampling of their numerous and diverse applications.</td>
</tr>
<tr>
<td>439</td>
<td>Combinatorics</td>
<td>3 hrs.</td>
<td>MAT 169 or 179, 326, and 340</td>
<td>Counting and enumeration techniques, inversion formulas and their applications, and counting schemata relative to permutations of objects.</td>
</tr>
<tr>
<td>441</td>
<td>Advanced Calculus I</td>
<td>3 hrs.</td>
<td>MAT 280 and 340</td>
<td>Point set theory, sequences, continuity, uniform continuity, limits, mean value theorems, and L'Hospital’s rule.</td>
</tr>
<tr>
<td>442</td>
<td>Advanced Calculus II</td>
<td>3 hrs.</td>
<td>MAT 441</td>
<td>Riemann integration, Taylor’s theorem, improper integrals, infinite series, and uniform convergence.</td>
</tr>
<tr>
<td>457</td>
<td>Methods in Mathematics-Secondary</td>
<td>3 hrs.</td>
<td>MAT 280, 340, 316 or 326, and 385</td>
<td>A course designed to give the students a knowledge of the objectives, curriculum problems, and organization and methods of teaching secondary school mathematics. (Does not count as an upper-level mathematics elective.)</td>
</tr>
<tr>
<td>457L</td>
<td>Methods in Mathematics-Secondary Laboratory</td>
<td>1 hr.</td>
<td>Corequisite: MAT 457</td>
<td>A practicum with a minimum of 15 contact hours in a school setting. (Does not count as an upper-level mathematics elective.)</td>
</tr>
<tr>
<td>460</td>
<td>Numerical Analysis I</td>
<td>3 hrs.</td>
<td>MAT 280, 326, and knowledge of a programming language.</td>
<td>Methods of solving equations and systems of equations, error analysis, and difference equations.</td>
</tr>
<tr>
<td>461</td>
<td>Numerical Analysis II</td>
<td>3 hrs.</td>
<td>MAT 285 and 460</td>
<td>Interpolating polynomials, numerical differentiation and integration, numerical solutions of differential equations, and roundoff error.</td>
</tr>
<tr>
<td>472</td>
<td>Modern Geometry</td>
<td>3 hrs.</td>
<td>MAT 280, 316 or 326, and 340</td>
<td>Heuristic and analytic treatment of a branch of modern geometry, such as projective or differential geometry.</td>
</tr>
<tr>
<td>475</td>
<td>General Topology</td>
<td>3 hrs.</td>
<td>MAT 169 or 179, and 340</td>
<td>General topological spaces, bases and subbases, and continuity.</td>
</tr>
<tr>
<td>481</td>
<td>History of Mathematics</td>
<td>3 hrs.</td>
<td>MAT 167 or 178</td>
<td>The history of mathematics from antiquity through the 17th century. Also offered as HUM 481. (Does not count as an upper-level mathematics elective.)</td>
</tr>
<tr>
<td>485</td>
<td>Mathematical Modeling</td>
<td>3 hrs.</td>
<td>MAT 280, 385, 316 or 326, and a programming language.</td>
<td>An introduction to mathematical modeling using case studies. Projects and presentations are required.</td>
</tr>
<tr>
<td>+489</td>
<td>Student Teaching in Mathematics I</td>
<td>7 hrs.</td>
<td>Approval of the Director of Student Teaching. Corequisite: MAT 490.</td>
<td></td>
</tr>
<tr>
<td>+490</td>
<td>Student Teaching in Mathematics II</td>
<td>7 hrs.</td>
<td>Approval of the Director of Student Teaching. Corequisite: MAT 489.</td>
<td></td>
</tr>
<tr>
<td>492</td>
<td>Special Problems I, II</td>
<td>1-3 hrs.</td>
<td>Approval of department chair. Students undertaking a Senior Honors Project will enroll in MAT H492.</td>
<td></td>
</tr>
<tr>
<td>494</td>
<td>Undergraduate Mathematics Seminars I, II</td>
<td>1 hr.</td>
<td>Consent of instructor. Topics of current interest.</td>
<td></td>

</table>

*Students will use University computers and appropriate software as a part of course requirements.*
MECHANICAL ENGINEERING TECHNOLOGY (MET)

321. Tools and Fixture Design. 3 hrs. Prerequisite: ENT 110. Corequisite: MET 321L. Design and fabrication of production tools, jigs, gages, etc., with emphasis on dimensional control.

321L. Mechanical Engineering Technology Laboratory. 0 hr. Corequisite: MET 321.

322. Applied Dynamics. 3 hrs. Prerequisite: ENT 240. Fundamentals of dynamics; kinetics, periodic motion, and energy methods.

323. Fluid Mechanics and Hydraulics. 3 hrs. Prerequisite: ENT 240. Fluid statics and applications of fluid dynamics principles to the analysis and design of fluid systems.

323L. Hydraulics Laboratory. 1 hr.

324. HVAC Design I. 3 hrs. Prerequisite: ENT 330. Corequisite: MAT 137, MET 331L. Basic A/C principles and concepts as applied to large commercial systems.

324L. HVAC Laboratory. 1 hr. Corequisite: MET 334.

331. Internal Combustion Engines. 3 hrs. Prerequisite: ENT 300. Corequisite: MET 341. Design of spark and compression ignition internal combustion engines.

331L. Internal Combustion Engines Laboratory. 1 hr. Corequisite: MET 341.

350. Special Problems. 1-3 hrs. Prerequisites: Junior standing and approval of faculty adviser. Individual or group study in an area not covered by available courses.

400. Senior Project. 3 hrs. Prerequisites: Senior standing and approval of faculty adviser. Student required to complete a project in his area of specialization.

401. Senior Project. 3 hrs. Continuation of MET 400.

410. Production Materials. 3 hrs. Prerequisite: CHE 104 or equivalent. Study of properties of materials for cutting, drilling, forming, and heat treating operations.

411. Industrial Testing. 3 hrs. Prerequisite: ENT 340. Corequisite: MET 411L. Destructive and nondestructive testing of materials and structures.

411L. Mechanical Engineering Technology Laboratory. 0 hr. Corequisite: MET 411.

420. Robotics. 2 hrs. Prerequisites: MET 322 and ENT 470 or permission of instructor. Corequisite: MET 420L. Fundamentals of hydraulic, pneumatic, and electrically- controlled industrial robots. Robot geometry, installation and applications in industrial processes.

420L. Robotics Laboratory. 1 hr. Corequisite: MET 420.

492. Special Problems. 1-3 hrs. Prerequisites: Senior standing and approval of faculty adviser. Supervised study in an area not covered by available courses.

MEDICAL TECHNOLOGY (MTC)

101. Introduction to Medical Technology. 1 hr. An introduction for incoming students to the scope, objectives, and requirements for a career in medical technology.

102. Introduction to Allied Health Professions. 1 hr. Introduction to careers in allied health professions including roles, work responsibilities, interaction with patients, educational requirements, salary potential, and employment trends.

103. The Internet and Medicine. 1 hr. Evaluation of internet sources and proper utilization of sources will be explored.

201. Medical Terminology. 2 hr. A study of terms used in health related professions.

300. Applied Clinical Procedures. 2 hr. Prerequisite: a minimum overall GPA of 2.5, "C" or better in MAT 101, MAT 102 or Calculus, CHE 106/106L, and CHE 107/107L. Corequisite: MTC 300L. Must be taken with or before other MTC 300 level courses. An introduction to clinical laboratory safety, instrumentation, mathematics, and analytical techniques.

300L. Applied Clinical Procedures Laboratory. 2 hrs. Prerequisite: a minimum overall GPA of 2.5, "C" or better in MAT 101, MAT 102 or Calculus, CHE 106/106L, and CHE 107/107L. Corequisite: MTC 300. Must be taken with or before other MTC 300 level courses. A laboratory emphasizing clinical laboratory safety, instrumentation, mathematics, and analytical techniques.

302. Clinical Bacteriology I. 3 hrs. Prerequisites: MTC 300, 300L, BSC 380, 380L or permission of instructor. Corequisite: MTC 302L. Evaluation of clinical specimens with regard to pathogenic microorganisms.
302L. Clinical Bacteriology I Laboratory. 2 hrs. Prerequisite: MTC 300, 300L, BSC 380, 380L or permission of instructor. Corequisite: MTC 302.

306L. Fundamentals of Hematology Laboratory. 2 hrs. Prerequisite: MTC 300, 300L, Corequisite: MTC 306.

309. Clinical Chemistry I. 3 hrs. Prerequisite: MTC 300, 300L, CHE 420, 420L or permission of instructor. Corequisite: MTC 309L. An introduction to the basic principles and methodology of clinical chemistry.

309L. Clinical Chemistry I Laboratory. 2 hrs. Prerequisite: MTC 300, 300L, CHE 420, 420L, or permission of instructor. Corequisite: MTC 309.

401. Body Fluids. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 401L. Analysis of the physical, chemical, and microscopic parameters of urine and other body fluids.

401L. Body Fluids Laboratory. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 401.

402. Clinical Bacteriology II. 3 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 402L. Laboratory methods of isolation, identification, and other testing of pathogenic bacteria and their etiologic role in disease.

402L. Clinical Bacteriology II Laboratory. 2 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 402.

403. Clinical Mycology. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 403L. The study of pathogenic fungi. Emphasis is placed on laboratory methods of isolation and identification of medically important fungi.

403L. Clinical Mycology Laboratory. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 403.

404. Clinical Parasitology. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 404L. The study of medically significant protozoan and helminthic parasites and their vectors. Emphasis is placed on laboratory methods of detection and identification of these organisms.

405. Clinical Parasitology Laboratory. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 405.

406. Hematology I. 3 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 406L. The study of blood cells and their abnormalities with emphasis on procedures of laboratory examination.

406L. Hematology I Laboratory. 2 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 406.

407L. Clinical Immunodiagnostics I Laboratory. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 407.

408. Clinical Immunohematology. 3 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 408L. The theory and techniques of donor selection, processing blood for transfusion, and resolving incompatibilities.

408L. Clinical Immunohematology Laboratory. 2 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 408.

409. Clinical Chemistry II. 3 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 409L. The qualitative and quantitative chemical analysis of blood, urine, cerebrospinal fluid, and other body fluids.

409L. Clinical Chemistry II Laboratory. 2 hrs. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 409.

410. Special Chemistry. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 410L. Introduction to therapeutic drug monitoring and clinical toxicology with special emphasis on pathophysiology and analyte measurement.

410L. Special Chemistry Laboratory. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 410.

411. Coagulation. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 411L. The study of hemostasis in the human and its application to clinical laboratory testing, normal and abnormal.

411L. Coagulation Laboratory. 1 hr. Prerequisite: Admission to the Senior Practicum. Corequisite: MTC 411.

412. Principles of Clinical Administration and Education. 1 hr. Prerequisite: Admission to the Senior Practicum. Introduction of basic principles of clinical laboratory administration and education.

451. Urinalysis. 1 hr. Prerequisite: Admission to the Senior Practicum. Clinical education at one of the affiliated hospital laboratories.

452. Clinical Microbiology. 4 hrs. Prerequisite: Admission to the Senior Practicum. Clinical education at one of the affiliated hospital laboratories.
456. Hematology II. 3 hrs. Prerequisite: Admission to the Senior Practicum. Clinical education at one of the affiliated hospital laboratories.

457. Clinical Immunodiagnostics II. 1 hr. Prerequisite: Admission to the Senior Practicum. Clinical education at one of the affiliated hospital laboratories.

458. Blood Bank. 3 hrs. Prerequisite: Admission to the Senior Practicum. Clinical education at one of the affiliated hospital laboratories.

459. Clinical Chemistry III. 4 hrs. Prerequisite: Admission to the Senior Practicum. Clinical education at one of the affiliated hospital laboratories.

461. Oncology. 3 hrs. Prerequisite: Biochemistry or Molecular Biology or permission of instructor. An introduction to the biological and clinical aspects of cancer.

492. Special Problems in Medical Technology I, II, III, IV. 1-8 hrs. Assignments of a specific clinical problem in medical technology under faculty direction. (Students undertaking a Seniors Honor Project will enroll in MTC H492.)

MILITARY SCIENCE (MS)

Basic Military Science

(GS 101, University Success Skills, is taught by the Department of Military Science as well as many other departments. All sections are counted for credit toward freshman-level Military Science. Military-taught students may participate in adventure training exercises.)

100L. Leadership Laboratory. 1 hr. Supplemental to MS 111 and MS 114. A hands-on application of concepts taught in MS 111 and MS 114 with emphasis on Adventure Training and outdoor activities, such as rappelling, canoeing, and paintball.

111. Eagle Challenge. 2 hrs. An introduction to leadership and the Armed Forces. Course topics include small group leadership, first aid, canoeing, marksmanship, and Adventure training such as rappelling and paintball. Leadership practicum included in course instruction.

114. General Military Science I. 2 hrs. Basic leadership and training techniques. Students gain an exposure to military skills and traditions. Study areas include adventure training, map reading, military customs, and leadership concepts. Leadership practicum included in course instruction.

120. Military Fitness Principles. 1 hr. Supplemental to MS 111, 114, 211, and 214. An applied program of military fitness, to include personal and small unit fitness training techniques. Open only to enrolled Basic Course ROTC cadets.

200L. Leadership Laboratory. 1 hr. Supplemental to MS 211 and 214. A hands-on application of concepts taught in MS 211 and 214 with emphasis on Adventure Training and outdoor activities, such as rappelling, canoeing, and paintball.

211. Dynamics of Leadership. 2 hrs. Familiarizes the student with basic leadership and technical military skills. These skills include leadership, map reading, first aid, and communicative skills. Leadership practicum included in course instruction.

214. Leadership in Action. 2 hrs. An introduction to leadership action skills with emphasis on beliefs, values, ethics, counseling techniques and group interaction skills. Leadership practicum included in course instruction.

250. ROTC Basic Camp. 1-6 hrs. Six weeks of training at Fort Knox, Kentucky, conducted during the summer months for students who did not complete advanced course prerequisites during the freshman or sophomore academic years.

Advanced Military Science

301. Individual and Small Unit Tactical Training. 4 hrs. Prerequisites: Approval by Professor of Military Science. A study of the fundamentals of offensive and defensive tactics as pertains to the individual, squad, and platoon. Includes a leadership laboratory.

302. Applications in Small Unit Tactical Training. 4 hrs. Prerequisite: Approval by Professor of Military Science. A study and practical application in squad and platoon tactics and leadership. Includes a leadership laboratory.

350. American Military Experience. 3 hrs. A historical course of study on officership as a profession, the Army’s role, traditional civil-military issues; policy, organizations, and key social, economic and political influencers.

401. Leadership and Management I. 4 hrs. Prerequisites: Approval by Professor of Military Science. A study and application of leadership and management as pertains to planning, conducting, and evaluating training, preparing and staffing actions, and the supervision and inspection of tactical operations. Includes a leadership laboratory.

402. Leadership and Management II. 4 hrs. Prerequisites: Approval by the Professor of Military Science. Expands leadership skills, teaches briefing techniques, introduces Army logistics, post and installation support, review of world threats and prepares the students for their new role as an officer. Includes a leadership laboratory.

492. Special Projects. 1-3 hrs.
MUSIC (MUS)

100. Music Fundamentals. 1 hr. An intensive study of the basic elements of music: notation (pitch, rhythm, key signatures) and major scales (spelling, singing, playing on the piano).

101. Music Theory. 2 hrs. Prerequisite: MUS 100 or approval of instructor. Scales, intervals, and part-writing using triads, the dominant seventh chord, non-harmonic tones, modulation, dictation, and sight-singing. Concurrent registration in MUS 103 required. (CC 1214)

102. Music Theory. 3 hrs. Prerequisite: MUS 101. A continuation of MUS 101. Concurrent registration in MUS 104 required. (CC 1224)

105. Introduction to Careers in Music and the Music Industry. 2 hrs. Prerequisite: Permission of instructor. An introductory course to familiarize students with the many varied career opportunities within the music industry.

106. Music Industry Seminar. 1 hr. Prerequisite: Permission of instructor. A weekly seminar to keep students abreast of trends and current state of ever-changing business and music industry world.

201. Advanced Music Theory. 3 hrs. Prerequisite: MUS 102. Part-writing, including secondary seventh chords, borrowed chords, altered chords, foreign modulation, dictation, and sight-singing. Concurrent registration in MUS 203 required. (CC 2214)

202. Advanced Music Theory. 3 hrs. Prerequisite: MUS 201. A continuation of MUS 201. Concurrent registration in MUS 204 required. (CC 2224)

231. History of Music. 3 hrs. Prerequisites: MUS 131 and MUS 102. Music in Western civilization traced from its primitive sources to the present. (CC 2313)

232. History of Music. 3 hrs. Prerequisites: MUS 231 and MUS 102. A continuation of MUS 231. (CC 2323)

301. Twentieth-Century Harmony. 2 hrs. Prerequisites: MUS 202 and MUS 302. Investigation of the various styles and harmonic elements of 20th-Century music, coupled with practical applications.

302. Form and Analysis. 2 hrs. Prerequisite: MUS 202. Music of various periods is analyzed formally, harmonically, and contrapuntally.

303. Survey of Music Industry I. 3 hrs. Prerequisite: MUS 103, 105, or permission of instructor. An in-depth study of the music industry to include: the music store, musical instruments, music reproducing instruments, performance, and U.S. copyright laws.

304. Survey of the Music Industry II. 3 hrs. Prerequisite: MUS 303 or permission of instructor. Continuation of in-depth study of music industry to include: books and magazines dealing with music, publishing, recorded music, teaching of music, non-commercial music, and musical promotion.

305. Graded Church Choirs I. 3 hrs. Materials and methods for organizing, promoting, training, and maintaining pre-school age and elementary school age choirs.

306. Graded Church Choirs II. 3 hrs. Organizing, developing, maintaining, and training volunteer youth and adult choirs (including senior citizens) in relationship to the total church program.

322. Counterpoint. 2 hrs. Prerequisite: MUS 202 or permission of instructor. Two, three, and four-voice writing in the style of Palestrina.

323. Counterpoint. 2 hrs. Prerequisite: MUS 202 or permission of instructor. Two, three, and four-voice contrapuntal writing in the style of Bach.

332. American Music. 3 hrs. A study of music in the United States. For non-music majors; the ability to read music notation is not required. May not be applied as credit for a Music or Music Education degree.

351. History of Church Music. 3 hrs. History of Christian Church music, with emphasis on the use of literature.

360. Stylistic Developments in Jazz. 3 hrs. Study of the development of jazz idioms. Includes elements of jazz history leading to study of more complex idioms.

361. Basic Music Skills. 3 hrs. An introduction to the fundamentals of music for the non-music major through a comprehensive approach using singing, playing instruments, creative movement and listening.
365. The Enjoyment of Music. 3 hrs. Study of the basic elements of music necessary for intelligent listening and appreciation. This course may not be applied toward a Bachelor of Music or Bachelor of Music Education degree, or a music minor.

367. Improvisation. 1 hr. Study and performance of jazz improvisation.

368. Improvisation. 1 hr. A continuation of MUS 367.

375. Beginning Techniques of Scoring for Jazz Ensembles. 2 hrs. Study in composing and arranging music for jazz ensembles.

405. Music Industry Seminar. 1 hr. (to be taken twice). Prerequisite: MUS 105, 205, or permission of instructor. A continuation of MUS 205.

406. Music Industry Internship. 9 hrs. Prerequisite: MUS 103, 304, 405, or permission of instructor. A nine-week supervised internship in a professional setting in the music industry.

423. The Organ in Worship. 1 hr. A study of elementary principles of construction and design, and of effective use in church service, including appropriate organ literature.

431. History of Opera. 3 hrs. The history of the musical theatre from Greek drama to the present. Open to non-music majors with consent of instructor.

433. 20th-Century Music. 3 hrs. Examination of musical trends since Debussy and Mahler. Open to non-music majors with consent of instructor.

434. Ancient, Medieval, and Renaissance Music. 3 hrs. A study of music in the ancient world, and of Western music from early Christian times through the sixteenth century. Open to non-majors with consent of instructor.

435. Baroque Music. 3 hrs. The development of musical styles and forms from Monteverdi through J.S. Bach. Open to non-music majors with consent of instructor.

436. 18th-Century Music. 3 hrs. The development of classical styles and forms, emphasis on style gallant, Empfindsam Stil, and the Viennese classicists. Open to non-music majors with consent of instructor.

437. 19th-Century Music. 3 hrs. The development of musical romanticism, emphasis on the expression of classical forms and the appearance of new stylistic concepts. Open to non-music majors with consent of instructor.

439. Diction. 3 hrs. Introduction to phonetics of various foreign languages for singing. May be repeated once. Second registration permitted only when languages emphasized are different.

440. Vocal Literature. 2 hrs. Survey of solo vocal literature from the Renaissance to the present. Emphasis upon style, interpretation, and presentation of solo materials for all voice classifications.

441. Vocal Literature. 2 hrs. A continuation of MUS 440.

442. Keyboard History and Literature I. 3 hrs. The history and literature of keyboard music from pre-Baroque times to the present.

443. Organ Literature. 3 hrs. Required of all organ majors.

446. Instrumental Literature. 2 hrs. Required of all senior instrumental majors.

448. Choral Literature I. 3 hrs. A survey of choral literature. Study will include materials suitable for school and church choirs as well as standard masterworks.

450. Symphonic Literature. 3 hrs. History and literature of the symphony orchestra from 1600 to the present. Open to non-music majors with consent of instructor.

451. Chamber Music Literature. 3 hrs. A survey of music for small instrumental ensembles. Open to non-music majors with consent of instructor.

453. Church Music Literature and Materials. 3 hrs. Church music repertoire for all choirs and handbells. Supplementary materials such as teaching aids will also be included.

456. Choral Arranging. 2 hrs. Basic concepts and techniques of scoring for voices, with emphasis on arranging rather than on original compositions for chorus.
460. Administration of Church Music. 3 hrs. Administrative procedures for the total music program of the church, including basic philosophy, planning, budgeting, promotion, training music leaders, and developing program goals.

462. Hymnology. 3 hrs. History of the Christian hymn from its roots to present-day form.

467. Improvisation. 1 hr. A continuation of MUS 368.

468. Improvisation. 1 hr. A continuation of MUS 467.

471. Seminar in Masterpieces of Music. 3 hrs. Prerequisite: MUS 232 or consent of instructor. A thorough exploration of major compositions. May be taken two times. May be taken by non-music majors.

475. Advanced Techniques of Scoring for Jazz Ensembles. 2 hrs. A continuation of MUS 376.

476. Advanced Techniques of Scoring for Jazz Ensembles. 2 hrs. A continuation of MUS 475.

492. Special Problems. 1-3 hrs. Prerequisite: Permission of department chair.

499. British Studies in Music. 3-6 hrs. Prerequisite: MUS 202 and MUS 232, and/or approval of instructor. A contemporary view of opera, orchestral, instrumental/chamber, and popular music examining Britain's historical musical heritage in terms of its impact on current artistic trends.

MUSIC EDUCATION (MED)

100. Introductory Class Piano. 2 hrs. Beginning class instruction in piano for non-music majors. Credit may not be applied toward a degree in Music or Music Education.

101. Class Piano I. 1 hr. Beginning class instruction in piano for music majors. Non-majors may be admitted with permission of instructor.

102. Class Piano II. 1 hr. Prerequisite: MED 101 or permission of instructor. Intermediate class instruction in piano.

130. Reedmaking I: Oboe and Bassoon. 1 hr. Development of basic skills required to produce double reeds: forming, scraping, repairing.

201. Class Piano III. 1 hr. Prerequisite: MED 102 or permission of instructor. Advanced class instruction in piano.

202. Class Piano IV. 1 hr. Prerequisite: MED 201 or permission of instructor. Advanced class instruction in piano; prepares music educators to pass a piano competency test.

219. Guitar Class I. 1 hr. Class instruction in guitar for beginners.

220. Guitar Class II. 1 hr. Prerequisite: MED 219 or approval of instructor. Intermediate class instruction in guitar.

221. String Class. 1 hr. Practical class instruction on all strings. Problems of beginning students; material for public school classes.

222. String Class. 1 hr. A continuation of MED 221.

301. Voice Class. 2 hrs. Designed to give the instrumental major a general knowledge of vocal and choral techniques.

311. Elementary Music Methods. 3 hrs. Prerequisite: MED 102, Group Piano II. Music education programs for the elementary student. Emphasis is placed on the total curriculum.

312. Secondary Music Methods. 3 hrs. Prerequisite: MED 311. Consideration of the secondary music program. Special attention is given to the development of a balanced curriculum.

330. Reedmaking II: Oboe and Bassoon. 1 hr. Developing advanced techniques in making and finishing double reeds; fashioning and adapting alternate reed designs will be covered.

331. Choral Conducting I. 1 hr. Prerequisite: MUS 202 or consent of instructor. Techniques of choral conducting.

332. Instrumental Conducting. 3 hrs. Techniques used in conducting instrumental ensembles.

400. Marching Band Fundamentals. 1 hr. Techniques for teaching marching band: music selection, rehearsal organization, and charting.

402. Advanced Computer-assisted Marching Band Drill Design. 3 hrs. Introduction to writing marching band design. Provides charting-proficient student with skills in developing form and flow. Includes computer lab time.

411. Choral Methods and Curriculum Problems. 3 hrs. Organization and administration of choral activities in secondary schools.

413. Instrumental Methods and Curriculum II. 3 hrs. Prerequisite: MED 412. Continuation of MED 412.

427. Percussion Class. 1 hr. Review of percussion texts, techniques, and pedagogy. Percussion majors may substitute a brass, string, or woodwind minor instrument for MED 427.

428. Percussion Class. 1 hr. A continuation of MED 427.

429. Piano Tuning and Repair. 3 hrs. Prerequisite: Approval of instructor. Study of basic technique of tuning and repairing pianos.

440. Music Education in the Elementary Schools. 3 hrs. Prerequisites: MED 311, 312. An in-depth course which examines current techniques and methods of music programs in upper and lower elementary grades.

450. Vocal Pedagogy. 2 hrs. Techniques, practices, and materials used in teaching voice; practical experience in teaching voice.

452. Piano Pedagogy. 2 hrs. Modern methods of teaching: lectures, observation of private and class lessons; teaching piano to adults. Required of all senior piano majors.

454. Organ Pedagogy. 2 hrs. Required of all senior organ majors.

455. Organ Pedagogy. 2 hrs. A continuation of MED 454.

456. String Pedagogy. 2 hrs. Required of all senior string majors.

458. Wind/Percussion Pedagogy. 2 hrs. Required of all senior wind/percussion majors.

490. Piano Workshop. 2 hrs. A continuation of MED 390. Credit for this course may not be applied toward degrees in Music and Music Education.

491. Instrumental Workshop. 2 hrs. A continuation of MED 391. Credit for this course may not be applied toward degrees in Music and Music Education.

492. Choral Workshop. 1-3 hrs. A continuation of MED 392. Credit for this course may not be applied toward degrees in Music and Music Education.

+ 493. Student Teaching in Music Education I. 7 hrs. Prerequisite: Must have passed Piano Competency Examination, a test that measures whether the student has met the expectations of MED 202, Class Piano IV.

494. Student Teaching in Music Education II. 7 hrs. Continuation of MED 493.

MUSIC PERFORMANCE STUDIES (MUP)

Applied Music—First Year

104-105-+106. Harpsichord. 1-3 hrs.

117-118-+119. Oboe. 1-3 hrs.

120-121-+122. Clarinet. 1-3 hrs.

129-130-+131. Horn. 1-3 hrs.

132-133-+134. Trumpet. 1-3 hrs.

135-136-+137. Trombone. 1-3 hrs.
138-139. +140. Euphonium. 1-3 hrs.
141-142. +143. Tuba. 1-3 hrs.
144-145. +146. Violin. 1-3 hrs.
147-148. +149. Viola. 1-3 hrs.
150-151. +152. Cello. 1-3 hrs.
156-157. +158. Percussion. 1-3 hrs.
161-162. +163. Voice. 1-3 hrs.
164-165. +166. Harp. 1-3 hrs.
299. Recital Class. 1 hr. (Two semesters)

Second Year
204-205. Harpsichord. 1-3 hrs.
211-212. Organ. 1-3 hrs.
220-221. Clarinet. 1-3 hrs.
223-224. Saxophone. 1-3 hrs.
229-230. Horn. 1-3 hrs.
232-233. Trumpet. 1-3 hrs.
235-236. Trombone. 1-3 hrs.
238-239. Euphonium. 1-3 hrs.
241-242. Tuba. 1-3 hrs.
244-245. Violin. 1-3 hrs.
250-251. Cello. 1-3 hrs.
256-257. Percussion. 1-3 hrs.
264-265. Harp. 1-3 hrs.
291-292. Composition. 1-3 hrs.
299. Recital Class. 1 hr. (Two semesters)

Third Year
301-302. +303. Piano. 1-3 hrs.
304-305. +306. Harpsichord. 1-3 hrs.
311-312. +313. Organ. 1-3 hrs.
314-315. +316. Flute. 1-3 hrs.
317-318. +319. Oboe. 1-3 hrs.
320-321. +322. Clarinet. 1-3 hrs.
323-324. Saxophone. 1-3 hrs.
326-327. Bassoon. 1-3 hrs.
329-330. Horn. 1-3 hrs.
332-333. Trumpet. 1-3 hrs.
335-336. Trombone. 1-3 hrs.
341-342. Tuba. 1-3 hrs.
344-345. Violin. 1-3 hrs.
350-351. Cello. 1-3 hrs.
356-357. Percussion. 1-3 hrs.
367-368. Guitar. 1-3 hrs.
370. Recital. 0-1 hr.
375-376. Accompanying. 1 hr.
391-392. Composition. 1-3 hrs.
401-402. Piano. 1-3 hrs.
404-405. Harpsichord. 1-3 hrs.
411-412. Organ. 1-3 hrs.
414-415. Flute. 1-3 hrs.
417-418. Oboe. 1-3 hrs.
420-421. Clarinet. 1-3 hrs.
423-424. Saxophone. 1-3 hrs.
426-427. Bassoon. 1-3 hrs.
429-430. Horn. 1-3 hrs.
432-433. Trumpet. 1-3 hrs.
435-436. Trombone. 1-3 hrs.
441-442. Tuba. 1-3 hrs.
447-448. Viola. 1-3 hrs.
461-462. Voice. 1-3 hrs.
467-468. Guitar. 1-3 hrs.
470. Recital. 1-2 hrs.
475-476. Accompanying. 1 hr.

Fourth Year

395. Music Education Recital. 0 hrs. Students seeking the Bachelor of Music Education degree must present a half-recital (i.e., thirty minutes), open to the public, that is graded "Satisfactory" by the appropriate faculty area.

401-402. Piano. 1-3 hrs.
404-405. Harpsichord. 1-3 hrs.
411-412. Organ. 1-3 hrs.
414-415. Flute. 1-3 hrs.
417-418. Oboe. 1-3 hrs.
420-421. Clarinet. 1-3 hrs.
423-424. Saxophone. 1-3 hrs.
426-427. Bassoon. 1-3 hrs.
429-430. Horn. 1-3 hrs.
432-433. Trumpet. 1-3 hrs.
435-436. Trombone. 1-3 hrs.
441-442. Tuba. 1-3 hrs.
447-448. Viola. 1-3 hrs.
461-462. Voice. 1-3 hrs.
467-468. Guitar. 1-3 hrs.
470. Recital. 1-2 hrs.
475-476. Accompanying. 1 hr.
491-492. Composition. 1-3 hrs.

494. Major Solo Role in an Opera. 1 hr. Permission of instructor and major applied teacher. Simultaneous enrollment in Opera Theatre is required.

499. Recital Class. 1 hr. (Two semesters)

Ensembles

282. Band. 1 hr. (May be taken four times). (CC 1111, 1121, 2111, 2121)

283. Southern Chorale. 1 hr. (May be taken four times). (CC 1211, 1221, 2211, 2221)

471. Chamber Music. 1 hr. (May be repeated)

472. Chamber Music: Southern Chamber Winds. 1 hr. (May be repeated).

478. Carillon. 1 hr. Multiple handbell ensemble. Audition required. (May be repeated).

479. Covenant. 1 hr. Vocal ensemble, the repertoire of which is American sacred music. Audition required. (May be repeated).

480. Jazz Combo. 1 hr. (May be repeated)

481. Orchestra. 1 hr. (May be repeated)

482. Band. 1 hr. (May be repeated)

483. Southern Chorale. 1 hr. (May be repeated)

484. Jazz Lab Band. 1 hr. (May be repeated)

485. Collegium Musicum. 1 hr. (May be repeated)

486. Oratorio Chorus. 1 hr. (May be repeated)

488. University Singers. 1 hr. (May be repeated)

489. Chamber Singers. 1 hr. An ensemble functioning in various ways such as madrigal singers, jazz choir, opera chorus. (May be repeated)

490. Opera Theatre. 1 hr. (May be repeated)

NURSING (NSG)

NOTE: Students must be advised by a nursing faculty adviser for progression through the nursing program.

307. Commonalities in Nursing Practice. 4 hrs. Prerequisites: Permission of instructor. Understanding of common factors permeating all areas of nursing practice. (R.N.’s only)

312. Introduction to the Role of the Professional Nurse. 3 hrs. Prerequisite: Admission to upper division nursing major. This course serves as an introduction to nursing as a professional discipline.

322. Nursing Health Assessment. 2 hrs. Two theory contact hours per week. Prerequisite: admission to nursing major or permission of instructor and BSC 250, 250L and BSC 251, 251L. Nursing assessment across the life cycle.

322L. Nursing Health Assessment Laboratory. 1 hr. Three clinical contact hours per week. Corequisite: NSG 322.

323. Introduction to Nursing Practice. 3 hrs. Prerequisite: admission to nursing major. Corequisite: NSG 323L. Concepts and techniques common to the practice of professional nursing across the life cycle.

323L. Introduction to Nursing Practice Laboratory. 4 hrs. Eight clinical contact hours per week. Corequisite: NSG 323.

326. Research. 2 hrs. Prerequisites: NSG 312, PSY 360; R.N. Prerequisites: PSY 360, NSG 403. An exploration of the research process with emphasis on applicability to nursing process. (Must be completed before N412 and N413.)

327. Nursing Care of Women and Developing Families. 4 hrs. Four theory contact hours per week. Prerequisites: NSG 322, 323, and 350. Co-requisite: NSG 352. Application of the nursing process with women and childbearing families.

327L. Nursing Care of Women and Developing Families Laboratory. 3 hrs. Nine clinical contact hours per week. Corequisite to NSG 327.

328L. Adult Health Nursing I Laboratory. 3 hrs. Nine clinical contact hours per week. Corequisite: NSG 328.

350. Pathophysiology I. 2 hrs. Prerequisites: eligible for admission to nursing major or permission of instructor and BSC 250,
469. Nursing Leadership Practicum. 2 hrs. Prerequisite: Registered nurse. Corequisite: NSG 429. This practicum assists the registered nurse student in transition to the professional nurse role. (RN’s only.)

491. Austrian Studies. 3 hrs. Variable topics.

492. Directed Study of Nursing. 1-6 hrs. Permission of instructor required. (Students undertaking a Senior Honors Project will enroll in NSG H492 for 3 hours).

493. Health Care of the Elderly in England. 3 hrs. This course is designed to explore the effects on the family of providing care for the dependent elderly.

495. Management and Economics of Health Care. 3-6 hrs. Prerequisite: Senior level. U.S. and British health system, financing, administration, and nursing management.

496. Nursing: The British Heritage. 3-6 hrs. The evolution of modern nursing in England within the context of international, social, economic and political events.

497. Emergency Nursing: A British View. 3 or 6 hrs. Prerequisite: Senior level. Introduction to the British health system and roles assumed by British emergency nurses.

498. Families of the Developmentally Disabled. 3 hrs. Prerequisite: Senior standing or Permission of instructor. Interdisciplinary approach to the study of families of the developmentally disabled.

499. British Studies: Hospice Study and Experience. 3 hrs. Prerequisite: Permission of instructor. Introduction to hospice concept and symptom control in special units, hospitals and homes. British caregivers will present origin and current application of hospice concept.

NUTRITION AND FOOD SYSTEMS (NFS)

167. Nutrition for Living. 1 hr. A study of nutrition concepts relating to health and human wellness. (HPR 1241, 1751)

261. Meal Management. 3 hrs. Prerequisite: HRT 272, 272L. Management of resources: time, energy, and money, in selection, purchasing, preparation, and serving of foods; cultural aspects of meal planning. Includes laboratory. (CC 2213)

265. Orientation to Dietetics. 1 hr. Study of dietetics and careers in the profession.

272. Principles of Food Preparation. 2 hrs. Study of theories and techniques of food preparation and their effects on food products.

272L. Principles of Food Preparation Laboratory. 1 hr. Corequisite: NFS 272.

362. Nutrition. 3 hrs. Study of the body’s needs for foods, including the chemistry of digestion, metabolism, and nutritive requirements of the body during the life cycle.

364. Teaching Food and Nutrition in the Elementary Grades. 3 hrs. Course planned to give understanding of materials and methods for teaching nutrition at this level.

410. Intermediate Nutrition. 3 hrs. Prerequisites: CHE 420, NFS 362 or 367. The study of specific nutrient effects on human metabolism. Metabolic pathways are explored and the roles of specific nutrients in these pathways are discussed.

420. Nutrition in the Life Cycle. 3 hrs. Prerequisite: BSC 250, 251; NFS 362 or 367. Study of the role of nutrition in health, growth, and development at each stage of the life cycle.

420L. Nutrition in the Life Cycle Laboratory. 2 hrs. Corequisite: NFS 420 and permission of instructor. Applied nutrition course to develop skills in interviewing, counseling, and basic assessment of nutritional status of healthy individuals.

430. Experimental Foods. 3 hrs. Prerequisites: NFS 362 or 367 and CHE 251, 251L. Study of selected nutritional, chemical, physical, and sensory properties of foods in relation to preparation procedures. Includes laboratory.
450. Research Methods for Food Service Management. 2 hrs. Prerequisites: HRT 440, 440L, and MKT 300. An exploration of research methods used in food service operations. Emphasis on planning and implementing studies to ascertain customer food preferences, habits and satisfaction.

451. Contemporary Issues in Food Service Management. 1 hr. Prerequisites: Senior standing and HRT 440 and 440L. Topics of current interest in the food service industry. May be repeated for a maximum of 3 hrs.

455. Nutrition and Weight Control. 2 hrs. Prerequisite: NFS 362 or 367. A study of the factors that cause weight gain with an explanation of the physiology involved and a critical review of weight reduction plans.

460. Advanced Nutrition. 3 hrs. Prerequisites: NFS 410, CHE 420, and a course in physiology. Biochemical and physiological interactions among vitamins, carbohydrates, protein, fats and elements in relation to nutritional requirements and utilization.

461L. Clinical Nutrition Laboratory. 2 hrs. Corequisite: NFS 461 and admission to the Coordinated Program in Dietetics. Application of dietetics in a hospital setting.

463. Community Nutrition. 3 - 6 hrs. Prerequisite: NFS 420, or permission of instructor. Study of nutrition assessment methodology and resources available within the community.

465. Seminar. 1 hr. Prerequisite: NFS 362 and CHE 420. Selected topics in nutrition. May be repeated for a total of 3 semester hours.

467L. Practicum in Dietetics. 3-6 hrs. Prerequisites: NFS 464 and NFS 477. Application of dietetics in selected health care settings.

473. Food Systems Management. 6 hrs. Prerequisite: HRT 340, 340L. Organization and management of food service operations; cost control techniques; layout and equipment; and human relations.

477. Administrative Dietetics. 3-6 hrs. Prerequisite: HRT 440, 440L. Permission of instructor. Study and application of management theory and techniques in the supervision of food service personnel.

490. Practicum in Food Service Management. 4 hrs. Prerequisites: Senior standing and HRT 445 and NFS 450. Supervised experience in a quantity food service system.

492. Special Problems in Food and Nutrition. 1-4 hrs. Prerequisite: Senior standing and permission of the instructor. (Students undertaking a Seniors Honors Project will enroll in NFS H492.)

PARALEGAL STUDIES (PLS)

381. Introduction to Paralegalism. 3 hrs. An introduction to the profession, including history and development, ethics, the American legal system, and paralegal skills.

382. Civil Litigation. 3 hrs. An introduction to civil litigation—the process of resolving disputes between individuals, businesses, and government through the court system, with emphasis on procedure.

383. Legal Research. 3 hrs. A summary of primary and secondary legal sources including reporters, digests, codes, citations, LEXIS, the Internet, and other basic research materials.

384. Legal Drafting. 3 hrs. An introduction to writing correspondence, pleadings, discovery, legal memoranda, briefs, and other documents used in civil practice.

386. Equity Practice. 3 hrs. A study of the courts of equity and their jurisdiction in the American legal system, with emphasis on domestic relations, wills, and estates.

387. Title Searching and Loan Document Preparation. 3 hrs. An introduction to the procedure of title searching and the preparation of loan closing documents.

388. Commercial Skills for Paralegals. 3 hrs. An introduction to transactional law and related topics, including bankruptcy, debtor-creditor law, intellectual property, and formation of business entities.

389. Internship in Paralegal Studies. 3-9 hrs. Prerequisites: PLS 381, 382, 383, and 384 and permission of the Director. The course is open only to paralegal majors.
PHILOSOPHY (PHI)

151. Introduction to Philosophy. 3 hrs. An introduction to the methods and major themes of philosophy. (CC 2113, 2153)

253. Logic. 3 hrs. The development of critical thinking and argumentative skills utilizing informal and formal logical techniques.

300. Business Ethics. 3 hrs. A philosophical exploration of how to recognize, analyze, and implement ethical decisions within the multifaceted contexts of the various fields of business. May not be taken as a substitute for PHI 151.

316. Philosophy of Science. 3 hrs. An introduction to the study of scientific method, the nature of science, and the relationship of science to other academic disciplines and to culture at large.

353. Study of a Major Philosopher. 3 hrs. May be repeated for credit to a total of nine hours. A detailed examination of a selected philosopher.

356. Ethics. 3 hrs. An examination of classical and contemporary moral theory.

406. Philosophy of Human Nature. 3 hrs. A philosophical consideration of the nature of human consciousness including philosophical anthropology, philosophical psychology, and cognitive science.

420. Metaphysics. 3 hrs. Analysis of classical and contemporary problems in metaphysics.

436. Aesthetics. 3 hrs. Philosophical analysis of theories of art and beauty.

450. Existentialism and Phenomenology. 3 hrs. An examination of the central themes in contemporary European existentialism and phenomenology.

451. Political Philosophy. 3 hrs. A study of the major schools of political philosophy from classical to contemporary times.

453. Philosophy of Law. 3 hrs. An inquiry into theories of law.

457. Environmental Ethics. 3 hrs. An examination of human responsibilities for nature; the impact of civilization on the natural world; formulation of ethical principles and policies.

458. Symbolic Logic. 3 hrs. A study of the basic theory and operations of the propositional calculus, quantification, and the logic of relations.

460. 20th Century Philosophical Issues. 3 hrs. An examination of the central themes in contemporary philosophy.

492. Special Problems. 1-3 hrs. A problem study to be approved by the department chairman. May be taken for a total of nine hours. (Students undertaking a Senior Honors Project will enroll in PHI H492.)

499. British Studies: Comparative Business Ethics. 3-6 hrs.

PHYSICS (PHY)

103. Introductory Physics. 3 hrs. Prerequisite: MAT 101. A survey of physics principles for non-science majors. Credit for this course may not be applied toward degrees in the College of Science and Technology.

103L. Introductory Physics Laboratory. 1 hr. Corequisite: PHY 103.

111. General Physics. 3 hrs. Prerequisites: MAT 101, 103. Corequisite: PHY 111L. An algebra and trigonometry-based introductory physics course. (CC 2414)

111L. General Physics Laboratory. 1 hr. Corequisite: PHY 111.

112. General Physics. 3 hrs. Prerequisite: PHY 111. Corequisite: PHY 112L. A continuation of PHY 111. (CC 2424)

112L. General Physics Laboratory. 1 hr. Corequisite: PHY 112.

201. General Physics with Calculus. 4 hrs. Corequisite: MAT 178 and PHY 201L. A rigorous course in physics recommended for physics majors. Required for pre-engineering students. (CC 2514)

201L. General Physics with Calculus Laboratory. 1 hr. Corequisite: PHY 201.

202. General Physics with Calculus. 4 hrs. Prerequisite: PHY 201. Corequisite: PHY 202L. A continuation of PHY 201. (CC 2524)
202L. General Physics with Calculus Laboratory. 1 hr. Corequisite: PHY 202.

327L. Electronics I Laboratory. 1 hr. Corequisite: PHY 327.

328L. Electronics II Laboratory. 1 hr. Corequisite: PHY 328.

332. Thermodynamics and Statistical Mechanics. 5 hrs. Prerequisites: PHY 202 and 361. Temperature, thermodynamic principles, and the application of statistics to classical and quantum systems.

341L. Optics Laboratory. 1 hr. Corequisite: PHY 341.

361L. Elementary Modern Physics Laboratory. 1 hr. Corequisite: PHY 361.

392. Physics Special Problems. 1-3 hrs. Prerequisite: Permission. Theoretical and experimental problems limited to junior and senior students.

421. Electricity and Magnetism. 3 hrs. Prerequisites: PHY 351, MAT 385. Vector analysis, electrostatics, magnetostatics, and electromagnetic fields.

422. Electricity and Magnetism. 3 hrs. Prerequisite: PHY 421. A continuation of PHY 421.

423. Science and Society: from Copernicus to the Bomb. 3 hrs. An interdisciplinary course designed for both science and liberal arts students. Traces the development of science and technology and their role in society from the Renaissance to the present. (Cross-listed as HIS 423, HUM 423, and BSC 423.)

435. Principles of Microwave Systems. 3 hrs. Prerequisite: PHY 327. Introduction to microwave theory, basic design of microwave systems.

451. Physical Applications of the Fourier Transform. 3 hrs. Prerequisites: MAT 280 and PHY 202. Convolution, deconvolution of physical signals and introduction to sampling.

455. Fluid Dynamics. 3 hrs. Prerequisites: PHY 350 and MAT 385. A mathematical development of the physical principles governing fluid flow.

460. Advanced Physics Laboratory. 2 hrs. Prerequisites: Permission and Senior Standing. Advanced experiments in modern physics.

461. Quantum Mechanics. 5 hrs. Prerequisites: PHY 351 and 361. Quantum theory, spectroscopy, and atomic and nuclear structure.

485. History and Literature of Physics. 3 hrs. Prerequisite: PHY 112 or 202. A survey of physics from the ancients to the present.

499. Undergraduate Research. 1-6 hrs. Prerequisite: Permission. An introduction to the methods of physical research. (Students undertaking a Senior Honors Project will enroll in PHY H499.)

PLANNING (PLG)

360. Introduction to Community Planning and Development. 3 hrs. An introduction to the planning process and the role of government, private, and non-profit organizations in community planning and development will be provided.

450. Financing Economic and Community Development. 3 hrs. An examination of the theory and practice of public finance is provided in this course. Topics include fiscal impact assessment of development, capital budgeting, current policy issues, and grants writing.

461. Planning and Development Law. 3 hrs. The legal context for planning and managing land use and development is provided in this course. The course also provides insights into environmental law as applied to planning.
462. Environmental Planning and Policy. 3 hrs. This course provides an introduction to the detailed study of environmental planning analysis and methodology as an element in land-use decision-making systems.

463. Planning and Development Research Methods. 3 hrs. This course provides an introduction to research techniques for collection, organization, and analysis of information to aid in the planning and development decision-making process.

464. Physical Infrastructure Planning and Development. 3 hrs. The relationships between physical infrastructure and planning and development are explored in this course. Provisions of physical infrastructure at the site and community levels are examined.

465. Land Use Planning and Policy. 3 hrs. This course will examine the planning and development procedures which impact the development market such as land suitability analysis and land use plans.

466. Economic Development Planning for Communities. 3 hrs. This course provides an introduction to the strategies, programs, and processes used at the community and regional levels to encourage investment and employment opportunities.

469. Studio Laboratory: Plan Preparation. 3 hrs. Preparation and presentation of a professional plan as a collaborative community/student group effort. May be repeated with change of content for a total of six (6) hours.

470. Current Issues Seminar. 3 hrs. This course is designed to allow flexibility in the topic, depending on student interests. The course will begin by an examination of the profession including its evolution, theory base, ethics, and requirements for professional certifications. A current topic will then be selected for exploration, such as transportation planning, sustainable development, or negotiation and conflict management.

491. Professional Practice Internship. 1-9 hrs. Students will obtain practical experience working with a planning or development organization. May be repeated for a total of nine hours. Letter-grade credit is only available for three hours.

492. Special Problems. 1-6 hrs. May be repeated for a total of six hours.

499. Comparative Urban Planning. 3-6 hrs. This course focuses on urban planning and the development of the urban landscape in the British Isles. Includes lectures, field trips, and directed research.

POLITICAL SCIENCE (PS)

101. American Government. 3 hrs. (CC 1113, 1153)

201. Great Issues of Politics. 3 hrs. An introduction to the central concepts, issues, and questions of political life.

291. Research in Political Science. 1 hr.

300. Political Systems of the Modern World. 3 hrs. A survey of major foreign political systems, with emphasis on advanced industrial democracies.

301. State and Local Politics. 3 hrs.

304. Politics of Popular Culture. 3 hrs. A survey of the political aspects of contemporary popular culture.

321. American Political Theory. 3 hrs. Surveys American political thought from the contributions of the Iroquois Federation through Thomas Jefferson to Martin Luther King and other contemporary thinkers.

330. United States Foreign Policy. 3 hrs.

331. World Politics. 3 hrs.

370. Introduction to Public Administration. 3 hrs.

375. Government and Economics. 3 hrs.

380. Introduction to Law in American Society. 3 hrs. A basic course to familiarize students with the court structure, the legal profession, and the role of law in American society.

401. Political Socialization. 3 hrs. An analysis of the American political system on an advanced level.

402. Urban Politics. 3 hrs.

403. Politics and Environment. 3 hrs. An examination into the politics of the environment across both global and domestic areas and across major ecological issues.

404. The Legislative Process. 3 hrs.

405. Women and Politics. 3 hrs.

406. Political Parties. 3 hrs.

407. Mississippi Government. 3 hrs.

**POLYMER SCIENCE (PSC)**

(See also FORENSIC SCIENCE)

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Credit Hours</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>191</td>
<td>Introduction to Polymers</td>
<td>2 hrs.</td>
<td>An introduction to the history, recent developments, applications, and processing of polymers.</td>
</tr>
<tr>
<td>291</td>
<td>Physical Aspects of Polymers</td>
<td>2 hrs.</td>
<td>An introduction to the properties of major commercial polymers, raw material sources, and the organization of the polymer industry. This course includes computer modeling and computations.</td>
</tr>
<tr>
<td>301</td>
<td>Organic Polymer Chemistry I</td>
<td>3 hrs.</td>
<td>Prerequisites: CHE 256 and CHE 256L. Systematic study of polymers with emphasis centered on those synthesized by step-growth polymerization.</td>
</tr>
</tbody>
</table>
302. Organic Polymer Chemistry II. 3 hrs. Prerequisite: PSC 301. A study of polymer formation techniques, kinetics, and properties with emphasis on addition polymerization, copolymerization, and stereoregular polymerization.

310. Technical and Scientific Communication. 1 hr. Training in the preparation of written and oral reports on scientific and technical problems.

341L. Polymer Techniques I. 2 hrs. Laboratory methods of polymer synthesis, structural determination, and characterization.

342L. Polymer Techniques II. 2 hrs. Laboratory methods of polymer synthesis, structural determination, and characterization.

360. Polymer Rheology. 3 hrs. Prerequisites: PSC 402. Theory and practice of Newtonian and non-Newtonian fluid flow behavior.

361L. Laboratory for Polymer Science 361. 2 hrs.

390. Individual Research Projects in Polymer Science. 1-6 hrs. May be repeated for credit.

401. Physical Chemistry of Polymers I. 3 hrs. Prerequisite: PHY 202, 202L. Polymer structure, chain conformation, solution properties, thermodynamics, fractionation, and molecular weight measurement.

402. Physical Chemistry of Polymers II. 3 hrs. Prerequisite: PSC 401. Instrumental analysis of polymers, morphology, rheology, structure-property relationships.

450. Polymer Characterization. 3 hrs. Prerequisites: PHY 202 and PHY 202L. Macromolecular chemical structure and morphological characterization using thermal, spectroscopic and x-ray diffraction techniques.

450L. Laboratory for Polymer Science 450. 1 hr.

470. Surface Coatings. 4 hrs. Prerequisite: PSC 302. Study of the physical and chemical properties of the pigments, binders, solvents, and additives employed in surface coatings; dispersion techniques, surface preparation, paint testing, application techniques, and surface coatings analysis are also discussed.

470L. Laboratory for Polymer Science 470. 1 hr.

471. Electronics for Scientists. 3 hrs. Prerequisite: PHY 202. Practical electronics needed for maximum utilization of scientific instrumentation, automation, and logic circuits.

471L Laboratory for PSC 471. 1 hr. Corequisite: PSC 471.

480. Polymer Kinetics. 4 hrs. Introduction to polymerization kinetics and reactor design.

490. Special Projects in Polymer Science. 1 hr. Individual research. Prospectus is prepared and research plan is executed with final report required. (Students undertaking a Seniors Honor Project will enroll in PSC H490.)

490L. Laboratory for Polymer Science 490. 3 hrs. Prerequisite or corequisite: PSC 410.

491. Special Projects in Polymer Science. 1 hr. Individual research. Prospectus is prepared and research plan is executed with final report required. (Students undertaking a Seniors Honor Project will enroll in PSC H491.)

491L. Laboratory for Polymer Science 491. 3 hrs. Prerequisite or corequisite: PSC 410.

492. Special Problems. 3 hrs. To include a survey of such topics as thermally stable polymers, silicone elastomers, emulsion polymers, controlled biocide release from polymers, water-soluble high molecular weight polymers, and photochemistry.

PSYCHOLOGY (PSY)

101. Foundations of Personal Development. 3 hrs. An introduction to the principles of human development. Does not apply toward major requirements.

110. General Psychology. 3 hrs. Concurrent registration in Psy 110L is required. Open to freshmen. An introduction to the scientific study of human behavior and experience. (JC 1513)

210. Introduction to Social and Rehabilitation Services (SRS). 3 hrs. Acquaints students with the broad field of SRS via a review of relevant philosophy and history, legal mandates, and the role of SRS in contemporary applied sciences. Students will be required to participate in one of two assignments designed to facilitate personal, interpersonal, and vocational development.
231. Psychology of Personal Adjustment. 3 hrs. Prerequisite: PSY 110. Understanding of the problems people face in our society, and the diverse ways in which they respond to these problems.

251. Applied Psychology. 3 hrs. Prerequisite: PSY 110. Application of psychological methods and principles to a number of occupational fields other than education.

301. Introduction to Job Seeking. 1 hr. Prerequisite: PSY 110. To acquaint student with job seeking techniques including (a) development of an adequate resume and (b) the acquisition of job interview skills.

312. Counseling Theory and Practice. 3 hrs. Prerequisite: PSY 110 or equivalent. Emphasizes theories and principles underlying the practical application of various helping techniques.

313. Vocational Development. 3 hrs. Prerequisite: PSY 110. An introduction to the study of vocational development, occupational structure, and job analysis.

330. Principles and Processes of Case Management. 3 hrs. Prerequisite: PSY 110. This course focuses on the coordination of specific functional tasks associated with rehabilitation services.

331. Medical Aspects of Rehabilitation. 3 hrs. Prerequisite: PSY 110. An introduction to the chronically disabling conditions both from the viewpoint of treatment processes and individual adjustment.

360. Introduction to Statistics for the Behavioral Sciences. 3 hrs. Prerequisite: PSY 110. An introduction to the principles and techniques of statistics commonly employed in the behavioral sciences.

361. Experimental Psychology. 3 hrs. Prerequisite: PSY 110,360. Introduction to experimental methodology with application to various areas of psychology.

370. Child Psychology. 3 hrs. Prerequisite: PSY 110. Study of the child through the elementary years, emphasizing principles and problems of development.

372. Adolescent Psychology. 3 hrs. Prerequisite: PSY 110. Psychological development of the individual during the adolescent years.

374. Educational Psychology. 3 hrs. Prerequisite: PSY 110 and permission of the instructor. Application of psychological methods, facts, and principles to education. Teacher education majors must be formally admitted to the teacher education program.

375. Developmental Psychology. 3 hrs. Prerequisite: PSY 110. A study of the course of growth and development throughout the life span, with emphasis on principles of development.

385. Applied Behavior Analysis. 3 hrs. Prerequisites: PSY 110 and permission of instructor. Application of the principles of applied behavior analysis to problems involving human behavior change.

400. Health Psychology. 3 hrs. Prerequisite: PSY 110. The study of psychology’s contributions to enhancement of physical health, prevention and treatment of illness and identification of illness risk factors.

411. Testing and Assessment. 3 hrs. Prerequisite: PSY 110, 360. Introduction to theory and techniques of psychological testing and assessment.

413. Multicultural Counseling. 3 hrs. Prerequisite: PSY 110. Examines cultural diversity in North American society with focus on implications for counselors and mental health service providers.

418. History and Systems of Psychology. 3 hrs. Prerequisite: PSY 110. Review of the history of psychology and intensive study of current systems of psychology. Primarily for senior psychology majors.

420. Sensation and Perception. 3 hrs. Prerequisite: PSY 110, 360. A survey of sensory and perceptual processes with emphasis on the visual system.

422. Psychology of Learning. 3 hrs. Prerequisite: PSY 110. A study of the basic problems, theories, concepts, and research in the areas of human and animal learning.

423. Group Procedures. 3 hrs. Prerequisite: PSY 110. Introduction to the fundamentals of developmental group work with emphasis on individual behaviors in a group setting.

424. Animal Behavior. 3 hrs. Prerequisite: PSY 110. Study of animal behavior with emphasis on the comparison of psychological processes along the phylogenetic scale.

425. Cognitive Psychology. 3 hrs. An overview of contemporary research and theories concerning the structure and processes of the mind.

426. Physiological Psychology. 3 hrs. Prerequisite: PSY 110. Relationships between physiological functions, especially those of the nervous system, and emotional behavior motivation and learning.

427L Laboratory Techniques in Behavioral Neuroscience. 3 hrs. Prerequisite: Permission of instructor. Experimental techniques in neurophysiology, neuropharmacology, and behavioral research. May be taken as BSC 456L.
### Course Descriptions

<table>
<thead>
<tr>
<th>Course Code</th>

<th>Credits</th>
<th>Prerequisites</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>432</td>
<td>Behavioral Interventions</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>An introduction to behavioral interventions as applied to normal and deviant behavior across different environmental settings.</td>
</tr>
<tr>
<td>433</td>
<td>Workshop in Counseling Procedures</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>A workshop to familiarize counselor personnel with new and innovative procedures in facilitating client development.</td>
</tr>
<tr>
<td>435</td>
<td>Alcoholism and Drug Abuse Intervention</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>Intervention strategies with emphasis on the alcoholic.</td>
</tr>
<tr>
<td>436</td>
<td>Abnormal Psychology</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>An introduction to the study of abnormal behavior.</td>
</tr>
<tr>
<td>440</td>
<td>Social Psychology</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>Study of social influences on personality development and perceptual-cognitive processes and social motivation.</td>
</tr>
<tr>
<td>441</td>
<td>Industrial Psychology</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110 (PSY 360 recommended)</td>
<td>Applications of psychological principles and methods to problems of industry.</td>
</tr>
<tr>
<td>445</td>
<td>Psychology of Personality</td>
<td>3 hrs.</td>
<td>Prerequisites: PSY 110</td>
<td>Different theoretical approaches to the development of the mature personality.</td>
</tr>
<tr>
<td>446</td>
<td>Psychology of Aging and Dying</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110 and Permission of Instructor</td>
<td>Study of problems and attitudes concerning aging and death.</td>
</tr>
<tr>
<td>447</td>
<td>Psychology of Religion</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>An examination of modern psychological perspectives on religious beliefs, experiences, and practices.</td>
</tr>
<tr>
<td>450</td>
<td>Psychology of Gender</td>
<td>3 hrs.</td>
<td>Examination and critical analysis of the role of gender in psychological theories of personality and behavior.</td>
<td></td>
</tr>
<tr>
<td>452</td>
<td>Specialized Studies in Developmental Disabilities</td>
<td>1-6 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>Specialized study and skill acquisition in the area of developmental disabilities. Topics vary.</td>
</tr>
<tr>
<td>482</td>
<td>Moral Development in Childhood and Adolescence</td>
<td>3 hrs.</td>
<td>Prerequisites: PSY 110 and permission of instructor</td>
<td>A study of the major psychological theories of moral development.</td>
</tr>
<tr>
<td>492</td>
<td>Special Problems in Psychology</td>
<td>1-6 hrs.</td>
<td>Prerequisites: PSY 110 and the consent of instructor</td>
<td>(Students undertaking a Seniors Honors Project will enroll in PSY H492.)</td>
</tr>
<tr>
<td>496</td>
<td>Families of the Developmentally Disabled</td>
<td>3 hrs.</td>
<td>Prerequisites: PSY 110 and Senior standing or permission of instructor</td>
<td>Interdisciplinary approach to the study of families of the developmentally disabled.</td>
</tr>
<tr>
<td>497</td>
<td>Professional Collaboration for Developmental Disability Services</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110</td>
<td>Study of the interdependent contributions of relevant disciplines in training, service, and research.</td>
</tr>
<tr>
<td>498</td>
<td>Senior Thesis</td>
<td>3 hrs.</td>
<td>Prerequisite: PSY 110 and Permission of department chair and instructor</td>
<td></td>
</tr>

<th>Course Title</th>
<th>Credits</th>
<th>Prerequisites</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>101</td>
<td>Survey of Mass Communication</td>
<td>3 hrs.</td>
<td></td>
<td>A survey of the development and operation of print, electronic and film media including an overview of mass communication theory and effects research.</td>
</tr>
<tr>
<td>111</td>
<td>Radio Production</td>
<td>3 hrs.</td>
<td>Co-Req: RTF 111L</td>
<td>Introductory course in radio production covering control room on-air production, off-air program production, and radio station operations.</td>
</tr>
<tr>
<td>111L</td>
<td>Radio Production Lab</td>
<td>0 hrs.</td>
<td>Co-Req: RTF 111</td>
<td>Studio production laboratory activities required for RTF 111.</td>
</tr>
<tr>
<td>140</td>
<td>Introduction to TV Production</td>
<td>3 hrs.</td>
<td>Corequisite: RTF 140L</td>
<td>Instruction in the fundamentals of communicating with the television medium through a combination of lecture, demonstration, and production assignments.</td>
</tr>
<tr>
<td>140L</td>
<td>TV Production Lab</td>
<td>0 hrs.</td>
<td>Corequisite: RTF 140</td>
<td>Production laboratory required for RTF 140.</td>
</tr>
<tr>
<td>170</td>
<td>Introduction to Film Studies</td>
<td>3 hrs.</td>
<td></td>
<td>An examination of the formal aspects of style and narrative in Hollywood narrative cinema, art cinema narration, avant-garde, and documentary film.</td>
</tr>
<tr>
<td>302</td>
<td>Broadcast News Writing</td>
<td>3 hrs.</td>
<td>Prerequisites: JOU 202 and typing proficiency</td>
<td>Instruction and practice in the fundamentals of writing news copy for radio and television. Typing proficiency required.</td>
</tr>
<tr>
<td>303</td>
<td>Internship in Radio, Television, and Film</td>
<td>3 hrs.</td>
<td>Prerequisites: Completion of 24 hours of RTF major, B average in RTF courses, overall GPA of 2.5</td>
<td>Approval of the chair.</td>
</tr>
</tbody>
</table>

305L. Television News Reporting Lab. 1 hr. Corequisite: RTF 305. Production laboratory required for RTF 305.

320. Announcing. 3 hrs. Prerequisite: RTF 111. This course is designed to familiarize students with the requirements of a variety of radio and TV announcing situations.

330. Broadcast Advertising. 3 hrs. An overview of the advertising industry with an emphasis on network and local broadcast and cable television advertising operations.

340. Intermediate Television Production. 3 hrs. Prerequisite: RTF 140. Advanced topics in studio production and direction.

358. Telecommunication Regulation and Policy. 3 hrs. Study of the regulatory agencies, regulations, and policies which affect the operation of domestic telecommunication media and delivery systems.

370. Film History. 3 hrs. This course combines text, lecture, discussion, and screenings to trace the first fifty years of motion pictures.

371. Basic Cinematography. 3 hrs. Prerequisite: RTF 140. This course introduces students to the professional 16mm film format.

373. Film Animation. 3 hrs. Prerequisite: Consent of instructor. A study of the basic principles of film animation.

402. Broadcast Journalism Workshop. 1 hr. Prerequisites: JOU 202 and RTF 302, and consent of instructor. Experience in producing television newscasts.

407. Theories of Mass Communication. 3 hrs. An examination of scholarly theory pertaining to the mass communication process, the functions of mass communication, and mass communication effects.

411. Advanced Audio Production. 3 hrs. Prerequisite: RTF 111 or consent of instructor. An advanced course in audio production for both aural and visual media.

416. Telecommunication Media Management. 3 hrs. Examination of management responsibilities in broadcast radio and TV, cable TV, and other electronic media and media delivery systems.

418. Practicum in RTF. 1 hr. Repeatable for a total of 3 hrs. Consent of instructor. Individual production experience under supervision of a cooperating faculty member.

425. Telecommunication Media Research. 3 hrs. Prepares students to utilize and evaluate professional telecommunication research services and to conduct elementary studies of media audiences.

431. Advertising Management and Sales. 3 hrs. Prerequisite: RTF 330. This course focuses upon the organization, operation and management of the advertising department of a broadcast station or cable television system.

440. Advanced Television Production. 3 hrs. Prerequisite: RTF 340 or permission of instructor. Advanced topics in video post-production theory and practice.

442. Writing for Radio-TV. 3 hrs. Basic broadcast copywriting for continuity, commercials and program formats. Course content is applied in frequent writing assignments. Typing proficiency required.

447. Television Production Workshop. 3 hrs. Prerequisite: RTF 340 or permission of instructor. Advanced experience in all phases of television production, direction, and post-production.

448. Seminar in Radio-TV. 3 hrs. Prerequisite: Permission of instructor. Examination of a telecommunication topic. May be repeated with a different topic or combined with RTF 478 for a total of six hours.

460. Issues in Telecommunication. 3 hrs. Examination of structural, regulatory, policy, and social concerns related to the U.S. telecommunication industry.

470. Contemporary Cinema. 3 hrs. An historical treatment of the international trends in film from 1945 to the present. Feature films are screened for analysis and discussion.

471. Advanced Cinematography. 3 hrs. Prerequisite: RTF 371 and consent of instructor. Advanced instruction and practical production experience in 16mm motion picture cinematography.

472. Writing for Television and Film. 3 hrs. Narrative scriptwriting for television and film dramatic content. Typing proficiency required.

473. The Documentary Film. 3 hrs. Evaluation of the documentary tradition in film through viewing and analysis of selected documentaries and review of pertinent literature.
475. Film Business Procedures and Management. 3 hrs. Prerequisite: Consent of instructor. Study of the business practices and problems involved in film production.

476. British Film. 3-6 hrs. Prerequisite: Consent of instructor. Lecture and research in British filmmaking offered abroad under the auspices of the Institute of Anglo-American Studies.

477. Advanced Film Production Workshop. 3 hrs. Prerequisite: Consent of instructor. Advanced practical experience and instruction in film direction and cinematography. May be repeated for a total of 6 hours.

478. Seminar in Film. 3 hrs. Prerequisite: Permission of instructor. Examination of a film topic. May be repeated with a different topic or combined with RTF 448 for a total of six hours.

479. Film Theory and Criticism. 3 hrs. Study of major film theories through study of the literature of film theory and screening and discussion of selected films.

480. Comparative Media Systems. 3 hrs. Study of the structure, function, and historical/political features of the electronic media systems of selected nations.

481. International Broadcasting. 3 hrs. Prerequisite: Permission of instructor. An examination of the development, structure, functions, programming, and audiences of international broadcasting services.

485. Film Editing. 3 hrs. Prerequisite: RTF 471 or consent of instructor. Concentration on editing of sound and picture in the 16mm film format.

492. Special Problems in Radio, Television, and Film. 1-3 hrs. Prerequisite: Consent of instructor. Arranged, in-depth investigation of an individual research topic. (Students undertaking a Senior Honors Project must enroll in RTF H492.)

499. British Studies: Comparative Mass Media. 3-6 hrs. Prerequisite: Consent of instructor. Lecture and research in British and American mass media offered abroad under the auspices of the Institute of Anglo-American Studies.

REAL ESTATE AND INSURANCE (REI)

(Enrollment in Real Estate and Insurance courses requires at least junior standing.)

325. General Insurance. 3 hrs. Nature of risk, its measurement, and the insurance mechanism as a device for handling risk with reference to the principal types of coverage.

326. Introduction to Actuarial Science. 3 hrs. Compound interest theory, its application, and basic actuarial techniques of premium and reserve determination for life insurance and annuities.

330. Real Estate Principles. 3 hrs. An introduction to the field of real estate covering principles of law, valuation, management, financing, and brokerage of real estate.

340. Real Estate Law. 3 hrs. Prerequisite: BA 200. The law of real property and the law of real estate brokerage.

425. Life Insurance. 3 hrs. Prerequisite: REI 325. Types of policies and their uses; contract provisions; actuarial and legal aspects; settlement options.

432. Real Estate Finance. 3 hrs. Prerequisite: FIN 300. A study of the sources of real estate funds and analytical techniques for investment decision-making.

445. Property and Liability Insurance. 3 hrs. Prerequisite: REI 325. Fire, consequential loss, theft, automobile, general liability, and workmen’s compensation insurance.

450. Health Insurance. 3 hrs. Prerequisite: REI 325. Disability risk with its economic consequences and the various health insurance coverages available to meet it.

499. International Insurance Research Abroad. 3 hrs. Prerequisite: Consent of Program Director. A research course in international insurance offered for students enrolled in REI 498.

RELIGION (REL)

131. Comparative Religion. 3 hrs. The study of religion as an aspect of human culture with attention to both Christian and non-Christian religions. 333. The Old Testament. 3 hrs. A study of the major themes and history of the Jewish religion.

335. The Life of Jesus. 3 hrs. A study of the major themes and history of the Christian religion.

490. Contemporary Religious Problems. 3 hrs. An examination of specific problems within the broad spectrum of contemporary religious concern.

492. Special Problems. 1-3 hrs. Directed individual study. May be taken for a total of nine (9) hours.

499. Religious Studies Abroad. 3-6 hrs. The study of religious themes in various parts of the world. Offered abroad through the Center for International Education.

RESEARCH AND FOUNDATIONS (REF)

Educational Foundations

400. Public Education in the United States. 3 hrs. An orientation to teaching as a profession. Teacher education majors must be formally admitted to the teacher education program.

416. Utilization of Audiovisual and Media Equipment. 3 hrs. A general course for teachers with emphasis upon use, production, and selection of sound and visual classroom media.

409. Tests and Measurements. 3 hrs. Considers evaluative practices in education. Teacher education majors must be formally admitted to the teacher education program.

SCIENCE EDUCATION (SCE)

432. Science for Elementary Teachers. 3 hrs. Prerequisites: FS 131, 133, 135, or 12 semester hours of science.

435. Marine Science for Elementary Teachers. 3 hrs. Prerequisite: Permission of instructor. (Same as MAR 458).

433. Earth and Environmental Science for Intermediate School Teachers. 3 hrs. Prerequisite: Earth and environmental science background or permission of the instructor.

460. Methods in Teaching Science—Secondary. 3 hrs. Designed to familiarize teachers with current trends, methods, and techniques of teaching science to secondary school students.

461. Students and Technology in Science and Mathematics Teaching. 3 hrs. An examination of software, literature, research and strategies.

492. Special Problems. 1-3 hrs. A problem study to be approved by the Center Director.

SOCIAL WORK (SWK)

230. Introduction to Social Work. 3 hrs. Prerequisites: SOC 101 and PSY 110. An introduction to Social Work as a profession and to its practice methodologies, with an emphasis on the Generalist Method.

300. Social Service Systems. 3 hrs. Prerequisite: SWK 230 or permission of BSW Coordinator. Study of the major social service systems in which social workers practice. Historical perspectives, value issues, and current administrative policies are examined.

315. Cultural Diversity: Implications for Social Work Practice. 3 hrs. Prerequisite: SWK 230 or permission of BSW Coordinator. Cultural, social, and psychological implications of diverse lifestyles for social work practice. Differences/similarities among various cultures and implications for social work practice will be explored.

329. Interviewing and Recording. 3 hrs. Prerequisites: Social Work Major and 3 hours of English Electives (ENG 332, 333, 300). Fundamentals of good oral and written communication skills for social workers presented in a laboratory setting.

340. Human Behavior and the Social Environment I. 3 hrs. Prerequisites: SWK 315, PSY 375 and BSC 107 with lab. Study of the interrelations of biological, social, cultural, environmental and psychological factors in human behavior and their relevance and application to social work practice.

400. Social Welfare Policy and Programs. 3 hrs. Prerequisites: SWK 331, SWK 341, ECO 201 or PS 101. Co-requisite: SWK 420. Examination of the construction, analysis, and implementation of social welfare policy at local, state and federal levels.

420*. Methods of Social Work Research. 3 hrs. Prerequisites: SWK 331, SWK 341, CSC 100 and PSY 360. Co-requisite: SWK 400. Methods of data collection, analysis, interpretation and reporting in preparation for the evaluation of social work practice and research.

430*. Field Education. 9 hrs. Prerequisites: Must have completed 122 hours of the required liberal arts curriculum, professional core and foundation electives with a 2.5 cumulative GPA. Co-requisite: SWK 431. Internship in a social service agency to provide experience in direct service to client systems and to enhance and develop generalist practice skills.

431*. Field Education Seminar. 3 hrs. Co-requisite: SWK 430. A seminar designed to enable students to further develop generalist practice skills and integrate professional knowledge, values, skills and theory with practice.

492. Special Problems. 3 hrs. (May be repeated up to 6 hrs.) Allows a student or a group of students to study issues of special significance for social work practice that are not normally addressed by regular courses.

493. Crisis Intervention. 3 hrs. Prerequisite: SWK 330. Theory as well as step-by-step intervention for the helping professional to assist the client in reducing temporary extreme stress.

494. Social Work with Children and Families. 3 hrs. Prerequisite: SWK 330. Introduction to the practice settings which provide services to children and their families. Social work practice in child welfare agencies and social service interventions to strengthen families will be the primary focus.

496. Social Work Practice in Schools. 3 hrs. Prerequisite: SWK 330. Examines the challenges and opportunities of social work practice in education and the roles and functions of social workers within a complex ecological system of home/school/community. It also addresses current issues such as violence, homelessness, AIDS, physical and sexual abuse, substance abuse, racism, sexism, classism, diversity and cross-cultural communication.

497. Social Work Practice and Family Violence. 3 hrs. Prerequisite: SWK 330. Examines family violence and to suggest strategies for social work intervention with violent families, including those involving child abuse and neglect, spouse abuse and elder abuse. The problem is viewed from the dual perspectives of societal concerns and interventions, including policies and programs, and work with individual families.

498. Families of the Developmentally Disabled. 3 hrs. Prerequisite: Junior status or consent of instructor. Interdisciplinary approach to the study of families with developmental disabilities.

*Majors Only

SOCIOLOGY (SOC)

101. Introduction to Sociology. 3 hrs. Prerequisite to all other sociology courses. Designed to give a general overview of the perspectives, concepts, and methodology of sociology. (CC 2113)

240. Social Problems. 3 hrs. A study of representative contemporary problems, with emphasis on causes which arise from cultural patterns and social change. (CC 2123, 2133)

301. Wealth, Status, and Power. 3 hrs. An introduction to the study of social stratification in society, focusing on theoretical explanations for the unequal distribution of wealth, status, and power in the United States.

302. Social Interaction. 3 hrs. A sociological analysis of human interaction. Topics include childhood socialization, nonverbal communication, and the relationship of presentational styles and social contexts.
310. Urban Sociology. 3 hrs. An analysis of the nature of urban society and the factors shaping it, including the influence of urban ecology and ecological processes.

314. The Family. 3 hrs. An analysis of the structure and functions of the family as an institution and the factors making for family change.

315. Sociology of Religion. 3 hrs. A study of religion as a social institution, its internal development, relationships to other institutions, and its cultural and social significance in modern societies.

340. Deviant Behavior. 3 hrs. How conceptions of deviance originate and persist through the process of social interaction, with emphasis on societal reactions to deviance and the adaptation of deviants to society.

355. Collective Behavior and Social Movements. 3 hrs. A study of the ways in which collective behavior and social movements relate to socio-cultural change.

410. Sociology of Sport. 3 hrs. The examination of sport as a social institution and cultural phenomenon. Topics include sport and the media, sports violence, labor relations in sport, and sport in educational settings.

415. Sex Roles and Gender in Society. 3 hrs. A study of the relationship between sex roles and broader cultural patterns in various societies.

421. Special Sociological Topics. 3-9 hrs. Variable content. May be repeated three times in separate topical offerings.

424. Sociology of Aging. 3 hrs. A survey of demographic, social, and cultural aspects of aging, with particular emphasis on American society and the problems encountered by older persons.

426. Sociology of Education. 3 hrs. A comprehensive study of the educational institution, and its relationship to the community and society.

430. Political Sociology. 3 hrs. A study of politics as a social institution, its relationship with other institutions, and its place in a changing society.

433. Field Work Practicum. 3-9 hrs. Arr. Designed to provide the student with practical field experiences in a career-oriented area.

444. Juvenile Delinquency. 3 hrs. A study of the causes and nature of juvenile delinquency, the development of the juvenile court, probation, and other rehabilitative programs.

450. Social Psychology. 3 hrs. A study of how the thoughts and behaviors of individuals are influenced by the actual or implied presence of others.

460. Quantitative Methods. 3 hrs. A survey of quantitative research techniques, focusing on descriptive and inferential statistics and computer applications.

461. Population. 3 hrs. An introduction to demography, analyzing significant changes in population composition.

462. Methods of Social Research. 3 hrs. A study of the production and interpretation of social research, with an emphasis on the relationship of theory and method.

471. Social Institutions. 3 hrs. A study of selected American social institutions, focusing on class and power structures, the rise of post-industrial society, religious and moral divisions, and democratic individualism.

475. Social Inequality. 3 hrs. Research and theory in social differentiation, class, status, power, and mobility. Analysis of inequality and the effects of socioeconomic status on behavior and social organization.

481. History of Social Thought. 3 hrs. An examination of early social thought, tracing the development of Western thought and ideas from Hammurabi to Comte.

482. Sociological Theory. 3 hrs. A study of classical and contemporary social theory, focusing on selected theorists (e.g., Weber, Durkheim, Marx, Merton, and Goffman) and selected topics, including anomie and alienation, the rise of capitalism, theories of crime, and concepts of self.

489. Caribbean Studies. 3 hrs. Variable content. Lecture series and study in the Caribbean under the auspices of the Center for International Education.
492. Special Problems. 1-3 hrs. To be used to pursue specialized interests for which courses are not offered. Must be approved by the department chair. (Students undertaking a Seniors Honor Project will enroll in SOC 492.)

499. British Studies. 3-6 hrs. Variable content. Lecture series and research offered abroad under the auspices of the Center for International Education.

SOFTWARE ENGINEERING TECHNOLOGY (SET)

100. PC Hardware I. 1 hr. Introduction to the architecture and peripheral devices of the Intel Family of Microprocessors.

101. PC Hardware II. 1 hr. Prerequisite: SET 100. Advanced architecture and peripheral devices of the Intel Family of Microprocessors.

370L Hardware Systems Laboratory. 1 hr. Corequisite: SET 370.

371L Personal Computer Applications Laboratory. 1 hr. Prerequisites: SET 370, 370L. Corequisite: SET 371.

392. Special Problems. 1-3 hrs. Prerequisite: Sophomore standing and approval of faculty adviser. Supervised study in area not covered by available courses.

400. Senior Project I. 1-3 hrs. Prerequisites: Senior standing and approval of faculty adviser. Student to complete project in his or her area of specialization.

401. Senior Project II. 1-3 hrs. Prerequisites: SET 400. Student to complete project in his or her area of specialization.

483. Windows Networking. 3 hrs. A comprehensive examination of the Windows 95 networking architecture and capabilities.

485. NOS Server Administration. 3 hrs. Prerequisite: SET 483. A comprehensive examination of the Windows NT 4.0 installation and administration, one of today’s most popular Network Operating Systems (NOS).

486. Intranetworking. 3 hrs. Prerequisite: SET 485 or permission of instructor. A continuation of SET 485 that will emphasize intranetworking directory architecture, binding of network protocols, creation and management of user and group accounts.

488. TCP/IP. 3 hrs. Prerequisite: SET 483. A comprehensive examination of the Internet’s standard protocol suite TCP/IP.

489. Internet Information Server. 3 hrs. Prerequisite: SET 485 or permission of instructor. Installation and configuration of a popular NOS as an Internet information server.

492. Special Problems. 1-3 hrs.

495. Emerging Digital Technologies. 3 hrs. Prerequisites: SET 490 or permission of instructor. Overviews web-based systems that provide on-demand, just-in-time performance improvement applications to business and industrial settings using the Internet.

SPECIAL EDUCATION (SPE)

121. Introduction to Field Experiences in Special Education. 3 hrs. Introduction to Special Education focusing on an array of services provided exceptional individuals. Course focus is on knowledge, skills, and opportunities.

331. Practicum in Elementary Special Education. 1 hr. Observational methods. To be taken with SPE 431.

342. Practicum for Transitional Policy. 1 hr. To be taken with SPE 442.

344. The Psychology and Education of the Exceptional Individual. 3 hrs. An introduction to exceptional populations and procedures and policies relating to their education and citizenship. Teacher education majors must be formally admitted to the teacher education program.

402. General Methods in Special Education. 3 hrs. The development of conceptual and writing skills associated with individual educational programs for disabled students, materials, and media techniques. Teacher education admission is required.

405. Early Intervention for Children with Special Needs. 3 hrs. Individual educational planning for children age 0-5 with special needs.
430. An Introduction to Learning Disabilities. 3 hrs. A study of social, emotional, physical, and learning characteristics of individuals with specific learning disabilities.

431. Programming for Elementary Students with Mild/Moderate Disabilities. 3 hrs. Methods, materials, and individual educational planning for elementary level students with disabilities. Teacher education admission is required.

440. An Introduction to Mental Retardation and Developmental Disabilities. 3 hrs. A study of social, emotional, physical, and intellectual characteristics of individuals with mental retardation.

442. Intervention and Transitional Policies for Secondary Students with Mild/Moderate Disabilities. 3 hrs. Methods, materials, and individual educational planning for mildly and moderately disabled students at the secondary level. Teacher education admission is required.

451. Classroom Management. 3 hrs. Techniques for structuring the classroom to promote learning. Methods for changing specific academic and social behaviors. Teacher Education admission is required.

460. Characteristics and Education of the Gifted Student. 3 hrs. Study of gifted populations to include characteristics, learning modes, and assessment procedures.

481. Student Teaching: Mild/Moderate Disabilities. 7-14 hrs.

492. Special Problems in Special Education. 1-3 hrs. A consideration of special interest areas in the field of exceptional children. (Students undertaking a Senior Honor Project will enroll in SPE H492.)

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.

498. Families of the Developmentally Disabled. 3 hrs. Interdisciplinary approach to the study of the concerns of families of individuals with developmental disabilities.

SPEECH AND HEARING SCIENCES (SHS)

201. Introduction to Phonetics. 3 hrs.

202. Fundamentals of Speech and Hearing Sciences. 3 hrs.

202L. Fundamentals of Speech and Hearing Sciences Laboratory. 1 hr.

211. Introduction to Communication Disorders. 3 hrs.

221. Introduction to Audiology. 3 hrs. 310. Student Teaching: Clinical Observation. 3 hr. First clinical and student teaching experience. Prerequisite: SHS 201, 211, 301 or permission of instructor.

301. Language and Speech Development. 3 hrs.

302. Anatomy and Physiology of the Hearing Mechanisms. 3 hrs.

303. Anatomy and Physiology of the Speech Mechanism. 3 hrs.

306. Basic Neuroanatomy in Speech-Language Pathology. 3 hrs. Prerequisites: SHS302, 303 or permission of instructor.

308. Instrumentation in Speech and Hearing Science. 3 hrs. Prerequisites: SHS 202, 202L or permission of instructor.

310. Student Teaching: Clinical Observation. 7 hrs. Prerequisites: SHS 201, 211, 301; or permission of instructor. Prerequisite: Minimum overall 2.25 grade point average. Students observe speech pathology, audiology and deaf education testing, and habilitation techniques with a variety of clients. Report writing, analysis of client behaviors, and session planning are stressed. (Section 01 is Audiology, Section 02 is Education of the Deaf, and Section 03 is Speech/Language Pathology.)

311. Clinical Assisting—Speech. 1-3 hrs. Clinical experience assisting speech/language clinicians. Prerequisite: SHS 310 and GPA greater than 3.0 or permission of instructor.

323. Basic Sign Language. 3 hrs. Concepts of total communication, sign language and finger spelling are stressed.

329. Intermediate Sign Language. 3 hrs. Prerequisite: SHS 323 or permission of the instructor. Course is a continuation of the Basic Sign Language course with additional signs and situational experiences.
340. Advanced Methods of Communicating with the Hearing Impaired. 3 hrs. Prerequisite: Permission of instructor. Develops extensive sign vocabulary; introduces ethics of interpreting; and individualizes training for specific situations.

410. Intervention Language Disorders. 3 hrs. Prerequisite: Minimum overall 2.25 grade point average.

411. Articulation Disorders. 3 hrs. Prerequisites: SHS 201, 301 or Permission of Instructor; minimum overall 2.25 grade point average.

412. Diagnostic Procedures in Speech Pathology I. 3 hrs. Prerequisites: SHS 201, 211, 301 or permission of instructor; minimum overall 2.25 grade point average.

414. Stuttering and Related Problems. 3 hrs. Prerequisite: Minimum overall 2.25 grade point average.

417. Speech and Language Disorders Related to Cleft Palate. 3 hrs. Prerequisite: SHS 303; minimum overall 2.25 grade point average.

421. Aural Rehabilitation. 3 hrs. Prerequisite: SHS 221; minimum overall 2.25 grade point average.

422. Diagnostic/Prescriptive Teaching of the Hearing Impaired. 3 hrs. Prerequisite: Senior standing or permission of instructor.

425. Psycho-Social Factors Associated with Hearing Impairment. 3 hrs. Prerequisite: Permission of instructor; minimum overall 2.25 grade point average.

428. Clinical Audiology I. 3 hrs. Prerequisite: SHS 221.

430. Speech Pathology and the Hearing Impaired Child. 3 hrs. Prerequisite: Minimum overall 2.25 grade point average.

431. Language Disorders I: Assessment of Children with Language Disorders. 3 hrs. Prerequisite: SHS 301; minimum overall 2.25 grade point average.

432. Language Disorders II: Habilitation of the Aphasic Child. 3 hrs. Prerequisite: SHS 301; minimum overall 2.25 grade point average.

433. Developing Language Skills with the Hearing Impaired. 3 hrs.

434. Developing Oral/Aural Communication in Hearing Impaired Children. 3 hrs.

435. Developing Reading in the Hearing Impaired. 3 hrs. Prerequisite: SHS 433 or permission of instructor.

436. Introduction to Education of the Hearing Impaired. 3 hrs.

492. Special Problems. 1-3 hrs. (Students undertaking a Senior Honors project will enroll in SHS H492.)

495. Student Teaching: Deaf. 7 hrs. Intensive practicum in school setting covering full range of teaching responsibilities with a certified teacher of the hearing impaired.

496. Student Teaching: Deaf. 7 hrs. A continuation of SHS 495.

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.

499. British Studies: Comparative Problems in Speech and Hearing Sciences. 3-6 hrs.

SPEECH COMMUNICATION (SCM)

300L. Oral Language Laboratory. 1 hr. An oral language laboratory.

303. Argumentation and Debate. 3 hrs. Theory and practice in inquiry and advocacy involving analysis, reasoning, organization and presentation of oral arguments for decision making.

305. Interpersonal Communication. 3 hrs. A course designed to improve students' competence in and understanding of interpersonal relationships.

311. Persuasion. 3 hrs. Study of classical and contemporary theories and strategies of persuasion with applications to public address, advertising, and public relations.

312. Interviewing Principles and Applications. 3 hrs. Study and application of interview strategies and techniques.

315. Advanced Public Speaking. 3 hrs. Advanced theory and practice of oral communication presentations.

320. Business and Professional Speaking. 3 hrs. A course that develops student skills in a broad group of special communication settings pertinent to the world of work, e.g., running meetings, making technical reports, and group problem solving.
Course Descriptions | 447

330. Small Group Communication. 3 hrs. Provides students with the basic skills and principles of communication pertinent to the small problem-solving group.

350. Nonverbal Communication. 3 hrs. An examination of nonverbal communication and its role as context for speech communication.

403. Political Communication. 3 hrs. A comprehensive study of the role of communication in political campaigns and in the general political process.

405. Relational Communication. 3 hrs. Reviews the development of interpersonal processes that effect relationships in social, intimate, work, and family contexts.

410. Organizational Communication I: Theory and Process. 3 hrs. A survey of approaches to the study of organizational communication and aspects of the communication process within organizations.

411. Managing the Forensics Program. 3 hrs. How to initiate, design, manage, and coach a competitive forensics program.

412. Advanced Persuasion. 3 hrs. Extension of the introductory course in persuasion. Students will study theories, concepts, and issues in persuasion from classical to current times.

415. Rhetorical Criticism. 3 hrs. Discusses the variety of strategies critics use to analyze and interpret public communication. Contemporary speeches are examined.

420. Organizational Communication II: Assessment and Training. 3 hrs. A survey of methods for determining the quality and kind of communication within organizations and training methods for improving organizational communication.

425. Communication and Conflict Resolution. 3 hrs. Explores communication effects on conflict, including types and causes of conflict, individual conflict styles, and various negotiation strategies.

430. Communication and Small Group Decision-Making. 3 hrs. Examines theory, research, and practice concerning the role and importance of communication in task-oriented groups. Emphasis on decision-making.

435. Speech Communication in Legal Contexts. 3 hrs. Theoretical implications, research findings, and persuasive strategies used in various legal contexts are studied.

440. Health Communication. 3 hrs. Examines health communication theory and practices with attention given doctor-patient interactions in interpersonal, small group, interviewing, and organizational contexts.

450. Seminar in Speech Communication. 3 hrs. An examination of various theories of speech communication and various settings for their application. May be repeated for up to 6 hours credit.

455. Freedom and Responsibility of Speech. 3 hrs. Examines the theory of free speech as it applies to various modes of expression.

459. Methods in Speech Communication. 3 hrs. Prerequisite: CIS 313. A general orientation to the teaching of speech communication, followed by individualized unit work in the special fields of speech communication.

459L. Methods in Speech Communication Lab. 1 hr. Prerequisite: CIS 313. Pre-student teaching field experience.

460. Public Advocacy and Advanced Argumentation. 3 hrs. Examination of advanced theories, issues, and concepts in public advocacy and argumentation.

475. Gender Issues in Speech Communication. 3 hrs. Examination of gender issues as applied to interpersonal, professional, organizational, persuasive, and political communication.

490. Theories of Speech Communication. 3 hrs. A survey of theoretical perspectives on speech communication, e.g., psychological, rhetorical, linguistic, and human relations.

492. Special Problems. 1-3 hrs. Prerequisite: Permission of instructor. Directed research in a topic of interest to the student. (Students undertaking a Seniors Honor Project will enroll in SCM H492.)

TECHNICAL AND OCCUPATIONAL EDUCATION (TOE)

241. Principles of Training and Development. 3 hrs. An introduction and overview of training professions in both the public and private sector. To include on-site visitation of host industrial organizations and other institutions.

323. Engineering Drawing I. 3 hrs.

324. Engineering Drawing II. 3 hrs. Prerequisites: IVE 323. May include hands-on CAD.
350. Architectural Drawing. 3 hrs. Practice in drafting contemporary house plans, floor plans, evaluations, sections, details, etc. May include hands-on CAD.

333. Curriculum Construction for Cooperative Education. 3 hrs. Objectives, content, arrangement and techniques of teaching in part-time cooperative and evening programs.

334. Occupational Surveys. 3 hrs. Planning and conducting occupational surveys for educational purposes.

433. Design of the Occupation Based Instructional Program. 3 hrs. Occupational analysis based design and sequencing of instructional components, and the development of appropriate support materials.

434. Development of Occupational Instruction Materials. 3 hrs. Selection, development and use of instructional aids, with an emphasis on media production.

435. Delivery of the Occupational Instruction Program. 3 hrs. Learning theory based techniques of instructional delivery in the vocational classroom and laboratory.

448. Industrial Human Relations. 3 hrs. A study of human behavior and interpersonal dynamics within the industrial organization and environment. Primarily for industrial educators.

449. Industrial and Vocational Safety. 3 hrs. Analysis of fundamentals of accident prevention and their application in the school and industrial environments.

450. History and Philosophy of Vocational Education. 3 hrs. Objectives, principles, aims, and organization of programs in schools and colleges.

452. Problems of the Coordinator. 3 hrs. A study of the problems, procedures, techniques, etc., in the operation of part-time cooperative education.

454. Microcomputer Applications in Education. 3 hrs. Skill development in the use of microcomputers and multiple software packages appropriate to teaching and managing education.

456. Desktop Publishing and Presentation Graphics. 3 hrs. Prerequisite: Any 3 hr. computer course or permission of instructor. Office based microcomputer production of typeface/graphics enhanced media, designed to be both pleasing in appearance and effective in communication.

458. Computer Based Instructional Technology. 3 hrs. Prerequisite: Any 3 hr. computer course or permission of instructor. Interactive instructional design and applications. Introduction of hypermedia tools, authoring systems, CAI software reviews/evaluations, and hands-on interactive module production.

492. Special Problems in Technical Education. 1-3 hrs. Prerequisites: Senior standing and chair’s permission.

494. Student Teaching in Vocational-Technical Education. 12 hrs. Prerequisite: TOE 441. For students who plan to teach in a post-secondary vocational or technical program and who are not presently employed in such a program.

495. Internship in Vocational-Technical Education. 1-9 hrs. Prerequisite: TOE 441. A nine-months’ supervised experience for practicing teachers of vocational or technical subjects.

497. Professional Collaboration for Developmental Disability Services. 3 hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.
THEATRE (THE)

100. Theatre Appreciation. 3 hrs. An introduction to theatre as an art form, reflecting the aesthetic aspects and social conditions of a culture. (CC 2233)

103. Introduction to Theatre. 5 hrs. (3 hrs. lecture and 2 hrs. laboratory). An introduction to the principles of theatre, with involvement in the rehearsal, production, and performance process as they apply to major departmental productions. (CC-SPT 1213.)

110. Nonmajor’s Beginning Acting. 3 hrs. An introductory acting technique course specifically designed for interested non-theatre students.

111. Fundamentals of Oral Interpretation. 3 hrs. General educational approach to the art as a means of communicating literary content. (CC-SPT-2143)

120. Fundamentals of Acting. 3 hrs. An introductory acting technique course using modern scene study and improvisations. (CC-SPT-1233)

200. Stagecraft. 3 hrs. Introduction to scenographic theory and techniques with practical application. (CC-SPT-2223)

200L. Stagecraft Laboratory. 1 hr. Laboratory for THE 200. Must be taken concurrently.

201. Introduction to Costume and Makeup. 3 hrs. Introduction to theatrical costume and makeup theory with its practical application.

201L. Costume and Makeup Laboratory. 1 hr. Laboratory for THE 201. Must be taken concurrently.

202. Costumes for the Dance. 2 hrs. Study of costumes in the dance and their effect on performance. Basic patterns and construction techniques will be mastered.

215. Stage Dialects. 3 hrs. Prerequisite: THE 115 or consent of instructor. Introduction to stage dialects.

306. Introduction to Scenery and Lighting. 3 hrs. Prerequisites: THE 200. Theory and practice in the utilization of stage scenery and lighting with daily involvement in their practical application to major departmental productions.

306L. Scenery and Lighting Laboratory. 1 hr. Laboratory for THE 306. Must be taken concurrently.

310. Intermediate Acting I. 3 hrs. Prerequisite: THE 120. A continuation of fundamentals of acting on a more intense level, to include character development and technique.

315. Voice for the Actor/Singer. 3 hrs. Vocal techniques for the singing actor.

320. Directing. 3 hrs. Prerequisites: THE 100 or THE 103 and THE 120.

361. Stage Movement/Combat. 2 hrs. Performance course designed to cover basic stage movement, physical alignment, body awareness, economy of movement, and physical expression of character.

401. Costume Design. 3 hrs. Prerequisite: THE 201 or consent of instructor.

403. Advanced Movement/Combat. 2 hrs. Prerequisite: THE 361. Course in unarmed and armed stage combat, with continued emphasis on alignment and fluidity through T’ai Chi.

410. Stage Sound Engineering. 3 hrs. Principles and practice in stage sound engineering.

412. Stage Lighting. 3 hrs. Prerequisite: THE 306. Theory and application of general and special lighting, color, instrumentation, and control.

414. Improvisation. 3 hrs. Prerequisite: 310. Prerequisite: THE 310. A performance course using Improvisation as a means to free impulse, develop characterization and refine moment.

416. Intermediate Acting II. 3 hrs. Prerequisites: THE 310 and instructor approval and/or audition. Advanced scene study including various modern genres.

420. Advanced Directing. 3 hrs. Prerequisite: THE 320.
427. Theatre History I. 3 hrs. Prerequisites: All 200 level requirements complete or consent of instructor.
429. Dramatic and Performance Theory. 3 hrs. Prerequisites: All 200 level requirements complete or consent of instructor.
Examination and evaluation of dramatic and performance theory.
430. Summer Theatre I. 3 hrs. Concentrated applied theatre.
435. Advanced Scene Design. 3 hrs. Prerequisite: THE 406 or consent of instructor. The techniques of scene design as applied to non-realistic stage settings.
436. Advanced Stage Lighting. 3 hrs. Prerequisite: THE 412.
450. The Audition Process. 2 hrs. Prerequisites: THE 310 and consent of instructor. An acting class designed to help prepare students for professional auditions and interviews.
451. The Rehearsal Process. 2 hrs. Prerequisites: THE 416 and consent of instructor. An acting class designed to dissect and analyze the rehearsal process from casting through production.
460. Costume Design Studio. 3 hrs. Prerequisite: THE 401 or consent of instructor. Projects in designing costumes for plays, opera, and dance. Emphasis placed on costume designs as an element in a total production concept.
461. Advanced Theatrical Makeup. 3 hrs. Prerequisites: THE 304 or consent of instructor. Projects in makeup design and execution. Emphasis placed on three-dimensional makeup techniques for theatre, television, and film.
471. Performance and Production Internship. 1-9 hrs. May be taken for a total of nine (9) hours. Professional experience in residence with approved professional organizations.
481. Repertory Theatre. 3-9 hrs. Participation in the analysis and preparation of the performances of three plays in repertory. Student must enroll in three 3-hour sections.
482L. Practicum in Box Office and Publicity. 1-3 hrs. May be taken for a total of nine (9) hours.
483L. Practicum in Technical Theatre. 1-3 hrs. May be taken for a total of nine (9) hours.
484L. Practicum in Lighting and Sound Engineering. 1-3 hrs. May be taken for a total of (9) hours.
485L. Practicum in Properties. 1-3 hrs. May be taken for a total of nine (9) hours.
486L. Practicum in Design. 1-3 hrs. May be taken for a total of nine (9) hours.
488L. Practicum in Acting and Directing. 1-3 hrs. May be taken for a total of nine (9) hours.
489L. Practicum in Costume and Makeup. 1-3 hrs. May be taken for a total of nine (9) hours.
492. Special Problems. 1-3 hrs. To allow individual students or groups of students to study special advanced problems in theatre not normally addressed by regular courses. (Students undertaking a Senior Honors Project will enroll in THE H 492.)
497. Theatre Exchange Studies Abroad. 9-15 hrs. Opportunity to study theatre for one semester in an approved exchange program abroad. Offered under auspices of Center of International Education.

THERAPY (THY)
411. Introduction to Kinesiotherapy. 3 hrs. An introduction to the theory of organizing and conducting kinesiotherapy as it applies to physical and mental rehabilitation.
412. Kinesiotherapy I. 3 hrs. Prerequisite: Admission to specialization. Emphasis placed on physical evaluation procedures of spine and extremities, musculo-skeletal function, goniometry and gait analysis.
413. Kinesiotherapy II. 3 hrs. Prerequisite: Admission to specialization. Rehabilitation as a part of the comprehensive medical care and its application in restoration of physical and mental impairments towards functional independence.
421. Clinical Experience. 1-4 hrs. Arr. A supervised internship in various habilitation, rehabilitation, or neuropsychiatric clinics. May be repeated.
461. Corrective Therapy and Rehabilitation Medicine. 2 hrs. An introduction to the basic concepts and considerations necessary for effective functioning in the clinical setting.
462. **Spinal Cord Injuries and Muscle Disorders.** 2hrs. A review of normal and abnormal functioning of the motor pathways with emphasis on evaluation and rehabilitation of specific motor disorders and spinal cord injuries.

463. **Normal Human Locomotion.** 2hrs. An in-depth analysis of normal human locomotion and its impact on ambulation training, prosthesis gain deviations, and blind mobility training.

464. **Cardiovascular and Respiratory Disorders.** 2hrs.

471. **Accelerated Corrective Therapy Rehabilitation Ward Program.** 2hrs. An introduction to the basic concepts and treatment procedures used in accelerated rehabilitation ward programs.

472. **Dynamics of Psychiatric Group Rehabilitation Programs.** 2hrs. The complexities in directing neuropsychiatric group activities.

473. **Neuro-Psychiatric Geriatric Training.** 2hrs. An introduction to the multi-problem areas of communication with motivating and treating the geriatric, neuro-psychiatric patient.

474. **Programs for the Severely Disturbed Psychiatric Patient.** 2hrs. An introduction to the problems of treating the psychiatric patient in a locked ward setting.

478. **Specialized Studies in Developmental Disabilities.** 1-6 hrs. Specialized study and skill acquisition in the area of developmental disabilities. Topics vary.

497. **Professional Collaboration for Developmental Disability Services.** 3hrs. Prerequisite: Upper level undergraduate students only. Study of the interdependent contributions of relevant disciplines in training, service, and research.

498. **Families of the Developmentally Disabled.** 3hrs. Interdisciplinary approach to the study of families of the developmentally disabled.

**TOXICOLOGY (TOX)**

470. **Survey of Toxicology.** 3 hrs. Prerequisite: CHE 256. A one semester survey course in toxicology.

**WOMEN’S STUDIES (WS)**

301. **Introduction to Women’s Studies.** 3 hrs. Introduces the interdisciplinary area of Women’s Studies through readings, guest lectures, and discussions.

450. **Seminar in Women’s Studies.** 3 hrs. Examines specific Women’s Studies topics in depth.

490. **Directed Research in Women’s Studies.** 1-3 hrs. Permission of instructor. Enables students to engage in a research project or practicum involving Women’s Studies.
Page 452 BLANK and is the last page of courses.
Page 452 BLANK and is the last page of courses...Coastal Science courses do not belong in this Bulletin.
COASTAL SCIENCES (COA)

300. Marine Science I: Oceanography. 3 hrs. An introduction to biological, chemical, geological, and physical marine sciences. For upper division science majors. Prerequisites: college algebra, 8 hours of chemistry and 8 hours of biological sciences. May be taken as MAR 300.

300L Marine Science I Laboratory. 2 hrs. Corequisite for COA 300. May be taken as MAR 300L.

301. Marine Science II: Marine Biology. 3 hrs. An introduction to marine biology with emphasis on local fauna and flora. For upper division science majors. Prerequisites: 8 hours of biological sciences. May be taken as MAR 301.

301L Marine Science II Laboratory. 2 hrs. Corequisite for COA 301. May be taken as MAR 301L.

408. Marine Science for Elementary Teachers. 3 hrs. Prerequisite: Consent of instructor. May be taken as MAR 458 or SCE 435.

409. Coastal Ecology for Teachers. 3 hrs. Corequisite: COA 409L. Designed to provide teachers with a background in basic coastal ecology. Prerequisite: Consent of instructor. May be taken as MAR 459 or SCE 459.

409L Coastal Ecology for Teachers Laboratory. 1 hr. Corequisite for COA 409. May be taken as MAR 459L or SCE 459L.

421. Marine Invertebrate Zoology. 3 hrs. A concentrated study of the important free-living marine and estuarine invertebrates of the Mississippi Sound and contiguous continental shelf of the northeastern Gulf of Mexico. Prerequisites: 16 hours of biology, including general zoology and introduction to invertebrate zoology. May be taken as BSC 421 or MAR 403.

421L Marine Invertebrate Zoology Laboratory. 3 hrs. Corequisite for COA 421. May be taken as BSC 421L or MAR 403L.

424. Parasites of Marine Animals. 3 hrs. A study of the parasites of marine estuarine animals with emphasis on morphology, taxonomy, life histories, and host-parasite relationships. Prerequisite: Consent of instructor. May be taken as BSC 424 or MAR 404.

424L Parasites of Marine Animals Laboratory. 3 hrs. Corequisite for COA 424. May be taken as BSC 424L or MAR 404L.

425. Marine Phycology. 2 hrs. A survey course, based upon local examples, of the principal groups of marine algae. Prerequisites: 10 hours of biology including botany. May be taken as BSC 425 or MAR 420.

425L Marine Phycology Laboratory. 2 hrs. Corequisite for COA 425. May be taken as BSC 425L or MAR 420L.

437. Coastal Vegetation. 3 hrs. A broad study of general and specific aspects of coastal vegetation, with emphasis on local examples. Prerequisites: 10 hours of biology including general botany. May be taken as BSC 437 or MAR 421.

437L Coastal Vegetation Laboratory. 2 hrs. Corequisite for COA 437. May be taken as BSC 437L or MAR 421L.

438. Salt Marsh Plant Ecology. 2 hrs. The botanical aspects of local marshes; includes plant identification, composition, and structure. May be taken as BSC 438 or MAR 422.

438L Salt Marsh Plant Ecology Laboratory. 2 hrs. Corequisite for COA 438. May be taken as BSC 438L or MAR 422L.

449. Marine Aquaculture. 3 hrs. An introduction to principles and technologies applied to the culture of commercially important marine organisms. Prerequisites: 16 hours of biology. May be taken as BSC 447 or MAR 407.

449L Marine Aquaculture Laboratory. 3 hrs. Corequisite for COA 447. May be taken as BSC 447L or MAR 407L.

448. Fauna and Faunistic Ecology of Tidal Marshes. 2 hrs. Taxonomy, distribution, trophic relationships, reproductive strategies, and adaptations of tidal marsh animals. Prerequisites: Consent of instructor. May be taken as BSC 448 or MAR 406.

448L Fauna and Faunistic Ecology of Tidal Marshes Laboratory. 3 hrs. Corequisite for COA 448. May be taken as BSC 448L or MAR 406L.

449. Marine Fisheries Management. 2 hrs. An overview of practical marine fishery management problems and statistical review of world fisheries. Prerequisite: Statistics recommended. May be taken as BSC 449 or MAR 410.
449L. Marine Fisheries Management Laboratory. 2 hrs. Corequisite for COA 449. May be taken as BSC 449L or MAR 410L.

456. Techniques in Marine Science Education. 3 hrs. Marine resources of Mississippi. May be taken as MAR 456 or SCE 456.

457. Marine Science for Teachers. 3 hrs. Advanced topics in marine science. Prerequisites: MAR/SCE 456. May be taken as MAR 457 or SCE 457.

458. Marine Ichthyology. 3 hrs. Marine fishes, including fish biology, ecology, evolution, and classification of marine and estuarine fishes. Prerequisites: 16 semester hours of biology including comparative anatomy or consent of instructor. May be taken as BSC 458 or MAR 408.

458L. Marine Ichthyology Laboratory. 2 hrs. Corequisite for COA 458. May be taken as BSC 458L or MAR 408L.

459. Marine Mammals. 3 hrs. An examination of the natural history and population ecology of cetaceans. Prerequisites: 12 semester hours of biology including Marine Science II or Marine Ichthyology. May be taken as BSC 459 or MAR 423.

459L. Marine Mammals Laboratory. 2 hrs. Corequisite for COA 459. May be taken as BSC 459L or MAR 423L.

468. Comparative Histology of Marine Organisms. 3 hrs. Histology of representative marine organisms. May be taken as BSC 468 or MAR 430.

468L. Comparative Histology of Marine Organisms Laboratory. 3 hrs. Corequisite for COA 468. May be taken as BSC 468L or MAR 430L.

490. Marine Microbiology. 3 hrs. An introduction to the role of microorganisms in the overall ecology of the oceans and estuaries. Prerequisites: General Microbiology and Environmental Microbiology or consent of instructor. May be taken as BSC 490 or MAR 490.

490L. Marine Microbiology Laboratory. 3 hrs. Corequisite for COA 490. May be taken as BSC 490L or MAR 490L.

479. Applications of Biotechnology in Marine Biology. 3 hrs. Basic biochemical and molecular techniques used in to conduct research in marine biology. Prerequisites: 8 hrs. of zoology, general and organic chemistry; biochemistry recommended or permission of instructor. May be taken as BSC 479.

479L. Applications of Biotechnology in Marine Biology Laboratory. 3 hrs. Corequisite for COA 479. May be taken as BSC 479L.

482. Coastal Marine Geology. 3 hrs. Basic and advanced information on the complex nature of the coastline and its structural features. May be taken as GLY 431 or MAR 482.

491. Special Topics in Coastal Sciences. 1-6 hrs. Directed study in an area for which no formal courses are offered. Prerequisite: Consent of instructor.

492. Special Problems I, II, III in Coastal Sciences. 1-6 hrs. A course in library and/or research selected in consultation with the instructor. Prerequisite: Consent of instructor.
Administration and Faculty

The Board of Trustees
State Institutions of Higher Learning,
State of Mississippi

Members Whose Terms Expire May 7, 2008
THOMAS W. COLBERT, State-at-Large, Jackson
JAMES ROY KLUMB, Sixth Congressional District, Gulfport
D. E. MAGGEE, JR., Central Supreme Court District, Jackson
VIRGINIA SHANTEAU NEWTON, Southern Supreme Court District, Gulfport

Members Whose Terms Expire May 7, 2004
WILLIAM S. CRAWFORD, Fifth Congressional District, Meridian
RICKI R. GARRETT, Seventh Congressional District, Clinton
J. P. MILLS, First Congressional District, Tupelo
CARL NICHOLSON, JR., State-at-Large, Hattiesburg

Members Whose Terms Expire May 7, 2000
NAN MCGAHEY BAKER, Northern Supreme Court District, Winona
J. MARLIN IVEY, Fourth Congressional District, Kosciusko
JAMES W. LUVENE, Second Congressional District, Oxford
CASS PENNINGTON, Third Congressional District, Indianola

Officers of the Board
CASS PENNINGTON, President
RICKI R. GARRETT, Vice President
THOMAS LAYZELL, Commissioner of Higher Education
Officers of Administration

HORACE WELDON FLEMING, JR., B.A., M.A., Ph.D. ..................................................President
MYRON S. HENRY, B.S., M.S., Ph.D. ............................................................................Provost
DONALD R. COTTEN, B.S., M.S., Ed.D. ..................................................Vice President for Research
LYNDA LEA GILBERT, B.S., M.S., Ph.D., C.P.A. ..........Vice President for Business and Finance
CLYDE NEULAN GINN, B.S., M.Ed., Ed.D. ..........Vice President for Administrative Affairs
HENSLEE CLIFFORD McLELLAN, B.S., M.S. ............................Director of Intercollegiate Athletics
JOSEPH SCOTT PAUL, B.S., M.S., Ph.D. .................................Vice President for Student Affairs
CURT S. REDDEN, B.S..............................................Vice President for University Advancement
JAMES ORRIN WILLIAMS, B.S., M.Ed., Ed.D. ......................Vice President, USM Gulf Coast
PETER ALEXANDER, B.M., M.M., Ed.D. .........................Dean of the College of The Arts
JANE BOUDREAU, B.S., M.S., Ph.D. ..............................Interim Dean of the College of Health and Human Sciences
GERRY CADENHEAD, B.S., M.S., Ph.D. ........................................Dean of the College of Science and Technology
STEPHEN ALAN DOBLIN, B.S., M.A., Ph.D. .................................Dean of the College of Business Administration
GLENN TERRY HARPER, B.A., M.A., Ph.D. ......................Dean of the College of Liberal Arts
JOSEPH B. HILL, JR., B.S., M.S., Ph.D. .............................Dean of University Libraries
TIM WILLIAM HUDSON, B.A., M.A., Ph.D. .....................Dean of the College of International and Continuing Education
ANSELM CLYDE GRIFFIN, III, B.S., Ph.D. .........................Dean of the Graduate School
WILLIAM D. GUNTER, B.S., M.A., Ph.D. .........................Dean of the College of Business Administration
JAMES ROBERT MARTIN, B.A., M.A., M.S.L.S., Ph.D. ..........Dean of University Libraries
CARL R. MARTRAY, B.A., M.A., Ph.D. .................................Dean of the College of Education and Psychology
MAUREEN ANN RYAN, B.A., M.A., Ph.D. .........................Dean of the Honors College
Emeritus Faculty

ANDERSON, BOBBY DEAN, Professor Emeritus of Educational Leadership and Research

ANDERSON, FRANCES J., Associate Professor Emeritus of Curriculum and Instruction

ANDERSON, HAYWARD GLENN, Associate Professor Emeritus of Accounting

ASHLEY, GROVER CLEVELAND, JR., Library Director Emeritus, Cook Library

BAIN, FLORA LEE, Associate Professor Emeritus of Nursing

BAIN, JOYCE, Associate Professor Emeritus of Nursing

BALDWIN, MABLE MAE, Associate Professor Emeritus of Business Education

BARNES, SHELBY EUGENE, Professor Emeritus of Community Health

BAXTER, JAMES EDWARD, Associate Professor Emeritus of Education

BEIDLER, WILLIAM, Professor Emeritus of Management Information Systems

BELL, KINLOCK WADE, Assistant Professor Emeritus of Human Performance and Recreation

BELL, MARSHALL LENORD, Assistant Professor Emeritus of Coaching and Sports Administration

BERRY, JOHN CALVIN, Associate Professor Emeritus of Educational Leadership and Research

BENJAMIN, ELIZABETH GUTHRIE, Assistant Professor Emeritus of Nursing

BISHOP, JAMES C., Assistant Professor Emeritus of Journalism

BOGART, THEODORE, Professor Emeritus of Engineering Technology

BONNER, LILLY ANNEI, Professor Emeritus of Business Education

BOROUGH, HERMAN, Professor Emeritus of Counseling Psychology and Counselor Education

BOWEN, RICHARD LEE, Professor Emeritus of Geology

BOYD, WILLIAM DOUGLAS, Associate Professor Emeritus of Library and Information Science

BRADLEY, DORIS PARKER, Professor Emeritus of Speech and Hearing Sciences

BRAUN, JULIUS CHRISTIAN, Professor Emeritus of Educational Administration and Supervision

BRENT, CHARLES, Professor Emeritus of Engineering Technology

BROWN, BAHNGRELL WALTER, Professor Emeritus of Geology

BROWN, FRED WALDO, Professor Emeritus of Science Education

BROWN, MARICE COLLINS, Distinguished University Professor Emeritus of English

BRYANT, GLORIA HULLUM, Associate Professor Emeritus of Home Economics

BRYANT, MARY LOUISE SCHOFIELD, Assistant Professor Emeritus of Nursing

BRYSON, MELBA RUTH, Assistant Professor Emeritus of Nursing

BULLARD, GEORGE EDWIN, Associate Professor Emeritus of Business Administration

BUNCH, CORRIE LYNNE, Librarian III, Emeritus, Cook Library

BURCH, JOHN CECIL, Associate Professor Emeritus of Management

BURKS, ROBERT ELBERT, Associate Professor Emeritus of Polymer Science

BURNS, WILLIAM BAXTER, Associate Professor Emeritus of Technology Education

BURRUS, JOHN NEWELL, Distinguished University Professor Emeritus of Sociology and Anthropology

CAMERON, COLLEEN, Professor Emeritus of Economics and International Business

CAMPBELL, CLAUDE LOUIS, Associate Professor Emeritus of Curriculum and Instruction

CARMICHAEL, MARY ANN, Assistant Professor Emeritus of Curriculum and Instruction

CARPENTER, JAMES RAY, Instructor Emeritus of Coaching and Sports Administration

CARROLL, JAMES C., Professor Emeritus of Business Administration

CARTER, BONNIE, Associate Professor Emeritus of English

CAUDILL, ORLEY B., Professor Emeritus of Political Science

CIURCZAK, PETER LOUIS, Professor Emeritus of Music

CLEMENTS, JOSEPH H., Professor Emeritus of Finance and General Business
CLIBURN, WILLIAM J., Professor Emeritus of Biological Sciences

COKER, EDWARD W., Assistant Professor Emeritus of Finance

COMPTON, BEULAH R., Professor Emeritus of Social Work

COOLEY, WILLIE EARL, Professor Emeritus of Curriculum and Instruction

COOPER, WALTER E., Distinguished Service Professor and Professor Emeritus of Physical Education

COVINGTON, VIRGINIA S., Assistant Professor Emeritus of Speech Communication

COX, MILTON, Visiting Assistant Professor Emeritus of Criminal Justice—Gulf Coast

CROSS, RALPH DONALD, Professor Emeritus of Geography

CULBERSON, JAMES OLIN, Professor Emeritus of Psychology

CUNNINGHAM, DAVID FRANKLIN, Professor Emeritus of Educational Leadership and Research

DAVIS, BONNIE JEAN, Professor Emeritus of Educational Leadership and Research

DAVIS, JAMES L., Associate Professor Emeritus of Management & MIS

DEAR, JAMES ESTUS, Professor Emeritus of Accounting

DENNIS, NANCY WORTHINGTON, Associate Professor Emeritus of Special Education

DENNIS, PERRY BROOKS, JR., Associate Professor Emeritus of Music

DENSON, HILL, Instructor Emeritus of Coaching and Sports Administration

DEVINE, FRANCIS EDWARD, Professor Emeritus of Criminal Justice

DICKERSON, GALE, Associate Professor Emeritus of Family and Consumer Sciences

DONOVAN, JACK P., Professor and Coordinator of Graduate Studies Emeritus of Music

DRAIN, LOIS ARENDER, Assistant Professor Emeritus of Home Economics Education

DRAKE, BETTY S., Librarian IV Emeritus of McCain Library and Archives

DUBARD, N. ETTOILE, Professor Emeritus of Speech and Hearing Sciences

DUNIGAN, NANCY CASEY, Professor Emeritus of Mathematics

EASTERLING, HENRY BENJAMIN, Professor Emeritus of Research and Human Development

EDSON, BEVERLY ANN, Instructor Emeritus of Nursing

ENTREKIN, VIRGINIA, Instructor Emeritus of Mathematics

ESTES, THOMAS GLENVALL, JR., Professor Emeritus of Accounting

ETZOLD, DAVID JULIUS, Professor Emeritus of Management

EWELL, WILLIE EVELYN, Assistant Professor Emeritus of Business Education

FAULKNER, MARY EVELYN, Professor Emeritus of Home Economics Education

FERGUSON, WILLIAM FRANKLIN, Associate Professor Emeritus of Educational Leadership and Research

GAAR, BASIL LEE, Associate Professor Emeritus of Special Education

GEHMAN, WILLIAM G., Associate Professor Emeritus of Engineering Technology

GEORGE, ALBERT DONALD, Professor Emeritus of Speech Communication

GIBBS, SARAH LITTLETON WEAVER, Dean Emeritus, School of Home Economics, and Professor Emeritus of Institution Administration

GONZALEZ, JOHN EDMOND, Distinguished University Professor Emeritus and holder of the William D. McCain Chair of History

GORE, BILL WES, Associate Professor Emeritus of Educational Leadership and Research

GOTTLEBER, HENRY ARTHUR, Professor Emeritus of Management

GOWER, ALBERT EDWARD, JR., Professor Emeritus of Music

GRANTHAM, WILLIAM RADER, Assistant Professor Emeritus of Coaching and Sports Administration

GREEN, JOHN ELWYN, Dean Emeritus, College of Fine Arts, and Professor Emeritus of Music

GURMAN, ERNEST B., Professor Emeritus of Psychology

GUTSCH, KENNETH URIAL, Professor Emeritus of Counseling Psychology and Counselor Education

HAGLER, CAROLYN, Associate Professor Emeritus of Technology Education

HAMMAN, ALTRA HOWSE, Chairman and Professor Emeritus of Family Life Services

HARMON, MARY MIXON, Instructor Emeritus of Foreign Languages
Hatcher, William Hamilton, Professor Emeritus of Political Science
Hays, Patricia McCoy, Assistant Professor Emeritus of Music
Hetrick, William Melvin, Associate Professor Emeritus of Educational Leadership and Research
Hill, Virginia Swann, Associate Professor Emeritus of Management
Holder, Bonnie Lee, Associate Professor Emeritus of Curriculum and Instruction
Hood, M. Roy, Instructor Emeritus of Curriculum and Instruction
Hunter, Elvin Max, Professor Emeritus of Industrial and Vocational Education
Hutchinson, Mary, Coordinator and Lecturer Emeritus of Nursing
Imbragilio, George Eugene, Associate Professor Emeritus of Music
Irby, Bobby Newell, Professor Emeritus of Science Education
Jackson, Howard Oliver, Associate Professor Emeritus of Accounting
Johnson, Roger Barton, Jr., Professor Emeritus of Foreign Languages and Literatures
Jones, Shirley Joan, Professor Emeritus of Social Work
Jordan, Bryce Donnell, Professor Emeritus of Finance and General Business
Karnes, Morris Ray, Professor Emeritus of Educational Administration and Supervision
Kelley, Arthell, Professor Emeritus of Geography
Kennon, Frederick Dill, Professor Emeritus of Accounting
King, Robert William, Associate Professor Emeritus of Mathematics
Knight, Harold Victor, Professor Emeritus of Educational Leadership and Research
Lackey, John Edd, Professor Emeritus of Business and Industrial Education
Ladner, James Larry, Assistant Professor Emeritus of Human Performance and Recreation
Landskov, Norvin Lawrence, Professor Emeritus of Curriculum and Instruction
Larson, James W., Professor Emeritus of Human Performance and Recreation
Laughlin-Porter, Jeannine, Associate Professor Emeritus of Library and Information Science
Lecroy, Barbara B., Librarian Emeritus and Instructor Emeritus of Curriculum and Instruction.
Lee, Billy Eugene, Associate Professor Emeritus of Educational Leadership and Research
Leonard, Rex Lee, Professor Emeritus of Educational Leadership and Research
Lewis, Jane E., Instructor Emeritus of English
Lok, Walter James, Chairman and Professor Emeritus of Allied Arts
Lowe, James Douglas, Jr., Professor Emeritus of Psychology
Love, Dale Kelly, Associate Professor Emeritus of Music
Lucas, William H., Associate Professor Emeritus of Accounting
Lucktenberg, Jerrie, Professor Emeritus of Music
McCarthy, Mary Margaret, Chair and Professor Emeritus of Institution Administration
McDuff, Laurence Heidelberg, Assistant Professor Emeritus of Accounting
McGowen, Douglas K., Assistant Professor Emeritus of Engineering Technology
McGrew, Wynema, Associate Professor Emeritus of Nursing
Mclain, Thomas David, Director Emeritus of Gulf Coast Research Laboratory
Mclain, Elizabeth Hammond, Assistant Professor Emeritus of Nursing
McPhail, James Harold, Professor Emeritus of Educational Leadership and Research
Markwalder, Winston E., Associate Professor Emeritus of Special Education
Martin, Billy Joe, Professor Emeritus of Biological Sciences
Menendez, Servando Lorenzo, Librarian Emeritus
Merrifield, Vernon Eugene, Associate Professor Emeritus of Art
Milken, Marlene, Professor Emeritus of Computer Science and Statistics
Milner, Louella Gill, Associate Professor Emeritus of Home Economics Education
Morgan, Jerril Laube, Professor Emeritus of Nursing
Mullins, Virginia, Instructor Emeritus of Mathematics
NAU, JOHN FREDERICK, Distinguished University Professor Emeritus of Philosophy and Religion

NEUMANN, EDITHA S., Professor Emeritus of Foreign Languages

NICHOLSON, GEORGE WILSON, Professor Emeritus of Mathematics

NOBLE, ELEANOR FLINT, Professor Emeritus of Curriculum and Instruction

NORSWORTHY, JOHN M., Associate Professor Emeritus of Special Education

NOWAKOWSKI, MARION ZYGJMUNT, Associate Professor Emeritus of Music

OLSEN, BOB GILHAM, Assistant Professor Emeritus of Adult Education

ORANGE, LINWOOD ELDEN, Professor Emeritus of English

PARIH, GERALDINE, Assistant Professor Emeritus of Social Work

PEDDICORD, HERSHEL QUINTON, JR., Associate Professor Emeritus of Curriculum and Instruction

PEDDICORD, PAUL WALLACE, Professor Emeritus of Educational Leadership and Research

PERRY, FLORENCE ELIZABETH, Librarian II Emeritus of Library Service

PHILLIPS, HENRY S., Instructor Emeritus of English

PINSON, JAMES, Emeritus Professor of Chemistry

PORTER, CARRIE LOUISE, Instructor Emeritus of English

POSEY, FLORA MAE, Associate Professor Emeritus of Nursing

POUND, GOMER JEFFREY, Professor Emeritus of Music

PRENSHAW, ERIC RICHARD, Associate Professor Emeritus of Music

PRENSHAW, PEGGY WHITMAN, Professor Emeritus of English

PRESSER, WILLIAM HENRY, Professor Emeritus of Music

PROBST, CHARLIE H., Associate Professor Emeritus of Counseling Psychology and Counselor Education

PTAK, HELEN, Professor Emeritus of Community Health

RHODES, ROBERT CLYDE, Professor Emeritus of Speech and Hearing Sciences

ROBERTS, WILLIAM MARVIN, Professor Emeritus of Geography and Area Development

ROGERS, LOUIS LEROY, Professor Emeritus of Research and Human Development

ROGERS, LYNELL B., Assistant Professor Emeritus of Child and Family Studies

RYAN, MARGARET WILSON, Professor Emeritus of Art

ST. CLAIRE, WILLIAM FEAGIN, Associate Professor Emeritus of Physics

SALINAS, YSIDRO, Associate Professor Emeritus of Engineering Technology

SAXON, WILLIAM, Professor Emeritus of Social Work

SCHMIDT, WILLIAM THEODORE, Assistant Professor Emeritus of History

SCHOELL, WILLIAM FREDERICK, Professor Emeritus of Marketing

SHAFFER, JOHN RICHARD, Professor Emeritus of Research and Foundations

SIRMON, WILLIAM A., Associate Dean Emeritus and Professor of Marketing and Finance

SIMS, JAMES HYLBERT, Distinguished Professor Emeritus of English and Vice President Emeritus of Academic Affairs

SKATES, CRAIG BARNWELL, Instructor Emeritus of English

SKATES, JOHN RAY, Professor Emeritus of History

SLAY, BILLY BORDEN, Professor Emeritus of Health, Physical Education, and Recreation

SLUTZKER, PATRICIA HELENE, Associate Professor Emeritus of Nursing

SMITH, BROOKS E., Professor Emeritus of Business Administration

SMITH, BYRON COLEMAN, Professor Emeritus of Biological Sciences

SMITH, MAUDE ANDERSON, Librarian II Emeritus

SMITH, ROBERT CARL, Instructor Emeritus of Mathematics

SOMMERS, PAULINE, Assistant Professor Emeritus of Nursing

SONNIER, ISADORE LEON, Professor Emeritus of Science Education

STEGENGA, MARTIN, Professor Emeritus of Management
STOCKER, LEONARD DON, Professor Emeritus of Music
SWITZER, JAMES REGINALD, Professor Emeritus of Health and Safety Education
SWYERS, WILLIAM E., Visiting Professor Emeritus of Accounting
TAYLOR, CELESTIAN JOSEPH, Instructor Emeritus of Athletic Administration and Coaching
TAYLOR, GLORIA BRUEMMER, Associate Professor Emeritus of Business and Industrial Education
THAGARD, OLIVER BOOGS, Instructor Emeritus of Sociology and Anthropology
THOMPSON, CHARLES EDMUN, Associate Professor Emeritus of Curriculum and Instruction
TOWNLEY, JAMES AIRD, Assistant Professor Emeritus of Human Performance and Recreation
TRACY, WARREN FRANCIS, Professor Emeritus of Library Science
TUCKER, FORREST DALE, Professor Emeritus of Speech Communication
TULEY, ROBERT, Professor Emeritus of Music
TURK, MARLCOM K., Instructor Emeritus of Coaching and Sports Administration
VARDAMAN, ELIZABETH, Librarian II Emeritus
VREELAND, RICHARD, Professor Emeritus of Marketing
WALDEN, ROBERT J., Professor Emeritus of Art
WALKER, WILLIAM WARREN
WALL, JESSIE STEWART, Professor Emeritus of Curriculum and Instruction
WALLACE, JOHN EDMUND, Associate Professor Emeritus of History
WALT, MARY ANN, Assistant Professor Emeritus of Library Science
WEATHERFORD, MARTHA PENTECOST, Instructor Emeritus of English
WEATHERFORD, SIDNEY E. L., JR., Assistant to the President and Professor Emeritus of Educational Leadership and Research
WEST, BEN MARSHALL, Associate Professor Emeritus of Finance and General Business
WHEELER, EDDY LEE, Associate Professor Emeritus of Journalism
WILDER, ANNETTE BEDFORD, Librarian III Emeritus
WILGUS, VIRGINIA, Assistant Professor Emeritus of Institution Administration
WILLIAMS, D. C., Professor Emeritus of Economics
WILLIAMS, HOWARD P., Professor Emeritus of Chemistry and Biochemistry
WILLIAMS, TOMMIE H., Instructor Emeritus of History
WILSON, SAVAN WILBY, Librarian IV Emeritus, McCain Library
WIMBERLY, JACK C., Professor Emeritus of Economics
WNN, SHAN M., Assistant Professor Emeritus of Anthropology and Sociology
WOOTEN, JEAN W., Professor Emeritus of Biological Sciences
YARBROUGH, KAREN M., Professor Emeritus of Biological Sciences and Vice President Emeritus of Research and Planning and Academic Affairs
YARROW, WALTER HARRY, Professor Emeritus of Health and Safety Education
ZIMMERMAN, JEROME, Professor Emeritus of Social Work
Faculty

AARONS, DAVID J., Instructor of Biological Sciences. B.S., Samford University; Ph.D., University of Alabama at Birmingham.

ABBENY, JULIANA, Associate Professor of English. B.A., M.A., Doctorate, University of Yaounde; Ph.D., McGill University.

ADAMS, MARY ANN, Associate Professor of Family Relations. B.A., Birmingham Southern; M.S., Troy State University; Ph.D., Florida State University.

ADAMS, STEPHEN TODD, Instructor of Engineering Technology. B.S., M.S., The University of Southern Mississippi.

AHUA, EMMANUEL, Assistant Professor of Community Health. B.S., Eastern Washington University; M.S., Central Missouri State University; H.S.D., Indiana University, Bloomington.

ALBER, SHEILA R., Assistant Professor of Special Education. B.S., East Texas State University; M.Ed., College of Charleston; Ph.D., The Ohio State University.

ALBIN, MARVIN J., Associate Professor of Accounting. B.S., M.B.A., Mississippi State University; Ph.D., University of Houston. C.P.A.

ALCORN, JOHN DOUGLAS, Professor of Psychology. B.S., M.Ed., Ph.D., Texas A & M University.

ALEXANDER, JAMES, Dean and Professor of Music, College of The Arts. B.M., Eastman School of Music; M.M., University of Wisconsin-Eau Claire; Columbia University.

ALEXANDER, RAYMOND MONROE, Clinical Instructor of Speech and Hearing Sciences. B.S., M.S., The University of Southern Mississippi.

ALFORD, DARLYS, Assistant Professor of Psychology. B.S., Fresno Pacific College; M.S., California State University; Ph.D., University of California, Santa Barbara.

ALI, ADIL, Professor of Computer Science and Statistics. B.S., Cairo University; M.S., Ph.D., Lehigh University.

ALI, ABDUL, Professor of Computer Science and Statistics. B.Com., Ain Shams University; M.B.A., Eastern Washington University; Ph.D., Lehigh University.

ALI, KAMAL SHARAF, Professor of Engineering Technology. B.S., M.Sc., University of Khartoum; Ph.D., Reading University.

ALLEN, BILLIE MORGAN, Professor of Management. B.S.B.A., M.B.A., The University of Southern Mississippi; Ph.D., North Texas State University.

ALLEN, MICHAEL T., Assistant Professor of Psychology. Gulf Coast. B.A., University of North Carolina; M.A., Appalachian State University; Ph.D., University of Tennessee.

AMACKER, PATRICIA KAY McCONNELL, Associate Professor of Dance. B.A., Arizona State University; M.F.A., University of Utah.

ANDERSEN, PAUL DAVID, Professor of Music. B.Mus., Drake University; M.Mus., Syracuse University; Ph.D., Washington University.

ANDERSON, DELIA M., Instructor of Biological Sciences. B.A., University of Rhode Island; M.A., University of South Carolina.

ANDERSON, GARY, Professor of Biological Sciences. B.S., University of Rhode Island; M.S., Ph.D., University of South Carolina.

ANDERSON, HOWARD NIX, Professor of Psychology. B.A., Samford University; B.D., Southern Baptist Theological Seminary; M.A., Ph.D., University of Alabama.

ANDERSON, PATSY L., Assistant Professor of Nursing. B.S.N., University of Mississippi; M.N., Louisiana State University; D.N.S., Louisiana State University.

ANDERSON, TERRY L., Assistant Professor of Engineering Technology. B.S., Mississippi State University; M.S., University of Mississippi; P.E.

ANGLIN, ELIZABETH MEE, Instructor of French. B.A., University of Colorado; M.A., University of California, Santa Barbara.

APPLET-SLICK, GLORIA Director, Educational Field Experiences, and Associate Professor of Curriculum and Instruction. B.S., M.Ed., Ed.D., University of Houston.

APPLIN, HARRY, Instructor of Engineering Technology. B.S., Southeastern Louisiana University; M.S., The University of Southern Mississippi.

APPLIN, MARY ELIZABETH, Assistant Professor, Information Services Librarian, Cook Library. B.A., Southeastern Louisiana University; M.L.I.S., Louisiana State University.

ASHTON-JONES, EVELYN, Director of Composition and Associate Professor of English. B.A., Western Illinois University; M.A., Ph.D., University of South Florida.

ASPER, VERNON L., Associate Professor of Marine Science. Institute of Marine Sciences. B.A., Messiah College; M.S., University of Hawaii; Ph.D., Woods Hole Oceanographic Institution/Massachusetts Institute of Technology.

AUSTIN, KAREN ODELL, Professor of Spanish. B.A., Agnes Scott College; M.A., Middlebury College; Ph.D., University of Kentucky.
AVERY, LISA, Assistant Professor of Social Work, Gulf Coast. B.S., Ball State University; M.S.W., Ph.D., University of Illinois–Chicago.

BABBIE, BARRY JAMES, Associate Professor of Marketing. B.S., Louisiana State University; M.B.A., University of Central Florida; Ph.D., Louisiana State University.

BABBIE, LAURIE A., Associate Professor of Marketing. B.S., Michigan State University; M.B.A., University of Central Florida; Ph.D., Louisiana State University.

BAHM, KARL FRANKLIN, Assistant Professor of History. B.A., Seattle University; A.M., University of Michigan; Ph.D., University of Chicago.

BALL, ANGELA SUE, Professor of English. B.A., Ohio University; M.F.A., University of Iowa; Ph.D., University of Denver.

BARNES, LEE THOMAS, Adjunct Clinical Instructor of Medical Technology. B.S., Loyola University; M.Ed., The University of Southern Mississippi.

BARNETT, LOIS MARGARET, Professor of History. B.A., University of Hartford; M.A., Ph.D., Columbia University.

BARRON, JONATHAN N., Associate Professor of English. B.A., Tufts University; M.A., Ph.D., Indiana University.

BARTHELME, STEVEN T., Professor of English. B.A., University of Texas at Austin; M.A., The Johns Hopkins University.

BATEMAN, ROBERT CAREY, Associate Professor of Chemistry and Biochemistry. B.S., Louisiana State University; Ph.D., University of North Carolina.

BATES, LUCY S., Assistant Professor of Nursing. B.S.N., M.N., University of Mississippi.

BEAL, GLORIA D., Assistant Professor of Curriculum and Instruction. B.S., Xavier University of Louisiana; M.S., Jackson State University; M.P.H., University of North Carolina at Chapel Hill; Ed.D., Jackson State University.

BECK, ALLISA L., Associate Professor, Reference Librarian. B.A., Xavier University of Louisiana; M.L.S., The University of Southern Mississippi.

BECK, CAROLYN ELAINE, Associate Professor of Medical Technology. B.S., Texas Lutheran College and University of Texas Medical Branch; M.S., University of Houston; Ed.D., Baylor College of Medicine - University of Houston Consortium.

BECKETT, DAVID C., Associate Professor of Biological Sciences. B.S., University of Notre Dame; M.S., Ph.D., University of Cincinnati.

BEBENBAUGH, ANGELA OWEN, Research Scientist in Chemistry and Biochemistry. B.S., University of Texas; Ph.D., University of South Carolina.

BEBENBAUGH, JOHN HOLCOMBE, Professor of Chemistry and Biochemistry. B.S., Newberry College; M.A., University of North Carolina; Ph.D., University of Texas.

BEHM, DENNIS EUGENE, Professor of Music. B.A., M.F.A., University of Iowa.

BEHM, VALERIE KAYLENE, Associate Professor, Head, Circulation, Cook Library. B.S., M.L.S., The University of Southern Mississippi.

BELCHER, DON, Assistant Professor of Human Performance. B.Ed., University of Saskatchewan; M.S., University of Wyoming.

BELL, LUE BIRDIA, Instructor of Mathematics. B.S., Alcorn State University; M.S., University of Missouri, Columbia.

BELLIPANNA, LAWRENCE JOHN, Assistant Professor of Science Education and Biological Sciences. B.S., M.S., The University of Southern Mississippi; Ed.D., Mississippi State University.

BENDER, KAYE, Adjunct Clinical Instructor of Nursing. B.S., University of Mississippi Medical Center; M.S., The University of Southern Mississippi.

BENNITT, RICHARD G., Assistant Professor of Human Performance. B.S., Tennessee Tech University; M.S., University of Tennessee; Ed.D., Auburn University.

BERMAN, MITCHELL E., Assistant Professor of Psychology. B.A., Bloomsburg University; M.A., Ph.D., Kent State University.

BERRY, DAVID CHAPMAN, JR., Professor of English. B.S., Bob Jones University; B.S., Delta State University; Ph.D., University of Tennessee.

BERRY, VIRGINIA SWITZER, Assistant Professor of Speech and Hearing Sciences. B.A., Louisiana State University; M.S., Vanderbilt University.

BERTRAM, DEAN, Instructor of Forensic Science. B.S., M.S., The University of Southern Mississippi.

BETOUCHES, DAVID ELTON, Professor of Mathematics. B.Arch., University of Southern California, Los Angeles; M.S., Ph.D., Florida State University.
BIESIOT, PATRICIA M., Associate Professor of Biological Sciences. B.S., M.S., Bowling Green State University; Ph.D., Woods Hole Oceanographic Institution - Massachusetts Institute of Technology.

BILLON, WAYNE ELWOOD, Associate Professor of Food and Nutrition and Director of the Didactic Program in Dietetics. B.S., Mississippi State University; M.S., Ph.D., Clemson University.

BISHOP, NELL KIRSCHENBAUM, Instructor of Mathematics. B.S., Mississippi College; M.Ed., Delta State University.

BISLAND, RALPH BRADFORD, JR., Professor of Computer Science and Statistics. B.S., Louisiana State University; M.B.A., Loyola University; B.B.A., Mississippi State University.

BIVINS, JOHN A., Associate Professor of Music. B.M., M.M., Auburn University; D.M.A., Louisiana State University.

BLACK, HAROLD TYRONE, Professor of Economics. B.B.A., M.A., Texas Technological University; Ph.D., Tulane University.

BLACKWELL, ANN P., Assistant Professor of Family and Consumer Sciences. B.S., The University of Southern Mississippi; M.S., Mississippi State University; Ph.D., University of Mississippi.

BOWKER, THOMAS M., Assistant Professor of Art. B.A., Southern Illinois University; M.A., University of Illinois; Ph.D., University of Michigan.

BOWLES, SHIRLEY J., Associate Professor of Curriculum and Instruction and Assistant Professor of Educational Leadership and Research, Gulf Coast. B.S., Mississippi Valley State University; M.Ed., The University of Southern Mississippi; Ed.D., Mississippi State University.

BOWMAN, BILLIE SUE, Assistant Professor of Nursing. B.S., M.S., The University of Southern Mississippi; Ph.D., University of Mississippi.

BOWMAN, JEFF RAY, Professor of Art. B.A., Eastern Kentucky University; M.A., Ed.D., Ball State University.

BOYTE, CARLOS LARON, Associate Professor of Technology Education. B.S., M.S., Ed.D., University of Southern Mississippi.

BREWER, THOMAS M., Assistant Professor of Art. B.A., Southern Illinois University; M.A., University of Illinois; Ph.D., Florida State University.

BROCK, ANNA M., Professor of Nursing. B.S.N., M.Ed., University of Maryland; M.S.N., Texas Woman's University; Ph.D., University of Maryland.

BROOKS, K. CAROLYN, Coordinator of Field Instruction School of Social Work and Instructor of Social Work. B.A., University of West Florida; M.S.W., The University of Southern Mississippi.

BROOME, LESLIE B., Instructor of Spanish. B.A., The University of Southern Mississippi; M.A., Louisiana State University.

BROOME, RUTH ANN, Instructor and Clinical Coordinator of Nutrition and Dietetics and Director of the AP4 Program in Dietetics. B.S., M.S., University of Southern Mississippi.

BROPHY, ROBBIE FAYE, Assistant Professor, Collection Development Coordinator, Gulf Coast. B.S., Mississippi University for Women.

BROHTERTON, ANNE M., Assistant Professor of Interior Design. B.S., Southeast Missouri State University; M.S., The University of Alabama.

BROUWER, MARCUS, Professor of Coastal Sciences. Ph.D., University of Groningen, The Netherlands.

BRUNNER, CHARLOTTE ANNE, Associate Professor of Marine Science, Institute of Marine Sciences. B.A., University of Rhode Island; Ph.D., University of Rhode Island Graduate School of Oceanography.

BRUTON, SAMUEL, Assistant Professor of Philosophy and Religion. B.A., University of Colorado; M.A., University of North Carolina; Ph.D., University of North Carolina.

BRYANT, SABRINA H., Laboratory Instructor of Medical Technology. B.S., The University of Southern Mississippi.
CAVENY, DAVID JAMES, Associate Professor of Mathematics. B.S., Western Carolina College; M.A., Ph.D., University of Kentucky.

CAVENY, REGINA S., Assistant Professor of Economics. B.S., University of Kentucky; M.S., Clemson University; Ph.D., University of Alabama.

CECIL, H. WAYNE, Assistant Professor of Accounting. Gulf Coast. B.S.B.A., M.B.A., University of North Carolina-Chapel Hill; M.P.A., University of Texas at Austin; Ph.D., University of Kentucky; C.P.A., C.M.A.

CHAIN, CHRISTY BLACKIDGE, Visiting Instructor of Food and Nutrition. B.S., M.S., The University of Southern Mississippi.

CHASTEEN, AMY L., Assistant Professor of Sociology. B.S., University of Alabama; M.A., University of Tennessee; Ph.D., University of Michigan.

CHATHAM, CYNTHIA, Associate Professor of Nursing. B.S.N., University of Mississippi; M.S.N., D.S.N., University of Alabama, Birmingham.

CHEN, AIPING, Assistant Professor of Computer Science and Statistics. B.S., M.S., University of Southern Mississippi; Ed.D., University of Michigan.

CHEN, BAI, Associate Professor of Computer Science and Statistics. B.S., M.S., Louisiana State University.

CHRISTINE-DAVID, ROHAN, Assistant Professor of Finance. ACIB, Charter Institute of Bankers (London); M.B.A., Wake Forest University; Ph.D., University of South Carolina.

CICCARELLI, ORAZIO ANDREA, Chair of Department of History and Professor of History. B.A., St. Francis College; M.A., University of Florida.

CLARK, MARK EDWARD, Associate Professor of Classics, Associate Professor of History. B.A., University of North Carolina, Greensboro; M.A., University of Minnesota; Ph.D., Indiana University.

CLARK, STANLEY JOE, Associate Professor of Accounting. B.S.B.A., M.P.A., The University of Southern Mississippi; Ed.D., University of Kentucky; C.P.A.

CLEEK, SUZANNE BUICE, Instructor of Computer Science and Statistics. B.S., M.Ed., The University of Southern Mississippi.

CLOUD, STEVEN J. Assistant Professor of Speech and Hearing Sciences. B.S., Ed.D., Western Carolina University; M.S., The University of South Carolina—Knoxville.

COATES, FYLE, Assistant Professor of Engineering Technology. B.S., M.S., University of Tennessee—Knoxville.

COBB, MARIA A., Assistant Professor of Computer Science and Statistics. B.S., The University of Southern Mississippi; M.S., Tulane University.

Cockerham, Mary Ann, Assistant Dean, College of Business Administration, and Instructor of Finance. B.S.B.A., M.B.A., The University of Southern Mississippi; Ed.D., University of Texas at Austin.

COMYN, BRUCE H., Assistant Professor of Coastal Sciences. B.S., University of Maine; M.A., Virginia Institute of Marine Science; Ph.D., Louisiana State University.

Conkin, Martha T., Research Scientist, Division of Applied Research, National Food Service Management Institute; and Research Associate Professor of Food Service Management. B.S., M.S., University of Missouri, Columbia; Ph.D., New York University.

Contreras, Jose A., Assistant Professor of Mathematics. B.S., University of Guanajuato; M.A., Ph.D., The Ohio State University.

Conville, Richard Lane, Jr., Professor of Speech Communication. B.A., Samford University; M.A., Ph.D., Louisiana State University.

Copeland, Debra, Instructor of Nursing. B.S.N., Loyola University; M.N., Louisiana State University Medical Center.

Corey, Sharon, Visiting Instructor of Management and MIS. Gulf Coast. B.A., University of South Florida; M.A., Georgia College; Ph.D., Florida State University.

Cotten, Donald R., Vice President for Research and Professor of Biological Sciences and Polymer Science. B.S., M.S., The University of Southern Mississippi; Ed.D., West Virginia University.

Cox, Allan Eugene, Professor of Music. B.M.E., University of Nebraska; M.M., Wichita State University.

Coyne, Mary Louise, Associate Professor of Nursing. B.S.N., William Carey College; M.S.N., D.N.Sc., The Catholic University of America.

Creed, David, Professor of Chemistry and Biochemistry. B.S., M.S., Ph.D., University of Manchester, England.

Crockett, James R., Professor of Accounting. B.B.A., M.B.A., University of Mississippi; D.B.A., Mississippi State University.

Crook, George Trueett, Jr., Chair of Department of Theatre and Dance and Associate Professor of Theatre. B.A., M.A., University of California, Davis.

Cubberley, Carol, Professor, Director of Technical Services. B.Ed., University of Miami; M.S., Florida State University; D.A.I.S., Nova University.

Cuejar, Norma G., Chair of Undergraduate Program of College of Nursing and Assistant Professor of Nursing. B.S.N., The University of Southern Mississippi; M.S.N., Louisiana State University; D.S.N., University of Alabama, Birmingham.

CURRY, KENNETH J., Associate Professor, Biological Sciences. B.S., M.S., University of Central Florida; Ph.D., University of Southern California.

DAGGETT, LUANN M., Instructor of Nursing and Coordinator for Meridian Campus. B.S.N., University of San Francisco; M.S.N., University of California, San Francisco.

DALBORG, MICHAEL C., Assistant Professor of Hospitality Management. B.S., Pennsylvania State University; M.B.A., Loyola College.

DALGO, JUDY TONEY, Adjunct Clinical Instructor of Nursing. B.S.N., University of South Alabama; M.S.N., University of Alabama at Birmingham; D.N.S., Louisiana State University Medical Center.

DALY, JAMES TIMOTHY, Lieutenant Colonel, U.S. Army, Chair of Department of Military Science and Professor of Military Science. B.S., Florida Southern University; M.B.A., Embry Riddle University.

DAWSON, CHARLES WINIFRED, Professor of Educational Leadership and Research. B.S., Louisiana Polytechnic University; M.Ed., University of Arkansas.

DAVIS, DONNA F., Director of Faculty, Curriculum and Instructional Development, College of Business Administration, and Associate Professor of Management Information Systems. B.A., M.B.A., Florida State University; Ph.D., University of Florida. C.D.P.

DAVIS, JOHN CHESTER III, Professor of Management, Gulf Coast. B.S., United States Naval Academy; Ph.D., Florida State University.

DAVIS, J. LARRY, Associate Professor of Educational Leadership and Research. B.A., Southeastern College; M.Ed., University of New Orleans.

DEASSIER, JEAN-LOUIS, Assistant Professor. B.A. (equivalent), University of Paris VIII; Maitrise, University of Paris VIII; M.A., University of Delaware; Ph.D., Ohio State University.

DEARMEREY, MICHAEL HOWARD, Associate Professor of Philosophy and Religion. B.A., Memphis State University; M.A., Ph.D., Tulane University.

DECOUX, VALERIE, Adjunct Associate Professor of Nursing. B.S., M.S., Ph.D., The University of Southern Mississippi.

DELLINGER, EDIE, Adjunct Clinical Instructor of Medical Technology. B.S., The University of Southern Mississippi.

DE MARSCHE, MICHAEL P., Assistant Professor of Art and Director of USM Galleries of Art. B.A., M.A., Arizona State University; M.A., Stanford University.

DEPREE, CHAuncey Marcellous, Professor of Accounting. B.A., State University of New York-Albany; M.S., D.B.A., University of Kentucky.

DIEMERLLE, DEBRA A., Assistant Professor. B.A., University of New Orleans; M.S.W., Louisiana State University; Ph.D., University of New Orleans.

DICKIE, MARK T., Associate Professor of Economics. B.A., Ph.D., University of Wyoming.

DICKSON, ANDREW LINK, Professor of Psychology. B.A., University of South Carolina; M.A., University of Tennessee; Ph.D., University of Oklahoma.

DILLON, BOBBY R., Captain, USAF, Assistant Professor of Aerospace Studies. B.A., University of Georgia; M.S., Central Michigan University.

DING, JIU, Associate Professor of Mathematics. B.S., M.S., Nanjing University; Ph.D., Michigan State University.

DOBLIN, STEPHEN ALAN, Dean of the College of Science and Technology and Professor of Mathematics. B.S., M.A., Ph.D., University of Alabama.
DONOHUE, JOHN ROBERT, Associate Professor of Music. B.M., M.M., Louisiana State University; Ph.D., Michigan State University.

DORE, DONALD EDWARD, JR., Adjunct Clinical Associate Professor of Medical Technology. B.S., M.D., Louisiana State University.

DOUGLAS, DEANNA, Assistant Professor of Art. B.F.A., The University of Southern Mississippi; M.F.A., University of Mississippi.

DOUGLAS, DIANNA HUTTO, Assistant Professor of Nursing. B.S., The University of Southern Mississippi; M.S., D.N.S., Louisiana State University Medical Center.

DRUMMOND, JAN L., Assistant Professor Human Performance. B.S., M.S., Ed.D., Oklahoma State University.

DUBUISSEN, WANDA LORRAINE CLEVELAND, Assistant Professor of Nursing. B.S., The University of Southern Mississippi; M.N., University of Mississippi Medical Center.

DUHON, DAVID LESTER, Director of External Relations, College of Business Administration, and Acting Chair of Division of Business Administration, Gulf Coast, and Associate Professor of Management. B.S., University of Southwestern Louisiana; M.B.A., Ph.D., Louisiana State University.

DUNN, DEAN ALAN, Professor of Geology. B.S., University of Southern California, Los Angeles; Ph.D., University of Rhode Island.

DUPRE', J. KEVIN, Assistant Professor of English. B.A., M.A., University of Southwestern Louisiana; Ph.D., University of Oklahoma.

EASTERLING, CYNTHIA RUSSELL, Professor of Fashion Merchandising. B.F.A., Stephens College; M.A., The University of Southern Mississippi; M.S., Louisiana State University; Ph.D., Florida State University.

EDWARDS, KATHRYN A., Assistant Professor of History and Honors. B.A., Trinity College, University of Dublin; M.A., Ph.D., University of California, Berkeley.

EDWARDS, RONNIE PHILIP, Professor of Psychology. B.S., Oklahoma State University; M.A., Ph.D., University of Iowa.

ELAKOVICH, STELLA DAISY, Chair of the Department of Chemistry and Biochemistry and Professor of Chemistry and Biochemistry. B.S., Texas Christian University; Ph.D., Louisiana State University.

ELIAS, LOUIS JR., Associate Dean for Development and Assistant Professor, Gulf Coast Development. B.S., M.Ed., The University of Southern Mississippi; Ed.D., University of Mississippi.

ELLARD, J. ALLEN, Assistant Dean of College of Health and Human Sciences and Associate Professor of Recreation. B.S., Miami University; M.S., Eastern Kentucky University; Re.D., Indiana University.

ELLENDER, RUDOLPH DENNIS, JR., Assistant Dean for Research and Development, College of Science and Technology, and Professor of Biological Sciences. B.S., M.S., Louisiana State University; Ph.D., Texas A & M University.

ELLIOTT, CHARLES A., Coordinator of Music Education/Associate Professor of Music. B.M.E., M.M.E., The University of Southern Mississippi; Ph.D., University of Texas at Austin.

ERICKSON, KEITH VINCENT, Chair of Department of Speech Communication and Professor of Speech Communication. B.A., Washington State University; M.A., Pennsylvania State University; Ed.D., University of Michigan.

ESPARRAGOSA-SCOTT, ROSALBA, Instructor of Spanish. B.A., Universidad Nacional de Colombia, Bogotá; M.A.T.L., University of Southern Mississippi.

ESSARY, ALICE WILKINSON, Instructor of Mathematics. B.S., M.S., The University of Southern Mississippi.

ETHERIDGE, JAMES, Assistant Professor of Computer Science and Statistics, Gulf Coast. B.S., University of West Florida; M.S., Ph.D., University of Southwestern Louisiana.

EVANS, JEFFREY ALAN, Associate Professor of Chemistry and Biochemistry. B.A., Graceland College; Ph.D., University of Kansas Medical Center.

EVANS, KARLIN S., Assistant Professor of and Child and Family Studies. B.S., M.S., University of Nevada; Ph.D., University of Memphis.

EVANS, MARY BETH, Visiting Assistant Professor of Curriculum and Instructor. B.A., Northwest Missouri State College; M.A., University of Iowa; Ed.D., Wayne State University.

EVETOVICH, TAMMY K., Assistant Professor of Human Performance. B.S., M.P.E., Ph.D., The University of Nebraska-Lincoln.

EXLINE, JOAN L., Assistant Professor of Community Health. B.S., Indiana University; M.H.S.A., University of Michigan; Ph.D., Wayne State University.

EZELL, JEANNE R., Instructor of English. B.S., M.S., The University of Southern Mississippi; doctoral study, Indiana University of Pennsylvania.

FALCONER, RENEE, Assistant Professor of Curriculum and Instruction. B.Ed., University of Durham/United Kingdom Institute of Education; M.Ed., University of South Carolina; Ph.D., Utah State University.

FAULKENDER, PATRICIA JOYCE, Professor of Psychology. B.S., M.S., Ph.D., University of Kansas.

FAWCETT, NEWTON CREIG, Professor of Chemistry and Biochemistry. B.S., University of Denver; M.S., Ph.D., University of New Mexico.
FAV, TEMPLE HAROLD, Professor of Mathematics. B.S., Guilford College, M.S., Wake Forest University; Ph.D., University of Florida.

FEDOTOV, IGOR, Assistant Professor of Music. Masters Degree, Azerbaijan State Conservatory.

FELDMAN, ANASTASIA, Visiting Instructor of Philosophy and Religion. B.A., University of California at Berkeley; M.A., Graduate Theological Union.

FELDMAN, THEODORE S., Associate Professor of History. B.A., Harvard University; M.A., Ph.D., University of California, Berkeley.

FERGUSON, GINGER H., Adjunct Clinical Assistant Professor of Nursing. B.S., The University of Southern Mississippi, M.N., University of Mississippi Medical Center.

FLANAGAN, JAMES GERARD, Professor of Anthropology. B.A., M.A., University College, Cork, Ireland; Ph.D., University of Pennsylvania.

FLEMING, HORACE WELDON, President of the University and Professor of Political Science. B.A., M.A., University of Georgia; Ph.D., Vanderbilt University.

FLETCHER, DESMOND WILKESON, Associate Professor of Engineering Technology. B.Arch., M.Arch., University of Texas at Austin.

FLETCHER, TYLER HERRICK, Chair of Department of Criminal Justice and Associate Professor of Criminal Justice. B.A., University of Texas; M.S., doctoral study, Michigan State University and University of Mississippi.

FOLSE, RAYMOND FRANCIS, JR., Professor of Physics and Astronomy. B.S., Loyola University; Ph.D., Louisiana State University.

FONDER-SOLANO, LEAH, Assistant Professor of Spanish. B.A., University of Minnesota, Morris; M.A., Ph.D., University of Arizona.

FONTECCHIO, GIOVANNI, Associate Professor of Spanish and Italian. B.S., Northern Michigan University; M.A., Ph.D., Louisiana State University.

FOOLAD, MARJANEH, Instructor of Nursing. B.S. The University of Isfahan College of Nursing; M.S., University of Texas at El Paso; FNP, Texas Tech University.

FORSTER, MICHAEL, Assistant Professor of Social Work. B.A., Louisiana State University, New Orleans; M.S.W., University of Illinois, Chicago; Ph.D., University of Massachusetts, Amherst.

FORSYTHE, WILLIAM A. III, Professor of Family and Consumer Sciences. B.S., M.S., University of Florida; Ph.D., Michigan State University.

FORTUNATO, VINCENT J., Assistant Professor of Psychology. B.S., State University of New York, College at Oswego; M.A., State University of New York at Binghamton; Ph.D., University at Albany.

FRANKS, JAMES S., JR., Senior Scientist. B.S., Tennessee Wesleyan College; M.S., University of Mississippi.

FRASCHILLO, THOMAS VINCENT, Professor of Music and Director of Bands. B.M.Ed., M.M.Ed., The University of Southern Mississippi; D.M.A., University of South Carolina.

FUNCHESS, GLENDRA FAY, Half-time Visiting Assistant Professor, of Criminal Justice. B.A., Texas Southern University; M.S., The University of Southern Mississippi, J.D., University of Tennessee College of Law.

GALLASPY, JAMES BOLAN, JR., Associate Professor of Human Performance and Coordinator of Athletic Training. B.S., M.Ed., The University of Southern Mississippi; Athletic Training Specialization, Indiana State University.

GANDOUR, MICHAEL, Adjunct Clinical Associate Professor of Medical Technology. M.D., University of Miami.

GANSTROK, SANDRA K., Director of the School of Human Performance and Recreation and Professor of Human Performance. B.S., University of Wisconsin, La Crosse; M.S., University of Wyoming; Ph.D., University of Utah.

GARRAWAY, HUGH P. III, Associate Professor of Computer Science and Statistics. B.S., M.Ed., The University of Southern Mississippi; Ph.D., University of Texas.

GARVEY, DONNA JAMESON, Assistant Director of Educational Field Experiences and Coordinator of Student Teaching. B.A., Mississippi University for Women; M.S., The University of Southern Mississippi; Ph.D., University of Mississippi.

GATES, LARRY JAMES, Professor of Psychology. B.A., Eastern Illinois University; Ed.M., University of Illinois; Ph.D., George Peabody College.

GAUDET, CYNDI, Assistant Professor of Industrial Training. B.S., M.Ed., The University of Southern Mississippi; Ph.D., Louisiana State University.

GENTILE, PHILIP, Assistant Professor of Radio, Television, and Film. A.B., Youngstown State University; M.F.A., Ohio University.

GILES, MICHAEL COMER, Assistant Director of Recreational Sports and Instructor of Human Performance. B.S., University of Alabama; M.S., The University of Southern Mississippi.

GINN, CLYDE NEUMAN, Vice President for Administrative Affairs and Professor of Educational Leadership and Research. B.S., M.Ed., The University of Southern Mississippi; Ed.D., McNeese State University.

GLAMSER, FRANCIS DENTON, Professor of Sociology. B.S., John Carroll University; M.S., Virginia Polytechnic Institute; Ph.D., Pennsylvania State University.

GODWIN, L. CHERI L., Assistant Professor, Catalog Librarian, Cox Library. M.L.S., San Jose State.
GOEBEL, DANIEL, Assistant Professor of Marketing and Finance. B.S.,Eastern Illinois University; M.B.A.,Illinois State University; Ph.D.,University of South Florida.

GOFF, DAVID HENRY, Professor of Radio, Television, and Film. B.A.,M.A.,Ph.D.,University of Massachusetts

GOFF, LINDA D.,Associate Professor of Speech Communication. B.S.,Ohio State University; M.A., Ph.D.,University of Massachusetts.

GOFFE, WILLIAM, Associate Professor of Economics. B.A.,University of Virginia; Ph.D.,University of North Carolina.

GOGGIN, CHERYL LYNN, Associate Professor of Art. B.A., Rice University; M.A., Ph.D., Indiana University.

GOGGIN, WILLIAM C., Professor of Psychology. B.A., Rice University; Ph.D., Indiana University.

GONSOULIN, SIDNEY J., Director of Intramural-Recreational Sports. B.S.,M.S., Louisiana State University.

GOODMAN, RALPH R., Research Professor of Marine Science, Institute of Marine Sciences. B.S.E., B.S.E.M.S., Ph.D. University of Michigan.

GOODWIN, CHERYL , Associate Professor of Medical Technology. B.S., The University of Southern Mississippi; M.S., Mississippi State University; Ph.D.,University of Mississippi.

GORDON, GUS A., Associate Professor of Accounting, Gulf Coast. B.A.,University of Texas at Austin; M.S., Baylor University; D.B.A., Louisiana Tech University. C.P.A.,C.I.A.

GORE, LEE PARTEE, University Legal Counsel and Assistant Professor of Accounting. B.A., The University of Southern Mississippi; J.D.,University of Mississippi. C.P.A.,C.I.A.

GORZEGNO, JANET MARY, Associate Professor of Art. B.A.,Drew University; M.F.A., Yale University.

GRAHAM, PATTERSON TOBY, Assistant Professor, Special Collections Librarian, McCain Library and Archives. B.S., James Madison University; M.A., The University of Alabama; M.L.S., The University of Alabama; Ph.D., The University of Alabama.

GRAHAM-KRESGE, SUSAN, Instructor of Community Health. B.S., The University of Southern Mississippi; M.P.H. University of North Carolina, Chapel Hill.

GRANT, CHARLES TERRY, Associate Professor of Accounting, Gulf Coast. B.S.,University of Alabama; M.P.A., University of Texas, Austin; Ph.D.,Florida State University. C.P.A.

GRANT, GERRY. Visiting Instructor of Accounting, Gulf Coast. B.S.,M.P.A., The University of Southern Mississippi.

GREEN, D. CAROL , Associate Professor, Serials Librarian, Cook Library. B.S.,M.L.S., The University of Southern Mississippi.

GREEN, FREDERICK P., Associate Professor of Recreation. B.S.,M.S.,Southern Illinois University; Ph.D., University of Minnesota.

GREEN, TRELLIS GARNETT, Associate Professor of Economics. B.B.A.,M.S., The University of Southern Mississippi; Ph.D.,Florida State University.

GREENE, KATHANNE WESTBROOK, Associate Professor of Political Science. B.S.,Auburn University; M.P.P.A., Mississippi State University; Ph.D.,University of Utah.

GREEN, TAMMY FAYE, Assistant Professor of Psychology. B.A.,University of New Orleans; M.S.,Ph.D., Tulane University.

GREGG, MARY DAINAE, Assistant Chair of Department of Computer Science and Statistics and Instructor of Computer Science and Statistics. B.S.,M.S., The University of Southern Mississippi.

GREINER, JOY MARILYN, Director of School of Library and Information Science and Associate Professor of Library and Information Science. B.A.,M.L.S.,University of Mississippi; Advanced M.L.S.,Ph.D.,Florida State University.

GRIFFIN, ANSELM CLYDE III, Dean of the Graduate School and Professor of Chemistry and Biochemistry and Polymer Science. B.S.,Mississippi College; Ph.D.,University of Texas, Austin.

GRIMES, DARRELL JAY, Director, Institute of Marine Sciences, Professor of Coastal Sciences. B.A.,M.A.,Drake University; Ph.D.,Colorado State University.

GUCE, JOHN DAVID WYNNE, Professor of History. B.A., Yale University; M.A., University of Texas; Ph.D., University of Colorado.

GUNTER, WILLIAM D., Dean of the College of Business Administration and Professor of Economics and International Business. B.S.,M.A., Kent State University; Ph.D.,University of Kentucky.

GUPTON, SANDRA LEE, Associate Professor of Educational Leadership and Research. B.S.,M.Ed., Valdosta State College; Ed.D.,University of North Carolina at Greensboro.

GUYMON, CLAIR ALLAN, Assistant Professor of Polymer Science. B.S., Weber State University; M.S.,Ph.D., University of Colorado.

GWIN, STANFORD PAYNE, Professor of Speech Communication. B.S.,M.S., The University of Southern Mississippi; Ph.D.,University of Florida.

GWOZDZ, LAWRENCE STEPHEN, Professor of Music. B.M.E.,State University of New York, Fredonia; M.M., University of Nebraska; D.M.A.,University of Iowa.
HALEY, BARBARA JO, Professor and Assistant Chair of Psychology. B.S., University of Florida; M.S., Ph.D., University of Georgia.

HAIRSTON, ROSALINA, Associate Professor of Science Education and Biological Sciences. B.S., University of the Philippines; Ph.D., The University of Texas at Austin.

HALL, JAMES LARRY, Professor of Radio, Television, and Film. B.A., Louisiana College; M.A., Louisiana State University; Ph.D., Ohio University.

HALL, MARGARET JEAN, Professor of Medical Technology. B.A., University of North Carolina, Chapel Hill; M.S., University of Denver; Ph.D., University of North Carolina, Chapel Hill.

HAMWISKANDAR SALOUM, Professor of Finance. B.A., Damascus University; M.A.S., University of Pennsylvania.

HAQUE, S.M. MAZHAR U. L, Professor of Radio, Television, and Film. B.A., M.A., University of Dacca; M.A., University of Virginia.

HAMDI, ISKANDAR SALOUM, Professor of Finance. B.A., Damascus University; M.A., University of Pennsylvania.

HAIRSON, JANIE VINCENT, Assistant Professor of Accounting. B.S., University of Southern Mississippi; M.S., The University of North Carolina, Chapel Hill.

HAMMAG, ZAHED R., Assistant Dean of the College of Liberal Arts and Professor of History. B.A., Furman University;

HARRIS, ELIZABETH KAY, Assistant Professor of English, Gulf Coast. B.A., M.A., Ph.D., University of Southern Mississippi; M.S., University of South Carolina.

HARRIS, JANIE VINCENT, Assistant Professor of Accounting. B.S., University of Southern Mississippi; M.S., University of Virginia.

HARRIS, JOHN MICHAEL, Assistant Professor of Geology and Planning. B.S., Rensselaer Polytechnic Institute; M.A., University of Georgia; Ph.D., University of Florida.

HARTMAN, SHERRY, Associate Professor of Nursing. B.S.N., Mississippi College; M.S., The University of Southern Mississippi; Dr. P.H., Tulane University.

HARVEY, TAMARA, Assistant Professor of English. B.A., Harvard and Radcliffe Colleges; M.A., University of Wisconsin-Madison; Ph.D., University of California—Irvine.

HASPESLAGH, JEAN A., Associate Professor of Nursing. B.S.N., M.S.Ed., University of Akron; M.S., University of Minnesota; D.N.S., Louisiana State University Medical Center.

HAUSER, STANLEY R., Associate Dean of the College of Liberal Arts, and Professor of English. B.A., M.A., Aubum University; Ph.D., University of Tennessee.

HAWKINS, WILLIAM ELLIS, Professor of Coastal Sciences, Adjunct Professor of Biological Sciences. B.S., Mississippi State University; M.S., Ph.D., University of Mississippi Medical Center.

HEANEY, MONICA MAUREEN, Associate Professor of Theatre. B.A., Northern Illinois University; M.F.A., Illinois State University.

HAYNES, DOROTHY ELIZABETH, Instructor of Library and Information Science. B.A., B.S., Texas Woman’s University; M.L.S., University of Texas-Austin.

HEARD, RICHARD WILLIS, JR., Professor of Coastal Sciences, Adjunct Professor of Biological Sciences. B.S., M.S., University of Georgia; Ph.D., The University of Southern Mississippi.

HEIDEN, CHARLES HOWARD, Senior Associate Dean of the College of Science and Technology and Professor of Engineering Technology. B.S., United States Naval Academy; M.S., New Mexico State University; Ph.D., University of Mississippi, PE.

HEINHORST, SABINE, Professor of Chemistry and Biochemistry. B.S., Universitat Hamburg, West Germany; Ph.D., Clemson University.

HENDRICKSON, JAMES RANDAL, Associate Professor of Accounting. B.S., Harding College; M.S., Memphis State University; Ph.D., Texas A&M University, C.P.A.

HENRY, MYRON S., Provost and Professor of Mathematical Sciences. B.S., Ball State University; M.S., Ph.D., Colorado State University.

HENTHORNE, TONY LEONARD, Director of Services Institute, College of Business Administration and Professor of Marketing. B.A., Ouachita Baptist University; M.B.A., University of Arkansas; Ph.D., University of Mississippi.

HERMAN, STEVE, Assistant Professor of Psychology. B.A., Reed College; Ph.D., Stanford University.
HUDSON, MABEL JANE, Chair of Department of Medical Technology and Professor of Medical Technology. B.S., Mississippi University for Women; M.S., Mississippi State University; Ph.D., The University of Southern Mississippi.

HUDSON, TIM WILLIAM, Dean of the College of International and Continuing Education and Professor of Economic Development. B.A., M.A., The University of Southern Mississippi; Ph.D., Clark University.

HUFFMAN, G. DAVID, Professor of Engineering Technology. B. Engr. Sc., Marshall University; M.Sc., Ph.D., Ohio State University.

HUFFMAN, MARK STEPHEN, Adjunct Clinical Associate Professor of Medical Technology. B.S., M.S., Louisiana Tech University; M.D., Louisiana State University School of Medicine.

HUGHES, WILLIAM EUGENE, Professor of Physics and Astronomy. B.S., The University of Southern Mississippi; Ph.D., University of Alabama.

HUMPHRIES, CHARLOTTE A., Associate Professor of Human Performance. B.S., Mississippi University for Women; M.S., Ph.D., Louisiana State University.

HUNT, DAVID MARSHALL, Professor of Management. B.A., University of Denver; B.F.T., Thunderbird Graduate School of International Management; M.B.A., University of California-Berkeley; Ph.D., University of Houston.

HUNT, DENNIS R., Assistant Professor of Criminal Justice. B.S., Northwestern University; LL.B., Harvard Law School; L.L.M., Northwestern University Law School.

HUTCHINSON, JOE C., Chair of Department of Hospitality Management and Associate Professor of Hospitality Management. B.S., University of Houston; M.B.A., Southwest Texas State University; Ph.D., Virginia Polytechnic Institute and State University.

Ivy, Thomas Tucker, Professor of Marketing. B.A., Hendrix College; M.Ed., University of Arkansas; Ph.D., Arizona State University.

Jackson, Homer Edwin, Chair of Department of Anthropology and Sociology and Professor of Anthropology. B.A., American University; M.A., Tulane; Ph.D., University of Michigan.

Jackson, Sara Cargill, Associate Professor of Special Education. Gulf Coast. B.A.E., University of Mississippi; M.Ed., Ed.D., University of New Orleans.

Jaffe, Alexandra Mystra, Assistant Professor of Anthropology. B.A., University of Delaware; M.A., Ph.D., Indiana University.

James, Diana Kay, Administrative Assistant to Director of Athletics. Women's Basketball Coach, and Instructor of Coaching and Sports Administration. B.S., Mississippi University for Women; M.S., The University of Southern Mississippi.

James, Sharyn, Associate Professor of Nursing. B.S.N., Marywood College; M.S.N., State University of New York, Binghamton; Ph.D., Florida State University.

Jayaraman, Vaiyvanathan, Assistant Professor of Management. Gulf Coast. B.Sc., University of Madras; M.Sc., Anna University, Madras; M.S., M.B.A., University of Akron; M.A.B.A., Ph.D., Ohio State University.

Jensen, Robert Geoffrey, Assistant Professor of History. B.A., Indiana University; M.A., Ph.D., Yale University.

Jerome, Raoul Frank Howard, Associate Professor of Music. B.M., M.M., North Texas State University.

Johnsey, Gary, Associate Professor of Engineering Technology. B.S.E.E., Auburn University; M.S., University of Missouri.

Johnson, Kathy L., Instructor of Nursing. B.S., The University of Southern Mississippi; M.S.N., University of Southern Mississippi Medical Center.

Jones, Dolores A., Professor, Curator de Grummond Collection. McCain Library and Archives. B.S., Pennsylvania State University; M.L.S., The University of Southern Mississippi.

Jones, Gary Edwin, Professor of Psychology. B.A., Pennsylvania State University; M.A., Ph.D., Bowling Green State University.

Jordan, Charles Edward, Professor of Accounting. B.S., B.A., M.A., University of West Florida; B.B.A., Louisiana Tech University; C.P.A.

Judd, Stephen Glenn, Associate Professor of Theatre. B.A., Western Maryland College; M.F.A., University of Georgia.

Juneau, Jon, Assistant Professor of Engineering Technology. B.S., M.S., Texas A&M University; Ph.D., Louisiana State University.

Kahan, Todd A., Assistant Professor of Psychology. B.S., Syracuse University; Ph.D., University at Albany, State University of New York.

Kamenkovitch, Vladimír, Associate Professor of Marine Science. Ph.D., Shirshov Institute of Oceanology.

Karnes, Frances Ann, Professor of Special Education. B.S., Quincy College (Illinois); M.Ed., Ph.D., University of Illinois.

Kaul, Arthur Jesse, Professor of Journalism. B.A., Central Methodist College; M.A., Western Kentucky University; M.S., Ph.D., Southern Illinois University.
KAUL, NANCY J., Associate Professor, Head, Collection Management, Cook Library. B.A., Southern Illinois University; M.L.S., The University of Southern Mississippi.

KAZELSKIS, RICHARD, Professor of Educational Leadership and Research. B.S., Ed.D., University of Georgia.

KEASLER, HUBERT L., Assistant Professor of Accounting. B.S., M.P.A., D.B.A., Mississippi State University.

KEMP, DORIS A., Instructor of Industrial Training. B.S., M.S., The University of Southern Mississippi.

KELLELY, ANN MARIE, Assistant Professor of Sociology. B.A., Indiana University; M.S., University of Wisconsin.

LANGBAUGH, BETTIE S., Instructor of Nursing. B.S.N., The University of Southern Mississippi; M.S.N., University of Alabama in Birmingham.

KEMM, DORIS A., Instructor of Industrial Training. B.S., M.S., The University of Southern Mississippi.

KERR, ERNEST W., Director of Graduate Business Programs and Associate Professor of Finance and General Business. B.A., University of South Florida; J.D., Cumberland School of Law, Samford University; LL.M., University of Miami, Florida.

KING, JERRY GALE, Professor of Accounting. B.S., M.S., The University of Southern Mississippi; Ph.D., University of Illinois, Urbana; D.M.A., Eastman School of Music.

KING, ROGER TERRY, Professor of Finance. B.B.A., University of Mississippi; M.B.A., D.B.A., Texas Technological College.

KINSELL, ANN MARIE, Assistant Professor of Sociology. B.A., Indiana University; M.S., University of Wisconsin; Ph.D., Indiana University.

KLING, MARK A., Professor of Economics. B.A., Clark University; M.A., Ph.D., Cornell University.

KLOTH, JOHN J., Assistant Professor of Educational Leadership and Research. B.A., Harris Teachers College; M.A., Ed.S., Ph.D., University of Wisconsin, Madison.

KOH, TIMOTHY, Associate Professor of Music. B.M.E., Illinois Wesleyan University; M.M., University of Illinois, Urbana; D.M.A., Eastman School of Music.

KOEPEL, JOHN, Associate Professor of Psychology. B.S., M.A., Memphis State University; Ph.D., Oklahoma State University.

KOLBO, JEROME, Associate Professor. B.A., University of Mary; M.S.W., University of Denver; Ph.D., University of Minnesota.

KOLB, JOSEPH G., Assistant Professor of Mathematics. B.S., Carnegie Mellon University; M.S., Imperial College of Science and Technology; D.Phil., Oxford University.

KOLIN, PHILIP CHARLES, Professor of English. B.S., Chicago State University; M.A., University of Chicago; Ph.D., Northwestern University.

KREBS, GARY V., Director of the Motor Behavior Laboratory and Assistant Professor of Human Performance. B.S., M.S., The University of Southern Mississippi; Ph.D., Texas A&M University.

KRYSTEK, DENNIS J., Assistant Professor of Political Science. B.A., California State University; J.D., Loyola University Law School; M.A., Ph.D., University of New Orleans.

KUCZAJ, STANLEY ABRAHAM II., Chair of the Department of Psychology and Professor of Psychology. B.A., University of Texas at Austin; Ph.D., University of Minnesota.

KUDDISH, JEFFREY D., Assistant Professor of Psychology. B.S., University of Florida; M.S., University of Central Florida; Ph.D., The University of Tennessee.

KUHN, FRANCIS X., Assistant Professor of Theatre and Dance. B.S., Temple University; M.F.A., Southern Methodist University.

KURTZ, ESTELLE PATRICIA, Chair of Graduate Program of College of Nursing and Associate Professor of Nursing. B.S.N., M.S., University of Colorado; M.S., University of Texas, Dallas; Ph.D., University of Texas, Austin.

KUSINSKI, WILLIAM, Assistant Professor of English. B.A., Vassar College; M.A., Ph.D., University of Wisconsin-Madison.

KYRIAKOUDES, LOUIS, Assistant Professor of History. B.A., University of North Carolina-Chapel Hill; M.A., Ph.D., Vanderbilt University.

LADNER, DESMOND C., Laboratory Instructor of Engineering Technology. B.S., The University of Southern Mississippi.

LANGSTRAET, BETTIE S., Instructor of Nursing. B.S.N., The University of Southern Mississippi; M.S.N., University of Alabama in Birmingham.

LANGSTRAET, LISA, Assistant Professor of English. B.A., M.A., Southern Illinois University; Ph.D., Purdue University.

LANKON, MARVIN LEE JR., Associate Professor of Technology Education. B.S., M.Ed., Ed.D., East Texas State University.
LUNSFORD, DALE, Assistant Professor of Management Information Systems. B.S., Wright State University; Ph.D., The Ohio State University.
LUO, YUAN, Research Scientist in Biological Sciences. B.S., M.S., Peking University; Ph.D., Health Sciences Center, SUNY-Syracuse.
LUX, MARY FRANCES, Associate Professor of Medical Technology. B.S., B.A., M.S., Ph.D., University of Mississippi.
LYDDON, WILLIAM JOHN, Associate Professor of Psychology. B.A., The University of Southern Mississippi; M.S., California State University, Fresno; Ph.D., University of California, Santa Barbara.
LYTLE, JULIA REBECCA, Professor of Coastal Sciences, Adjunct Professor of Chemistry and Biochemistry. A.B., Asbury College; M.A., Ph.D., University of Texas, Austin.
LYTLE, THOMAS F., Professor of Coastal Sciences. B.A., Middle Tennessee State College; M.A., Ph.D., University of Texas, Austin.
MACKAMAN, DOUGLAS P., Associate Professor of History. B.A., University of Wisconsin, Madison; M.A., University of California.
MATHIAS, LON JAY, Professor of Polymer Science. B.S., University of Iowa; M.S., Ph.D., University of Michigan.
LYDSON, WILLIAM JOHN, Associate Professor of Psychology. B.A., The University of Southern Mississippi; M.S., California State University, Fresno; Ph.D., University of California, Santa Barbara.
LYTLE, JULIA REBECCA, Professor of Coastal Sciences, Adjunct Professor of Chemistry and Biochemistry. A.B., Asbury College; M.A., Ph.D., University of Texas, Austin.
LYTLE, THOMAS F., Professor of Coastal Sciences. B.A., Middle Tennessee State College; M.A., Ph.D., University of Texas, Austin.
MACKAMAN, DOUGLAS P., Associate Professor of History. B.A., University of Wisconsin, Madison; M.A., University of California.
MAGEE, DENNIS ELTON, Adjunct Clinical Associate Professor of Medical Technology. B.S., M.D., Mississippi University Medical Center.
MAGRUDER, JAMES SCOTT, Associate Professor of Management Information Systems. B.S., B.A., M.S., The University of Southern Mississippi; Ph.D., Southern Illinois University.
MALLORY, STEPHEN L., Assistant Professor of Criminal Justice. B.S., Mississippi State University; M.S., The University of Southern Mississippi; Ph.D., University of Mississippi.
MALONE, LISA F., Instructor of Food and Nutrition and Clinical Lab Coordinator. B.S., M.S., The University of Southern Mississippi.
MALONE, PATRICIA ANN, Associate Professor of Music. B.M., Bayler University; M.M., University of Cincinnati; D.M., Florida State University.
MALONE, SUSAN C., Assistant Professor of English. B.A., University of South Alabama; M.Ed., Ed.D., Vanderbilt University.
MANEVAL, MARK W., Professor of Coaching and Sports Administration. B.S., M.A., Angelo State University; Ph.D., Texas A & M University.
MANLY, THERON W., Associate Professor of Educational Leadership and Research, Gulf Coast. B.S., Howard College; M.A., Ed.D., University of Alabama.
MANN, EDWARD C., Chair of Department of Technology and Associate Professor of Technology Education. B.A., University College; M.Ed., Ph.D., Pennsylvania State University.
MARCHMAN, DAVID A., Professor of Engineering Technology. B.B.C.M.B.C., University of Florida.
MARQUARDT, RONALD GENE, Chair of Department of Political Science and Professor of Political Science. B.S., M.S., Kansas State College; Ph.D., University of Missouri; J.D., Mississippi College School of Law.
MASHRAK, JOHN T., Assistant Professor of Education Leadership and Research. Ph.D., University of Michigan.
MARTIN, JAMES ROBERT, Professor, Dean of University Libraries. B.A., Wheaton College; M.A., M.S.L.S., University of North Carolina; Ph.D., Florida State University.
MARTIN, MICHAEL, Associate Professor of Curriculum and Instruction. B.A., M.Ed., University of New Orleans; Ph.D., University of Georgia.
MARTIN, SARAH H., Associate Professor of Curriculum and Instruction. B.S., Ed., M.Ed., University of Georgia; Ph.D., Louisiana State University.
MARTRAY, CARL R., Dean of College of Education and Psychology. B.A., Fairmont State College; M.A., Ph.D., University of Alabama.
MARYQWAS, DONNA L., Assistant Professor of Biological Sciences. B.A., University of Pennsylvania, Philadelphia; Ph.D., Cornell University, Ithaca.
MASCAGNI, MICHAEL, Coordinator of Scientific Computing and Associate Professor of Mathematics. B.S., B.S.E., University of Iowa; M.S., Ph.D., Courant Institute of Mathematical Sciences, New York University.
MASTERS, KATHLEEN R., Instructor of Nursing. B.S.N., Northern Kentucky University; M.S., The University of Southern Mississippi.
MASZTAL, NANCY, Chair of the Division of Education and Psychology and Associate Professor of Curriculum and Instruction, Gulf Coast. B.A., Florida State University; M.Ed., Ph.D., University of Miami.
MATHIAS, LON JAY, Professor of Polymer Science. B.S., University of Iowa; M.S., Ph.D., University of Michigan.
MATHIS, GEORGE L., Associate Professor of Engineering Technology. B.S., M.S., The University of Southern Mississippi; doctoral study, University of Mississippi.
MAILACK, GLENN R., Assistant Professor of Biological Sciences. B.S., Bates College; Ph.D., University College of North Wales.
MATTHEWS, LINDA K., Major, USAF, Assistant Professor of Aerospace Studies. B.A., The University of Southern Mississippi; M.A.S., Embry-Riddle Aeronautical University.
MATTSON, GERALD A., Associate Professor of Forensic Science. B.A., Duke University; Ph.D., Auburn University.

MAURITZ, KENNETH A., Professor and Polymer Physicist. B.S., M.S., University of Wisconsin-Oshkosh; Ph.D., Case Western Reserve University.

MAYS, WILLIAM MICHAEL, Associate Professor of English. B.A., University of Puget Sound; M.A., Ph.D., University of Washington.

McBRIDE, ALLAN., Assistant Professor of Political Science. B.A., Louisiana State University, New Orleans; M.A., University of New Orleans; Ph.D., Southern Illinois University at Carbondale.

McCAIN, DOUGLAS CLAYTON, Professor of Chemistry and Biochemistry. B.S., Purdue University; Ph.D., University of California, Berkeley.

MCCARTY, KENNETH GRAHAM, JR., Professor of History. B.S., The University of Southern Mississippi; Ph.D., Duke University.

MCCAWLEY, BYRON, Visiting Instructor of Journalism/Student Printz Adviser. B.A., Louisiana Tech University.

MELTON, MICHAEL, Visiting Assistant Professor of Marketing and Finance. B.S., Nebraska Wesleyan University; M.B.A., University of Nebraska-Lincoln.

MCDOWELL, SCOTT DIXON, Chair of Department of Radio, Television, and Film and Associate Professor of Radio, Television, and Film. B.A., Covenant College; M.F.A., Southern Illinois University.

MCCORMICK, CHARLES LEWIS III, Professor of Polymer Science and Chemistry and Biochemistry and The Thomas Warren Bennett, Jr., Distinguished Professor in the Sciences. B.S., Millsaps College; Ph.D., University of Florida.

MCOY, JOHN GRAHAM, Assistant Professor of Psychology. B.S., Albright College; M.S., Ph.D., Colorado State University.

MCDONALD, MICHAEL L., Associate Professor of Technology Education. B.S., M.S., Arkansas State University; Ph.D., University of Missouri-Columbia.

MCDOWELL, LIDA GARRETT, Instructor of Mathematics. B.S., Newcomb College of Tulane University; M.S.T., Middle Tennessee State University; M.S., The University of Southern Mississippi.

MEAD, LAWRENCE R., Associate Professor of Physics and Astronomy. B.S., Lawrence Institute of Technology; M.A., Ph.D., Washington University.

MEADE, JAMES WALTER JR., Professor of Art. B.S., M.A., East Tennessee State University; M.F.A., University of Georgia.

MECHNER, JAMES A., Adjunct Clinical Associate Professor of Medical Technology. B.S., Tulane University; M.S., M.D., University of Mississippi Medical Center.

MELTON, MICHAEL, Visiting Assistant Professor of Marketing and Finance. B.S., Nebraska Wesleyan University; M.B.A., University of Nebraska-Lincoln.

MESSER, DAVID GLEN, Laboratory Coordinator/Lecturer in Department of Physics and Astronomy. B.S., The University of Southern Mississippi.

MEYER, JOHN CARL., Associate Professor of Speech Communication. B.S., Phillips University; M.A., Ph.D., University of Kansas.

MEYER, MARY KAY, Research Associate Professor and Research Scientist, Division of Applied Research, National Food Service Management Institute. B.S., Auburn University; M.S., University of Tennessee; Ph.D., Virginia Polytechnic Institute and State University.

MEYLAN, MAURICE ANDRE, Professor of Geology. B.A., State University of New York, Buffalo; M.S., Florida State University; Ph.D., University of Hawaii.

MIDDLEBROOKS, BOBBY LYNN, Associate Provost and Professor of Biological Sciences. B.A., Rice University; M.A., Ph.D., University of Texas.

MIGNOR, DEOLINDA M., Associate Professor of Nursing and Coordinator for Gulf Coast Campus. B.S.N., Salve Regina College; M.N., D.N.S., Louisiana State University.

MILLER, APOLLO DENISE, Chair of the Department of Special Education and Associate Professor of Special Education. B.S., M.A., Ph.D., The Ohio State University.
MILLER, JAMES E., Professor of Computer Science and Statistics. B.S., University of Southwestern Louisiana; M.S., Auburn University; Ph.D., University of Southwestern Louisiana.

MILLER, MARK MICHAEL, Associate Dean of College of International and Continuing Education and Professor of Economic Development. B.S., University of Maryland; M.M., Thunderbird; Ph.D., University of Arizona.

MINN, JAMES, Research Scientist of Chemistry and Biochemistry. B.S., Ph.D., University of Pittsburgh.

MITCHELL, GEOFREY SCOTT, Instructor of Spanish. B.A., Hillsdale College; M.A., University of Missouri-Columbia.

MITCHELL, JACQUELYN, Assistant Professor A.B., Trinity College; M.S.W., Atlanta University; J.D., University of Pennsylvania.

MITRA, AMAL K., Assistant Professor of Community Health. M.D., The University of Dhaka; D.I.H., The University of Dhaka; M.P.H., Dr. P.H., The University of Alabama at Birmingham.

MIXON, FRANKLIN G. JR., Associate Professor of Economics. B.A., M.S., Ph.D., Auburn University.

MONTCREIFF, CYNTHIA A., B.S., State University of New York; M.S., Louisiana State University; Ph.D., Mississippi State University.

MOORE, BOBBY DEAN, Director Summer Program in Graduate Education and Professor of Curriculum and Instruction. B.S., Lamar State College of Technology; M.Ed., Ed.D., North Texas State University.

MOORE, FRANK R., The Thomas Waring Bennett, Jr., Distinguished Professor in the Sciences, Chair of the Department of Biological Sciences, and Professor of Biological Sciences. B.A., Ohio Wesleyan University; M.S., Northern Illinois University; Ph.D., Clemson University.

MOORE, ROBERT B. III, Assistant Professor of Polymer Science. B.S., Angelo State University; Ph.D., Texas A&M University.

MONCREIFF, CYNTHIA A., Assistant Professor of Coastal Sciences. B.S., State University College of New York at Fredonia; M.S., Louisiana State University; Ph.D., Mississippi State University.

MORELAND, WILBUR LAFE, Associate Professor of Music. B.A., M.A., University of Northern Colorado.

MOSER, STEVEN R., Assistant Professor of Music, Associate Director of Bands and Director of Pride of Mississippi Marching Band. B.M., University of Mississippi; M.M.E., Texas Christian University.

MOTTLEY, REED RICKMAN, Professor of Curriculum and Instruction. B.A., Catawba College; M.Ed., Ed.D., University of Georgia.

MUeller, CHERYL E., Instructor of Child and Family Studies and Director, Center for Child Development. B.S., Southern Illinois University; M.S., Eastern Michigan University.

MULLICAN, LARRY DUANE, Professor of Theatre and Dance. B.A., University of Northern Iowa; M.A., University of Colorado.

MUMA, JOHN RONALD, Professor of Speech and Hearing Sciences. B.S., M.A., Central Michigan University; Ph.D., Pennsylvania State University.

MYERS, FLORENCE S., Associate Professor, Chief Cataloger, Cook Library. B.A., M.S., M.L.S., The University of Southern Mississippi.

MYERS, SHELLEY E., Laboratory Instructor of Medical Technology. B.S., The University of Southern Mississippi.

NAGHSHPOUR, SHAHDAD, Associate Professor of Economics, Gulf Coast. B.S., Tehran University; M.A., Western Michigan University; M.S., Ph.D., Oklahoma State University.

NAGURNEY, FRANK KLEIN, Chair of Department of Computer Science and Statistics and Professor of Computer Science and Statistics. B.A., Rider College; M.S., Virginia Polytechnic Institute; Ph.D., University of Pittsburgh.

NEAL, SCOTTIE E., Instructor and Systems Analyst of Engineering Technology. B.S., M.S., The University of Southern Mississippi.

NELSON, JANET S., Assistant Professor of Special Education. B.S., M.Ed., Ed.D., Northern Illinois University.

NETTLES, MARY FRANCES, Assistant Professor of Family and Consumer Sciences and Director of The Coordinated Program in Dietetics. B.S., Mississippi State University; M.S., Ph.D., Kansas State University.

NEWMAN, WILLIAM R., Instructor of Paralegal Studies. B.S., University of Southern Mississippi; J.D., University of Mississippi Law School.

NICHOLSON, LARRY C., Senior Scientist. B.S., M.S., The University of Southern Mississippi.

NIELSEN, SHELLIE CHRISTINE, Assistant Professor of Dance. B.F.A., University of Utah; M.A., Teachers College Columbia University.

NIROOMAND, FARHANG, Acting Chair of Department of Economics and International Business and Professor of Economics and International Business. B.A., National University of Iran; M.A., Ph.D., Michigan State University.

NISSAN, EDWARD, Professor of Economics. B.S., University of Kansas; Ph.D., Texas A&M University.

NOBLIN, CHARLES DONALD, Professor of Psychology. B.A., Mississippi College; M.S., Virginia Commonwealth University; Ph.D., Louisiana State University.

NORRIS, DONALD EARL, JR., Professor of Biological Sciences. B.S., Indiana State University; M.S., Ph.D., Tulane University.
NORTON, MELANIE JO ELLEN, Assistant Professor of Library and Information Science. B.A., State University College, Oneonta; M.L.S., North Carolina State University; Ph.D., North Texas State University.

ODOM, WILLIAM McBRIDE, Associate Professor of German and Russian. B.A., Louisiana State University; Ph.D., Tulane University.

OLMI, JOE, Associate Professor of Psychology. B.S., M.Ed., Mississippi State University; Ed.S., University of Southwestern Louisiana; Ph.D., Mississippi State University.

ORSI, THOMAS H., Adjunct Professor of Geology. B.S., M.S., The University of Southern Mississippi; Ph.D., Texas A&M University.

ORTIZ, GREG C., Captain, USA, and Assistant Professor of Military Science. B.A., Saint Leo College; M.D., Vanderbilt University School of Medicine.

OSHRIN, STEPHEN EDWARD, Chair of Department of Speech and Hearing Sciences and Professor of Speech and Hearing Sciences. B.A., Plattsburgh State University; M.A., Ohio University.

OTYOS, ERVIN, Associate Professor of Coastal Sciences, Adjunct Professor of Geology. B.S.C.E., University of Budapest; M.S., Yale University; Ph.D., University of Massachusetts.

OVERSTREET, ROBIN MILES, Professor of Coastal Sciences, Adjunct Professor of Biological Sciences. B.A., University of Oregon; M.S., Ph.D., University of Miami.

OZERDEN, HALIL, Associate Professor of Psychology. Gulf Coast; B.A., Huntingdon College; M.A., Ph.D., The University of Southern Mississippi.

PALMER, JAMES JESSE, Professor of Curriculum and Instruction. B.A., M.A., Delta State University; Ed.D., Faulkner University.

PANDEY, RAS BHARAT, Professor of Physics and Astronomy. B.S., M.S., University of Allahabad, India; Ph.D., University of Roorkee, India.

PANELLA, LAWRENCE M., Assistant Professor of Music. B.M., The University of North Texas; M.M., Northern Illinois University.

PANTON, KENNETH JOHN, Associate Professor of Geography and Planning and Manager of British Studies Program. B.A., University of Edinburgh; Ph.D., King’s College, University of London.

PAPROCKI, MARY M., Assistant Professor of Computer Science and Statistics. M.S., Adam Mickiewicz University, Ph.D., Southern Methodist University.

PARKER, JOSEPH BAFOUR, Professor of Political Science. B.A., M.A., Louisiana State University; Ph.D., Tulane University.

PASSMORE, STEVEN E., Research Scientist in Biological Sciences. B.A., University of California, Santa Barbara; Ph.D., Cornell University.

PATE. GWENDOLYN ANN, Associate Professor of Accounting. B.M., M.P.A., The University of Southern Mississippi; Ph.D., University of Tennessee; C.A.

PATRICK, DAVID MAXWELL, Professor of Geology. B.S.C.E., Purdue University; A.M., University of Missouri; Ph.D., University of Oklahoma; P.E.

PAUL, JOSEPH SCOTT, Vice President for Student Affairs and Assistant Professor of Psychology. B.S., M.S., The University of Southern Mississippi; Ph.D., The University of Alabama.

PAYNE, THOMAS E., Assistant Professor of Criminal Justice. B.S., M.S., Ph.D., The University of Southern Mississippi; J.D., University of Mississippi.

PERKINS, ARLENE LOUISE, Assistant Professor of Computer Science and Statistics. B.S., M.S., Ph.D., University of California, Davis.

PERRY, HARRIET M., Associate Professor of Coastal Sciences. B.S., Florida State University; M.S., The University of Southern Mississippi.

PETERS, MARY BARNETT, Instructor of Mathematics. B.S., M.Ed., The University of Southern Mississippi.

PESSONEY, GEORGE FRANCIS III, Professor of Biological Sciences. B.S., M.A., Sam Houston State College; Ph.D., University of Texas.

PETERSON, MARK S., Associate Professor of Coastal Sciences. B.S., Coastal Carolina University; M.S., Florida Institute of Technology; Ph.D., The University of Southern Mississippi.

PETTITSON, RONALD A., Assistant Professor, ILL/Serials Librarian, Cox Library, Gulf Coast; B.A., State University of New York; M.L.I.S., San Jose State University.

PETRASH, EARL, Assistant Professor of Art. B.A., Iowa State University; M.A., University of Northern Iowa; M.A.T., University of South Carolina.

PHELPS, DENNIS ROGER, Associate Professor of Coaching and Sports Administration. B.A., Lutheran University; M.A.T., Whitworth College; D.P.E., Springfield College.

PIAZZA, BARRY LYNN, Professor of Mathematics. B.S., Nicholls State University; M.S., Ph.D., Clemson University.

PIERCE, WILLIE LEE, JR., Professor of Educational Leadership and Research. B.S.E., M.Ed., Delta State University; Ed.D., North Carolina State University.
POJMAN, JOHN ANTHONY, Professor of Chemistry and Biochemistry and Coordinator of Undergraduate Programs. B.S.,Georgetown University; Ph.D., University of Texas.

POLIK, NOEL EARL, Professor of English. B.A.,M.A., Mississippi College; Ph.D.,University of South Carolina.

POLIK, PATRICIA PARROTT, Instructor of Accounting. B.A., Mississippi College; M.A., University of South Carolina; M.P.A., The University of Southern Mississippi. C.P.A.

POOLE, W. HARVEY III, Instructor of Human Performance. B.S., The University of Southern Mississippi; M.S., William Carey College.

POPE, LIN FAIRCHILD, Instructor of Geology. B.S.,M.S., The University of Southern Mississippi.

PORCELLO, MARILYN BROOME, Instructor of Radio, Film and TV. B.S., The University of Southern Mississippi.

PORTER, SHARON DEANNA, Instructor of Nursing. B.S., The University of Southern Mississippi; M.S., Texas Women’s University.

POSEY, GUY, Assistant Professor of Management Information Systems. Gulf Coast. B.S., The University of Southern Mississippi; M.B.A., Jackson State University; Ph.D.,University of North Texas.

POSEY, RODERICK BURL, Associate Dean of the College of Business Administration and Professor of Accounting. B.S.,M.S., The University of Southern Mississippi; Ph.D., Oklahoma State University. C.P.A.

POSS, STUART GERALD, Associate Professor of Coastal Sciences, Adjunct Professor of Biological Sciences. B.A., University of California, Los Angeles; M.A., San Francisco State University; Ph.D.,University of Michigan.

POWELL, WILLIAM W., Associate Professor of TESOL and French. B.A.,University of Texas-Austin; M.A., Ohio University; Ph.D.,Florida State University.

PRICE, CATHERINE H., Associate Professor of Hospitality Management. B.A., Mississippi University for Women; M.A.,University of Northern Colorado; Ph.D., Virginia Polytechnic Institute.

PRIEUR, JANET RENE SUMNER, Associate Professor of Dance. B.F.A., Juilliard School; M.F.A.,University of Michigan.

PURVIS, JOHNNY RAY, Associate Professor of Educational Leadership and Research. B.A.,M.A.,Northwestern State College; Ed.D.,Northeast Louisiana University.

PUTHOFF, RONALD ANDREW, Instructor of Mathematics. B.A., St. Louis University; M.S., Kansas University.

PYE, WALLACE CLARK, Chair of the Department of Mathematics and Professor of Mathematics. B.S.,M.S., Louisiana State University; Ph.D., Texas Tech University.

QIN, JIAN, Assistant Professor of Library and Information Science. B.A., Wuhan University; M.L.I.S.,University of Western Ontario; Ph.D.,University of Illinois.

QUARNSTROM, ISAAC BLAINE, Professor of Theatre and Coordinator of Allied Arts. B.S.,M.A.,Brigham Young University; Ph.D., Ohio State University.

RABIAN, BRIAN, Assistant Professor of Psychology. B.A.,University of Delaware; Ph.D., The George Washington University.

RACIHAL, JOHN RALPH, Professor of Educational Leadership and Research. A.B., East Carolina University; M.A., Ed.D.,North Carolina State.

RACHEL, MARCIA M., Adjunct Clinical Assistant Professor of Nursing. B.S.N., Mississippi College; M.S., The University of Southern Mississippi; Ph.D.,University of Mississippi.

RAGSDALE, DANA OUGH, Professor of Music. B.M.,University of Denver; M.M., University of Hartford; D.M.A.,Cincinnati Conservatory of Music.

RACKOWIN, CHESTER F., Senior Scientist. B.S.,Northern Illinois University; Ph.D., The University of Southern Mississippi.

RANDOLPH, DANIEL LEE, Professor of Psychology. B.S.,University of West Virginia; M.Ed.,Marquette University; Ph.D.,Florida State University.

RANGE, LILLIAN MILLER, Professor of Psychology. B.S., East Tennessee State University; M.A., Ph.D., Georgia State University.

RAYBURN, GRAYSON HANKS, Director of the School of Mathematical Sciences and Professor of Physics and Astronomy. B.S., Rensselaer; Ph.D.,University of Florida.

REBAZA, CLAUDIA M., Assistant Professor, Information Services Librarian, Cook Library. B.A.,University of California; M.L.I.S.,University of South Florida.

REDALJE, DONALD G., Professor of Marine Science. Institute of Marine Sciences. B.A.,University of California, Santa Barbara; Ph.D.,University of Hawaii.

REDFERN, MYLAN E., Associate Professor of Mathematics. B.S., Augusta College; M.S.,Florida State University; Ph.D., Louisiana State University.

REDFIELD, STEPHEN C., Assistant Professor of Violin, School of Music. B.M.,University of Cincinnati; M.M., Eastman School of Music.

REEVES, STACY, Visiting Instructor of Curriculum and Instruction. B.S.,M.Ed., The University of Southern Mississippi.
SANCHEZ, RICHARD XAVIER, Associate Professor of Music. B.A., Tulane University; M.M., Ph.D., Louisiana State University.

SANIGA, RICHARD DENNIS, Professor of Speech and Hearing Sciences. B.S., Indiana University; M.S., University of Oklahoma; Ph.D., Southern Illinois University.

SANTANGELO, GEORGE MICHAEL, Associate Professor of Biological Sciences. B.A., University of Pennsylvania; Ph.D., Yale University.

SANTELL, ROSS, Assistant Professor of Nutrition and Food Systems. B.S., M.S., The University of Southern Mississippi; Ph.D., Michigan State University.

SAUL, JANE, Instructor of Child and Family Studies. B.S., M.S., University of Mississippi.

SAWYER, W. CHARLES, Professor of Economics. B.A., M.A., St. Mary’s University; Ph.D., University of Arkansas.

SCARBOROUGH, WILLIAM KAUFFMAN, Professor of History. A.B., University of North Carolina; M.A., Cornell University; Ph.D., University of North Carolina.

SCHAUB, MARY TURPEN, Assistant Professor of Speech and Hearing Sciences. B.A., M.S., University of Wyoming.

SCHREITZ, RAYMOND WAYNE, Professor of Biological Sciences. B.S., Philadelphia College of Pharmacy and Science; M.S., Ph.D., University of Delaware.

SCHNUR, JAMES OLIVER, Professor of Educational Leadership and Research. B.S., M.S., State College, Fredonia, N.Y.; Ed.D., State University of New York, Buffalo.

SCIOLINO, MARTINA MARY, Associate Professor of English. B.A., M.A., Ph.D., State University of New York at Buffalo.

SCOTT, M. JANINE, Associate Professor of Curriculum and Instruction. B.S., Texas A & I University; M.A., Sam Houston State University; Ph.D., Texas A&M University.

SCURFIELD, RAY M., Assistant Professor of Social Work. Gulf Coast. B.A., Dickinson College; M.S.W., Ph.D., University of Southern California–Los Angeles.

SELLERS, JAMES KEVIN, Instructor of Management Information Systems and Supervisor of CBA Computer Laboratory. B.S., M.B.A., The University of Southern Mississippi.

SELLERS, LISA A., Half-time Visiting Instructor of Criminal Justice. B.S., M.S., The University of Southern Mississippi; J.D., Mississippi College School of Law.

SEYFARTH, BENJAMIN RAYBORN, Associate Professor of Computer Science and Statistics. B.S., Delta State University; M.S., The University of Southern Mississippi; Ph.D., University of Florida.

SHARP, BETTY SUE HUMPHRIES, Associate Professor of Home Economics. B.A., M.S., The University of Southern Mississippi.

SHEARER, GLENMORE JR., Associate Professor of Microbiology. B.S., Murray State University; M.S., Ph.D., University of Oklahoma.

SHERES, DAVID, Associate Professor of Marine Science. Institute of Marine Sciences. B.S., Massachusetts Institute of Technology; M.S., University of Wisconsin; Ph.D., Scripps Institution of Oceanography.

SHERIDAN, MIRIAM GLUCK, Adjunct Clinical Associate Professor of Nursing. B.S., St. Olaf College; M.N., University of California at Los Angeles; Ed.D., Nova University.

SHILLER, ALAN MARK, Professor of Marine Science. Institute of Marine Sciences. B.S., California Institute of Technology; Ph.D., University of California, Scripps Institution of Oceanography.

SHOMEAKE, ALTA FAYE ADAMS, Assistant Professor of Nursing. B.S.N., M.N., University of Mississippi; M.S., The University of Southern Mississippi.

SIDERS, JAMES A., Professor of Special Education. B.S., M.Ed., Bowling Green State University; Ed.D., University of Florida.

SIDERS, JANE Z., Professor of Community Health. B.A., Millsaps College; M.Ed., Ed.D., Memphis State University.

SILANEN, SUSAN ANN, Assistant Dean of the Graduate School and Director of Graduate Admissions and Professor of Speech Communication. B.A., M.A., University of South Florida; Ph.D., Ohio State University.

SIMMONS, WARLAND EUGENE, Associate Professor of Computer Science and Statistics. Gulf Coast. B.S., Louisiana State University; M.S., Ph.D., University of Southwestern Louisiana.

SIMS, PATRICIA C., Assistant Professor and Director of Marriage and Family Therapy. B.S., M.S., The University of Southern Mississippi; Ed.D., Auburn University.

SIROCHMAN, RUDY F., Assistant Professor of Physics and Astronomy. B.S., The Pennsylvania State University; M.S., University of Oklahoma; Ph.D., Indiana University.

SLICK, SAM L., Professor of Spanish. B.A., M.A., Illinois State University; Ph.D., University of Iowa.

SLONAKER, CHARLES EDWARD III, Adjunct Clinical Associate Professor of Medical Technology. B.S., M.D., University of Tennessee.

SMITH, GASTON, Visiting Professor of Mathematics. B.S., The University of Southern Mississippi; M.A., Ph.D., University of Alabama.
SMITH, GLENN N., Adjunct Clinical Associate Professor of Medical Technology. B.S., University of Mississippi; M.D., University of Mississippi Medical School.

SMITH, JAMES PATTERSON, Assistant Professor of History. Gulf Coast. B.A., Mississippi College; M.A., Ph.D., Vanderbilt University.

SMITH, JOHN LARRY, Adjunct Clinical Associate Professor of Medical Technology. B.S., University of Oklahoma; M.D., Tulane University School of Medicine.

SMITH, KANDY K., Instructor of Nursing. B.S.N., The University of Southern Mississippi; M.N., Emory University.

SMITH, LARRY DEARMAN, Professor of Music. B.M., M.M., University of Mississippi; D.M.A., Southwestern Baptist Theological Seminary.

SMITH, MARGARET DONALDSON, Professor of Educational Leadership and Research. B.A., West Virginia Wesleyan College; M.A., Ed.D., West Virginia University; J.D., West Virginia University College of Law.

SMITH, MICHAEL CLAY, Professor of Criminal Justice. L.L.B., Mississippi College; B.A., West Virginia Institute of Technology; M.A., University of Detroit; L.L.M., Tulane University; D.Min., The University of the South; Ed.D., West Virginia University.

SMITH, TOMMY VAN, Director of the Advertising Program and Associate Professor of Journalism. B.A., University of Georgia; M.S., Ph.D., The University of Southern Mississippi.

SMITH, W. ROBERT, Acting Director of School of Professional Accountancy and Associate Professor of Accounting. B.S., M.B.A., Ph.D., Louisiana State University.

SMITH, WILLIAM B., Major, U.S. Army and Assistant Professor of Military Science. B.S., M.S., The University of Southern Mississippi.

SMITH, WILLIAM CURTIS, Assistant Professor of Marketing. B.S., M.B.A., Florida State University; D.B.A., Louisiana Tech.

SMITHKA, PAULA JEAN, Assistant Professor of Philosophy and Religion. B.A., B.S., University of North Carolina; M.A., Ph.D., Tulane University.

SOUTHERLAND, ARTHUR RAY, Chair of the Department of Educational Leadership and Research and Professor of Educational Leadership and Research. B.M.Ed., M.Ed., Ph.D., East Texas State University.

SOWER, WILLIAM A., Instructor of Engineering Technology. B.S.E.E., University of Wyoming; M.S.E.E., Air Force Institute of Technology.

SPENCER, SARAH ARMSTRONG, Associate Professor, Information Services Librarian, Cook Library. B.A., University of Mississippi; M.L.S., University of Alabama.

STAMPER, ANITA MILLER, Associate Professor of Family and Consumer Sciences. B.A., Morehead State University; M.S., The University of Southern Mississippi; Ph.D., University of Tennessee.

STAMPER, DONALD REXFORD, Associate Professor of English. B.A., Morehead State University; M.A., Ph.D., University of Arkansas.

STANBERRY, ANNE M., Assistant Director of the School of Family and Consumer Sciences and Assistant Professor of Child and Family Studies. B.S., M.S., East Carolina University; Ph.D., Kansas State University, Ph.D.,

STANBERRY, JAMES PHILLIP, Associate Professor of Marriage and Family Therapy and Director of Clinical Training. B.A., Oklahoma Baptist University; M.R.E., Midwestern Baptist Theological Seminary; Ph.D., Southwestern Baptist Theological Seminary.

STEIN, THOMAS G., Assistant Professor of Music. B.M., University of Michigan; M.M., University of Michigan.

STERLING-TURNER, HEATHER E., Assistant Professor of Psychology. B.A., University of the South; M.S., Mississippi State University.

STEWART, DONNA LYNN, Professor of Technology Education. B.S., M.S., Ed.D., The University of Southern Mississippi.

STEWART, MARY W., Instructor of Nursing. B.S.N., Mississippi College; M.S.N., University of Mississippi, Medical Center.

STITH, JAMES LOGAN, Adjunct Clinical Assistant Professor of Medical Technology. A.B., M.D., George Washington University.

STOGNER, EDNA SHIRLENE, Associate Professor, Information Services Librarian, Cook Library. B.A., The University of Southern Mississippi; M.S., Louisiana State University.

STOREY, ROBSON F., Professor of Polymer Science. B.S., The University of Southern Mississippi; Ph.D., University of Akron.

STRINGER, GARY ALLEN, Professor of English. B.A., M.A., Ph.D., University of Oklahoma.

STRINGER, GARY LAYNE, Adjunct Professor of Geology. B.S., M.S., Ed.S., Northeast Louisiana University.

STRINGER, MARY ANN, Associate Professor of Music. B.A., Oklahoma University; M.M., The University of Southern Mississippi; D.M.A., University of Oklahoma.

STUART, JEFFREY L., Professor of Mathematics. B.A., Pomona College; M.A., Ph.D., University of Wisconsin, Madison.
TERRU, LEELEN MARK, Associate Professor of Speech and Hearing Sciences and Supervisor of Audiology.

TAYLOR, WILLIAM BANKS III, Professor of Criminal Justice. B.A., M.A., The University of Southern Mississippi.

SUNDEEN, DANIEL ALVIN, Professor of Geology. B.A., University of New Hampshire; A.M., Ph.D., Indiana University.

TERRY, JAMES, Instructor of Hospitality Management and Director, Charcoal Room. B.S., The University of Southern Mississippi; M.B.A., University of South Florida.

TAYLOR, WALTON R., Chair of Division of Business Administration, Gulf Coast and Professor of Finance, Gulf Coast. B.S., California State University; Ph.D., Penn State.

TAYLOR, WILLIAM BANKS III, Professor of Criminal Justice. B.A., M.A., The University of Southern Mississippi; Ph.D., University of London; Advanced legal study, British Academy of Forensic Sciences.

TELLER, HENRY EMANUEL, JR., Associate Professor of Speech and Hearing Sciences. B.A., Livingston University; M.A., Ed.D., University of Alabama.

TERRIO, LEELEN MARK, Associate Professor of Speech and Hearing Sciences and Supervisor of Audiology Clinic. B.A., Nicholls State University; M.S., The University of Southern Mississippi; Ph.D., Florida State University.

THAMES, DANA G., Professor of Curriculum and Instruction. B.S., M.Ed., The University of Southern Mississippi; Ph.D., Louisiana State University.

THAMES, SHELBY BRELAND, Distinguished University Research Professor of Polymer Science. B.S., M.S., The University of Southern Mississippi; Ph.D., University of Tennessee.

THOMPSON, JANICE P., Assistant Director and Instructor of Educational Field Experiences. B.A., Illinois State University; M.A., Adams State College; Ph.D., The University of Southern Mississippi.

THOMPSON, S. KAROLYN, Professor, Interlibrary Loan Coordinator, Cook Library. B.S., Jackson State University; M.S., University of Illinois.

THORNTON, JOYOUS, Assistant Professor of Social Work. B.A., M.S.W., University of Oklahoma; Ph.D., Barry University.

THRASH, DAVID S., Adjunct Clinical Instructor of Medical Technology. B.S., The University of Southern Mississippi.

THRASH, JOE BARHAM, JR., Chair of the Division of Arts and Sciences, Gulf Coast, and Associate Professor of Mathematics. B.S., M.S., Lamar State College; Ph.D., Texas Tech University.

THRASH, KAREN, Instructor of Mathematics. B.S., M.S., The University of Southern Mississippi.

TINGSTROM, DANIEL H., Professor of Psychology. B.A., University of New Orleans; M.S., Mississippi State University; Ph.D., Tulane University.

TSIDALE, MARTHA R., Instructor of Music. B.M.E., Mississippi University for Women; M.M.E., The University of Southern Mississippi.

TOMLINSON, ELIZABETH ANN, Director of Institutional Planning and Analysis and Assistant Professor of Educational Leadership and Research. B.S., M.Ed., Ed.D., The University of Southern Mississippi.

TIPPING, SHARON, Associate Professor of Management. B.S., Virginia Polytechnic Institute & State University; M.A., Pennsylvania State University; Ph.D., University of Alabama at Birmingham.

TORNOW, JOANNE S., Associate Professor of Biological Sciences. B.A., Rutgers University; Ph.D., Yale University.

TORMES, PAUL DELMAS, Professor of Accounting. B.S.C., Spring Hill College; M.B.A., Ph.D., University of Alabama. C.P.A.

TRAYLOR, JOAN, Coordinator of Interior Design Program and Associate Professor of Interior Design. B.S., M.S., Western Kentucky University.

TUBBS, ALLEN A., Assistant Administrator of the J. L. Scott Marine Education Center and Aquarium. D.A., University of Northern Colorado.
TUCKER, SAMUEL, Visiting Associate Professor of Social Work. B.S.W., Goshen College; M.S.W., Wayne State University.

TURNER, HEATHER, Assistant Professor of Psychology. M.S., Mississippi State University.

TURNER, ROBERT W., Instructor of Sociology. B.A., M.A., University of Mississippi; doctoral study, Florida State University.

TUSA, BOB S., Assistant Professor, University Archivist, McCain Library and Archives. B.A., Baylor University; M.A., Tulane University; M.L.S., University of Alabama; Ph.D., Tulane University.

UNNOLED, YVONNE, Assistant Professor of Spanish. B.A., University of California, Davis; M.A., Ph.D., University of Washington, Seattle.

VAJAPAYEE, S. KANT, Professor of Engineering Technology. B.Sc. Engg., Patna University; M.M.E., Jadavpur University; Ph.D., University of Birmingham.

VAN HOUTEN, HAROLD D. III, Professor of Art, B.F.A., Alfred University; M.F.A., Pennsylvania State University.

VAN SICKLE, JOELLE, Assistant Professor of Dance. B.F.A., Montclair State University; M.F.A., Temple University.

VELASQUEZ, BENITO, Assistant Professor of Human Performance. B.S., M.Ed., University of Arizona; D.A., Middle Tennessee State University.

VER BERKMÖES, CORNELIUS HENRY, Instructor of Computer Science and Statistics, Gulf Coast. B.A., Chapman College; B.S., M.S., The University of Southern Mississippi.

VEST, SUSANNE MELTZER, Associate Professor of Management. B.S., College of New Rochelle; M.B.A., Iona College; Ph.D., Virginia Polytechnic Institute and State University.

VEST, MICHAEL JEFFREY, Associate Professor of Management. B.S., M.S., Ph.D., Virginia Polytechnic Institute and State University.

VILLEPONTEAUX, MARY, Associate Professor of English. B.A., College of Charleston; M.A., University of Sussex; Ph.D., Louisiana State University.

WAGNER, WILLIAM G., Professor of Psychology. B.S., Indiana University; M.Ed., University of Vermont; Ph.D., University of Florida.

WALDOFF, STANLEY, Professor of Music. B.S., M.S., Juilliard School of Music; Ed.D., Columbia University.

WALES, ROBERT WARE, Chair of Department of Geography and Planning and Professor of Geography and Planning. B.S., M.S., Oregon State University; Ph.D., University of Kansas.

WALKER, DAVID W., Associate Professor of Special Education. B.S., Ohio State University; M.A., University of Minnesota; Ed.D., Ball State University.

WALKER, SHARON H., Professor of Coastal Sciences. B.S., Millsaps College; M.S., Louisiana State University; Ph.D., The University of Southern Mississippi.

WALKINGTON, KENNETH L., Captain, USA, and Assistant Professor of Military Science. B.S., University of Oklahoma.

WALL, KAY LAVENDER, Associate Professor, Director of Public Services, Cook Library. B.A.E., University of Mississippi; M.L.S., Louisiana State University.

WALLACE, ANNE, Associate Professor of English. B.A., M.A., University of Kansas; Ph.D., University of Texas at Austin.

WALLER, RICHARD S., Senior Scientist. B.S., Alabama College (University of Montevallo).

WALLEY, VICKY J., Instructor of Nursing. B.S.N., M.S.N., University of Mississippi, Medical Center.

WALLIS, GARY LEE, Professor of Mathematics. B.A., University of Kansas; M.S., Ph.D., University of Utah.

WALLS, SUSAN C., Assistant Professor of Biological Sciences. B.S., Mississippi State University; M.S., Ph.D., University of Southwestern Louisiana.

WALTZMAN, JERO LD LLOYD, Professor of Political Science. B.A., Louisiana Tech University; M.A., University of Denver; Ph.D., Indiana University.

WANG, SHAO YU, Associate Professor of Biological Sciences. B.S., William Carey College; M.S., The University of Southern Mississippi; Ph.D., Louisiana State University.

WARD, BETSY, Instructor and Coordinator of Student Teaching. B.A., Lambuth College; M.S., Memphis State University; Ed.D., Mississippi State University.

WARD, HARRY CALVIN, JR., Chair and Professor of Art. B.A., The University of Southern Mississippi; M.A., East Tennessee State University.

WARREN, JAMES R., Senior Scientist. B.S., Northwest Missouri State University; M.S., The University of Southern Mississippi.

WASHINGTON, EARLIE M., Director of School of Social Work and Associate Professor of Social Work. B.A., Tougaloo College; M.S.W., Ohio State University; Ph.D., University of Chicago.

WATSON, KENNETH V., Associate Professor of English. A.B., Kenyon College; M.A., University of Vermont; Ph.D., Duke University.

WATSON, WILLIAM, Associate Professor of English. Gulf Coast. B.A., Western Illinois University; M.A., Ph.D., Louisiana State University.
WEBB, TOMMY ROBERT, Visiting Instructor of Family and Consumer Sciences. B.S., M.S., The University of Southern Mississippi.

WEBSTER, DENNIS BRUCE, Director, Division of Broadcasting and Radio/Television Services, and Assistant Professor of Radio, Television, and Film. B.A., M.A., University of Michigan.

WEBSTER, MICHAEL J., Assistant Professor Human Performance. B.S., Oregon State University; M.A., University of Northern Iowa; Ph.D., Auburn University.

WEBSTER, PORTER GRIGSBY, Professor of Mathematics. B.A., Georgetown College; M.S., Ph.D., Auburn University.

WEINBAUER, ELLEN MARY, Assistant Professor of English. B.A., University of Wisconsin; M.A., Ph.D., Indiana University.

WELLS, KATHLEEN, Assistant Professor, Catalog Librarian, Cook Library. B.A., Louisiana State University; M.S.L.S., Louisiana State University.

WERTZ, DAVID LEE, Professor of Chemistry and Biochemistry. B.S., Arkansas State University; M.S., Ph.D., University of Arkansas.

WESLEY, ANDREA LOTT, Professor of Psychology. B.A., M.A., Texas Woman’s University; Ph.D., Florida State University.

WEST, M. GENEVIEVE, Assistant Professor of English. B.A., M.A., Mississippi State University; Ph.D., Florida State University.

WHEAT, EDWARD MCKINLEY, Professor of Political Science. B.A., M.A., University of Missouri; Ph.D., University of California, Santa Barbara.

WHEELER, DAVID MARK, Professor of English. A.B., University of Illinois; M.A., University of Chicago; Ph.D., University of Virginia.

WHEELER, MARJOLIE SPRUILL, Professor of History and Director of the University Forum. B.A., University of North Carolina-Chapel Hill; M.A.T., Duke University; M.A., Ph.D., University of Virginia.

WHITE, BARBARA L., Assistant Professor of Educational Leadership and Research. B.A., M.A., Austin Peay State University; Ph.D., Bowling Green State University.

WHITEHEAD, JOE B., Chair of Department of Physics and Astronomy and Associate Professor of Physics and Astronomy and Chemistry and Biochemistry. B.S., Delta State University; M.A., Ph.D., Kent State University.

WHITESELL, FRANK COOK, Associate Professor of Economics. B.A., M.A., University of South Carolina; Ph.D., Tulane University.

WHITING, MELISSA ELLIS, Assistant Professor of Curriculum and Instruction. B.S., M.A., University of Tulsa; Ph.D., University of Oklahoma.

WICKS, JAMES E., Professor of Special Education. B.S.E., Arkansas State Teachers College; M.I.E., State College of Arkansas; Ed.D., Colorado State College.

WIESENBORG, DENIS, Professor of Marine Science. B.A., Duke University; M.S., Old Dominion University; Ph.D., Texas A & M University.

WINTERNITZ, ANDREW ALLEN, Associate Professor of History. B.S., M.A., The University of Southern Mississippi; Ph.D., University of Illinois at Chicago.

WIGGINS, ROBERT GENE, Director of the School of Communication and Professor of Journalism. B.S., M.S., The University of Southern Mississippi; Ph.D., Southern Illinois University.

WILCZYNSKI, SUSAN M., Assistant Professor of Psychology. B.A., Indiana University Northwest; M.A., Northern Illinois University; Ph.D., Indiana State University.

WILDE, PAUL J., Assistant Professor of Engineering Technology. B.S., University of Vermont; M.S., University of Central Florida.

WILLIAMS, ALVIN JEROME, Chair of Department of Marketing and Finance and Professor of Marketing. B.S., The University of Southern Mississippi; M.A., University of Alabama; Ph.D., University of Arkansas.

WILLIAMS, DONALD LEE, Associate Professor of Geography and Planning. B.A., M.A., Ph.D., University of Kansas.

WILLIAMS, JAMES O., Vice President of USM Gulf Coast and Professor of Educational Administration, Gulf Coast. B.S., M.Ed., Ed.D., Auburn University.

WILLIAMS, MARGARET E., Publications Manager and Instructor of Journalism. B.A., Millsaps College; M.S., University of Southern Mississippi.

WITTA, ELEANOR LEA, Assistant Professor of Department of Educational Leadership and Research. B.A., West Virginia University; M.Ed., Texas A&M University; Ph.D., Virginia Tech.

WOLFE, IWMGARD H., Associate Professor, Catalog Librarian, Cook Library, Abilene, Munich Lusengymnasium; M.S., M.L.S., The University of Southern Mississippi.

WOLFE, JAMES HASTINGS, Professor of Political Science. B.A., Harvard College; M.A., University of Connecticut; Ph.D., University of Maryland.

WOOD, FORREST EDWARDS JR., Chair of Department of Philosophy and Religion and Professor of Philosophy and Religion. B.A., Baylor University; Ph.D., Southwestern Baptist Theological Seminary.
WOOD, VIVIAN POATES, Professor of Music. B.Mus., Hartt College of Music; M.Mus., Ph.D., Washington University; Ellen Battell Stoeckel Fellowship (Yale).

WOOTON, JOHN ANDREW, Assistant Professor of Music. B.M., The University of Southwestern Louisiana; M.M., The University of North Texas; D.M.A., University of Iowa.

XIE, DEXUAN, Assistant Professor of Mathematics. B.S., M.S., Hunan University; Ph.D., University of Houston.

YADRICK, M. KATHLEEN, Graduate Coordinator and Associate Professor of Food and Nutrition. B.S., M.S., Michigan State University; Ph.D., Oklahoma State University.

YORK, PAUL A. DIEBOLD, Assistant Professor of Music. B.M., University of Southern California; M.A. in Music, University of California, Santa Barbara.

YOUNG, AMY LAMBECK, Assistant Professor of Anthropology. B.A., University of Louisville; M.A., Ph.D., University of Tennessee.

YSSEL, JOHAN C., Associate Professor of Journalism. B.A., Potchefstroom University; B.A., Rand Afrikaans University; M.S.J., West Virginia University; D.Litt et Phil., University of South Africa.

YUEN, STEVE CHI-YIN, Professor of Technology Education. B.Ed., National Taiwan Normal University; M.A., East Tennessee State University; Ph.D., Pennsylvania State University.

ZANINELLI, LUIGI JOHN, Professor of Music. D.I.P., Curtis Institute of Music.

ZOELLER, ROBERT F., Assistant Professor of Human Performance. B.S., Duquesne University; M.S., Ph.D., University of Pittsburgh.
